Part 2 Qualifications and liability for jury service

5 Persons qualified and liable to serve as jurors

Subject to this Act, every person who is enrolled as an elector for the Legislative Assembly of New South Wales is qualified and liable to serve as a juror.

6 Persons excluded from jury service

A person is not qualified or liable to serve as a juror during any period that the person is excluded from jury service by Schedule 1.

7 Persons entitled to be exempted from serving as jurors

A person referred to in Schedule 2 is entitled as of right to be exempted from serving as a juror if that person claims exemption in accordance with this Act.

Note—

Section 14 deals with the making of claims for exemptions under Schedule 2 and provides for the granting of other exemptions from jury service.

8 Amendment of Schedule 1 or 2

The regulations may amend Schedule 1 or 2 by adding any matter to, deleting any matter from or altering any matter in the Schedule.

Part 3 Jury districts and jury rolls

9 Jury districts

- (1) There shall be a jury district for each place appointed for sittings of the Supreme Court or the District Court for the trial of any criminal or civil proceedings.
- (2) A jury district is to comprise such electoral districts or parts of electoral districts as may be determined and notified by the sheriff from time to time in accordance with the regulations.
- (3) The regulations may make provision for or with respect to the determination and notification of jury districts.

10 Sheriff to maintain jury rolls

The sheriff must maintain a jury roll for each jury district in accordance with this Part.

11 Electoral Commissioner to deliver copies of electoral rolls to sheriff

- (1) The Electoral Commissioner shall, upon request made by the sheriff, deliver to the sheriff the latest available copies of the rolls of electors for such electoral districts as the sheriff may require for the purpose of preparing jury rolls.
- (2) Such a request is to be made at least once every 15 months for each jury district.

12 Random selection of prospective jurors

- (1) At intervals of not more than 12 months, the sheriff is to select a number of persons at random from the entries in the latest copies of rolls of electors supplied to the sheriff that relate to each jury district. Persons who are for the time being on the jury

roll for the district are excluded from selection.

- (2) The number of persons selected must be estimated by the sheriff as sufficient to provide, in accordance with the scheme for selection of jurors provided by this Part, the number of persons required to serve from time to time as jurors in the jury district.
- (3) The estimate is to allow for persons who are excluded from jury service and for persons who will duly claim exemption from jury service.
- (4) The particulars of persons who have been selected under this section pursuant to the same estimate comprise a supplementary jury roll for the district in which those persons reside until particulars on the supplementary roll are added to the jury roll for the district.
- (5) A computer may be used to make a selection under this section.

13 Persons included on supplementary jury roll to be notified

- (1) The sheriff must send to each person whose name is included on a supplementary jury roll for a district, and who does not appear to the sheriff to be excluded or exempt from jury service, a notice—
 - (a) informing the person that it is proposed to include the person on the jury roll, and
 - (b) describing the classes of persons who are excluded from jury service by Schedule 1 and who are entitled as of right to be exempted from jury service under Schedule 2, and
 - (c) informing the person that a claim for permanent exemption may be made on the grounds referred to in section 14 (2) or a claim for exemption on showing good cause may be made under section 14 (3), and
 - (d) containing a questionnaire that is required to be completed by the person if—
 - (i) the person is excluded from jury service or claims exemption from jury service, or
 - (ii) the particulars of the person appearing on the questionnaire have changed, or
 - (iii) the person is otherwise required by the sheriff in the notice to complete the questionnaire, and
 - (e) requiring the person, if required to complete the questionnaire, to complete it and return it to the sheriff, within the time specified in the notice.
- (2) Without limiting the matters that may be included in any such questionnaire, it may include questions as to whether the person has a physical disability that would require some form of assistance or aid to be rendered to the person to enable the person to discharge the duties of a juror.

