Statute Law (Miscellaneous Provisions) Act (No 2) 2012 No 95

New South Wales

An Act to repeal certain Acts and to amend certain other Acts and instruments in various respects and for the purpose of effecting statute law revision; and to make certain savings.

1 Name of Act

This Act is the *Statute Law (Miscellaneous Provisions) Act (No 2) 2012*.

2 Commencement

(1) This Act commences on 4 January 2013.

(2) However, the amendments made by the Schedules to this Act commence on the day or days specified in those Schedules in relation to the amendments concerned. If a commencement day is not specified, the amendments commence in accordance with subsection (1).

3 Explanatory notes

The matter appearing under the heading “Explanatory note” in any of the Schedules does not form part of this Act.

Schedule 1 Minor amendments

1.1 Apprenticeship and Traineeship Act 2001 No 80

[1] Section 21, heading

Insert “**on application by a party**” after “**plans**” in the heading to the section.

[2] Section 21A

Insert after section 21:

21A Variation of training contracts and training plans by Commissioner

(1) The Commissioner may, on receiving a recommendation from a registered

training organisation or any other relevant person or body or on the Commissioner's own initiative, make a variation to a training contract or training plan in accordance with this section.

- (2) A technical variation may be made at any time at the discretion of the Commissioner.
- (3) A technical variation is a variation that, in the Commissioner's opinion, is of a minor nature and will not result in any material change to the terms of the training contract or training plan.
- (4) If the variation is not a technical variation, the following provisions apply:
 - (a) the Commissioner must send a notice to each party (being the employer and the apprentice or trainee) requesting the party to notify the Commissioner whether or not the party consents to the variation,
 - (b) if the Commissioner does not receive any reply to such a request within 21 days after the date on which the notice was sent, the consent of the party to whom the notice was sent is taken to have been given,
 - (c) if the parties consent to the variation, the Commissioner may make the variation.
- (5) As soon as practicable after a variation is made under this section, the Commissioner must give notification of the variation to the following:
 - (a) the employer,
 - (b) the apprentice or trainee concerned,
 - (c) in the case of the variation of a training plan—the relevant registered training organisation.
- (6) A variation made under this section is binding on the employer and the apprentice or trainee.

Explanatory note

Currently, section 21 of the *Apprenticeship and Traineeship Act 2001* enables variations to be made to a training contract or training plan only on the application of the employer, apprentice or trainee concerned (a **relevant party**). Item [2] of the proposed amendments extends the circumstances in which a variation may be made to a training contract or training plan by enabling the Commissioner for Vocational Training to do so on receiving a recommendation from a registered training organisation or any other relevant person or body or on the Commissioner's own initiative. The proposed amendment enables the Commissioner, at any time and at his or her discretion, to make a technical variation that will not result in any material change to the terms of the training contract or training plan. However, the Commissioner may make other variations only after notifying the relevant parties and receiving their consent (or their assumed consent if the Commissioner does not receive a response from the parties within 21 days of notifying them). Any variation made by the Commissioner is binding on, and must be notified to, the relevant parties.

Item [1] of the proposed amendments makes a consequential amendment.

1.2 Australian Museum Trust Act 1975 No 95

Section 18

Insert before section 19:

18 Personal liability

A matter or thing done or omitted to be done by the Trust, a trustee, the Director or a person acting under the direction of the Trust or the Director does not, if the matter or thing was done or omitted to be done in good faith for the purposes of executing this Act, subject a trustee, the Director or a person so acting personally to any action, liability, claim or demand.

Explanatory note

The proposed amendment to the *Australian Museum Trust Act 1975* ensures that a trustee of the Australian Museum Trust, the Director of the Australian Museum or a person acting under the direction of the Trust or the Director is not personally liable for an act or omission done in good faith for the purpose of executing that Act.

1.3 Biofuels Act 2007 No 23

[1] Section 5 Act applies only to sales to person in NSW or for delivery in NSW

Omit section 5 (2) and (2A). Insert instead:

- (2) This Act does not apply to a sale of petrol or diesel fuel by one volume fuel seller to another volume fuel seller.

