(4) Notes included in this Act do not form part of this Act.

4 Act binds the Crown

This Act binds the Crown, not only in right of the State but also, so far as the legislative power of Parliament permits, the Crown in all its other capacities.

Part 2 Objects

5 Objects

(1) The objects of this Act in relation to energy are—

(a) to secure the best management of the supply and use of energy in the State,

(b) to provide an authoritative source of advice to the Government and the community on energy matters and their co-ordination,

(c) to apply the State's energy resources, technologies and associated expertise to promote economic development and employment in the State,

- (d) to promote and maintain the efficiency and accountability of energy producers and suppliers and their responsiveness to community needs and expectations,
 - (e) to promote the most cost-effective long term match of energy supply and demand, and
 - (f) to promote the safe and effective utilisation of energy.
- (2) In the administration of Acts relating to energy, regard shall, to the maximum extent possible having regard to the needs of the State and available resources, and subject to any directions of the Minister, be had to the objects of this Act.
- (3) The objects of this Act in relation to water are—
- (a) to reduce the demand for water in water savings areas, and
 - (b) to stimulate investment in innovative water savings measures for use in water savings areas, and
 - (c) to increase public awareness and acceptance of the need to save water in water savings areas, and
 - (d) to improve access to a wider range of water saving technologies in water savings areas, and
 - (e) to encourage the use of non-potable water in water savings areas as an alternative to potable water.

Part 3 Energy Corporation

Division 1 Constitution of Corporation

6 Constitution of Corporation

- (1) There is constituted by this Act a corporation with the corporate name of the Energy Corporation of New South Wales.
- (2) The Corporation is taken to be the continuation of the Corporation constituted under this Act, section 7 immediately before the repeal of that section by the *Energy Legislation Amendment Act 2023*.
- (3) The Corporation is a NSW government agency.

Note—

See the [Interpretation Act 1987](#), section 13A.

- (4) The Corporation is subject to the control and direction of the Minister.
- (4A) The Corporation is also subject to the control and direction of the Secretary, but only

to the extent necessary to enable the Secretary to exercise the Secretary's functions under this Act or another Act.

- (5) The Department and the Corporation must, to the maximum extent possible, act in a complementary way to achieve a unified administration of this Act and other Acts conferring or imposing functions on the Corporation.

Division 2 Management of Corporation

7 Constitution of Board of Corporation

- (1) There is to be a Board of the Corporation.
- (2) The Board consists of at least 3 and not more than 8 Board members appointed by the Minister.
- (3) The Minister must appoint Board members who, in the Minister's opinion, have skills and experience that—
 - (a) are relevant to the administration of the Corporation, and
 - (b) will assist the Corporation in exercising its functions.
- (4) At least 1 Board member must have skills and experience in community engagement.
- (5) The Minister must appoint a Board member as Chairperson of the Board.
- (6) Schedule 1 contains provisions about the members and procedure of the Board.

8 Functions of Board

- (1) The Board has the following functions—
 - (a) to determine the policies of the Corporation and give directions to the Chief Executive Officer in relation to the functions of the Corporation,
 - (a1) to ensure, as far as practicable, the proper and efficient performance of the functions of the Corporation and the Chief Executive Officer,
 - (b) other functions conferred or imposed on the Board by this Act or another law or prescribed by the regulations.
- (2) To avoid doubt, the Board must not direct the Chief Executive Officer in relation to employer functions the Chief Executive Officer may have under the [Government Sector Employment Act 2013](#), section 31.

8A Board committees

- (1) The Board may establish committees to assist the Board in connection with the Board's functions.

- (2) A committee need not include a member of the Board.
- (3) The procedure for calling meetings of a committee and conducting business at the meetings must be determined by the Board or, subject to a determination of the Board, by the committee.
- (4) The Board may dissolve a committee.

9 Staff of Corporation

Persons may be employed in the Public Service under the *Government Sector Employment Act 2013* to enable the Corporation to exercise its functions.

Note—

The *Government Sector Employment Act 2013*, section 59 provides that the persons employed for the Corporation, or whose services the Corporation makes use of, may be referred to as officers or employees, or members of staff, of the Corporation. The *Constitution Act 1902*, section 47A precludes the Corporation from employing staff.

10 Control and management of Corporation

- (1) All decisions relating to the functions of the Corporation must be made by or under the authority of the Board.
- (2) The Chief Executive Officer is responsible for the day-to-day management of the affairs of the Corporation, subject to the policies and directions of the Board.
- (3) An act, matter or thing done in the name of, or on behalf of, the Corporation by or under the authority of the Board or the Chief Executive Officer is taken to have been done by the Corporation.
- (4) A direction of the Minister under section 6(4) and a direction of the Secretary under section 6(4A) prevail over a policy or direction of the Board to the extent of an inconsistency.

Division 3 Miscellaneous

10A Delegation

- (1) The Corporation may delegate the exercise of any of its functions, other than this power of delegation, to the following—
 - (a) the Chief Executive Officer,
 - (b) an advisory committee established by the Corporation under section 10B,
 - (c) a Public Service employee,
 - (d) a person of a class prescribed by the regulations.

- (2) The Corporation may subdelegate a function delegated to the Corporation by the Minister to the persons specified in subsection (1), unless the Minister otherwise provides in the instrument of delegation.
- (3) The Chief Executive Officer may delegate the exercise of any of the Chief Executive Officer's functions, other than this power of delegation, to the following—
 - (a) a member of staff of the Corporation,
 - (b) a person of a class prescribed by the regulations.
- (4) The Chief Executive Officer may subdelegate a function delegated to the Chief Executive Officer by the Minister or the Corporation to the following, unless the Minister or the Corporation otherwise provides in the instrument of delegation—
 - (a) a member of staff of the Corporation,
 - (b) a person of a class prescribed by the regulations.

Note—

The Minister's functions may be delegated under section 45.

10B Advisory committees

- (1) The Corporation may establish advisory committees to give advice and assistance to the Corporation in connection with the Corporation's functions.
- (2) The procedure for calling advisory committee meetings and conducting business at advisory committee meetings must, subject to this Act and the regulations, be determined by the Corporation.
- (3) The Corporation may dissolve an advisory committee.

10C Protection from personal liability

- (1) A protected person, or an individual acting under the direction of a protected person, is not personally subject to civil liability for anything done or omitted to be done—
 - (a) in good faith, and
 - (b) for the purposes of exercising functions under this Act or the regulations.
- (2) The liability instead attaches to the Crown.
- (3) In this section—

civil liability includes an action, claim or demand.

protected person means the following—

- (a) the Corporation,
- (b) a Board member,
- (c) the Chief Executive Officer,
- (d) a member of an advisory committee of the Corporation,
- (e) a member of a committee of the Board.

Part 4 Functions of Energy Corporation

11 Objects and general functions

- (1) The objects of the Corporation are—
 - (a) to carry out such investigations relating to the locating and the development, extraction, provision, allocation, transportation, distribution, pricing, conservation, utilisation and conditions of supply of energy and energy resources as it considers appropriate or as the Minister directs,
 - (b) to plan the locating and the development, extraction, provision, allocation, transportation, distribution, pricing, conservation, utilisation and conditions of supply of energy and energy resources in such manner as it considers appropriate or as the Minister directs,
 - (c) to assist and advise, and make reports and recommendations to, the Minister in respect of matters relevant to this Act and any other Act administered by the Minister,
 - (d) to review plans or draft plans for the development, extraction, provision, allocation, transportation, distribution, pricing, conservation, utilisation and conditions of supply of energy and energy resources prepared by any energy undertakings operating in the State, and
 - (e) in accordance with this Act, to acquire and dispose of energy and energy resources or operations connected with the locating and the development, extraction, provision, transportation, distribution, conservation or utilisation of energy and energy resources, and
 - (f) to promote energy conservation and measures to increase the efficiency of energy supply, transmission and use.
- (2) The Corporation—
 - (a) has and may exercise the functions conferred or imposed on it by or under this or any other Act, and
 - (b) without limiting any other provision conferring or imposing functions on it, may,

subject to this Act, do all such things and engage in all such activities as are reasonably required for it to carry out its objects.

- (3) Nothing in this Act authorises the Corporation to engage in the generation of electricity or the supply of electricity except in connection with its own undertakings.
- (4) Except as provided by section 15, nothing in this Part authorises anything to be compulsorily acquired.

