Schedule 1 Minor amendments

1.1 Barangaroo Delivery Authority Act 2009 No 2

[1] Whole Act (except where otherwise amended by this Subschedule)

Omit “Barangaroo Headland Park” wherever occurring.

Insert instead “Barangaroo Reserve”.

Omit the definition of **Barangaroo Headland Park** from section 4 (1). Insert instead:

Barangaroo Reserve means land identified as the Barangaroo Reserve on the [Barangaroo Reserve and Public Domain Map](#).

[3] Section 24 Regulation of Barangaroo Reserve and public domain

Omit “the Sydney Harbour Foreshore Authority” and “[Sydney Harbour Foreshore Authority Act 1998](#)” wherever occurring.

Insert instead “Place Management NSW” and “[Place Management NSW Act 1998](#)”, respectively.

Omit “facsimile or other transmission of the information in the papers concerned” from clause 16 (5).

Insert instead “email or other electronic means”.

Explanatory note

Items [1] and [2] of the proposed amendments update references to the Barangaroo Headland Park in line with a decision of the Geographical Names Board of NSW to assign to the park the name of Barangaroo Reserve.

Item [3] updates references to the Sydney Harbour Foreshore Authority and the [Sydney Harbour Foreshore Authority Act 1998](#) as a consequence of the Sydney Harbour Foreshore Authority changing its name to Place Management NSW.

Item [4] makes it clear that any approval or consent given by the Premier in relation to certain ancillary functions of the Barangaroo Delivery Authority (including the power to grant easements over land vested in the Authority) may be given generally or may be limited to a particular case or class of cases.

Item [5] makes it clear that the Board of the Barangaroo Delivery Authority may circulate papers by email or any other electronic means for the purpose of transacting its business.

1.2 Biofuels Act 2007 No 23

Section 24 Expert Panel

Omit section 24 (1) (a1). Insert instead:

(a1) a person employed in the Department of Industry with expertise in regional industry development nominated by the Secretary of that Department,

Explanatory note

The proposed amendment updates a provision as a consequence of recent administrative changes to ensure that the membership of the Expert Panel (which advises the Minister on exemptions from minimum biofuels requirements) continues to include a person with regional industry development expertise who is employed in the Department of Industry.

1.3 Carers (Recognition) Act 2010 No 20

[1] Section 7 Obligations of public sector agencies

Insert “carers or” before “bodies” in section 7 (2).

[2] Section 11 Membership and procedure of Carers Advisory Council

Omit section 11 (1). Insert instead:

(1) The Carers Advisory Council is to consist of persons appointed as members by the Minister who, in the opinion of the Minister, have relevant knowledge of and experience in matters relevant to carers (the **appointed members**).

(1A) Of the appointed members of the Council, 1 is to be appointed as Chair of the Council and 1 is to be appointed as Deputy Chair of the Council.

[3] Section 11 (2)

Omit “primary”.

[4] Section 11 (3)

Omit the subsection.

[5] Section 11 (4)

Insert “and ex-officio members” after “deputies of members”.

[6] Section 11 (4)

Insert at the end of the subsection:

Note—

Certain incidental powers to remove members are implied in the powers of appointment in this section (see section 47 of the *Interpretation Act 1987*).

[7] Schedule 1

Omit the Schedule. Insert instead:

Schedule 1 NSW Carers Charter

(Section 6)

1 Carers make a valuable contribution to the community

- (a) NSW recognises the valuable social and economic contribution that carers make to the community.
- (b) Carers should have the same rights, choices and opportunities as other Australians.
- (c) Carers' unique knowledge and experience should be acknowledged and recognised.
- (d) The relationship between carers and the people they care for should be respected.

2 Carers' health and well-being is important

- (a) Carers should be supported to enjoy optimum health and well-being and to participate in family, social and community life, employment and education.
- (b) Carers should be supported to balance their caring role with other roles, such as work and education.

