Chapter 2 Objects, principles and responsibilities

Part 1 Objects and principles

7 What is the role of the objects and principles of this Act?

The provisions of this Chapter are intended to give guidance and direction in the administration of this Act. They do not create, or confer on any person, any right or entitlement enforceable at law.

8 What are the objects of this Act?

The objects of this Act are to provide—

(a) that children and young persons receive such care and protection as is necessary for their safety, welfare and well-being, having regard to the capacity of their parents or other persons responsible for them, and

(a1) recognition that the primary means of providing for the safety, welfare and well-being of children and young persons is by providing them with long-term, safe, nurturing, stable and secure environments through permanent placement in accordance with the permanent placement principles, and

(b) that all institutions, services and facilities responsible for the care and protection of children and young persons provide an environment for them that is free of violence and exploitation and provide services that foster their health, developmental needs, spirituality, self-respect and dignity, and

(c) that appropriate assistance is rendered to parents and other persons responsible for children and young persons in the performance of their child-rearing responsibilities in order to promote a safe and nurturing environment.

9 Principles for administration of Act

(1) This Act is to be administered under the principle that, in any action or decision concerning a particular child or young person, the safety, welfare and well-being of the child or young person are paramount.

(2) Subject to subsection (1), the other principles to be applied in the administration of this Act are as follows—

(a) Wherever a child or young person is able to form his or her own views on a matter concerning his or her safety, welfare and well-being, he or she must be given an
opportunity to express those views freely and those views are to be given due weight in accordance with the developmental capacity of the child or young person and the circumstances.

(b) In all actions and decisions made under this Act (whether by legal or administrative process) that significantly affect a child or young person, account must be taken of the culture, disability, language, religion and sexuality of the child or young person and, if relevant, those with parental responsibility for the child or young person.

(c) In deciding what action it is necessary to take (whether by legal or administrative process) in order to protect a child or young person from harm, the course to be followed must be the least intrusive intervention in the life of the child or young person and his or her family that is consistent with the paramount concern to protect the child or young person from harm and promote the child’s or young person’s development.

(d) If a child or young person is temporarily or permanently deprived of his or her family environment, or cannot be allowed to remain in that environment in his or her own best interests, the child or young person is entitled to special protection and assistance from the State, and his or her name, identity, language, cultural and religious ties should, as far as possible, be preserved.

(e) If a child or young person is placed in out-of-home care, arrangements should be made, in a timely manner, to ensure the provision of a safe, nurturing, stable and secure environment, recognising the child’s or young person’s circumstances and that, the younger the age of the child, the greater the need for early decisions to be made in relation to a permanent placement.

(f) If a child or young person is placed in out-of-home care, the child or young person is entitled to a safe, nurturing, stable and secure environment. Unless it is contrary to his or her best interests, and taking into account the wishes of the child or young person, this will include the retention by the child or young person of relationships with people significant to the child or young person, including birth or adoptive parents, siblings, extended family, peers, family friends and community.

(g) If a child or young person is placed in out-of-home care, the permanent placement principles are to guide all actions and decisions made under this Act (whether by legal or administrative process) regarding permanent placement of the child or young person.

9A Principle of making “active efforts”

(1) The Secretary must act in accordance with the principle of active efforts in exercising functions under this Act.
(2) The **principle of active efforts** means—

(a) in taking action to safeguard or promote the safety, welfare and well-being of a child or young person—making active efforts to prevent the child or young person from entering out-of-home care, and

(b) for a child and young person who has been removed from the child’s or young person’s parents or family—

(i) making active efforts to restore the child or young person to the child’s or young person’s parents, or

(ii) for a child or young person for whom it is not practicable or in the child’s or young person’s best interests to be restored to the child’s or young person’s parents—to place the child or young person with family, kin or community.

**Note**—

See the permanent placement principles in section 10A and the placement principles for Aboriginal and Torres Strait Islander children and young persons in section 13.

(3) Under the principle of active efforts, the Secretary must also ensure active efforts are—

(a) timely, and

(b) practicable, thorough and purposeful, and

(c) aimed at addressing the grounds on which the child or young person is considered to be in need of care and protection, and

(d) conducted, to the greatest extent possible, in partnership with the child or young person and the family, kin and community of the child or young person, and

(e) culturally appropriate, and

(f) otherwise in accordance with any requirements prescribed by the regulations.

(4) Without limiting subsections (1)–(3), active efforts include—

(a) providing, facilitating or assisting with access to support services and other resources, and

(b) if appropriate services or resources do not exist or are not available—considering alternative ways of addressing the relevant needs of the child or young person and the family, kin or community of the child or young person, and

(c) activities directed at finding and contacting the family, kin and community of the child or young person, and

(d) the use of any of the following—
(i) a parent responsibility contract,
(ii) a parent capacity order,
(iii) a temporary care arrangement under Chapter 8, Part 3, Division 1,
(iv) alternative dispute resolution under section 37, and
(e) another matter, activity or action prescribed by the regulations.

(5) To avoid doubt, this section is subject to the requirement under section 9(1) that this Act is to be administered under the principle that, in any action or decision concerning a particular child or young person, the safety, welfare and well-being of the child or young person are paramount.

10 The principle of participation

(1) To ensure that a child or young person is able to participate in decisions made under or pursuant to this Act that have a significant impact on his or her life, the Secretary is responsible for providing the child or young person with the following—

(a) adequate information, in a manner and language that he or she can understand, concerning the decisions to be made, the reasons for the Department’s intervention, the ways in which the child or young person can participate in decision-making and any relevant complaint mechanisms,

(b) the opportunity to express his or her views freely, according to his or her abilities,

(c) any assistance that is necessary for the child or young person to express those views,

(d) information as to how his or her views will be recorded and taken into account,

(e) information about the outcome of any decision concerning the child or young person and a full explanation of the reasons for the decision,

(f) an opportunity to respond to a decision made under this Act concerning the child or young person.

(2) In the application of this principle, due regard must be had to the age and developmental capacity of the child or young person.

(3) Decisions that are likely to have a significant impact on the life of a child or young person include, but are not limited to, the following—

(a) plans for emergency or ongoing care, including placement,

(b) the development of care plans concerning the child or young person,

(c) Children’s Court applications concerning the child or young person,
reviews of care plans concerning the child or young person,
provision of counselling or treatment services,
contact with family or others connected with the child or young person.

10A Permanent placement principles

(1) In this Act—

permanent placement means a long-term placement following the removal of a child or young person from the care of a parent or parents pursuant to this Act that provides a safe, nurturing, stable and secure environment for the child or young person.

(2) Subject to the objects in section 8 and the principles in section 9, a child or young person who needs permanent placement is to be placed in accordance with the permanent placement principles.

(3) The permanent placement principles are as follows—

(a) if it is practicable and in the best interests of a child or young person, the first preference for permanent placement of the child or young person is for the child or young person to be restored to the care of his or her parent (within the meaning of section 83) or parents so as to preserve the family relationship,

(b) if it is not practicable or in the best interests of the child or young person to be placed in accordance with paragraph (a), the second preference for permanent placement of the child or young person is with a relative, kin or other suitable person in accordance with a guardianship order,

(b1) if it is not practicable or in the best interests of the child or young person to be placed in accordance with paragraph (a) or (b), the next preference is placement with a suitable person or persons jointly in accordance with an order made under section 79(1)(f), with the support of the Secretary under section 153(1) or financial assistance of the Secretary under section 161(1),

(c) if it is not practicable or in the best interests of the child or young person to be placed in accordance with paragraph (a), (b) or (b1), the next preference is (except in the case of an Aboriginal or Torres Strait Islander child or young person) for the child or young person to be adopted,

(d) if it is not practicable or in the best interests of the child or young person to be placed in accordance with paragraph (a), (b), (b1) or (c), the last preference is for the child or young person to be placed under the parental responsibility of the Minister under this Act or any other law,

(e) if it is not practicable or in the best interests of an Aboriginal or Torres Strait
Islander child or young person to be placed in accordance with paragraph (a), (b),
(b1) or (d), the last preference is for the child or young person to be adopted.

**Part 2 Aboriginal and Torres Strait Islander principles**

11 **Aboriginal and Torres Strait Islander self-determination**

(1) It is a principle to be applied in the administration of this Act that Aboriginal and
Torres Strait Islander people are to participate in the care and protection of their
children and young persons with as much self-determination as is possible.

(2) To assist in the implementation of the principle in subsection (1), the Minister may
negotiate and agree with Aboriginal and Torres Strait Islander people to the
implementation of programs and strategies that promote self-determination.

12 **Aboriginal and Torres Strait Islander participation in decision-making**

Aboriginal and Torres Strait Islander families, kinship groups, representative organisations
and communities are to be given the opportunity, by means approved by the Minister, to
participate in decisions made concerning the placement of their children and young
persons and in other significant decisions made under this Act that concern their children
and young persons.

12A **Aboriginal and Torres Strait Islander Children and Young Persons Principle**

(1) This section sets out the *Aboriginal and Torres Strait Islander Children and
Young Persons Principle*, which applies to the administration of this Act in relation
to Aboriginal and Torres Strait Islander children and young persons.

(2) The Aboriginal and Torres Strait Islander Children and Young Persons Principle consists
of the following 5 elements—

(a) *prevention*—recognising that a child or young person has a right to be brought
up within the child’s or young person’s own family, community and culture,

(b) *partnership*—recognising that Aboriginal and Torres Strait Islander community
representatives should participate in the design and delivery of services for
children and young persons and in individual decisions about children and young
persons,

(c) *placement*—recognising that, if a child is to be placed in out-of-home care, the
child’s placement is to be in accordance with the placement principles for
Aboriginal and Torres Strait Islander children and young persons in section 13,

(d) *participation*—recognising that a child or young person, and the child’s or young
person’s parents and family members, should participate in decisions about the
care and protection of the child or young person,
(e) **connection**—recognising that a child or young person has a right to be supported to maintain connections to family, community, culture and country.

(3) In making a decision under this Act in relation to a matter involving an Aboriginal or Torres Strait Islander child or young person, a decision maker must apply each of the elements of the Aboriginal and Torres Strait Islander Children and Young Persons Principle that are relevant to the decision being made.

13 **Aboriginal and Torres Strait Islander Child and Young Person Placement Principles**

1. **The general order for placement** Subject to the objects in section 8 and the principles in section 9, an Aboriginal or Torres Strait Islander child or young person who needs to be placed in statutory out-of-home care is to be placed with—

   (a) a member of the child’s or young person’s extended family or kinship group, as recognised by the Aboriginal or Torres Strait Islander community to which the child or young person belongs, or

   (b) if it is not practicable for the child or young person to be placed in accordance with paragraph (a) or it would not be in the best interests of the child or young person to be so placed—a member of the Aboriginal or Torres Strait Islander community to which the child or young person belongs, or

   (c) if it is not practicable for the child or young person to be placed in accordance with paragraph (a) or (b) or it would not be in the best interests of the child or young person to be so placed—a member of some other Aboriginal or Torres Strait Islander family residing in the vicinity of the child’s or young person’s usual place of residence, or

   (d) if it is not practicable for the child or young person to be placed in accordance with paragraph (a), (b) or (c) or it would be detrimental to the safety, welfare and well-being of the child or young person to be so placed—a suitable person approved by the Secretary after consultation with—

      (i) members of the child’s or young person’s extended family or kinship group, as recognised by the Aboriginal or Torres Strait Islander community to which the child or young person belongs, and

      (ii) such Aboriginal or Torres Strait Islander organisations as are appropriate to the child or young person.

   **Note**—

   The placement principles set out in this section also apply to the making of guardianship orders in relation to Aboriginal and Torres Strait Islander children and young persons (see section 79A(3)(c)).

2. **Relevance of self-identification and expressed wishes of child or young person** In determining where a child or young person is to be placed, account is to be taken of
whether the child or young person identifies as an Aboriginal or Torres Strait Islander and the expressed wishes of the child or young person.

(3) **Child or young person with parents from different Aboriginal or Torres Strait Islander communities** If a child or young person has parents from different Aboriginal or Torres Strait Islander communities, the order for placement established by paragraphs (a), (b), (c) and (d) of subsection (1) applies, but the choice of a member or person referred to in those paragraphs is to be made so that the best interests of the child or young person will be served having regard to the principles of this Act.

(4) **Child or young person with one Aboriginal or Torres Strait Islander parent and one non-Aboriginal and Torres Strait Islander parent** If a child or young person has one Aboriginal or Torres Strait Islander parent and one non-Aboriginal and Torres Strait Islander parent, the child or young person may be placed with the person with whom the best interests of the child or young person will be served having regard to the principles of this Act.

(5) If a child or young person to whom subsection (4) applies—

(a) is placed with a person who is not within an Aboriginal or Torres Strait Islander family or community, arrangements must be made to ensure that the child or young person has the opportunity for continuing contact with his or her Aboriginal or Torres Strait Islander family, community and culture, or

(b) is placed with a person who is within an Aboriginal or Torres Strait Islander family or community, arrangements must be made to ensure that the child or young person has the opportunity for continuing contact with his or her non-Aboriginal and Torres Strait Islander family, community and culture.

(6) **Placement of child or young person in care of person who is not an Aboriginal or Torres Strait Islander** The following principles are to determine the choice of a carer if an Aboriginal or Torres Strait Islander child or young person is placed with a carer who is not an Aboriginal or Torres Strait Islander—

(a) Subject to the best interests of the child or young person, a fundamental objective is to be the reunion of the child or young person with his or her family or Aboriginal or Torres Strait Islander community.

(b) Continuing contact must be ensured between the child or young person and his or her Aboriginal or Torres Strait Islander family, community and culture.

These principles are subject to subsection (2).

(7) **Exceptions: emergency placements and placements of short duration** Subsection (1) does not apply to—

(a) an emergency placement made to protect a child or young person from serious
risk of immediate harm, or

(b) a placement for a duration of less than 2 weeks.

(8) Where an emergency placement is made to protect an Aboriginal or Torres Strait Islander child or young person from serious risk of immediate harm, the Secretary must consult with the appropriate Aboriginal or Torres Strait Islander community as soon as practicable after the safety of the child or young person has been secured.

Note—
In the course of any consultation under this Part, the Secretary must have regard to the right of Aboriginal or Torres Strait Islander children and young persons and their families to confidentiality.

14 Records relating to Aboriginals and Torres Strait Islanders

(1) All records made within the Department relating to the placement in statutory or supported out-of-home care of Aboriginal and Torres Strait Islander children and young persons are to be kept permanently.

(a) the child or young person, and

(b) a birth or adoptive parent of the child or young person, and

(c) a person authorised in writing by the child, young person or parent,

(3) (Repealed)

(4) Subsection (2) does not confer a right or entitlement to information that is subject to Chapter 8 of the Adoption Act 2000.

(5) The regulations may make provision for or with respect to the keeping of and access to records to which this section applies.

Part 3 Roles of the Minister and Secretary

17 Secretary's request for services from other agencies

(1) In deciding what action should be taken to promote and safeguard the safety, welfare and well-being of a child or young person, the Secretary may request a government department or agency, or a non-government agency in receipt of government funding, to provide services to the child or young person or to his or her family.

(3) To avoid doubt, a reference in subsection (1) to the responsibilities and functions of a department or agency includes, in the case of its provision of health services—

(b) its functions in clinical decision-making.

19 Interagency co-operation and exchange of information

The provisions of this Part do not limit the operation of Chapter 16A or section 248.

Chapter 3 Requests for assistance and reports

Part 1 Requests for assistance

20 Request for assistance by child or young person

A child or young person may seek assistance from the Secretary.

21 Request for assistance by parent of child or young person or by funded non-government agency

(1) A parent of a child or young person may seek assistance from the Secretary in order to obtain services that will enable the child or young person to remain in, or return to,
the care of his or her family.

(2) Without limiting subsection (1), a non-government agency in receipt of government funding may, on behalf of a child or young person in respect of whom the agency provides services in accordance with the agreement under which it receives that funding, seek assistance from the Secretary in order to obtain other services for the child or young person.

Note—

Under section 113, a parent, child or young person, or any other person may also ask the Secretary for assistance—

(a) if there is a serious or persistent conflict between the parents and the child or young person of such a nature that the safety, welfare or well-being of the child or young person is in jeopardy, or

(b) if the parents are unable to provide adequate supervision for the child or young person to such an extent that the safety, welfare or well-being of the child or young person is in jeopardy.

Requests for assistance in these circumstances are dealt with in accordance with Part 1 of Chapter 7.

22 Secretary’s response to requests for assistance

(1) If a person or non-government agency seeks assistance from the Secretary under this Part (whether or not a child or young person is suspected of being in need of care and protection), the Secretary must—

(a) provide whatever advice or material assistance, or make such referral, as the Secretary considers necessary, or

(b) take whatever other action the Secretary considers necessary,

to safeguard or promote the safety, welfare and well-being of the child or young person.

(2) Subsection (1) does not, however, require the Secretary to take any action other than assessing the request for assistance.

Note—

The Secretary, in responding to a request for assistance, can provide services or arrange for other government departments and agencies, or community organisations, to provide services to assist children, young persons and their families.

If the Secretary determines that a child or young person is at risk of significant harm, the Secretary must offer alternative dispute resolution processes to the family of the child or young person (subject to certain exceptions) before seeking care orders.

The Secretary may request government departments or agencies, or non-government agencies in receipt of government funding, to provide prioritised access to services to children or young persons who are at risk of significant harm and to their families.

The Department may also play a role in referring people to services provided under Commonwealth legislation,
such as Family Court counselling and access to maintenance entitlements or other benefits.

**Part 2 Reports**

**23 Child or young person at risk of significant harm**

(1) For the purposes of this Part and Part 3, a child or young person is **at risk of significant harm** if current concerns exist for the safety, welfare or well-being of the child or young person because of the presence, to a significant extent, of any one or more of the following circumstances—

(a) the child’s or young person’s basic physical or psychological needs are not being met or are at risk of not being met,

(b) the parents or other caregivers have not arranged and are unable or unwilling to arrange for the child or young person to receive necessary medical care,

(b1) in the case of a child or young person who is required to attend school in accordance with the *Education Act 1990*—the parents or other caregivers have not arranged and are unable or unwilling to arrange for the child or young person to receive an education in accordance with that Act,

(c) the child or young person has been, or is at risk of being, physically or sexually abused or ill-treated,

(d) the child or young person is living in a household where there have been incidents of domestic violence and, as a consequence, the child or young person is at risk of serious physical or psychological harm,

(e) a parent or other caregiver has behaved in such a way towards the child or young person that the child or young person has suffered or is at risk of suffering serious psychological harm,

(f) the child was the subject of a pre-natal report under section 25 and the birth mother of the child did not engage successfully with support services to eliminate, or minimise to the lowest level reasonably practical, the risk factors that gave rise to the report.

**Note—**
Physical or sexual abuse may include an assault and can exist despite the fact that consent has been given.

(2) Any such circumstances may relate to a single act or omission or to a series of acts or omissions.

**Note—**
See also section 154(2)(a) for another circumstance in which a child or young person is taken to be at risk of significant harm.
24 Report concerning child or young person at risk of significant harm

A person who has reasonable grounds to suspect that a child or young person is, or that a class of children or young persons are, at risk of significant harm may make a report to the Secretary.

25 Pre-natal reports

A person who has reasonable grounds to suspect, before the birth of a child, that the child may be at risk of significant harm after his or her birth may make a report to the Secretary.

Note—

The intentions of this section are—

(a) to allow assistance and support to be provided to an expectant parent to reduce the likelihood that the parent’s child, when born, will need to be placed in out-of-home care, and

(b) to provide early information that a child who is not yet born may be at risk of significant harm subsequent to his or her birth, and

(c) in conjunction with section 23(f) and section 27, to provide for mandatory reporting if there are reasonable grounds to believe that the child is at risk of significant harm subsequent to his or her birth.

26 Anonymity

A report under section 24 or 25 may be made anonymously.

27 Mandatory reporting

(1) This section applies to—

(a) a person who, in the course of his or her professional work or other paid employment delivers health care, welfare, education, children’s services, residential services, or law enforcement, wholly or partly, to children, and

(b) a person who holds a management position in an organisation the duties of which include direct responsibility for, or direct supervision of, the provision of health care, welfare, education, children’s services, residential services, or law enforcement, wholly or partly, to children, and

(c) a person in religious ministry, or a person providing religion-based activities to children, and

(d) a registered psychologist providing a professional service as a psychologist.