12 Functions

- (1) The Corporation may also do any or all of the following—
 - (a) investigate the extent of the energy resources available within the State,
 - (b) carry out, or commission the carrying out of, such inspections, tests, investigations, surveys, experiments, boring, drilling and exploration as it considers necessary or desirable to enable it to effectively exercise its functions under this or any other Act,
 - (c) evaluate the future demands for energy and energy resources within the State and the capacity of the State to meet those demands, whether from internal resources or otherwise, and assess the impact of any lack of energy or energy resources on the development of the State or any part of the State,
 - (d) promote the locating and the development, extraction, provision, transportation, distribution, conservation and utilisation of energy and energy resources,
 - (e) (Repealed)
 - (f) disseminate or promote the dissemination of information regarding the locating and the development, extraction, provision, allocation, transportation, distribution, pricing, conservation, utilisation and conditions of supply of energy and energy resources,
 - (g) carry out, commission or co-ordinate research, development and demonstration with respect to any matter relating to energy or energy resources,
 - (h) assist and co-operate with authorities of the Commonwealth and other States and Territories in the planning and co-ordination of policies related to energy and energy resources,
 - (i) have consultations, and make arrangements, with any public authority in respect of the exercise or undertaking by that authority of anything within that authority's functions that may affect energy or energy resources,
 - (j) undertake negotiations on behalf of, or in co-operation with, persons who are interested in making energy or energy resources available for use by the

community,

- (k) formulate proposals to assist with the provision by a gas producing, extracting or transporting undertaking of a bulk supply of gas to a gas distributing undertaking including a scheme to enable that gas to be provided,
- (l) acquire a gas producing or distributing undertaking by agreement,
- (m) undertake, or cause to be undertaken, the construction of works or apparatus to be used for or in connection with the locating or the development, extraction, provision, transportation, distribution, conservation or utilisation of energy or energy resources,
- (n) maintain and operate any undertaking constructed or acquired by it under this or any other Act.

(1A) (Repealed)

(2) Without limiting subsection (1), the Corporation may—

- (a) promote and regulate the adoption of standards of plant, equipment, frequency and voltage for the generation, transmission, distribution and supply of electricity, and
- (b) promote and encourage the safety of persons and property in relation to electricity, and without limiting the generality of that function, promote and encourage the safety of persons and property in relation to—
 - (i) the installation, maintenance and use of electric lines, works, electrical installations and corrosion protection systems, and
 - (ii) the sale or hire of electrical equipment, and
- (c) without limiting the generality of paragraph (b), issue or publish public statements or warnings relating to—
 - (i) electrical equipment, electrical installations or corrosion protection systems that, in the opinion of the Corporation are, or are potentially, unsafe, and
 - (ii) safety in relation to electricity generally, and
- (d) promote and encourage the development and use of the natural resources of the State in connection with the generation of electricity, and
- (e) promote and encourage the use of electricity, especially its use for industrial and manufacturing purposes and for the purpose of primary production, and
- (f) advise any person engaged in the generation, transmission, distribution or supply of electricity on all matters of and concerning such generation, transmission,

distribution and supply, and

(g) consider the advisability of amending the law relating to the generation, transmission, distribution, supply and use of electricity, and report on that to the Minister, and

(h) do such other acts as may be necessary or expedient for those purposes.

(3) The Corporation may exercise, in its own name, any function of an electricity supply authority under this or any other Act as if it were such an authority, if the Corporation is of the opinion that it is necessary to do so in order to protect the life or health of any person.

(4) Except as provided by subsection (5), nothing in this Part limits or otherwise affects the functions of TransGrid (or any other energy transmission operator under the *Energy Services Corporations Act 1995*).

(5) The Corporation may, in relation to TransGrid (or any other energy transmission operator under the *Energy Services Corporations Act 1995*), exercise the functions referred to in subsection (2) (a) and (b).

12A Corporation's service delivery priorities

The Corporation must determine the Corporation's service delivery priorities, having regard to the Minister's expectations for service delivery established by a Statement of Expectations issued to the Corporation by the Minister, if any.

12B Corporate plan

(1) The Corporation must, before the beginning of each financial year, prepare a corporate plan for the financial year.

(2) The corporate plan must—

(a) be made in accordance with the regulations, if any, and

(b) specify the following—

(i) the Corporation's service delivery priorities,

(ii) other matters prescribed by the regulations.

(3) The corporate plan must be consistent with a Statement of Expectations issued to the Corporation by the Minister no later than 4 months before the beginning of the financial year to which the corporate plan relates.

(4) The Corporation must, as far as practicable, exercise its functions in accordance with the corporate plan.

- (5) The regulations may deal with corporate plans, including the following—
 - (a) the preparation of corporate plans,
 - (b) consultation on draft corporate plans,
 - (c) the publication of corporate plans.
- (6) This section is subject to a requirement made under this Act, including a requirement in a direction by the Minister or the Secretary under this Act.

12C Corporation to give information to Minister

The Corporation must—

- (a) give the Minister the information relating to the Corporation's activities that the Minister may require, and
- (b) keep the Minister informed of the general conduct of the Corporation's activities and of significant developments in the Corporation's activities.

13 Review of plans and draft plans

- (1) The Corporation shall review any plan or draft plan required to be submitted to the Corporation by or under any other Act.
- (2) In reviewing such a plan or draft plan, the Corporation may do any or all of the following—
 - (a) advertise the plan or draft plan in such manner as it considers appropriate,
 - (b) cause the plan or draft plan to be published in such manner as it considers appropriate,
 - (c) invite comments on the plan or draft plan from the public or any persons or groups,
 - (d) conduct an inquiry under section 21,
 - (e) refer the whole or part of the plan or draft plan to a consultant for review or comment by the consultant,
 - (f) exercise any other relevant functions conferred or imposed on it by or under this or any other Act.
- (3) Nothing in this section limits the exercise by the Corporation of any of its functions.

14 Purchase etc of certain shares

- (1) The Corporation may, on behalf of the Crown, negotiate and enter into agreements for the purposes of, or in connection with, the acquisition, holding, dealing with, and

disposal of shares in any company having (whether expressly or otherwise) among its objects—

- (a) the carrying out of investigations or research into energy or energy resources, or
 - (b) the locating, development, extraction, transportation, distribution, conservation, utilisation, acquisition or disposal of energy or energy resources.
- (2) Such an agreement may be entered into by the Corporation only with the approval of the Governor given on the recommendation of the Minister with the concurrence of the Treasurer.
- (3) Such an agreement may be executed, on behalf of the Corporation, only by 2 or more persons authorised for the purpose by the Governor on that recommendation and with that concurrence.
- (4) The Corporation may do all things authorised or required by such an agreement to be done and all incidental things, and may also do such things as are necessary or convenient to be done for the purpose of carrying into effect and implementing the terms of any such agreement.
- (5) Without affecting the generality of subsection (4), the Corporation may—
- (a) acquire, hold, deal with and dispose of shares in a company to which an agreement entered into by it under this section relates, and
 - (b) do all such things as are appropriate by reason of its being a holder of any such shares, including the appointment of any director or directors of any such company.
- (6) Any appointment of such a director shall not be made except with the approval of the Minister and the Treasurer.
- (7) The fact that any director of a company so appointed is accustomed to act in accordance with the directions or instructions of a Minister of the Crown does not constitute that Minister a director of the company.

15 Acquisition of land

- (1) The Corporation may, for the purposes of this Act or any other Act administered by the Minister, acquire land (including an interest in land) by agreement or by compulsory process in accordance with the [Land Acquisition \(Just Terms Compensation\) Act 1991](#).
- (2) For the purposes of the [Public Works Act 1912](#), any such acquisition of land is taken to be for an authorised work and the Corporation is, in relation to that authorised work, taken to be the Constructing Authority.

- (3) Sections 34, 35, 36 and 37 of the *Public Works Act 1912* do not apply in respect of works constructed under this Act.
- (4) Despite the *Land Acquisition (Just Terms Compensation) Act 1991*, section 55, a strategic benefit payment to which a person is entitled must be disregarded in determining the amount of compensation to which the person is entitled under that Act, Part 3.
- (5) In this section—
strategic benefit payment has the same meaning as in the *Electricity Supply Act 1995*, section 44.

16 Power to accept gifts etc of property

- (1) The Corporation may acquire by gift, bequest or devise any property for any of the purposes of this Act or any other Act administered by the Minister and may agree to carry out the conditions of the gift, bequest or devise.
- (2) The rule of law relating to remoteness of vesting does not apply to any condition of a gift, bequest or devise to which the Corporation has agreed.

17 Disposal of and dealings with land vested in Corporation

- (1) The Corporation shall not sell, lease, exchange or otherwise deal with or dispose of land acquired by or vested in the Corporation except with the approval of the Minister and subject to such terms and conditions as the Minister may impose.
- (2) The Minister's approval is not required to a lease of land where the term of the lease is less than 3 years.

18 Contracts

- (1) The Corporation may make and enter into contracts with any person for the carrying out of works or the performance of services or the supply of goods or materials in connection with the exercise of its functions.
- (2) A contract under this section shall be deemed for the purposes of the *Constitution Act 1902* to be a contract for or on account of the Public Service of New South Wales.