3 Carers are diverse and have individual needs within and beyond their caring role

- (a) The diverse needs of carers should be acknowledged and recognised in policy, programs and service delivery, taking into consideration culture and language, age, disability, religion, socio-economic status, place of residence, gender identity and sexual orientation.
- (b) Aboriginal and Torres Strait Islander values, heritage and concepts of caring should be respected and valued.
- (c) The additional challenges faced by carers who live in rural and remote areas should be acknowledged and recognised.
- (d) Children and young people who are carers should be supported to reach their

full potential.

4 Carers are partners in care

- (a) The choices, views and needs of carers and of the people they care for should be taken into account in the assessment, planning, delivery and review of services provided to the people they care for.
- (b) Carers should be referred to, and assisted to access, appropriate supports and services.
- (c) Support for carers should be timely, responsive, appropriate and accessible.

Explanatory note

Item [1] of the proposed amendments provides that public sector agencies must consult with such carers (or bodies representing carers) as the agency considers appropriate when developing policies that impact on carers. There is currently only a requirement to consult with bodies representing carers.

Item [2] removes the requirement that the membership of the Carers Advisory Council (which advises the Minister for Disability Services (**the Minister**) on matters relating to carers) include the Minister and other Ministers responsible for the provision of support services to carers. Instead, the Council is required to comprise persons who have relevant knowledge of and experience in matters relevant to carers (the **appointed members**). Item [2] also provides that the Minister must appoint 2 of the appointed members as Chair and Deputy Chair of the Council. Item [4] makes a consequential amendment to remove the requirement for co-chairing by members of the Council who are Ministers.

Item [3] provides that the majority of the members appointed to the Council must be persons who the Minister considers are carers, rather than primary carers.

Item [5] provides that the Minister may determine the procedure for the appointment of ex-officio members to the Council.

Item [6] inserts a note referring to certain incidental powers to remove members that are provided for in the [Interpretation Act 1987](#).

Item [7] updates the NSW Carers Charter (which sets out principles for recognition of carers to be observed by public sector agencies) to reflect current terminology and social context.

The proposed amendments are in line with the recommendations of the *Report of the statutory review of the Carers (Recognition) Act 2010*, tabled in Parliament on 8 November 2016.

1.4 Charles Sturt University Act 1989 No 76

[1] Section 19 Functions of Council

Insert after section 19 (1B) (e):

- (e1) without limiting paragraph (e), to enter into or participate in arrangements or transactions, or combinations of arrangements or transactions, to effect financial adjustments for the management of financial risks, and

[2] Section 19 (1) (d)

Omit the paragraph. Insert instead:

- (d) obtain financial accommodation (including, without limitation, by the borrowing or raising of money) and do all things necessary or convenient to be done in connection with obtaining financial accommodation,

[3] Section 21 Powers of Council relating to property

Insert “and may dispose of or otherwise deal with any other property of the University” after “University” in section 21 (2).

[4] Schedule 4 Savings and transitional provisions

Insert after clause 51:

Part 9 Provision consequent on enactment of Statute Law (Miscellaneous Provisions) Act 2017

52 Financial accommodation and risk management

An amendment made to this Act by the *Statute Law (Miscellaneous Provisions) Act 2017* does not affect the validity of any financial accommodation made by or on behalf of the University, any transaction or arrangement entered into or participated in to manage a financial risk, or any disposal or other dealing with property of the University, before the commencement of the amendment.

Explanatory note

The proposed amendments more clearly delineate the ambit of provisions of the *Charles Sturt University Act 1989 (the Act)* that confer powers on the Council of the University (*the Council*) with respect to the control and management of the financial affairs of the University and the acquisition and management of property. The powers concerned are exercisable by the Council subject to the duties imposed on the Council under Schedule 3 to the Act. Similar amendments are being made to university Acts in general.

Item [1] makes it clear that the existing power of the Council to oversee risk management and risk assessment across the University includes the power to effect financial adjustments for the management of financial risks.

Item [2] makes it clear that the Council may obtain any form of financial accommodation and do all things necessary or convenient to be done in connection with obtaining any financial accommodation.

Item [3] puts beyond doubt that the Council may dispose of personal property of the University by removing any implication from the specific reference to land in section 21 (2) of the Act that the Council may not (despite the broad powers conferred by section 21 (1) of the Act to dispose of any property in the name and on behalf of the University) dispose of personal property of the University.

