- (2) Without limiting subsection (1), it is the intention of the Parliament of New South Wales that the provisions of this Act have an operation in relation to those activities even if the rules of private international law (whether under general law or legislation) would require the application of a law other than this Act instead of the provisions of this Act.
- (3) In this section—
activities include conduct and transactions.

Division 1.4 Relationship of Act with other laws

1.8 Relationship with other legislation generally

- (1) This Act, the regulations and the Treasurer's directions are not intended to limit or exclude the operation of any other legislation (whenever enacted or made), except as provided by this section.

- (2) A paramount provision of this Act is to be interpreted as prevailing over the provisions of other legislation (whenever enacted or made) to the extent of any inconsistency unless another Act expressly provides for the legislation generally, or those provisions specifically, to have effect despite this Act generally or the paramount provision.
- (3) Each of the following is a **paramount provision** of this Act—
- (a) section 5.3 (Payment of tax-equivalents to Treasurer),
 - (b) section 5.4 (Payment of financial distributions to Treasurer),
 - (c) Part 6 (Financial services and arrangements),
 - (d) Part 7 (Reporting), subject to sections 7.1, 7.4 and 7.10.
- (4) When a paramount provision of this Act prevails over the provisions of other legislation, a person or other entity to whom the paramount provision applies must comply with the paramount provision (including any regulations made for the purposes of that provision) even if it may result in a contravention of the other legislation.
- (5) However, subsection (4) does not apply if compliance by a person or other entity with a paramount provision of this Act would result in that person or other entity committing an offence against other legislation.
- (6) To avoid doubt, a contravention of other legislation resulting from compliance with a paramount provision of this Act (or regulations made for the purposes of that provision) as required by subsection (4) does not—
- (a) subject any person or other entity involved in the contravention to any civil liability, or
 - (b) invalidate any arrangement, transaction or conduct that was entered into or done in compliance with the paramount provision (or the regulations for the purposes of that provision).
- (7) This section and each paramount provision of this Act are declared to be Corporations legislation displacement provisions for the purposes of section 5G of the *Corporations Act 2001* of the Commonwealth generally.

Note—

Section 5G of the *Corporations Act 2001* of the Commonwealth enables a State to displace the operation of provisions of the Corporations legislation in favour of provisions of State laws that are declared under State law to be Corporations legislation displacement provisions for the purposes of that section.

- (8) In this section—

arrangement has the same meaning as in Part 6.

1.9 Exclusion or displacement of Corporations legislation

- (1) The regulations may declare any matter referred to in, or arising under or in connection with, this Act or the regulations to be an excluded matter for the purposes of section 5F of the *Corporations Act 2001* of the Commonwealth in relation to—
 - (a) the whole of the Corporations legislation, or
 - (b) a specified provision of that legislation, or
 - (c) that legislation other than a specified provision, or
 - (d) that legislation otherwise than to a specified extent.

Note—

Section 5F of the *Corporations Act 2001* of the Commonwealth provides that if a State law declares a matter to be an excluded matter for the purposes of that section in relation to all or part of the Corporations legislation, the provisions that are the subject of the declaration will not apply in relation to that matter in the State concerned.

- (2) The regulations may declare any provision of this Act to be a Corporations legislation displacement provision for the purposes of section 5G of the *Corporations Act 2001* of the Commonwealth (either generally or specifically in relation to a provision of the Corporations legislation).

Note—

Section 5G of the *Corporations Act 2001* of the Commonwealth enables a State to displace the operation of provisions of the Corporations legislation in favour of provisions of State laws that are declared under State law to be Corporations legislation displacement provisions for the purposes of that section.

- (3) Subsections (1) and (2) do not apply in relation to any provisions or other matters that are already declared by another provision of this Act to be excluded matters or Corporations legislation displacement provisions for the purposes of section 5F or 5G of the *Corporations Act 2001* of the Commonwealth.

Note—

Section 1.8 declares a paramount provision of this Act to be a Corporations legislation displacement provision for the purposes of section 5G of the *Corporations Act 2001* of the Commonwealth generally.

 - (b) the Health Administration Corporation incorporated by the *Health Administration Act 1982* and each of its controlled entities,
 - (c) the Cancer Institute (NSW) constituted by the *Cancer Institute (NSW) Act 2003*,
 - (d) the New South Wales Health Foundation constituted by the *Health Administration Act 1982*,
 - (e) the Albury Base Hospital (being a public hospital controlled by the Crown as referred to in section 15 (d) of the *Health Services Act 1997*),
 - (f) any other entity (or entity of a kind) prescribed by the regulations as a NSW Health entity.
- (2) However, a **NSW Health entity** does not include any entity (or entity of a kind) prescribed by the regulations not to be a NSW Health entity.
- (3) The Minister is not to recommend the making of a regulation for the purposes of subsection (1) (f) or (2) unless the Minister certifies that the Minister administering the *Health Services Act 1997* has concurred in the making of the regulation.
- (4) To avoid doubt, the exclusion of an entity (or entity of a kind) by a regulation made for

the purposes of subsection (2) does not result in the entity (or entity of the kind) ceasing to be a GSF agency if it otherwise falls within the definition of **GSF agency** in section 2.4.

Division 2.2 GSF agencies and related concepts

2.4 GSF agencies

- (1) Each of the following is a **GSF agency**—

 - (d) the New South Wales Treasury Corporation,
 - (e) the Law Enforcement Conduct Commission,
 - (f) the Independent Pricing and Regulatory Tribunal,
 - (g) a Council within the meaning of Part 5A of the *Health Practitioner Regulation National Law (NSW)*,

 - (j) an entity with money held in an SDA account (but the account itself is not to be treated as being a GSF agency),
 - (k) any Public Service agency not already covered by a previous paragraph,
 - (l) any other entity (or entity of a kind) prescribed by the regulations as a GSF agency.
- (2) Each of the following entities (except if they are individuals) is also a GSF agency if it is not already an entity of a kind referred to in subsection (1)—
 - (a) an entity that is a controlled entity of another entity (or a combination of other entities) referred in subsection (1),
 - (b) an entity that is a controlled entity of a Minister or a combination of Ministers.
- (3) To avoid doubt, an entity that is a joint venture is not a GSF agency unless it is prescribed by the regulations for the purposes of subsection (1) (l) to be a GSF agency.
- (4) However, a **GSF agency** does not include—

- (a) the Legislature of New South Wales, or
 - (b) a Minister (except to the extent to which Part 6 provides for a Minister to be treated as a GSF agency), or
 - (c) the Workers Compensation Insurance Fund, or
 - (d) the Workers Compensation Nominal Insurer.
- (5) Despite subsections (1) and (2), the regulations may declare that a specified entity (or specified part of an entity) is, or is not, to be treated as a GSF agency that is distinct from another specified GSF agency for the purposes of Part 6.

2.5 Separate GSF agency

- (1) Each of the following is a **separate GSF agency**—
- (a) the Audit Office,
 - (b) the Independent Commission Against Corruption,
 - (c) the Judicial Commission of New South Wales,
 - (d) the New South Wales Electoral Commission,
 - (e) the Ombudsman’s Office,
 - (f) any other entity (or an entity of a kind) prescribed by the regulations as a separate GSF agency.
- (2) Despite any other provision of this Act, a separate GSF agency (and the accountable authority for the agency and its government officers) are each not required to comply with a relevant Treasurer’s requirement or Minister’s information requirement if the accountable authority considers that the requirement is not consistent with the exercise of the statutory functions of the agency.
- (3) A **relevant Treasurer’s requirement** is—
- (a) a provision of the Treasurer’s directions that a separate GSF agency (or the accountable authority for the agency or its government officers) would be required to comply with but for this section, or
 - (b) any other direction, request or other requirement given or made by the Treasurer under this Act that a separate GSF agency (or the accountable authority for the agency or its government officers) would be required to comply with but for this section.
- (4) A **Minister’s information requirement** is any direction, request or other requirement given or made by a Minister under this Act for the provision of

information about a separate GSF agency that the agency (or the accountable authority for the agency or its government officers) would be required to comply with but for this section.