[2] Section 15 Exemptions from minimum biofuel requirements

Omit section 15 (4). Insert instead:

- (4) An exemption can be granted as a partial exemption specifying a percentage that is less than the minimum ethanol percentage or minimum biodiesel percentage applicable under section 6 or 7.

Note—

A partial exemption has the effect that the relevant section then applies to require that the volume of ethanol (in petrol ethanol blend) or volume of biodiesel (in biodiesel blend) sold by the volume fuel seller concerned is not less than the specified minimum ethanol percentage or specified minimum biodiesel percentage of the total volume of all petrol or diesel fuel sold by that seller during the relevant period.

[3] Schedule 1 Savings, transitional and other provisions

Insert after clause 3:

Part 3 Provision consequent on enactment of Statute Law (Miscellaneous Provisions) Act (No 2) 2012

4 Exemption from minimum biofuel requirements

An order made by the Minister under section 15 (4) that was in force immediately before the substitution of that subsection by the *Statute Law (Miscellaneous Provisions) Act (No 2) 2012* is taken to have been made under that subsection as so substituted.

Explanatory note

Item [1] of the proposed amendments to the *Biofuels Act 2007 (the Act)* expands a general exception from the operation of the Act (applying to certain bulk fuel sales) so as to ensure that the Act's requirements for records and returns of fuel sales will only apply to the fuel sales that are subject to the Act's main operative provisions (which impose minimum ethanol/biodiesel content requirements for fuel). As a result of the amendment, records and returns will no longer be required for sales by primary wholesalers to major retailers. Those sales are currently not subject to the Act's minimum ethanol/biodiesel content requirements (so the current requirement for records and returns for those sales serves no purpose under the Act).

Item [2] of the proposed amendments recasts a provision that allows an exemption from a minimum biofuel requirement to be granted as a "partial" exemption, to correct the explanation of how such a partial exemption operates.

Item [3] of the proposed amendments inserts a transitional provision that preserves exemptions from minimum biofuel requirements that were granted by the Minister before the amendment made by item [2].

1.4 Child Protection (Working with Children) Act 2012 No 51

Schedule 3 Savings, transitional and other provisions

Omit "by a tribunal under section 33H" from clause 6 (1).

Insert instead "under section 33H or 33I".

Explanatory note

The proposed amendment to the *Child Protection (Working with Children) Act 2012 (the 2012 Act)* corrects cross-referencing in a transitional provision. In particular, the proposed amendment ensures that an unconditional order (removing a prohibition on a person working in child-related employment) that is made under repealed provisions of the *Commission for Children and Young People Act 1998* is preserved and treated as being an order of an equivalent kind in the 2012 Act.

1.5 Children and Young Persons (Care and Protection) Act 1998 No 157

[1] Section 27A Alternative reporting arrangements

Insert after section 27A (11):

(12) A staff member of a relevant agency may, in accordance with the terms of an arrangement under this section, refer any of the following matters to an assessment officer of the agency:

(a) a matter relating to a young person that the staff member would otherwise report to the Director-General under section 24,

(b) a matter relating to an unborn child that the staff member would otherwise report to the Director-General under section 25.

[2] Section 29 Protection of persons who make reports or provide certain information

Insert at the end of the section:

Note—

It is an offence under section 254 for a person to disclose any information obtained in connection with the administration or execution of this Act, except in certain circumstances. The maximum penalty is 10 penalty units (currently \$1,100) or imprisonment for up to 12 months, or both.

[3] Section 61 Applications for care orders

Omit section 61 (2). Insert instead:

(1A) A care application must specify the particular care order sought and the grounds on which it is sought.

(2) A care application must be accompanied by a written report specifying such information as may be prescribed for the purposes of this section by the rules made under the *Children's Court Act 1987*.

(2A) However, a written report is not required to accompany a care application if:

(a) the application is for the rescission or variation of a care order under section 90,
or

(b) such a report has previously been provided to the Children's Court in relation to the child or young person concerned.

[4] Chapter 9, Part 1, heading

Omit "in need of care and protection".

[5] Section 245B Interpretation

Insert "or a referral to an assessment officer under section 27A" after "section 25" in section 245B (3) (a).