19 Arrangements with public authorities

- (1) The Corporation may enter into an arrangement or agreement with any public authority that—
 - (a) the public authority shall act as agent of the Corporation for the purposes of this Act or any other Act administered by the Minister, or
 - (b) the Corporation shall act as agent of the public authority for the purposes of this

Act or any other Act administered by the Minister,

on such terms and conditions as are agreed on between the Corporation and the public authority.

- (2) Notwithstanding anything in any other Act, any public authority may enter into any such arrangements or agreements and may do or suffer anything necessary or expedient for carrying out any such arrangements or agreements.

20 Arrangements for investigation and research

The Corporation may enter into arrangements with—

- (a) a Minister of the Crown of any State, a Minister of State of the Commonwealth or a Department or instrumentality of any State or of the Commonwealth,
- (b) a university or another tertiary institution, or
- (c) any other body or person,

with respect to the conduct of any investigation, study or research that may be necessary or desirable to enable the Corporation to exercise its functions.

Part 5 Inquiries

21 Inquiries into energy matters

- (1) The Minister or the Corporation may conduct an inquiry, and the Corporation shall conduct an inquiry if directed to do so by the Minister, into—
- (a) any matter relating to the locating or the development, extraction, provision, allocation, transportation, distribution, pricing, conservation, utilisation or conditions of supply of energy or energy resources, or
 - (b) without affecting the generality of paragraph (a), any plan or draft plan referred to in section 11 or 13.
- (2) The Minister or the Corporation may, by order in writing, authorise, subject to the terms of the authorisation—
- (a) an advisory committee established by the Corporation under section 10B, or
 - (b) any other person,
- to examine, and report to the Minister or the Corporation on, any matter in connection with an inquiry.
- (3) Nothing in this section limits the power of the Minister or the Corporation to conduct an examination in connection with an inquiry under this section, and the Minister or the Corporation may conduct such an examination even though another body or

person has been authorised to do so.

(4) No matter or thing done by—

- (a) a member of a committee, or
- (b) any other person,

authorised under this section to examine, and report to the Minister or the Corporation on, any matter in connection with an inquiry shall, if the matter or thing was done in good faith for the purposes of the inquiry, subject the member or person personally to any action, liability, claim or demand.

(5) The regulations may make provision about the travelling expenses and compensation that may be paid to persons attending or giving evidence at an inquiry or examination under this section.

22 Royal Commission powers at inquiries

(1) For the purposes of an inquiry or examination under section 21—

- (a) the Minister, the person conducting it on behalf of the Corporation or the chairperson of the committee conducting it has the functions, protections and immunities conferred on a chairperson of a Royal Commission by Division 1 of Part 2 of the *Royal Commissions Act 1923*, and
- (b) a member of the committee conducting it has the functions, protections and immunities conferred on a commissioner by that Division.

(2) The *Royal Commissions Act 1923* (except section 13 and Division 2 of Part 2) applies to and in respect of an inquiry or examination under section 21.

Part 6 Emergency provisions

23 Definitions

In this Part—

AEMO means the Australian Energy Market Operator Limited ACN 072 010 327.

cyber security incident means acts, events or circumstances involving, or likely to involve, 1 or more of the following—

- (a) unauthorised access to computer data or a computer program,
- (b) unauthorised modification of computer data or a computer program,
- (c) unauthorised impairment of electronic communication to or from a computer,
- (d) unauthorised impairment of the availability, reliability, security or operation of a

computer, computer data or a computer program.

declared form of energy means a form of energy or energy resources specified in an order under section 24.

form of energy or energy resources means a form of energy or energy resources other than electricity.

inspector means a person authorised, for the time being, under section 31.

place includes a building, structure and mine.

supply includes the following—

- (a) distribution, provision, sale, storage and transport of energy or energy resources,
- (b) production or extraction of energy or energy resources.

use of energy includes consumption of energy.

24 Declaration of energy supply emergency

- (1) The Premier may, by written order, declare an energy supply emergency if satisfied that—
 - (a) the supply of a form of energy or energy resources to the State or part of the State is disrupted to a significant degree, or
 - (b) the supply of a form of energy or energy resources to the State or part of the State is at risk of disruption to a significant degree, or
 - (c) due to a cyber security incident the operations of a person that supplies a form of energy within the State—
 - (i) are disrupted to a significant degree, or
 - (ii) are at risk of disruption to a significant degree.
- (2) A declaration under this section has effect from the date specified in the order.
- (3) A declaration under this section remains in force—
 - (a) for the period specified in the order, or
 - (b) if the order does not specify a period in which the declaration remains in force—until revoked by the Premier by written order.
- (4) As soon as practicable after making or revoking a declaration under this section, other than a declaration made because of a cyber security incident, the Premier must arrange for the declaration or revocation to be—

- (a) made publicly available in the way the Premier considers appropriate, and
- (b) published in the Gazette.

25 Direction during energy supply emergency

- (1) While a declaration under section 24(1)(a) or (b) is in force, the Minister may by order give directions the Minister considers reasonably necessary to respond to the energy supply emergency including directions for the following matters—
 - (a) to control, direct, restrict or prohibit the supply or use of a declared form of energy, whether generally or for a purpose specified in the direction,
 - (b) to direct a person who supplies a declared form of energy to supply it to a person specified in the direction,
 - (c) to direct a person to comply with the terms and conditions determined by the Minister for the supply of a declared form of energy,
 - (d) to direct a person to whom a declared form of energy is supplied to accept the declared form of energy,
 - (e) other matters the Minister considers necessary to give effect to—
 - (i) the declaration, or
 - (ii) a recommendation made by a qualified person under section 28.
- (2) A direction may—
 - (a) operate throughout the whole of the State or in a specified part of the State, and
 - (b) operate for a specified period, time or occasion, and
 - (c) be of general operation or have limited operation according to a time, place, circumstance, condition or restriction specified in the direction, and
 - (d) authorise a specified person to enter land or a building or structure, used for or in connection with the supply of the declared form of energy, and
 - (e) authorise a specified person to take possession or control of or use property, a business or an undertaking used for or in connection with the supply of the declared form of energy.
- (3) A direction may be revoked by the Minister.
- (4) A direction or revocation of a direction—
 - (a) must be published in the Gazette and on publication is taken to have been served on or brought to the notice of all persons concerned or affected by it, and

(b) without affecting the application of paragraph (a)—may, if it applies to a specified person, be given to the person verbally or in writing.

(5) If a direction or the revocation of a direction is given verbally under subsection (4)(b), written confirmation of the direction or revocation must be given to the person as soon as practicable.

26 Cyber security directions

(1) While a declaration under section 24(1)(c) is in force, the Minister may, by written order, give a direction (a **cyber security direction**) to a person requiring the person to take the action the Minister considers reasonably necessary to—

(a) respond to the impact of the incident on the person's information technology systems, or

(b) prevent the incident having an impact on the person's information technology systems.

(2) The Minister's written order under subsection (1) must include a copy of the Premier's declaration of the energy supply emergency under which the cyber security direction is given.

(3) A cyber security direction—

(a) has effect for the period specified in the direction, and

(b) may be varied or revoked by a subsequent direction under this section.

27 Requirement to provide information

(1) The Minister may, by written notice (an **information notice**), require a person to provide information for 1 or more of the following purposes—

(a) to determine whether the supply of a form of energy or energy resources to the State or any part of the State has been, or is likely to be, disrupted to a significant degree,

(b) to determine whether there is, or is likely to be, a cyber security incident affecting the effective supply of a form of energy or energy resources to the State or any part of the State,

(c) to plan and prepare for the exercise of powers under this Part if the supply of a form of energy or energy resources is disrupted to a significant degree,

(d) the administration or execution of this Part.

(2) Without limitation, an information notice given to a person may require the person to provide the following information to the Minister—

- (a) information about a cyber security incident that the Minister reasonably believes affects the person,
 - (b) the person's plan to respond to cyber security incidents,
 - (c) information about the actions the person has taken, or intends to take, in response to a cyber security incident.
- (3) An information notice must specify—
- (a) the way the information must be provided, and
 - (b) the reasonable time in which the information must be provided.
- (4) An information notice may be given whether or not a declaration of an energy supply emergency is in force.
- (5) A person must not—
- (a) without lawful excuse fail to comply with an information notice given to the person, or
 - (b) provide information, in purported compliance with an information notice, that is false or misleading in a material respect.

Maximum penalty—

- (a) for a corporation—2,000 penalty units, or
 - (b) for an individual—100 penalty units.
- (6) In addition to service under section 43A, an information notice may be given to a person by—
- (a) email, to an email address specified by the person for the giving of information notices, or
 - (b) another method authorised by the regulations for the giving of information notices.

