5B Taking evidence and submissions from outside courtroom or place where court is sitting—proceedings generally

- (1) Subject to any applicable rules of court, subsection (2A) and section 5BAA, a NSW court may, either on its own motion in, or on the application of a party to, a proceeding before the court, direct that a person (whether or not a party to the proceeding) give evidence or make a submission to the court by audio link or audio visual link from any place within or outside New South Wales, including a place outside Australia, other than the courtroom or other place at which the court is sitting.
- (2) The court must not make such a direction if—

Note—

Part 1B of this Act contains provisions with respect to the appearance of accused detainees who are in custody in criminal proceedings.

- (3) In a proceeding in which a party opposes the making of a direction for the giving of evidence or making of a submission to the court by audio link or audio visual link from any place within New South Wales other than the courtroom or other place where the court is sitting, the court must not make the direction unless the party making the application satisfies the court that it is in the interests of the administration of justice

for the court to do so.

- (7) If the accused detainee is a child, the court must also take into account such additional factors to those specified in subsection (6) as are relevant in the circumstances of the case and that are specified in rules of court.
- (8) A person who was a child when a direction was made under this section to appear before a court by audio visual link is entitled to continue to appear before the court by audio visual link in accordance with the direction even if the person becomes an adult before the conclusion of the proceeding concerned.