14 Claims for exclusion or exemption from jury service made to sheriff

- (1) A person may claim to be excluded from jury service by Schedule 1 or exempted from jury service as of right under Schedule 2.
- (2) A person may request the sheriff to exempt him or her permanently from jury service because the person suffers from a permanent mental or physical impairment that results in jury service being incompatible with the person's good health or that otherwise renders the person unable to perform jury service.
- (3) A person may request the sheriff to exempt him or her from jury service for the whole or part of any period during which the person may be summoned for jury service by showing good cause for the exemption.

Note—

Section 14A generally defines what constitutes good cause for the purposes of an exemption.

- (4) The sheriff may exempt a person from jury service whether or not on the request of the person if the sheriff is of the opinion that there is good cause for the exemption.
- (5) A claim or request to be excluded or exempted from jury service may be made—
 - (a) in response to a notice sent to the person under section 13, or
 - (b) by application made in writing to the sheriff and in a form approved by the sheriff.
- (6) A person who has been summoned to attend at a trial or coronial inquest may not be excluded or exempted from jury service under this section after the commencement of the trial or inquest.

Note—

Section 38 enables a person summoned to attend at a court or coronial inquest to be excused from attending by the court or coroner concerned.

- (7) If a person claims or requests to be excluded or exempted from jury service in accordance with this section and the sheriff determines that the person is not excluded or exempted, the sheriff must notify the person in writing of the sheriff's determination and of the person's right to appeal to the Local Court against the determination.

14A What constitutes good cause for the purposes of an exemption from jury service

For the purposes of this Act, a person has good cause to be exempted or excused from jury service if—

- (a) jury service would cause undue hardship or serious inconvenience to the person, the person's family or the public, or
- (b) some disability associated with that person would render him or her, without reasonable accommodation, unsuitable for or incapable of effectively serving as a

juror, or

- (c) a conflict of interest or some other knowledge, acquaintance or friendship exists that may result in the perception of a lack of impartiality in the juror, or
- (d) there is some other reason that would affect the person's ability to perform the functions of a juror.

14B Deferral of jury service

- (1) A person who is required by summons to attend for jury service may apply in writing to the sheriff for deferral of jury service to a later time within the period during which the person may be summoned to attend for jury service.
- (2) On receiving the application, the sheriff may defer the person's jury service to a later time within that period.
- (3) If the sheriff decides to refuse the application, the sheriff must inform the applicant in writing of the decision.
- (4) The sheriff may not defer the jury service of a person who has been summoned to attend at a trial or coronial inquest if the trial or inquest has commenced.

14C Sheriff may require information and verification of information

- (1) The sheriff may require a person who claims or requests to be excluded or exempted from jury service, or applies for deferral of jury service, to provide evidence to the satisfaction of the sheriff to support the claim, request or application.
- (2) The sheriff may require any of the following information to be verified by statutory declaration—
 - (a) information given in a questionnaire under section 13,
 - (b) information provided to the sheriff for the purpose of determining whether or not a person is excluded or is to be exempted from jury service,
 - (c) information provided to the sheriff for the purpose of determining whether or not a person's jury service should be deferred.
- (3) Proceedings may be taken for an offence against this Act or the [Oaths Act 1900](#) for providing false or misleading information to the sheriff that is required to be verified by statutory declaration. However, a person is not liable to be convicted of an offence under both Acts in relation to the provision of the same information.

14D Sheriff to amend supplementary jury roll and jury roll to delete persons excluded or exempt from jury service

The sheriff is to amend a supplementary jury roll or jury roll—

- (a) by deleting the name and particulars of a person if—
 - (i) the sheriff determines that the person is excluded from jury service, or
 - (ii) the person has claimed exemption in accordance with this Act and has been exempted from jury service for the whole of the period during which the person may otherwise be summoned to attend for jury service, or
 - (iii) the person is dead or no longer resides in the jury district to which the roll relates,
or
- (b) to indicate that a person on the roll has been exempted from jury service for part of the period during which the person may be summoned to attend for jury service, or
- (c) to indicate that the jury service of a person on the roll has been deferred to a specified date in the period during which the person may be summoned to attend for jury service, or
- (d) to correct the particulars relating to any person on the roll.

