(2) In this Act—

- (a) a reference to a function includes a reference to a power, authority and duty, and
- (b) a reference to the exercise of a function includes, where the function is a duty, a reference to the performance of the duty.

4 Definition of “emergency”

(1) In this Act—

emergency means an emergency due to an actual or imminent occurrence (such as fire, flood, storm, earthquake, explosion, terrorist act, accident, epidemic or warlike action) which—

- (a) endangers, or threatens to endanger, the safety or health of persons or animals in the State, or
- (b) destroys or damages, or threatens to destroy or damage, property in the State, or
- (c) causes a failure of, or a significant disruption to, an essential service or infrastructure,

being an emergency which requires a significant and co-ordinated response.

- (2) For the purposes of the definition of **emergency**, property in the State includes any part of the environment of the State. Accordingly, a reference in this Act to—
- (a) threats or danger to property includes a reference to threats or danger to the environment, and
 - (b) the protection of property includes a reference to the protection of the environment.

5 Stages of emergency

For the purposes of this Act—

- (a) **prevention** in relation to an emergency includes the identification of hazards, the assessment of threats to life and property and the taking of measures to reduce potential loss to life or property, and
- (b) **preparation** in relation to an emergency includes arrangements or plans to deal with an emergency or the effects of an emergency, and
- (c) **response** in relation to an emergency includes the process of combating an emergency and of providing immediate relief for persons affected by an emergency, and
- (d) **recovery** in relation to an emergency includes the process of returning an affected community to its proper level of functioning after an emergency.

6 Relationship between Part 2 (State emergency management) and Part 3 (State rescue management)

- (1) Part 3 applies to a rescue operation whether it relates to a single incident or an emergency.
- (2) However, if a rescue operation relates to an emergency Part 2 prevails.
- (3) A dispute as to whether a rescue operation relates to a single incident or an emergency may be determined by the Minister or (subject to any determination of the Minister) by the State Emergency Operations Controller.

7 Limitation on operation of Act—industrial disputes and civil disturbances

This Act does not authorise the taking of measures directed at—

- (a) bringing an industrial dispute to an end, or
- (b) controlling a riot or other civil disturbance (other than a riot or civil disturbance resulting from and occurring during a state of emergency).

8 Operation of Act in relation to civil defence

This Act authorises the taking of civil defence measures, not being actual military combat or preparations for military combat.

9 Act binds the Crown

This Act binds the Crown, not only in right of New South Wales but also, so far as the legislative power of Parliament permits, the Crown in all its other capacities.

Part 2 State emergency management

Division 1 Emergency management at State level

Subdivision 1 The Minister

10 Minister

- (1) The Minister is responsible for—
 - (a) ensuring that adequate measures are taken by government agencies to prevent, prepare for, respond to and assist recovery from emergencies, and
 - (b) co-ordinating the activities of government agencies in taking those measures, and
 - (c) approving the State Emergency Management Plan or any alterations to the State Emergency Management Plan.
- (2) (Repealed)
- (3) The following are, in the exercise of their functions under this Act, subject to the control and direction of the Minister—
 - (a) the State Emergency Management Committee,
 - (b) the State Emergency Operations Controller,
 - (c) the State Emergency Recovery Controller.
- (4) The Minister may delegate to the State Emergency Operations Controller, State Emergency Recovery Controller or other person the Minister's functions under this Act, other than—
 - (a) the Minister's functions under this section, and
 - (b) this power of delegation.

11 (Repealed)

Subdivision 2 The State Emergency Management Plan

12 State Emergency Management Plan

- (1) There is to be a State Emergency Management Plan.
- (2) The object of the State Emergency Management Plan is to ensure the co-ordinated response to emergencies by all agencies having responsibilities and functions in emergencies.
- (3) The State Emergency Management Plan is to—
 - (a) identify, in relation to each different form of emergency, the combat agency primarily responsible for controlling the response to the emergency, and
 - (b) provide for the co-ordination of the activities of other agencies in support of a combat agency in the event of an emergency, and
 - (c) specify the tasks to be performed by all agencies in the event of an emergency, and
 - (d) specify the responsibilities of the Minister, the State, Regional or Local Emergency Operations Controller and the State Emergency Recovery Controller.
- (4) As soon as practicable after the Minister approves the State Emergency Management Plan or any alterations to the State Emergency Management Plan, the Secretary must—
 - (a) publish (in such manner as the Secretary determines) a copy of the State Emergency Management Plan or the alterations to the State Emergency Management Plan, and
 - (b) forward a copy of the State Emergency Management Plan or the alterations to the State Emergency Management Plan to each agency to which the State Emergency Management Plan relates.

