Schedule 2 Corporate conversion of WSN

(Section 10)

1 Direction for corporate conversion of WSN

The Treasurer may direct by order in writing (***a corporate conversion direction***) that WSN be converted into a company limited by shares of a specified type.

2 Application for conversion to company

- (1) If a corporate conversion direction is given, WSN is authorised to apply to be registered under Part 5B.1 of the Corporations Act as a company limited by shares of the type specified in the direction.
- (2) The Treasurer can certify that the provisions of this Act have been complied with concerning the transfer of the incorporation of WSN to the Corporations Act, and such a certificate is conclusive evidence in any proceedings before a court or tribunal that all the requirements of this Act have been complied with concerning the transfer of the incorporation of WSN to the Corporations Act.
- (3) The Treasurer's certificate under this clause cannot be challenged, reviewed or called into question in proceedings before any court or tribunal.

3 Effect of conversion

- (1) The following provisions are taken to have had effect immediately before WSN is registered as a company under the Corporations Act:
 - (a) WSN ceases to be a statutory State owned corporation for the purposes of the *State Owned Corporations Act 1989* or any other State legislation,

- (b) the voting shareholders (within the meaning of the *State Owned Corporations Act 1989*) of WSN cease to be members of the corporation,
 - (c) the board of directors of WSN is dissolved and each member (including any acting member) of the board ceases to hold office as such,
 - (d) any person who holds a statutory office of WSN ceases to hold that office, subject to Schedule 4 (Employee protections),
 - (e) any person who ceases to be a member of WSN or to hold an office because of the operation of this subclause is not entitled to any compensation for the loss of that membership or office.
- (2) Nothing in this clause prevents any person from becoming an officer of the company into which WSN is being converted in accordance with its constitution and the provisions of the Corporations Act.
- (3) WSN becomes a transaction company for the purposes of this Act only when it is registered as a company under the Corporations Act.

Schedule 3 Vesting of assets, rights and liabilities

(Section 14)

1 Definitions

In this Schedule:

transferee means the person or body in whom any assets, rights or liabilities are vested by a vesting order.

transferor means the person or body from whom any assets, rights or liabilities are divested by a vesting order.

vesting order—see clause 2.

2 Making of vesting order

The Treasurer may, by order (**a vesting order**), vest assets, rights and liabilities of WSN or a transaction company in a person specified in the order as the transferee.

3 Vesting of assets, rights and liabilities in transferee

- (1) When any assets, rights or liabilities are vested by a vesting order, the following provisions have effect (subject to the vesting order):
- (a) the assets vest in the transferee by virtue of this clause and without the need for any conveyance, transfer, assignment or assurance,
 - (b) the rights and liabilities become, by virtue of this clause, the rights and liabilities

of the transferee,

- (c) all proceedings relating to the assets, rights or liabilities pending by or against the transferor are taken to be proceedings pending by or against the transferee,
- (d) any act, matter or thing done or omitted to be done in relation to the assets, rights or liabilities by, to or in respect of the transferor is (to the extent that the act, matter or thing has any force or effect) taken to have been done or omitted by, to or in respect of the transferee,
- (e) the transferee has all the entitlements and obligations of the transferor in relation to those assets, rights and liabilities that the transferor would have had but for the order, whether or not those entitlements and obligations were actual or potential at the time the order took effect,
- (f) a reference in any Act, in any instrument made under any Act or in any document of any kind to the transferor or a predecessor of the transferor is (to the extent that it relates to those assets or liabilities but subject to the regulations), to be read as, or as including, a reference to the transferee.

(2) No attornment to the transferee by a lessee from the transferor is required.

4 Terms and conditions of vesting

A vesting order may be made on such terms and conditions as are specified in the order.

5 Consideration for vesting

A vesting order may specify the consideration for which a vesting to which it applies is made and the value or values at which assets, rights or liabilities are vested.

6 Date of vesting

A vesting order takes effect on the date it is made or on such other date as may be specified in the order.

7 Vesting of interests in land

- (1) A vesting order may vest an interest in respect of land vested in the transferor without vesting the whole of the interests of the transferor in that land.
- (2) If the interest vested is not a separate interest, the order operates to create the interest vested in such terms as are specified in the order.
- (3) This clause does not limit any other provision of this Schedule.