15 Appeal against being included on jury roll or being summoned from supplementary jury roll

- (1) A person aggrieved by a determination of the sheriff notified to the person under section 14 may appeal to the Local Court by lodging a notice of appeal with the registrar of that court within 21 days after being so notified.
- (2) However, if the person is summoned to attend for jury service on a day occurring before those 21 days have expired and before the notice of appeal is lodged, the appeal is instead to be made (as specified in a notice attached to the summons)—
 - (a) to the judge or coroner having the conduct of the trial or coronial inquest concerned, or
 - (b) to such other judge or coroner, or to such associate Judge, magistrate or registrar of a court, as may be specified in the notice.
- (3) The court or person to whom an appeal is made under this section must hear and determine the appeal.
- (4) The court or person to whom the appeal is made must allow the appeal and order the sheriff to amend the jury roll or supplementary jury roll appropriately if satisfied that the appellant—
 - (a) is excluded from jury service, or
 - (b) is entitled as of right to be exempted from jury service under Schedule 2 and has duly claimed exemption, or

(c) should be exempted from jury service on a ground referred to in section 14 (2) or (3).

- (5) If the court or person to whom the appeal is made is satisfied that the appellant, having been summoned for jury service, has good cause to be excused from attending at the relevant court or inquest, the court or person must excuse the appellant from attendance.
- (6) In any case not covered by subsection (4) or (5), the court or person to whom the appeal is made must disallow the appeal.
- (7) A decision under this section is final and conclusive and is to be given effect by the sheriff.
- (8) A person who has lodged an appeal under this section that has not been heard and determined is taken, for the purposes of section 38, to have good cause to be excused from attending at a court or coronial inquest in accordance with a summons.

15A Periodic updating of jury roll

- (1) The sheriff must supplement the jury roll for a jury district by adding to the roll particulars of each person who has been included on a supplementary jury roll for the district and who is not deleted from the supplementary roll by the sheriff under section 14D or pursuant to an order of a court or person under section 15.
- (2) The sheriff must cull from the jury roll for the time being in force for a district particulars of each person who has been included on the roll for 15 months (or such other period, not exceeding 2 years, as may be fixed by the regulations).

16 Current jury roll to be certified by sheriff

- (1) The sheriff must, immediately after supplementing or culling names from the jury roll for a district in accordance with section 15A, certify a list of persons as the jury roll in force for the time being for the jury district.
- (2) A jury roll may be certified by the sheriff under this section even though an appeal lodged under section 15 by a person on the roll has not been determined. However, the sheriff must amend the roll as soon as is practicable if the appeal is determined so as to require removal of the person from the roll.
- (3) The particulars on a jury roll relating to any person shall be the particulars relating to that person appearing on the copy of the roll of electors for the electoral district from which that person was selected under section 12.
- (4) The jury roll certified under this section for a jury district remains in force until a new jury roll for the district is certified, even if there is an alteration in the boundaries of the jury district before the new jury roll is certified.

17 Records of jury rolls and supplementary jury rolls

- (1) The sheriff must keep among the records of the sheriff's office the jury roll last certified for each jury district and any supplementary jury roll being used to revise a jury roll.
- (2) The sheriff must produce such a roll or supplementary roll (or a certified copy of it) in any court or at any coronial inquest if required to do so or forward a certified copy of the roll or supplementary roll to an officer of a court if it is required for production in that court or at that inquest.

18, 18A (Repealed)

Part 4 Trial by jury

19 Numbers of jurors in criminal proceedings

- (1) Except as provided by section 22, in any criminal proceedings in the Supreme Court or the District Court that are to be tried by jury, the jury is to consist of—
 - (a) 12 persons, or
 - (b) if the Court makes an order under subsection (2) for the selection of additional jurors—12 persons together with the number of additional jurors ordered by the Court,

returned and selected in accordance with this Act.

