2 Commencement

10 Valuation of construction work and related goods and services

- (1) Construction work carried out or undertaken to be carried out under a construction contract is to be valued—

11 Due date for payment

- (1) Subject to this section and any other law, a progress payment to be made under a

construction contract is payable in accordance with the applicable terms of the contract.

- (a) prescribed under section 101 of the [Civil Procedure Act 2005](#), or

- (3) If a progress payment becomes due and payable, the claimant is entitled to exercise a lien in respect of the unpaid amount over any unfixed plant or materials supplied by the claimant for use in connection with the carrying out of construction work for the respondent.
- (4) Any lien or charge over the unfixed plant or materials existing before the date on which the progress payment becomes due and payable takes priority over a lien under subsection (3).

- (5) Subsection (3) does not confer on the claimant any right against a third party who is the owner of the unfixed plant or materials.
- (6) Except as otherwise provided by this section, the rules and principles of the common law and equity apply to the determination of priorities between a lien under subsection (3) over any unfixed plant and materials and any other interest in the plant and materials.
- (7) Section 73(2) of the [Personal Property Securities Act 2009](#) of the Commonwealth is declared to apply to liens under subsection (3).
- (8) A provision in a construction contract has no effect to the extent it allows for payment of a progress payment later than the relevant date it becomes due and payable under subsection (1A) or (1B).

12 Effect of “pay when paid” provisions

- (1) A pay when paid provision of a construction contract has no effect in relation to any payment for construction work carried out or undertaken to be carried out (or for related goods and services supplied or undertaken to be supplied) under the contract.

- (2) In this section—

money owing, in relation to a construction contract, means money owing for construction work carried out or undertaken to be carried out (or for related goods and services supplied or undertaken to be supplied) under the contract.

pay when paid provision of a construction contract means a provision of the contract—

- (a) that makes the liability of one party (the **first party**) to pay money owing to another party (the **second party**) contingent on payment to the first party by a further party (the **third party**) of the whole or any part of that money, or
- (b) that makes the due date for payment of money owing by the first party to the second party dependent on the date on which payment of the whole or any part of that money is made to the first party by the third party, or
- (c) that otherwise makes the liability to pay money owing, or the due date for payment of money owing, contingent or dependent on the operation of another contract.

12A Trust account requirements for retention money

- (1) The regulations may make provision for or with respect to requiring retention money to be held in trust for the subcontractor entitled to the money and requiring the head contractor who holds retention money to pay the money into a trust account (a **retention money trust account**) established and operated in accordance with the

regulations.

- (2) The regulations may provide for the trust account into which retention money is to be paid to be a trust account established with a financial institution by the head contractor or a trust account established and operated by the Small Business Commissioner.

13 Payment claims

- (1) A person referred to in section 8 who is or who claims to be entitled to a progress payment (the **claimant**) may serve a payment claim on the person who, under the construction contract concerned, is or may be liable to make the payment.
- (1A) A payment claim may be served on and from the last day of the named month in which the construction work was first carried out (or the related goods and services were first supplied) under the contract and on and from the last day of each subsequent named month.
- (1B) However, if the construction contract concerned makes provision for an earlier date for the serving of a payment claim in any particular named month, the claim may be served on and from that date instead of on and from the last day of that month.

- (1C) In the case of a construction contract that has been terminated, a payment claim may be served on and from the date of termination.
- (2) A payment claim—
- (a) must identify the construction work (or related goods and services) to which the progress payment relates, and
 - (b) must indicate the amount of the progress payment that the claimant claims to be due (the **claimed amount**), and
 - (c) must state that it is made under this Act.
- (3) The claimed amount may include any amount—
- (a) that the respondent is liable to pay the claimant under section 27(2A), or
 - (b) that is held under the construction contract by the respondent and that the claimant claims is due for release.
- (4) A payment claim may be served only within—
- (a) the period determined by or in accordance with the terms of the construction contract, or
 - (b) the period of 12 months after the construction work to which the claim relates was last carried out (or the related goods and services to which the claim relates were last supplied),
- whichever is the later.
- (5) Except as otherwise provided for in the construction contract, a claimant may only serve one payment claim in any particular named month for construction work carried out or undertaken to be carried out (or for related goods and services supplied or undertaken to be supplied) in that month.
- (6) Subsection (5) does not prevent the claimant from—
- (a) serving a single payment claim in respect of more than one progress payment, or
 - (b) including in a payment claim an amount that has been the subject of a previous claim, or
 - (c) serving a payment claim in a particular named month for construction work carried out or undertaken to be carried out (or for related goods and services supplied or undertaken to be supplied) in a previous named month.
- (7) A head contractor must not serve a payment claim on the principal unless the claim is accompanied by a supporting statement that indicates that it relates to that payment

claim.