13 Operation of State Emergency Management Plan

- (1) The relevant provisions of the State Emergency Management Plan have effect in the event of an emergency.
- (2) The State Emergency Management Plan has effect in the event of an emergency whether or not a state of emergency has been declared.
- (3) Agencies are authorised to undertake their responsibilities and functions under the State Emergency Management Plan in the event of an emergency. Government agencies may be required to do so by the Minister.
- (4) Any question concerning the application or operation of the State Emergency Management Plan may be referred to and determined by the Minister.

- (5) This section does not authorise or require any act or omission that is inconsistent with this or any other Act.

Subdivision 3 The State Emergency Management Committee

14 State Emergency Management Committee

- (1) There is established by this Act a State Emergency Management Committee.
- (2) The Committee is to consist of—
- (a) the State Emergency Operations Controller, and
 - (a1) the State Emergency Recovery Controller, and
 - (a2) the chief executive of the Ambulance Service of NSW, and
 - (a3) the Commissioner of Fire and Rescue NSW, and
 - (a4) the Commissioner of Police, and
 - (a5) the Commissioner of the NSW Rural Fire Service, and
 - (a6) the Commissioner of the State Emergency Service, and
 - (b) representatives of such relevant government and non-government agencies as the Minister may from time to time determine, and
 - (c) such other persons as may be nominated by the Minister from time to time.
- (2A) One of the members of the Committee is to be appointed by the Minister as the Chairperson of the Committee.
- (3) The representative of a non-government agency is to be nominated by the Minister and the representative of a government agency is to be nominated by the Minister responsible for the agency.
- (4) The persons so nominated are to be persons who have authority to plan and commit their agencies' resources in relation to the response and recovery stages of an emergency.
- (5) Schedule 2 has effect with respect to the members and procedure of the State Emergency Management Committee.

15 Functions of State Emergency Management Committee

The State Emergency Management Committee has the following functions—

- (a1) to advise the Minister on all matters relating to the prevention of, preparation for, response to and recovery from emergencies (including the co-ordination of the

activities of government and non-government agencies in connection with those matters),

- (a) to review, monitor and advise the Minister on the adequacy of the provisions of this Act relating to emergency management,
- (b) to provide strategic policy advice to the Minister in relation to emergency management,
- (c) to review, monitor and develop emergency management policy and practice at a State level and to disseminate information in relation to any such policy and practice,
- (c1) to promote the continuous improvement of emergency management policy and practice at a State level, including through consideration of reviews and inquiries into emergency operations, exercises and training evaluations,
- (d) to review the State Emergency Management Plan and to recommend alterations to it,
- (e) to endorse any subplans or supporting plans established under the State Emergency Management Plan,
- (f) to facilitate strategic State level emergency management capability through inter-agency co-ordination, co-operation and information sharing arrangements,
- (g) such other functions as are conferred or imposed on the Committee by or under this Act or as are related to this Act and assigned to the Committee from time to time by the Minister.

16 Functional area sub-committees of State Emergency Management Committee

- (1) The State Emergency Management Committee is required to establish such sub-committees as the Minister directs in connection with functional areas.
- (2) A sub-committee established for a functional area is to co-ordinate the provision of functional area support for activities carried out to prevent, prepare for, respond to or recover from an emergency.

17 Annual report by State Emergency Management Committee

- (1) As soon as practicable after 30 June, but on or before 31 December in each year, the Secretary is to provide the Minister with a report approved by the State Emergency Management Committee on the work and activities of the Committee for the 12 months ending on 30 June in that year.
- (2) The Minister is to lay any such report or cause it to be laid before both Houses of Parliament as soon as practicable after receiving the report.