(2) If—

(a) a person to whom this section applies has reasonable grounds to suspect that a child is at risk of significant harm, and
(b) those grounds arise during the course of or from the person’s work or role specified in subsection (1),

it is the duty of the person to report, as soon as practicable, to the Secretary the name, or a description, of the child and the grounds for suspecting that the child is at risk of significant harm.

(3) A person to whom this section applies satisfies his or her obligations under subsection (2) in relation to two or more children that constitute a particular class of children if the person reports that class of children to the Secretary together with—

(a) a description that is sufficient to identify all the children who constitute the class, and

(b) the grounds for suspecting that the children of that class are at risk of significant harm.

(4) In this section—

children’s services means either or both of the following (subject to the regulations)—

(a) an education and care service within the meaning of the Children (Education and Care Services) National Law (NSW),

(b) a State regulated education and care service within the meaning of the Children (Education and Care Services) Supplementary Provisions Act 2011.

27A Alternative reporting arrangements

(1) In this section—

assessment officer, in relation to a relevant agency, means a person appointed or designated by the head of the agency as an assessment officer of the agency for the purposes of an arrangement under this section.

head of a relevant agency means—

(a) (subject to paragraph (b)) the person who is the chief executive officer, or who exercises the functions of chief executive officer, of the agency, or

(b) the person prescribed by the regulations.

relevant agency means any of the following—

(a) the NSW Health Service (including the Health Executive Service referred to in section 121B of the Health Services Act 1997),

(b) the NSW Police Force,
(c) the Teaching Service,
(d) the Ministry of Health,
(e) the Department of Education,
(f) the TAFE Commission,
(g) the Department of Communities and Justice,
(h) any other agency or organisation prescribed by the regulations for the purposes of this section.

(2) The Secretary and the head of a relevant agency may enter into an arrangement under which a person (the staff member) who—
(a) is employed in or engaged by the relevant agency, and
(b) is a person to whom section 27 applies,

may, in accordance with the terms of the arrangement, refer to an assessment officer of the agency any matter that the staff member would otherwise be required to report to the Secretary under that section.

(3) If the staff member refers such a matter to an assessment officer under any such arrangement, the assessment officer is, in accordance with the assessment guidelines issued by the Secretary for the purposes of this section, to assess whether the matter should be reported to the Secretary under section 27.

(4) If, in accordance with the assessment guidelines, the matter is assessed as a matter that should be reported to the Secretary under section 27, the assessment officer or the staff member is, as soon as practicable after the assessment, to report the matter to the Secretary under that section. Any such requirement applies in relation to the assessment officer as though the officer was a person to whom section 27 applies.

(5) If, in accordance with the assessment guidelines, the matter is assessed as a matter that should not be reported to the Secretary under section 27, the assessment officer or the staff member may, if the officer or staff member has concerns for the well-being of the child to whom the matter relates, make such referral or take such action as the officer or staff member considers necessary or appropriate (or as is reasonably available) to safeguard or promote the safety, welfare and well-being of the child.

(6) If a matter is referred to an assessment officer in accordance with an arrangement under this section, the staff member making the referral is taken to have satisfied his or her obligations under section 27 in relation to the matter concerned.

(7) Sections 29 and 29AA apply in relation to a referral that is made to an assessment officer under this section in the same way as they apply to a report to which those
sections apply. For that purpose, a reference in section 29 or 29AA to the making of a report includes a reference to the referral of a matter to an assessment officer in accordance with an arrangement under this section.

(8) A certificate purporting to be signed by an assessment officer that a document relating to a child is a referral that has been made to the assessment officer under this section is admissible in any proceedings and, in the absence of evidence to the contrary, is proof that the document is such a referral.

(9) The following provisions apply in relation to the appointment or designation of assessment officers for the purposes of this section—

(a) more than one person may be appointed or designated as an assessment officer in relation to a relevant agency,

(b) any such appointment or designation may (without limitation) be made by reference to the holder of a specified position or to a specified class of persons,

(c) a person may be appointed or designated as an assessment officer in relation to a relevant agency even though the person is employed in or engaged by another agency.

(10) The regulations may extend the operation of this section, with such exclusions and modifications as may be prescribed by the regulations, to any person (or a class of persons) who is a person (or class of persons) to whom section 27 applies but who is or are not employed in or engaged by a relevant agency.

(11) For avoidance of doubt, the head of the NSW Health Service or the Health Executive Service is, for the purposes of this section, the Secretary of the Ministry of Health.

(12) A staff member of a relevant agency may, in accordance with the terms of an arrangement under this section, refer any of the following matters to an assessment officer of the agency—

(a) a matter relating to a young person that the staff member would otherwise report to the Secretary under section 24,

(b) a matter relating to an unborn child that the staff member would otherwise report to the Secretary under section 25.

28 Record of reports and subsequent action

The Secretary must keep a record of—

(a) any report made to the Secretary, and

(b) any action taken as a direct consequence of the report that has a significant effect on the child or young person to whom the report relates.
Protection of persons who make reports or provide certain information

(1) If, in relation to a child or young person or a class of children or young persons, a person makes a report in good faith to the Secretary or to a person who has the power or responsibility to protect the child or young person or the class of children or young persons—

(a) the making of the report does not constitute a breach of professional etiquette or ethics or a departure from accepted standards of professional conduct, and

(b) no liability for defamation is incurred because of the report, and

(c) the making of the report does not constitute a ground for civil or criminal liability against the person making the report, and

(d) the report, or evidence of its contents, is not admissible in any proceedings other than the following proceedings (and appeals arising from the following proceedings)—

(i) care proceedings in the Children’s Court,

(ii) proceedings in relation to a child or young person under the Family Law Act 1975 of the Commonwealth,

(iii) proceedings in relation to a child or young person before the Supreme Court or the Civil and Administrative Tribunal,

(iv) proceedings before the Civil and Administrative Tribunal that are allocated to the Guardianship Division of the Tribunal or are commenced under the Victims Rights and Support Act 2013,

(v) proceedings under the Coroners Act 2009, and

(e) a person cannot be compelled in any proceedings to produce the report or a copy of or extract from it or to disclose or give evidence of any of its contents, and

(f) the identity of the person who made the report, or information from which the identity of that person could be deduced, must not be disclosed by any person or body, except with—

(i) the consent of the person who made the report, or

(ii) the leave of a court or other body before which proceedings relating to the report are conducted,

and, unless that consent or leave is granted, a party or witness in any such proceedings must not be asked, and, if asked, cannot be required to answer, any question that cannot be answered without disclosing the identity or leading to the identification of that person.
(1A) A certificate purporting to be signed by the Secretary that a document relating to a child or young person or a class of children or young persons is a report to which this section applies is admissible in any proceedings and, in the absence of evidence to the contrary, is proof that the document is such a report.

(2) A court or other body cannot grant leave under subsection (1)(f)(ii) unless the court or other body is satisfied that the evidence is of critical importance in the proceedings and that failure to admit it would prejudice the proper administration of justice.

(3) A court or other body that grants leave under subsection (1)(f)(ii)—

(a) must state the reasons why leave is granted, and

(b) must ensure that the holder of the report is informed that evidence as to the identity of the person who made the report, or from which the identity of that person could be deduced, has been disclosed.

(3A) The protections given by this section to a person who makes a report apply to—

(a) any person who provided information on the basis of which the report was made, in good faith, to the person, and

(b) any person who otherwise was in good faith concerned in making such a report or causing such a report to be made,

in the same way as they apply in respect of the person who actually made the report.

(4) Subsection (1)(f) does not prevent the disclosure of information from which the identity of a person may be deduced if the prohibition on the disclosure of that information would prevent the proper investigation of the report.

(4A) Subsection (1)(f) also does not prevent the disclosure to a law enforcement agency of the identity of the person who made the report (the reporter), or information from which the identity of the reporter could be deduced, if—

(a) the identity of the reporter, or the information, is disclosed in connection with the investigation of a serious offence or reportable conduct alleged to have been committed or done against a child or young person, and

(b) the disclosure is necessary for the purposes of safeguarding or promoting the safety, welfare and well-being of any child or young person (whether or not the victim of the alleged offence).

(4B) However, subsection (4A) does not apply unless—

(a) a senior officer of the law enforcement agency to which the disclosure is made has, before the disclosure is made, certified in writing that obtaining the reporter’s consent would prejudice the investigation of the serious offence or reportable
(b) the person or body that makes the disclosure has, before making the disclosure, certified in writing that it is impractical to obtain the consent of the reporter.

(4C) The person or body that discloses to a law enforcement agency the identity of the reporter, or the information from which the identity of the reporter could be deduced, is required to notify the reporter of the disclosure unless—

(a) it is not reasonably practicable in the circumstances to do so, or

(b) the law enforcement agency to which the disclosure is made has advised the person or body that notifying the reporter would prejudice the investigation of the serious offence or reportable conduct concerned.

(5) (Repealed)

(6) In this section—

**court** includes a court exercising federal jurisdiction.

**law enforcement agency** means any of the following—

(a) the NSW Police Force,

(b) the Australian Federal Police,

(c) the police force of another State or Territory,

(b) conduct occurring elsewhere than in New South Wales that, if occurring in New South Wales, would be reportable conduct under paragraph (a).

**senior officer** means—

(a) in relation to the NSW Police Force—a commissioned police officer within the meaning of the *Police Act 1990*, or

(b) in relation to any other law enforcement agency—a person (or class of persons) prescribed by the regulations as a senior officer of the agency.

**serious offence** means—
(a) a serious indictable offence within the meaning of the *Crimes Act 1900*, or

(b) an offence committed elsewhere than in New South Wales that, if committed in New South Wales, would be an offence under paragraph (a).

**Note**—

It is an offence under section 254 for a person to disclose any information obtained in connection with the administration or execution of this Act, except in certain circumstances. The maximum penalty is 10 penalty units (currently $1,100) or imprisonment for up to 12 months, or both.

### 29AAA Protection of persons who make reports or provide information to particular institutions

(1) If, in relation to a child or young person or a class of children or young persons, a person makes a report in good faith to an institution engaging in child-related work about a child or young person that the person making the report reasonably suspects is at risk of significant harm in the institution—

(a) the making of the report does not constitute a breach of professional etiquette or ethics or a departure from accepted standards of professional conduct, and

(b) no liability for defamation is incurred because of the report, and

(c) the making of the report does not constitute a ground for civil or criminal liability against the person making the report.

(2) The protections given by this section to a person who makes a report apply to—

(a) a person who provided information on the basis of which the report was made in good faith to the institution, and

(b) a person who otherwise was in good faith concerned in making such a report or causing such a report to be made,

in the same way as they apply in respect of the person who actually made the report.

**Note**—

It is an offence under section 254 for a person to disclose any information obtained in connection with the administration or execution of this Act, except in certain circumstances. The maximum penalty is 10 penalty units (currently $1,100) or imprisonment for up to 12 months, or both.

### 29AA Special provision relating to Royal Commissions

(1) Despite section 17 of the *Royal Commissions Act 1923*, that section does not authorise or compel the disclosure to a Royal Commission of the identity of a person who made a report to which section 29 applies, or information from which the identity of that person could be deduced, except with—

(a) the consent of the person who made the report, or
(b) the leave of a person who is a commissioner within the meaning of Division 2 of Part 2 of the *Royal Commissions Act 1923*.

(2) A commissioner cannot grant leave under this section unless the commissioner is satisfied that the report or information concerned is of significant importance to the inquiry.

(3) The protection given by this section to a person who made a report (a *reporter*) applies to—

(a) any person who provided information to the reporter on the basis of which the report was made, and

(b) any person who otherwise was concerned in making such a report or causing such a report to be made,

in the same way as it applies in respect of the reporter.

**29AB Protection against retribution**

(1) A person must not take, or threaten to take, detrimental action in respect of a person acting in good faith, who makes, or proposes to make, a report under this Part. Maximum penalty—50 penalty units or imprisonment for 12 months, or both.

(2) For subsection (1), a report is not made in good faith if—

(a) the report was made or proposed in bad faith, or

(b) a material allegation was known by the person giving the report to be false.

(3) In this section—

*detrimental action* means action causing, comprising or involving any of the following—

(a) injury, damage or loss,

(b) intimidation or harassment,

(c) discrimination, disadvantage or adverse treatment in relation to employment,

(d) dismissal from, or prejudice in, employment,

(e) prejudice in the provision of a service,

(f) disciplinary proceedings.

**29A Person who makes report is not prevented from helping child or young person**

For avoidance of doubt, it is declared that a person who is permitted or required by this
Part to make a report is not prevented, by reason only of having made that report, from responding to the needs of, or discharging any other obligations in respect of, the child or young person the subject of the report in the course of that person's employment or otherwise.

**Part 3 Investigations and assessment**

**30 Secretary's investigations and assessment**

On receipt of a report that a child or young person is suspected of being at risk of significant harm—

(a) the Secretary is to make such investigations and assessment as the Secretary considers necessary to determine whether the child or young person is at risk of significant harm, or

(b) the Secretary may decide to take no further action if, on the basis of the information provided, the Secretary considers that there is insufficient reason to believe that the child or young person is at risk of significant harm.

**Note—**

Under section 248, the Secretary may direct certain bodies, including the NSW Police Force, a government department or agency, a public authority, a school, a local health district and a hospital to furnish the Secretary with information concerning the safety, welfare and well-being of a child or young person.

Under section 17(2), the Secretary may request government departments or agencies, or non-government agencies in receipt of government funding, to provide prioritised access to services to children or young persons who are at risk of significant harm and to their families.

**31 Matters for consideration**

In determining how to make investigations and assessment in accordance with section 30 in the case of a young person, the Secretary must have regard to any known wish expressed by the young person that he or she did not want a report to be made, taking into account the age of the young person and the extent to which the young person, and other children and young persons, appear to be at risk of significant harm.

**32 Initial identification—Aboriginals and Torres Strait Islanders**

If the Secretary has reason to believe that a child or young person who is the subject of a report may be an Aboriginal or Torres Strait Islander, the Secretary is to make such inquiries as are reasonable in the circumstances to determine whether the child or young person is in fact an Aboriginal or Torres Strait Islander.

**33 Investigation if allegation made against staff of Department**

(1) If a report alleges abuse of a child or young person by a person employed in that part of the Department comprising those members of staff who are principally involved in the administration of this Act, the Secretary must arrange for the report to be
investigated in accordance with arrangements made between the Secretary and the Ombudsman.

(2) A person appointed in accordance with those arrangements may exercise the functions of the Secretary under this Chapter.

Note—
Sections 25C and 25D of the Ombudsman Act 1974 make provision with respect to the notification of the Ombudsman by the Secretary of child abuse by employees of the Department.

Chapter 4 Children and young persons in need of care and protection

Part 1 Action taken by Secretary

34 Taking of action by Secretary

(1) If the Secretary forms the opinion, on reasonable grounds, that a child or young person is in need of care and protection, the Secretary is to take whatever action is necessary to safeguard or promote the safety, welfare and well-being of the child or young person.

(2) Without limiting subsection (1), the action that the Secretary might take in response to a report includes the following—

(a) providing, or arranging for the provision of, support services for the child or young person and his or her family,

(a1) offering alternative dispute resolution processes to the family of the child or young person as referred to in section 37,

Note—
Section 37(1A) requires the Secretary, on determining that a child or young person is at risk of significant harm, to offer these processes to the family of the child or young person (subject to certain exceptions) before seeking care orders.

(b) development, in consultation with the parents (jointly or separately), of a care plan to meet the needs of the child or young person and his or her family that—

(i) does not involve taking the matter before the Children’s Court, or

(ii) may be registered with the Children’s Court, or

(iii) is the basis for consent orders made by the Children’s Court,

(b1) development, in consultation with one or more primary care-givers for a child or young person, of a parent responsibility contract instead of taking a matter concerning the child’s or young person’s need for care and protection before the Children’s Court (except in the event of a breach of the contract),
ensuring the protection of the child or young person by exercising the Secretary’s emergency protection powers as referred to in Part 1 of Chapter 5,

(d) seeking appropriate orders from the Children’s Court.

Note—
In considering what action to take under this section, the Secretary is to have regard to the grounds under section 71 on which the Children’s Court may make a care order.

35 Decision against taking action

(1) The Secretary may decide to take no action if the Secretary considers that proper arrangements exist for the care and protection of the child or young person and the circumstances that led to the report have been or are being adequately dealt with.

(2) If the Secretary decides to take no action, the Secretary must make a record of the reasons for the decision.

36 Principles of intervention

(1) In deciding the appropriate response to a report concerning a child or young person, the Secretary must have regard to the following principles—

(a) The immediate safety, welfare and well-being of the child or young person, and of other children or young persons in the usual residential setting of the child or young person, must be given paramount consideration.

(b) Subject to paragraph (a), any action must be appropriate to the age of the child or young person, any disability the child, young person or his or her family members have, and the circumstances, language, religion and cultural background of the family.

(c) Removal of the child or young person from his or her usual caregiver may occur only where it is necessary to protect the child or young person from the risk of serious harm.

(2) The principles in this section are to be applied in priority to the principles in section 9 in deciding the appropriate response to a report concerning a child or young person.

Part 2 Use of alternative dispute resolution

37 Alternative dispute resolution by Secretary

(1) In responding to a report, the Secretary must consider the appropriateness of using alternative dispute resolution processes that are designed—

(a) to ensure intervention so as to resolve problems at an early stage, and

(b) to reduce the likelihood that a care application will need to be made under
Chapter 5, and

c) to reduce the incidence of breakdown in adolescent-parent relationships, and

d) if an application for a care order under Chapter 5 is made, to work towards the
making of consent orders that are in the best interests of the child or young
person concerned.

(1A) If the Secretary determines that a child or young person is at risk of significant harm,
the Secretary must offer alternative dispute resolution processes to the family of the
child or young person before seeking care orders from the Children's Court.

(1B) Subsection (1A) does not apply in relation to the family of a child or young person if
the Secretary forms the opinion on reasonable grounds that their participation in
alternative dispute resolution processes would not be appropriate due to exceptional
circumstances.

(1C) If the Secretary becomes aware of criminal proceedings or a police investigation that
may be compromised if alternative dispute resolution processes are offered under
subsection (1A), the Secretary—

(a) must seek the advice of the Commissioner of Police as to the likely effect of the
processes, and

(b) is not required to offer the processes if the Secretary determines that it is not
appropriate to do so after taking the advice into account.

(1D) Subsection (1A) does not affect the Secretary’s obligation under section 34(1) and is
subject to sections 35(1) and 36.

(2) Participation in any such alternative dispute resolution is voluntary.

(3) (Repealed)

Note—
Within this provision, models for conferencing may be developed to accommodate the unique requirements of a
community (whether cultural, geographic or language), the complexities of the case, or the nature and severity
of the abuse suffered by the child or young person.

Part 3 Care plans and parent responsibility contracts

Division 1 Care plans

38 Development and enforcement of care plans

(1) A care plan, developed by agreement in the course of alternative dispute resolution,
may be registered with the Children’s Court and may be used as evidence of an
attempt to resolve the matter without bringing a care application in accordance with
Part 2 of Chapter 5.

Note—

Section 38F provides that a care plan or parent responsibility contract is taken to be registered with the Children’s Court when it is filed with the registry of the Court without the need for any order or other further action by the Court.

(2) A care plan that allocates parental responsibility, or aspects of parental responsibility, to any person other than the parents of the child or young person, takes effect only if the Children’s Court makes an order by consent to give effect to the proposed changes in parental responsibility.

(2A) If the Children’s Court is satisfied of the matters set out in subsection (2B), the Court may make an order referred to in subsection (2)—

(a) without the need for a care application under Part 2 of Chapter 5, and

(b) without the need to be satisfied of the existence of any of the grounds under section 71, and

(c) in the case of a proposed guardianship order, without the need to be satisfied of the existence of the ground under section 79A(3)(a).

(2B) The matters of which the Children’s Court must be satisfied for the purposes of subsection (2A) are as follows—

(a) the proposed order will not contravene the principles of this Act,

(b) the parties to the care plan understand its provisions and have freely entered into it,

(c) in the case of a party other than the Secretary, the party has received independent legal advice concerning the provisions to which the proposed order will give effect and the nature and effect of the proposed order.

Note—

Section 98 provides that in proceedings with respect to a child or young person, the child or young person (among others) may appear in person or be legally represented.

(3) The Children’s Court may make such other orders by consent for the purpose of giving effect to a care plan (being orders of the same kind as it could make in a care application that is duly made under Part 2 of Chapter 5) without the need for a care application under that Part and without the need to be satisfied of the existence of any of the grounds under section 71 if the Court is satisfied that—

(a) the proposed order will not contravene the principles of this Act, and

(b) the parties to the care plan understand its provisions and have freely entered into it, and
(c) in the case of a party other than the Secretary, the party has received independent advice concerning the provisions to which the proposed order will give effect.