Note—

If a jury is constituted by more than 12 jurors immediately before it retires to consider its verdict, section 55G provides that only 12 of those jurors may retire to consider the jury's verdict in the proceedings.

- (2) Before a jury is selected in criminal proceedings in the Supreme Court or the District Court, the Court may order that up to 3 additional jurors be selected for the jury if the Court is satisfied that—
 - (a) the trial of the proceedings is of a kind prescribed by the regulations for the purposes of this subsection, and
 - (b) the selection of the additional jurors is an appropriate means of ensuring that there will be sufficient jurors remaining on the jury when the jury is required to consider its verdict, and
 - (c) appropriate facilities to accommodate the additional jurors are available.
- (3) Until regulations for the purposes of subsection (2) provide otherwise, a trial of proceedings the duration of which is likely to be more than 3 months is taken to be a trial of proceedings of a kind prescribed by the regulations for the purposes of that subsection.

20 Number of jurors in civil proceedings

- (1) Except as provided by section 22 and subject to subsection (2), where civil proceedings in the Supreme Court or the District Court are to be tried with a jury, the jury shall consist of 4 persons returned and selected in accordance with this Act.
- (2) The Supreme Court may, upon application by any party to civil proceedings to be tried in the Supreme Court with a jury made at any time after the pleadings in those proceedings are closed, order that the jury shall, except as provided by section 22, consist of 12 persons.

21 Number of jurors in coronial inquests

Except as provided by section 22, the jury in any coronial inquest shall consist of 6 persons returned and selected in accordance with this Act.

22 Continuation of trial or inquest on death or discharge of juror

Where in the course of any trial or coronial inquest any member of the jury dies or is discharged by the court or coroner under Part 7A, the jury shall be considered as remaining for all the purposes of that trial or inquest properly constituted if—

- (a) in the case of criminal proceedings, the number of its members—
 - (i) is not reduced below 10,
 - (ii) is reduced below 10 but approval in writing is given to the reduced number of jurors by or on behalf of both the person prosecuting for the Crown and the accused or each of the accused, or
 - (iii) is reduced below 10 but not below 8 and the trial has been in progress for at least 2 months,
 - (b) in the case of civil proceedings, the number of its members is not reduced, in the case of a jury of 4, below 3 or, in the case of a jury of 12, below 8, or
 - (c) in the case of a coronial inquest, the number of its members is not reduced below 4,
- and if the court or the coroner, as the case may be, orders that the trial or coronial inquest continue with a reduced number of jurors under Part 7A.

Part 5 Summoning of jurors

Division 1 Summoning of jurors for trials and coronial inquests

23 Estimate of number of jurors required

- (1) The sheriff must maintain estimates of the number of jurors who will be required to be summoned in each jury district for the trial of criminal and civil proceedings in the

Supreme Court and the District Court and for coronial inquests.

- (2) The number of jurors estimated as required for the purpose of trials must not exceed the number of jurors that, in the opinion of the sheriff, will ensure the attendance of sufficient jurors to allow for the number of challenges reasonably likely to be made by all parties.
- (3) The number of jurors estimated as required for the purpose of coronial inquests must not be less than the number of jurors that, in the opinion of the sheriff, will ensure the attendance of sufficient jurors to comply with requests for juries reasonably likely to be made under the *Coroners Act 2009* by coroners.