Subdivision 4 The State Emergency Operations Controller

18 State Emergency Operations Controller and Deputy

- (1) There is to be a State Emergency Operations Controller and a Deputy State Emergency Operations Controller.
- (2) The office of the State Emergency Operations Controller is to be held by—
 - (a) the Commissioner of Police, or
 - (b) if the Governor, on the recommendation of the Minister, designates a position in the NSW Police Force Senior Executive Service as the position of State Emergency Operations Controller—the person for the time being holding or acting in that position.
- (3) The office of the Deputy State Emergency Operations Controller is to be held by the person for the time being holding or acting in a position in the NSW Police Force Senior Executive Service that is designated by the Governor, on the recommendation of the Minister, as the position of Deputy State Emergency Operations Controller.
- (4) The Minister is to consult with the Minister for Police before making a recommendation under subsection (2) or (3).
- (5) During the absence or a vacancy in the office of the State Emergency Operations Controller, the Deputy State Emergency Operations Controller has all the functions of the State Emergency Operations Controller.

19 Responsibility and functions of State Emergency Operations Controller

- (1) The State Emergency Operations Controller is, subject to this section, responsible for controlling in accordance with this Act the response to an emergency—
 - (a) that affects more than one region, or
 - (b) for which the State Emergency Operations Controller assumes responsibility.
- (1A) The State Emergency Operations Controller is not responsible for controlling the response to an emergency if there is a single combat agency primarily responsible under the State Emergency Management Plan for controlling the response to the emergency, unless the Controller assumes that responsibility in accordance with subsection (1B).
- (1B) The State Emergency Operations Controller may assume responsibility for controlling the response to an emergency from the combat agency primarily so responsible under the State Emergency Management Plan if—
 - (a) the Controller is satisfied that it is necessary to do so in the particular circumstances of the case, and

- (b) the combat agency has requested that the Controller assume, or has agreed to the Controller assuming, that responsibility or, in the case of any disagreement on the matter, the Minister has directed the Controller to do so.
- (2) The State Emergency Operations Controller may, if responsible for controlling the response to an emergency—
 - (a) issue directions to agencies who have functions in connection with responses to the emergency, and
 - (b) appoint an officer of an agency to have overall control of particular activities in response to the emergency where a number of agencies are involved and those agencies do not agree on the matter.
- (2A) The State Emergency Operations Controller may, at the request of the combat agency that is primarily responsible for controlling the response to an emergency, carry out such functions as may be specified by the agency for the purposes of controlling the response to the emergency.
- (3) The functions of the State Emergency Operations Controller may be exercised without the need for a declaration of a state of emergency, but during a state of emergency the exercise of those functions is subject to Division 4.

20 State emergency operations centre

- (1) The State Emergency Operations Controller is to establish and control a State emergency operations centre.
- (2) The State emergency operations centre is to have—
 - (a) communication facilities for independent control and co-ordination of regions, and
 - (b) discrete communication facilities with heads of emergency services organisations and functional areas, and
 - (c) independent communications with the public broadcasting media network, and
 - (d) independent media information facilities.
- (3) (Repealed)

Subdivision 5 The State Emergency Recovery Controller

20A State Emergency Recovery Controller and Deputy

- (1) There is to be a State Emergency Recovery Controller and a Deputy State Emergency Recovery Controller.
- (2) The office of the State Emergency Recovery Controller is to be held by—

- (a) the chief executive officer of the NSW Reconstruction Authority, unless a person is designated under paragraph (b), or
- (b) either of the following designated by the chief executive officer of the NSW Reconstruction Authority—
 - (i) a senior executive employed in the NSW Reconstruction Authority,
 - (ii) a NSW Police Force senior executive.
- (3) The office of the Deputy State Emergency Recovery Controller is to be held by an employee of the NSW Reconstruction Authority designated by the chief executive officer of the NSW Reconstruction Authority.
- (4) If the State Emergency Recovery Controller is unavailable for any reason, the Deputy State Emergency Recovery Controller has, during the period of unavailability, all the functions of the State Emergency Recovery Controller.
- (5) In this section and section 20B—

chief executive officer, of the NSW Reconstruction Authority, has the same meaning as in the [NSW Reconstruction Authority Act 2022](#).

