Such a cancellation can be effected by notice in writing to the licensee under the TAB on-course licence and is not subject to the other requirements of this Act regarding cancellation of a licence.
- (7) No application under this Act is required for the purposes of the grant pursuant to this section of the TAB on-course licence or a club on-course licence, whether it is granted for the exclusivity period or for a longer period.

15AA Only TAB Limited entitled to exclusive approval for betting activity involving computer simulated racing events

- (1) TAB Limited is the only person entitled to be approved to conduct a betting activity on computer simulated racing events during the exclusive approval period.
- (2) An approval or authorisation (however described) must not be granted under any other Act to permit the conduct of a betting activity on computer simulated racing events during the exclusive approval period.
- (3) This section ceases to apply if the licence held by TAB Limited is cancelled or otherwise ceases to have effect under this Act.
- (4) No application under this Act is required for the purposes of an approval given pursuant to this section.
- (5) In this section—

computer simulated racing events means computer simulated horse racing, harness racing or greyhound racing events.

exclusive approval period means the period that begins on the commencement of this section and ends on 6 March 2097 (being the end of the term of the licence held by TAB Limited).

15A Consideration and fees for licences

- (1) The Minister may determine that an amount is payable as consideration for the grant of a licence under this Act, except a licence granted to a racing club to authorise the operation of an on-course totalizator. Different amounts may be determined for different licences.
- (2) The Minister may determine a periodic licence fee for a licence under this Act, except a licence granted to a racing club to authorise the operation of an on-course

totalizator and a licence granted to TAB or a wholly owned subsidiary of TAB under section 14 or 15. Any such fee is payable in accordance with the regulations. Different fees may be determined for different licences.

- (3) The Minister can require payment of an amount of consideration payable under this section by payment in money or by the issue of shares to the State or as the Minister may otherwise direct.
- (4) A licence for which an amount of consideration has been determined to be payable under this section is not to be granted until the amount has been paid or arrangements satisfactory to the Minister have been made for its payment.
- (5) The regulations may make provision for or with respect to any fee payable under this section and in particular may provide for any of the following—
 - (a) the periods in respect of which a fee is payable,
 - (b) times for payments of fees,
 - (c) payment by instalments,
 - (d) penalties for late payment,
 - (e) suspension or cancellation of a licence for failing to pay a fee,
 - (f) the circumstances in which a fee (or part of a fee) may be refunded.

16 Eligibility for further licence

The provisions of this Part are not intended to prevent TAB or a racing club (assuming that they are otherwise qualified) from applying for and being granted further licences in respect of any period beyond the period for which they hold licences granted pursuant to section 14 or 15.

17 Requirements for conduct of on-course totalizators by racing clubs

- (1) A totalizator established and conducted pursuant to this Act by a racing club on a racecourse on which no authorised betting auditorium is established and conducted may be used only—
 - (a) on days on which race meetings are scheduled to be held on the racecourse, and
 - (b) in connection with races scheduled to be run on any such day or on any subsequent day on the racecourse or on any other racecourse within or outside New South Wales.
- (2) Any totalizator established and conducted pursuant to this Act by a racing club on a racecourse on which an authorised betting auditorium is established and conducted may be used in connection with any races to be run on that racecourse or on any

other racecourse within or outside New South Wales.

- (3) If both TAB and a racing club are conducting a totalizator in respect of the same event or contingency, all bets made with the racing club in respect of the event or contingency—
 - (a) are to be received by the racing club as agent for TAB, and
 - (b) are to be paid by the racing club into the totalizator conducted by TAB and are to form part of the money invested in that totalizator on the event or contingency.
- (4) It is a condition of a licence under this Act held by a racing club or by TAB that the licensee is to give effect to the requirements of subsection (3) in respect of bets made with the racing club.

Note—

Because the bets referred to in subsection (3) are treated as bets received by TAB the commission that can be deducted from the bets is deducted by TAB and not by the racing club. TAB pays the betting tax on the commission deducted and the racing club is not liable for that tax.