(4) Section 79B(1A) and (8)(b) and (c) apply to the Secretary in seeking a guardianship order to give effect to a care plan pursuant to this section in the same way as they apply to the Secretary in making an application, and to an applicant, for a guardianship order.

(5) Section 79B(9) and (10) apply to a care plan referred to in subsection (4).

Division 2 Parent responsibility contracts

38A Parent responsibility contracts

(1) A parent responsibility contract is either or both of the following—

(a) an agreement between the Secretary and one or more primary care-givers for a child or young person that contains provisions aimed at improving the parenting skills of the primary care-givers and encouraging them to accept greater responsibility for the child or young person,

(b) an agreement between the Secretary and either or both expectant parents whose unborn child is the subject of a pre-natal report under section 25 that contains provisions aimed at improving the parenting skills of the prospective parent and reducing the likelihood that the child will be at risk of significant harm after birth.

(2) A parent responsibility contract must—

(a) be in writing, and

(b) be signed by the Secretary and each primary care-giver or each expectant parent who is to be a party to the contract, and

(c) be in the form (if any) prescribed by the regulations, and

(d) be registered with the Children’s Court, and

(e) specify the period (not exceeding 12 months) during which the contract will (unless varied under section 38B) be in force, commencing on the date on which the agreement is registered with the Children’s Court, and

(f) specify the circumstances in which a breach of a term of the contract by a party to the contract will authorise the Secretary to file a contract breach notice with the Children’s Court.

(3) No more than one parent responsibility contract may be entered into within any period of 18 months between the Secretary and any of the same primary care-givers.
for a child or young person.

(4) Before entering into a parent responsibility contract, the Secretary must give the other proposed parties to the contract a reasonable opportunity to obtain independent advice concerning the provisions of the contract.

(5) Without limiting subsection (1), a parent responsibility contract may make provision for or with respect to any or all of the following—

(a) attendance of a party to the contract for treatment for alcohol, drug or other substance abuse during the term of the contract,

(b) attendance of a party to the contract for counselling,

(c) requirements relating to alcohol or drug testing that a party to the contract must undergo during the term of the contract,

(d) permitting information about the contract (including compliance with the contract) to be shared between persons and agencies involved in the implementation of the provisions of the contract,

(e) participation in courses aimed at improving the parenting skills of any party to the contract (including, for example, courses relating to behavioural management and financial management),

(f) monitoring of compliance with the terms of the contract.

(6) However, a parent responsibility contract may not make provision for or with respect to any of the following—

(a) the allocation of parental responsibility for a child or young person,

(b) the placement of a child or young person in out-of-home care.

Note—
Care plans may make provision for the allocation of parental responsibility.

(7) Any term of a parent responsibility contract that makes provision for or with respect to a matter referred to in subsection (6) has no effect.

(8) A parent responsibility contract takes effect only if (and when) it is registered with the Children’s Court.

Note—
Section 38F provides that a care plan or parent responsibility contract is taken to be registered with the Children’s Court when it is filed with the registry of the Court without the need for any order or other further action by the Court.

(9) The Secretary is to cause a copy of the parent responsibility contract to be given to
each other party to the contract as soon as is reasonably practicable after it is registered with the Children’s Court.

(10) A parent responsibility contract remains in force for the period specified in the contract, unless sooner terminated.

(11) The period for which the parent responsibility contract has effect may be specified by reference to a fixed or ascertainable period or by reference to the occurrence of a specified future event.

38B Amendment of parent responsibility contracts

(1) The Secretary may, with the agreement of the other parties to a parent responsibility contract, vary any of the terms of the contract (but not so as to increase the period during which the contract is to be in force beyond 12 months).

(2) A varied parent responsibility contract has effect only if (and when) a copy of the contract that includes the variations made to it is registered with the Children’s Court.

(3) A registered varied parent responsibility contract has effect as such only from the date it is registered until the end of the period originally specified in the contract for its duration or for the period as varied by agreement under this section.

38C Termination of parent responsibility contracts

(1) The Secretary may terminate a parent responsibility contract before the expiry of the period specified in the contract for its duration (the contract period) by—

(a) filing a contract breach notice with the Children’s Court, or

(b) causing a notice terminating the contract (a termination notice) to be served on each other party to the contract.

(2) The Secretary may cause a termination notice to be served on each other party to the contract for any reason and at any time during the contract period.

(3) If a parent responsibility contract is terminated by service of a termination notice, the Secretary is to cause the registry of the Children’s Court to be notified of the termination of the contract as soon as is reasonably practicable after its termination.

38D Effect of parent responsibility contract

(1) A parent responsibility contract may be used as evidence of an attempt to resolve a matter concerning a child’s or young person’s need for care and protection without bringing a care application in accordance with Part 2 of Chapter 5.

(2) A refusal by a primary care-giver for a child or young person to enter into a parent responsibility contract may also be used as evidence of an attempt to resolve a matter concerning the child’s or young person’s need for care and protection without bringing
a care application in accordance with Part 2 of Chapter 5.

(3) Except to the extent that this Division or any other provision of this Act provides otherwise—

(a) a parent responsibility contract does not create a legally enforceable agreement, and

(b) any failure to comply with the terms of such a contract (or any thing done or omitted to be done in connection with the negotiation of, or entry into, the contract) does not give rise to civil liability of any kind.

38E Contract breach notices

(1) The Secretary may file a *contract breach notice* with the Children’s Court in relation to a parent responsibility contract if—

(a) a party to the contract has breached a term of the contract, and

(b) the contract authorises the Secretary to file a contract breach notice with the Children’s Court for breaches of the kind committed by any party to the contract.

(2) A contract breach notice must state the following matters—

(a) the name of the party to the contract who is alleged to have breached the parent responsibility contract,

(b) each provision of the parent responsibility contract that the party to the contract is alleged to have breached,

(c) the manner in which the party to the contract is alleged to have breached the provision,

(d) the care orders that the Secretary will seek from the Children’s Court in respect of the child or young person concerned,

(e) such other matters as may be prescribed by the regulations.

(3) The Secretary is to cause a copy of a contract breach notice filed with the Children’s Court (along with a copy of the parent responsibility contract) to be served on each of the following persons as soon as is reasonably practicable after filing the notice—

(a) each party to the parent responsibility contract,

(b) the child or young person for whom the party breaching the contract is a primary care-giver.

(4) (Repealed)

(5) A reference in this Act to the Secretary duly filing a contract breach notice is a
Division 3 Registration of care plans and parent responsibility contracts

38F When registration occurs

A care plan or parent responsibility contract is taken to be registered with the Children’s Court when it is filed with the registry of the Court without the need for any order or other further action by the Court.

38G Registration does not make care plans and parent responsibility contracts court documents

(1) The registration of a care plan or a parent responsibility contract with the Children’s Court does not make the plan or contract a document of the Court.

(2) Accordingly, a party to a registered care plan or registered parent responsibility contract does not require the leave or other consent of the Children’s Court to provide a copy of the plan or contract to any other person or to use the plan or contract in any proceedings in another court or tribunal.

Part 4 Miscellaneous

39A Care responsibility on death of guardian or carer with full parental responsibility

(1) On the Secretary becoming aware of the death of a relevant guardian or carer of a child or young person, the care responsibility for the child or young person vests in the Secretary until—

(a) the expiry of 21 days after the day on which the Secretary first became aware of the death, or

(b) an order is made by a court of competent jurisdiction, that allocates parental responsibility for the child or young person,

whichever occurs first.

(2) Without limiting any other action the Secretary may take under this Act, the Secretary is, while having the care responsibility for the child or young person, to make any investigations and assessment that the Secretary considers necessary to determine the most appropriate care arrangements for the child or young person.

(3) The Secretary may delegate the Secretary’s care responsibility for the child or young person to a relative or kin of the child or young person, an authorised carer or a person approved by the Children’s Guardian.
(4) Despite subsection (3), the Secretary may delegate the Secretary’s care responsibility for the child or young person on an interim basis to a person other than a person specified in subsection (3) but must use his or her best endeavours to delegate that responsibility to a person so specified as soon as is reasonably practicable.

(5) The exercise of the care responsibility by a person to whom it is delegated under this section is subject to any direction given to the person by the Secretary.

(6) In this section—

**relevant guardian or carer** of a child or young person means—

(a) a person who was the sole guardian or (in the case of a guardianship order allocating parental responsibility jointly to more than one person) the surviving guardian, of the child or young person, immediately before the death of the person, or

(b) a person who held, solely, all aspects of parental responsibility for the child or young person pursuant to an order under section 79(1)(f) or (in the case of an order allocating parental responsibility jointly to more than one person) the surviving person who held that parental responsibility, immediately before the death of the person.

39–41  (Repealed)

42  Sexually abusive behaviour by certain children and young persons

(1) If the Secretary is aware that a child who is not less than 10 years of age but less than 14 years of age has exhibited sexually abusive behaviour, the Secretary must inform a police officer of all relevant circumstances before making a decision whether or not to apply for a care order under Chapter 5.

(2) The Secretary is not required to inform a police officer in compliance with this section if information of all relevant circumstances has been made to a police officer by another person.

Chapter 5 Children’s Court proceedings

Part 1 Emergency protection and assessment

Division 1 Emergency removal

43  Removal of children and young persons without warrant

(1) If the Secretary or a police officer is satisfied, on reasonable grounds—

(a) that a child or young person is at immediate risk of serious harm, and

(b) that the making of an apprehended violence order would not be sufficient to
(2) If the Secretary or a police officer suspects a person is a child and suspects on reasonable grounds—

(a) that the person is in need of care and protection, and

(b) that the person is not subject to the supervision or control of a responsible adult, and

(c) that the person is living in or habitually frequenting a public place,

the Secretary or police officer may (without the need for any authority other than that conferred by this subsection) remove the person from any public place.

(3) If the Secretary or a police officer suspects a person is a child or young person and suspects on reasonable grounds—

(a) that the person is in need of care and protection, and

(b) that the person—

(i) is or has recently been on any premises where prostitution or acts of child prostitution take place or where persons are used for the production of child abuse material, or

(ii) is or has recently been participating in an act of child prostitution in any place or is being or has recently been used for the production of child abuse material in any place,

the Secretary or police officer may (without the need for any authority other than that conferred by this subsection) remove the person from the premises or place or any such adjacent place.

(4) For the purposes of this section, the Secretary or a police officer may (without the need for any authority other than that conferred by this subsection)—

(a) enter any premises or place in which the Secretary or police officer suspects the child or young person (or the person suspected on reasonable grounds of being a child or young person) may be, and

(b) enter the premises or place (and any adjacent place, if the Secretary or police officer suspects on reasonable grounds that the person, having just left the premises or place, is in the adjacent place), and
(c) search for the person in the premises or place and in any such adjacent place.

(5) Until a person removed under this section is placed in the care responsibility of the Secretary, the person must be kept separately from any persons who are detained for committing offences, who are on remand or who are subject to an order under section 33(1)(g) of the *Children (Criminal Proceedings) Act 1987*.

(6) A person authorised to exercise powers by a subsection of this section may exercise any or all of the powers, as appropriate in the circumstances.

(7) In this section—

- **act of child prostitution** has the same meaning as in section 91C of the *Crimes Act 1900*.

- **child abuse material** has the same meaning as it has in Division 15A of Part 3 of the *Crimes Act 1900*.

- **place** means any place, whether or not a public place, and whether or not on premises.

Note—
Part 3 of Chapter 15 (Removal of persons and entry of premises and places) confers various ancillary powers on persons who exercise functions under this section.

### 44 Secretary may assume care responsibility of child or young person in hospital or other premises

(1) If the Secretary—

(a) suspects on reasonable grounds that a child or young person is at risk of serious harm, and

(b) is satisfied that it is not in the best interests of the child or young person that the child or young person be removed from the premises in which he or she is currently located,

the Secretary may, instead of removing the child or young person from the premises under a power of removal conferred by or under this Act, assume the care responsibility of the child or young person by means of an order in writing, signed by the Secretary and served on the person (whether or not a parent of the child or young person) who appears to the Secretary to be in charge of the premises.

(2) An order under this section does not cease to have effect merely because the child or young person to whom it relates is transferred to different premises.

### 45 Application to Children’s Court for care order

(1) If a child or young person is removed from premises or a place under a power of
removal conferred by or under this Act or the care responsibility of a child or young person is assumed by an order under section 44, the Secretary must make a care application in the Children’s Court for one or more of the following care orders in respect of the child or young person—

(a) an emergency care and protection order,

(b) an assessment order (within the meaning of Division 6 of this Part),

(c) any other care order.

(1A) The care application must be made within 3 working days after the day (the relevant day) on which the removal or assumption of care responsibility occurs. If this would permit the care application to be made more than 5 days after the relevant day, the application must instead be made no later than on the fifth day after the relevant day or (if the fifth day is not a working day) no later than the first working day after that fifth day. A working day is any day that is not a Saturday, Sunday or public holiday.

(2) On the hearing of the application, the Secretary must explain to the Children’s Court why the removal of the child or young person without a warrant was considered to be necessary.

(3) Despite subsection (1), the Secretary is not required to apply for any order of the Children’s Court if the Secretary considers that no order is necessary, but the Secretary must explain to the Children’s Court at the first available opportunity why no care application was made.

(4) Sections 61, 64, 67, 68, 70 and 90A apply to an application for an emergency care and protection order. The other provisions of Part 2 do not apply to such an order.

Note—

This section holds the Secretary accountable for the serious decision to remove a child or young person from his or her family suddenly.

If the Children’s Court considers that the removal of the child or young person was not warranted in terms of the Act, or was conducted in an inappropriate manner, adverse comment could be made in court or other steps taken to draw the matter to the attention of the Minister. However, the making of an order should not be refused, or the child or young person discharged from the care responsibility of the Secretary, only because of the inappropriate manner of the removal. The paramount issue for the Children’s Court is the safety of the child or young person and not the procedural failures of those with the statutory responsibility for the protection of children and young persons.

In the case of removal pursuant to a warrant issued by an authorised officer under section 233, the authorised officer who issues the warrant should first consider whether the child or young person could be adequately protected if an apprehended violence order were sought which might provide for the removal of the alleged perpetrator. The matter should be brought before the Children’s Court at the first available opportunity and an emergency care and protection order sought if further protection is necessary.
Division 2 Emergency care and protection orders

46 Emergency care and protection orders

(1) The Children’s Court may make an order for the emergency care and protection of a child or young person if it is satisfied that the child or young person is at risk of serious harm.

(2) The order, while in force, places the child or young person in the care responsibility of the Secretary or the person specified in the order.

(3) The order has effect for a maximum period of 14 days, unless the order is extended in accordance with subsection (4).

(4) An order under this section may, while the order remains in force, be extended once only for a further maximum period of 14 days.

(5) If an application is made for the extension of an order under this section before the order expires, the order remains in force until the Children’s Court makes a final determination on the application, even if that occurs after the original expiry date.

47 (Repealed)

Division 3 Other removal authorised by the Children’s Court

48 Removal of child or young person pursuant to order of Children’s Court

On the making of a care application in respect of a child or young person—

(a) the Children’s Court may make an order for the removal of the child or young person from any one or more premises or places specified or described in the order, and

(b) the Secretary or a police officer may, pursuant to the order, enter any premises or place so specified or described, search the premises or place for the presence of the child or young person and remove the child or young person from the premises or place.

Division 4 Who has care responsibility?

49 Care of child or young person pending care proceedings

(1) If a child or young person is removed from the care of his or her parent or parents under this Part or a warrant issued under section 233—

(a) the child or young person is to be kept at a place approved by the Minister for the purposes of this section, and

(b) the Secretary has the care responsibility for the child or young person.
(2) The Children’s Court may, by order, vest the care responsibility in a designated agency.

(3) The Secretary or designated agency having the care responsibility for the child or young person may delegate that responsibility to a relative of the child or young person, an authorised carer or a person approved by the Children’s Guardian.

(4) Despite subsection (3), the Secretary may delegate the care responsibility for the child or young person on an interim basis to a person other than a person specified in subsection (3) but must use his or her best endeavours to delegate that responsibility to a person so specified as soon as is reasonably practicable.

(5) The exercise of the care responsibility by a person referred to in subsection (3) or (4) is subject to any direction given to the person by the Secretary or the designated agency that made the delegation.

50 Discharge of child or young person from Secretary’s care responsibility

(1) The Secretary may, at any time, discharge a child or young person from the Secretary’s care responsibility with or without any undertakings being given by the child or young person or by a parent of the child or young person.

(2) An undertaking, if given, is to be in writing and signed by the person giving it.

(3) In determining whether or not to exercise the power under subsection (1), the Secretary is to have regard to the following—

   (a) any views expressed by the child or young person as to whether he or she wishes that power to be exercised,

   (b) any views expressed by the child or young person as to whether he or she intends to return to the care and protection of a parent,

   (c) whether the exercise by the Secretary of that power is likely to protect the safety, welfare and well-being of the child or young person,

   (d) whether the failure by the Secretary to exercise that power is likely to endanger the safety, welfare and well-being of any other person.

(4) If the Secretary discharges the child or young person from the Secretary’s care responsibility following an order of the Children’s Court, the Secretary must explain to the Children’s Court at the next sitting day of the Court why the Secretary’s care responsibility was no longer needed.

Division 5 What information must be given following removal?

Note—
Section 234 requires a person who removes a child or young person from any premises or place under this Act to give certain
information to the person (if any) on the premises or at the place who appears to have the care responsibility of the child or young person and, in the case of a child who is of or above the age of 10 years or a young person, to the child or young person.

51 Duty of Secretary to give information to certain persons

(1) If a child or young person is in the care responsibility of the Secretary under this Part or a warrant issued under section 233, the Secretary—

(a) must, as soon as practicable, cause notice of the fact that the child or young person is in the care responsibility of the Secretary, and the fact that an application may be made to the Secretary for the discharge of the child or young person from the care responsibility of the Secretary and the procedures for making such an application, to be given to—

(i) in the case of a child who is of or above the age of 10 years or a young person—the child or young person, and

(ii) in the case of a young person—such person as the young person may nominate, being a person who can reasonably be located, and

(iii) each parent of the child or young person who can reasonably be located, and

(b) must, in the case of a child, ensure that the child’s parents are kept informed of the whereabouts of the child—

(i) if the Secretary has no reason to believe that the disclosure of the child’s whereabouts would be prejudicial to the safety, welfare, well-being or interests of the child—by disclosing the whereabouts of the child, or

(ii) if the Secretary has reason to believe that the disclosure of the child’s whereabouts would be prejudicial to the safety, welfare, well-being or interests of the child—by disclosing only information about the whereabouts of the child that is not high level identification information.

(2) The Children’s Court, on the hearing of any application made in respect of a child high level identification information about whom has not been disclosed to a parent of the child, may order that the Secretary disclose such of the high level identification information about the child to such of the parents of the child as it may direct.

(3) Failure to comply with any provision of this section does not invalidate anything done under any other provision of this Act.

Note—

If a child or young person is in the care responsibility of the Secretary, high level identification information about the child or young person may be released only on an order of the Children’s Court under this section (or under section 154, if it is a temporary care arrangement).
**Division 6 Examination and assessment orders**

### 52 Definition of “assessment order”

In this Division—

(a) an order made under section 53 is referred to as an **assessment order**, and

(b) a reference to **assessment** includes, in the case of an order for the physical, psychological, psychiatric or other medical examination of a child or young person, a reference to such examination.

### 53 Making of assessment orders

(1) The Children’s Court may make an order for—

(a) the physical, psychological, psychiatric or other medical examination of a child or young person, or

(b) the assessment of a child or young person,

or both.

(2) An assessment order authorises a person carrying out the assessment, or any part of the assessment, to do so in accordance with the terms of the order.

(3) The carrying out of a medical examination under such an order is not limited to an examination made only by use of the senses but includes the taking and analysis of samples and the use of any machine or device that enables or assists in the examination of a person.

(4) Despite subsections (2) and (3), if a child or young person is of sufficient understanding to make an informed decision, the child or young person may refuse to submit to a physical, psychological, psychiatric or other medical examination or an assessment.

### 54 Assessment of person’s capacity for parental responsibility

(1) The Children’s Court may, for the purposes of an assessment order, appoint a person to assess the capacity of a person with parental responsibility, or who is seeking parental responsibility, for a child or young person to carry out that responsibility.

(2) Such an assessment may be carried out only with the consent of the person whose capacity is to be assessed.