- (5) The accountable authority for a separate GSF agency must ensure that a written document (a **non-compliance reasons statement**) stating the reasons for any non-compliance with a relevant Treasurer's requirement or Minister's information requirement is—
 - (a) given to the Treasurer or other Minister who gave or made the requirement as soon as practicable after it is decided not to comply, and
 - (b) included in the annual reporting information for the separate GSF agency for the annual reporting period during which the non-compliance occurred or reported in any other way prescribed by the regulations.
- (6) Without limiting subsection (5) (b), the regulations may make provision for or with respect to the tabling of non-compliance reasons statements in Parliament (including by providing for the application of section 9.12 to the tabling).

2.6 Responsible Minister for GSF agencies

- (1) The **responsible Minister**, in relation to a GSF agency (whether or not a reporting GSF agency), is—
 - (a) for a NSW Health entity—the Minister administering the *Health Services Act 1997*, or
 - (b) for a Public Service agency that is not a NSW Health entity—the Minister to whom the agency is responsible, or
 - (c) for a statutory State owned corporation—the voting shareholders of the corporation under the *State Owned Corporations Act 1989*, or
 - (d) for any other GSF agency—the Minister who administers the constituent Act for the agency.

Note—

Section 50C of the *Constitution Act 1902* enables the Governor to make administrative arrangements orders that specify the Minister to whom a Public Service agency is responsible. Administrative arrangements orders can be accessed on the NSW legislation website at www.legislation.nsw.gov.au.

- (2) Despite subsection (1), the Premier may, by notice published in the Gazette, authorise a Minister or other person to exercise some or all of the functions of the responsible Minister for a GSF agency instead of that Minister.
- (3) A Minister or other person authorised to exercise the functions of the responsible Minister for a GSF agency is to be treated as being the responsible Minister for the

agency for the purposes of this Act in relation to the functions that are authorised.

- (4) To avoid doubt, if the person authorised is not a Minister, the person has the same powers under this Act to delegate the Ministerial functions that the person is authorised to exercise as a Minister would have.

2.7 Accountable authorities for GSF agencies

- (1) Each GSF agency is to have an accountable authority for the purposes of this Act.
- (2) The **accountable authority** for a GSF agency is—
- (a) for the Audit Office—the Auditor-General, or
 - (b) for the Independent Commission Against Corruption—the Chief Executive Officer of the Commission, or
 - (c) for the Ombudsman’s Office—the Ombudsman, or
 - (d) for the NSW Police Force—the Commissioner of Police, or
 - (e) for a NSW Health entity—the Secretary of the Ministry of Health, or
 - (f) for the Judicial Commission of New South Wales—the Chief Executive of the Commission, or
 - (g) for the Law Enforcement Conduct Commission—the Chief Executive Officer of the Commission, or
 - (h) for the Independent Pricing and Regulatory Tribunal—the Chairperson of the Tribunal, or
 - (i) for any other agency not covered by the preceding paragraphs that is a Public Service agency—
 - (i) if the agency is a Department—the Secretary of the Department, or
 - (ii) if the agency is not a Department—the head of the agency, or
 - (j) for any other agency not covered by the preceding paragraphs that is not a Public Service agency—
 - (i) if the agency has a governing body—the governing body, or
 - (ii) if the agency does not have a governing body—the head of the agency.
- (3) Despite subsection (2) (i) and (j), the regulations may, for the purpose of avoiding doubt, declare that specified persons or other entities are to be treated as being the accountable authorities for specified GSF agencies (or kinds of GSF agencies) covered by those paragraphs.

2.8 Treasurer and Auditor-General to be notified of new GSF agencies

- (1) The accountable authority for an entity that becomes a GSF agency must—
 - (a) give written notice to the Treasurer of that fact within one month after the entity becomes a GSF agency, and
 - (b) give written notice to the Auditor-General of that fact within one month after the entity becomes a GSF agency and ensure that appropriate steps are taken to have the GSF agency audited by the Auditor-General.
- (2) Subsection (1) (a) does not apply in relation to—
 - (a) the establishment, abolition, change of name or transfer of a Public Service agency (or part of a Public Service agency) that results from an administrative arrangements order under section 50D of the [Constitution Act 1902](#), or
 - (b) the establishment, abolition, change of name or transfer of a GSF agency by a provision of an Act.

 - (b) a person employed in or by a GSF agency,
 - (c) a person who is a statutory officer and not a Public Service employee under the [Government Sector Employment Act 2013](#), but who is the head of, or exercises functions in relation to, a Public Service agency,
 - (d) a person working for a GSF agency by way of secondment from another GSF agency,
 - (e) any other person (or person of a kind) prescribed by the regulations as a government officer.

Note—

Section 59 of the [Government Sector Employment Act 2013](#) provides that a reference in another Act to an officer or employee of a statutory body or statutory officer is to be read as including a reference—

- (a) to a Public Service employee who is employed to enable the statutory body or statutory officer to exercise functions, and
- (b) to any other person whose services the statutory body or statutory officer makes use of (whether by

way of secondment or otherwise).

- (2) However, a **government officer** does not include any of the following—
- (a) the Governor, Lieutenant-Governor or Administrator of the State,
 - (b) a Minister, a member of the Executive Council or a Parliamentary Secretary,
 - (c) a member of the Legislative Council or the Legislative Assembly,
 - (d) a judicial officer within the meaning of the *Judicial Officers Act 1986* (including a registrar when performing judicial functions),

 - (j) a person employed by an entity that is not a GSF agency who is working for a GSF agency by way of secondment,
 - (k) any other person (or person of a kind) prescribed by the regulations not to be a government officer.
- (3) A government officer is a **government officer of a GSF agency** if the officer—
- (a) has any of the relationships referred to in subsection (1) (a)–(d) with the agency, or
 - (b) is an officer (or officer of a kind) prescribed by the regulations as a government officer of the agency.

Division 2.4 Annual reporting periods

2.10 Annual reporting periods for GSF agencies

- (1) Subject to any determination of the Treasurer under this section, the **annual reporting period** for a GSF agency is—
- (a) the period of 12 months commencing on 1 July in any year, or

- (b) if a different period is specified as the agency's financial year by its constituent Act—that specified period.
- (2) The Treasurer may, by written notice given to the accountable authority for a GSF agency, determine a different annual reporting period for the GSF agency than that referred to in subsection (1) to facilitate—
 - (a) reporting for the first annual reporting period for a new GSF agency, or
 - (b) reporting for the final annual reporting period for a GSF agency or former GSF agency, or

- (4) Before making a determination for the purposes of subsection (2), the Treasurer must consult both the Auditor-General and the responsible Minister for a GSF agency in accordance with section 3.5 about any proposed determination.

2.11 Annual reporting period for NSW Government

The **annual reporting period** for the NSW Government is the period of 12 months commencing on 1 July in any year.

Part 3 Roles and responsibilities

Division 3.1 Treasurer

3.1 Giving of Treasurer's directions

- (1) The Treasurer may give written directions (called **Treasurer's directions**) for or with respect to each of the following—
 - (a) the principles, practices, arrangements and procedures to be applied or followed by GSF agencies, government officers and accountable authorities for GSF agencies for the purposes of promoting compliance with the provisions of this Act and the regulations,
 - (b) any matter that is, by or under this Act or any other Act, required or permitted to be included in the Treasurer's directions,

- (c) any matter of a kind prescribed by the regulations for which the Treasurer's directions are authorised to make provision.