NSW Reconstruction Authority has the same meaning as in the [NSW Reconstruction Authority Act 2022](#).

20B Responsibility and functions of State Emergency Recovery Controller

- (1) The State Emergency Recovery Controller is, subject to this section, responsible for controlling in accordance with this Act the recovery from an emergency—
 - (a) that affects more than one region, or
 - (b) for which the State Emergency Recovery Controller assumes responsibility.
- (2) The State Emergency Recovery Controller is not responsible for controlling the recovery from an emergency if there is a single recovery agency primarily responsible under the State Emergency Management Plan for controlling the recovery from the emergency, unless the Controller assumes that responsibility in accordance with subsection (3).
- (3) The State Emergency Recovery Controller may assume responsibility for controlling the recovery from an emergency from the recovery agency primarily so responsible under the State Emergency Management Plan if—
 - (a) the Controller is satisfied that it is necessary to do so in the particular circumstances of the case, and
 - (b) the recovery agency has requested that the Controller assume, or has agreed to

the Controller assuming, that responsibility or, in the case of any disagreement on the matter, the Minister has directed the Controller to do so.

- (4) The State Emergency Recovery Controller may, if responsible for controlling the recovery from an emergency—
 - (a) issue directions to agencies who have functions in connection with recovery from an emergency, and
 - (b) appoint an officer of an agency to have overall control of particular activities in recovery from an emergency where a number of agencies are involved and those agencies do not agree on the matter.
- (4A) To the extent of any inconsistency between a direction given by the State Emergency Recovery Controller in the exercise of functions under this Act, and the NSW Reconstruction Authority or chief executive officer in the exercise of functions under the *NSW Reconstruction Authority Act 2022*, the direction given by the State Emergency Recovery Controller under this Act prevails.
- (5) The State Emergency Recovery Controller may assist a recovery agency that is primarily responsible for controlling the recovery from an emergency in carrying out that responsibility.
- (6) The functions of the State Emergency Recovery Controller may be exercised without the need for a declaration of a state of emergency.

Division 2 Emergency management at region level

21 Establishment of regions

- (1) For the purposes of this Act, the State is divided into such regions as the Minister may determine by order published in the Gazette.
- (2) Any such order may describe the boundaries of a region by reference to local government areas, maps or otherwise.

22 Regional Emergency Management Committees

- (1) There is established by this Act a Regional Emergency Management Committee for each region.
- (2) Each such Committee is to consist of—
 - (a) the Regional Emergency Operations Controller for the relevant region, who is to be the Chairperson of the Committee, and
 - (b) the Chairperson of the Local Emergency Management Committee for each local government area within the relevant region, and

- (c) a senior representative of each emergency services organisation operating in the relevant region, and
- (d) a representative of each organisation that—
 - (i) provides services in a functional area or areas in the relevant region, and
 - (ii) the Minister determines from time to time is to be represented on the Committee.
- (3) The representative of an emergency services organisation is to be nominated by the organisation. The representative of an organisation providing services in a functional area is to be nominated in accordance with arrangements determined by the Minister.
- (4) (Repealed)
- (5) Schedule 2 has effect with respect to the members and procedure of a Regional Emergency Management Committee.

23 Functions of Regional Emergency Management Committees

- (1) A Regional Emergency Management Committee is responsible for preparing and reviewing plans in relation to the prevention of, preparation for, response to and recovery from emergencies in the region for which it is constituted.
 - (1A) Without limiting subsection (1), any such Committee may—
 - (a) review and monitor emergency management policy and practice across the region, and
- Note—**
- The State Emergency Management Committee is responsible for reviewing, monitoring and developing emergency management policy and practice at a State level and for disseminating information about that policy and practice, including to Regional and Local Emergency Management Committees.
- (b) review and prepare plans in respect of the region that are, or are proposed to be, subplans or supporting plans established under the State Emergency Management Plan, and
 - (c) make recommendations about and assist in the co-ordination of training in relation to emergency management across the region, and
 - (d) develop, conduct and evaluate regional emergency management training exercises, and
 - (e) facilitate regional level emergency management capability through inter-agency co-ordination, co-operation and information sharing arrangements, and
 - (f) assist the Regional Emergency Operations Controller for the relevant region in the Controller's role under section 25, and

- (g) carry out such other functions as are—
 - (i) related to this Act, and
 - (ii) assigned to the Committee (or to Regional Emergency Management Committees generally) from time to time by the State Emergency Management Committee.

