### 60 Existing social housing schemes

- (1) Section 222 (1) (h) (as inserted by the amending Act) does not apply until 31 December 2015 in relation to a community benefit scheme for residential accommodation for Aboriginal persons that was provided before the commencement of clause 45.

**Note—**

Clause 45 allows an Aboriginal Land Council that provided residential accommodation to Aboriginal persons immediately before the commencement of that clause to continue to provide that residential accommodation without the approval of the New South Wales Aboriginal Land Council until 31 December 2015. Continuing to provide residential accommodation to Aboriginal persons after that date without the approval of the New South Wales Aboriginal Land Council is a ground for the appointment of an administrator for the Council under section 222.

- (2) An application for the approval of a community benefits scheme for residential accommodation for Aboriginal persons provided before the commencement of clause 45 that was made, but not finally determined, before the repeal of section 52B by the amending Act is to be determined in accordance with section 52A as amended by the amending Act.