Note—

Section 9.8 allows the Treasurer to delegate any functions concerning the giving of Treasurer's directions, but only to the accountable authority for the Treasury or certain other senior government officers of the Treasury.

- (2) A Treasurer's direction—
 - (a) cannot be inconsistent with this Act, and
 - (b) must be published on the NSW legislation website and may also be published on the Treasury's website or in any other way the Treasurer considers appropriate, and
 - (c) takes effect on the day it is published on the NSW legislation website or any later day specified in the direction, and
 - (d) may be amended, replaced or revoked by a further Treasurer's direction.
- (3) A Treasurer's direction may do any of following (or any combination of the following)—
 - (a) apply generally or be limited in its application by reference to one or more specified circumstances, factors or exceptions,
 - (b) authorise any matter or thing to be from time to time determined, applied or regulated by any specified person, group of persons or body,
 - (c) apply, adopt or incorporate (whether with or without modification) any publication as in force at a particular time or as in force from time to time,
 - (d) give exemptions from the direction (whether from all of the direction or specified provisions of the direction) or authorise specified entities to give those exemptions.
- (4) To avoid doubt, a Treasurer's direction concerning reporting requirements for a particular annual reporting period (whether for a GSF agency or for the NSW Government) may be given even if that period has already commenced or has ended.
- (5) Except to the extent required by this Act or the regulations, the Treasurer may (but need not) consult with responsible Ministers for GSF agencies or any other persons or entities that the Treasurer considers appropriate before giving Treasurer's directions or amending, replacing or revoking them.

3.2 Basic content for Treasurer's directions

- (1) A Treasurer's direction must include each of the following provisions—

- (a) a provision that gives the direction a name or citation,
 - (b) a provision that indicates when the direction takes effect,
 - (c) a provision that specifies the entities (or kinds of entities) to which the direction applies,
 - (d) a provision that specifies the purposes or objects of the direction,
 - (e) a provision that specifies an end date or review date for the direction.
- (2) It is sufficient compliance with subsection (1) (b)–(e) in respect of a Treasurer’s direction that amends another Treasurer’s direction if the provisions are included in the amendments.
- (3) A contravention of subsection (1) does not affect the validity of any Treasurer’s direction.

3.3 Application of Treasurer’s directions

- (1) Subject to subsection (2), the Treasurer’s directions do not apply to any of the following—
- (a) a Minister (even if the Minister falls within a GSF agency of a kind to which the directions otherwise apply),
 - (b) a university or any of its controlled entities,
 - (c) any GSF agency, government officer or accountable authority for a GSF agency (or a GSF agency, government officer or accountable authority of a kind) prescribed by the regulations.
- (2) Subsection (1) does not prevent the application of Treasurer’s directions to—
- (a) a Minister for the purposes of provisions of Part 6 that are applicable to Ministers, or
 - (b) a university or any of its controlled entities for the purposes of provisions of Divisions 7.2 and 7.3 that are applicable to universities and their controlled entities.

Note—

Section 6.1 provides that, for purposes of Part 6, each Minister (except the Treasurer) is to be treated as both a GSF agency and the accountable authority for the agency.

Similarly, sections 7.4 and 7.10 provide that, for the purposes of Divisions 7.2 and 7.3 respectively, a university and its controlled entities are to be treated as GSF agencies.

- (3) To avoid doubt, the Treasurer’s directions can apply to a Minister’s delegate even though they do not apply to the Minister because of subsection (1) (a).

- (4) A provision of the Treasurer's directions may be limited in its application to a particular GSF agency, but only if the provision is included with the consent of the responsible Minister for the agency.
- (5) However, a provision of the Treasurer's directions cannot be limited in its application to a particular government officer or accountable authority for a GSF agency.
- (6) Subsections (4) and (5) do not prevent the giving of Treasurer's directions to kinds of GSF agencies, government officers or accountable authorities for GSF agencies unless the kind consists of a single agency, officer or authority.

3.4 Duty to comply with Treasurer's directions

A person or other entity to whom a provision of the Treasurer's directions applies must comply with the provision.

Note—

Section 2.5 authorises a separate GSF agency not to comply with a requirement of the Treasurer's directions if the accountable authority for the agency considers the requirement not to be consistent with the agency's statutory functions.

3.5 Consultation about certain proposed regulations, directions and determinations

- (1) This section applies if a provision of this Act or the regulations (the **consultation provision**) requires the Treasurer to consult a specified entity in accordance with this section about a matter (a **consultation matter**) that is proposed to be included in the regulations or in directions or determinations of the Treasurer.
- (2) The Treasurer must consult each entity specified by the consultation provision as an entity that must be consulted about a consultation matter before recommending the making of regulations, or giving directions or making determinations, that include the matter.
- (3) A consultation with an entity happens for the purposes of this section if—
 - (a) the entity is given a written statement setting out, or explaining the effect of, the consultation matter, and
 - (b) the entity is given a reasonable opportunity to make submissions to the Treasurer concerning the consultation matter before its inclusion in regulations, directions or determinations.
- (4) A contravention of a consultation provision or this section does not affect the validity of any regulation, direction or determination.

Division 3.2 Accountable authorities

3.6 Policies and procedures for financial management of GSF agencies

- (1) The accountable authority for a GSF agency is—
 - (a) to develop, maintain and make available financial management policies and procedures, and
 - (b) to establish, maintain and keep under review each of the following—
 - (i) effective systems for risk management, internal control and assurance (including by means of internal audits) that are appropriate systems for the agency,
 - (ii) arrangements for protecting the integrity of financial and performance information,
 - (iii) arrangements for ensuring that there is compliance with this Act, and
 - (c) to ensure that the agency complies with those policies and procedures.
- (2) The regulations and Treasurer's directions may make provision for or with respect to—
 - (a) financial management policies and procedures for the purposes of subsection (1) (a), and
 - (b) systems and arrangements for the purposes of subsection (1) (b).
- (3) This section does not prevent a GSF agency from developing, establishing or maintaining additional policies, procedures or systems to those required by or under this section provided that they are not inconsistent with those that are required.

Division 3.3 Government officers

3.7 Values and associated principles to guide government officers

- (1) A government officer of a GSF agency should be guided by the following values and associated principles when exercising functions in connection with financial management (including under this Act)—

Value

Associated principles

Transparency

- The government officer should—
- (a) ensure that any real or perceived conflicts of interest are avoided or effectively managed, and
 - (b) disclose to the appropriate entity, as soon as possible, any direct or indirect material conflict of interest of the officer that relates to the affairs of the GSF agency

- (2) Nothing in this section gives rise to, or can be taken into account in, any civil cause of action.

- (1) The ***Budget Papers*** are the Budget Papers of the Government tabled in Parliament in connection with Bills for annual Appropriation Acts.
- (2) The Treasurer is responsible for the preparation and presentation of the Budget Papers.
- (3) Unless an annual Appropriation Act provides differently, the Budget Papers tabled in Parliament in connection with the Bill for the Act—
 - (a) do not form part of the Act, and
 - (b) do not affect the application of any amount appropriated by the Act.

4.2 Core content of Budget Papers

- (1) The Budget Papers are to be presented on a basis that covers the General Government Sector.
- (2) The budget aggregates relating to the General Government Sector are to be for a 6-year period comprising the annual reporting period for the NSW Government to

which the Budget relates, the 2 prior years and the 3 forward years and include the following financial statements—

- (a) a statement of financial position for the General Government Sector,
- (b) an operating statement for the General Government Sector,
- (c) a cash flow statement for the General Government Sector.