24 (Repealed)

25 Selection of jurors by sheriff

- (1) The sheriff must select at random, from the jury roll for each jury district, the number of jurors estimated by the sheriff as required to be summoned for trials or coronial inquests in that jury district.
- (2) The sheriff may select one or more of that number of jurors at random from a supplementary jury roll for that district, if the sheriff believes that the jury roll for that district is inadequate for any reason.
- (3) A selection under this section may be made by computer and may be made at any one time or at different times for the purposes of one or more trials or inquests.
- (4)-(6) (Repealed)

26 Persons selected to be summoned

- (1) The sheriff must issue a summons to each person selected requiring the person to attend at the court or coronial inquest, at the place and at the time specified in the summons until discharged by the court or coroner.
- (2) When such a summons is served on a person selected by the sheriff from a supplementary jury roll, a notice complying with section 13 must also be served on the person, if such a notice has not already been sent to the person.
- (3) Such a summons is to be served on the person to whom it is issued at least 7 days before the time specified in it for attendance at a court or inquest, unless a judge of the court or the coroner holding the inquest otherwise orders.

27 Selection and summoning of additional jurors

The sheriff may select and summon jurors in accordance with this Division to make up or supplement a jury panel if a trial or coronial inquest is likely to be delayed because there are no persons or not enough persons available for the selection of a jury who have

already been summoned.

28 Sheriff's return

- (1) At each time and place at which jurors are required to attend by summonses served under this Division, the sheriff must return particulars of the summonses, including a panel of the names of those summoned and, if appearing on the roll or supplementary roll from which the summonses were prepared, their occupations.
- (2) Only the names of persons qualified and liable to serve as jurors, and who have not been duly excused, are required to be included in the panel.
- (3) The sheriff must also provide with the return the names and other particulars recorded on the roll or supplementary roll of the persons on the panel on separate cards, each card being as nearly as is practicable of equal size.

29 Identification numbers for jurors

- (1) Before furnishing the return and cards referred to in section 28 in respect of a trial or coronial inquest, the sheriff is to allocate a separate identification number to each person included in the panel referred to in section 28.
- (2) The sheriff must record a person's identification number—
 - (a) against the place where the name of the person appears on that panel, and
 - (b) on the card referred to in section 28 (3) relating to the person.
- (3) The sheriff must inform a person of the person's identification number when the person attends on the first day on which the person's attendance is required in accordance with a summons.
- (4) A person who is allocated an identification number is to be addressed or referred to only by that identification number when the person is present at the court or coronial inquest for the purposes of the relevant proceedings.
- (5) A computer may be used to carry out a procedure under this section relating to identification numbers.
- (6) The regulations may make provision for or with respect to identification numbers. In particular, regulations may be made for or with respect to the following—
 - (a) the allocation of identification numbers,
 - (b) the manner in which persons are to be informed of their identification number,
 - (c) the recording of identification numbers on the panel and on the cards relating to the persons in respect of whom the identification numbers have been allocated.

Part 7A Discharge of jurors

53A Mandatory discharge of individual juror

- (1) The court or coroner must discharge a juror if, in the course of any trial or coronial inquest—

 - (b) the juror has become excluded from jury service, or
 - (c) the juror has engaged in misconduct in relation to the trial or coronial inquest.
- (2) In this section—

misconduct, in relation to a trial or coronial inquest, means—

- (a) conduct that constitutes an offence against this Act, or

Note—

For example, under section 68C it is an offence for a juror to make certain inquiries except in the proper exercise of his or her functions as a juror.

- (b) any other conduct that, in the opinion of the court or coroner, gives rise to the risk of a substantial miscarriage of justice in the trial or inquest.

53B Discretionary discharge of individual juror

The court or coroner may, in the course of any trial or coronial inquest, discharge a juror if—

- (a) the juror (though able to discharge the duties of a juror) has, in the judge's or coroner's opinion, become so ill, infirm or incapacitated as to be likely to become unable to serve as a juror before the jury delivers their verdict or has become so ill as to be a health risk to other jurors or persons present at the trial or coronial inquest, or
- (b) it appears to the court or coroner (from the juror's own statements or from evidence before the court or coroner) that the juror may not be able to give impartial consideration to the case because of the juror's familiarity with the witnesses, parties or legal representatives in the trial or coronial inquest, any reasonable apprehension of bias or conflict of interest on the part of the juror or any similar reason, or
- (c) a juror refuses to take part in the jury's deliberations, or
- (d) it appears to the court or coroner that, for any other reason affecting the juror's ability to perform the functions of a juror, the juror should not continue to act as a juror.

