15 Interpretation

In this Part, **Pillar employee** means an employee of Pillar or a wholly-owned subsidiary of Pillar, and includes a person who was an employee of Pillar or a wholly-owned subsidiary of Pillar immediately before the person's employment was transferred under this Part to the employment of another public sector agency.

- (4) The Treasurer may negotiate and enter into agreements or industrial instruments concerning workplace relations for or on behalf of a public sector agency in connection

with the operation of this section.

17 Transfers of staff to private sector employment

- (1) The Treasurer may, for the purposes of the authorised transaction, by order in writing transfer the employment of a Pillar employee (a **transferred employee**) to the employment of a private sector entity (the **new employer**).
- (2) A transfer of employment under this section does not require the consent of the Pillar employee transferred.
- (3) The employment of a transferred employee with the new employer is to be on the same terms and conditions as applied under a relevant award to the employee as a Pillar employee immediately before the transfer of employment.
- (4) Those terms and conditions cannot be varied during any employment guarantee period for the transferred employee except by agreement entered into by or on behalf of the transferred employee or in accordance with the [Fair Work Act 2009](#) of the Commonwealth.
- (5) The employment of a transferred employee with the new employer cannot be terminated by the new employer during any employment guarantee period for the transferred employee, except—
 - (a) for serious misconduct, or

 - (b) the new employer is taken to be an employer for the purposes of any superannuation scheme in respect of which the employee continues as a contributor, member or employee pursuant to an entitlement under this section,

- (2) The Treasurer may in connection with the operation of this Part give a certificate in writing as to the extent of the accrued rights to annual leave, extended or long service leave or sick leave that are retained by the employee under this Part, and such a certificate is evidence of the matters certified.
- (3) Nothing in the [Long Service Leave Act 1955](#) prevents payment in connection with the transfer under this Act of the employment of an employee to the employment of a private sector entity of the monetary value of long service leave in lieu of an entitlement to that leave accrued as a Pillar employee before the transfer of the employee's employment.
- (4) An employee is not entitled in respect of the same period of service to claim a benefit under this Act and another law or instrument.

19 Operation of other laws and entitlements

The following provisions apply in relation to the transfer of a person's employment under this Part—

- (d) a public sector agency is not required to make any payment to the transferred person in relation to the transferred person's accrued rights in respect of annual leave, sick leave or extended or long service leave.

20 Operation of Commonwealth law