27A Disclosure of information provided to Minister

- (1) The Minister must not disclose information provided to the Minister under section 27 except—
- (a) with the consent of the person who provided the information, or
 - (b) if the Minister is satisfied that the information is not confidential in nature, or
 - (c) in connection with the administration or execution of this Act, or

- (d) to AEMO, or
 - (e) to a person prescribed by the regulations for the purposes of this section, or
 - (f) in accordance with a requirement under an Act or law.
- (2) The Minister may give a direction to a person to whom the Minister has given information under subsection (1) prohibiting or restricting the person from disclosing the information if the Minister is satisfied that it is appropriate to give the direction because of the confidential nature of the information.
- (3) A person must comply with a direction given to the person under subsection (2).
- Maximum penalty—
- (a) for a corporation—2,000 penalty units, or
 - (b) for an individual—100 penalty units.

28 Appointment of qualified person to investigate certain industrial matters

- (1) In this section—

industrial matter has the same meaning as in the *Industrial Relations Act 1996*.

qualified person means a Member of the Industrial Relations Commission of New South Wales or other person having qualifications which the Minister considers appropriate to carry out the functions under this section of a person appointed under this section.

- (2) If a declaration is in force under section 24, the Minister may, by order published in the Gazette, appoint a qualified person to investigate any industrial matter specified or described in the order, being an industrial matter with respect to any one or more of the following—
- (a) the supply of a declared form of energy,
 - (b) persons engaged in the supply of a declared form of energy,
 - (c) the use of a declared form of energy.
- (3) A qualified person appointed under this section may carry out the functions given to the person under subsection (4) even though the declaration under section 24 that was in force when the person was so appointed has ceased to be in force.
- (4) A qualified person appointed under this section shall, as soon as practicable after being appointed, investigate the industrial matter specified or described in the order and make a report and recommendation to the Minister with respect to that industrial matter.

- (5) For the purposes of any investigation under this section—
- (a) a qualified person appointed under this section has the powers, authorities, protections and immunities conferred on the chairperson of a Royal Commission by Division 1 of Part 2 of the *Royal Commissions Act 1923*, and
 - (b) section 24 of the *Local Court Act 2007* applies to or in respect of a witness or person summoned by or appearing before a qualified person in the same way as it applies to or in respect of a person appearing before the Local Court.
- (6) The provisions of the *Royal Commissions Act 1923* (section 13 and Division 2 of Part 2 excepted) apply to and in respect of any witness or person summoned by or appearing before a qualified person appointed under subsection (2) in the same way as they apply to and in respect of a witness or person summoned by or appearing before the chairperson of a Royal Commission under that Act.

29 Disruption of supply

- (1) If a person is convicted of failing to comply with a direction given by the Minister under section 25, the Minister may direct the person to discontinue the supply of the declared form of energy.
- (2) A direction under subsection (1) ceases to have effect—
- (a) on the date determined by the Minister, or
 - (b) when the relevant direction made by the Minister under section 25 ceases to have effect.

30 Failure to comply with Minister's direction

A person must not fail to comply with a direction given by the Minister under section 25, 26 or 29.

Maximum penalty—

- (a) for a corporation—2,000 penalty units, or
- (b) for an individual—100 penalty units.

31 Appointment of inspectors

- (1) The Minister may authorise a person to carry out inspections and tests for the purposes of this Part.
- (2) The Minister shall provide an inspector with a certificate of the inspector's authority in the prescribed form.
- (3) An inspector, in exercising in any place any function conferred or imposed under this Part, shall, if so required by a person apparently in charge of that place, produce the

certificate of authority to that person.

32 Functions of inspectors

- (1) The functions of an inspector under this section may be exercised only—
 - (a) if a declaration of an energy supply emergency is in force under section 24, and
 - (b) for the form of energy specified in the declaration.
- (2) An inspector may—
 - (a) enter and inspect any land or place on, in or from which a form of energy or energy resource is or may reasonably be believed by the inspector to be extracted, developed, produced, provided, supplied, stored, transported, distributed or utilised,
 - (b) inspect and test any plant or equipment on or in any such land or place, being plant or equipment which is or may reasonably be believed by the inspector to be used for or in connection with the extraction, development, production, provision, supply, storage, transportation, distribution or utilisation of a form of energy or energy resource,
 - (c) conduct such tests as the inspector considers appropriate to determine any matter relating to the extraction, development, production, provision, supply, storage, transportation, distribution or utilisation of a form of energy or energy resource,
 - (d) take samples of a form of energy or energy resource or any substance used in connection with the extraction, development, production, provision, supply, storage, transportation, distribution or utilisation of a form of energy or energy resource,
 - (e) require any person on any such land or place to produce any accounts, records, books or other documents relating to the extraction, development, production, provision, supply, storage, transportation, distribution or utilisation of a form of energy or energy resource,
 - (f) take copies of, or extracts or notes from, any such accounts, records, books or other documents,
 - (g) require any person on any such land or place to answer questions or otherwise furnish information relating to the extraction, development, production, provision, supply, storage, transportation, distribution or utilisation of a form of energy or energy resource on, in or from the land or place, and
 - (h) require the owner or occupier of any such land or place to provide the inspector with such assistance and facilities as are reasonably necessary to enable the inspector to exercise the inspector's functions under this section.

- (3) The functions conferred under this section are in aid of and not in derogation from any other functions exercisable apart from this section.

33 Obstruction etc of inspectors

- (1) A person shall not—

- (a) prevent an inspector from exercising or performing any function conferred on the inspector under section 32,
- (b) hinder or obstruct an inspector in the exercise of any such functions,
- (c) refuse or fail to comply with any requirement or answer any question of an inspector,
- (d) furnish an inspector with information knowing that it is false or misleading in a material particular, or
- (e) impersonate an inspector.

Maximum penalty—

- (a) for a corporation—200 penalty units, or
 - (b) for an individual—50 penalty units.
- (2) It is a sufficient defence to a prosecution for an offence under subsection (1) (c) by reason of the failure of the defendant to answer a question of an inspector under section 32 if the defendant proves that the defendant did not know, and could not with reasonable diligence ascertain, the answer to the question.
- (3) A person is not excused from answering any question of an inspector under section 32 on the ground that the answer might tend to incriminate the person or make the person liable to a penalty, but the information furnished by the person is not admissible against the person in any proceedings, civil or criminal, except for an offence under subsection (1).
- (4) If—
- (a) an answer to a question of an inspector under section 32, or
 - (b) any information whatever,
- is given to an inspector by an officer of a corporation within the meaning of the [Corporations Act 2001](#) of the Commonwealth, the answer and information are, for the purposes of any proceedings against the corporation under this Act, binding on and admissible in evidence against the corporation.
- (5) Subsection (4) does not apply if it is proved that the answer or information was given

in relation to a matter in respect of which the officer had no authority to bind the corporation.

34 Miscellaneous matters

- (1) This Part has effect notwithstanding anything whether expressed or implied in any other Part of this Act or in any other Act or in any judgment or order or in any contract or agreement, whether oral or in writing, or in any deed, document, security or writing.
- (2) All powers given by or under this Part or in any proclamation or regulation made or any notice or direction given under this Part shall be in aid of and not in derogation from any other powers exercisable apart from this Part.
- (3) No action, claim or demand shall lie or be made or allowed by or in favour of any person against the Crown or any responsible Minister or any person acting in the execution of this Part or any proclamation, regulation, notice, order or direction made or given thereunder for or in respect of any damage, loss or injury sustained or alleged to be sustained by reason of the enactment of this Part or of its operation or of anything done or purporting to be done under this Part or under any such proclamation, regulation, notice, order or direction.

Part 6A Water and energy savings

Division 1 General

34A Designated water users

The following persons and bodies are **designated water users** for the purposes of this Part—

- (a) any local council that has all or part of its local government area located within a water savings area,
- (b) any other person or body (or person or body belonging to a class of persons or bodies) prescribed by a savings order that uses water in a water savings area.

34B Designated energy users

The following persons and bodies are **designated energy users** for the purposes of this Part—

- (a) any State agency,
- (b) any other person or body (or person or body belonging to a class of persons or bodies) prescribed by a savings order that uses energy.

34C Exemptions

A savings order may exempt specified persons and bodies (or specified classes of persons and bodies) from any or all of the provisions of this Part or the regulations relating to designated water users or designated energy users (or both).

34D Savings orders

(1) The Minister may, by order published on the NSW legislation website, make provision for any matter that is required or permitted to be prescribed or otherwise dealt with by a savings order under a provision of this Act.

Note—

The Minister may amend or repeal an order made under this section. See section 43 of the [Interpretation Act 1987](#).

(2) Sections 40, 41 and 42 of the [Interpretation Act 1987](#) apply to a savings order in the same way as they apply to a statutory rule.