Maximum penalty—1,000 penalty units in the case of a corporation or 200 penalty units in the case of an individual.

- (8) A head contractor must not serve a payment claim on the principal accompanied by a supporting statement knowing that the statement is false or misleading in a material particular in the particular circumstances.

- (9) In this section—

14 Payment schedules

- (1) A person on whom a payment claim is served (the **respondent**) may reply to the claim by providing a payment schedule to the claimant.
- (2) A payment schedule—
- (a) must identify the payment claim to which it relates, and
 - (b) must indicate the amount of the payment (if any) that the respondent proposes to make (the **scheduled amount**).
- (3) If the scheduled amount is less than the claimed amount, the schedule must indicate why the scheduled amount is less and (if it is less because the respondent is withholding payment for any reason) the respondent's reasons for withholding payment.
- (4) If—
- (a) a claimant serves a payment claim on a respondent, and
 - (b) the respondent does not provide a payment schedule to the claimant—
 - (i) within the time required by the relevant construction contract, or
 - (ii) within 10 business days after the payment claim is served,

whichever time expires earlier,

the respondent becomes liable to pay the claimed amount to the claimant on the due date for the progress payment to which the payment claim relates.

15 Consequences of not paying claimant where no payment schedule

- (3) A notice referred to in subsection (2)(b) must state that it is made under this Act.
- (4) If the claimant commences proceedings under subsection (2)(a)(i) to recover the unpaid portion of the claimed amount from the respondent as a debt—

 - (b) the respondent is not, in those proceedings, entitled—
 - (i) to bring any cross-claim against the claimant, or
 - (ii) to raise any defence in relation to matters arising under the construction contract.

- (1) This section applies if—
 - (a) a claimant serves a payment claim on a respondent, and

- (b) the respondent provides a payment schedule to the claimant—
 - (i) within the time required by the relevant construction contract, or
 - (ii) within 10 business days after the payment claim is served,whichever time expires earlier, and
 - (c) the payment schedule indicates a scheduled amount that the respondent proposes to pay to the claimant, and
 - (d) the respondent fails to pay the whole or any part of the scheduled amount to the claimant on or before the due date for the progress payment to which the payment claim relates.
- (2) In those circumstances, the claimant—
- (a) may—
 - (i) recover the unpaid portion of the scheduled amount from the respondent, as a debt due to the claimant, in any court of competent jurisdiction, or
 - (ii) make an adjudication application under section 17(1)(a)(ii) in relation to the payment claim, and
 - (b) may serve notice on the respondent of the claimant's intention to suspend carrying out construction work (or to suspend supplying related goods and services) under the construction contract.
- (3) A notice referred to in subsection (2)(b) must state that it is made under this Act.
- (4) If the claimant commences proceedings under subsection (2)(a)(i) to recover the unpaid portion of the scheduled amount from the respondent as a debt—
- (a) judgment in favour of the claimant is not to be given unless the court is satisfied of the existence of the circumstances referred to in subsection (1), and

17A Withdrawal of application

- (1) A claimant may withdraw an adjudication application at any time—
 - (a) before an adjudicator is appointed to determine the application, or
 - (b) if an adjudicator has been appointed—before the application is determined,by serving written notice of the withdrawal on the respondent and on the authorised nominating authority or the adjudicator (if any).
- (2) If an adjudicator has been appointed to determine an adjudication application, the withdrawal of the application does not have effect if any other party to the construction contract concerned objects to the withdrawal and, in the opinion of the adjudicator, it is in the interests of justice to uphold the objection.

