15 Extended meaning of “represent”

Part 3 Registration

Division 1 Entitlement to registration

16 Qualifications for registration

- (1) For the purposes of this Act, an individual has the necessary qualifications for registration as an architect if—
 - (a) the individual has such architectural qualifications as may be prescribed by the regulations, or
 - (b) the individual has successfully completed a course of study that is accredited by the Board as meeting criteria prescribed by the regulations for the purposes of this paragraph, or
 - (c) the individual has passed an examination arranged or approved by the Board to assess the person’s competency to practise architecture.

- (2) An educational or training institution may apply to the Board for the accreditation by the Board (under subsection (1) (b)) of a course of study offered by the institution.
- (3) An educational or training institution that has applied to the Board for the accreditation of a course of study offered by the institution may apply to the Tribunal for an administrative review under the [Administrative Decisions Review Act 1997](#) of any decision of the Board not to accredit the course of study.
- (4) In determining for the purposes of subsection (1) (b) whether a particular course of study meets the criteria prescribed by the regulations, the Board may have regard to and rely on any findings made on an assessment prepared for the Board in respect of the course of study.

17 Full registration as architect

- (1) An individual is entitled to be registered as an architect if—
 - (a) the Board is satisfied that the individual is of good fame and character, and
 - (b) the individual has the necessary qualifications for registration as an architect, and
 - (c) the Board is satisfied that the individual has acquired such practical experience required by the Board as a prerequisite for entry to the examination referred to in paragraph (d), and
 - (d) the individual has, to the satisfaction of the Board, passed an examination in architectural practice arranged or approved by the Board.
- (2) Registration under this section is **full registration**.
- (3) An entitlement to full registration does not prevent conditions being imposed on that registration in accordance with this Act.

Note—

By virtue of section 20 of the [Mutual Recognition Act 1992](#) of the Commonwealth, a person is entitled to be registered as an architect if the person is registered in another State or a Territory for an equivalent occupation (if that State or Territory participates in the mutual recognition scheme). The entitlement arises once the person lodges a notice under section 19 of that Act and, until registered under this Act, the person is then deemed (by section 25 of that Act) to be registered. See also the [Trans-Tasman Mutual Recognition Act 1997](#) of the Commonwealth.

17A Duration of registration

- (1) An application for full registration or a renewal of registration is to nominate one of the following terms of duration for the registration (the **nominated term**)—
 - (a) 1 year,
 - (b) 3 years,

- (c) 5 years.
- (2) The Board may grant or renew registration for the nominated term or, if satisfied that it is in the public interest to do so, a shorter term than the nominated term.
- (3) If an application for renewal of registration has been made but the application is not finally determined by the Board before the expiry of the registration, the registration (if not suspended or sooner cancelled) continues in force until the application is finally determined.
- (4) If registration is granted or renewed for a shorter term than the nominated term, the Board is to refund to the applicant the difference between the fee for the nominated term and the fee for the term that was granted.
- (5) The suspension of registration does not affect the term of the registration.
- (6) This section does not affect the term of any registration granted under this Act and in force immediately before the insertion of this section by the [Fair Trading Legislation Amendment \(Reform\) Act 2018](#).

18 Temporary registration of overseas architects

- (1) The Board may register an individual as an architect for a limited period if—
 - (a) the Board is satisfied that the individual is of good fame and character, and
 - (b) the Board is satisfied that the individual has architectural qualifications and practical experience in another country of a kind that demonstrates that the individual would be capable of practising architecture in the State with the same level of competence and skill expected of architects with full registration.
- (2) Registration under this section is **temporary registration**.
- (3) A person granted temporary registration is registered as an architect until the temporary registration expires or is cancelled. Temporary registration expires on the date stated in the relevant certificate of registration unless the period of temporary registration is extended.
- (4) The Board may from time to time extend the period for which temporary registration is in force.
- (5) The Board may cancel a person's temporary registration for any reason that the Board considers proper. Cancellation does not affect any application for full registration by the person.
- (6) The Board may impose such conditions as it thinks fit on the temporary registration of a person and may at any time remove, add to or vary those conditions by notice in writing to the registered person.