[6] Section 245B (3) (b) and (c)

Insert "or referral" after "report" wherever occurring.

[7] Section 264 Regulations

Omit “section 114” from section 264 (1A) (c).

Insert instead “section 65A or 114”.

Explanatory note—

Item [1] of the proposed amendments to the *Children and Young Persons (Care and Protection) Act 1998* (**the Act**) enables mandatory reporters (such as teachers, health care workers and police officers) to refer matters relating to the safety, welfare and well-being of unborn children and young persons (aged 16 or 17 years) to assessment officers instead of making a report about the unborn child or young person directly to the Director-General of the Department of Family and Community Services (the **Director-General**). Under existing alternative reporting arrangements, assessment officers handle mandatory reports about children (aged under 16 years) that would otherwise be reported directly to the Director-General.

Items [5] and [6] make it clear that Chapter 16A of the Act (which enables the exchange of information about the safety, welfare and well-being of children and young persons between agencies) extends to information about an unborn child who is the subject of a referral to an assessment officer under the alternative reporting arrangements referred to above. Currently, Chapter 16A only extends to information about unborn children who are the subject of pre-natal reports to the Director-General.

Item [2] inserts a note referring to the offence under the Act of disclosing information obtained in connection with the administration or execution of the Act except in certain circumstances. The note is inserted into a section providing that the identity of a person who makes a report about a child or young person to the Director-General is not to be revealed, except in certain circumstances (such as the disclosure to the police of the reporter’s identity for the purposes of the investigation of various offences).

Item [3] removes the requirement for certain applications for care orders to be accompanied by a written report setting out a summary of the facts, matters and circumstances of the case. A written report will still be required for most initial care applications, and all care applications must continue to specify the particular care order sought and the grounds on which it is sought.

Item [4] amends the heading to a Part in Chapter 9 of the Act to reflect that the Part applies to the medical examination and treatment of all children (and not only to children who are in need of care and protection).

Item [7] expands the power to make regulations about the use of evidence given during the course of alternative dispute resolution to include alternative dispute resolution that is ordered by the Children’s Court.

1.6 Crime Commission Act 2012 No 66

[1] Section 57 Directions and guidelines to Commission

Insert after section 57 (4):

- (5) The Management Committee must furnish guidelines to the Police Integrity Commission with respect to the negotiation by the Police Integrity Commission of the terms of agreements regarding orders made by consent under the *Criminal Assets Recovery Act 1990*.
- (6) Guidelines must not be furnished under subsection (5) unless the Management Committee has consulted with the Commissioner for the Police Integrity Commission about, and obtained his or her written agreement to, the furnishing of the guidelines.

[2] Schedule 5 Amendment of Acts and regulations

Omit Schedule 5.11 [3].

Explanatory note

Section 62 of the *Criminal Assets Recovery Act 1990* (the **CAR Act**) provides that consent orders, giving effect to the terms of agreements negotiated between the Crime Commission and persons whose interests in property are subject to confiscation orders under that Act, cannot be made unless the Commissioner for the Crime Commission has certified that guidelines with respect to the negotiation of such terms of agreement set by the NSW Crime Commission Management Committee under section 57 of the *Crime Commission Act 2012* have been complied with.

Item [1] of the proposed amendments to the *Crime Commission Act 2012* provides for the Management Committee to set such guidelines for the Police Integrity Commission in consultation with, and after obtaining the agreement of, the Commissioner for the Police Integrity Commission.

Item [2] of the proposed amendments to the *Crime Commission Act 2012* omits an amendment made by that Act to section 19 of the *Police Integrity Commission Act 1996* (which currently applies the CAR Act to the Police Integrity Commission in the same way as it applies to the Crime Commission) that would, if commenced, prevent the application of section 62 of the CAR Act to the Police Integrity Commission.

1.7 Criminal Procedure Act 1986 No 209

Section 94 Meaning of “offence involving violence”

Omit “section 35 (b) of the *Crimes Act 1900*” from section 94 (1) (d).

Insert instead “section 35 (1) or (2) of the *Crimes Act 1900*”.