18 Eligibility criteria for adjudicators

- (1) A person is eligible to be an adjudicator in relation to a construction contract—
 - (a) if the person is a natural person, and

20 Adjudication responses

- (1) Subject to subsection (2A), the respondent may lodge with the adjudicator a response to the claimant's adjudication application (the **adjudication response**) at any time within—

- (2B) The respondent cannot include in the adjudication response any reasons for withholding payment unless those reasons have already been included in the payment schedule provided to the claimant.
- (3) A copy of the adjudication response must be served on the claimant.

21 Adjudication procedures

- (1) An adjudicator is not to determine an adjudication application until after the end of the period within which the respondent may lodge an adjudication response.
- (2) An adjudicator is not to consider an adjudication response unless it was made before the end of the period within which the respondent may lodge such a response.
- (3) Subject to subsections (1) and (2), an adjudicator is to determine an adjudication application as expeditiously as possible and, in any case—
 - (a) within 10 business days after—
 - (i) if the respondent is entitled to lodge an adjudication response under section 20—the date on which the respondent lodges the response or, if a response is not lodged, the end of the period within which the respondent was entitled to lodge a response, or

 - (c) may call a conference of the parties, and
 - (d) may carry out an inspection of any matter to which the claim relates.
- (4A) If any such conference is called, it is to be conducted informally and the parties are not entitled to any legal representation.
- (5) The adjudicator’s power to determine an adjudication application is not affected by the failure of either or both of the parties to make a submission or comment within time or to comply with the adjudicator’s call for a conference of the parties.

22 Adjudicator’s determination

- (1) An adjudicator is to determine—
 - (a) the amount of the progress payment (if any) to be paid by the respondent to the claimant (the **adjudicated amount**), and
 - (b) the date on which any such amount became or becomes payable, and
 - (c) the rate of interest payable on any such amount.
- (2) In determining an adjudication application, the adjudicator is to consider the following matters only—
 - (a) the provisions of this Act,
 - (b) the provisions of the construction contract from which the application arose,
 - (c) the payment claim to which the application relates, together with all submissions (including relevant documentation) that have been duly made by the claimant in support of the claim,
 - (d) the payment schedule (if any) to which the application relates, together with all submissions (including relevant documentation) that have been duly made by the respondent in support of the schedule,

(e) the results of any inspection carried out by the adjudicator of any matter to which the claim relates.

(3) The adjudicator's determination must—

(a) be in writing, and

(b) include the reasons for the determination (unless the claimant and the respondent have both requested the adjudicator not to include those reasons in the determination), and

(c) be served by the adjudicator on the claimant and the respondent.

(4) If, in determining an adjudication application, an adjudicator has, in accordance with section 10, determined—

(a) the value of any construction work carried out under a construction contract, or

(b) the value of any related goods and services supplied under a construction contract,

the adjudicator (or any other adjudicator) is, in any subsequent adjudication application that involves the determination of the value of that work or of those goods and services, to give the work (or the goods and services) the same value as that previously determined unless the claimant or respondent satisfies the adjudicator concerned that the value of the work (or the goods and services) has changed since the previous determination.

(5) If the adjudicator's determination contains—

(a) a clerical mistake, or

(b) an error arising from an accidental slip or omission, or

(c) a material miscalculation of figures or a material mistake in the description of any person, thing or matter referred to in the determination, or

(d) a defect of form,

the adjudicator may, on the adjudicator's own initiative or on the application of the claimant or the respondent, correct the determination.

23 Respondent required to pay adjudicated amount

(1) In this section—

relevant date means—

(a) the date occurring 5 business days after the date on which the adjudicator's determination is served by the adjudicator on the respondent concerned, or

(b) if the adjudicator determines a later date under section 22(1)(b)—that later date.

- (2) If an adjudicator determines that a respondent is required to pay an adjudicated amount, the respondent must pay that amount to the claimant on or before the relevant date.