17AA Extension of exclusivity period by agreement

- (1) The Minister is authorised, on behalf of the Crown in right of the State, to accept the offer made by TAB Limited in the tabled copy of the deed poll to enter into the deed entitled “NSW Exclusivity Deed” set out in Attachment 1 to that deed poll.
- (2) The **tabled copy of the deed poll** is the copy of the deed poll executed by TAB Limited on 19 June 2013 as tabled, by or on behalf of the Minister introducing the Bill for the *Totalizator Amendment (Exclusivity) Act 2013*, in the Legislative Assembly on the day that the Bill was introduced.
- (3) If and when the NSW Exclusivity Deed comes into force, the **exclusivity period** referred to in section 11 is taken for the purposes of this Act (including for the purposes of any provision of a licence that refers to the exclusivity period) to have been extended to include an additional 20-year period—
 - (a) commencing at the beginning of 23 June 2013, and
 - (b) ending at 12.00 am on 23 June 2033.

Note—

The NSW Exclusivity Deed will, on coming into force, entitle the Crown to be paid specified instalments as consideration for the extension of the exclusivity period.

- (4) However, subsection (3) ceases to have effect if the NSW Exclusivity Deed is terminated before 23 June 2033 in accordance with clause 5.1 of the Deed and, on such a termination, the exclusivity period referred to in section 11 is taken to have ended for the purposes of this Act (including for the purposes of any provision of a

licence that refers to the exclusivity period).

(5) For the avoidance of doubt, it is declared that—

- (a) the Minister for Tourism, Major Events, Hospitality and Racing was authorised, on behalf of the Crown in right of the State, to conduct negotiations with TAB Limited concerning the extension of the exclusivity period referred to in section 11 (including in relation to the consideration payable to the Crown for any such extension), and
- (b) the tabling of the tabled copy of the deed poll as provided by this section does not abrogate, limit or otherwise affect any right or liability of any person arising under or in relation to the deed poll or the NSW Exclusivity Deed after it comes into force, and
- (c) except as provided by subsection (4), nothing in section 107 (No right to compensation for cancellation etc) abrogates, limits or otherwise affects any claim or any other action by TAB Limited against the Crown in right of the State under the NSW Exclusivity Deed after it comes into force.

(6) This section has effect despite anything to the contrary in this Act or any other law.

 - (b) exercising or enforcing any right or power under the arrangement.

Note—

Section 51 of the *Competition and Consumer Act 2010* of the Commonwealth and the *Competition Code of New South Wales* provide that anything that is authorised by an Act is to be disregarded in deciding whether a person has contravened Part IV of the *Competition and Consumer Act 2010* and the Competition Code (which relates to restrictive trade practices).

Division 3 Maximum shareholding restrictions on licensees

- (4) If notice of a declaration under this section is served on a licensee, the Minister must, at the same time or as soon as practicable thereafter, cause written notice of the declaration to be served on each person whose votes should not, in the opinion of the Minister, have been admitted.

- (2) An appeal does not lie against a declaration under section 37 annulling a resolution of a licensee.

- (5) The Supreme Court may, on an appeal under this section, if satisfied that proper grounds for making the declaration did not exist, quash or vary the declaration, either conditionally or unconditionally and with effect from the date of the declaration or some other date, as the Court thinks fit, and make any consequential or ancillary orders that may be just.
- (6) Notwithstanding an appeal under this section, a declaration other than—

 - (e) being in any way, directly or indirectly, knowingly concerned in, or party to, the contravention by a person of such a provision, or
 - (f) conspiring with others to contravene such a provision,
- the Court may grant an injunction in such terms as the Court determines to be appropriate.
- (2) If in the opinion of the Court it is desirable to do so, the Court may grant an interim injunction pending determination of the application.
- (3) The Court may rescind or vary an injunction granted under this section.
- (4) The power of the Court to grant an injunction restraining a person from engaging in conduct may be exercised—
- (a) whether or not it appears to the Court that the person intends to engage again, or to continue to engage, in conduct of that kind, and

- (d) the issue of a letter of censure by the Minister to the licensee.

grounds for disciplinary action means any one or more of the following grounds in respect of a licence—

- (b) that the licensee has contravened a provision of this Act, the regulations, the rules, a condition of the licence or a direction given under Division 2 of Part 5,
- (c) that the licensee, a subsidiary of the licensee or a related body corporate of the licensee is in contravention of section 20 (Licensee not to be associated with casino and other activities),
- (d) that the licensee has failed to use reasonable endeavours to ensure that the contractors of the licensee do not contravene a provision of this Act, the regulations, the rules, a condition of the licence or a direction given under Division 2 of Part 5,