19 Registration fees

An applicant for full registration or temporary registration must pay the approved fee for such registration before the person can be registered as an architect.

20 Power to refuse or impose conditions on full registration

- (1) The Board may refuse to register a person who would otherwise be entitled to full registration if—
 - (a) the person is bankrupt, has applied to take the benefit of any law for the relief of bankrupt or insolvent debtors, has compounded with his or her creditors or made an assignment of his or her remuneration for their benefit, or
 - (b) the person has been convicted of an offence under Part 2, or
 - (c) the person has been convicted of any other offence, either in or outside the State, and the Board is of the opinion that the circumstances of the offence are such as to render the person unfit in the public interest to practise architecture, or
 - (d) the person's registration, licence, accreditation or certification under an architects registration law has been cancelled or suspended because of conduct that would (if it occurred in New South Wales and the person were an architect under this Act) authorise cancellation or suspension of the person's registration under this Act.
- (2) As an alternative to refusing to register a person under subsection (1), the Board may grant the person registration subject to conditions if the Board considers that refusal of registration is not warranted and that the person should be granted registration subject to appropriate conditions.
- (3) Conditions of registration may relate to the aspects of the practice of architecture in which the person may be engaged, and any other matters, as the Board thinks appropriate.

Note—

The [Mutual Recognition Act 1992](#) of the Commonwealth and the [Trans-Tasman Mutual Recognition Act 1997](#) of the Commonwealth also provide for the imposition of conditions on registration. Conditions can also be imposed on a person's registration as a result of disciplinary proceedings to which the person has been subject.

- (4) In this section—

architects registration law means any law of a place outside the State that provides for the registration, licensing, accreditation or certification of architects.

21 Restrictions on registration of de-registered persons

- (1) A person must not apply for registration (and any such application must be rejected) if—

- (a) the person's registration is cancelled under this Act, or
 - (b) the Tribunal or the Supreme Court orders that the person not be re-registered (a **registration prohibition order**).
- (2) A person may apply for registration despite subsection (1) only if—
- (a) any period specified in a registration prohibition order during which the person is not to be re-registered has expired and any other condition specified in the order is complied with, or
 - (b) the Tribunal or Supreme Court orders that the person may apply for registration despite subsection (1) (an **application permission order**).
- (3) A person to whom subsection (1) applies may apply for an application permission order—
- (a) where the Tribunal ordered the cancellation of the person's registration or made the registration prohibition order against the person—to the Tribunal, or
 - (b) where the Supreme Court ordered the cancellation of the person's registration or made the registration prohibition order against the person—to the Supreme Court,
- but only if a period of at least 12 months has elapsed since the cancellation of the person's registration or the making of the registration prohibition order (as the case may be).
- (4) The Board is to be a party to any proceedings concerning an application for an application permission order.
- (5) The Tribunal or Supreme Court is not to make an application permission order unless it is satisfied that no useful disciplinary purpose is served by continuing to prohibit the person from applying for registration.
- (6) (Repealed)
- (7) Nothing in this section affects any entitlement of a person who has failed to pay an annual fee for registration to be re-registered under section 28 on payment of any such fee.

Division 2 Registration procedures

22 Application to registration of [Licensing and Registration \(Uniform Procedures\) Act 2002](#)

- (1) For the purposes of this Act, the Board may grant—
- (a) full registration under section 17, or

(b) temporary registration under section 18.

- (2) Part 3 (other than section 39) of the *Licensing and Registration (Uniform Procedures) Act 2002* (**the applied Act**) applies to and in respect of both full registration and temporary registration under this Act, subject to the modifications and limitations prescribed by this Act or the regulations.

Note—

See clause 3 of Schedule 3, which temporarily suspends the provisions of the applied Act in relation to the making of applications by way of electronic communication.