(3) This Division applies to such an assessment in the same way as it applies to the assessment of a child or young person.
55 Application for order

(1) An assessment order may be made on the application of—

(a) the Secretary, or

(b) if a care application has been made in respect of the child or young person, a party to the application.

(2) An assessment order may be made whether or not an application has been made for any other care order, including an emergency care and protection order, in respect of the child or young person.

56 Matters for consideration in making an assessment order

(1) In considering whether to make an assessment order, the Children’s Court is to have regard to the following—

(a) whether the proposed assessment is likely to provide relevant information that is unlikely to be obtained elsewhere,

(b) whether any distress the assessment is likely to cause the child or young person will be outweighed by the value of the information that might be obtained,

(c) any distress already caused to the child or young person by any previous assessment undertaken for the same or another purpose,

(d) any other matter the Children’s Court considers relevant.

(2) In making an assessment order, the Children’s Court must ensure that a child or young person is not subjected to unnecessary assessment.

57 Information concerning assessment

(1) A child or young person must be informed about the reasons for the assessment in language and a manner that he or she can understand having regard to his or her development and the circumstances.

(2) The parties to an application for an assessment order are to be given an opportunity to provide the Children’s Court with relevant information for consideration by the person who is to carry out the assessment.

58 Provision of assessment reports and other information

(1) If the Children’s Court makes an assessment order, it is to appoint the Children’s Court Clinic to prepare and submit the assessment report concerning the child or young person to it, unless the Children’s Court Clinic informs the Children’s Court that—

(a) it is unable to prepare the assessment report, or
(b) it is of the opinion that it is more appropriate for the assessment report to be prepared by another person.

(2) If the Children’s Court Clinic informs the Children’s Court that it is unable to prepare the assessment report or that it is of the opinion that it is more appropriate for the assessment report to be prepared by another person, the Children’s Court is to appoint a person whose appointment is, so far as possible, to be agreed to by the child or young person being assessed, the parents or other persons who have parental responsibility for the child or young person and the Secretary.

(3) The Children’s Court may, of its own motion, order—

(a) the Children’s Court Clinic, or

(b) a person appointed under subsection (2),

to provide the Court with such other information as may be within the expertise of the Children’s Court Clinic or the appointed person (as the case requires) to provide.

(4) The Children’s Court may order the Children’s Court Clinic to provide any such information regardless of whether an assessment order has been made in relation to the child or young person concerned.

(5) Any information provided to the Children’s Court pursuant to an order under subsection (3) is taken to be a report to the Children’s Court rather than evidence tendered by a party.

59 Evidentiary status of assessment report

An assessment report submitted to the Children’s Court under this Division is taken to be a report to the Children’s Court rather than evidence tendered by a party.

Part 2 Care applications

60 Definitions

In this Act—

*care application* means an application for a care order.

*care order* means an order under this Chapter for or with respect to the care and protection of a child or young person, and includes a contact order under section 86 but does not include a parent capacity order.

*care proceedings* means proceedings under this Chapter.

61 Applications for care orders

(1) A care order may be made only on the application of the Secretary, except as
provided by this Chapter.

(1A) A care application must specify the particular care order sought and the grounds on which it is sought.

(2) A care application must be accompanied by a written report specifying such information as may be prescribed for the purposes of this section by the rules made under the Children’s Court Act 1987.

(2A) However, a written report is not required to accompany a care application if—

(a1) the application is for a variation of an interim order under section 90AA, or

(a) the application is for the rescission or variation of a care order under section 90, or

(b) such a report has previously been provided to the Children’s Court in relation to the child or young person concerned.

(3) The order sought may be varied—

(a) without the leave of the Children’s Court at any time before a determination is made under section 72 in relation to the care application concerned, and

(b) after such a determination is made—only with the leave of the Children’s Court.

Note—

Section 34 requires the Secretary to consider a variety of alternative means to provide for the safety, welfare and well-being of the child or young person before commencing proceedings in the Children’s Court.

Section 37(1A) requires the Secretary, on determining that a child or young person is at risk of significant harm, to offer alternative dispute resolution processes to the family of the child or young person (subject to certain exceptions) before seeking care orders.

Section 71 sets out the various grounds that enable the making of a care order.

61A Applications for care orders by filing contract breach notices

(1) If the Secretary duly files a contract breach notice with the Children’s Court, the filing of the notice is an application for the care orders specified in the notice.

(2) If a care application is made by filing a contract breach notice, references to a parent in the provisions of this Part relating to the making and determination of a care application in respect of a child or young person are to be read as including a reference to a primary care-giver for the child or young person who is a party to the parent responsibility contract concerned even if he or she is not a parent of the child or young person.

(3) Accordingly, the Children’s Court may make the same kinds of orders in respect of such a primary care-giver for a child or young person as the Court may make in
respect of a parent of the child or young person.

(4) Sections 63 (Evidence of prior alternative action) and 64 (Notification of care applications) do not apply to a care application that is made by filing a contract breach notice.

Note—
Section 38E(3) requires the Secretary to notify the other parties to a parent responsibility contract and the children and young persons for whom they are primary care-givers that a contract breach notice has been filed with the Children’s Court.

62 Interim and final orders

A care order may be made as an interim order or a final order, except as provided by this Part.

63 Evidence of active efforts to take alternative action

(1) When making a care application in relation to a child or young person, the Secretary must provide evidence to the Children’s Court of the following—

(a) the active efforts made by the Secretary, in accordance with the principle of active efforts, before the application was made and the reasons the active efforts were unsuccessful,

(b) the alternatives to a care order that were considered by the Secretary before the application was made and the reasons the alternatives were not considered appropriate.

(2) Without limiting subsection (1), the Secretary must provide evidence that, before making the care application, active efforts were made to—

(a) provide, facilitate or assist with support for the safety, welfare and well-being of the child or young person, including support for the parents of the child or young person, and

(b) consider any of the following actions that are relevant—

(i) a parent responsibility contract,

(ii) a parent capacity order,

(iii) a temporary care arrangement under Chapter 8, Part 3, Division 1,

(iv) an alternative dispute resolution process under section 37.

(3) Subsections (1)(a) and (2) do not apply in relation to a care application that is seeking an emergency care and protection order.

(4) The Children’s Court may adjourn proceedings if the Court is not satisfied with the
evidence provided by the Secretary under subsection (1).

Note—

See also sections 69 and 70, which provide that the Children’s Court may make interim care orders in relation to a child or young person and any other interim orders the Children’s Court considers appropriate for the safety, welfare and well-being of a child or young person pending the conclusion of the proceedings, including less intrusive interim orders.

(5) If the Children’s Court is not satisfied with the evidence provided by the Secretary under subsection (1), the Court must not take either of the following actions unless the Court is satisfied that taking the action is in the best interests of the safety, welfare and well-being of the child or young person—

(a) dismiss a care application in relation to the child or young person,

(b) discharge the child or young person from the care responsibility of the Secretary.

64 Notification of care applications

(1) Persons having parental responsibility The Secretary is required to make reasonable efforts to notify the parents of a child or young person of the making of a care application by the Secretary in relation to the child or young person.

(2) Children and young persons The Secretary is required to notify a child or young person who is the subject of a care application of the making of the application.

(3) A notification under subsection (2) is to be made in language and in a manner that the child or young person can understand having regard to his or her development and the circumstances.

(4) Application for care order In particular, the Secretary must, as soon as practicable after a care application is made in relation to a child or young person, cause a copy of the application, together with copies of all reports, supporting affidavits and other documentary evidence that accompanied the application, to be served on the parents of the child or young person who can reasonably be located, subject to section 64A.

(5) The copy of the care application must be written and arranged in such a form that there is a reasonable likelihood that its contents will be understood by the person on whom it is served.

(6) Effect of failure to comply with this section Failure to comply with the requirements of this section in relation to a care application does not invalidate the application or any decision of the Children’s Court on the application.

(7) Notification not to be given in certain circumstances Despite the other provisions of this section, the Children’s Court may—

(a) order the Secretary—
(i) not to notify a child or young person of any application, or

(ii) not to serve a copy of an application or any supporting documentary evidence on a particular parent of any child or young person, or

(b) order a parent not to show an application or documents, or any particular information in the application or documents, to the parent’s child or young person and not to tell the child or young person about the application or document or any particular information in it.

(8) The Children’s Court may make an order under subsection (7) only if the Children’s Court is of the opinion that—

(a) the prejudicial effect of the child’s or young person’s being unaware of the application or information is outweighed by the psychological harm that is likely to be caused to the child or young person if the child or young person is notified or becomes aware of the application, or

(b) it would otherwise be detrimental to the safety, welfare or well-being of the child or young person if that child or young person is notified or becomes aware of the application.

Note—

The participation of children and young persons in decisions made under or pursuant to this Act that have a significant impact on their life as referred to in section 10 requires information, if appropriate, about a care application to be provided to the child or young person.

64A Evidence in the form of a recording

(1) In this section, recording means—

(a) an audio recording, or

(b) a video recording, or

(c) a video recording accompanied by a separately but contemporaneously recorded audio recording.

(2) If—

(a) any evidence in support of a care application in relation to a child or young person comprises a recording, and

(b) the Secretary considers it would be inappropriate for the parents of the child or young person to be given a copy of the recording,

the Secretary may decline to cause a copy of the recording to be served on the parents under section 64(4) and, instead, must serve a notice on the parents that complies with subsection (3).
(3) The notice must—
   (a) be in writing, and
   (b) specify each recording proposed to be used in evidence, and
   (c) inform the parents that they, and their lawyer, are entitled to listen to or view the recording at a place nominated by the Secretary and at a mutually convenient time, and
   (d) identify the person responsible for arranging access to each recording.

(4) The notice must be given to the parents, or their lawyer, at least 14 days before the care application is heard.

(5) The parents, and their lawyer, are entitled to listen to or view each recording, on one or more occasions, before the care application is heard.

(6) The Children’s Court may, on application of the parents of a child or young person the subject of a care application, direct the Secretary to cause a copy of any recording proposed to be used in evidence in the care application to be served on the parents.

65 Dispute resolution conferences

(1) If it considers it appropriate, the Children’s Court may, before or at any stage during the hearing of a care application, refer the application to a Children’s Registrar to be dealt with under this section.

(1A) The Children’s Registrar is to arrange and conduct a dispute resolution conference between the parties to the care application.

(2) The purpose of a dispute resolution conference is to provide the parties with an opportunity to agree on action that should be taken in the best interests of the child or young person concerned.

(2A) In conducting a dispute resolution conference, a Children’s Registrar is to act as a conciliator between the parties or persons specified in section 86(1A)(b). In so doing—
   (a) the Children’s Registrar should seek to encourage the parties or persons specified in section 86(1A)(b) to agree on action that should be taken in relation to the child or young person concerned (including the formulation of final or interim orders that may be made by consent), or
   (b) if the parties or persons specified in section 86(1A)(b) cannot agree on the action to be taken in relation to the child or young person, the Children’s Registrar should encourage the parties or persons specified in section 86(1A)(b)—
      (i) to identify areas of agreement between the parties or persons specified in section 86(1A)(b), and
(ii) to identify issues in dispute between the parties or persons specified in section 86(1A)(b), and

(iii) to determine the best way of resolving any issues in dispute, and

(iv) to set a timetable for the hearing of the application by the Children’s Court.

(3) A party or person specified in section 86(1A)(b) may be legally represented at a dispute resolution conference.

(4), (5) (Repealed)

65A Referral of matters before the Court to ADR

(1) The Children’s Court may make an order that the parties to a care application participate in an alternative dispute resolution process in relation to the proceedings before the Court or any aspect of those proceedings.

(2) The Children’s Court may make an order under this section—

(a) on its own initiative, or

(b) on the application of a party to the proceedings.

66 Leave to withdraw care application

(1) A care application may be withdrawn by the person who made the application with the leave of the Children’s Court.

(2) An application for leave to withdraw the care application must be accompanied by—

(a) a statement that indicates how the issues that caused the application to be brought have been resolved, or

(b) a care plan that specifies how those issues are proposed to be addressed.

67 Children’s Court order not limited by terms of care application

The making of a care application for a particular care order of the Children’s Court does not prevent the Children’s Court from making a care order different from, in addition to, or in substitution for, the order for which the application was made, provided all prerequisites to the making of the order are satisfied.

67A Consecutive care orders

(1) A care order has effect for the period specified in the order commencing on the date on which the Children’s Court makes the order (or a later date specified in the order).

(2) The period may be specified by reference to the occurrence of a future event described in the order.
(3) Without limiting subsection (2), the Children’s Court may specify that a care order is to take effect at the end of the period for which another care order has effect.

68 Leave to file further documentary evidence

(1) A party to proceedings may, with the leave of the Children’s Court, file further documentary evidence in connection with a care application.

(2) In particular, if documentary evidence has been filed in proceedings and the Children’s Court subsequently determines under section 93(3) that the rules of evidence, or specified rules of evidence, are to apply to the proceedings, the party that filed the documentary evidence may, with the leave of the Children’s Court and for the purpose of complying with the relevant rules, file further evidence or may withdraw all or part of the evidence filed and file alternative evidence.

(3) Before granting leave under this section, the Court must be satisfied that the grant of leave will not result in undue delay in the matter being finalised.

(4) Section 64 applies in respect of any further documentary evidence filed under this section in the same way as it applies to the making of the care application concerned.

69 Interim care orders

(1) The Children’s Court may make interim care orders in relation to a child or young person after a care application is made and before the application is finally determined.

(1A) The Children’s Court may make an interim care order prior to determining whether the child or young person is in need of care and protection, if the Court is satisfied that it is appropriate to do so.

(2) The Secretary, in seeking an interim care order, has the onus of satisfying the Children’s Court that it is not in the best interests of the safety, welfare and well-being of the child or young person that he or she should remain with his or her parents or other persons having parental responsibility.

Note—
Section 49 makes provision for the care of children and young persons pending care proceedings.

70 Other interim orders

The Children’s Court may make such other care orders as it considers appropriate for the safety, welfare and well-being of a child or young person in proceedings before it pending the conclusion of the proceedings.

70A Consideration of necessity for interim care order

An interim care order should not be made unless the Children’s Court has satisfied itself
that the making of the order is necessary, in the interests of the child or young person, and is preferable to the making of a final order or an order dismissing the proceedings.

Note—

Sections 63 and 72 deal with the power of the Children’s Court to dismiss proceedings and section 94 deals with adjournments.

71 Grounds for care orders

(1) The Children’s Court may make a care order in relation to a child or young person if it is satisfied that the child or young person is in need of care and protection for any reason including, without limitation, any of the following—

(a) there is no parent available to care for the child or young person as a result of death or incapacity or for any other reason,

(b) the parents acknowledge that they have serious difficulties in caring for the child or young person and, as a consequence, the child or young person is in need of care and protection,

(c) the child or young person has been, or is likely to be, physically or sexually abused or ill-treated,

(d) subject to subsection (2), the child’s or young person’s basic physical, psychological or educational needs are not being met, or are likely not to be met, by his or her parents or primary care-givers,

(e) the child or young person is suffering or is likely to suffer serious developmental impairment or serious psychological harm as a consequence of the domestic environment in which he or she is living,

(f) in the case of a child who is under the age of 14 years, the child has exhibited sexually abusive behaviours and an order of the Children’s Court is necessary to ensure his or her access to, or attendance at, an appropriate therapeutic service,

(g) the child or young person is subject to a care and protection order of another State or Territory that is not being complied with,

(h) section 171(1) applies in respect of the child or young person.

(i) (Repealed)

(1A) If the Children’s Court makes a care order in relation to a reason not listed in subsection (1), the Court may only do so if the Secretary pleads the reason in the care application.

(2) The Children’s Court cannot conclude that the basic needs of a child or young person are likely not to be met only because of—
(a) a parent’s or primary care-giver’s disability, or

(b) poverty.

(3) This section does not apply to or in respect of a contact order made under section 86(1A)(b).

Note—
The Children’s Court cannot make a care order in circumstances to which section 75(2) applies.

71A Effect of conduct outside New South Wales

For the purposes of this Act, it does not matter whether the conduct constituting a reason for the purposes of section 71 occurred wholly or partly outside the State.

72 Determination as to care and protection

(1) A care order in relation to a child or young person may be made only if the Children’s Court is satisfied that the child or young person is in need of care and protection or that even though the child or young person is not then in need of care and protection—

(a) the child or young person was in need of care and protection when the circumstances that gave rise to the care application occurred or existed, and

(b) the child or young person would be in need of care and protection but for the existence of arrangements for the care and protection of the child or young person made under section 39A (Care responsibility on death of guardian or carer with full parental responsibility), section 49 (Care of child or young person pending care proceedings), section 69 (Interim care orders) or section 70 (Other interim orders).

(2) If the Children’s Court is not so satisfied, it may make an order dismissing the application.

73 Order accepting undertakings

(1) If the Children’s Court, after inquiring into a care application in relation to a child or young person (other than an application for a guardianship order), is satisfied that the child or young person is in need of care and protection—

(a) it may make an order accepting such undertakings (given by a responsible person for the child or young person) as it thinks fit with respect to the care and protection of the child or young person, or

(b) it may make an order accepting such undertakings (given by the child or young person) as it thinks fit with respect to the child’s or young person’s conduct, or

(c) it may make an order accepting undertakings under both paragraphs (a) and (b).
(2) An undertaking referred to in this section—
   (a) is to be in writing signed by the person giving it, and
   (b) remains in force for such period (expiring on or before the day on which the child or young person attains the age of 18 years) as may be specified in the undertaking.

(3) The Children’s Court is to cause a copy of an undertaking referred to in this section to be served on the person giving it.

(4) The Secretary or a party to proceedings in which an order accepting an undertaking was made may notify the Children’s Court of an alleged breach of an undertaking.

(5) The Children’s Court, on being notified of an alleged breach of an undertaking—
   (a) must give the parties an opportunity to be heard concerning the allegation, and
   (b) is to determine whether the undertaking has been breached, and
   (c) if it finds that the undertaking has been breached, make such orders as it considers appropriate in all the circumstances.

(6) An application for further orders under this section is not a variation application under section 90 (Rescission and variation of care orders) and the Children’s Court may make any orders that it could have made when the order for undertakings was made.

(7) In this section—

   **responsible person** for a child or young person means any of the following persons (other than the Secretary or the Minister)—

   (a) a person having parental responsibility or care responsibility for the child or young person,

   (b) a person who is the birth mother, birth father, adoptive mother or adoptive father of the child or young person (whether or not the person has parental responsibility or care responsibility for the child or young person),

   (c) a person who is a primary care-giver for the child or young person (whether or not the person has parental responsibility or care responsibility for the child or young person).

74 Order for provision of support services

(1) The Children’s Court may make an order directing a person or organisation named in the order to provide support for a child or young person (other than a child or young person the subject of an application for a guardianship order, or a proposed guardianship order by consent pursuant to section 38) for such period (not exceeding
12 months) as is specified in the order.

(2) The Children’s Court must not make an order under this section unless—

(a) it gives notice of its intention to consider making the order to the person or
organisation who would be required to provide support pursuant to such an order, and

(b) the person or organisation is given an opportunity to appear and be heard by the
Children’s Court before the Children’s Court makes such an order, and

(c) the person or organisation consents to the making of the order, and

(d) the views of the child or young person in relation to the proposed order have been
taken into account.

(3) The Secretary may be required to provide support pursuant to an order made under
this section.

Note—
The parents of a child or young person cannot be compelled to accept the provision of support services,
particularly if the services relate to the parents rather than to the child or young person.

75 Order to attend therapeutic treatment

(1) The Children’s Court may, subject to this section, make an order—

(a) requiring a child of less than 14 years of age to attend a therapeutic program
relating to sexually abusive behaviours, and

(b) requiring the parents of a child to take whatever steps are necessary to enable a
child to participate in a treatment program,

in accordance with such terms as are specified in the order.

(1A) An order under this section may be made only in respect of a child who has
exhibited sexually abusive behaviour.

(1B) The Children’s Court may, subject to this section, make an order requiring a parent
of a child or young person—

(a) to attend a therapeutic program relating to sexually abusive behaviours, or

(b) to attend any other kind of therapeutic or treatment program,

in accordance with such terms as are specified in the order.

(2) An order cannot be made under this section if—

(a) in the case of an order under subsection (1)—the child is or has been convicted in
criminal proceedings arising from the same sexually abusive behaviours, or
(b) in the case of an order under subsection (1B)(a)—the parent is or has been convicted in criminal proceedings arising from the same sexually abusive behaviours.

(2A) A reference in this section to a therapeutic or treatment program includes a reference to a therapeutic or treatment program that requires a participant to reside at a particular location during the whole or part of the time when the program is being conducted.