Explanatory note

The proposed amendment to the *Criminal Procedure Act 1986* updates a cross-reference to the offence of recklessly causing grievous bodily harm in a definition of **offences involving violence**. Alleged victims of offences involving violence who have made a written statement cannot generally be directed to attend committal proceedings. The amendment also updates the definition to include the more serious offence of recklessly causing grievous bodily harm in company.

1.8 Election Funding, Expenditure and Disclosures Act 1981 No 78

[1] Section 4 Definitions

Insert “, appointed by the member under section 46A,” after “an official agent” in paragraph (f1) of the definition of **official agent** in section 4 (1).

[2] Section 4 (1), definition of “official agent”

Omit paragraph (f2). Insert instead:

(f2) in relation to a third-party campaigner for whom an official agent, appointed by the campaigner under section 46B, is registered in the Register of Official Agents—that official agent, or

[3] Section 4 (1), definition of “official agent”

Omit “or candidate” from paragraph (g).

Insert instead “, candidate or third-party campaigner concerned”.

Explanatory note

The proposed amendments to the *Election Funding, Expenditure and Disclosures Act 1981* ensure that the Election Funding Authority of New South Wales may designate an official agent for an elected member or third-party campaigner if an official agent is not otherwise appointed or designated for the member or campaigner.

1.9 Independent Commission Against Corruption Act 1988 No 35

Schedule 1 Provisions relating to Commissioner and Assistant Commissioners

Omit “7 years” wherever occurring in clause 4 (1A) and (3).

Insert instead “9 years”.

Explanatory note

The proposed amendment to the *Independent Commission Against Corruption Act 1988* extends the total period for which a person may hold office as an Assistant Commissioner for the Independent Commission Against Corruption from 7 to 9 years.

1.10 Library Act 1939 No 40

Section 7BA

Insert after section 7B:

7BA Personal liability

A matter or thing done or omitted to be done by the Council, a member of the Council, the State Librarian or a person acting under the direction of the Council or the State Librarian does not, if the matter or thing was done or omitted to be done in good faith for the purposes of executing this Act, subject a member of the Council, the State Librarian or a person so acting personally to any action, liability, claim or demand.

Explanatory note

The proposed amendment to the *Library Act 1939* ensures that a member of the Library Council of New South Wales, the State Librarian or a person acting under the direction of the Library Council or the State Librarian is not personally liable for an act or omission done in good faith for the purpose of executing that Act.

1.11 Local Government Act 1993 No 30

Schedule 8 Savings, transitional and other provisions consequent on the enactment of other Acts

Insert after clause 102:

102A Certain reinstated councils may retain Electoral Commissioner to

administer elections, polls and referendums until end of 2016 ordinary elections

- (1) Despite section 296, a reinstated council may resolve, before 9 September 2013, that the council is to enter into a contract or make arrangements with the Electoral Commissioner for the Electoral Commissioner to administer its elections, council polls and constitutional referendums.
- (2) The council must, as soon as possible, notify the following persons of the making of such a resolution:
 - (a) the Electoral Commissioner,
 - (b) the Director-General.
- (3) If such a contract is entered into or such arrangements made, the Electoral Commissioner is to administer all the elections, council polls and constitutional referendums of the council until the conclusion of the 2016 ordinary election for councillors.

- (4) In this clause:

election does not include an election of the mayor or a deputy mayor by the councillors.

reinstated council means any of the following councils:

- (a) Port Macquarie-Hastings Council,
- (b) Shellharbour City Council,
- (c) Wollongong City Council.

Explanatory note

The proposed amendment to the [Local Government Act 1993](#) makes it clear that certain local councils recently in administration (Port Macquarie-Hastings Council, Shellharbour City Council and Wollongong City Council) may resolve, before 9 September 2013 (just as other councils may), that the New South Wales Electoral Commissioner is to administer elections, council polls and constitutional referendums for the council for the next election cycle.

1.12 Museum of Applied Arts and Sciences Act 1945 No 31

Section 16

Insert after section 15:

16 Personal liability

- (1) A matter or thing done or omitted to be done by the Trustees, a trustee, the principal officer or a person acting under the direction of the Trustees or the

principal officer does not, if the matter or thing was done or omitted to be done in good faith for the purposes of executing this Act, subject a trustee, the principal officer or a person so acting personally to any action, liability, claim or demand.