(3) The budget aggregates are to be—

- (a) prepared in a way that is consistent with the Australian Accounting Standards for the annual reporting period for the NSW Government to which the Budget relates for the General Government Sector, and
- (b) presented in a format that is consistent with the Australian Accounting Standards.

(3A) Subsection (3)(a) does not apply in relation to the budget aggregates for the 2 prior years.

(4) It is not necessary for the Budget Papers to be presented so as to include notes within the meaning of the Australian Accounting Standards.

4.3 Additional content of Budget Papers

(1) The Budget Papers are also to include the following—

- (a) a Budget policy statement that includes the following—
 - (i) the matters required to be included in the Budget Papers by section 8 of the *Fiscal Responsibility Act 2012*,
 - (ii) 4-year forecasts or projections (being for the annual reporting period for the NSW Government to which the Budget relates and 3 forward years) of all major economic and financial variables,
- (b) revised estimates for the year before the annual reporting period for the NSW Government to which the Budget relates, and an explanation of any significant variations in major aggregates from the Budget estimates for that period, for the General Government Sector,
- (c) a statement of the expenditure, savings and revenue measures that may have a material impact on the forward estimates for the General Government Sector,
- (d) a statement of the risks that may have a material effect on the forward estimates for the General Government Sector,

(f) information in the form determined by the Treasurer about the performance and activities of GSF agencies.

(2) The Budget Papers may include any other matters determined by the Treasurer.

4.4 When Budget is to be presented to Parliament

(1) The Treasurer is to cause the Budget Papers for the annual reporting period for the NSW Government to which the Budget relates to be tabled in the Legislative Assembly before the end of the previous annual reporting period.

(2) However, the Budget Papers may be tabled in the Legislative Assembly—

(a) if the Legislative Assembly is not sitting in the last 2 months of the previous annual reporting period for the NSW Government—as soon as possible within the annual reporting period for the NSW Government to which the Budget relates, or

(b) if there is a State election in the previous annual reporting period for the NSW Government—as soon as possible within the annual reporting period for the NSW Government to which the Budget relates (but not later than the end of September in that period).

4.5 Provision of budget information by GSF agencies

(1) The accountable authority for a GSF agency must, in accordance with directions by the Treasurer, prepare information for use in Budget preparations concerning the agency and its controlled entities for the times and in the manner directed.

(2) Any directions under this section may be contained in the Treasurer's directions or in a separate written document given to the GSF agency concerned.

Division 4.2 Appropriations

4.6 Money to be paid out of Consolidated Fund or Special Deposits Account only if authorised

(1) Money must not be paid out of the Consolidated Fund except under the authority of an Act.

Note—

See also Part 5 of the *Constitution Act 1902*, which requires certain kinds of government money to form one Consolidated Fund.

(2) Money must not be paid out of an SDA account except for the purposes of the account and under the authority that may be applicable to the constitution of the account.

(3) To avoid doubt—

(a) money is not paid out of the Consolidated Fund merely because—

- (i) the money is deposited in a banking account of the State or a GSF agency if the deposited money continues to be held by, for or on behalf of the State, or
 - (ii) the money is used to purchase securities if the securities continue to be held by, for or on behalf of the State (regardless of whether the value of those securities increases or decreases after their purchase), and
- (b) money is not paid out of an SDA account merely because—
- (i) the money is deposited in a banking account of the State or a GSF agency if the deposited money continues to be held for use for the purposes of that account, or
 - (ii) the money is used to purchase securities if the securities continue to be held for use for the purposes of that account (regardless of whether the value of those securities increases or decreases after their purchase).

(4) In this section—

securities has the same meaning as in section 39 of the [Constitution Act 1902](#).

4.7 Deemed appropriations of certain money received by GSF agencies

- (1) The responsible Minister for a GSF agency is taken to have been given an appropriation out of the Consolidated Fund under the authority of this section, at the time the agency receives or recovers any deemed appropriation money, for an amount equivalent to the money that is received or recovered by the agency.
- (2) An appropriation under this section is taken to have been given only for the services of the GSF agency that receives or recovers the deemed appropriation money.
- (3) **Deemed appropriation money** is government money that a GSF agency receives or recovers (including from the Commonwealth or another entity) of a kind prescribed by the regulations that—
 - (a) forms part of the Consolidated Fund, and
 - (b) is not appropriated under the authority of an Act.
- (4) Without limiting subsections (3) and (6) (a), the regulations may—
 - (a) prescribe deemed appropriation money to include government money that was received or recovered before the commencement of this section, and
 - (b) specify when (and the purposes for which) an appropriation is taken to have been given for the purposes of this section in respect of deemed appropriation money.
- (5) However, the regulations cannot prescribe deemed appropriation money to include—
 - (a) any money from taxes or fines that a GSF agency receives or recovers for the

benefit of the State generally (as opposed to the benefit of that particular agency),
or

- (b) any money payable as a royalty for the mining, extraction or capture of a natural resource, or
- (c) any money from a general purpose Commonwealth grant received by a GSF agency.

(6) An appropriation under this section is—

- (a) subject to any terms or conditions that may be prescribed by the regulations, and
- (b) taken to be for the annual reporting period for the NSW Government in which it is taken to be given.

4.8 Unused appropriations for annual reporting period

- (1) Every unused appropriation for an annual reporting period for the NSW Government lapses and ceases to have effect for any purpose at the end of that period, except as provided by this section.
- (2) An **unused appropriation** for an annual reporting period for the NSW Government is that part of an appropriation out of the Consolidated Fund (including under section 4.7) that has not been applied by the end of the period.
- (3) An unused appropriation under section 4.7 for an annual reporting period for the NSW Government does not lapse at the end of the period unless the regulations provide differently.

4.9 Appropriations affected by transfer of functions between GSF agencies

- (1) An appropriation made by an annual Appropriation Act for an annual reporting period for the NSW Government for a service, function or program does not lapse merely because the responsibility for the service, function or program is transferred from one GSF agency to another during that period.
- (2) The appropriation may be applied, in accordance with any determination that may be made by the Treasurer in the same annual reporting period for the NSW Government, for or towards the transferred service, function or program.
- (3) A determination may extend to the application of the appropriation before the determination is made and operates to validate that application.
- (4) The Treasurer must cause details of any appropriation to which a determination relates to be included in the Budget Papers for the next annual reporting year for the NSW Government.

4.10 Payments authorised on lapse of appropriation

- (1) This section applies if an annual Appropriation Act for an annual reporting period for the NSW Government is not enacted before the period commences.
- (2) The Treasurer may, subject to this section, authorise the payment of sums out of the Consolidated Fund to meet the requirements of the annual reporting period.
- (3) The Treasurer's authorisation under this section ends on the earliest of the following occurring—
 - (a) the first 3 months of the annual reporting period ending,
 - (b) the enactment of an annual Appropriation Act for the annual reporting period.
- (4) Payments that are authorised to be made under this section must not—
 - (a) exceed, in total, an amount equivalent to one quarter of the amount appropriated under the annual Appropriation Act for the previous annual reporting period (adjusted for changes in consumer prices as provided by the regulations), and
 - (b) if estimates of expenditure for the current annual reporting period have been presented to Parliament and the rate of expenditure in those estimates is lower than the rate of expenditure authorised in the annual Appropriation Act for the previous reporting period—exceed those lower rates.

4.11 Variations of annual appropriations for Commonwealth grants

- (1) This section applies if the Commonwealth does any of the following in an annual reporting period for the NSW Government—
 - (a) provides for the making of a specific purpose payment not included in the Budget Papers of the State for that period,

5.7 Act of grace payments

- (1) A Minister may, if satisfied that there are special circumstances or circumstances of a kind prescribed by the regulations, authorise an amount to be paid to a person on behalf of the State (an **act of grace payment**) under this section even though the payment is not—
 - (a) otherwise authorised by or under law, or
 - (b) required to meet an obligation.
- (2) An act of grace payment is subject to any terms and conditions that the Minister may decide to impose.