Item [4] is a savings provision consequent on the proposed amendments.

1.5 Electricity Supply Act 1995 No 94

[1] Section 142 Scheme Administrator may require surrender of certificates

Omit the Note to section 142 (3).

[2] Section 143 Creation of certificate must be registered

Omit “Scheme Regulator” from section 143 (7). Insert instead “Scheme Administrator”.

[3] Section 156 Provision of information, documents and evidence

Omit “by the Chairperson of the Tribunal at any meeting of the Tribunal, acting as Scheme Regulator or Scheme Administrator,” from section 156 (3) (b).

Insert instead “at any meeting of the Tribunal”.

Explanatory note

Item [1] of the proposed amendments omits a note relating to orders requiring the surrender of energy savings certificates.

Item [2] provides that the Scheme Administrator for the energy savings scheme established by the [Electricity Supply Act 1995](#) (rather than the Scheme Regulator, as is currently the case) is responsible for publishing notice of the fees payable to the Scheme Administrator for applications for registration of the creation of an energy savings certificate.

Item [3] makes it clear that a requirement to answer a question of the Chairperson of the Independent Pricing and Regulatory Tribunal at any meeting of the Tribunal (when acting as Scheme Regulator or Scheme Administrator) extends to questions of any other member of the Tribunal.

1.6 Energy Services Corporations Act 1995 No 95

[1] Schedule 1 Energy services corporations

Omit “TransGrid” from Part 1A.

[2] Schedule 1, Part 2

Omit “Ausgrid”.

Explanatory note

The proposed amendments remove redundant references to corporations constituted as energy services corporations by the [Energy Services Corporations Act 1995](#). The corporations have ceased to be energy services corporations under that Act as a consequence of corporate conversion directions given by the Treasurer under the [Electricity Network Assets \(Authorised Transactions\) Act 2015](#) (in respect of TransGrid on 16 December 2015 and Ausgrid on 1 December 2016).

1.7 Environmental Planning and Assessment Act 1979 No 203

Section 94F Conditions requiring land or contributions for affordable housing

Omit section 94F (6). Insert instead:

- (6) A condition is not to be imposed under this section in relation to development that is within a special contributions area (within the meaning of Division 6) if a determination under section 94EE that applies to the area identifies affordable housing as a class of infrastructure for which development contributions may be required in accordance with the determination.

Explanatory note

Currently, local affordable housing contributions under environmental planning instruments cannot be imposed in connection with proposed development on land that is within a special contributions area. The proposed amendment ensures that this exclusion of local contributions only applies if the Minister has made a determination in relation to that area that identifies affordable housing as a class of infrastructure for which special infrastructure contributions determined by the Minister may be required.

1.8 Fisheries Management Act 1994 No 38

[1] Section 162 Permit area to be maintained in tidy condition

Insert after section 162 (2):

(2A) The Minister may, either on the application of the permit holder concerned or on the Minister's own initiative, vary or revoke a notice under subsection (2) by serving the variation or revocation, in writing, on the permit holder concerned.

[2] Section 162 (3) and (4)

Omit "such a notice" wherever occurring. Insert instead "a notice under this section".

[3] Section 171 Improvements on an expired lease

Omit section 171 (3). Insert instead:

(3) The Minister may, within 1 year after the termination of a lease, require the former lessee to remove any such improvements within the period notified in writing to the former lessee.

(3A) The Minister may, either on the application of the former lessee or on the Minister's own initiative, vary or revoke a notice under subsection (3) by serving the variation or revocation, in writing, on the former lessee.

(3B) A former lessee who, without reasonable excuse, fails to comply with a notice under this section is guilty of an offence.

Maximum penalty: 100 penalty units.

[4] Section 171 (4)

Omit "under subsection (3)". Insert instead "under this section".

Explanatory note

Item [1] of the proposed amendments enables the Minister to vary or revoke a notice requiring the holder of an aquaculture permit to carry out work or remove things from land to maintain the permit area or certain other land in a tidy condition. Item [2] makes consequential amendments.

