## 1 Name of Act

This Act is the *Environmental Planning and Assessment Amendment Act 2012*.

## 2 Commencement

- (1) This Act commences on a day or days to be appointed by proclamation, except as provided by this section.
- (2) Sections 1 and 2 and Subschedules 2.6 and 2.9 commence on the date of assent to this Act.
- (3) Subschedules 2.1, 2.2, 2.7 and 2.8 commence on 12 December 2012.

## Schedule 1 Amendment of *Environmental Planning and Assessment Act 1979 No 203*

### [1] Section 74BA

Insert after section 74B:

#### **74BA Purpose and status of development control plans**

- (1) The principal purpose of a development control plan is to provide guidance on the following matters to the persons proposing to carry out development to which this Part applies and to the consent authority for any such development:
  - (a) giving effect to the aims of any environmental planning instrument that applies to the development,
  - (b) facilitating development that is permissible under any such instrument,

(c) achieving the objectives of land zones under any such instrument.

The provisions of a development control plan made for that purpose are not statutory requirements.

- (2) The other purpose of a development control plan is to make provisions of the kind referred to in section 74C (1) (b)–(e).
- (3) Subsection (1) does not affect any requirement under Division 3 of Part 4 in relation to complying development.

**[2] Section 74C Preparation of development control plans**

Omit section 74C (1) (a). Insert instead:

(a) to provide the guidance referred to in section 74BA (1), or

**[3] Section 74C (5)**

Omit the subsection. Insert instead:

- (5) A provision of a development control plan (whenever made) has no effect to the extent that:
- (a) it is the same or substantially the same as a provision of an environmental planning instrument applying to the same land, or
- (b) it is inconsistent or incompatible with a provision of any such instrument.

**[4] Section 79BA Consultation and development consent—certain bush fire prone land**

Insert after section 79BA (1B):

- (1C) The regulations may exclude development from the application of this section subject to compliance with any requirements of the regulations. The regulations may (without limiting the requirements that may be made):
- (a) require the issue of a certificate by the Commissioner of the NSW Rural Fire Service or other qualified person in relation to the bush fire risk of the land concerned, and
- (b) authorise the payment of a fee for the issue of any such certificate.

**[5] Section 79C Evaluation**

Insert after section 79C (3):

- (3A) **Development control plans** If a development control plan contains provisions that relate to the development that is the subject of a development application, the consent authority:
- (a) if those provisions set standards with respect to an aspect of the development and the development application complies with those standards—is not to require more onerous standards with respect to that aspect of the development, and
  - (b) if those provisions set standards with respect to an aspect of the development and the development application does not comply with those standards—is to be flexible in applying those provisions and allow reasonable alternative solutions that achieve the objects of those standards for dealing with that aspect of the development, and
  - (c) may consider those provisions only in connection with the assessment of that development application.

In this subsection, **standards** include performance criteria.

**[6] Section 94EC Contributions plans—complying development**

Insert after section 94EC (2):

- (3) The regulations may make provision for or with respect to anything for which a contributions plan may make provision under this section (being provisions that apply despite anything to the contrary in the contributions plan). The regulations may provide that the amount of a monetary contribution or levy be determined in a manner and by a person or body authorised by the regulations.

**[7] Section 105 Regulations—Part 4**

Omit section 105 (2).

**[8] Section 109C Part 4A certificates**

Insert “or standards” after “specifications” in section 109C (1) (a) (i).

**[9] Section 109D Certifying authorities**

Omit section 109D (1) (a). Insert instead:

- (a) a compliance certificate may be issued by:
- (i) a consent authority, the council or an accredited certifier, or
  - (ii) a person of a class prescribed by the regulations as being authorised to issue a

compliance certificate in relation to the matters to be certified,

**[10] Section 109NA**

Insert after section 109N:

**109NA Provision of information to replacement principal certifying authorities**

- (1) This section applies when a principal certifying authority (***the new principal certifying authority***) has been appointed to replace another principal certifying authority (***the old principal certifying authority***).
- (2) The new principal certifying authority may request the Building Professionals Board in writing to give a direction under this section if the new principal certifying authority is unable to obtain the prescribed information from the old principal certifying authority in relation to the matter for which the new principal certifying authority has been appointed.
- (3) The Building Professionals Board may give a direction in writing to any of the following persons to provide the prescribed information, or a copy of that information, to the new principal certifying authority within the period specified in the notice:
  - (a) the old principal certifying authority,
  - (b) a person whom the Board reasonably believes has possession of that information.
- (4) A person must not, without reasonable excuse, fail to comply with a direction given to the person by the Building Professionals Board under this section.
- (5) It is not a reasonable excuse for the purposes of subsection (4) that any person has a claim to a lien over any document or record that is prescribed information or any other right to keep such a document or record as security for payment.
- (6) In this section, ***prescribed information*** means the following:
  - (a) if the old principal certifying authority is not a council, the documents and records required to be kept under section 60 of the *Building Professionals Act 2005* by an accreditation holder in relation to the matter concerned,
  - (b) if the old principal certifying authority is a council, the information required to be provided to the Building Professionals Board under section 74B of the *Building Professionals Act 2005* in relation to the person who performed the certification work concerned on behalf of the council and the records required to be kept under that section by the council in relation to the matter

concerned.