(3) An order cannot be made under this section unless the Children's Court has been presented with and has considered the provisions of a treatment plan that outlines the therapeutic program or treatment program proposed for the child or parent (as the case may be).

(4) An order cannot be made under this section in proceedings in relation to an application for a guardianship order, or a proposed guardianship order by consent pursuant to section 38.

76 Order for supervision

(1) The Children's Court may, after inquiry, make an order placing a child or young person in relation to whom a care application (other than an application for a guardianship order) has been made under the supervision of the Secretary if it is satisfied that the child or young person is in need of care and protection.

(2) In making an order under this section, the Children's Court must specify—
(a) the reason for the order, and
(b) the purpose of the order, and
(c) the length of the order.

(3) Unless otherwise provided by this section, the maximum period of supervision under an order under this section is 12 months.

(3A) The Children's Court may specify a maximum period of supervision that is longer than 12 months (but that does not exceed 24 months) if the Children's Court is satisfied that there are special circumstances that warrant the making of an order of that length and that it is appropriate to do so.

(4) The Children's Court may require the presentation of the following reports—
(a) a report before the end of the period of supervision stating the following—
(i) the outcomes of the supervision,
(ii) whether the purposes of the supervision have been achieved,

(iii) whether there is a need for further supervision to protect the child or young person,

(iv) whether other orders should be made to protect the child or young person,

(b) one or more reports during the period of supervision describing the progress of the supervision.

(4A) The Court may consider a report presented under subsection (4) after the period of supervision ends if the Court considers it both—

(a) reasonable in the circumstances, and

(b) in the best interests of the child or young person.

(4B) After considering a report under subsection (4A), the Court may make a new supervision order that ends no later than the day that is 24 months after the order made under subsection (3) or (3A) commenced.

(5) A copy of a report, or part of a report, presented to the Children’s Court under subsection (4) and a copy of any medical or assessment report presented to the Children’s Court may be given by the Children’s Court to the legal representative of the child or young person to whom the report relates.

(6) The Children’s Court may, of its own motion or on the application of the Secretary, and after giving the parties an opportunity to be heard, extend the period of a supervision order for such further period, that together with the period specified under subsection (3) or (3A) does not exceed 24 months in total, as it considers appropriate in all the circumstances.

(7) The Children’s Court may, of its own motion or on application by the Secretary, and after giving the parties an opportunity to be heard, revoke an order before the end of the period of supervision specified under subsection (3A) at any time after the expiration of the first 12 months of that period if it considers that there is no longer need for supervision in order to protect the child or young person.

77 Supervision of child or young person under a supervision order

(1) While a child or young person is subject to a supervision order—

(a) the premises in which the child or young person resides are subject to inspection by the Secretary, and

(b) the Secretary may meet and talk with the child or young person, and

(c) the child or young person must—
(i) accept the supervision of the Secretary, and

(ii) obey all reasonable directions of the Secretary.

(2) The Secretary may notify the Children’s Court of an alleged breach of a supervision order.

(3) The Children’s Court, on being notified of an alleged breach of a supervision order—

(a) must give the parties an opportunity to be heard concerning the allegation, and

(b) is to determine whether the order has been breached, and

(c) if it finds that the order has been breached, may make such orders as it considers appropriate in all the circumstances.

(4) An application for further orders under this section is not a variation application under section 90 (Rescission and variation of care orders) and the Children’s Court may make any orders that it could have made when the order for supervision was made.

78 Care plans

(1) If the Secretary applies to the Children’s Court for an order, not being an emergency protection order, for the removal of a child or young person from the care of his or her parents, the Secretary must present a care plan to the Children’s Court before final orders are made.

(2) The care plan must make provision for the following—

(a) the allocation of parental responsibility between the Minister and the parents of the child or young person for the duration of any period for which the child or young person is removed from the care of his or her parents,

(b) the kind of placement proposed to be sought for the child or young person, including—

(i) how it relates in general terms to permanency planning for the child or young person, and

(ii) any interim arrangements that are proposed for the child or young person pending permanent placement and the timetable proposed for achieving a permanent placement,

(c) the arrangements for contact between the child or young person and his or her parents, relatives, friends and other persons connected with the child or young person,

(d) the agency designated to supervise the placement in out-of-home care,
(e) the services that need to be provided to the child or young person.

(2A) If the care plan is for an Aboriginal or Torres Strait Islander child or young person, the plan must also—

(a) include a cultural plan that sets out how the following will be maintained and developed—

(i) the child’s or young person’s connection with their Aboriginal or Torres Strait Islander family and community,

(ii) the child’s or young person’s Aboriginal or Torres Strait Islander identity, and

(b) be developed, to the greatest extent practicable, in consultation with—

(i) the child or young person, and

(ii) the parents, family and kin of the child or young person, and

(iii) relevant Aboriginal or Torres Strait Islander organisations or entities for the child or young person, and

(c) address how the plan has complied with the following—

(i) the permanent placement principles,

(ii) the Aboriginal and Torres Strait Islander Children and Young Persons Principle,

(iii) the placement principles for Aboriginal and Torres Strait Islander children and young persons set out in section 13.

(3) The care plan is to be made as far as possible with the agreement of the parents of the child or young person concerned.

(4) The care plan is only enforceable to the extent to which its provisions are embodied in or approved by orders of the Children’s Court.

(5) A care plan is to be in the form approved by the Secretary after consultation with the Children’s Court Advisory Committee established under the Children’s Court Act 1987.

(6) The regulations may prescribe other requirements for a care plan.

78A Permanency planning

(1) For the purposes of this Act, **permanency planning** means the making of a plan that aims to provide a child or young person with a stable placement that offers long-term security and that—

(a) has regard, in particular, to the principles set out in section 9(2)(e) and (g), and

(b) meets the needs of the child or young person, and
(c) avoids the instability and uncertainty arising through a succession of different placements or temporary care arrangements.

(2) Permanency planning recognises that long-term security will be assisted by a permanent placement.

(2A) A permanency plan need not provide details as to the exact placement in the long-term of the child or young person concerned but must be sufficiently clear and particularised so as to provide the Children’s Court with a reasonably clear picture as to the way in which the child’s or young person’s needs, welfare and well-being will be met in the foreseeable future.

(3) (Repealed)

(4) If a permanency plan indicates an intention to provide permanent placement through an order for adoption of an Aboriginal or Torres Strait Islander child or young person with a non-Aboriginal or non-Torres Strait Islander person or persons, such an order should be made only—

(a) if no suitable permanent placement can be found with an Aboriginal or Torres Strait Islander person or persons in accordance with the Aboriginal and Torres Strait Islander Child and Young Person Placement Principles in section 13, and

(b) in consultation with the child or young person, where appropriate, and

(c) in consultation with a local, community-based and relevant Aboriginal or Torres Strait Islander organisation and the local Aboriginal or Torres Strait Islander community, and

(d) if the child or young person is able to be placed with a culturally appropriate family, and

(e) with the approval of the Minister for Families, Communities and Disability Services and the Special Minister of State, Minister for the Public Service and Employee Relations, Aboriginal Affairs, and the Arts.

79 Order (other than guardianship order) allocating parental responsibility

(1) The Children’s Court may make an order under this section allocating all aspects of parental responsibility, or one or more specific aspects of parental responsibility, for a child or young person who it finds is in need of care and protection for a period specified in the order—

(a) to one parent to the exclusion of the other, or to both parents jointly, or

(b) solely to the Minister, or

(c) to one or both parents and to the Minister jointly, or
(d) to one or both parents and to another person or persons jointly, or
(e) to the Minister and another suitable person or persons jointly, or
(f) to a suitable person or persons jointly.

(2) The specific aspects of parental responsibility that may be allocated by an order of the Children's Court under subsection (1) include, but are not limited to, the following—
(a) the residence of the child or young person,
(b) contact,
(c) the education and training of the child or young person,
(d) the religious and cultural upbringing of the child or young person,
(e) the medical and dental treatment of the child or young person.

(3) The Children's Court must not make an order allocating parental responsibility unless it has given particular consideration to the permanent placement principles and is satisfied that the order is in the best interests of the child or young person.

(4) Without limiting subsection (3), the Children's Court must not make an order under this section if, taking into account the permanent placement principles, it would be more appropriate to make a guardianship order than an order under this section.

(4A) The Children's Court must not make an order under this section allocating any aspect of parental responsibility to an organisation or to the principal officer of a designated agency (other than the Secretary).

(5) The Children's Court must not make an order allocating parental responsibility for a child or young person if the order would be inconsistent with—
(a) any order made with respect to the child or young person by the Supreme Court in the exercise of its jurisdiction with respect to the custody and guardianship of children, or
(b) a guardianship order with respect to the young person made by the Guardianship Tribunal.

(6) If an order allocates all aspects of parental responsibility for a child or young person to the Minister, the Minister must, so far as is reasonably practicable, have regard to the views of the persons who had parental responsibility for the child or young person before the order was made while still recognising that the safety, welfare and well-being of the child or young person remains the paramount consideration.

(7) If aspects of parental responsibility are allocated jointly between the Minister and another person or persons, either the Minister or the other person may exercise those
aspects but, if they disagree concerning their exercise, the disagreement is to be resolved by order of the Children’s Court.

(8) The Children’s Court must not make an order allocating parental responsibility jointly between two or more persons unless it is satisfied that the persons can work together co-operatively in the best interests of the child or young person.

(9) The maximum period for which an order under subsection (1)(b) may allocate all aspects of parental responsibility to the Minister following the Court’s approval of a permanency plan involving restoration, guardianship or adoption, is 24 months.

(10) Subsection (9) does not apply if the Children’s Court is satisfied that there are special circumstances that warrant the allocation being for a longer period.

79AA Special circumstances that warrant allocation of parental responsibilities to Minister for more than 24 months

(1) This section applies if the Children’s Court is deciding, under section 79(10), whether or not there are special circumstances that warrant the allocation of parental responsibility to the Minister for a period of more than 24 months.

(2) Without limiting the matters to which the Children’s Court may have regard in making its decision, the Court may have regard to the following—

(a) whether support services and other resources that are reasonably required to support the restoration of the child or young person to the child’s or young person’s parents are available to the parents,

(b) if the services and other resources mentioned in paragraph (a) are not available at the time the Court is making its decision—whether a longer period of allocation of parental responsibility to the Minister is needed to facilitate access to the services or other resources,

(c) the active efforts made by the Secretary to restore the child or young person to the child’s or young person’s parents,

(d) any other matters prescribed by the regulations.

79A Allocation of parental responsibility by guardianship order

(1) In this Act—

**guardian** means a person who has been allocated all aspects of parental responsibility for a child or young person until the child or young person reaches 18 years of age by a guardianship order made under this section.

(2) An order may be made by the Children’s Court allocating to a suitable person all aspects of parental responsibility for a child or young person who is in statutory out-of-
home care or supported out-of-home care or who it finds is in need of care and protection until the child or young person reaches 18 years of age (a guardianship order).

(3) The Children’s Court must not make a guardianship order unless it is satisfied that—

(a) there is no realistic possibility of restoration of the child or young person to his or her parents, and

(b) that the prospective guardian will provide a safe, nurturing, stable and secure environment for the child or young person and will continue to do so in the future, and

(c) if the child or young person is an Aboriginal or Torres Strait Islander child or young person—permanent placement of the child or young person under the guardianship order is in accordance with the Aboriginal and Torres Strait Islander Child and Young Person Placement Principles that apply to placement of such a child or young person in statutory out-of-home care under section 13, and

(d) if the child or young person is 12 or more years of age and capable of giving consent—the consent of the child or young person is given in the form and manner prescribed by the regulations.

(4) A guardianship order may allocate parental responsibility jointly to more than one person.

(5) The Children’s Court must not make a guardianship order with respect to a child or young person if the order would be inconsistent with—

(a) any order made with respect to the child or young person by the Supreme Court in the exercise of its jurisdiction with respect to the custody and guardianship of children, or

(b) a guardianship order with respect to the young person made by the Guardianship Tribunal.

(6) A guardianship order remains in force (unless sooner varied or rescinded under section 90) until the child or young person concerned reaches 18 years of age.

(7) A guardianship order may only be made as a final order.

79B Applications for guardianship orders

(1) Despite section 61(1), an application for a guardianship order may be made by the following—

(a) the Secretary,

(b) with the written consent of the Secretary—the designated agency responsible for
supervising the placement of the child or young person,

(c) with the written consent of the Secretary—a person who is seeking to be allocated all aspects of parental responsibility for the child or young person.

Note—
An authorised carer may be such a person.

(1A) The Secretary must not make an application, or give consent to the making of an application, under subsection (1) unless satisfied that the person to whom parental responsibility for the child or young person is to be allocated has agreed to undergo, and has satisfied, such suitability assessments as may be prescribed by the regulations.

(2) The Children’s Court may order an applicant for a guardianship order to notify those persons specified by the Children’s Court of the making of the application.

Note—
Section 256A sets out the circumstances in which the Children’s Court may dispense with service.

(3) Subject to any order the Children’s Court may make, the applicant for a guardianship order is to make reasonable efforts to notify each parent of the child or young person of the making of the application for the order.

(4) Each parent must be given a reasonable opportunity to obtain independent legal advice about the application and is entitled to be heard at the hearing of the matter.

(5) Without limiting section 90(1A), an applicant for variation or rescission of a guardianship order made in respect of a child or young person must notify the principal officer of the designated agency that was supervising the placement of the child or young person in out-of-home care immediately before the guardianship order was made of the making of the application.

(6) Without limiting subsection (2), an applicant for a guardianship order other than the Secretary is to notify the Secretary of the making of the application for the order on the day the application is filed and the Secretary is entitled to be a party to the proceedings.

(7) An application cannot be made under subsection (1)(c) by a person who is an authorised carer solely in the person’s capacity as 1 or both of the following—

(a) the principal officer of a designated agency,

(b) an authorised residential care worker.

(8) Subject to any order the Children’s Court may make, an applicant for a guardianship order must present the following to the Children’s Court before the order is made—

(a) copies of any written consent required to be given in relation to the applicant by
subsection (1),

(b) a care plan prepared by the applicant,

(c) a copy of any report on the health, educational or social well-being of the child or young person that is available to the applicant and that is relevant to the care plan.

(9) Without limiting the information that must be contained in a care plan, it must contain information about the following—

(a) the residence of the child or young person,

(b) the arrangements for contact between the child or young person and his or her parents, relatives and friends and other persons connected with the child or young person (including where relevant, any contact order made under section 86 by the Children’s Court or contact variation agreement made under section 86A),

(c) the education and training of the child or young person,

(d) the religious upbringing of the child or young person,

(e) the health care of the child or young person,

(f) the resources required to provide any services that need to be provided to the child or young person and the availability of those resources,

(g) any views the child or young person has expressed about any aspect of the care plan.

(10) Other requirements and the form of care plan under this section may be prescribed by the regulations.

(11) The care plan is only enforceable to the extent to which its provisions are embodied in or approved by orders of the Children’s Court.

(12) In this section—

**care plan** means a plan to meet the needs of a child or young person that represents a set of proposals to be considered by the Children’s Court.

79C  **Financial assistance for children and young persons in respect of whom guardianship orders are made**

(1) The Secretary may, after the making of the guardianship order, continue to provide financial assistance to the guardian of a child or young person who, immediately before the guardianship order was made, was being provided with financial assistance in respect of the child or young person under section 161 as if (for this purpose only) the child or young person were still in out-of-home care.
(2) The Secretary may grant financial assistance to the guardian of a child or young person in respect of whom a guardianship order is made who was not being provided with financial assistance under section 161 before the guardianship order was made—

(a) if the Secretary considers it is appropriate to provide the financial assistance for the purpose of achieving the objects of the Act, or

(b) in such other circumstance as may be prescribed by the regulations.

(3) Without limiting subsection (2), financial assistance may take the form of a grant, an allowance or a refund of expenditure, or any other form of financial assistance that the Secretary may approve generally, or in a particular case or class of cases.

(4) A guardian who is provided with financial assistance under this section must make an annual report to the Secretary (in the form required by the Secretary) concerning such matters as may be required by the Secretary relating to the provision of that financial assistance.

(5) The provision of financial assistance under this section is subject to conditions prescribed by the regulations.

79D Prospective guardian must notify Secretary of resident

(1) A prospective guardian must, as soon as reasonably practicable, notify the Secretary—

(a) if any person (other than the prospective guardian and any other prospective guardian of the child or young person) resides on the same property as the prospective guardian for 3 weeks or more, or

(b) if a person residing on the same property as the prospective guardian attains the age of 18 years.

(2) This section does not apply to a prospective guardian who is authorised as an authorised carer by a designated agency if the designated agency is also responsible for supervising the placement of the child or young person for whom parental responsibility is being sought by the prospective guardian.

Note—

See section 137(3) in the case of authorised carers authorised by a designated agency.

(3) For the purposes of this section—

*reside on a property* has the same meaning as in the Child Protection (Working with Children) Act 2012.

79E Entry to premises of prospective guardians

(1) For the purposes of assessing a prospective guardian’s suitability to be a guardian, a
supervising person may, with the consent of the prospective guardian—

(a) enter and inspect the residential premises of the prospective guardian where a child or young person is intended to reside, and

(b) inspect a document or thing on the premises, and

(c) interview the prospective guardian, and

(d) interview any other person on the premises.

(2) An assessment of a prospective guardian’s suitability extends to the assessment of persons residing on the same property as the prospective guardian for 3 weeks or more.

(3) In this section—

reside on a property has the same meaning as in the Child Protection (Working with Children) Act 2012.

supervising person means—

(a) the Secretary, or

(b) if the prospective guardian is an authorised carer—an officer or employee of the designated agency that—

   (i) authorised the prospective guardian as an authorised carer, or

   (ii) has supervisory responsibility for a child or young person in the care of the authorised carer.

80 Requirement to consider care plan

The Children’s Court must not make a final order—

(a) for the removal of a child from the care and protection of his or her parents, or

(b) for the allocation of parental responsibility in respect of the child,

unless it has considered a care plan presented to it by the Secretary or, in the case of an application for a guardianship order, by the applicant for the order.

81 (Repealed)

82 Report on suitability of arrangements concerning parental responsibility

(1) The Children’s Court may, when making an order other than a guardianship order in any care proceedings (the relevant proceedings) allocating parental responsibility of a child or young person to a person (including the Minister) other than a parent, order a party to the relevant proceedings to prepare a written report concerning the
suitability of the arrangements for the care and protection of the child or young person.

(2) The report must—

(a) be provided to the Children’s Court within 24 months or such earlier period as the Court may specify, and

(b) include an assessment of progress in implementing the care plan, including progress towards the achievement of a permanent placement, and

(c) unless the Court orders otherwise, be given to each of the other parties to the relevant proceedings.

(2A) A report may be provided to the Children’s Court after the time required by subsection (2)(a) if the Court considers it both—

(a) reasonable in the circumstances, and

(b) in the best interests of the child or young person.

(3) If, after considering the report, the Children’s Court is not satisfied that proper arrangements have been made for the care and protection of the child or young person concerned, the Court may, on its own motion, conduct a review of progress in implementing the care plan (a progress review) and re-list the matter for that purpose.

(3A) Before conducting a progress review, and within 30 days of receiving the report, the Children’s Court—

(a) is to give notice of the progress review to each party to the relevant proceedings, and

(b) may invite the party to give evidence and make submissions at the progress review, in relation to the progress in implementing the care plan, including progress towards the achievement of a permanent placement.

Note—
Section 98 provides that in proceedings with respect to a child or young person, the child or young person (among others) may appear in person or be legally represented.

(4) The Children’s Court cannot, however, rescind or vary the order, or make a new order allocating parental responsibility, on its own motion.

(5) (Repealed)

83 Preparation of permanency plan

(1) If the Secretary applies to the Children’s Court for a care order (not being an
emergency care and protection order) for the removal of a child or young person, the Secretary must assess whether there is a realistic possibility of the child or young person being restored to his or her parents within a reasonable period, having regard to—

(a) the circumstances of the child or young person, and

(b) the evidence, if any, that the child or young person’s parents are likely to be able to satisfactorily address the issues that have led to the removal of the child or young person from their care.

(2) If the Secretary assesses that there is a realistic possibility of restoration within a reasonable period, the Secretary is to prepare a permanency plan involving restoration and submit it to the Children’s Court for its consideration.

(3) If the Secretary assesses that there is not a realistic possibility of restoration within a reasonable period, the Secretary is to prepare a permanency plan for another suitable long-term placement for the child or young person and submit it to the Children’s Court for its consideration.