Item [3] enables the Minister to vary or revoke a notice requiring the former lessee of an aquaculture lease to remove certain improvements from the area to which the lease applied. The Minister is required to give notice in writing of any such variation or revocation to the former lessee. Item [4] makes a consequential amendment.

1.9 Funeral Funds Act 1979 No 106

[1] Section 9 Delegation

Omit “with the approval of the Minister and” from section 9 (1).

[2] Section 9 (2)

Omit “Minister or the”.

Explanatory note

Item [1] of the proposed amendments removes the requirement for Ministerial approval for the delegation of functions of the Commissioner for Fair Trading under the *Funeral Funds Act 1979* (in line with the Commissioner’s powers of delegation under other Acts in the portfolio of the Minister for Innovation and Better Regulation). Item [2] makes a consequential amendment to remove the Minister’s power to revoke a delegation of those functions.

1.10 Health Practitioner Regulation (Adoption of National Law) Act 2009 No 86

Schedule 1 Modification of Health Practitioner Regulation National Law

Omit “appointed by the Minister” from clause 2 of Schedule 5E in Schedule 1 [25].

Insert instead “appointed by the Council”.

Explanatory note

The proposed amendment modifies the Health Practitioner Regulation National Law (in its application as a law of New South Wales) to provide that the Chairperson of an Assessment Committee that deals with complaints about registered health practitioners in a health profession is to be appointed by the health professional Council for that health profession (rather than by the Minister for Health, as is currently the case). The amendment will make the provision dealing with the appointment of the Chairperson consistent with a provision dealing with the appointment of members of an Assessment Committee.

1.11 Law Enforcement (Controlled Operations) Act 1997 No 136

Section 3 Definitions

Omit paragraph (e) (iii) of the definition of **law enforcement agency** in section 3 (1).

Insert instead:

(iii) the Commonwealth Department of Immigration and Border Protection.

Explanatory note

The proposed amendment updates a reference to the former Australian Customs Service to enable regulations under the *Law Enforcement (Controlled Operations) Act 1997* to prescribe the Commonwealth Department of Immigration and Border Protection as a law enforcement agency for the purposes of that Act. In 2009, the Australian Customs Service was renamed as the Australian Customs and Border Protection Service, and in 2015 it was integrated with the Commonwealth Department of Immigration and Border Protection. The functions formerly exercised by officers of the Australian Customs Service are now exercised by officers of that Department.

1.12 Macquarie University Act 1989 No 126

[1] Section 16 Functions of Council

Insert after section 16 (1B) (e):

(e1) without limiting paragraph (e), to enter into or participate in arrangements or transactions, or combinations of arrangements or transactions, to effect financial adjustments for the management of financial risks, and

[2] Section 16 (1) (d)

Omit the paragraph. Insert instead:

(d) obtain financial accommodation (including, without limitation, by the borrowing or raising of money) and do all things necessary or convenient to be done in connection with obtaining financial accommodation,

[3] Section 18 Powers of Council relating to property

Insert “and may dispose of or otherwise deal with any other property of the University” after “University” in section 18 (2).

[4] Schedule 3 Savings and transitional provisions

Insert after clause 16:

17 Financial accommodation and risk management

An amendment made to this Act by the [Statute Law \(Miscellaneous Provisions\) Act 2017](#) does not affect the validity of any financial accommodation made by or on behalf of the University, any transaction or arrangement entered into or participated in to manage a financial risk, or any disposal or other dealing with property of the University, before the commencement of the amendment.

Explanatory note

The proposed amendments more clearly delineate the ambit of provisions of the [Macquarie University Act 1989](#) that confer powers on the Council of the University with respect to the control and management of the financial affairs of the University and the acquisition and management of property. Similar amendments are being made to university Acts in general.

Each of the above amendments is explained in the explanatory note to Schedule 1.4 ([Charles Sturt University Act 1989 No 76](#)) to this Act.