Division 2 Climate Change Fund

34E Establishment of Climate Change Fund

There is to be established in the Special Deposits Account a fund called the “Climate Change Fund” (referred to in this Part as **the Fund**).

34F Purposes of Climate Change Fund

The purposes of the Fund are as follows—

- (a) to provide funding to reduce greenhouse gas emissions and the impacts of climate change associated with water and energy activities,
- (b) to provide funding to encourage water and energy savings and the recycling of water,
- (c) to provide funding to reduce the demand for water and energy, including addressing peak demand for energy,
- (d) to provide funding to stimulate investment in innovative water and energy savings measures,
- (e) to provide funding to increase public awareness and acceptance of the importance of climate change and water and energy savings measures,
- (f) to provide funding for contributions made by the State for the purposes of national energy regulation.

34G Payments into Climate Change Fund

(1) There is payable into the Fund—

- (a) all money received from contributions required to be made to the Fund under Division 3, and
 - (b) all money advanced by the Treasurer for the Fund, and
 - (c) all money appropriated by Parliament for the purposes of the Fund, and
 - (d) the proceeds of the investment of money in the Fund, and
 - (e) all money directed or authorised to be paid into the Fund by or under this or any other Act or law, and
 - (f) all money received from voluntary contributions to the Fund made by any other person or body, and
 - (g) all money received from the repayment of a grant that was paid out of the Fund under section 34H(1)(a).
- (2) Without limiting subsection (1) (f), State agencies are authorised by this section to make voluntary contributions to the Fund.
- (3) Subsection (2) does not authorise a State water agency or a licensed distributor to refuse to pay a contribution to the Fund that is payable under Division 3.

34H Payments out of Climate Change Fund

- (1) There is payable from the Fund—
- (a) any money, including a repayable grant, approved by the Minister to fund all or any part of the cost of any measure that the Minister is satisfied promotes a purpose referred to in section 34F, and
 - (b) any money approved by the Minister to fund all or any part of the contributions that the State is required to make for the purposes of national energy regulation, and
 - (c) any money required to meet administrative expenses related to the Fund, and
 - (d) any money required to meet administrative expenses of the Minister in connection with the Minister's functions under this Act in relation to savings action plans, and
 - (d1) \$50 million between 2021 and 2030 to develop the green hydrogen sector, including—
 - (i) the production of hydrogen using renewable energy, and
 - (ii) the supply, use and export of hydrogen produced using renewable energy, and
 - (e) any money directed or authorised to be paid from the Fund by or under this or any other Act or law.

- (2) In exercising the Minister's functions under subsection (1) (a) (but without limiting the generality of that paragraph), the Minister may—
- (a) approve selection criteria from time to time to be applied to determine the kinds of water or energy savings measures that will be eligible for funding, and
 - (b) approve the funding of community grants from the Fund, being grants awarded on the basis of their merit in advancing one or more of the purposes referred to in section 34F, established through a competitive selection process, and
 - (c) require a person or body seeking funding for a water or energy savings measure to do either or both of the following as a precondition to applying for or obtaining funding—
 - (i) to submit a water savings action plan or energy savings action plan (as the case requires) that includes details about the measure,
 - (ii) to provide any other information requested by the Minister about the measure, and
 - (d) obtain and have regard to any advice, recommendations or other information provided to the Minister by a committee established by the Minister under Division 5, or by any other person or body, that the Minister considers relevant.
- (3) The Minister is to produce an annual report detailing fund allocations and programs and anticipated benefits, by reference to key performance indicators, to be achieved in advancing any one or more of the purposes referred to in section 34F.
- (4) The annual report is to include an evaluation of the effectiveness of each program as it is completed under the Fund.
- (5) The annual report is to be tabled in each House of Parliament within 6 months after the end of the financial year to which it relates.
- (6) The Minister is to publish each annual report so as to promote, to the NSW public, schemes, technologies and processes that address climate change and to inform the NSW public about consumer choices and procurement decisions.

34I Investment of money in Climate Change Fund

The Minister may invest money in the Fund—

- (a) if the Minister is a GSF agency for the purposes of Part 6 of the *Government Sector Finance Act 2018*—in any way that the Minister is permitted to invest money under that Part, or
- (b) if the Minister is not a GSF agency for the purposes of Part 6 of the *Government Sector Finance Act 2018*—in any way approved by the Treasurer.

Division 3 Required contributions to Climate Change Fund

34J Minister may require State water agencies or licensed distributors to make contributions to Climate Change Fund

- (1) The Minister may, by order published in the Gazette, require any one or more State water agencies or licensed distributors to make an annual contribution for a specified financial year to the Fund.

Note—

The Minister may amend or repeal an order made under this section. See section 43 of the [Interpretation Act 1987](#).

- (2) A contributions order—

- (a) must specify the annual contributions payable by each State water agency or licensed distributor to which the order applies (being an amount that does not exceed the maximum amount, if any, prescribed by the regulations), and
- (b) may specify that an annual contribution may be paid by instalments during the financial year to which the order applies, and
- (c) must specify the time or, in the case of an annual contribution that is payable by instalments, the times at which any contribution required under the order is to be made, and
- (d) may be made before or during the financial year to which the order relates.

Editorial note—

34K General provisions relating to contributions orders

- (1) The Minister is to cause a copy of a contributions order to be served on the State water agencies or licensed distributors to which the order applies as soon as is reasonably practicable after the order is published in the Gazette.
- (2) A failure to comply with subsection (1) does not affect the validity of a contributions order.
- (3) Despite any other Act or law, a State water agency or licensed distributor to which a

contributions order applies must pay into the Fund such amounts at such times as may be required by the order.

- (4) An amount that is payable by a State water agency or licensed distributor under a contributions order may be recovered by the Minister as a debt in any court of competent jurisdiction for payment into the Fund.

34L Special provisions relating to contributions orders applying to State water agencies

- (1) If a State water agency to which a proposed contributions order is to apply is constituted by or under an Act that is administered by a Minister other than the Minister administering section 34J of this Act, the order may be made only with the concurrence of the Minister administering the Act by or under which the agency is constituted.
- (2) If a State water agency to which a proposed contributions order is to apply is a local water utility within the meaning of the *Water Management Act 2000* but not a State owned corporation, the Minister must consult with each of the following before making the order—
 - (a) the State water agency,
 - (b) the Local Government and Shires Association of New South Wales.
- (3) If the Independent Pricing and Regulatory Tribunal is required by or under the *Independent Pricing and Regulatory Tribunal Act 1992* to determine a maximum price for a water service provided by a State water agency, any requirement imposed on the agency by a contributions order to pay an amount into the Fund is to be treated for the purposes of section 16A of that Act as a requirement with which the agency must comply in providing the service.

Note—

Section 16A of the *Independent Pricing and Regulatory Tribunal Act 1992* enables the Minister responsible for a government agency to direct the Tribunal, when it makes a determination of the maximum price for a government monopoly service provided by the agency, to include in the maximum price an amount representing the efficient cost of complying with a specified requirement imposed on the agency. It also enables the Minister to direct the Tribunal, when it makes a determination of the methodology for fixing the maximum price for the service, to include in the methodology a factor representing such a cost.

34M Special provisions relating to contributions orders applying to licensed distributors

A proposed contributions order that is to apply to a licensed distributor may be made only with—

- (a) the concurrence of the Treasurer, and
- (b) if section 14 (Licences) of the *Electricity Supply Act 1995* is administered by a Minister other than the Minister administering section 34J of this Act—the concurrence of the Minister administering section 14 of that Act.

34N Exemptions for electricity used by green hydrogen producers

- (1) A licensed distributor to which a contributions order applies must not recover charges from a person who buys electricity exempted under this section for the purpose of paying the annual contributions under a contributions order.
- (2) The Minister may, by order published in the Gazette, grant an exemption for electricity—
 - (a) used by a specified person or class of persons, or
 - (b) used in connection with a specified activity or class of activities.
- (3) The Minister may grant an exemption for electricity only if satisfied that the electricity is used to produce green hydrogen.
- (4) An exemption must specify whether it is a full or partial exemption.
- (5) If an exemption is a partial exemption, the order granting the exemption must specify, as a percentage or otherwise, the proportion of the electricity used by the person or class of persons, or in connection with the activity or class of activities, that is exempt.
- (6) The regulations may provide for—
 - (a) the making of an application for an exemption, including the matters required to be addressed or included in an application, and
 - (b) the matters the Minister must consider in determining whether to grant an exemption.
- (7) The regulations may make further provision in relation to whether electricity is taken to be used to produce green hydrogen.
- (8) Subject to the regulations, the Minister may determine the basis on which electricity is taken to be used to produce green hydrogen for the purposes of this section.
- (9) In this section—

green hydrogen means hydrogen produced using renewable energy.