- (3) For the purposes of applying Part 3 of the applied Act to full registration and temporary registration under this Act—
- (a) (Repealed)
 - (b) registration may be amended under that Act, and
 - (c) the requirement of section 54 of that Act for a registration administration fee to be paid to the relevant registration authority within 14 days after each anniversary of the date on which the relevant certificate of registration was issued is to be read as a requirement for the approved fee for annual registration to be so paid on or before 31 March in each year.
- (4) Subject to this Act, the regulations may make provision for or with respect to such matters concerning full registration and temporary registration under this Act as are relevant to the operation of Part 3 of the applied Act.

Division 3 Cancellation and suspension of registration

23 Cancellation and suspension of registration

- (1) A person ceases to be registered as an architect if the person's name is removed from the Register.
- (2) A reference in this Act to the cancellation of an architect's registration is a reference to the removal of the architect's name from the Register.
- (3) A person whose registration as an architect is suspended is taken not to be an architect during the period of the suspension, except for the purposes of Part 4 (Complaints and disciplinary proceedings).

24 Removal of architect's name from the Register

- (1) The Board must remove an architect's name from the Register if—
 - (a) the architect has died, or
 - (b) the architect has requested the Board in writing to remove his or her name from

the Register, or

- (c) the architect has failed to pay the approved fee for annual registration in accordance with section 28, or
- (d) the Tribunal or the Supreme Court has ordered that the architect's registration be cancelled, or
- (e) the term of the architect's registration has expired and the registration has not been renewed or restored.

(2) The Board may remove an architect's name from the Register if—

- (a) the architect does not possess the qualifications in respect of which he or she is registered, or
- (b) the architect becomes bankrupt, applies to take the benefit of any law for the relief of bankrupt or insolvent debtors, compounds with his or her creditors or makes an assignment of his or her remuneration for their benefit, or
- (c) the architect has been convicted of an offence under Part 2, or
- (d) the architect is convicted in New South Wales of an indictable offence that is punishable by imprisonment for 12 months or more, or if he or she is convicted elsewhere than in New South Wales of an indictable offence that, if committed in New South Wales, would be an offence so punishable, or
- (e) the architect has been registered by means of any false or fraudulent representation or declaration made either orally or in writing, or
- (f) the architect has become a mentally incapacitated person, or
- (g) the architect has failed to comply with any continuing professional development requirements, or
- (h) the architect has not met a requirement relating to professional indemnity insurance.

(3) Action is not to be taken under subsection (2) unless the Board—

- (a) has caused notice of the proposed action to be given to the architect, and
- (b) has given the architect at least 28 days within which to make written submissions to the Board in relation to the proposed action, and
- (c) has taken any such submissions into consideration.

Division 4 Register of architects

- (3) The Registrar is to ensure that the Register is made available to the public, free of charge, at the Board's offices during ordinary office hours.

Note—

See also section 49 of the *Licensing and Registration (Uniform Procedures) Act 2002* with respect to the particulars to be recorded in the register of architects.

26 List of registered architects to be prepared and published each year

- (1) The Registrar must ensure that, at least once each year, a list of the names and addresses of all architects in the Register is published for the information of the public.
- (2) The list must be published in such form (whether printed, electronic or both) as the Board may specify from time to time.

27 Nomination of responsible architects for architectural services

- (1) A corporation or firm that provides architectural services may nominate one or more architects to be responsible for the provision of architectural services by the corporation or firm.

- (a) in a case where the applicant failed to apply for renewal before the licence expired—the failure to apply for renewal of the registration before it expired was due to inadvertence, or
 - (b) it is just and equitable to restore the registration.
- (2C) An application for the restoration of registration must nominate a term of duration for the registration.
- (3) A person whose name has been removed from the Register for failure to pay the approved fee for annual registration is entitled to re-registration if the person pays to the Board any unpaid annual registration fee or fees together with any approved fee for late payment.