1.13 Motor Dealers and Repairers Act 2013 No 107

[1] Section 187 Delegation

Omit section 187 (a). Insert instead:

(a) any person employed in the Department of Finance, Services and Innovation, or

[2] Schedule 2 Savings, transitional and other provisions

Insert at the end of the Schedule:

Part 3 Provision consequent on enactment of Statute Law (Miscellaneous Provisions) Act 2017

14 Existing delegations

The amendment made to section 187 by the *Statute Law (Miscellaneous Provisions) Act 2017* does not affect any delegation made under that section and in force immediately before the commencement of that amendment.

Explanatory note

Item [1] of the proposed amendments makes a change consequent on a recent amendment to the *Motor Dealers and Repairers Act 2013*, which transferred functions under that Act from the Secretary of the Department of Finance, Services and Innovation to the Commissioner for Fair Trading. The amendment will ensure that those functions can continue to be delegated to employees of the Department of Finance, Services and Innovation. Item [2] makes a consequential amendment to provide that the amendment does not affect any delegation made before the commencement of the amendment.

1.14 NSW Lotteries (Authorised Transaction) Act 2009 No 60

[1] Section 11 Establishment of Lotteries Assets Ministerial Holding Corporation

Omit the section.

[2] Section 26A

Insert after section 26:

26A Provision consequent on enactment of Statute Law (Miscellaneous Provisions) Act 2017

The Lotteries Assets Ministerial Holding Corporation (constituted under section 11 before its repeal by the *Statute Law (Miscellaneous Provisions) Act 2017*) is dissolved.

[3] Schedule 1 Interpretative provisions

Omit the definition of **Lotteries Assets Ministerial Holding Corporation** from clause 1.

[4] Schedule 1, clause 1, definition of “public sector agency”

Omit paragraph (e).

Commencement

The amendments to the *NSW Lotteries (Authorised Transaction) Act 2009* commence on 30 June 2017.

Explanatory note

Item [2] of the proposed amendments dissolves the Lotteries Assets Ministerial Holding Corporation, which has not exercised any functions under the *NSW Lotteries (Authorised Transaction) Act 2009* since it was established in connection with the transfer of the business of the New South Wales Lotteries Corporation to the private sector. Items [1], [3] and [4] make consequential amendments.

1.15 Pawnbrokers and Second-hand Dealers Act 1996 No 13

Section 39A

Insert after section 39:

39A Delegation

The Secretary may delegate the exercise of any function of the Secretary under this Act (other than this power of delegation) to:

- (a) any person employed in the Department of Finance, Services and Innovation, or
- (b) any person, or any class of persons, authorised for the purposes of this section by the regulations.

Explanatory note

The proposed amendment will provide for a power to delegate the functions of the Commissioner for Fair Trading under the *Pawnbrokers and Second-hand Dealers Act 1996*. Currently, the Commissioner may delegate those functions only under a general power of delegation contained in section 8 of the *Fair Trading Act 1987*.

1.16 Protection of the Environment Administration Act 1991 No 60

Section 34A Environment Protection Authority Fund

Omit “1990, and” from section 34A (3) (b) (vi). Insert instead:

1990,

- (vii) the *Waste Avoidance and Resource Recovery Act 2001*, and

Explanatory note

The proposed amendment provides that application and approval fees payable to the Environment Protection Authority in connection with the container deposit scheme established by the *Waste Avoidance and Resource Recovery Act 2001* are to be paid into the Environment Protection Authority Fund. This arrangement is consistent with the allocation to that Fund of fees payable under other legislation administered by the Authority.

1.17 Southern Cross University Act 1993 No 69

[1] Section 16 Functions of Council

Insert after section 16 (1B) (e):

(e1) without limiting paragraph (e), to enter into or participate in arrangements or transactions, or combinations of arrangements or transactions, to effect financial adjustments for the management of financial risks, and

[2] Section 16 (1) (d)

Omit the paragraph. Insert instead:

(d) obtain financial accommodation (including, without limitation, by the borrowing or raising of money) and do all things necessary or convenient to be done in connection with obtaining financial accommodation, and

[3] Section 16 (1) (f)

Insert “and” at the end of the paragraph.

[4] Section 18 Powers of Council relating to property

Insert “and may dispose of or otherwise deal with any other property of the University” after “University” in section 18 (2).