- (5) The provisions of this Part apply despite any powers, privileges or other rights under the general law of the Crown, Ministers or other entities acting for or on behalf of the Crown.

This Part is a paramount provision of this Act. Section 1.8 requires a person or other entity to whom a paramount provision applies to comply with the provision (including any regulations made for the purposes of that provision) even if it may result in a non-criminal contravention of other legislation. It also provides that compliance does not result in any civil liability and displaces the operation of the *Corporations Act 2001* of the Commonwealth to enable compliance.

service agreement, the Treasurer is authorised to make any interest payments that the Treasurer considers appropriate into the SDA account or statutory special purpose fund,

- (e) the inclusion of the money in banking account structuring under a State financial service agreement does not prevent the entity responsible for administering the SDA account or statutory special purpose fund from making payments into or out of the account or fund in accordance with the purposes for which it is established or constituted.
- (9) The Treasurer may use interest payable by reference to banking account structuring under a State financial service agreement, or money forming part of the Consolidated Fund if that interest is insufficient, for the purpose of making payments authorised by subsection (8) (d).
- (10) The Treasurer is taken to have been given an appropriation out of the Consolidated Fund under the authority of this section, at the time a payment is made under subsection (9), for an amount equivalent to the amount of the payment if money forming part of the Consolidated Fund is used for the payment.
- (11) Subsections (8)–(10) have effect despite anything to the contrary in another provision of this Act or the Act by or under which an SDA account or statutory special purpose fund is established or constituted. In particular, anything done under the authority of those subsections is taken to be for a permitted purpose.
- (12) **Application of State financial agreements to entities that are not GSF agencies** The Treasurer may enter into agreements with entities that are not GSF agencies (including the Workers Compensation Nominal Insurer), on the terms and conditions that the Treasurer considers appropriate, concerning access by them to all or some of the financial services provided under a State financial service agreement.

6.15 Treasurer's directions may include directions concerning use of financial services

- (1) The Treasurer's directions may include directions concerning the use by GSF agencies of banking services (whether or not provided under a State financial service agreement) and any other financial services provided under a State financial service agreement.
- (2) Without limiting subsection (1), the Treasurer's directions may require—
 - (a) GSF agencies or government officers to use a particular banking or other financial service provided under a State financial service agreement, and
 - (b) interest payable on banking accounts of GSF agencies (or interest payable by reference to banking account structuring under a State financial service agreement) to be paid to the Treasurer or to any other entity nominated by the Treasurer.

- (3) Despite subsection (2) (b), if legislation apart from this Act expressly requires interest payable on banking accounts of a GSF agency to be paid into an SDA account or statutory special purpose fund, the Treasurer is to ensure that sufficient provision is made for the interest (or an amount in lieu of the interest) to be paid into that SDA account or fund within 5 working days of receipt of the interest by the Treasury or entity because of directions made for the purposes of that paragraph.
- (4) The Treasurer may use interest payable by reference to banking account structuring under a State financial service agreement, or money forming part of the Consolidated Fund if that interest is insufficient, for the purpose of making payments in lieu of interest under subsection (3).
- (5) The Treasurer is taken to have been given an appropriation out of the Consolidated Fund under the authority of this section, at the time a payment is made under subsection (3), for an amount equivalent to the amount of the payment if money forming part of the Consolidated Fund is used for the payment.
- (6) The Treasurer's directions may also require, authorise or permit a GSF agency holding trust money to use a particular banking service or other financial service provided under a State financial service agreement in respect of the trust money unless it is expressly forbidden by the trust instrument, if any, for the trust.
- (7) The provisions of section 6.3 apply to trust money held by a GSF agency in accordance with the Treasurer's directions in the same way as they apply to the investment of trust money by trustees in government issued investments.
- (8) The accountable authority for a GSF agency is responsible for ensuring that the agency complies with any Treasurer's directions given for the purposes of this section.
- (9) Subject to the Treasurer's directions, a GSF agency may enter (and is authorised by this section to enter) into agreements and other arrangements with a provider of financial services under a State financial service agreement concerning the provision of a financial service to the agency under the State financial service agreement.
- (10) Nothing in this section (except subsection (6)) limits the power of the Treasurer to give Treasurer's directions.

6.16 Treasurer may access certain information of GSF agencies about financial services

The Treasurer, or a person nominated by the Treasurer, is authorised to access (or require access to) any information of the GSF agency (including banking information) concerning the agency's use of the financial services provided under a State financial service agreement.

6.17 Guarantees and indemnities concerning money in banking accounts under State

financial service agreement

- (1) The Treasurer may, on behalf of the State, guarantee to the holder of a banking account the repayment of money in the account if—
 - (a) the banking account is continued, established or operated under a State financial service agreement, and
 - (b) the holder—
 - (i) has been directed under this Division to use the account, or
 - (ii) uses the account with the Treasurer’s approval even though the holder is not required to do so.
- (2) The Treasurer may, on behalf of the State or GSF agencies, give guarantees and indemnities in connection with banking account structuring under a State financial service agreement.
- (3) Anything done by the Treasurer under subsection (2) in relation to a banking account has the same effect in law as if it had been done by the holder of the account.

6.18 Treasurer may operate banking accounts

- (1) The Treasurer is authorised, on behalf of a GSF agency, to open or close banking accounts of the agency or conduct banking account structuring involving those accounts.
- (2) The Treasurer is also authorised to open, close or operate banking accounts of the State or conduct banking account structuring involving those accounts.
- (3) The Treasurer must consult the accountable authority for a GSF agency before closing any of its banking accounts.
- (4) Anything done by the Treasurer under this section in relation to a banking account has the same effect in law as if it had been done by the holder of the account.
- (5) This section does not—
 - (a) limit or prevent the accountable authority for a GSF agency from opening, closing or operating banking accounts as provided by section 6.19, or
 - (b) authorise the Treasurer to spend the money in the banking account or to use it for a purpose that the agency is not authorised by law to spend or use it on.

6.19 Accountable authority may operate banking accounts

The accountable authority for a GSF agency may, in accordance with any requirements of the Treasurer’s directions, open, close or operate banking accounts of the agency (whether provided under a State financial service agreement or otherwise).

6.20 GSF agencies to give written consent for access to banking accounts

- (1) The Treasurer may require a GSF agency that holds a banking account to give the Treasurer, or a person nominated by the Treasurer, written consent for any of the following if the entity with which the account is held requests the consent—
 - (a) to access banking information of the GSF agency,
 - (b) for an account provided under a State financial service agreement—to open or close the account or conduct banking account structuring involving the account.
- (2) The accountable authority for the GSF agency must comply with a requirement under subsection (1).
- (3) This section does not authorise the Treasurer to request consent to spend the money in the account or use it for a purpose that the agency is not authorised by law to spend or use it on.

Division 6.4 Financial arrangements

6.21 Treasurer may enter financial arrangements for State and GSF agencies

- (1) The Treasurer may enter into financial arrangements for or on behalf of—
 - (a) the State, or
 - (b) one or more GSF agencies (including those without power to enter the arrangements directly).
- (2) Without limiting subsection (1), the Treasurer may do any of the following (whether or not under a financial arrangement or other arrangement)—
 - (a) repay debts of the State or GSF agencies,
 - (b) loan money to GSF agencies,
 - (c) invest money forming part of the Consolidated Fund or held in an SDA account or statutory special purpose fund (including by depositing that money in one or more banking accounts) if a GSF agency is not authorised to invest the money.