Division 4 Savings action plans

34Q Preparation of draft savings action plans

- (1) **Draft water savings action plans** Each designated water user is to prepare a draft water savings action plan and submit it to the Minister for approval—
 - (a) if the user is a designated water user on the commencement of this

section—within the period prescribed by a savings order after the commencement of this section, or

- (b) if the user becomes a designated water user after the commencement of this section—within the period prescribed by a savings order after the user becomes a designated water user, or
- (c) if an approved water savings action plan previously prepared by the user expires or is wholly revoked—within the period prescribed by a savings order after the approved action plan expires or is revoked.

(2) **Draft energy savings action plans** Each designated energy user is to prepare a draft energy savings action plan and submit it to the Minister for approval—

- (a) if the user is a designated energy user on the commencement of this section—within the period prescribed by a savings order after the commencement of this section, or
- (b) if the user becomes a designated energy user after the commencement of this section—within the period prescribed by a savings order after the user becomes a designated energy user, or
- (c) if an approved energy savings action plan previously prepared by the user expires or is wholly revoked—within the period prescribed by a savings order after the approved action plan expires or is revoked.

(3) **Joint water and energy draft savings action plans** If a person or body is both a designated water user and designated energy user, a draft savings action plan dealing with both water and energy use by the person or body may be prepared and submitted to the Minister for approval.

(4) **Amendment or replacement of savings action plans** A designated water user or designated energy user may prepare and submit for approval by the Minister a draft savings action plan that amends or replaces a savings action plan at any time while that savings action plan is in effect.

34R Contents of draft savings action plans

- (1) A draft water savings action plan must include the following—
 - (a) a description of the designated water user's current water usage,
 - (b) a list of individual water savings measures prioritised in terms of water saved, cost effectiveness and potential benefits,
 - (c) a statement concerning the water savings measures included on that list that the designated water user proposes to implement in the 4-year period following approval of the action plan (including initial set up costs and annual costs for each

measure and time frames for implementation),

(d) any other matter prescribed by a savings order.

(2) A draft energy savings action plan must include the following—

(a) a description of the designated energy user's current energy usage,

(b) a list of individual energy savings measures prioritised in terms of energy saved, cost effectiveness and potential benefits,

(c) a statement concerning the energy savings measures included on that list that the designated energy user proposes to implement in the 4-year period following approval of the action plan (including initial set up costs and annual costs for each measure and time frames for implementation),

(d) any other matter prescribed by a savings order.

(3) A draft savings action plan must be prepared in accordance with such guidelines concerning the preparation of savings action plans as may be issued by the Minister from time to time and published in the Gazette.

34S Approval of savings action plans

(1) The Minister may—

(a) approve a draft savings action plan submitted by a designated water user or designated energy user, without alteration or with such alteration as the Minister thinks fit, or

(b) refer the draft savings action plan back to the user for further consideration.

(2) Before making any alterations to the draft savings action plan, the Minister must consult the designated water user or designated energy user that submits the plan.

(3) If the Minister approves a savings action plan, the Minister must give the designated water user or designated energy user that submits the plan written notice of the following within 14 days after approving the plan—

(a) that the Minister has approved the plan,

(b) the day on which the plan was approved.

34T Duration of a savings action plan

A savings action plan that has been approved by the Minister—

(a) has effect on and from the day on which the Minister serves a written notice on the designated water user or designated energy user that submitted the plan indicating the day on which the Minister approved the action plan, and

- (b) expires on the fourth anniversary of the day on which the Minister approved the action plan, unless sooner revoked by the Minister.

34U Amendment, replacement or revocation of savings action plans

- (1) A savings action plan may be amended or replaced by a subsequent savings action plan prepared and approved in accordance with this Division.
- (2) A savings action plan may also be amended by the Minister, but only in the circumstances, in relation to the matters and to the extent the action plan provides.
- (3) The Minister may revoke a savings action plan, wholly or in part.
- (4) The amendment or revocation of a savings action plan by the Minister under this section takes effect on the day on which written notice of the amendment or revocation is served on the designated water user or designated energy user concerned or on a later date specified in the notice.

34V Compliance with this Division and savings action plans

- (1) A designated water user or designated energy user must prepare and submit a savings action plan in accordance with the provisions of this Division.

Maximum penalty—50 penalty units.

- (2) It is a defence to a prosecution for an offence against subsection (1) if the defendant proves that the defendant had a reasonable excuse for not preparing or submitting a savings action plan in accordance with the provisions of this Division.
- (3) Nothing in this Division requires a designated water user or designated energy user to implement any savings measures specified in a savings action plan submitted by the user and approved under this Division unless the regulations so provide.
- (4) Without limiting subsection (3), the regulations may make provision for or with respect to the following—
 - (a) the implementation of savings measures that are set out in savings action plans approved under this Division,
 - (b) the issuing of directions by the Minister to designated water users and designated energy users to implement savings measures set out in savings action plans approved under this Division (whether issued at the time of approval or subsequently).
- (5) Proceedings for an offence against subsection (1) or an offence against a provision of the regulations relating to the implementation of a savings measure set out in a savings action plan may only be instituted with the written consent of the Minister.
- (6) However, nothing in subsection (5) requires the consent of the Minister before a

penalty notice can be issued for an offence.

Division 5 Advisory committees

34W Committees

- (1) The Minister may establish standing or special committees to advise the Minister about the following—
 - (a) the exercise of the Minister’s functions under this Act, the *Electricity Infrastructure Investment Act 2020* or the *Electricity Supply Act 1995*,
 - (b) long-term plans for diversifying the economy and supporting the employees and local communities affected by changes in electricity generation in the State,
 - (c) strategies to reduce emissions,
 - (d) economic, export and employment opportunities in the renewable energy sector, including global trends in the renewable energy sector,
 - (e) other matters requested by the Minister.
- (2) A committee established under this section also has the functions conferred or imposed on it by or under this or another Act.
- (3) The regulations may make provision for or with respect to the membership, procedures and functions of committees established under this section, including the terms of appointment of members and voting procedures.

Part 7 Finance

35 Energy Administration Account

- (1) There shall be established in the Special Deposits Account in the Treasury an Energy Administration Account.
- (2) There shall be paid into the Account—
 - (a) all money received by the Corporation,
 - (b) such amounts from the Consolidated Fund as the Treasurer determines, subject to any necessary appropriation by Parliament, and
 - (c) (Repealed)
- (3) There shall be paid out of the Account all amounts required to meet expenditure incurred in connection with the functions of the Corporation under this or any other Act.

35A State Energy Research and Development Fund

- (1) There is to be established in the Special Deposits Account in the Treasury a State Energy Research and Development Fund.
- (2) There is to be paid into the Fund—
 - (a) (Repealed)
 - (b) any money payable into the Fund by or under this or any other Act.
- (3) There is to be paid out of the Fund such amounts as the Minister may direct for or with respect to—
 - (a) research concerning, and the development of, energy resources for the State,
 - (b) such other purposes as may be prescribed in connection with the supply and use of energy resources for the State, and related technological development.
- (4) The regulations may make provision for and with respect to the application of the Fund.
- (5) The Fund is, subject to this Act and the regulations, under the direction, control and management of the Corporation.

35B (Repealed)

Part 8 Miscellaneous

36 (Repealed)

37 Operation of certain other Acts

- (1) Nothing in this Act limits or otherwise affects the [State Emergency and Rescue Management Act 1989](#).
- (2) Nothing in this Act affects the operation of the [Mining Act 1992](#) or the [Offshore Minerals Act 1999](#), and the Corporation is bound by both of those Acts.

38 Testing and labelling of appliances

- (1) The regulations may make provision for or with respect to—
 - (a) the prescribing of standards for, or the tests to be carried out in relation to, appliances that consume energy, or both,
 - (b) the marking, labelling or tagging of appliances that consume energy,
 - (c) without limiting paragraph (b)—
 - (i) the information to appear on any such mark, label or tag (including information

- as to any tests carried out in relation to the appliance), and
- (ii) the manner of making or affixing any such mark, label or tag,
- (d) the registration of appliances that consume energy,
- (e) prohibiting the fraudulent or improper use of marks, labels or tags similar to those required by the regulations or of marks, labels or tags so nearly resembling those required by the regulations as to be likely to deceive, and
- (f) the fees payable in relation to the registration or the labelling of appliances that consume energy.
- (2) The power to make regulations under this section does not limit the power to make regulations under any other Act.
- (3) A regulation made for the purposes of this section prevails over a regulation made under the *Local Government Act 1993*, to the extent of any inconsistency.
- (4) A regulation made for the purposes of this section binds the Crown if expressed so to do.
- (5) In this section, **appliance** includes electrical equipment.

