Part 2A Expanded range of uses for Luna Park site

6A Description of the boardwalk/foreshore and cliff top areas

- (1) For the purposes of this Part:
- (a) **the boardwalk/foreshore area** is the part of the land comprising the Luna Park site that is shown as the boardwalk/foreshore area in the Plan described in this section, and
 - (b) **the cliff top area** is the part of the land comprising the Luna Park site that is shown as the cliff top area in the Plan described in this section.
- (2) The **Plan** is the plan marked “Luna Park Site Boardwalk/foreshore and Cliff Top Areas”, and presented to the Speaker of the Legislative Assembly (by or on behalf of the Member of the Assembly who introduced the Bill for the [Luna Park Site Amendment Act 1997](#)) when the Bill was introduced into the Assembly.
- (3) Within 3 months after the commencement of this section:
- (a) the Director-General of the Department of Land and Water Conservation is to cause to be prepared, as accurately as is reasonably possible, metes and bounds or other appropriate descriptions of land shown in the Plan as the boardwalk/foreshore area and the cliff top area, and
 - (b) the Minister is to cause to be published in the Gazette a notification containing those descriptions together with a certificate of a registered surveyor to the effect that the land in the descriptions substantially accords with the land shown in the Plan.
- (4) On publication of that notification, the boardwalk/foreshore area and the cliff top area are, for the purposes of this Part, those areas as described in the notification.

6B Use of Luna Park site for entertainment uses

From the commencement of this section, the following uses are authorised uses for the land comprising the Luna Park site, other than the boardwalk/foreshore area:

- (a) restaurants and cafes,

- (b) shops,
- (c) office accommodation,
- (d) car parking,
- (e) such other commercial uses as may be declared by the regulations to be authorised uses for the cliff top area.

6D Crown Lands dedication does not prevent uses authorised by Act

To avoid doubt, the use of the Luna Park Reserve for the purposes of any use that is authorised under this Act is an authorised purpose for section 2.12 (c) of the [Crown Land Management Act 2016](#) in its application to the Reserve.

Note—

Section 2.12 of the [Crown Land Management Act 2016](#) provides that dedicated or reserved Crown land may be used only for the following purposes:

- (a) the purposes for which it is dedicated or reserved,
- (b) any purpose incidental or ancillary to a purpose for which it is dedicated or reserved,
- (c) any other purposes authorised by or under this Act or another Act.

6E Grant of lease over cliff top area

- (1) The provisions of a plan of management for the Luna Park Reserve do not prevent the grant of a lease that permits or otherwise provides for the use of any part of the cliff top area for any use that is an authorised use for it under this Part.
- (2) If a lease permits the use of any part of the cliff top area for a use that is an authorised use for it under this Part, the provisions of a plan of management for the Luna Park Reserve do not apply to that part of the cliff top area while the lease is in force.

6F Planning Act not affected

This Part does not limit or otherwise affect the operation of the [Environmental Planning and Assessment Act 1979](#) or any instrument under that Act in its application to land

comprising any part of the Luna Park site.

6G Control of access to Luna Park

- (1) The Trust is entitled to control and restrict access to or within any part of the Luna Park site, except the boardwalk/foreshore area. A lessee of land within the Luna Park site is (subject to the terms and conditions of the lease) entitled to control and restrict access to or within the land leased.
- (2) Measures to control and restrict access can include the erection of fences and gates and the charging of a fee for access.
- (3) Measures to control and restrict access must not interfere with the right of public access to the boardwalk/foreshore area at all times.
- (4) Neither this section nor the requirements of section 6 for a plan of management affect the power of the Trust or a lessee to control or restrict access to any part of the Luna Park site (including the boardwalk/foreshore area) on grounds of health or safety.

6H Uses authorised by this Part do not limit other uses

The authorised uses provided for by this Part are in addition to and do not limit any other uses to which any part of the Luna Park site can be put.

6I Part not limited by object of Act

Section 3 (Object of this Act) is not to be read as limiting the operation of this Part.

Part 3

7, 8 (Repealed)

- (2) Any such claim is to be made and determined solely under and in accordance with this Act.
- (3) This section does not entitle the lessee to claim compensation from the Crown if, before the commencement of this section, a court has found that the Luna Park lease has been determined (by forfeiture or otherwise) and a court has found that the lessee is not entitled to relief against determination of the lease.