[5] Schedule 3 Savings and transitional provisions

Insert after clause 43:

Part 11 Provision consequent on enactment of Statute Law (Miscellaneous Provisions) Act 2017

44 Financial accommodation and risk management

An amendment made to this Act by the *Statute Law (Miscellaneous Provisions) Act 2017* does not affect the validity of any financial accommodation made by or on behalf of the University, any transaction or arrangement entered into or participated in to manage a financial risk, or any disposal or other dealing with property of the University, before the commencement of the amendment.

Explanatory note

The proposed amendments more clearly delineate the ambit of provisions of the *Southern Cross University Act 1993* that confer powers on the Council of the University with respect to the control and management of the financial affairs of the University and the acquisition and management of property. Similar amendments are being made to university Acts in general.

Each of the above amendments is explained in the explanatory note to Schedule 1.4 (*Charles Sturt University Act 1989 No 76*) to this Act. Item [3] is an additional amendment, which corrects a list.

1.18 State Owned Corporations Act 1989 No 134

Schedule 5 Statutory SOCs

Omit “Ausgrid”, “Superannuation Administration Corporation” and “TransGrid”.

Explanatory note

The proposed amendment removes redundant references to statutory State owned corporations. The corporations have ceased to be statutory State owned corporations for the purposes of the *State Owned Corporations Act 1989* as a consequence of corporate conversion directions given by the Treasurer under the *Electricity Network Assets (Authorised Transactions) Act 2015* and the *Superannuation Administration Corporation (Pillar) (Authorised Transaction) Act 2016*. The directions were given in respect of TransGrid on 16 December 2015, Ausgrid on 1 December 2016 and Superannuation Administration Corporation on 1 December 2016.

1.19 Strata Schemes Development Act 2015 No 51

Section 115 Readjustment of strata scheme for purposes of resumption

Insert “amending the existing schedule of unit entitlement or” before “substituting” in section 115 (4) (a).

Explanatory note

The proposed amendment makes it clear that the power of the Supreme Court to order the substitution of a strata scheme’s unit of entitlement in connection with the compulsory acquisition of land forming part of a strata scheme extends to an order for the amendment of the unit of entitlement.

1.20 Subordinate Legislation Act 1989 No 146

Schedule 5 Further postponement of repeal of certain statutory rules

Insert after clause 6:

7 Postponement of repeal of other statutory rules due for repeal in 2017

The following statutory rules remain in force until 1 September 2018, unless sooner repealed:

- (a) *Building Professionals Regulation 2007*,
- (b) *Commons Management Regulation 2006*,
- (c) *Community Land Development Regulation 2007*,
- (d) *Community Land Management Regulation 2007*,

- (e) *Crown Lands (Continued Tenures) Regulation 2006*,
- (f) *Crown Lands (General Reserves) By-law 2006*,
- (g) *Crown Lands Regulation 2006*,
- (h) *Environmental Planning and Assessment Regulation 2000*,
- (i) *Hay Irrigation Regulation 2007*,
- (j) *Local Government (General) Regulation 2005*,
- (k) *Local Government (Manufactured Home Estates, Caravan Parks, Camping Grounds and Moveable Dwellings) Regulation 2005*,
- (l) *Wentworth Irrigation Regulation 2007*.

Explanatory note

The proposed amendment keeps a number of statutory rules in force for a further period of 1 year after the date on which they would otherwise be repealed by the *Subordinate Legislation Act 1989*. However, any of the statutory rules may be repealed sooner by other legislation.

The proposed amendment is necessary as the statutory rules have each been postponed on at least 5 occasions and are due to be repealed by the *Subordinate Legislation Act 1989* on 1 September 2017.