(3A) A permanency plan prepared under subsection (3) must include the following—

(a) the reasons for the Secretary’s assessment that there is not a realistic possibility of restoration within a reasonable period, and

(b) details of the active efforts the Secretary has made to—

(i) restore the child or young person to the child’s or young person’s parents, or

(ii) if restoration to the child’s or young person’s parents is not practicable or in the best interests of the child or young person— place the child or young person with family, kin or community.

(4) In preparing a plan under subsection (3), the Secretary must consider whether adoption is the preferred option for the child or young person.

Note—

See section 10A(3)(e) in relation to adoption of Aboriginal and Torres Strait Islander children and young persons.

(5) The Children’s Court is to decide whether to accept the Secretary’s assessment of whether or not there is a realistic possibility of restoration within a reasonable period—

(a) in the case of a child who is less than 2 years of age on the date the Children’s Court makes an interim order allocating parental responsibility for the child to a person other than a parent—within 6 months after the Children’s Court makes the interim order, and
(b) in the case of a child or young person who is 2 or more years of age on the date the Children’s Court makes an interim order allocating parental responsibility for the child or young person to a person other than a parent—within 12 months after the Children’s Court makes the interim order.

(5A) However, the Children’s Court may, having regard to the circumstances of the case and if it considers it appropriate and in the best interests of the child or young person, decide, after the end of the applicable period referred to in subsection (5), whether to accept the Secretary’s assessment of whether or not there is a realistic possibility of restoration within a reasonable period.

(5B) Before deciding whether to accept the Secretary’s assessment of whether or not there is a realistic possibility of restoration within a reasonable period, the Children’s Court may direct the Secretary to provide the Court with—

(a) the reasons for the Secretary’s assessment that there is not a realistic possibility of restoration within a reasonable period, and

(b) evidence of the active efforts the Secretary has made to—

(i) restore the child or young person to the child’s or young person’s parents, or

(ii) if restoration to the child’s or young person’s parents is not practicable or in the best interests of the child or young person—place the child or young person with family, kin or community.

(6) If the Children’s Court does not accept the Secretary’s assessment, it may direct the Secretary to prepare a different permanency plan.

(7) The Children’s Court must not make a final care order unless it expressly finds—

(a) that permanency planning for the child or young person has been appropriately and adequately addressed, and

(b) that prior to approving a permanency plan involving restoration there is a realistic possibility of restoration within a reasonable period, having regard to—

(i) the circumstances of the child or young person, and

(ii) the evidence, if any, that the child or young person’s parents are likely to be able to satisfactorily address the issues that have led to the removal of the child or young person from their care.

**Note**—

Section 83A(3) provides additional matters about which the Children’s Court must make express findings before making a final care order in relation to an Aboriginal or Torres Strait Islander child or young person.

(7A) For the purposes of subsection (7)(a), the permanency plan need not provide details...
as to the exact placement in the long term of the child or young person to whom the plan relates but must provide the further and better particulars which are sufficiently identified and addressed so the Court, prior to final orders being made, can have a reasonably clear plan as to the child’s or young person’s needs and how those needs are going to be met.

(8) A permanency plan is only enforceable to the extent to which its provisions are embodied in, or approved by, an order or orders of the Children’s Court.

(8A) For the purposes of this section, a **reasonable period** must not exceed 24 months unless the Secretary is satisfied, having regard to any matters prescribed by the regulations, there are exceptional circumstances that warrant a longer period.

(9) In this section, **parent**, in relation to the child or young person concerned, means—

(a) the child’s or young person’s birth parent, or

(b) if the child or young person has been adopted—the child’s or young person’s adoptive parent.

83A Additional requirements for permanency plans for Aboriginal and Torres Strait Islander children and young persons

(1) This section sets out requirements for the preparation of a permanency plan for an Aboriginal or Torres Strait Islander child or young person that are in addition to the requirements set out in section 83.

(2) If the Secretary assesses, under section 83(3), that there is not a realistic possibility of restoring a child or young person to the child’s or young person’s parents within a reasonable period, the Secretary must—

(a) include in the permanency plan evidence of the active efforts made, in accordance with the principle of active efforts, to determine whether the child or young person can be placed with any of the following, in accordance with the principle for the general order for placement of Aboriginal and Torres Strait Islander children and young persons under section 13(1)—

(i) a relative,

(ii) a member of kin or community,

(iii) another suitable person, and

(b) include in the permanency plan—

(i) a recommendation that the child or young person be placed with a relative, member of kin or community or other suitable person identified under paragraph (a), or
(ii) a recommendation that the child or young person not be placed with a relative, member of kin or community or other suitable person and the reasons for the recommendation.

(3) After considering a permanency plan for an Aboriginal or Torres Strait Islander child or young person, the Children’s Court must not make a final care order unless it expressly finds—

(a) the plan complies with the following—

(i) the permanent placement principles,

(ii) the Aboriginal and Torres Strait Islander Children and Young Persons Principle,

(iii) the placement principles for Aboriginal and Torres Strait Islander children and young persons set out in section 13, and

(b) the plan includes a cultural plan that sets out how the following will be maintained and developed—

(i) the child’s or young person’s connection with the child’s or young person’s Aboriginal or Torres Strait Islander family and the Aboriginal or Torres Strait Islander community of the child or young person,

(ii) the child’s or young person’s Aboriginal or Torres Strait Islander identity, and

(c) the plan has been developed, to the greatest extent practicable, in consultation with—

(i) the child or young person, and

(ii) the parents, family and kin of the child or young person, and

(iii) relevant Aboriginal or Torres Strait Islander organisations or entities for the child or young person.

84 Requirements of permanency plans involving restoration

(1) A permanency plan involving restoration is to include the following—

(a) a description of the minimum outcomes the Secretary believes must be achieved before it would be safe for the child or young person to return to his or her parents,

(b) details of the services the Department is able to provide, or arrange the provision of, to the child or young person or his or her family in order to facilitate restoration,

(c) details of other services that the Children’s Court could request other government departments or funded non-government agencies to provide to the child or young person.
person or his or her family in order to facilitate restoration,

(d) a statement of the length of time during which restoration should be actively pursued.

(2) In this section, parent, in relation to the child or young person concerned, means—

(a) if the child or young person has been adopted—the child’s or young person’s adoptive parent, or

(b) if the child or young person has not been adopted—the child’s or young person’s birth parent.

85 Provision of services to facilitate restoration

A government department or agency or a funded non-government agency that is requested by the Children’s Court to provide services to a child or young person or his or her family in order to facilitate restoration is to use its best endeavours to provide those services.

85A Review of permanency plans involving restoration

(1) A permanency plan involving restoration is to be reviewed by the designated agency responsible for the placement of the child or young person—

(a) at the end of the length of time included in the permanency plan as the length of time during which restoration should be actively pursued, or

(b) if a review is directed by the Children’s Guardian.

(2) A permanency plan involving restoration is to be reviewed by the designated agency if it has not been reviewed under subsection (1) within 12 months after the last occasion on which it was considered by the Children’s Court.

(3) A review is to determine—

(a) whether the provisions of the permanency plan should be changed, particularly with respect to the length of time during which restoration should be actively pursued, and

(b) whether other arrangements should be made for the permanent placement of the child or young person, and

(c) whether the designated agency should recommend to the Secretary that an application for a care order be made or whether the designated agency should make an application for the rescission or variation of a care order.

(4) Nothing in this section affects any obligation under section 150 to review the placement, and a review under section 150 may be taken to be a review for the
purposes of this section also if the review under section 150 satisfies the requirements of this section.

(5) The regulations may make provision for or with respect to a review under this section, including—

(a) the qualifications of the person carrying out the review on behalf of the designated agency, and

(b) the matters to be taken into consideration in carrying out the review, and

(c) the release of reports prepared in relation to the review.

86 Contact orders

(1) An order may be made by the Children’s Court doing any one or more of the following—

(a) stipulating minimum requirements concerning the frequency and duration of contact between a child or young person and his or her parents, relatives or other persons of significance to the child or young person,

(b) requiring contact with a specified person to be supervised,

(c) denying contact with a specified person if contact with that person is not in the best interests of the child or young person.

(1A) A contact order may be made by the Children’s Court—

(a) on application made by any party to proceedings before the Children’s Court with respect to a child or young person, or

(b) with leave of the Children’s Court—on application made by any of the following persons who were parties to care proceedings with respect to a child or young person—

(i) the Secretary,

(ii) the child or young person,

(iii) a person having parental responsibility for the child or young person,

(iv) a person from whom parental responsibility for the child or young person has been removed,

(v) any person who considers himself or herself to have a sufficient interest in the welfare of the child or young person, or

(c) with leave of the Children’s Court—on application made by any person who considers himself or herself to have a sufficient interest in the welfare of the child
or young person.

(1B) The Children’s Court may grant leave under subsection (1A)(b) or (c) if it appears to the Court that there has been a significant change in any relevant circumstances since a final order was made in the proceedings.

(1C) The Children’s Court is not required to hear or determine an application made to it with respect to a child or young person by a person referred to in subsection (1A)(c) unless it considers the person to have a sufficient interest in the welfare of the child or young person.

(1D) Before granting leave under subsection (1A)(b) or (c), the Children’s Court—

(a) must take into consideration whether the applicant for the contact order and persons to whom the contact order applies have attempted, or been ordered by the Children’s Court to try, to reach an agreement about contact arrangements by participating in alternative dispute resolution, and

(b) may order the applicant and those persons to attend a dispute resolution conference conducted by a Children’s Registrar under section 65 or alternative dispute resolution process under section 65A.

(1E) Subject to any order the Children’s Court may make, an applicant for a contact order under subsection (1A)(b) who was a party to care proceedings must notify other persons who were parties to the proceedings of the making of the application.

Note—

Section 256A sets out the circumstances in which the Children’s Court may dispense with the requirement to give notice.

(1F) A contact order made under subsection (1A)(b) on application of a person who was a party to proceedings in which an earlier contact order was made that has expired may be made in the same or different terms to the expired order.

(2) The Children’s Court may make an order that contact be supervised by the Secretary or a person employed in that part of the Department comprising those members of staff who are principally involved in the administration of this Act only with the Secretary’s or person’s consent and must not be made in relation to contact with a child or young person who is the subject of a guardianship order.

(3) An order of the kind referred to in subsection (1)(a) does not prevent more frequent contact with a child or young person with the consent of a person having parental responsibility for the child or young person.

(4) An order of the kind referred to in subsection (1)(b) may be made only with the consent of the person specified in the order and the person who is required to supervise the contact.
(5) A contact order made under this section has effect for the period specified in the order, unless the order is varied or rescinded under section 86A or 90.

(6) Despite subsection (5), if the Children’s Court decides (whether by acceptance of the Secretary’s assessment under section 83 or otherwise) that there is no realistic possibility of restoration of a child or young person to his or her parent, the maximum period that may be specified in a contact order made under subsection (1A) concerning the child or young person is 12 months.

(7) Subsection (6) does not apply to a contact order made on the application of a former party to proceedings in which an earlier contact order was made that has expired.

(8) Subsection (6) does not apply to a contact order concerning a child or young person who is the subject of a guardianship order if the Children’s Court is satisfied that a contact order of more than 12 months duration (for example, a contact order for the duration of the guardianship order) is in the best interests of the child or young person.

86A Variation of contact orders by agreement

(1) A contact variation agreement is an agreement to vary the terms of a contact order in the light of a change in any relevant circumstances since the contact order was made or last varied.

(2) A contact variation agreement must—

(a) be in writing, and

(b) be signed and dated by those parties to the proceedings in which the contact order was made who are affected by the variation and, if the contact variation agreement is made less than 12 months after the contact order was made, the legal representative of the child or young person, and

(c) be registered with the Children’s Court by those parties within 28 days after the date on which the agreement was signed.

(3) The contact variation agreement is taken to be registered with the Children’s Court when filed with the registry of the Court without the need for any order or other action by the Court.

(4) The contact variation agreement takes effect only if (and when) it is registered.

(5) The contact variation agreement has effect from the date of registration until the end of the period specified in the variation agreement.

(6) Nothing in this section prevents the variation of a contact order under section 90.
87 Making of orders that have a significant impact on persons

(1) The Children’s Court must not make an order that has a significant impact on a person who is not a party to proceedings before the Children’s Court unless the person has been given an opportunity to be heard on the matter of significant impact.

(2) If the impact of the order is on a group of persons, such as a family, not all members of the group are to be given an opportunity to be heard but only a representative of the group approved by the Children’s Court.

(2A) For subsection (2), if the group affected is an Aboriginal or Torres Strait Islander family or community, the representative or representatives of the group approved by the Court may be a member of a relevant Aboriginal or Torres Strait Islander organisation or entity for the child or young person.

(3) The opportunity to be heard afforded by this section does not give the person who is heard the status or rights of a party to the proceedings.

88 Costs

The Children’s Court cannot make an order for costs in care proceedings unless there are exceptional circumstances that justify it in doing so.

89 Copies of final orders to be given to all parties

The Children’s Court is to take such action as is reasonably practicable to ensure that each party to an application receives a copy of a final order of the Children’s Court concerning the application.

90 Rescission and variation of care orders

(1) An application for the rescission or variation of a care order may be made with the leave of the Children’s Court.

(1AA) An application may be made by—

(a) the Secretary, or

(b) (Repealed)

(b1) the child or young person, or

(c) a person having parental responsibility for the child or young person, or

(d) a person from whom parental responsibility for the child or young person has been removed, or

(e) any person who considers himself or herself to have a sufficient interest in the welfare of the child or young person.
(1A) Subject to any order the Children’s Court may make, a person who makes an application under this section must give notice of the application to the persons who were parties to the proceedings in which the care order was made.

Note—

Section 256A sets out the circumstances in which the Children’s Court may dispense with the requirement to give notice.

(2) The Children’s Court may grant leave if it appears that there has been a significant change in any relevant circumstances since the care order was made or last varied.

(2A) Before granting leave to make an application to vary or rescind the care order, the Children’s Court must consider the matters set out in subsections (2B) and (2C).

(2B) The primary considerations are as follows—

(a) the views of the child or young person and the weight to be given to those views, having regard to the maturity of the child or young person and his or her capacity to express his or her views,

(b) the length of time for which the child or young person has been in the care of the present carer and the stability of present care arrangements,

(c) if the Children’s Court considers that the present care arrangements are stable and secure, the course that would result in the least intrusive intervention into the life of the child or young person and whether that course would be in the best interests of the child or young person.

(2C) Additional considerations are as follows—

(a) the age of the child or young person,

(b) the nature of the application,

(c) the plans for the child or young person,

(d) whether the applicant has an arguable case,

(e) matters concerning the care and protection of the child or young person that are identified in—

(i) a report under section 82, or

(ii) a report that has been prepared in relation to a review directed by the Children’s Guardian under section 85A or in accordance with section 150.

(2D) The Children’s Court may dismiss an application for leave under this section if it is satisfied that the application is frivolous, vexatious or an abuse of process.

(2E) Without limiting subsection (2D), the Children’s Court may dismiss an application for
leave under this section if it is satisfied that—

(a) the application has no reasonable prospect of success, and

(b) the applicant has previously made a series of applications for leave under this section that the Court has dismissed.

(3A) If—

(a) an application is made to the Children’s Court by a person or persons (other than the Secretary) for the rescission or variation of a care order (other than a contact order) in relation to a child or young person, and

(b) the application seeks to change the parental responsibility for the child or young person, or those aspects of parental responsibility involved in having care responsibility for the child or young person, and

(c) the Secretary is not a party to the proceedings,

the applicant must notify the Secretary of the application, and the Secretary is entitled to be a party to the application.

(4) The Children’s Court is not required to hear or determine an application made to it with respect to a child or young person by a person referred to in subsection (1AA)(e) unless it considers the person to have a sufficient interest in the welfare of the child or young person.

(5) If—

(a) an application for variation of a care order is made or opposed by the Secretary, and

(b) a ground on which the application is made or opposed is a ground that has not previously been considered by the Children’s Court,

the ground must be proved as if it were a ground of a fresh application, or of opposition to a fresh application, for a care order.

(6) Before making an order to rescind or vary a care order that places a child or young person under the parental responsibility of the Minister, or that allocates specific aspects of parental responsibility from the Minister to another person, the Children’s Court must take the following matters into consideration—

(a) the age of the child or young person,

(b) the views of the child or young person and the weight to be given to those views,

(c) the length of time the child or young person has been in the care of the present caregivers and the stability of present care arrangements,
(d) the strength of the child’s or young person’s attachments to the birth parents and the present caregivers,

(e) the capacity of the birth parents to provide an adequate standard of care for the child or young person,

(f) the risk to the child or young person of psychological harm if present care arrangements are varied or rescinded.

(7) If the Children’s Court is satisfied, on an application made to it with respect to a child or young person, that it is appropriate to do so—

(a) it may, by order, vary or rescind an order for the care and protection of the child or young person, and

(b) if it rescinds such an order—it may, in accordance with this Chapter, make any one of the orders that it could have made in relation to the child or young person had an application been made to it with respect to the child or young person.

(8) On the making of an order under subsection (7), the Children’s Court must cause notice of the order to be served on the Secretary.

(9) This section does not apply to an application to vary an interim care order.

Note—
Section 90AA provides for applications to vary interim care orders.

90AA Variation of interim care orders

(1) A party to care proceedings before the Children’s Court may make an application to vary an interim care order.

Note—
Section 98 provides that in proceedings with respect to a child or young person, the child or young person (among others) may appear in person or be legally represented.

(2) The Children’s Court may, by order, vary an interim care order if satisfied on an application made pursuant to subsection (1) that it is appropriate to do so.

90A Prohibition orders

(1) The Children’s Court may, at any stage in care proceedings, make an order (a prohibition order) prohibiting any person, including a parent of a child or young person or any person who is not a party to the care proceedings, in accordance with such terms as are specified in the order, from doing anything that could be done by the parent in carrying out his or her parental responsibility.

(2) A party to care proceedings during which a prohibition order is made may notify the Children’s Court of an alleged breach of the prohibition order.
(3) The Children’s Court, on being notified of an alleged breach of a prohibition order—
   
   (a) must give notice of its intention to consider the alleged breach to the person 
       alleged to have breached the prohibition order, and

   (b) must give that person an opportunity to be heard concerning the allegation before 
       it determines whether or not the order has been breached, and

   (c) is to determine whether or not the order has been breached, and

   (d) if it determines that the order has been breached—may make such orders 
       (including a parent capacity order) as it considers appropriate in all the 
       circumstances.

(4) The person who is alleged to have breached the prohibition order is entitled to be 
heard, and may be legally represented, at the hearing of the matter.

91 Appeals

(1) A party to proceedings who is dissatisfied with an order (other than an interim order) 
of the Children’s Court may, in accordance with the rules of the District Court, appeal 
to the District Court against the order.

(2) An appeal is to be by way of a new hearing and fresh evidence, or evidence in 
addition to or in substitution for the evidence on which the order was made, may be 
given on the appeal.

(3) Without limiting subsection (2), the District Court may, instead of taking fresh 
evidence, decide to admit as evidence the transcript of proceedings before the 
Children’s Court and any exhibit tendered during those proceedings.

(4) In addition to any functions and discretions that the District Court has apart from this 
section, the District Court has, for the purposes of hearing and disposing of an appeal, 
all the functions and discretions that the Children’s Court has under this Chapter or 
Chapter 6.

(5) Without limiting the generality of subsection (4), the District Court may confirm, vary 
or set aside the decision of the Children’s Court.

(6) The decision of the District Court in respect of an appeal is taken to be the decision of 
the Children’s Court and has effect accordingly.

(7) Subject to any interlocutory order made by the District Court, an appeal does not 
affect the operation of the order appealed against or prevent the taking of action to 
implement that order.

(8) The provisions of Chapter 6 apply to and in respect of the hearing of an appeal under 
this section in the same way as they apply to and in respect of the hearing of a care
Part 3 Parent capacity orders

91A Interpretation

In this Part—

parent, in relation to a child or young person, means the following—

(a) the child’s or young person’s birth parent,

(b) if the child or young person has been adopted—the child’s or young person’s adoptive parent.

parent capacity order means an order requiring a parent or primary care-giver of a child or young person to attend or participate in a program, service or course or engage in therapy or treatment aimed at building or enhancing his or her parenting skills.

91B When parent capacity orders may be made

A parent capacity order may be made in relation to a parent or primary care-giver of a child or young person by the Children’s Court—

(a) on the application of the Secretary, or

(b) on the Children’s Court’s own initiative if it determines under section 90A that a prohibition order has been breached by the parent or primary care-giver.