- (2) In this section, **principal officer** means the member of staff responsible for the day-to-day management and administration of the Museum.

Explanatory note

The proposed amendment to the [Museum of Applied Arts and Sciences Act 1945](#) ensures that a trustee of the Museum of Applied Arts and Sciences, the principal officer of the Museum or a person acting under the direction of the Trustees or the principal officer is not personally liable for an act or omission done in good faith for the purpose of executing that Act. The Museum of Applied Arts and Sciences includes the Powerhouse Museum, Powerhouse Discovery Centre, NSW Migration Heritage Centre and Sydney Observatory.

1.13 Parliamentary Electorates and Elections Regulation 2008

[1] Schedule 1 Forms

Omit “the maximum penalty for failing to vote is 0.5 penalty units” from Form 21.

Insert instead “the maximum penalty for failing to vote is 1 penalty unit (currently \$110).”

[2] Schedule 1, Form 21

Omit “\$25”. Insert instead “[*specify penalty, which must not exceed \$55*]”.

[3] Schedule 1, Form 21

Omit “the maximum penalty is 0.5 penalty units plus court costs”.

Insert instead “the maximum penalty is 1 penalty unit (currently \$110) and court costs may also be payable”.

[4] Schedule 1, Form 21

Omit “Penalty for any person giving a false reason for failure to vote is 0.5 penalty units”.

Insert instead “The maximum penalty for any person giving a false reason for an elector’s failure to vote is 1 penalty unit (currently \$110)”.

Explanatory note

The proposed amendments to the [Parliamentary Electorates and Elections Regulation 2008](#) make a number of corrections to the prescribed form of penalty notice for failure to vote in a State election, including amendments that are consequential on amendments, enacted in 2009, to the [Parliamentary Electorates and Elections Act 1912](#). Those amendments increased the maximum penalty notice amount, under section 120C of that Act, for failing to vote from \$25 to \$55. They also increased the maximum penalty for the offences, under section 120F of that Act, of failing to vote and giving a false reason for failing to vote from 0.5 penalty unit to 1 penalty unit (currently \$110).

1.14 Public Finance and Audit Act 1983 No 152

Section 48A Review of Audit Office

Omit “3” from section 48A (1). Insert instead “4”.

Explanatory note

The purpose of the proposed amendment to the *Public Finance and Audit Act 1983* is to change the frequency at which the Audit Office must be reviewed by a person appointed by the Public Accounts Committee (**PAC**) from 3 to 4 yearly. The proposed amendment gives effect to a recommendation of PAC in *Conduct of the 2009 Review of the Audit Office under S48A of the Public Finance and Audit Act 1983 (Report 1/55, September 2011)* to align the required frequency of reviews with the 4-year term of the Legislative Assembly from which the membership of PAC is drawn.

1.15 Racing Administration Act 1998 No 114

Section 19 Authorised betting event bookmakers

Insert after section 19 (1):

Note—

A licensed bookmaker does not require an authorisation under this section to take bets (on or off a racecourse) on declared betting events when the bookmaker is taking bets pursuant to an authority under section 16 to conduct telephone or electronic betting at a racecourse or approved premises off a racecourse.

Explanatory note

The proposed amendment to the *Racing Administration Act 1998* makes it clear that the authority a bookmaker requires to take bets at a racecourse on certain “declared” events is not required for the taking of bets on those events pursuant to an authority to conduct telephone or electronic betting at a racecourse or at approved premises off a racecourse.

1.16 Residential Tenancies Act 2010 No 42

[1] Section 202 Nature of proceedings for offences

Omit section 202 (4). Insert instead:

- (4) Proceedings for an offence against this Act may be brought:
- (a) in the case of an offence in relation to a rental bond for a residential tenancy agreement or a proposed residential tenancy agreement—within the period of 3 years that next succeeds:
 - (i) the commission of the offence, or
 - (ii) the termination of the residential tenancy agreement,whichever is the later, or
 - (b) in any other case—within the period of 3 years that next succeeds the commission of the offence, or

(c) with the consent of the Attorney General—at any time.