Each of the statutory rules continues to be required and the repeal of each of the statutory rules is to be further postponed until 1 September 2018 for the following reasons:

- (a) The statutory review of the *Building Professionals Act 2005* has proposed new legislation to replace that Act with a new Act. It is therefore proposed to postpone the repeal of the *Building Professionals Regulation 2007* pending the enactment of that new legislation.
- (b) The *Community Land Development Act 1989* and the *Community Land Management Act 1989* are currently under review. It is considered that it would be premature to remake the *Community Land Development Regulation 2007* and the *Community Land Management Regulation 2007* at this time.
- (c) The *Crown Land Management Act 2016* will, on commencement, repeal the *Crown Lands (Continued Tenures) Regulation 2006*, the *Crown Lands (General Reserves) By-law 2006*, the *Crown Lands Regulation 2006*, the *Hay Irrigation Regulation 2007* and the *Wentworth Irrigation Regulation 2007* and the principal Acts under which they are made. It is therefore proposed to postpone the repeal of these regulations and the by-law pending the commencement of those repeals.
- (d) The *Commons Management Act 1989* and the *Commons Management Regulation 2006* are to be reviewed in light of the enactment of the new legal regime enacted under the *Crown Land Management Act 2016*. It is therefore proposed to postpone the repeal of the *Commons Management Regulation 2006* pending the conclusion of that review.
- (e) The *Environmental Planning and Assessment Act 1979* and its related legislation is under ongoing review. It is considered that it would be premature to remake the *Environmental Planning and Assessment Regulation 2000* until the results of the review are clear.
- (f) The *Local Government Act 1993* is currently under comprehensive review. It is considered that it would be premature to remake the *Local Government (General) Regulation 2005* before the conclusion of that review.
- (g) A review is being undertaken to determine whether the *Local Government (Manufactured Home Estates, Caravan Parks, Camping Grounds and Moveable Dwellings) Regulation 2005* should be remade or replaced and whether to align it with the outcome of the current review of the *Local Government Act 1993*. It is considered that it would be premature to remake the

Regulation before the conclusion of that review.

1.21 Superannuation Administration Corporation (Pillar) (Authorised Transaction) Act 2016 No 19

[1] Sections 13 and 14

Omit the sections.

[2] Schedule 1 Interpretative provisions

Omit paragraph (d) of the definition of **public sector agency** in clause 1.

[3] Schedule 1, clause 1, definition of “Superannuation Administration Assets Ministerial Holding Corporation”

Omit the definition.

[4] Schedule 6 Savings, transitional and other provisions

Insert after clause 2:

3 Definitions

In this Part:

the amending Act means the *Statute Law (Miscellaneous Provisions) Act 2017*.

4 Dissolution of Ministerial Holding Corporation

(1) An amendment made by Schedule 1, 2, 3 or 4 to an amending provision contained in an Act or instrument is, if the amending provision has commenced before the Schedule 1, 2, 3 or 4 amendment concerned, taken to have effect as from the commencement of the amending provision (whether or not the amending provision has been repealed).

(2) In this clause:

amending provision means a provision of an Act or instrument that makes a direct amendment to an Act or instrument by:

- (a) the repeal or omission of matter contained in the amended Act or instrument without the insertion of any matter instead of the repealed or omitted matter, or
- (b) the omission of matter contained in the amended Act or instrument and the insertion of matter instead of the omitted matter, or
- (c) the insertion into the amended Act or instrument of matter, not being matter inserted instead of matter omitted from the Act or instrument.

any act done or decision made under the provision amended or repealed has effect after the amendment or repeal as if it had been done or made under the provision as so amended or repealed.

Explanatory note

This clause ensures that the amendment or repeal of a provision will not, unless expressly provided, vitiate any act done or decision made under the provision as in force before the amendment or repeal.

3 Effect of amendment on instruments

Except where expressly provided to the contrary, any instrument made under an Act amended by this Act, that is in force immediately before the commencement of the amendment, is taken to have been made under the Act as amended.

Explanatory note

The effect of this clause is to enable the Governor, by proclamation, to revoke the repeal of any Act or instrument, or any provision of any Act or instrument, by the proposed Act. The Act or provision the subject of the revocation of repeal is taken not to be, and never to have been, repealed.

5 Regulations

 - (a) to affect, in a manner prejudicial to any person (other than the State or an authority of the State), the rights of that person existing before the date of its publication, or
 - (b) to impose liabilities on any person (other than the State or an authority of the State) in respect of anything done or omitted to be done before the date of its publication.

This clause enables the making of regulations of a savings or transitional nature relating to incidental matters arising out of the proposed Act.
