 - (b) in each subsequent financial year—the amount calculated as follows—

$$\$100 \times \frac{A}{111.3}$$

A is the CPI number for the March quarter in the financial year immediately preceding the financial year for which the amount is calculated.

Note—

111.3 is the CPI number for the March quarter of 2017.

(2) The fee amount for those fees that is to apply for a financial year subsequent to the 2018/2019 financial year is the amount calculated in accordance with the formulae set out in Schedule A to the Order made by the Copyright Tribunal of Australia on 28 October 2013 in the matter of *Copyright Agency Limited v State of New South Wales* (a copy of which is published on the website of the Office of the Registrar General).

4 Notice of indexed fees

(1) As soon as practicable after the CPI number for the March quarter is first published by the Australian Statistician, the Registrar-General is required to—

(a) notify the Parliamentary Counsel of the amount of the fee unit for the next financial year so that notice of that amount can be published on the NSW legislation website, and

(b) give public notice on an appropriate government website of the actual amounts of the fees applying in each financial year resulting from the application of the amount of a fee unit calculated under this Part.

(2) This Part operates to change an amount of a fee that is calculated by reference to a fee unit and that change is not dependent on the notification or other notice required by this clause.

- (1) This clause applies if, during the prescribed period, a lessee is an impacted lessee.
- (2) During the prescribed period, a lessor must not take prescribed action against the impacted lessee on the grounds of a breach of the impacted lease occurring during the prescribed period consisting of—
 - (a) a failure to pay rent, or
 - (b) a failure to pay outgoings, or

Note—

See leasing principles No. 1, 11 and 14 in the National Code of Conduct.

Note—

See leasing principle No. 13 in the National Code of Conduct.

- (4) A lessor must not, after the prescribed period, take any prescribed action against the impacted lessee on the grounds of a breach of the impacted lease consisting of a failure to pay an amount equivalent to or representing the rent increase amount referred to in subclause (3).

Note—

See leasing principle No. 13 in the National Code of Conduct.

- (5) If an impacted lessee is required by a provision of an impacted lease to pay a fixed amount that represents an amount of land tax or any other statutory charge, such as local council rates, or insurance payable by a lessor and the amount of the land tax or other statutory charge or insurance payable is reduced, the impacted lessee is exempted from the operation of the provision to the extent of the reduction.

Note—

See leasing principle No. 6 in the National Code of Conduct.

- (a) is taken not to amount to a breach of the impacted lease to which the impacted lessee is a party, and
 - (b) does not constitute grounds for termination of the impacted lease or the taking of any prescribed action by the lessor against the impacted lessee.
- (7) Nothing in this clause prevents a lessor and impacted lessee agreeing to the parties taking action in relation to the impacted lease, including the lessor taking prescribed action or the parties agreeing to terminate the impacted lease.

5 Obligation to renegotiate rent and other terms of impacted leases before prescribed action

- (1) A lessor under an impacted lease must not take or continue prescribed action against the impacted lessee on grounds of a breach of the impacted lease consisting of a failure to pay rent during the prescribed period unless the lessor has complied with this clause.

Note—

This clause does not prevent parties to an impacted lease coming to agreements relating to the lease. For example, an impacted lessee may voluntarily agree to pay full rent during the prescribed period. The clause prevents the lessor taking unilateral prescribed action without complying with the requirements set out in subclauses (2)–(6).

- (2) A party to an impacted lease may request the other parties to renegotiate the rent payable under, and other terms of, the impacted lease.
- (3) A party to the impacted lease may make a second or subsequent request under subclause (2) but, unless the parties otherwise agree, an impacted lessee may make a second or subsequent request only if the request—

 - (b) the leasing principles set out in the National Code of Conduct.

Note—

See leasing principles No. 3-5, 7-10 and 12 in the National Code of Conduct.

In particular, leasing principle No. 3 in the National Code of Conduct requires landlords to offer rent reductions, in the form of waivers or deferrals of rent, proportionate to lessees' reductions in turnover.

- (7) If the impacted lessee does not comply with subclauses (4)-(6), the lessor is taken to have complied with this clause.
- (8) To avoid doubt, a renegotiation commenced but not concluded before the expiry of the prescribed period may be continued and concluded after that expiry.

Note—

This clause applies only in relation to breaches of impacted leases consisting of a failure to pay rent during the prescribed period, being 24 April 2020 to 31 December 2020.

6 Disputes must be submitted to mediation before proceedings can be taken

A lessor must not do any one or more of the following unless and until the Small Business Commissioner has certified in writing that mediation offered to be conducted by the Small Business Commissioner has failed to resolve the dispute and given reasons for the failure—

- (a) seek to recover possession of premises or land under the impacted lease,
- (b) terminate the impacted lease,
- (c) exercise or enforce any other right of the lessor under the impacted lease.

- (b) the termination of an impacted lease by a lessor,

(c) the exercise or enforcement of another right of a lessor under an impacted lease.

8 Lessor action for non-COVID-19 pandemic related reasons

Nothing in this Schedule prevents a lessor taking prescribed action on grounds not related to the economic impacts of the COVID-19 pandemic.

Note—

For example, a lessor may terminate a commercial lease if the lessee has breached the lease by damaging the premises concerned or may take action if a lessee fails to vacate premises following the expiry of a fixed term commercial lease.

9 Equity and law preserved

Nothing in this Schedule excludes the rules of equity and of common law from applying to the determination of a dispute concerning—

- (a) the recovery of possession of premises or land from a lessee, or
- (b) the termination of a commercial lease by a lessor, or
- (c) the exercise or enforcement of another right of a lessor of premises or land.

10 Repeal of Schedule

This Schedule is repealed at the end of the day that is 6 months after the day on which this Schedule commences.

substituted Schedule means Schedule 5 to this Regulation as in force immediately before its substitution by the [Retail and Other Commercial Leases \(COVID-19\) Regulation \(No 2\) 2020](#).