24 Consequences of not paying claimant adjudicated amount

- (1) If the respondent fails to pay the whole or any part of the adjudicated amount to the claimant in accordance with section 23, the claimant may—
- (a) request the authorised nominating authority to whom the adjudication application was made to provide an adjudication certificate under this section, and
 - (b) serve notice on the respondent of the claimant's intention to suspend carrying out construction work (or to suspend supplying related goods and services) under the construction contract.
- (2) A notice under subsection (1)(b) must state that it is made under this Act.
- (3) An adjudication certificate must state that it is made under this Act and specify the following matters—
- (a) the name of the claimant,
 - (b) the name of the respondent who is liable to pay the adjudicated amount,
 - (c) the adjudicated amount,
 - (d) the date on which payment of the adjudicated amount was due to be paid to the claimant.
- (4) If any amount of interest that is due and payable on the adjudicated amount is not paid by the respondent, the claimant may request the authorised nominating authority to specify the amount of interest payable in the adjudication certificate. If it is specified in the adjudication certificate, any such amount is to be added to (and becomes part of) the adjudicated amount.
- (5) If the claimant has paid the respondent's share of the adjudication fees in relation to the adjudication but has not been reimbursed by the respondent for that amount (the **unpaid share**), the claimant may request the authorised nominating authority to specify the unpaid share in the adjudication certificate. If it is specified in the adjudication certificate, any such unpaid share is to be added to (and becomes part of) the adjudicated amount.

25 Filing of adjudication certificate as judgment debt

- (1) An adjudication certificate may be filed as a judgment for a debt in any court of competent jurisdiction and is enforceable accordingly.

- (2) An adjudication certificate cannot be filed under this section unless it is accompanied by an affidavit by the claimant stating that the whole or any part of the adjudicated amount has not been paid at the time the certificate is filed.
- (3) If the affidavit indicates that part of the adjudicated amount has been paid, the judgment is for the unpaid part of that amount only.
- (4) If the respondent commences proceedings to have the judgment set aside, the respondent—
 - (a) is not, in those proceedings, entitled—
 - (i) to bring any cross-claim against the claimant, or
 - (ii) to raise any defence in relation to matters arising under the construction contract, or
 - (iii) to challenge the adjudicator's determination, and
 - (b) is required to pay into the court as security the unpaid portion of the adjudicated amount pending the final determination of those proceedings.

26 Claimant may make new application in certain circumstances

- (1) This section applies if—
 - (a) a claimant fails to receive an adjudicator's notice of acceptance of an adjudication application within 4 business days after the application is made, or
 - (b) an adjudicator who accepts an adjudication application fails to determine the application within the time allowed by section 21(3).
- (2) In either of those circumstances, the claimant—
 - (a) may withdraw the application, by notice in writing served on the adjudicator or authorised nominating authority to whom the application was made, and
 - (b) may make a new adjudication application under section 17.
- (3) Despite section 17(3)(c), (d) and (e), a new adjudication application may be made at any time within 5 business days after the claimant becomes entitled to withdraw the previous adjudication application under subsection (2).
- (4) This Division applies to a new application referred to in this section in the same way as it applies to an application under section 17.

Division 2A Claimant's rights against principal contractor

26A Principal contractor can be required to retain money owed to respondent

- (1) A claimant who has made an adjudication application for a payment claim can require a principal contractor for the claim to retain sufficient money to cover the claim out of money that is or becomes payable by the principal contractor to the respondent.
- (2) Such a requirement is made by serving on the principal contractor a request (a **payment withholding request**) in the form approved by the Secretary.
- (3) A payment withholding request must include a statement in writing by the claimant in the form of a statutory declaration declaring that the claimant genuinely believes that the amount of money claimed is owed by the respondent to the claimant.
- (4) A **principal contractor** for a claim is a person by whom money is or becomes payable to the respondent for work carried out or materials supplied by the respondent to the person as part of or incidental to the work or materials that the respondent engaged the claimant to carry out or supply.
- (5) A person who is served with a payment withholding request must, if the person is not (or is no longer) a principal contractor for the claim, give notice to that effect to the claimant concerned within 10 business days after receiving the request.

Maximum penalty—50 penalty units in the case of a corporation or 10 penalty units in the case of an individual.

Note—

A person may no longer be a principal contractor as a result of money owed to the respondent having been paid by the person before the payment withholding request was served.