39 Power of entry

- (1) In this section, **place** includes building, structure and mine.
- (2) For the purpose of enabling the Corporation to exercise its functions under this or any other Act, the Corporation may—
- (a) by a person authorised in writing by the Corporation for the purpose enter—
 - (i) any land or any place (not being a dwelling-place) on any land used in connection with the locating or the development, extraction, production, provision, supply, transportation, distribution or utilisation of energy or energy resources, at any time when that land or place is being used for any of those purposes, and
 - (ii) any other land or any other place (not being a dwelling-place) on any land at any reasonable time,
- and may there carry out such inspections, tests, investigations, surveys, experiments, boring, drilling and exploration, and take such samples and such photographs, as the person considers necessary in connection with the exercise, by the Corporation, of its functions, and
- (b) by its employees or agents or by officers or employees of the Department, enter any land and do all such things as are required—

- (i) for the purpose of maintaining and operating any undertaking acquired by it under this or any other Act,
- (ii) for the purpose of investigating any matter in respect of which it intends to make a proposal referred to in section 12, or
- (iii) for any other purpose connected with or related or incidental to the exercise of its functions under this or any other Act,

even though an easement to enter the land or a right to enter the place may not have been granted or acquired.

- (3) The Corporation shall not exercise any of its powers under this section unless it gives at least 7 days' notice to the owner or occupier of the land or place concerned.
- (4) In exercising a power under this section, the Corporation shall ensure that no more damage than is necessary in the circumstances is inflicted and shall fully compensate any person who sustains damage in the course of the exercise of the power.
- (5) A power under this section is in addition to any other power of entry conferred by or under this or any other Act.

40 Persons may be required to furnish information

- (1) The Corporation may, by notice in writing, require any person to furnish to it such information in connection with any matter relating to its functions as may be specified in the notice.
- (1A) The Minister may, by notice in writing, require a water or energy service provider to furnish to the Minister such information concerning such of the following matters as may be specified in the notice—
 - (a) the identity of the persons or bodies to which the provider provides a water service within a water savings area,
 - (b) the identity of the persons or bodies to which the provider provides an energy service,
 - (c) the amount of water or energy that is provided to any such persons or bodies by the provider.
- (2) A person shall not neglect or fail to comply with a requirement under this section.
Maximum penalty—10 penalty units.
- (3) Information furnished pursuant to such a requirement is not, if the person furnishing it objected, at the time, to doing so on the ground that it might tend to incriminate the person, admissible in evidence in any prosecution against the person for an offence (not being an offence under this section).

- (4) Compliance with a requirement under this section to furnish information is not to be regarded as—
- (a) a breach of contract or confidence or otherwise as a civil wrong, or
 - (b) a breach of any instrument, or
 - (c) an event of default under any contract or other instrument, or
 - (d) giving rise to any remedy by a party to a contract or other instrument, or as causing or permitting the termination of, or exercise of rights under, any contract or other instrument.

- (5) In this section—

water or energy service provider means any of the following—

- (a) an energy services corporation within the meaning of the *Energy Services Corporations Act 1995*,
- (a1) an authorised network operator under the *Electricity Network Assets (Authorised Transactions) Act 2015*,
- (b) Sydney Water Corporation,
- (c) any other person or body (or person or body belonging to a class of persons or bodies) prescribed by a savings order that provides a water service or energy service.

41 Disclosure of information

- (1) A person shall not disclose any information obtained in connection with the administration or execution of this Act unless that disclosure is made—
- (a) with the consent of the person from whom the information was obtained,
 - (b) in connection with the administration or execution of this Act,
 - (c) for the purposes of any legal proceedings arising out of this Act,
 - (d) in accordance with a requirement of the *Ombudsman Act 1974*, or
 - (e) with other lawful excuse.

Maximum penalty—10 penalty units.

- (2) Without limiting subsection (1) (c), nothing in this section or any other Act or law prevents the Minister from disclosing information about any matter referred to in section 40 (1A) that is furnished to the Minister under that section where that information is disclosed to indicate why persons or bodies have been, or are to be,

prescribed as designated water users or designated energy users by a savings order.

42, 43 (Repealed)

43A Service of documents

- (1) A document that is authorised or required by this Act or the regulations to be served on any person may be served by—
 - (a) in the case of a natural person—
 - (i) delivering it to the person personally, or
 - (ii) sending it by post to the address specified by the person for the giving or service of documents or, if no such address is specified, the residential or business address of the person last known to the person giving or serving the document, or
 - (iii) sending it by facsimile transmission to the facsimile number of the person, or
 - (b) in the case of a body corporate—
 - (i) leaving it with a person apparently of or above the age of 16 years at, or by sending it by post to, the head office, a registered office or a principal office of the body corporate or to an address specified by the body corporate for the giving or service of documents, or
 - (ii) sending it by facsimile transmission to the facsimile number of the body corporate.
- (2) Nothing in this section affects the operation of any provision of a law or of the rules of a court authorising a document to be served on a person in any other manner.

44 Co-operation by other authorities

- (1) Subject to any direction given by the Premier, if a function is conferred or imposed on a person by or under an Act, the person shall co-operate with the Corporation by exercising the function in a manner that, in the opinion of the Corporation, promotes the objects of this Act and the purposes for which the Corporation is constituted.
- (2) The Minister may establish a standing committee to advise the Minister and the Premier on matters arising under this section.
- (3) A standing committee established under this section—
 - (a) shall consist of such persons,
 - (b) shall follow such procedures,as are from time to time directed by the Minister with the concurrence of the Premier.

45 Delegation of Minister's functions

- (1) The Minister may delegate the exercise of any of the Minister's functions under this Act or the regulations, other than this power of delegation, to the following—
 - (a) the Secretary,
 - (b) the Corporation,
 - (c) a committee established by the Minister under section 34W,
 - (d) a person of a class prescribed by the regulations.
- (2) The Secretary may subdelegate a function, delegated to the Secretary by the Minister, to a Public Service employee, unless the Minister otherwise provides in the instrument of delegation.

Note—

See also section 10A, which enables the Corporation and the Chief Executive Officer to subdelegate functions delegated to them by the Minister.

46 Recovery of money

Any charge, fee or money due to the Corporation may be recovered by the Corporation as a debt in a court of competent jurisdiction.

46A Penalty notices

- (1) An authorised officer may issue a penalty notice to a person if it appears to the officer that the person has committed a penalty notice offence.
- (2) A penalty notice offence is an offence against this Act or the regulations that is prescribed by the regulations as a penalty notice offence.
- (3) The *Fines Act 1996* applies to a penalty notice issued under this section.

Note—

The *Fines Act 1996* provides that, if a person issued with a penalty notice does not wish to have the matter determined by a court, the person may pay the amount specified in the notice and is not liable to any further proceedings for the alleged offence.

- (4) The amount payable under a penalty notice issued under this section is the amount prescribed for the alleged offence by the regulations (not exceeding the maximum amount of penalty that could be imposed for the offence by a court).
- (5) This section does not limit the operation of any other provision of, or made under, this or any other Act relating to proceedings that may be taken in respect of offences.
- (6) In this section, **authorised officer** means a person authorised in writing by the Corporation as an authorised officer for the purposes of this section.

47 Proceedings for offences

- (1) Proceedings for an offence against this Act or the regulations, other than Schedule 3 or regulations made for the purposes of that Schedule, shall be dealt with summarily before the Local Court.
- (1A) Proceedings for an offence against Schedule 3 or regulations made for the purposes of that Schedule may be dealt with summarily before the Supreme Court in its summary jurisdiction.
- (2) Proceedings for an offence against this Act or the regulations may be instituted at any time within 2 years after the commission of the offence.

47A Offences by corporations

- (1) If a corporation contravenes, whether by act or omission, any provision of this Act or the regulations, each person who is a director of the corporation or who is concerned in the management of the corporation is taken to have contravened the same provision if the person knowingly authorised or permitted the contravention.
- (2) A person may be proceeded against and convicted under a provision pursuant to subsection (1) whether or not the corporation has been proceeded against or has been convicted under the provision.
- (3) Nothing in this section affects any liability imposed on a corporation for an offence committed by the corporation under this Act or the regulations.

48 Annual reporting information

The annual reporting information prepared for the Department under the [Government Sector Finance Act 2018](#) may include any annual reporting information required under that Act for the Corporation.

49-52 (Repealed)

53 Regulations

- (1) The Governor may make regulations, not inconsistent with this Act, for or with respect to any matter that by this Act is required or permitted to be prescribed or that is necessary or convenient to be prescribed for carrying out or giving effect to this Act.
- (2) (Repealed)
- (3) A regulation may create an offence punishable by a penalty not exceeding 20 penalty units.
- (3A) The regulations may apply, adopt or incorporate (with or without modification) any publication as in force at a particular time or from time to time.