- (e) that the licensee becomes an externally administered corporation within the meaning of the *Corporations Act 2001* of the Commonwealth,
 - (f) that the licensee is, for specified reasons, considered to be no longer a suitable person to give effect to the licence and this Act,
 - (g) that for specified reasons, it is considered to be no longer in the public interest that the licence should remain in force.
- (2) The Minister may serve on the licensee a notice in writing affording the licensee an opportunity to show cause within 14 days (or such longer period as the Minister may specify in the notice) why disciplinary action should not be taken against the licensee on grounds for disciplinary action specified in the notice.
- (3) The licensee may, within the period allowed by the notice, arrange with the Minister for the making of submissions to the Minister as to why disciplinary action should not be taken and the Minister is to consider any submissions so made.
- (4) The Minister may then decide that it is appropriate that certain disciplinary action be taken against the licensee and may either—
- (a) take that disciplinary action by giving written notice of the action to the licensee, or
 - (b) as an alternative to taking that disciplinary action, take action under section 48.
- (5) Disciplinary action may be taken against a person whether or not the person has been prosecuted, convicted or penalised for any contravention that is the grounds for the action.
- (6) Disciplinary action takes effect when notice of it is given or on a later date specified in the notice.
- (7) The fact that disciplinary action is taken by the Minister under this section does not prevent the Minister from taking the same or other disciplinary action under this section if the contravention continues or a fresh contravention occurs.
- (8) A monetary penalty imposed under this section may be recovered as a debt due to the Crown in a court of competent jurisdiction.

48 Rectification order as alternative to disciplinary action

- (1) As an alternative to taking disciplinary action against a licensee, the Minister may direct the licensee in writing to take specified action within a specified time to rectify the matter that constitutes the grounds for disciplinary action concerned.
- (2) If a licensee fails to take the specified action within the specified time, the Minister may proceed to take the relevant disciplinary action by giving written notice of the

action to the licensee, and the disciplinary action takes effect when the notice is given or on a later date specified in the notice.

- (2) If the Minister considers it necessary or expedient for the purposes of this section, the Minister may, by notice, suspend a licence—
 - (a) until a date specified in the notice of suspension, or

- (3) As an alternative to total suspension of a licence under subsection (2), the Minister may partially suspend a licence (for example, in respect of the conduct of a totalizator at a specified racecourse or premises or for a specified event or contingency) until a date or the happening of an event, as referred to in subsection (2)(a) and (b).

50 Completion of totalizator following cancellation, revocation or suspension of licence

- (1) Nothing in this Division prevents the Minister, if a licence is cancelled, revoked or taken to have been revoked, or is suspended, from authorising a person to complete the conduct of any totalizator betting that was in the course of being conducted when the licence was cancelled, revoked or taken to have been revoked, or was suspended.
- (2) In that event—
 - (a) the person so authorised is taken to be the licensee under the cancelled, revoked or suspended licence, and
 - (b) the cancelled, revoked or suspended licence is, for the purposes of enabling the completion of the totalizator betting, taken not to have been cancelled, revoked or suspended.

51 Surrender of licence

- (1) A licensee may surrender the licensee's licence by giving notice in writing to the Minister. If the licence is held by more than one licensee, all licensees must surrender the licence.

(2) The surrender takes effect only if the Minister consents to the surrender.

52 Appointment of temporary licensee if licence suspended, cancelled, surrendered or revoked

- (3) The licensee is to be appointed on such terms and conditions as the Minister thinks fit.
- (4) The appointment of the licensee may be terminated at any time by the Minister and is in any case terminated—

Maximum penalty—100 penalty units.

- (8) The regulations may make provision for or with respect to the functions of a licensee appointed under this section.
- (9) The following provisions have effect in respect of the net earnings of a totalizator while operations in the totalizator are being conducted by a licensee under this section—
- (a) no payment of net earnings is to be made to the former licensee without the prior approval of the Minister,
 - (b) the former licensee is entitled to a fair rate of return out of net earnings (if any) on any property of the former licensee retained by the licensee (subject to any arrangements made under subsection (6)),
 - (c) the Minister may in the Minister's discretion direct that all or any part of net earnings (other than that to which the former licensee is entitled under paragraph (b)) is to be paid into the Consolidated Fund, with any balance to be paid to the former licensee.

57 Compliance with rules

- (1) A licensee must conduct betting on the totalizator in accordance with the relevant rules.
- (2) The rules, as in force when a bet is made, form part of the contract between the licensee and the investor.