Note—

Section 6.14 (8)-(11) also authorise the Treasurer to include any money held in an SDA account or statutory special purpose fund in banking account structuring under a State financial service agreement. The depositing of the money in the banking account structuring is taken to be an investment of the money for the purposes of this Act even if the use of the money does not directly generate interest for payment into the SDA account or statutory special purpose fund.

- (3) The Treasurer may enter a financial arrangement or other arrangements under this section on any terms and conditions that the Treasurer considers appropriate.

- (4) To avoid doubt, the Treasurer's power to enter financial arrangements or other arrangements under this section for loaning money to GSF agencies extends to providing loans in the future if and when required.
- (5) If the Treasurer repays debts of the State or GSF agencies under this section, the Treasurer is taken to have been given an appropriation out of the Consolidated Fund under the authority of this section at the time the debts are paid for the amount of the debts paid.
- (6) This section does not—
 - (a) authorise the Treasurer to enter into financial arrangements in respect of money forming part of the Consolidated Fund, or held in an SDA account or statutory special purpose fund, if a GSF agency is authorised to enter into financial arrangements of the same kind in respect of that money (whether under this Part or another law), or
 - (b) except as authorised by section 6.14 (8)–(11)—authorise the Treasurer to spend or pay out money held in an SDA account or statutory special purpose fund for a purpose that is not authorised under the authority that is applicable to the constitution of the account or fund, or
 - (c) limit the powers of the Treasurer under Division 6.3.

Note—

Section 4.6 (3) extends to money forming part of the Consolidated Fund or held in an SDA account deposited or invested under the authority of this section.

6.22 Financial arrangements for GSF agencies

- (1) **When financial arrangements can be entered** A GSF agency is permitted to enter into a financial arrangement for the agency only if—
 - (a) the arrangement for the agency is authorised, and
 - (b) the terms and conditions of the authorisation are complied with.
- (2) A financial arrangement for a GSF agency is **authorised** if—
 - (a) a provision of this Act, the regulations or the Treasurer's directions requires or permits the arrangement (or the kind of arrangement), or
 - (b) the arrangement (or the kind of arrangement) is required or permitted under a financial arrangement approval.
- (3) **Persons who can enter financial arrangements for GSF agency** Without limiting section 6.2, the accountable authority for a GSF agency may enter into a financial arrangement for or on behalf of the agency that the agency is authorised to enter into

and has all of the functions of the agency for that purpose (including under subsection (5)).

- (4) The New South Wales Treasury Corporation may enter into derivative arrangements for or on behalf of a GSF agency as provided by section 6.25 and has all of the functions of the agency for that purpose (including under subsection (5)).
- (5) **Powers to enter financial arrangements** To avoid doubt, a GSF agency may do all things that are necessary or convenient to be done in connection with entering into authorised financial arrangements for the agency, including (without limitation) doing the following—
- (a) entering into any contract, agreement or other transaction,
 - (b) incurring any obligations under a contract, agreement or other transaction,
 - (c) making any payment (including in advance) under a contract, agreement or other transaction,
 - (d) providing or making any covenants or promises (including absolute and unconditional ones),
 - (e) using a controlled entity of the GSF agency to do things the GSF agency can do under this Act,
 - (f) in addition, for a joint financing arrangement—
 - (i) delegating any function of the GSF agency to a participant in the arrangement, and
 - (ii) agreeing to the exercise of any function of the GSF agency by a participant in the arrangement, and
 - (iii) agreeing not to exercise any function of the GSF agency to the extent that an agreement for its exercise by a participant in the arrangement is in force,
 - (g) exercising any other functions specified in a financial arrangement approval.
- (6) **Exercise of powers under joint financing arrangements by parties that are not GSF agencies** Despite the provisions of any other law, a party to a joint financing arrangement that is not a GSF agency may exercise any function of the GSF agency (in accordance with the joint financing arrangement and in accordance with any financial arrangement approval for the arrangement) as if the party were a GSF agency.
- (7) **Protection for parties that are not GSF agencies** An entity that is a party to a financial arrangement for a GSF agency is not bound to inquire into the application of anything provided under the arrangement and is not responsible for any non-application or

misapplication of anything provided.

- (8) **Role of accountable authority for agency** The accountable authority for a GSF agency—
- (a) is responsible for administering the financial arrangements for the agency (including those entered into by the Treasurer for or on behalf of the agency), and
 - (b) must keep records, in accordance with any requirements of the Treasurer's directions, in respect of the financial arrangements for the agency (including any financial arrangement approvals for them).
- (9) **Relationship with other laws** This section does not—
- (a) authorise or permit a financial arrangement to be entered into for a GSF agency if other legislation expressly prohibits the agency from entering into that arrangement (or arrangements of that kind), or
 - (b) limit any power of the Treasurer to enter financial arrangements for or on behalf of a GSF agency.

6.23 Financial arrangement approvals

- (1) The Treasurer may give written approval (a **financial arrangement approval**) for a GSF agency to enter into a financial arrangement.
- (2) The Treasurer may give a financial arrangement approval on the Treasurer's own initiative or on an application.
- (3) However, the Treasurer may give a financial arrangement approval for a joint financing arrangement only on the recommendation of the responsible Minister for the GSF agency concerned.
- (4) A financial arrangement approval—
 - (a) may do any one or more of the following—
 - (i) apply to a specified financial arrangement or arrangements of a specified kind,
 - (ii) apply generally or be limited in its application by reference to one or more specified circumstances, factors or exceptions,
 - (iii) authorise any matter or thing to be from time to time determined, applied or regulated by any specified person or body, and
 - (b) is subject to any terms and conditions specified in the approval.
- (5) A financial arrangement approval given for a joint financing arrangement that is (or forms part of) a joint venture arrangement also operates as an approval for the joint venture arrangement unless the approval provides differently.

- (6) A financial arrangement approval given to a GSF agency that is a principal entity in relation to a joint financing arrangement also operates as an approval in relation to any GSF agencies that are secondary entities in relation to the arrangement.
- (7) The Treasurer may, by a written notice, revoke or vary a financial arrangement approval.
- (8) However, the revocation or variation of a financial arrangement approval—
 - (a) applies only from the time it takes effect, and
 - (b) does not affect the validity of any arrangement entered into before the revocation or variation takes effect.
- (9) A written notice revoking or varying a financial arrangement approval may contain provisions of a savings or transitional nature consequent on the revocation or variation of the approval.
- (10) A financial arrangement approval for a financial arrangement for a GSF agency is conclusive evidence that anything done by the agency in accordance with the approval is authorised by this Act.
- (11) An application for the exercise of a function under this section is to be made in accordance with any requirements specified in the Treasurer's directions (including any requirements concerning who can apply and the circumstances when an application can be made).

6.24 Borrowings to be obtained from New South Wales Treasury Corporation

- (1) Despite any other provisions of this Act, borrowings for GSF agencies must be obtained from the New South Wales Treasury Corporation except if—
 - (a) the New South Wales Treasury Corporation does not provide borrowings of the kind concerned, or
 - (b) the borrowings are obtained by the New South Wales Treasury Corporation or the Treasurer (including when they are obtained for or on behalf of the State or GSF agencies), or
 - (c) the borrowings are obtained in accordance with an approval given under this section.
- (2) To avoid doubt, the New South Wales Treasury Corporation is permitted, without the need for a further financial arrangements approval or other authorisation, to obtain borrowings for a GSF agency that the agency is authorised to obtain.
- (3) The Treasurer may give written approval for borrowings of a specified kind to be obtained from specified entities.

- (4) The Treasurer may, by a written notice, revoke or vary an approval for a borrowing.