(2) In the exercise of its functions, any such Committee is responsible to the State Emergency Management Committee.

24 Regional Emergency Operations Controller

- (1) The Commissioner of Police is to appoint a Regional Emergency Operations Controller for each region who is to be a police officer holding the position of Region Commander.
- (2) A Regional Emergency Operations Controller may appoint as his or her deputy a person who is—
 - (a) a police officer of or above the rank of Superintendent, and
 - (b) in the opinion of the Regional Emergency Operations Controller, experienced in emergency management.
- (3) During the absence, or a vacancy in the office, of a Regional Emergency Operations Controller, the Regional Emergency Operations Controller's deputy has all the functions of the Regional Emergency Operations Controller under this Act.

25 Functions of Regional Emergency Operations Controller

- (1) The Regional Emergency Operations Controller for a region is, subject to this section, responsible for controlling in accordance with this Act the response to an emergency—
 - (a) that affects more than one local government area in the region, or
 - (b) for which the Regional Emergency Operations Controller assumes responsibility.
- (1A) The Regional Emergency Operations Controller is not responsible for controlling the response to an emergency if there is a single combat agency primarily responsible under the State Emergency Management Plan for controlling the response to the emergency, unless the Controller assumes that responsibility in accordance with subsection (1B).
- (1B) The Regional Emergency Operations Controller may assume responsibility for controlling the response to an emergency from the combat agency primarily so responsible under the State Emergency Management Plan if—
 - (a) the State Emergency Operations Controller is satisfied that it is necessary to do so in the particular circumstances of the case, and

(b) the combat agency has requested or agreed to the Regional Emergency Operations Controller assuming that responsibility.

(1C) The Regional Emergency Operations Controller is not responsible for controlling the response to an emergency for which the State Emergency Operations Controller has assumed responsibility.

(2) The Regional Emergency Operations Controller may, if responsible for controlling the response to an emergency, issue directions to agencies who have functions in connection with responses to the emergency.

(2A) The Regional Emergency Operations Controller may, at the request of the combat agency that is primarily responsible for controlling the response to an emergency, carry out such functions as may be specified by the agency for the purposes of controlling the response to the emergency.

(3) The functions of the Regional Emergency Operations Controller may be exercised without the need for a declaration of a state of emergency, but during a state of emergency the exercise of those functions is subject to Division 4.

(4) The Regional Emergency Operations Controller is to establish and control a regional emergency operations centre.

(5) The Regional Emergency Operations Controller is subject to the direction of the State Emergency Operations Controller.

26 NSW Police Force to provide executive support for Regional Emergency Management Committee and Operations Controller

(1) The NSW Police Force is to provide executive support facilities for each Regional Emergency Management Committee and Regional Emergency Operations Controller in the region concerned.

(2) (Repealed)

Division 3 Emergency management at local level

27 Combination of local government areas

If the councils of 2 or more local government areas agree (with the approval of the Minister) to combine their emergency management arrangements under this Part, a reference in this Part—

(a) to a local government area is a reference to the combined local government areas concerned, and

(b) to the council of that combined local government area is a reference to the principal council nominated in the agreement.

28 Local Emergency Management Committees

- (1) There is established by this Act a Local Emergency Management Committee for each local government area.
- (2) Each such Committee is to consist of—
 - (a) the General Manager of the council of the relevant local government area, who is to be the Chairperson of the Committee, and
 - (b) a senior representative of each emergency services organisation operating in the relevant local government area, and
 - (c) a representative of each organisation that—
 - (i) provides services in a functional area or areas in the relevant local government area, and
 - (ii) the council of that area determines from time to time is to be represented on the Committee, and
 - (d) the Local Emergency Operations Controller for the relevant local government area, and
 - (e) a representative of each organisation that the Minister determines, from time to time, is to be represented on the Committee.
- (3), (4) (Repealed)
- (5) The representative of an organisation is to be nominated by the organisation.
- (6) (Repealed)
- (7) Schedule 2 has effect with respect to the members and procedure of a Local Emergency Management Committee.