[2] Schedule 2 Savings, transitional and other provisions

Insert at the end of the Schedule with appropriate Part and clause numbering:

**Part Provision consequent on enactment of Statute Law
(Miscellaneous Provisions) Act (No 2) 2012**

Nature of proceedings for offences

The amendment made to section 202 (4) by the *Statute Law (Miscellaneous Provisions) Act (No 2) 2012* does not apply to an offence committed before the commencement of the amendment.

Explanatory note

Item [1] of the proposed amendments to the *Residential Tenancies Act 2010 (the Act)* enables proceedings for an offence in relation to rental bonds for an existing or proposed residential tenancy agreement to be brought within 3 years from the commission of the offence or the termination of the residential tenancy agreement, whichever is the later. Currently, the Act requires proceedings for all offences under the Act, including offences in relation to rental bonds, to be brought within 3 years from the commission of the offence, unless the Attorney General's consent is provided.

The proposed amendment reinstates the position of offences in relation to rental bonds that existed under section 17 (2) (a) of the *Landlord and Tenant (Rental Bonds) Act 1977* which was repealed by the Act.

Item [2] of the proposed amendments makes it clear that the proposed amendment to section 202 (4) of the Act does not apply to offences in relation to rental bonds that were committed before the commencement of the proposed amendment.

1.17 Special Commissions of Inquiry Act 1983 No 90

[1] Section 3 Definitions

Omit the definition of **Judge** from section 3 (1).

[2] Section 4 Issue of commission

Omit section 4 (2) and (2A). Insert instead:

(2) A person is not eligible to be issued a commission unless the person:

- (a) is or is qualified to be appointed as a Judge of the Supreme Court of the State or of any other State or Territory, a Judge of the Federal Court of Australia or a Justice of the High Court of Australia, or
- (b) is a former Judge or Justice of any court referred to in paragraph (a).

(2A) A person is not eligible to be issued a commission if the person is a member of the Legislative Council or of the Legislative Assembly or is a member of a House of Parliament or legislature of another State or Territory or of the Commonwealth.

Explanatory note

Item [2] of the proposed amendments to the *Special Commissions of Inquiry Act 1983* inserts provisions relating to the eligibility of a person for appointment as a Commissioner for a Special Commission of Inquiry (**SCOI**) similar to provisions relating to the eligibility of a person for appointment as a Commissioner for the Crime Commission, the Independent Commission Against Corruption or the Police Integrity Commission. In particular, the amendment generally broadens the range of persons who may be appointed as a Commissioner for a SCOI (enabling a person to be appointed if the person holds, has held or is qualified to hold judicial office in Australia or if the person is an Australian lawyer of at least 7 years' standing) and prevents a person being appointed who is a member of a House of Parliament in Australia. Currently, a person may be appointed as a Commissioner for a SCOI only if the person is a New South Wales judge or the person is an Australian lawyer of at least 7 years' standing.

Item [1] makes a consequential amendment.

1.18 State Emergency Service Act 1989 No 164

[1] Section 3 Definitions

Omit "State Emergency Service of New South Wales" from the definition of **State Emergency Service** in section 3 (1).

Insert instead "NSW State Emergency Service".

[2] Section 7 State Emergency Service

Omit "State Emergency Service of New South Wales" from section 7 (1).

Insert instead "NSW State Emergency Service".

[3] Section 7 (3)

Insert after section 7 (2):

(3) In any Act or instrument, a reference to the NSW State Emergency Service need not include the term "NSW".

Explanatory note

Item [2] of the proposed amendments to the *State Emergency Service Act 1989* renames the State Emergency Service of New South Wales as the NSW State Emergency Service. Item [1] is a consequential amendment.

Item [3] of the proposed amendments provides that any reference in an Act or instrument to the NSW State Emergency Service need not include the term "NSW". This has an effect similar to section 12 (2) of the *Interpretation Act 1987*, which currently operates in relation to the State Emergency Service of New South Wales so that a reference in an Act or instrument to the State Emergency Service need not include the words "of New South Wales".

