(b) in each subsequent financial year, the amount calculated as follows—

$$\$100 \times \frac{A}{111.3}$$

A is the CPI number for the March quarter in the financial year immediately

preceding the financial year for which the amount is calculated.

Note—

111.3 is the CPI number for the March quarter of 2017.

- (2) The amount of a fee unit and the amount of a fee calculated by reference to a fee unit is to be rounded to the nearest cent (and an amount of 0.5 cent is to be rounded down).
- (3) However, if the amount of a fee unit calculated for any financial year is less than the amount that applied for the previous financial year, then the amount for that previous financial year applies instead.
- (4) As soon as practicable after the CPI number for the March quarter is first published by the Australian Statistician, the Registrar-General is required to publish on the NSW legislation website a notice of the amount of the fee unit for the next financial year. That notice may be published by the addition of an editorial note relating to the amount of the fee unit in the in force version of this Regulation published on the NSW legislation website.
- (5) The Registrar-General is also required to give public notice on an appropriate government website of the actual amounts of the fees applying in each financial year resulting from the application of the amount of fee unit calculated under this clause.
- (6) This clause operates to change an amount of a fee that is calculated by reference to a fee unit and that change is not dependent on the publication of a notice by the Registrar-General under this clause.
- (7) In this clause—

CPI number means the Consumer Price Index (All Groups Index) for Sydney published by the Australian Bureau of Statistics in the latest published series of that index.

financial year means a period of 12 months commencing on 1 July.

Editorial note—

Fee unit amount calculated under this clause—

- 3 If the caveator's claim is based (wholly or in part) on the terms of a written agreement or other instrument, particulars of the nature and date of that agreement or instrument and the parties to it.
- 4 If the caveator claims as mortgagee, chargee or covenant chargee, a statement of the amount (if readily ascertainable) of the debt or other sum of money charged on the land (or, if the amount is not readily ascertainable, the nature of the debt, annuity, rent-charge or other charge secured on the land).
- 5 If the caveator claims as lessee for a term or for a renewal or extension of a term, particulars of the duration of the term or renewed or extended term and its commencing date (and, if the agreement for the term, renewal or extension includes an option for the renewal or extension of the term or to purchase the reversion, a statement to the appropriate effect).

- 7 If the caveator claims a profit à prendre, particulars of the land or authority intended to have the benefit of the profit à prendre.
- 8 If the caveator claims a right to the benefit of a restriction on the use of land, particulars of the land or authority intended to have the benefit of the restriction.
- 9 If the caveator claims a right to the benefit of a positive covenant, particulars of the land or authority intended to have the benefit of the covenant.
- 10 It is not necessary to specify—
 - (a) whether the estate or interest claimed is legal or equitable, or
 - (b) the quantum of the estate or interest claimed (except as provided in items 4 and 5), or
 - (c) how the estate or interest claimed ranks in priority with other estates and interests in the land.

Schedule 3 Description in caveats of part of land

(Clause 8)

- 1 Except where item 2, 3 or 5 applies, the description of the part must refer to the part—
 - (a) as a lot or portion in a current plan within the meaning of the [Conveyancing Act 1919](#), or
 - (b) as a proposed lot in a plan lodged for registration or recording—

(i) under Division 3 of Part 23 of the *Conveyancing Act 1919*, or

(ii) under the *Strata Schemes Development Act 2015*,

but only if the plan has not been so registered or recorded at the time of lodgment of the caveat, or

(c) if the Registrar-General so approves, as the land shown in a plan annexed to or endorsed on the caveat, which plan must contain sufficient information to establish, to the satisfaction of the Registrar-General, the relationship of the plan to the boundaries of the land comprised in the folio of the Register or the current lease to which the caveat relates.

2 If the claim of the caveator is in respect of—

(a) premises within an existing building, or

(b) a proposed lot in a proposed strata plan or other proposed plan of subdivision which, at the time of lodgment of the caveat, has not been lodged with the Registrar-General for registration or recording, or

3 If the claim of the caveator is in respect of an unregistered easement over part of the land comprised in a folio of the Register or a current lease, the description must identify the site of the easement—

(a) if the Registrar-General so approves, as the land shown in a plan annexed to or endorsed on the caveat, or

(b) as the land shown in a plan which defines the site of the easement and which is registered or recorded with the Registrar-General.

4 It is not necessary for a plan referred to in item 3 to define precisely the site of an easement intended to be created in respect of an existing tunnel, pipe, conduit, wire or other similar object which is underground, or is within or beneath an existing building, so long as the plan shows the approximate position of the easement.

5 If mines or minerals constitute the part of the land comprised in the folio of the Register or current lease to which the claim of the caveator relates, it is sufficient to specify or describe the mines or minerals concerned.
