qualified auditor means a person who is qualified to audit accounts for the

purposes of the *Corporations Act 2001* of the Commonwealth.

118A Requirement for annual audits

The operator of a retirement village must ensure the accounts of the village are audited annually in accordance with this Subdivision.

Maximum penalty: 100 penalty units (in the case of a corporation) or 50 penalty units (in any other case).

118B Who may carry out audits

The auditing of accounts under this Subdivision must be carried out by a qualified auditor whose appointment as the auditor has received the consent (or is taken to have received the consent) of the residents of the retirement village under this Subdivision.

118C Annual consent by residents for appointment of auditor

- (1) The operator of a retirement village must seek the consent of the residents of the village to the appointment of a person who is a qualified auditor as the auditor of the accounts of the village in the following way:
 - (a) the appointment consent may be sought together with the consent for a proposed annual budget (or an amended annual budget) or separately,
 - (b) the operator must give each resident a written notice (a **consent request notice**) stating the following:
 - (i) the name of the person proposed for appointment,
 - (ii) the qualifications of the person,
 - (iii) the address of the person,
 - (iv) the proposed period of appointment,
 - (c) if audit fees are to be paid by the residents, the fees must be included in the consent request notice and itemised in the proposed annual budget (if any),
 - (d) the consent request notice may be included in the notice required by section 112 (4) if the appointment consent is sought together with the consent for a proposed annual budget (or an amended annual budget),
 - (e) if the appointment consent is sought together with the consent for a proposed annual budget (or an amended annual budget), the appointment consent must be sought by means of a separate vote to the consent for the budget.

- (2) The consent must be sought each calendar year unless consent is given for a longer period of appointment (not exceeding 3 years).
- (3) Within 30 days after receiving a consent request notice, the residents of the retirement village must:
 - (a) meet, consider and vote on:
 - (i) the proposed appointment of the person as the auditor, and
 - (ii) if the proposed period of appointment is more than 1 year—the proposed period, and
 - (b) give the operator notice in writing (a **consent response notice**) that the residents consent, or do not consent, to:
 - (i) the appointment of the person as the auditor, and
 - (ii) if the residents consent to the appointment but not the proposed period of appointment—the period of appointment to which the residents consent.

Note—

Section 114 also provides for the residents of a retirement village to meet, consider and vote on a proposed annual budget within 30 days of a request for consent to the proposed budget.

- (4) If the residents of a retirement village do not consent to the appointment of the person as the auditor:
 - (a) the residents must, by notice in writing given to the operator, propose a qualified auditor as an alternative person on whom the residents have agreed by a vote for appointment, and

- (6) The residents of a retirement village are taken to have consented to the appointment of the following person as auditor of the accounts of the village:

- (2) The Tribunal may resolve the dispute by consenting to the appointment of either:
 - (a) the person proposed for appointment by the operator, or
 - (b) the person proposed for appointment by the residents.
- (3) However, the Tribunal may consent to the appointment of the person proposed by the operator only if the Tribunal considers that there are exceptional circumstances for doing so.