1.19 Sydney Opera House Trust Act 1961 No 9

Section 27

Insert after section 26:

27 Personal liability

- (1) A matter or thing done or omitted to be done by the Trust, a trustee, the principal officer or a person acting under the direction of the Trust or the principal officer does not, if the matter or thing was done or omitted to be done in good faith for the purposes of executing this Act, subject a trustee, the principal officer or a person so acting personally to any action, liability, claim or demand.
- (2) In this section, **principal officer** means the member of staff responsible for the day-to-day management and administration of the Opera House.

Explanatory note

The proposed amendment to the [Sydney Opera House Trust Act 1961](#) ensures that a trustee of The Sydney Opera House Trust, the principal officer of the Sydney Opera House or a person acting under the direction of the Trust or the principal officer is not personally liable for an act or omission done in good faith for the purpose of executing that Act.

1.20 Travel Agents Act 1986 No 5

[1] Section 53 Service of documents

Omit section 53 (1) (a). Insert instead:

- (a) where the person is a natural person:
 - (i) by giving it to or serving it personally on the person, or
 - (ii) by sending it by post to the person at the person's usual or last known place of residence or business, or
 - (iii) by sending it by post to the person at the person's postal address notified to the Director-General, or

[2] Section 53 (1) (b) (iv) and (v)

Omit section 53 (1) (b) (iv). Insert instead:

- (iv) by sending it by prepaid post addressed to the corporation at that registered office or the corporation's postal address notified to the Director-General, or
- (v) without limiting the other provisions of this paragraph, where the corporation is the holder of a licence, by sending it by prepaid post addressed to the corporation at the address of the principal place of business of the licensee (as shown on the register of licensees).

Explanatory note

Item [1] of the proposed amendments to the [Travel Agents Act 1986](#) (**the Act**) allows a document under that Act to be served

on a person by sending it by post to a postal address notified by the person to the Director-General. Currently, documents under the Act can only be sent by post to a person's residential or business address.

Item [2] allows a document under the Act to be served on a corporation by sending it by prepaid post to a postal address notified by the corporation to the Director-General. Currently, documents under the Act can only be sent by prepaid post to a corporation's registered office or business address (where the corporation is the holder of a licence).

1.21 Universities Governing Bodies Act 2011 No 51

Section 4 Adoption by resolution of the standard governing body provisions

Insert after section 4 (4):

- (5) An order made by the Minister under this section may provide for the commencement of provisions of a savings or transitional nature before the day on which the governing body resolution takes effect.

Explanatory note

- (2) The Minister may amend an access licence held by the State (or a public authority prescribed by the regulations), at the Minister's discretion, by increasing the share component of the licence if:

[7] Dictionary

Insert “or 68B” after “section 68A” in paragraph (d) of the definition of **Ministerial action**.

Explanatory note

Item [4] of the proposed amendments to the [Water Management Act 2000](#) (**the Act**) enables the Minister for Primary Industries (**the Minister**) to amend an access licence held by the Commonwealth or the State by increasing the licence’s share component, in order to give effect to an agreement entered into by the State and where the licence forms part of the Commonwealth environmental water holdings or is used for certain environmental purposes. Item [4] is in similar terms to sections 63A and 63B of the Act, which enable the Minister to grant an access licence to the Commonwealth or the State in order to give effect to an agreement entered into by the State.

Item [6] ensures that the holder of an access licence that is amended as provided for by item [4] (for example, the Commonwealth) cannot appeal against the Minister’s decision to impose a discretionary condition on the licence. Item [6] is consistent with section 368 (2) (c), which removes any right of appeal against the Minister’s decision to grant an access licence to the Commonwealth or the State under section 63A or 63B of the Act or to impose a discretionary condition on such a licence.

Items [1]-[3] and [7] are consequential on the amendment made by item [4].

Item [5] amends section 91I of the Act to ensure that it is generally an offence to take water from a water source to which Part 3 of Chapter 3 of the Act applies when related metering equipment is not operating (or is not operating properly), regardless of how the equipment came to be installed. The proposed amendment ensures that section 91I is consistent with section 91K of the Act, under which it is generally an offence to interfere with, damage, destroy or disconnect metering equipment, regardless of how the equipment came to be installed.