26B Obligation of principal contractor to retain money owed to respondent

- (1) A principal contractor who has been served with a payment withholding request must retain, out of money owed to the respondent, the amount of money to which the payment claim relates (or the amount owed by the principal contractor to the respondent if that amount is less than the amount to which the payment claim relates).
- (2) The amount is only required to be retained out of money that is or becomes payable by the principal contractor to the respondent for work carried out or materials supplied by the respondent to the principal contractor as part of or incidental to the work or materials that the respondent engaged the claimant to carry out or supply.
- (3) The obligation to retain money under this section remains in force only until whichever of the following happens first—
 - (a) the adjudication application for the payment claim is withdrawn and the claimant does not make a new adjudication application in accordance with section 26,

- (a1) the adjudicator fails to determine the adjudication application in accordance with section 21 and the claimant does not make a new adjudication application in accordance with section 26,
 - (b) the respondent pays to the claimant the amount claimed to be due under the payment claim,
 - (c) the claimant serves a notice of claim on the principal contractor for the purposes of section 6 of the [Contractors Debts Act 1997](#) in respect of the payment claim,
 - (d) a period of 20 business days elapses after a copy of the adjudicator's determination of the adjudication application is served on the principal contractor.
- (4) A part payment of the amount claimed to be due under the payment claim removes the obligation under this section to retain money to the extent of the payment.
- (5) When the claimant's adjudication application is determined, the claimant must serve a copy of the adjudicator's determination on the principal contractor within 5 business days after the adjudicator's determination is served on the claimant.

Maximum penalty—50 penalty units in the case of a corporation or 10 penalty units in the case of an individual.

26C Contravention of requirement by principal contractor

- (1) If a principal contractor discharges the principal contractor's obligation to pay money owed under a contract to the respondent in contravention of a requirement under this Division to retain the money, the principal contractor becomes jointly and severally liable with the respondent in respect of the debt owed by the respondent to the claimant (but only to the extent of the amount of money to which the contravention relates).
- (2) The principal contractor can recover as a debt from the respondent any amount that the claimant recovers from the principal contractor pursuant to a right of action conferred by this section.

26D Protections for principal contractor

- (1) An obligation under this Division to retain money owed by a principal contractor to the respondent operates (while the obligation continues) as a defence against recovery of the money by the respondent from the principal contractor.
- (2) Any period for which a principal contractor retains money pursuant to an obligation under this Division is not to be taken into account for the purposes of reckoning any period for which money owed by the principal contractor to the respondent has been unpaid.
- (3) A claimant who has served a payment withholding request on a principal contractor in

connection with an adjudication application must, if the adjudication application is withdrawn, give the principal contractor written notice of the withdrawal of the application within 5 business days after it is withdrawn.

Maximum penalty—50 penalty units in the case of a corporation or 10 penalty units in the case of an individual.

- (4) The principal contractor is entitled to rely in good faith on a statement in writing by the respondent in the form of a statutory declaration that—
- (a) a specified amount claimed to be due under an adjudication application has been paid, or
 - (b) an adjudication application has been withdrawn.

26E Respondent to provide information about principal contractor

- (1) An adjudicator may, in connection with an adjudication application and at the request of the claimant, direct the respondent to provide information to the claimant as to the identity and contact details of any person who is a principal contractor in relation to the claim.

- (2) A respondent must comply with a direction of an adjudicator under this section.

Maximum penalty—50 penalty units in the case of a corporation or 10 penalty units in the case of an individual.

- (3) A respondent must not, in purported compliance with a direction of an adjudicator under this section, provide information that the respondent knows is false or misleading in a material particular.

Maximum penalty—50 penalty units in the case of a corporation or 10 penalty units in the case of an individual.

26F Other rights of claimant not affected

Division 3 Claimant's right to suspend construction work

27 Claimant may suspend work

- (1) A claimant may suspend the carrying out of construction work (or the supply of related goods and services) under a construction contract if at least 2 business days have passed since the claimant has caused notice of intention to do so to be given to the respondent under section 15, 16 or 24.

- (2) The right conferred by subsection (1) exists until the end of the period of 3 business days immediately following the date on which the claimant receives payment for the amount that is payable by the respondent under section 15(1), 16(1) or 23(2).
- (2A) If the claimant, in exercising the right to suspend the carrying out of construction work or the supply of related goods and services, incurs any loss or expenses as a result of the removal by the respondent from the contract of any part of the work or supply, the respondent is liable to pay the claimant the amount of any such loss or expenses.
- (3) A claimant who suspends construction work (or the supply of related goods and services) in accordance with the right conferred by subsection (1) is not liable for any loss or damage suffered by the respondent, or by any person claiming through the respondent, as a consequence of the claimant not carrying out that work (or not supplying those goods and services) during the period of suspension.