91C Applications for parent capacity orders

(1) The Secretary is to cause a copy of an application made under section 91B(a) to be served on the parent or primary care-giver in relation to whom the order is sought to be made as soon as is reasonably practicable after the application is filed.

(2) The copy of the application must be written and arranged in such a form that there is a reasonable likelihood that its contents will be understood by the person on whom it is served.

91D Dispute resolution conferences

(1) If it considers it appropriate, the Children’s Court may, before or at any stage during the hearing of an application by the Secretary for a parent capacity order, or after it finds a prohibition order has been breached in proceedings under section 90A, refer the matter to a Children’s Registrar to be dealt with under this section.

(2) The Children’s Registrar is to arrange and conduct a dispute resolution conference between the Secretary and the parent or primary care-giver in relation to whom the order is sought (the parties).
(3) The purpose of a dispute resolution conference is to provide the parties with an opportunity to agree on action that should be taken to build or enhance the parenting skills of the parent or primary care-giver.

(4) In conducting a dispute resolution conference, a Children’s Registrar is to act as a conciliator between the parties. In so doing—

(a) the Children’s Registrar should seek to encourage the parties to agree on action that should be taken (including the formulation of an order that may be made by consent under section 91F), or

(b) if the parties cannot agree on the action to be taken, the Children’s Registrar should encourage the parties—

(i) to identify areas of agreement between the parties, and

(ii) to identify issues in dispute between the parties, and

(iii) to determine the best way of resolving any issues in dispute, and

(iv) to set a timetable for the hearing of the matter by the Children’s Court.

(5) A party may be legally represented at a dispute resolution conference.

91E Making of parent capacity orders

(1) The Children’s Court may make a parent capacity order in relation to a parent or primary care-giver of a child or young person (including a parent or primary care-giver found to have breached a prohibition order under section 90A) if it is satisfied that—

(a) there is an identified deficiency in the parenting capacity of the parent or primary care-giver that has the potential to place the child or young person at risk of significant harm and it is reasonable and practicable to require the parent or primary care-giver to comply with the order, and

(b) the parent or primary care-giver is unlikely to attend or participate in the program, service or course or engage in the therapy or treatment required by the order unless the order is made.

(2) A parent capacity order may be made whether or not a care application or care order has been made and at any stage in care proceedings.

91F Orders made by consent

(1) The Children’s Court may, with the consent of the Secretary and the parent or primary care-giver who will be subject to a parent capacity order, make that order by giving effect to the terms of an agreement reached between the Secretary and the parent or primary care-giver concerning his or her attendance or participation in a program, service or course or engagement in therapy or treatment aimed at building or
enhancing his or her parenting skills (a consent order).

(2) A consent order may be made following the conclusion of a dispute resolution conference or at any stage of proceedings on an application for a parent capacity order.

(3) A consent order may be made by the Children’s Court if it considers it reasonable and practicable to do so and that the terms of the order are appropriate in the circumstances.

(4) The functions conferred on the Children’s Court by this section in relation to an application made under section 91B(a) may be exercised by a Children’s Registrar.

Note—
See section 93A (Powers exercised by Children’s Registrar).

91G Duration of parent capacity orders

(1) A parent capacity order has effect for the period specified in the order, unless the order is varied or revoked under section 91H.

(2) The period for which a parent capacity order has effect may be specified by reference to a fixed or ascertainable period or by reference to the occurrence of a specified future event.

91H Variation or revocation of parent capacity order

(1) The Children’s Court may at any time vary or revoke a parent capacity order (including a parent capacity order made after a breach of a prohibition order) on application by—

(a) the Secretary, or

(b) the parent or primary care-giver to whom it relates.

(2) The Children’s Court may vary or revoke a parent capacity order if the Court is satisfied there has been a significant change in any relevant circumstances since the order was made or last varied.

(3) Subject to any order the Children’s Court may make, a person who makes an application under this section must notify other persons who were parties to the proceedings for the making of the parent capacity order of the making of the application.

Note—
Section 256A sets out the circumstances in which the Children’s Court may dispense with the requirement to give notice.

(4) The Children’s Court must, before varying or revoking a parent capacity order under
this section—

(a) allow all parties a reasonable opportunity to be heard on the matter, and

(b) have regard to the factors that the Children’s Court is required to have regard to under section 91E in considering whether or not to make a parent capacity order and in considering the terms of a parent capacity order.

91I Right of appeal

(1) A party to proceedings under this Part who is dissatisfied with a parent capacity order of the Children’s Court (including a parent capacity order made under section 90A) may, in accordance with the rules of the District Court, appeal to the District Court on a question of law.

(2) The District Court is to hear and determine the appeal and make such order as it thinks appropriate by reason of its decision, including, without limiting the Court’s power to make such orders, an order confirming, varying or setting aside the decision of the Children’s Court.

(3) Subject to any interlocutory order made by the District Court, an appeal does not affect the operation of the order appealed against or prevent the taking of action to implement that order.

(4) The provisions of Chapter 6 apply to and in respect of the hearing of an appeal under this section in the same way as they apply to and in respect of the hearing of a care application under that Chapter.

Chapter 6 Children’s Court procedure

Part 1 General

92 Proceedings to which this Chapter applies

This Chapter applies to proceedings before the Children’s Court under this Act.

93 General nature of proceedings

(1) Proceedings before the Children’s Court are not to be conducted in an adversarial manner.

(2) Proceedings before the Children’s Court are to be conducted with as little formality and legal technicality and form as the circumstances of the case permit.

(3) The Children’s Court is not bound by the rules of evidence unless, in relation to particular proceedings or particular parts of proceedings before it, and subject to subsections (1) and (2), the Children’s Court determines that the rules of evidence, or such of those rules as are specified by the Children’s Court, are to apply to those
proceedings or parts.

(3A) Without limiting subsection (3), the Children’s Court may determine that the rules of evidence or certain rules of evidence are to apply in relation to proceedings or parts of proceedings if—

(a) a party to the proceedings applies to the Court for the rules of evidence or certain rules of evidence to apply in relation to the proof of a fact, and

(b) in the Court’s opinion, proof of that fact is or will be significant to the determination of the proceedings or parts of the proceedings.

(4) In any proceedings before the Children’s Court, the standard of proof is proof on the balance of probabilities.

(5) Without limiting subsection (4), any requirement under this Act that the Children’s Court be satisfied as to a particular matter is a requirement that the Children’s Court be satisfied on the balance of probabilities.

93A  Powers exercised by Children’s Registrar

(1) A power conferred by this Act when exercised by a Children’s Registrar is taken to have been exercised by the Children’s Court.

(2) The exercise by a Children’s Registrar of a power conferred by this Act does not prevent the exercise of the power by the Children’s Court.

(3) No matter or thing done or omitted to be done by a Children’s Registrar under section 65, 91D or 244C subjects the Children’s Registrar to any action, liability, claim or demand if the matter or thing was done in good faith for the purposes of that section.

94  Expedition and adjournments

(1) All matters before the Children’s Court are to proceed as expeditiously as possible in order to minimise the effect of the proceedings on the child or young person and his or her family and to finalise decisions concerning the long-term placement of the child or young person.

(2) For this purpose, the Children’s Court is to set a timetable for each matter taking into account the age and developmental needs of the child or young person.

(3) The Children’s Court may give such directions as it considers appropriate to ensure that the timetable is kept.

(4) The Children’s Court should avoid the granting of adjournments to the maximum extent possible and must not grant an adjournment unless it is of the opinion that—

(a) it is in the best interests of the child or young person to do so, or
(b) there is some other cogent or substantial reason to do so.

95 Court to explain proceedings to children and young persons

(1) The Children's Court must take such measures as are reasonably practicable taking into account the age and developmental capacity of the child or young person to ensure that a child or young person in proceedings before it understands the proceedings and, in particular, that the child or young person understands—

(a) the nature of any assertions made in the proceedings, and

(b) the legal implications of any such assertion.

(2) Without limiting the generality of subsection (1), the Children's Court must, if requested by the child or young person or by some other person on behalf of the child or young person, explain to the child or young person—

(a) any aspect of the Children's Court's procedure, and

(b) any decision or ruling made by the Children's Court,

in or in relation to the proceedings.

(3) Without limiting the generality of subsection (1), the Children's Court must ensure that the child or young person has the fullest opportunity practicable to be heard, and to participate, in the proceedings.

96 Attendance of child or young person, parents and others

(1) In proceedings before it with respect to a child or young person, the Children’s Court may, on its own initiative or at the request of any party to the proceedings, require the attendance at the court house where the proceedings are conducted—

(a) of the child or young person and of any parent of the child or young person, or

(b) of any other person who has, or has had, care responsibility for the child or young person, or

(c) if the whereabouts of the child or young person is unknown to the Children’s Court—of any other person the Children’s Court has reasonable cause to believe knows, or has information concerning, the whereabouts of the child or young person.

(2) If a child or young person does not wish to be present before the Children’s Court during the hearing of any proceedings, the child’s or young person’s wishes are to be taken into account by the Children’s Court.

(2A) The fact that a child or young person is presumed by section 99C(1) to have the capacity to instruct his or her legal representative does not of itself mean that the
child or young person is required to attend the Children’s Court to give those instructions. Such a child or young person is required to attend only if required under this section.

(3) A child or young person is not required (except as provided by subsection (4)) to give evidence in the Children’s Court.

(4) Despite subsection (3), the Children’s Court may require a parent of the child or young person who is the subject of the proceedings who is himself or herself a child or young person to give evidence in the Children’s Court.

(5) A person referred to in subsection (1)(c) may be required to give to the Children’s Court such information that the person has about where the child or young person is or may be located.

(6) If the Children’s Court decides to require any person to attend a court house under subsection (1) it may issue to the person a notice in accordance with Part 2 requiring the person to attend as directed in the notice (a care proceedings attendance notice).

Note—

Section 109B enables the Children’s Court to issue a warrant for the arrest of a person who fails to attend as directed by a care proceedings attendance notice.

(7) In this section—

parent of a child or young person includes a birth parent, or an adoptive parent, of the child or young person who does not have parental responsibility for the child or young person.

97 Effect of failure of attendance

If a parent of a child or young person who has been given notice under section 64 does not attend the Children’s Court on the hearing of the application, the Children’s Court may proceed in the absence of the parent.

98 Right of appearance

(1) In any proceedings with respect to a child or young person—

(a) the child or young person and each person having parental responsibility for the child or young person, and

(b) the Secretary, and

(c) the Minister,

may appear in person or be legally represented or, by leave of the Children’s Court, be represented by an agent, and may examine and cross-examine witnesses on matters
relevant to the proceedings.

(2) However, if the Children’s Court is of the opinion that a party to the proceedings who seeks to appear in person is not capable of adequately representing himself or herself, it may require the party to be legally represented.

(2A) If the Children’s Court is of the opinion that a party to the proceedings is incapable of giving proper instructions to a legal representative, the Children’s Court may appoint a guardian ad litem for the person under section 100 or 101 (as the case may require).

(3) In any proceedings with respect to a child or young person, any other person who, in the opinion of the Children’s Court, has a genuine concern for the safety, welfare and well-being of the child or young person may, by leave of the Children’s Court, appear in person in the proceedings, or be legally represented, or be represented by an agent, and may examine and cross-examine witnesses on matters relevant to the proceedings.

99 Appointment of legal representative by Children’s Court

(1) The Children’s Court may appoint a legal representative to act for a child or young person if it appears to the Children’s Court that the child or young person needs to be represented in any proceedings before it.

(2) A legal representative for a child or young person who has not been appointed by the Children’s Court may appear only with its leave.

(3) The Children’s Court may withdraw its leave at any time and for any reason (including the child or young person informing the Children’s Court that he or she does not wish to be represented by the legal representative).

99A Legal representative to act as independent legal representative or direct legal representative

(1) A legal representative for a child or young person is to act as a direct legal representative if—

(a) the child or young person is capable of giving proper instructions, and

(b) a guardian ad litem has not been appointed for the child or young person.

(2) A legal representative for a child or young person is to act as an independent legal representative if—

(a) the child or young person is not capable of giving proper instructions, or

(b) a guardian ad litem has been appointed for the child or young person.

Note—
Section 100(4) provides that a legal representative of a child or young person for whom a guardian ad litem has been appointed is to act on the instructions of the guardian ad litem.

99B Child under 12 presumed incapable of giving proper instructions

(1) There is a rebuttable presumption that a child who is less than 12 years of age is not capable of giving proper instructions to his or her legal representative.

(2) However, the Children’s Court may, on the application of a legal representative for a child who is less than 12 years of age, make a declaration that the child is capable of giving proper instructions.

99C Child 12 or older and young person presumed capable of giving proper instructions

(1) There is a rebuttable presumption that a child who is not less than 12 years of age, or a young person, is capable of giving proper instructions to his or her legal representative. This presumption is not rebutted merely because the child or young person has a disability.

(2) However, the Children’s Court may, on the application of a legal representative for a child who is not less than 12 years of age, or a young person, make a declaration that the child or young person is not capable of giving proper instructions.

99D Role of a legal representative

Without limiting the role of a legal representative for a child or young person in proceedings before the Children’s Court—

(a) the role of a direct legal representative includes the following—

(i) ensuring that the views of the child or young person are placed before the Children’s Court,

(ii) ensuring that all relevant evidence is adduced and, where necessary, tested,

(iii) acting on the instructions of the child or young person, and

(b) the role of an independent legal representative includes the following—

(i) if a guardian ad litem has been appointed for the child or young person—acting on the instructions of the guardian ad litem,

(ii) interviewing the child or young person after becoming the independent legal representative,

(iii) explaining to the child or young person the role of an independent legal representative,

(iv) presenting direct evidence to the Children’s Court about the child or young person and matters relevant to his or her safety, welfare and well-being,
(v) presenting evidence of the child’s or young person’s wishes (and in doing so the independent legal representative is not bound by the child’s or young person’s instructions),

(vi) ensuring that all relevant evidence is adduced and, where necessary, tested,

(vii) cross-examining the parties and their witnesses,

(viii) making applications and submissions to the Children’s Court for orders (whether final or interim) considered appropriate in the interests of the child or young person,

(ix) lodging an appeal against an order of the Children’s Court if considered appropriate.

100 Guardian ad litem—child or young person

(1) The Children’s Court may appoint a guardian ad litem for a child or young person if it is of the opinion that—

(a) there are special circumstances that warrant the appointment, and

(b) the child or young person will benefit from the appointment.

(2) Special circumstances that warrant the appointment of a guardian ad litem may include that the child or young person has special needs because of age, disability or illness or that the child or young person is, for any reason, not capable of giving proper instructions to a legal representative.

(3) The functions of a guardian ad litem of a child or young person are—

(a) to safeguard and represent the interests of the child or young person, and

(b) to instruct the legal representative of the child or young person.

(4) A legal representative of a child or young person for whom a guardian ad litem has been appointed is to act on the instructions of the guardian ad litem.

101 Guardian ad litem and amicus curiae—parents of child or young person

(1) The Children’s Court may—

(a) appoint a guardian ad litem for either or both of the parents of a child or young person, or

(b) request the legal representative of a parent or the parents of a child or young person to act as amicus curiae,

if it is of the opinion that the parent is, or the parents are, incapable of giving proper instructions to his or her, or their, legal representative.
(2) Circumstances that warrant the appointment of a guardian ad litem or a request for a legal representative to act as amicus curiae may include that the parent of a child or young person has an intellectual disability or is mentally ill.

(3) The functions of a guardian ad litem of a parent of a child or young person are—

(a) to safeguard and represent the interests of the parent, and

(b) to instruct the legal representative of the parent.

(4) A legal representative of a parent for whom a guardian ad litem has been appointed is to act on the instructions of the guardian ad litem.

101AA Use of Guardian Ad Litem Panel

(1) Without limiting section 100(1) or 101(1)(a), the Children’s Court may order that a person be represented by a guardian ad litem without naming a particular person to be appointed as guardian ad litem.

(2) If the Children’s Court makes an order under subsection (1), the guardian ad litem is taken to have been appointed as guardian ad litem when the Children’s Court receives a written notice from the administrator of the Guardian Ad Litem Panel naming the person selected to be the guardian ad litem.

101A Guardian ad litem—exclusion of personal liability

(1) Anything done or omitted to be done by a member of the Guardian Ad Litem Panel who is appointed by the Children’s Court as a guardian ad litem does not subject the member personally to any action, liability, claim or demand if the thing was done, or omitted to be done, in good faith for the purposes of exercising his or her functions as a guardian ad litem under this Act.

(2) However, any such liability attaches instead to the Crown.

(3) (Repealed)

102 Support persons

(1) A participant in proceedings before the Children’s Court may, with the leave of the Children’s Court, be accompanied by a support person.

(2) The leave of the Children’s Court must be granted unless—

(a) the support person is a witness in the proceedings, or

(b) the Children’s Court, having regard to the wishes of the child or young person with respect to whom the proceedings are brought, is of the opinion that leave should not be granted, or
(c) there is some other substantial reason to deny the application.

(3) The Children’s Court may withdraw its leave at any time if a support person does not comply with any directions given to the support person by the Children’s Court.

(4) A support person cannot give instructions on behalf of the participant.

(5) A support person may, with the leave of the Children’s Court, act as an interpreter for a participant if the participant does not sufficiently speak or understand English.

(6) Without limiting section 254, that section applies to a support person who acts as an interpreter for a participant.

103 Views of siblings

The Children’s Court, at its discretion, may obtain and consider the views of any siblings of a child or young person with respect to whom proceedings are brought and must take account of the interests of any siblings in determining what orders (if any) to make in the proceedings.

104 Exclusion of child or young person from proceedings

(1) At any time while the Children’s Court is hearing proceedings with respect to a child or young person, the Children’s Court may direct the child or young person to leave the place where the proceedings are being heard.

(2) If any non-court proceedings are to be held with respect to a child or young person, the Children’s Court may direct that the child or young person is not to be present at the place where the non-court proceedings are to be held at any particular time during the proceedings.

(3) The Children’s Court may give a direction under this section only if it is of the opinion that the prejudicial effect of excluding the child or young person is outweighed by the psychological harm that is likely to be caused to the child or young person if the child or young person were to remain or be present.

(4) If the Children’s Court gives a direction under subsection (1) with respect to a child or young person, and if it is of the opinion that it is in the interests of the child or young person to do so, it must also give a direction with respect to all persons who are engaged in preparing reports of the proceedings for dissemination through a public news medium to leave the place where the proceedings are being heard.

104A Exclusion of particular persons from proceedings

(1) At any time while the Children’s Court is hearing proceedings with respect to a child or young person, the Children’s Court may direct any person (other than the child or young person) to leave the place where the proceedings are being heard.
(2) If any non-court proceedings are to be held with respect to a child or young person, the Children’s Court may direct any person (other than the child or young person) not to be present at the place where the proceedings are to be held at any time during the proceedings concerned.

(3) The Children’s Court may give a direction under this section only if it is of the opinion that it is in the interests of the child or young person that such a direction should be given.

(4) The powers exercisable by the Children’s Court under this section may be exercised even if the person to whom a direction is given is directly interested in the proceedings concerned.

104B Exclusion of general public from proceedings

At any time while the Children’s Court is hearing proceedings with respect to a child or young person, any person who is not directly interested in the proceedings must, unless the Children’s Court otherwise directs, be excluded from the place where the proceedings are being heard.

104C Entitlement of media to hear proceedings

At any time while the Children’s Court is hearing proceedings with respect to a child or young person, any person who is engaged in preparing a report of the proceedings for dissemination through a public news medium is, unless the Children’s Court otherwise directs, entitled to enter and remain in the place where the proceedings are being heard.

105 Publication of names and identifying information

(1) The name of a child or young person—

(a) who appears, or is reasonably likely to appear, as a witness before the Children’s Court in any proceedings, or

(a1) who is involved, or is reasonably likely to be involved, in any capacity in any non-court proceedings, or

(b) with respect to whom proceedings before the Children’s Court are brought or who is reasonably likely to be the subject of proceedings before the Children’s Court, or

(c) who is, or is reasonably likely to be, mentioned or otherwise involved in any proceedings before the Children’s Court or in any non-court proceedings, or

(d) who is the subject of a report under section 24, 25, 27, 120, 121 or 122,

must not be published or broadcast in any form that may be accessible by a person in New South Wales whether the publication or broadcast occurs before any proceedings have commenced, during the proceedings or after they are disposed of.
(1AA) The name of a child or young person who is or has been under the parental responsibility of the Minister or in out-of-home care must not be published or broadcast in any form that may be accessible by a person in New South Wales, in any way that identifies the child or young person as being or having been under the parental responsibility of the Minister or in out-of-home care (however expressed).