- (1) If a juror dies, or the court or coroner discharges a juror in the course of a trial or coronial inquest, the court or coroner must—

 - (b) if of the opinion that there is no such risk and subject to section 22, order that the trial or coronial inquest continue with a reduced number of jurors.
- (2) A court or coroner that discharges a jury under subsection (1) (a) may stay the proceedings on such terms as the court or coroner thinks fit if a party gives notice of an intention to lodge an application for leave to appeal for review of the decision under section 5G of the [Criminal Appeal Act 1912](#).
- (3) Where a jury in civil proceedings is discharged under this section, the proceedings may, without any new process for that purpose, be set down for trial either at the same or any subsequent sittings, as the court may order.

Part 8 Proceedings upon trial or inquest

54 Jury permitted to separate in criminal trials

(1) The jury in criminal proceedings—

(a) shall, unless the court otherwise orders, be permitted to separate at any time before they retire to consider their verdict, and

55 Court or coroner may permit refreshment for jurors

The court on any trial or a coroner holding any coronial inquest may permit the members of the jury to be supplied with such refreshments as the court or coroner thinks fit at any time after they have been sworn and notwithstanding that they have retired to consider their verdict.

55A Exhibits in jurors' deliberation room

A judge or coroner may refuse to allow an exhibit at the trial or inquest being left with the jurors after they have retired if satisfied that the exhibit or the safety of the jurors would be put at risk.

55B Judge or coroner may give directions to jury in writing

Any direction of law to a jury by a judge or coroner may be given in writing if the judge or coroner considers that it is appropriate to do so.

A judge or coroner may examine a juror on oath to determine—

(a) whether the juror has read, seen or heard alleged prejudicial material published or broadcast during the trial or inquest, and

(b) whether the juror has been influenced by the material.

55DA Examination of juror—juror making private inquiries about trial matters

- (1) A judge may examine a juror on oath to determine whether a juror has engaged in any conduct that may constitute a contravention of section 68C.
- (2) A juror is not excused from a requirement to give evidence on such an examination on the ground that the evidence may tend to prove that the juror has committed an offence against section 68C.
- (3) However, if the judge is satisfied, after the evidence has been given, that the evidence may tend to prove that the juror has committed an offence against section 68C, the judge is to cause the juror to be given a certificate under this section in respect of the evidence.
- (4) In any proceedings for an offence against section 68C, evidence given by a person in respect of which a certificate under this section has been given cannot be used against the person.

55E Discharge of jury after delivery of verdict

55F Majority verdicts in criminal proceedings

- (1) This section applies in respect of a verdict in criminal proceedings where the jury consists of not less than 11 persons.

Note—

Lengthy criminal proceedings may be tried by a jury of up to 15 persons if the court makes an order for additional jurors under section 19 (2). However, section 55G provides that only 12 members of such an expanded jury may retire to consider the jury's verdict in the proceedings.

- (2) A majority verdict may be returned by a jury in criminal proceedings if—
 - (a) a unanimous verdict has not been reached after the jurors have deliberated for a period of time (being not less than 8 hours) that the court considers reasonable having regard to the nature and complexity of the criminal proceedings, and
 - (b) the court is satisfied, after examination on oath of one or more of the jurors, that it is unlikely that the jurors will reach a unanimous verdict after further deliberation.
- (3) In this section—

majority verdict means—

 - (a) a verdict agreed to by 11 jurors where the jury consists of 12 persons at the time

the verdict is returned, or

- (2) A verdict jury is to be constituted by—
- (a) if the expanded jury has chosen one of its members to speak on behalf of the jury as a whole (a **foreperson**)—the foreperson and 11 other members of the expanded jury selected by ballot, or
- (b) if there is no foreperson—12 members of the expanded jury selected by ballot.
- (3) The ballot for a verdict jury must be conducted by the presiding judge or an officer of the court by—
- (a) placing in a box provided for that purpose the cards provided under section 28 (3) for all of the members of the expanded jury (other than the foreperson, if any), and
- (b) drawing out of that box those cards, one after another, and calling out the identification numbers on those cards, until 11 or 12 persons (as the case requires) are selected.
- (4) A verdict jury continues to constitute the jury for the trial until the trial concludes unless the court has given a direction under subsection (5).