11 Assessment of compensation

- (1) The maximum amount of compensation that the lessee is entitled to receive (apart from any compensation determined under section 14) is the market value, immediately before 6 June 1990, of the estate or interest under the Luna Park lease of the lessee.
- (2) In assessing the amount of any such compensation, the arbitrator is required to have regard to the following matters in relation to the Luna Park lease:
 - (a) whether or not the lease had been determined (by forfeiture or otherwise) before, on or after 6 June 1990,
 - (b) if the lease had been so determined, whether there was any entitlement of the lessee to relief against the determination of the lease,
 - (c) if the lease had not been so determined, whether or not the lease was capable of being determined (by forfeiture or otherwise) at any time before, on or after 6 June 1990,
 - (d) any outstanding liability under the lease of the lessee to the lessor,
 - (e) any liability in damages in relation to the lease of the lessee to the lessor,
 - (f) the cost of carrying out any work which the lessee may, had the lessee continued to occupy the land comprising the Luna Park site for the balance of the term of the lease, have been required to carry out under the lease or any law,
 - (g) any reduction required to be made under section 14 (5) to the amount of any

compensation,

(h) any other matter the arbitrator considers relevant.

- (3) If the arbitrator finds that the Luna Park lease had been or was capable of being determined (by forfeiture or otherwise) before, on or after 6 June 1990 and that the lessee had no entitlement to relief against determination of the lease, no compensation is payable under this Act to the lessee.

12 Appointment of arbitrator

- (1) As soon as practicable after the sooner of:

- (a) the date of publication in the Gazette of a proclamation which commences section 5 (1), whether or not the proclamation commences any other provision of this Act, or
- (b) the date on which a request made in writing to the Minister by the lessee for the appointment of an arbitrator for the purposes of this Act is received by the Minister,

the Governor is required to appoint an arbitrator for the purposes of this Act.

- (3) The Minister is required to give the lessee notice of the appointment as soon as practicable after it is made and to specify the place at which any arbitration proceedings are to be conducted.

13 Making of claim for compensation

- (1) A claim for compensation under this Act is to be made in writing to the arbitrator at the place specified under section 12 (3).

14 Removal of improvements at the request of the lessee

- (1) The lessee may remove any improvements made by the lessee from the Luna Park site, but only with the approval in writing of the Minister.

- (2) An application for an approval under this section may not be made by the lessee later than 3 months after such date as the Minister may, for the purposes of this subsection, notify in writing to the lessee.
- (3) If an approval under this section to the removal of an improvement is not granted within 1 month after it is applied for by the lessee, the lessee may submit the matter to the arbitrator to determine:
 - (a) whether or not the lessee should be entitled to remove the improvement, and
 - (b) if the arbitrator determines that the improvement is not to be removed, whether or not any compensation should be paid to the lessee in respect of the improvement and, if compensation should be paid, the amount of the compensation.
- (4) If an improvement which may be removed under this section is not removed by the lessee within 3 months after approval to remove the improvement is given by the Minister or the arbitrator, the improvement (in so far as it is not vested in the Crown) is forfeited to the Crown and no compensation is payable to any person in respect of its forfeiture.
- (5) If, before, on or after 6 June 1990, an improvement is improperly removed from the Luna Park site by the lessee, the amount of any compensation to which the lessee may be entitled under this Act is to be reduced by an amount equal to the value of the improvement as determined by the arbitrator.

15 Removal of improvements at the direction of the Minister

- (1) The lessee is required to remove from the Luna Park site any improvement made by the lessee that the Minister directs the lessee, in writing, to remove.
- (2) If an improvement that is the subject of such a direction is not removed within 3 months after the date on which the direction is given to the lessee, the improvement (in so far as it is not vested in the Crown) is forfeited to the Crown and no compensation is payable to any person in respect of its forfeiture.

16 Fees and expenses of the arbitrator

The lessee is not required to pay or to make any contribution towards the fees and expenses of the arbitrator, but is otherwise subject to any order for costs that may be made under the [Commercial Arbitration Act 2010](#) by the arbitral tribunal.

17 Application of the [Commercial Arbitration Act 2010](#)

- (1) Except as provided by this Act or the regulations, the [Commercial Arbitration Act 2010](#) applies to and in respect of any arbitration under this Act as if the lessee and the Minister were parties to an arbitration agreement.

- (2) Part 3 (except section 15) of the *Commercial Arbitration Act 2010* and sections 27C and 33A of that Act do not apply to or in respect of any arbitration under this Act.