**[11] Section 109P Satisfaction as to compliance with conditions precedent to the issue of certificates**

Omit section 109P (2). Insert instead:

- (2) This section does not apply to a certifying authority (other than a council or consent authority) in relation to any Part 4A certificate or complying development certificate that the certifying authority has issued.

**[12] Section 113 Publicity and examination of environmental impact statements**

Omit section 113 (4).

**[13] Section 121CA Compliance cost notices**

Omit section 121CA (1) (c). Insert instead:

- (c) any costs or expenses relating to an investigation that leads to the giving of the order, and
- (d) any costs or expenses relating to the preparation or serving of the notice of the intention to give the order, and
- (e) any other matters associated with the order.

**[14] Section 146 Bush fire prone land**

Insert after section 146 (2):

- (2A) The Commissioner of the NSW Rural Fire Service may, in accordance with the regulations, review the designation of land on a bush fire prone land map for an area at any time after the map is certified and revise the map accordingly. The revised map:
- (a) becomes the bush fire prone land map for the area on being certified by the Commissioner, and
- (b) is to be provided to the council by the Commissioner.

**[15] Section 158A**

Insert after section 158:

**158A Copyright in documents used for purposes of this Act—indemnification**

- (1) A relevant person who is not entitled to copyright in a document that is part of a planning matter is taken to have indemnified all persons using the document for the purposes of this Act against any claim or action in respect of a breach of copyright in the document.
- (2) For the purposes of this section:
  - (a) a development application or an application for a complying development certificate (or an application to modify a development consent) is a planning matter, and the applicant is the relevant person, and
  - (b) an application for approval to carry out State significant infrastructure (or an application to modify an approval of State significant infrastructure) is a planning matter, and the applicant is the relevant person, and
  - (c) a Part 3A project or concept plan application within the meaning of Schedule 6A (or a request to modify an approval or concept plan under Part 3A), and any environmental assessment or report under Part 3A, is a planning matter, and the applicant is the relevant person, and
  - (d) an environmental impact statement under Part 5 or 5.1 (including any preferred infrastructure report under Part 5.1) is a planning matter, and the proponent under Part 5 or 5.1 is the relevant person, and
  - (e) a planning proposal under Part 3 is a planning matter, and the person preparing the proposal is the relevant person, and
  - (f) a planning agreement referred to in section 93F is a planning matter, and the developer under the agreement is the relevant person, and
  - (g) a matter or thing under this Act that is declared by the regulations for the purposes of this section is a planning matter, and the person declared by the regulations is the relevant person in respect of that matter or thing.
- (3) For the purposes of this section, a document is part of a planning matter if it forms part of or accompanies the planning matter, or is subsequently submitted by the relevant person in support of the planning matter or is exhibited or made public in accordance with a requirement made by or under this Act in relation to the planning matter.
- (4) The regulations may limit the operation of this section.
- (5) This section extends to a planning matter that was made or submitted before the commencement of this section.

- (2) A government agency is required to furnish to Government Property NSW details of the following within such time and in such manner as are specified by Government Property NSW:
  - (a) all land owned or occupied by the government agency,
  - (b) the current use of that land,
  - (c) all land which is, at the time at which the details are furnished, considered by the government agency to be essential to its operations,
  - (d) all land which is, at the time at which the details are furnished, considered by the government agency not to be essential to its operations,
  - (e) in relation to land to which paragraph (d) applies that is owned or occupied by a government agency that is a statutory body:
    - (i) a valuation of the current market value of that land, and
    - (ii) the date and source of that valuation,
  - (f) such other matters relating to the land owned or occupied by the government agency as Government Property NSW may determine.
- (3) Without limiting the generality of subsection (2) (f), Government Property NSW may require a government agency to give detailed reasons and other relevant information to indicate why land to which subsection (2) (c) applies is considered by the government agency to be essential to its operations.
- (4) A government agency that is a statutory body must, at intervals of not more than 3 years, review a valuation of the current market value of land to which subsection (2) (d) applies.
- (5) Government Property NSW must cause to be kept a register which includes the details furnished to Government Property NSW under this section (or furnished under section 17 of the *Annual Reports (Departments) Act 1985* or under section 14 of the *Annual Reports (Statutory Bodies) Act 1984* before the repeal of those sections).

- (6) Government Property NSW may request the Valuer-General to provide advice on the details in the register under subsection (5) or any other matter under this section.
- (7) Government Property NSW may exempt a government agency from compliance with such of the provisions of this section as are specified in the exemption. Government Property NSW may at any time revoke any such exemption.
- (8) An exemption may be granted generally or subject to such conditions as Government Property NSW may specify in the exemption or in relation to such matters as may be so specified.
- (9) A reference in this section to land owned or occupied by a government agency that is a Department is a reference to land owned or occupied, or under the control of, the Department or the Minister responsible for the Department.