Note—
Identifying the child or young person as being or having been a foster child or a ward of the State, or as being or having been in foster care or under the parental responsibility of the Minister, or in the care of an authorised carer, are all examples of identifying the child or young person as being or having been in out-of-home care.

(1A) The prohibition in subsection (1) or (1AA) applies to the publication or broadcast of the name of the child or young person concerned until—

(a) the child or young person attains the age of 25 years, or

   (i) nominated by the child, or
   (ii) belonging to a class of persons selected by the child,
and the child was given (before the statement or information was made or given) an opportunity to consult with the adult in private, or

(b) the Children’s Court—

(i) is satisfied that there was proper and sufficient reason for no such adult to have been present at the place where, or throughout the period of time during which, the statement or information was made or given, and

(ii) considers that, in the particular circumstances of the case, the statement or information should be admitted in evidence in those proceedings.

106A Admissibility of certain other evidence

(a) is a person—

(2) Evidence adduced under subsection (1)(b) is prima facie evidence that the child or young person the subject of the care application is in need of care and protection.

(3) A parent or primary care-giver in relation to whom evidence referred to in subsection (1)(b) has been adduced may rebut the prima facie evidence referred to in subsection (2) by satisfying the Children’s Court that, on the balance of probabilities, the parent or primary care-giver was not involved in causing the relevant reviewable death of the child or young person.

(4) This section has effect despite section 93 and despite anything to the contrary in the Evidence Act 1995.

(5) In this section, *reviewable death of a child or young person* means a death of a child or young person that is reviewable by the Ombudsman under Part 6 of the Community Services (Complaints, Reviews and Monitoring) Act 1993.

(2) Offensive or scandalous questions The Children’s Court must forbid the asking of, or excuse a witness from answering, a question that it regards as offensive, scandalous, insulting, abusive or humiliating, unless the Children’s Court is satisfied that it is essential in the interests of justice that the question be asked or answered.

(3) Oppressive or repetitive examination The Children’s Court must forbid an examination of a witness that it regards as oppressive, repetitive or hectoring, or excuse a witness from answering questions asked during such an examination, unless the Children’s Court is satisfied that it is essential in the interests of justice for the examination to continue or for the question to be answered.

(3A) Certain questions For the purposes of this section, questions to a witness who is a parent or a primary care-giver of a child or young person the subject of a care application concerning the witness’s previous history of dealings with any child or young person are taken not to be intrinsically offensive, scandalous or oppressive.

Chapter 7 Support for children and young persons in crisis

Part 1 Serious or persistent conflict

110  What are the objects of this Part?

The objects of this Part are—

(a) to ensure, so far as possible, that conflicts between children or young persons and their parents are resolved without recourse to legal proceedings, and

(b) to enable proper access to services where breakdowns in relationships occur between children or young persons and their parents, and

(c) to enable the Children’s Court to make appropriate orders in circumstances where the differences between a child or young person and his or her parents are so serious that it is no longer possible for the child or young person to continue living with his or her parents.
111 When does this Part apply?

(1) This Part applies—

(a) if there is a serious or persistent conflict between the parents and the child or young person of such a nature that the safety, welfare or well-being of the child or young person is in jeopardy, or

(b) if the parents are unable to provide adequate supervision for the child or young person to such an extent that the safety, welfare or well-being of the child or young person is in jeopardy.

(2) The provisions of this Part apply in addition to the provisions of Chapters 3, 4 and 5.

112 What principle is to be applied in the administration of this Part?

(1) The principle to be applied in the administration of this Part in its application to children is that the parents of a child should have responsibility for the child unless it is not in the best interests of the child that his or her parents have responsibility for him or her.

(2) The provisions of this section apply in addition to the provisions of sections 9-13.

113 Request for assistance

(1) A parent, child or young person, or any other person may ask the Secretary for assistance—

(a) if there is a serious or persistent conflict between the parents and the child or young person of such a nature that the safety, welfare or well-being of the child or young person is in jeopardy, or

(b) if the parents are unable to provide adequate supervision for the child or young person to such an extent that the safety, welfare or well-being of the child or young person is in jeopardy.

(2) On receiving a request for assistance, the Secretary may provide or arrange for the provision of such advice or assistance as is necessary—

(a) to help the parents and the child or young person to resolve the conflict between them without recourse to legal proceedings, or

(b) to ensure that the child or young person is adequately supervised, or

(c) to enable the child or young person and his or her parents to have access to appropriate services.

114 Alternative dispute resolution

(1) If the differences between a child or young person and his or her parents are so
serious that it is no longer possible for the child or young person to continue living with his or her parents, the child, the young person, or a parent or the parents may request the Secretary to attempt to resolve those differences.

(2) On receiving a request, the Secretary must seek to resolve the differences, by any form of alternative dispute resolution the Secretary considers appropriate, prior to making an application to the Children’s Court for appropriate orders.

115 Alternative parenting plan

(1) In this Chapter, alternative parenting plan means a plan—

(a) that sets out the way in which the needs of the child or young person are proposed to be met having regard to the breakdown in the relationship between the child or young person and his or her parents, and

(b) that may include proposals concerning the following—

(i) allocation of parental responsibility or specific aspects of parental responsibility,

(ii) residential arrangements,

(iii) supervision,

(iv) contact arrangements,

(v) education and training,

(vi) medical care,

(vii) the provision of services.

(2) In seeking to resolve conflict of a kind to which this Chapter applies—

(a) the Secretary must formulate an alternative parenting plan if the Secretary is a party to the proceedings, and

(b) any party may formulate an alternative parenting plan if the Secretary is not a party to the proceedings.

116 Application for order for alternative parenting plan

(1) If the differences between a child or young person and his or her parents are so serious that it is no longer possible for the child or young person to continue living with his or her parents, the child or young person, a parent or the parents, or the Secretary may make an application to the Children’s Court for an order approving an alternative parenting plan.

(2) An application is to be accompanied by an alternative parenting plan.
(3) The Children’s Court must not make an order unless it is satisfied that the parents and the child or young person have been advised of the desirability of seeking legal advice concerning any proposed changes to the allocation of parental responsibility and—

(a) that all appropriate steps that could be taken to resolve the matter have been taken and that all other appropriate forms of dispute resolution have been exhausted, or

(b) that no useful purpose would be served in taking those steps or other forms of dispute resolution.

(4) Subject to any order the Children’s Court may make, a person who makes an application under this section must notify the other persons referred to in subsection (1) of the making of the application.

Note—

Section 256A sets out the circumstances in which the Children’s Court may dispense with the requirement to give notice.

117 Adjournment

The Children’s Court may adjourn an application for an order approving an alternative parenting plan in order that further assessment, counselling or alternative dispute resolution may be carried out.

118 Court orders

(1) The Children’s Court may make such orders as it considers appropriate to give effect to a proposed alternative parenting plan or specified parts of the plan.

(2) In considering whether to make an order with respect to a child or young person, the Children’s Court is to have regard to the following—

(a) the views of the child or young person,

(b) the age of the child or young person,

(c) the maturity of the child or young person,

(d) the capacity of the child or young person for independent living,

(e) the practical and emotional supports available to the child or young person.

Note—

In accordance with its power to monitor its orders, the Children’s Court may monitor an order giving effect to an alternative parenting plan.

(1) A party to an alternative parenting plan that has been made with the agreement of—
(a) all persons having existing parental responsibility for the child or young person to whom the alternative parenting plan applies, and

(b) the child or young person,

may apply to the Children’s Court for registration of the plan.

(2) The regulations may make provision with respect to such an application.

(3) The Children’s Court may register an alternative parenting plan if—

(a) it is of the opinion that it is necessary and appropriate for the care and protection of the child or young person to whom it applies, and

(b) the child or young person and his or her parents have been advised of the desirability of seeking legal advice concerning changes to the allocation of parental responsibility.

(4) On registration, an alternative parenting plan has the same effect as if it had been approved by order of the Children’s Court.

Part 2 Homelessness

120 Homelessness of children

(1) Any person may report the homelessness of a child to the Secretary.

(2) On receipt of a report, the Secretary must conduct such investigation and assessment concerning the child as the Secretary considers necessary.

(3) The Secretary may provide or arrange for the provision of services, including residential accommodation, where appropriate, for a child whose homelessness has been reported to the Secretary.

121 Homelessness of young persons

Any person may, with the consent of the young person, report the homelessness of a young person to the Secretary.

122 Mandatory reporting of child who lives away from home without parental permission

(1) A person (other than an excluded person) who provides residential accommodation for another person who the person has reasonable grounds to suspect—

(a) is a child, and

(b) is living away from home without parental permission,

must, as soon as practicable, inform the Secretary of the child’s whereabouts.
Maximum penalty—200 penalty units.

Note—

The police will notify the Secretary of the details of children who have been reported to the police as missing. If the Secretary becomes aware that a child reported as missing is safe, the Secretary is required to advise the police that the child is safe but not of the whereabouts of the child. The purpose of this provision is to avoid wasting resources in having the police search for missing children whose whereabouts are known to the Secretary.

The parents should be informed that the child is safe, but nothing in this section requires any person to reveal the whereabouts of the child to a person other than the Secretary.

(2) In this section—

excluded person means a person who—

(a) is a friend or relative of the child who maintains both a close personal relationship with the child through frequent personal contact and a personal interest in the child’s welfare, and

Chapter 8 Out-of-home care

Part 1 Introduction

134 Objects of this Chapter

The objects of this Chapter are—

(a) to create a high standard in the provision of out-of-home care, and

(b) to provide a model for the organisation of out-of-home care, and

(c) to clarify the roles and responsibilities of those involved in the provision of out-of-home care.

134A Definition

In this Part—

135 Definition and types of “out-of-home care”

(1) For the purposes of this Act, out-of-home care means residential care and control of a child or young person that is provided—

(a) by a person other than a parent of the child or young person, and

(b) at a place other than the usual home of the child or young person, whether or not for fee, gain or reward.

(2) There are 2 types of out-of-home care for the purposes of this Act, as follows—

(a) statutory out-of-home care—see section 135A,

(b) supported out-of-home care—see section 135B.

(c) (Repealed)

(3) For the purposes of this Act, out-of-home care does not include—

(a) daily care and control of a child given by a person in the person’s capacity as an approved provider of education and care services under the Children (Education and Care Services) National Law (NSW) or the Children (Education and Care Services) Supplementary Provisions Act 2011, or

(b) any care provided by a relative or kin of a child or young person unless—

(i) the Minister has parental responsibility for the child or young person by virtue of an order of the Children’s Court, or

(iii) it is care in respect of which the Secretary is providing support under section 153, or

(b1) any care of a child or young person provided by a person who has parental responsibility for the child or young person under a guardianship order, or

(c) anything prescribed by the regulations not to be out-of-home care.

135A Statutory out-of-home care

(1) Statutory out-of-home care is out-of-home care that is provided in respect of a child or young person for a period of more than 14 days—

(a) pursuant to a care order of the Children’s Court, or
(b) by virtue of the child or young person being a protected person.

(2) Any statutory out-of-home care provided in respect of a child or young person is taken to commence—

(a) immediately on the making of a care order for a period of more than 14 days in respect of the child or young person, or

(b) in any other case—immediately the child or young person is placed with an authorised carer.

(3) In this section, protected person means—

(a) a person who is a ward of the Supreme Court, or subject to an order of the Supreme Court in its parens patriae jurisdiction, and of whom the Minister or the Secretary has the custody or care pursuant to an order of the Supreme Court, or

135B Supported out-of-home care

Supported out-of-home care is out-of-home care in respect of a child or young person that is, as a result of the Secretary forming the opinion that the child or young person is in need of care and protection, arranged, provided or otherwise supported by the Secretary under Part 3 of this Chapter.

135C (Repealed)

136 Restriction on who may provide statutory out-of-home care

(1) Statutory out-of-home care may be provided in respect of a child or young person only by an authorised carer.

(2) A person, other than an authorised carer, who provides statutory out-of-home care in respect of a child or young person is guilty of an offence.

    Maximum penalty (subsection (2)): 200 penalty units.

Note 1—
The provision of supported out-of-home care is regulated by this Chapter, Part 3.

Note 2—

An offence against subsection (2) committed by a corporation is an executive liability offence attracting executive liability for a director or other person involved in the management of the corporation—see section 258.

(3) This section does not prevent a child or young person who—

(a) has been placed in statutory out-of-home care, and

(b) is the subject of a permanency plan involving restoration,

from living with his or her parents, in accordance with the arrangements under a care plan approved by the Children’s Court, at any time during the period of 12 months before the date on which the child or young person is to be restored to his or her parents in accordance with the permanency plan.

(1A) If, in relation to a child or young person who is the subject of a care order, the Children’s Court has accepted that there is no realistic possibility of the child or young person being restored to his or her parents, a parent of the child or young person cannot—

(a) be given care responsibility for the child or young person, or

(b) be authorised by a designated agency as an authorised carer in respect of the child or young person,

(g) the approval or prohibition of behaviour management practices that may be used by an authorised carer in managing the behaviour of a child or young person in out-of-home care.

(3) In the case of an authorised carer who is authorised by a designated agency, it is a condition of the authorisation that the carer must, as soon as reasonably practicable, notify the designated agency—

(2) The regulations may further modify the application of the ADR Act in relation to an application referred to in subsection (1).

(3) In this section, the **ADR Act** means the **Administrative Decisions Review Act 1997**.

### 149I Refusal to disclose information concerning placement

(1) Despite section 149C, a designated agency must refuse to disclose information concerning placement under this Division, or must impose conditions on the disclosure, if it believes on reasonable grounds that the disclosure of the information would adversely affect the safety, welfare or well-being of—

(a) the child or young person concerned, or

(b) an authorised carer of that child or young person, or

(c) any member of the family or household of the authorised carer of that child or young person.

149K No conflict with court order

(1) This Division does not authorise a disclosure of information concerning placement if that disclosure is prevented by an order of any court or tribunal.

Division 2 Review of out-of-home care under order of Children’s Court

(1) For the purpose of determining whether the safety, welfare and well-being of a child or young person who has been placed in out-of-home care by an order of the Children’s Court is being promoted by the placement, the designated agency having responsibility for the placement of the child or young person is to conduct a review of the placement in accordance with this section.

(2) A review is to be conducted—

(a) in the case of a child or young person who is in out-of-home care pursuant to an interim order of the Children’s Court—within 4 months after the interim order is made, and

(2) An interim order registered in the Children’s Court under this Part is taken for all purposes to be an interim care order made by the Children’s Court under this Act having effect, from the day on which it is registered, for the period specified in the order.

(3) An interim order registered in the Children’s Court under this Part cannot be varied under this Act, but nothing in this subsection prevents an application for a new interim care order being made under this Act and, if the application is granted, the interim order being rescinded.

(4) Despite subsection (3), a breach of an interim order registered in the Children’s Court under this Part may be dealt with under this Act in the same way as a breach of any other interim care order.

(b) the time for instituting an appeal or seeking a review had not expired, under the interstate law.

(4) The Registrar of the Children’s Court must cause any document filed in the Children’s Court under section 231P to be sent to the Children’s Court in the sending State if the registration of the document is revoked.

(5) The revocation of the registration of a document does not prevent the later re-registration of that document.

Part 5 Miscellaneous

231S Effect of registration of transferred order

(1) On an order being registered in a participating State under an interstate law, the child protection order made by the Children’s Court under this Act ceases to have effect.

(2) Despite subsection (1), an order that has ceased to have effect by force of that subsection is revived if the registration of the child protection order transferred from New South Wales is revoked in the participating State under the interstate law.

(1) Despite anything to the contrary in this Act, the Secretary may disclose to an interstate officer any information that has come to his or her notice in the exercise of functions under this Act if the Secretary considers that it is necessary to do so to enable the interstate officer to exercise functions under a child welfare law or an interstate law.

(2) Any information disclosed to the Secretary under a provision of a child welfare law or an interstate law that substantially corresponds to subsection (1) must be taken for the purposes of any provision of this Act relating to the disclosure of information to have been information given directly to the Secretary in New South Wales instead of to an interstate officer.

(2) However, those functions are taken not to be suspended in so far as they may be exercised in accordance with any provision of the child welfare law concerned.

Part 1 Removal of persons

232 Persons under the parental responsibility of the Minister leaving or being removed from care

If a person under the parental responsibility of the Minister has, without lawful excuse, left, or been removed from, the care responsibility of the Minister and the Minister is of
the opinion that the person should be returned to that care responsibility, the Minister may, by order in writing, direct that the person be returned to that care responsibility.

233 Power of search for and removal of children and young persons in need of care and protection

(1) The Secretary or a police officer may apply to an authorised officer for a search warrant if the Secretary or police officer has reasonable grounds for believing—

(a) that there is in any premises a child or young person at risk of serious harm, or

(b) that a person on whom a notice has been served under section 173 (Medical examination of children in need of care and protection) has failed to comply with the requirement contained in the notice, or

(c) that a person the subject of an order in force under section 232 may be found in any premises.

(2) An authorised officer to whom such an application is made may issue a search warrant—

(a) in the case of an application under subsection (1)(a), if satisfied on reasonable grounds—

(i) that a child or young person is or may be at risk of serious harm, and

(ii) that the making of an apprehended violence order would not be sufficient to protect the child or young person from that risk, or

(b) in the case of an application under subsection (1)(b) or (c), if satisfied that there are reasonable grounds for doing so.

(3) A search warrant authorises the person named in the warrant—

(a) in the case of a warrant issued following an application under subsection (1)(a)—

(i) to enter such premises, if any, as may be specified in the warrant, and

(ii) to search those premises for the presence of the child or young person, and

(iii) to remove the child or young person from those premises or from any place, or

(b) in the case of a warrant issued following an application under subsection (1)(b)—

(i) to enter the premises (if any) specified in the warrant, and

(ii) to search the premises (if any) or elsewhere, or at large, for the presence of the child the subject of the notice under section 173(1), and

the person the subject of the order in force under section 232, and

(iii) to remove the person, and

(iv) to return the person to, or to place the person in, the custody of the custodian
specified in the order in force under section 232 in respect of the person.

(4) An application for a warrant or warrant may specify one or more addresses or other
descriptions of premises. However, it is not necessary to specify an address or other
description of premises in an application for a warrant or in a warrant.

(5) It is not necessary in any search warrant issued under this section to name any
particular child or young person.

234 Reasons for removal and other information to be given to certain persons

Act must cause notice of—

(b) the reasons for which the child or young person is being removed from the
premises or place, and

(c) the fact that the law authorises the person to remove the child or young person
from the premises or place, and

(d) what is likely to happen in relation to the care and protection of the child or young
person as a consequence of his or her being removed from the premises or place,

to be given to the person (if any) on the premises or at the place who appears to the
person to have the care responsibility of the child or young person for the time being
and, in the case of a child who is of or above the age of 10 years or a young person, to
the child or young person.

(2) Any such notice may be given verbally at the time the child or young person is
removed from the premises or place.

(3) However, if verbal notice is given, the person must cause written notice to be given as
soon as practicable after the child or young person is removed.

(4) In giving such notice to a child or young person, the person must do so in language
and in a manner the child or young person can understand having regard to his or her development and the circumstances.

(5) At the time the child or young person is removed from the premises or place, the person must, in the case of a child who is of or above the age of 10 years or a young person—

Chapter 16A Exchange of information and co-ordination of services

245A Object and principles of Chapter

(1) The object of this Chapter is to facilitate the provision of services to children and young persons by agencies that have responsibilities relating to the safety, welfare or well-being of children and young persons—

(a) by authorising or requiring those agencies to provide, and by authorising those agencies to receive, information that is relevant to the provision of those services, while protecting the confidentiality of the information, and

(b) by requiring those agencies to take reasonable steps to co-ordinate the provision of those services with other such agencies.
(2) The principles underlying this Chapter are as follows—

(a) agencies that have responsibilities relating to the safety, welfare or well-being of children or young persons should be able to provide and receive information that promotes the safety, welfare or well-being of children or young persons,

(b) those agencies should work collaboratively in a way that respects each other’s functions and expertise,

(c) each such agency should be able to communicate with each other agency so as to facilitate the provision of services to children and young persons and their families (including, where applicable, prioritised access to services to children and young persons at risk of significant harm and to their families),

(d) because the safety, welfare and well-being of children and young persons are paramount—

(i) the need to provide services relating to the care and protection of children and young persons, and

(ii) the needs and interests of children and young persons, and of their families, in receiving those services,

take precedence over the protection of confidentiality or of an individual’s privacy.