8 Confirmation of vesting

- (1) The Treasurer may by order in writing confirm a vesting of particular assets, rights or

liabilities by operation of this Schedule.

(2) Such an order is evidence of that vesting.

9 Determinations by Treasurer

For the purposes of the making of a vesting order, the Treasurer may determine whether or not particular assets, rights or liabilities comprise assets, rights or liabilities of WSN, a transaction company or the Corporation at a particular time, and such a determination is conclusive as to the matters determined.

10 Certification to registration authorities

(1) In this clause:

registration authority means a person or body that has functions under any law in connection with the keeping of a register in respect of assets, rights or liabilities.

(2) A public sector agency that is the transferee or transferor under a vesting order may lodge with a registration authority a certificate certifying as to such information as may reasonably be required by the registration authority to enable the registration authority to exercise any function of the authority arising in connection with the vesting of any asset, right or liability pursuant to the vesting order.

(3) Such a certificate is to be accepted and acted upon by the registration authority and, despite any other law, the registration authority is not entitled to require that the information concerned be provided to it in any particular form or in any particular manner.

(4) No fee or charge is payable by the transferee to a registration authority for or in respect of the exercise of any function by the registration authority in connection with the vesting of an asset, right or liability by a vesting order.

11 Evidence of orders and certificates

A document purporting to be a vesting order or an order or certificate given under a provision of this Schedule is, unless the contrary is established, taken to be such an order or certificate and to have been properly made or given.

12 Public sector accounting policies

The Treasurer may give directions to public sector agencies for or with respect to accounting policies to be applied by public sector agencies in connection with the transfer between public sector agencies of assets, rights and liabilities of WSN or a transaction company for the purposes of the authorised transaction (in place of public sector accounting policies that would otherwise be applicable in respect of any such transfer).

Schedule 4 Employee protections

(Section 15)

(1) In this Schedule:

casual employee means an employee of WSN whose employment is in a category of employment that is described in or classified under a relevant award as casual employment or who is otherwise engaged as a casual employee.

contract employee means an employee of WSN whose terms and conditions of employment are provided by an individual contract and not by a relevant award.

permanent employee means an employee of WSN whose employment is of indefinite duration and who is not a casual employee, temporary employee or contract employee.

relevant award means any award, agreement or other industrial instrument (under a law of the State or the Commonwealth) that provides for the terms and conditions of employment of employees of WSN.

temporary employee means an employee of WSN (other than a casual employee or contract employee) whose employment is in a category of employment that is described in or classified under a relevant award as temporary employment or whose employment is, under the terms of his or her employment, for a limited period.

transaction completion means the day certified by the Treasurer by order in writing as the day on which the authorised transaction is completed.

transferred employee means an employee of WSN whose employment is transferred under this Schedule.

(2) A transaction company is considered to be an employer in the private sector for the purposes of this Schedule even while it is a public sector agency.

2 Transfer of employees

(1) The Treasurer may by order in writing transfer the employment of an employee of WSN to the employment of an employer in the private sector or to employment in a Department of the Public Service.

(2) A transfer to employment in a Department of the Public Service must be either:

(a) a transfer to employment as a member of staff of the Waste Assets Management Corporation (which means employment in the Department for the purpose of enabling the Corporation to exercise its functions), or

(b) a transfer to employment as an excess employee of the Department.

(3) A permanent employee or temporary employee can decline to be transferred to employment in the private sector.

Note—

Casual and contract employees cannot decline a transfer to the private sector.

(4) An employee's employment cannot be transferred to employment as an excess employee of a Department unless the employee is a permanent employee or temporary employee who has declined to be transferred to employment in the private sector.

(5) The employer to whose employment an employee is transferred under this Schedule is the **new employer**.

3 Employment protection for employees transferred to private sector

(1) The employment of a transferred employee with the new employer in the private sector is to be on the same terms and conditions as applied to the employee as an employee of WSN immediately before the transfer of employment.

(2) Those terms and conditions cannot be varied during any employment guarantee period for the transferred employee except by agreement entered into by or on behalf of the transferred employee.

(3) The employment of a transferred employee with the new employer cannot be terminated by the new employer during the employment guarantee period, except:

(a) for serious misconduct, or

(b) pursuant to the proper application of reasonable disciplinary procedures, or

(c) by agreement with the employee.