Note—

Under this section, the same verdict jury will remain in place in trials where a verdict jury is required to consider some counts in an indictment first and then the other counts at a later stage in the trial (unless subsection (5) applies). As a result, the court will be able to reconvene for any further summoning up or directions in relation to counts that remain to be determined without the need for a new verdict jury to be constituted.

- (5) If one or more jurors on the expanded jury are excluded from a verdict jury by a ballot, the court must—

- (a) if the verdict of the verdict jury is a directed verdict in respect of some (but not all) of the accused persons or some (but not all) of the counts in the indictment—direct that the excluded jurors rejoin the jury for the continuation of the trial in respect of the accused persons or counts (as the case may be) that have not yet been the subject of a verdict in the trial, or
 - (b) if the verdict jury retires to consider whether or not to return a verdict without hearing further evidence—direct that the excluded jurors rejoin the jury for the continuation of the trial in the event that the verdict jury decides that it wishes to hear further evidence before returning a verdict.
- (6) The court may not give a direction under subsection (5) if a verdict jury has previously returned a verdict (other than a directed verdict) in the trial.
 - (7) If the court gives a direction under subsection (5), a fresh ballot for a verdict jury must be conducted if there is still an expanded jury when the jury is next required to retire to consider its verdict.
 - (8) The court must discharge any jurors on the expanded jury who are excluded from a verdict jury by ballot if the jurors will not be required to rejoin the jury because of a direction under subsection (5).
 - (9) Nothing in this section affects the operation of section 22.

56 Discharge of jury that disagree in criminal proceedings

- (1) Where a jury in criminal proceedings has retired, and the jury consists of 11 or 12 persons, the court in which the proceedings are being tried may discharge the jury if it finds, after examination on oath of one or more of the jurors, that it is unlikely that the jurors will reach a unanimous verdict or a majority verdict under section 55F.
- (2) Where a jury in criminal proceedings has retired, and the jury consists of 11 or 12 persons, the court in which the proceedings are being tried may not discharge the jury under this section if it finds, after examination on oath of one or more of the jurors, that it is likely that the jurors will reach a majority verdict under section 55F.
- (3) Where a jury in criminal proceedings has retired, and the jury consists of 10 persons or less, the court in which the proceedings are being tried may discharge the jury if it finds, after examination on oath of one or more of the jurors, that it is unlikely that the jurors will reach a unanimous verdict.

shall be taken as the verdict of all.

(2) A reference in this section to a verdict includes a reference to an answer to any specific question put to the jury by the court.

57A Court may decide issue of fact

Where the court in civil proceedings finds, after examination on oath of one or more of the jury, that the jury is unable to agree on a decision about an issue of fact, the court may decide that issue, but only if the parties to the proceedings agree that the court should decide the issue.

(1) Where the jury in civil proceedings have retired for more than 4 hours, the court in which the proceedings are being tried may discharge them if it finds, after examination on oath of one or more of them, that they are not likely to agree on either a unanimous verdict or a verdict under section 57.

(2) (Repealed)

(3) Where a jury is discharged under this section, the proceedings may, without any new process for that purpose, be set down for trial either at the same or any subsequent sittings, as the court may order.

59 Discharge of jury that disagree in coronial inquest

Where the jury in any coronial inquest have retired for more than 6 hours, the coroner holding that inquest may discharge them if the coroner finds, after examination on oath of one or more of them, that they are not likely to agree.