(4) A provision of a regulation may—

- (a) apply generally or be limited in its application by reference to specified exceptions or factors,
 - (b) apply differently according to different factors of a specified kind, or
 - (c) authorise any matter or thing to be from time to time determined, applied or regulated by any specified person or body,
- or may do any combination of those things.

54 Savings, transitional and other provisions

Schedule 2 has effect.

Schedule 1 Members and procedure of Board of Energy Corporation

section 7(6)

1 Terms of office of Board members

- (1) Subject to this schedule and the regulations, a Board member holds office for the term, not more than 3 years, specified in the instrument of appointment.
- (2) A Board member may be re-appointed but must not hold office for a cumulative total of more than 9 years.

2 Remuneration

A Board member is entitled to be paid the remuneration, including travelling and subsistence allowances, determined by the Minister from time to time.

3 Acting Board members

- (1) The Minister may, from time to time, appoint a person to act in the office of a Board member during the illness or absence of the Board member or a vacancy in office.
- (2) When acting in the place of the Board member, the acting Board member has all the functions of the Board member and is taken to be a Board member.
- (3) The Minister may remove a person from the office to which the person was appointed to act under this clause.
- (4) To avoid doubt, the person acting in the office of the Board member who is the Chairperson has, when acting, all the functions of the Chairperson and is taken to be the Chairperson.

4 Vacancy in office of Board member

- (1) The office of a Board member becomes vacant if the Board member—

- (a) dies, or
- (b) completes a term of office and is not re-appointed, or
- (c) resigns the office by written instrument addressed to the Minister, or
- (d) is removed from office by the Minister under subclause (2), or
- (e) is absent from 3 consecutive Board meetings of which reasonable notice has been given to the Board member, unless the Board member is—
 - (i) on leave granted by the Minister, or
 - (ii) excused by the Minister for having been absent from the meetings, or
- (f) becomes bankrupt, applies to take the benefit of a law for the relief of bankrupt or insolvent debtors, compounds with the Board member's creditors or makes an assignment of the Board member's remuneration for the creditors' benefit, or
- (g) becomes a mentally incapacitated person, or
- (h) is convicted in New South Wales of an offence that is punishable by imprisonment for 12 months or more or is convicted elsewhere than in New South Wales of an offence that, if committed in New South Wales, would be an offence so punishable.

(2) The Minister may remove a Board member from office.

5 Filling of vacancy in office of Board member

If the office of a Board member becomes vacant, a person may, subject to this Act and the regulations, be appointed to fill the vacancy.

6 Vacancy in office of Chairperson

- (1) The Chairperson of the Board vacates office as Chairperson if the Chairperson—
 - (a) is removed from office by the Minister under subclause (2), or
 - (b) resigns the office by written instrument addressed to the Minister, or
 - (c) ceases to be a Board member.

(2) The Minister may remove the Chairperson from office as Chairperson.

7 Disclosure of pecuniary and other interests

- (1) This clause applies if—
 - (a) a Board member has a direct or indirect pecuniary or other interest in a matter being considered or about to be considered at a Board meeting, and

- (b) the interest appears to raise a conflict with the proper performance of the Board member's duties in relation to the consideration of the matter.
- (2) The member must, as soon as possible after the relevant facts have come to the member's knowledge, disclose the nature of the interest at a Board meeting.
- (3) Particulars of a disclosure made under this clause must be recorded by the Board and made available to any person on request.
- (4) It is sufficient disclosure of the nature of an interest relating to a specified company, body or person if the Board member has previously disclosed that the Board member—
 - (a) is a member of, or employed by, the company or body, or
 - (b) is a partner of, or employed by, the person, or
 - (c) has some other specified interest relating to the company, body or person.
- (5) After a member has disclosed the nature of an interest in a matter, the member must not, unless the Board otherwise determines—
 - (a) be present during a deliberation of the Board about the matter, or
 - (b) take part in a decision of the Board about the matter.
- (6) A member who has a direct or indirect pecuniary or other interest in a matter to which a disclosure relates must not—
 - (a) be present at the time the Board is making a determination under subclause (5), or
 - (b) take part in the making of the determination.
- (7) A contravention of this clause does not invalidate a decision of the Board.
- (8) This clause applies to a member of an advisory committee established by the Board under section 10B and the advisory committee in the same way as it applies to a Board member and the Board.

8 Effect of certain other Acts

- (1) The provisions of the [Government Sector Employment Act 2013](#) relating to the employment of Public Service employees do not apply to a Board member.
- (2) If, by or under any Act, provision is made for either of the following, the provision does not operate to disqualify the person from holding the office and also the office of a member, or from accepting and retaining any remuneration payable to the person under this Act as a Board member—

(a) requiring a person who is the holder of a specified office to devote the whole of the person's time to the duties of that office,

(b) prohibiting the person from engaging in employment outside the duties of that office.

9 General procedure

The procedure for calling Board meetings and conducting business at Board meetings must, subject to this Act and the regulations, be determined by the Board.

10 Quorum

The quorum for a Board meeting is a majority of Board members for the time being.

11 Presiding Board member

(1) The Chairperson of the Board must preside at a Board meeting.

(2) If the Chairperson is absent from a Board meeting, a Board member elected by the Board members present at the meeting must preside at the meeting.

(3) The presiding Board member has a deliberative vote and, if there is an equality of votes, a second or casting vote.

12 Voting

A decision supported by a majority of the votes cast at a Board meeting at which a quorum is present is the decision of the Board.

13 Transaction of business outside meetings or by electronic means

(1) The Board may, if it thinks fit, transact its business—

(a) by the circulation of papers, by email or other electronic means, among all members, or

(b) at a meeting at which all or some Board members participate by telephone or other electronic means, but only if a Board member who speaks on a matter at the meeting can be heard by the other Board members.

(2) If the Board transacts its business by the circulation of papers under subclause (1)(a), a written resolution approved in writing by a majority of the Board members is taken to be a decision of the Board made at a Board meeting.

(3) The Chairperson and other Board members have the same voting rights as at an ordinary Board meeting for the purposes of—

(a) a meeting held in accordance with subclause (1)(b), or

(b) the approval of a resolution under subclause (2).

(4) A resolution approved under subclause (2) must be recorded in the minutes of the Board meeting.

14 First meeting

The Minister may call the first meeting of the Board.

Schedule 2 Savings, transitional and other provisions

(Section 54)

Part 1 General

1 Regulations

(1) The regulations may contain provisions of a savings or transitional nature consequent on the enactment of the following Acts—

Electricity (Consumer Safety) Act 2004, but only in relation to the amendments made to this Act

Sustainable Energy Development Repeal Act 2004

Energy Administration Amendment (Water and Energy Savings) Act 2005

Energy and Utilities Administration Amendment (Climate Change Fund) Act 2007

another Act that amends this Act

(2) Any such provision may, if the regulations so provide, take effect from the date of assent to the Act concerned or a later date.

(3) To the extent to which any such provision takes effect from a date that is earlier than the date of its publication in the Gazette, the provision does not operate so as—

(a) to affect, in a manner prejudicial to any person (other than the State or an authority of the State), the rights of that person existing before the date of its publication, or

(b) to impose liabilities on any person (other than the State or an authority of the State) in respect of anything done or omitted to be done before the date of its publication.

Part 2 Provisions consequent on enactment of [Sustainable Energy](#)

Development Repeal Act 2004

2 Definitions

In this Part—

repealing Act means the *Sustainable Energy Development Repeal Act 2004*.

SEDA means the Sustainable Energy Development Authority constituted by the *Sustainable Energy Development Act 1995*, as in force before its repeal by the repealing Act.

3 Abolition of SEDA

(1) On the commencement of the repealing Act—

- (a) SEDA is abolished, and
- (b) any assets, rights and liabilities of SEDA become the assets, rights and liabilities of the Crown.

(2) In this clause—

assets means any legal or equitable estate or interest (whether present or future and whether vested or contingent) in real or personal property of any description (including money), and includes securities, choses in action and documents.

liabilities means all liabilities, debts and obligations (whether present or future and whether vested or contingent).

rights means all rights, powers, privileges and immunities (whether present or future and whether vested or contingent).

4 Executive Director of SEDA

- (1) On the commencement of the repealing Act, the person who, immediately before that commencement, held office as the Executive Director of SEDA ceases to hold that office.
- (2) A person who, under this clause, ceases to hold office is not entitled to any remuneration or compensation because of the loss of that office.

5 Staff of SEDA

- (1) On the commencement of the repealing Act, the staff of SEDA are transferred to the Department.
- (2) The transfer of such staff is taken to have been done under section 87 of the *Public Sector Employment and Management Act 2002*.

6 Annual report of SEDA for year ending 30 June 2004

The annual report of SEDA for the year ending 30 June 2004 may be included in the annual report of the Department for that year.