(4) There is an **employment guarantee period** for transferred employees who are permanent or temporary employees, as follows:

(a) for permanent employees the employment guarantee period is 3 years after the transaction completion,

(b) for temporary employees the employment guarantee period is the remainder of the employee's current term of employment (as specified in the arrangements under which the employee was engaged as a temporary employee) immediately before the transaction completion or the period of 3 years after the transaction completion, whichever period ends first.

Note—

There is no employment guarantee period for contract employees or casual employees. The employment of

a transferred employee who is a contract employee remains governed by the contract of employment.

4 Employment protection for employees transferred to Public Service

- (1) The employment of a person who is transferred to a Department of the Public Service under this Schedule is to be on the same terms and conditions as applied to the employee as an employee of WSN immediately before the transfer, subject to this clause.
- (2) The employment of a transferred employee as an excess employee of the Department is to be managed in accordance with any relevant public sector policy (an **excess employee policy**) applicable to excess employees of Departments, and for that purpose the employee is to be treated as an employee declared excess by the Department to which the employee is transferred on the basis that the employee's substantive position in the Department has been deleted.
- (3) The terms and conditions of employment of the transferred employee cannot be varied for 12 months after the employee becomes an employee of the new employer except by agreement with the employee or (in the case of employment as an excess employee of a Department) in accordance with an excess employee policy.
- (4) This clause does not operate to extend the period of engagement of a temporary employee of WSN. A transferred employee who was a temporary employee of WSN immediately before the transfer is not entitled to employment as a transferred employee beyond the finishing date of the person's employment as a temporary employee of WSN (as specified in the arrangements under which the employee was engaged as a temporary employee).

5 Superannuation

- (1) A transferred employee is entitled to continue as a contributor, member or employee for the purposes of any superannuation scheme in respect of which he or she was a contributor, member or employee (as an employee of WSN) immediately before the transfer of employment and remains so entitled subject to any variation to that entitlement made either by agreement or otherwise in accordance with law.
- (2) The new employer is taken to be an employer for the purposes of any superannuation scheme in respect of which the transferred employee continues as a contributor, member or employee pursuant to an entitlement under this clause.

6 Continuity of employment

The continuity of a transferred employee's employment is taken not to have been broken by the transfer of employment, and service of the employee with WSN (including service deemed to be service with WSN) that is continuous service up to the time of transfer is deemed for all purposes to be service with the new employer.

7 Accrued leave entitlements

- (1) A transferred employee retains any rights to sick leave, annual leave or long service leave accrued or accruing immediately before the transfer of employment (except accrued leave for which the employee has, on ceasing to be an employee of WSN, been paid the monetary value in pursuance of any other entitlement of the employee).
- (2) Nothing in the *Industrial Relations Act 1996*, the *Long Service Leave Act 1955* or the *Annual Holidays Act 1944* prevents payment in connection with the operation of this Act of the monetary value of annual leave or long service leave in lieu of an entitlement to that leave accrued by a person as an employee of a public sector agency before the transfer of the employee's employment under this Schedule.

8 Transfer payments

- (1) A transferred employee is not entitled to receive any payment or other benefit (including in the nature of severance pay or redundancy or other compensation) merely because the employee ceased to be an employee of WSN, or the employee's contract of employment with WSN was terminated, as a result of the transfer of employment (but without affecting any entitlement to a transfer payment under this clause).
- (2) The Treasurer or another public sector agency may enter into agreements or other arrangements with respect to the making of transfer payments to employees in connection with the transfer of employment of employees under this Schedule or otherwise in connection with the operation of this Act.
- (3) Any such arrangements may provide for the payment of any such transfer payments to be payments on the occasion of the termination of employment with the current employer despite any provision of this Schedule.

9 Workplace relations

The Treasurer may negotiate and enter into agreements or industrial instruments concerning workplace relations for or on behalf of the State or a public sector agency in connection with the operation of this Schedule.

10 Operation of Commonwealth law

- (1) A provision of this Schedule (including a provision to the extent that it imposes or continues a term or condition of employment) has no effect to the extent of any inconsistency with any provision of the *Fair Work Act 2009* of the Commonwealth or of any instrument under that Act.
- (2) This clause is not intended to limit the operation of section 24 (Construction of Act and instruments so as not to exceed legislative power) of this Act.