6.25 Derivative arrangements by New South Wales Treasury Corporation

- (1) The New South Wales Treasury Corporation is permitted—
- (a) to enter into derivative arrangements for or on behalf of the State for the purpose of managing the State's financial risks, and
 - (b) to enter into a derivative arrangement for or on behalf of a GSF agency if the arrangement is authorised, and
 - (c) to enter into derivative arrangements for or on behalf of a GSF agency for the purposes of managing the funds, balance sheets or financial risks of the agency.

Note—

This section operates to authorise these kinds of derivative arrangements without the need for a financial arrangement approval. See section 6.22 (2) (a).

- (2) The Treasurer's directions and the regulations may make provision for or with respect to the kinds of derivative arrangements that the New South Wales Treasury Corporation is permitted to enter into under the authority of this section.

Division 6.5 Guarantees for financial arrangements

6.26 Mandatory statutory guarantee of certain borrowings repayments

- (1) The State guarantees the repayment of borrowings (including interest and other charges relating to them) of a GSF agency when due if they were obtained under the authority of a financial arrangement approval.
- (2) The guarantee extends to borrowings obtained from the New South Wales Treasury Corporation.
- (3) Unless obtained from the New South Wales Treasury Corporation, the guarantee does not extend to borrowings obtained for a State owned corporation except to the extent that the board of the corporation and its voting shareholders agree in writing in accordance with section 16 or 20U of the [State Owned Corporations Act 1989](#).
- (4) The guarantee does not apply in relation to—
- (a) any borrowings of GSF agencies that are GSF agencies because of the operation of section 2.4 (2) (which relates to controlled entities) except to the extent that the regulations provide for the guarantee to apply, or
 - (b) any borrowings or GSF agencies (or borrowings or GSF agencies of a kind) prescribed by the regulations.

6.27 Discretionary guarantees

- (1) The State may guarantee the due performance by a GSF agency of any obligations incurred by the agency as a result of or in connection with the agency entering into any financial arrangement (whenever entered) as authorised by this Act.
- (2) The form of the performance guarantee (including its terms and conditions) are to be determined by the Treasurer. Without limitation, the Treasurer may determine different forms for different guarantees.
- (3) The Treasurer may act on behalf of the State for the purposes of giving a guarantee under this section and the Treasurer (or a person appointed by the Treasurer) may execute any relevant document relating to the guarantee.
- (4) The regulations may make provision for or with respect to the kinds of guarantees that may, or may not, be given under this section.

6.28 Statutory charge on income or revenue for payments under certain financial arrangements

- (1) Payments or repayments that are due under a borrowing or derivative arrangement for a GSF agency (including interest and other charges due under the borrowing or derivative arrangement) operate as charges on the income and revenue of the agency regardless of its source.
- (2) However, a charge imposed by this section on the income and revenue of a GSF agency does not operate to prevent the agency from dealing, in the ordinary course of the exercise of its functions, with its income and revenue free of the charge.

6.29 Guarantee fees for certain guaranteed payments

- (1) The Treasurer's directions may make provision for or with respect to fees (**guarantee fees**) payable by GSF agencies for guarantees provided by or under this Act in respect of their obligations under financial arrangements.
- (2) A GSF agency must pay any guarantee fees that the agency is liable to pay in accordance with the Treasurer's directions.
- (3) Any guarantee fee payment made under this section is to be paid or repaid to the Treasurer to the credit of the Consolidated Fund.

6.30 Priorities of obligations under certain financial arrangements and guarantees

- (1) All obligations of a GSF agency to make payments or repayments under a borrowing or derivative arrangement for the agency if the repayment or payment is secured on the income and revenue of the agency (whether or not under this Act) rank equally without preference by reason of priority of date or for any other reason.

- (2) All obligations of the State under a guarantee under this Act rank equally without preference with all other outstanding obligations of the State.

6.31 Payments by Government for certain financial arrangements if GSF agency prevented

- (1) The State may, in relation to any borrowing or derivative arrangement for a GSF agency, agree to make a payment under the borrowing or derivative arrangement even though the agency may be prevented from doing so by law.
- (2) The Treasurer may act on behalf of the State for the purposes of entering an agreement under this section and the Treasurer (or a person appointed by the Treasurer) may execute any relevant document relating to the agreement.

6.32 Recovery of money paid under guarantee

- (1) If a GSF agency receives an amount under a guarantee provided by or under this Part, the agency is liable to repay that amount to the Treasurer to the credit of the Consolidated Fund.
- (2) The amount is payable in a lump sum or in instalments, at the time or times, and with the interest, as determined by the Treasurer after consultation with the responsible Minister for the agency.

6.33 Appropriations for liabilities under Division

Any liability of the Treasurer or the State under this Division, or arising out of any action taken under this Division, is to be discharged out of the Consolidated Fund without any further appropriation than this section.

Division 6.6 Funds managers

6.34 New South Wales Treasury Corporation may act as and engage funds manager

- (1) The New South Wales Treasury Corporation may act as a funds manager for GSF agencies in relation to financial arrangements they enter under this Part.
- (2) The New South Wales Treasury Corporation may also engage other entities to be funds managers in relation to the management of its own financial arrangements or those of GSF agencies for which the Corporation is the funds manager.

6.35 Funds managers for GSF agencies

- (1) A GSF agency that wishes to engage a funds manager in relation to the management of some or all of its financial arrangements must engage the New South Wales Treasury Corporation to do so except if the Treasurer gives written approval under this section for another entity to act as the funds manager.
- (2) The Treasurer may give written approval (a ***funds manager approval***) for a GSF

agency to engage an entity other than the New South Wales Treasury Corporation to act as a funds manager in relation to the management of some or all of its financial arrangements.

- (3) A funds manager approval may be given only on the recommendation of the responsible Minister for the GSF agency.
- (4) A funds manager approval is subject to any terms and conditions—
 - (a) specified in the approval or the Treasurer's directions, or
 - (b) prescribed by the regulations.
- (5) A funds manager approval may be revoked or varied by the Treasurer by a written notice given to the GSF agency.

6.36 Functions of funds managers

- (1) A GSF agency that is engaged to act as a funds manager under this Division has (and is authorised to exercise) the functions of a funds manager under this Division despite any other law.

Note—

The functions of a fund manager conferred by this section are delegable functions under Division 9.2.

- (2) A funds manager that a GSF agency has engaged under this Division may do any of the following on behalf of the GSF agency—
 - (a) invest (subject to the Treasurer's directions, the regulations and the terms and conditions of a funds manager approval) money held by the GSF agency under management in any investment in which the funds manager is authorised to invest its own money or other money,
 - (b) exercise any functions in relation to the management of the financial arrangements of the GSF agency that the funds manager manages as may be required or permitted by or under the Treasurer's directions or the regulations in accordance with those directions or regulations.
- (3) Without limiting section 6.35 (4) or subsection (2), the Treasurer's directions and regulations may make provision for or with respect to—
 - (a) terms and conditions for funds manager approvals, and
 - (b) kinds of investments that can or cannot be made by funds managers who are engaged to manage investments of GSF agencies, and
 - (c) entities (or kinds of entities) in respect of which funds manager approvals can or cannot be given.

6.37 Effect of Division on New South Wales Treasury Corporation

Nothing in this Division limits any services the New South Wales Treasury Corporation is permitted to provide under any other Act to entities.

