(1) Unless a contrary intention appears, if a provision of this Act or an instrument made under this Act:

(a) would, apart from this section, have an invalid application, but

(b) also has at least one valid application,

it is the intention of the Parliament of New South Wales that the provision is not to have the invalid application, but is to have every valid application.

(2) Despite subsection (1), the provision is not to have a particular valid application if:

(a) apart from this section, it is clear, taking into account the provision's context and the purposes or objects underlying this Act, that the provision was intended to have that valid application only if every invalid application, or a particular invalid application, of the provision had also been within the legislative power of the Parliament of New South Wales, or

(b) the provision's operation in relation to that valid application would be different in a substantial respect from what would have been its operation in relation to that valid application if every invalid application of the provision had been within the legislative power of the Parliament of New South Wales.

(3) Subsection (2) does not limit the cases in which a contrary intention may be taken to appear for the purposes of subsection (1).

(4) This section is in addition to, and not in derogation of, section 31 of the [Interpretation Act 1987](#).

(5) In this section:

Part 2 Extinguishment of certain liability

Division 1 General

- (3) The provisions of this Part apply despite the provisions of any other legislation or any other law (whether written or unwritten).

For the purposes of this Part, **protected conduct** is anything done or omitted to be done in connection with any of the following:

- (g) the issue by ABN 60 of shares in ABN 60 to James Hardie Industries NV and the cancellation of those shares in March 2003.

Note—

Division 2 Extinguishment of liability

7 Liability in relation to protected conduct extinguished

- (1) Any liability to which this Part applies that is incurred (whether before, during or after the assent day) by any of the following persons in respect of any protected conduct of the person is extinguished:
 - (a) any liable entity,
 - (b) the Compensation Foundation,

 - (d) any controlled entity of James Hardie Industries NV,
 - (e) any person who engaged in the conduct in the person's capacity as a director or other officer, employee, advisor or agent of:
 - (i) any liable entity, or
 - (ii) the Compensation Foundation, or
 - (iii) any controlled entity of James Hardie Industries NV, or
 - (iv) James Hardie Industries NV.

- (2) In this section, **controlled entity** of James Hardie Industries NV has the same meaning as it has in section 32 of the *James Hardie Former Subsidiaries (Winding up and Administration) Act 2005*.

8 When liability extinguished

Liability that is extinguished by section 7 is extinguished:

- (a) if the liability accrues during or before the assent day (but subject to paragraph (c))—on the assent day, or
- (b) if the liability accrues after the assent day (but subject to paragraph (c))—on the day on which the liability accrues, or
- (c) if the liability was revived under Division 3 and then extinguished again under this Division as referred to in section 11 (1) (b)—on the day on which the order that revived the liability is revoked by a revoking order under section 9.

Division 3 Revival of liability

9 Revival of extinguished liability

- (1) A liability extinguished by operation of Division 2 may be revived as provided by this section, but not if the liability is a liability of a natural person.
- (2) The Minister may, at any time, by order published in the Gazette (a **reviving order**) declare that specified liability, or a specified class of liability, extinguished by operation of Division 2 is revived on a day specified in the order. That day must not be earlier than 14 days after the day on which the reviving order is published in the Gazette.
- (3) A reviving order may not be made if the making of the order would constitute a breach by the State of the terms of the Final Funding Agreement or a Related Agreement.

Note—

An exercise of the power to make a reviving order in a manner that breaches the Final Funding Agreement or a Related Agreement may also render the State liable to pay damages. See Part 3 of the *James Hardie (Civil Liability) Act 2005*.

- (4) Any person whose liability is revived (or purportedly revived) by a reviving order (or purported reviving order) may not claim or otherwise assert in any proceedings that the order or purported order was not validly made unless the Minister is, or is subsequently joined as, a party to the proceedings.
- (5) A reviving order operates to revive the liability concerned on the day specified by the order.
- (6) The Minister may, by order published in the Gazette (a **revoking order**), revoke a

reviving order on a day specified in the order.

- (7) Without limiting subsection (6), the Minister must revoke a reviving order as soon as is reasonably practicable after the Minister becomes aware of the cessation of the breach or breaches of the Final Funding Agreement by another party to the Agreement that occasioned the reviving order.
- (8) A revoking order may be published before, during or after the day fixed by the reviving order for the revival of the liability concerned.
- (9) The revocation of a reviving order does not prevent publication of a further reviving order.
- (10) More than one reviving or revoking order may be made under this section.

10 Effect of revival of extinguished liability

If extinguished liability is revived under this Division:

- (a) the liability is taken for all purposes never to have been extinguished and is enforceable accordingly by any person for whose benefit the liability accrues, and
- (b) any limitation period applicable to a cause of action for the liability is taken to have stopped running on the day on which the liability was extinguished and to have recommenced to run on the day on which the liability is revived.

11 Effect of revocation of reviving order

- (1) If a reviving order under section 9 is revoked by a revoking order under that section, the revoking order has the following effect:
 - (a) if it is published before or during the day fixed by the reviving order for the revival of a specified liability—the reviving order is taken never to have been published and, accordingly, the specified liability is not revived,
 - (b) if it is published after the day fixed by the reviving order for the revival of a specified liability—the reviving order ceases to have effect on the day on which it is revoked and, accordingly, Division 2 operates (subject to subsection (2)) to extinguish again the specified liability.
- (2) Subsection (1) (b) does not operate to apply Division 2 to liability in respect of which proceedings were commenced before a court or other tribunal while the liability was revived if those proceedings are still pending immediately before the publication of the revoking order.

Division 4 Displacement of Corporations legislation

12 Displacement of Corporations legislation

Divisions 1–3 are declared to be Corporations legislation displacement provisions for the purposes of section 5G of the Corporations Act in relation to the Corporations legislation generally.

Note—

Section 5G (11) of the Corporations Act provides that if a State law declares a provision of a State law to be a Corporations legislation displacement provision, any provision of the Corporations legislation with which the State provision would otherwise be inconsistent does not apply to the extent necessary to avoid the inconsistency.

However, section 5G (3) of that Act provides that section 5G will only apply to a provision of a law of a State or Territory enacted after the commencement of that Act if a law of the State or Territory declares the provision to be a Corporations legislation displacement provision for the purposes of that section.