Part 7 Reporting

Division 7.1 Interpretation

7.1 Application and objects of Part

- (1) The provisions of this Part apply in addition to, and without limiting, any other reporting requirements that an entity may have under other legislation (including legislation of the Commonwealth).
- (2) The objects of this Part are—
 - (a) to promote transparency and accountability with respect to the reporting of certain financial and other information concerning the State, GSF agencies and reporting GSF agencies, and
 - (b) to facilitate the use of that information by its users (whether within or outside the government sector) to make informed decisions.
- (3) The following modifications have effect in relation to this Part in its application to the Audit Office as a GSF agency—
 - (a) the financial statements or reports prepared for the Audit Office under this Part that require auditing are to be given to and audited by the auditor appointed under section 47 of the *Government Sector Audit Act 1983* in accordance with section 48 of that Act instead of being given to and audited by the Auditor-General,
 - (b) the Auditor General (and not a Minister) is to cause any document relating to the Audit Office that is permitted or required to be tabled in Parliament under this Part to be presented to the Clerks of both Houses of Parliament and section 9.12 is taken to apply to the presented document regardless of whether or not the House concerned is sitting.

Note—

This Part (subject to subsection (1) and sections 7.4 and 7.10) is a paramount provision of this Act. Section 1.8 requires a person or other entity to whom a paramount provision applies to comply with the provision (including any regulations made for the purposes of that provision) even if it may result in a non-criminal contravention of other legislation. It also provides that compliance does not result in any civil liability and displaces the operation of the *Corporations Act 2001* of the Commonwealth to enable compliance.

7.2 Definitions

In this Part—

accountable authority for a former reporting GSF agency means—

- (a) for an entity that has not also ceased to be a GSF agency—the accountable authority for the GSF agency, or
- (b) for an entity that has also ceased to be a GSF agency—
 - (i) if the entity has not become part of another GSF agency—the accountable authority for the GSF agency immediately before it ceased to be a GSF agency, or
 - (ii) if the entity has become part of another GSF agency—the accountable authority for that other GSF agency, or
 - (iii) any other entity given a written direction by the Treasurer to exercise the functions of the accountable authority for the entity.

former reporting GSF agency means a GSF agency that has ceased to be a reporting GSF agency (whether because it has been abolished or dissolved or for any other reason).

7.3 Reporting GSF agencies and prescribed reporting exemption criteria

- (1) A **reporting GSF agency** is any GSF agency.
- (2) However, a reporting GSF agency does not include any GSF agency of a kind prescribed by the regulations not to be a reporting GSF agency.
- (3) The Treasurer is not to recommend the making of a regulation for the purposes of subsection (2) unless the Treasurer certifies that the Treasurer has had regard to the prescribed reporting exemption criteria in determining whether a GSF agency (or GSF agency of a kind) to which the regulation relates should be excluded from the definition of **reporting GSF agency**.
- (4) The **prescribed reporting exemption criteria** are criteria prescribed by the regulations for use in determining—
 - (a) whether kinds of GSF agencies should be excluded from the definition of **reporting GSF agency**, or
 - (b) whether kinds of former reporting GSF agencies should be exempted from preparing final annual GSF financial statements for the purposes of section 7.7, or
 - (c) whether kinds of former reporting GSF agencies should be exempted from preparing final annual reporting information for the purposes of section 7.14, or
 - (d) whether kinds of SDA accounts should be exempted from the operation of section 7.8.
- (5) The Treasurer must consult the Auditor-General in accordance with section 3.5 about any proposed provisions in the regulations or Treasurer’s directions for the purposes of

this section.

Division 7.2 Financial reporting

7.4 Application of Division

- (1) This Division extends to universities and their controlled entities (which are to be treated as both GSF agencies and reporting GSF agencies for the purposes of this Division).

Note—

Section 9.11 enables the delegation of functions conferred or imposed on the accountable authority for a university and its controlled entities as well as by accountable authorities for GSF agencies.

- (2) Financial statements and reports under this Division of 2 or more agencies may be consolidated in a way that conforms with the Australian Accounting Standards concerning the preparation and presentation of financial statements and reports by entities like those agencies.

7.5 Accounts and records of GSF agencies

- (1) The accountable authority for a GSF agency must ensure that accounts and records are kept for the agency that—
 - (a) properly record and explain the agency's transactions, cash flows, financial position and financial performance, and
 - (b) allow for the preparation and audit of financial statements or financial reports.

Note—

See also section 7.9 on special purpose financial reports.

- (2) The Treasurer and the responsible Minister for the GSF agency (or a person authorised by either of them) are entitled to full and free access to the accounts and records kept under this section, subject to any law that prohibits disclosure of particular information.

7.6 Annual GSF financial statements

- (1) The accountable authority for a reporting GSF agency must—
 - (a) cause financial statements (***annual GSF financial statements***) to be prepared for the annual reporting period for the agency, and
 - (b) give those statements after they are prepared to the Auditor-General for auditing.

Note—

See also section 7.9 on special purpose financial reports.

- (2) Annual GSF financial statements must be prepared and given to the Auditor-General within the period specified by the Treasurer's directions following the end of the annual reporting period concerned to enable the Auditor-General to audit them.

Note—

Section 34 of the *Government Sector Audit Act 1983* provides for the preparation of audit reports by the Auditor-General for the purposes of this Act.

- (3) The annual GSF financial statements must be—
- (a) prepared in accordance with the Australian Accounting Standards and any other requirements specified by this Act, the regulations or the Treasurer's directions, and
 - (b) present fairly the agency's financial position, financial performance and cash flows.
- (4) The annual GSF financial statements must include a statement by the accountable authority as to whether the statements comply with subsection (3).
- (5) A copy of both the annual GSF financial statements and the audit report for them must be—
- (a) for a reporting GSF agency that is required under Division 7.3 to prepare annual reporting information for the period concerned—included in the annual reporting information tabled in Parliament for that period, or
 - (b) for any other reporting GSF agency—
 - (i) tabled by the responsible Minister for the agency in each House of Parliament as soon as practicable (but no later than within 5 months or any other period prescribed by the regulations) after the audit report is provided by the Auditor-General, and
 - (ii) made publicly available by the accountable authority for the agency after it is tabled in the form or forms required by the regulations or the Treasurer's directions.
- (6) The Treasurer must consult the Auditor-General in accordance with section 3.5 about any proposed provisions in the regulations or Treasurer's directions for the purposes of this section.

Note—

Nothing in this section prevents GSF agencies from providing draft annual GSF financial statements to the Auditor-General before providing the final statements.

7.7 Final annual GSF financial statements for former reporting GSF agencies

- (1) The accountable authority for a former reporting GSF agency must cause annual GSF

financial statements (**final annual GSF financial statements**) to be prepared for—

- (a) the part of the annual reporting period of the agency before it ceased to be a reporting GSF agency, and
 - (b) if annual GSF financial statements have not been prepared for any previous annual reporting period of the agency—that previous period.
- (2) Except as directed by the Treasurer (and subject to subsection (3)), final annual GSF financial statements must be prepared, given, audited and published in the same way as would have been required if the former reporting GSF agency had not ceased to be a reporting GSF agency.
- (3) A copy of final annual GSF financial statements and the audit report for them must be—
- (a) for a former reporting GSF agency that is required under Division 7.3 to prepare annual reporting information for the period concerned—included in the annual reporting information tabled in Parliament for that period, or
 - (b) for any other former reporting GSF agency—tabled by the responsible Minister for the agency in each House of Parliament after the audit report is provided by the Auditor-General.
- (4) Without limiting subsection (2), the Treasurer may give directions as to the following—
- (a) exempting a former reporting GSF agency (or former reporting GSF agencies of a kind) from preparing final annual GSF financial statements,
 - (b) modifying requirements for the preparation, giving or auditing of final annual GSF financial statements.
- (5) The Treasurer is to have regard to the prescribed reporting exemption criteria in determining whether to give a direction that a former reporting GSF agency should be exempted from preparing final annual GSF financial statements.