29 Functions of Local Emergency Management Committees

- (1) A Local Emergency Management Committee is responsible for the preparation and review of plans in relation to the prevention of, preparation for, response to and recovery from emergencies in the local government area for which it is constituted.
- (1A) Without limiting subsection (1), any such Committee may—
 - (a) give effect to and carry out emergency management policy and practice, consistent with information on that policy and practice disseminated by the State Emergency Management Committee, and
 - (b) review and prepare plans in respect of the relevant local government area that are, or are proposed to be, subplans or supporting plans established under the

State Emergency Management Plan, and

- (c) make recommendations about and assist in the co-ordination of training in relation to emergency management in the relevant local government area, and
 - (d) develop, conduct and evaluate local emergency management training exercises, and
 - (e) facilitate local level emergency management capability through inter-agency co-ordination, co-operation and information sharing arrangements, and
 - (f) assist the Local Emergency Operations Controller for the relevant local government area in the Controller's role under section 31, and
 - (g) such other functions as are—
 - (i) related to this Act, and
 - (ii) assigned to the Committee (or to Local Emergency Management Committees generally) from time to time by the relevant Regional Emergency Management Committee or by the State Emergency Management Committee.
- (2) In the exercise of its functions, any such Committee is responsible to the relevant Regional Emergency Management Committee.

30 Local Emergency Operations Controller

- (1) The Regional Emergency Operations Controller is to appoint a Local Emergency Operations Controller for each local government area.
- (2) The person appointed—
 - (a) must be a police officer stationed within the region (established under section 21) in which the local government area is located, or, if that is not reasonably practicable, within a region that is, in the opinion of the Regional Emergency Operations Controller, nearby, and
 - (b) must be a person who, in the opinion of the Regional Emergency Operations Controller, has experience in emergency management.
- (3) (Repealed)

31 Functions of Local Emergency Operations Controller

- (1) The Local Emergency Operations Controller for an area is, subject to this section, responsible for controlling in accordance with this Act the response to an emergency that affects only that area.
- (1A) The Local Emergency Operations Controller is not responsible for controlling the

response to an emergency if there is a single combat agency primarily responsible under the State Emergency Management Plan for controlling the response to the emergency, unless the Controller assumes that responsibility in accordance with subsection (1B).

- (1B) The Local Emergency Operations Controller may assume responsibility for controlling the response to an emergency from the combat agency primarily so responsible under the State Emergency Management Plan if—
- (a) the State Emergency Operations Controller is satisfied that it is necessary to do so in the particular circumstances of the case, and
 - (b) the combat agency has requested or agreed to the Local Emergency Operations Controller assuming that responsibility.
- (1C) The Local Emergency Operations Controller is not responsible for controlling the response to an emergency for which the State or Regional Emergency Operations Controller has assumed responsibility.
- (2) The Local Emergency Operations Controller may, if responsible for controlling the response to an emergency, issue directions to agencies who have functions in connection with responses to the emergency.
- (2A) The Local Emergency Operations Controller may, at the request of the combat agency that is primarily responsible for controlling the response to an emergency, carry out such functions as may be specified by the agency for the purposes of controlling the response to the emergency.
- (3) The functions of the Local Emergency Operations Controller may be exercised without the need for a declaration of a state of emergency, but during a state of emergency the exercise of those functions is subject to Division 4.
- (4) The Local Emergency Operations Controller is to establish and control a local emergency operations centre.
- (5) The Local Emergency Operations Controller is subject to the direction of the relevant Regional Emergency Operations Controller.

32 Councils to provide executive support for Local Emergency Management Committee and Operations Controller

- (1) A council is to provide executive support facilities for the Local Emergency Management Committee and the Local Emergency Operations Controller in its area.
- (2) (Repealed)

Division 4 State of emergency

32A Definitions

In this Division—

emergency area means the area in which a state of emergency is declared to exist.

emergency services officer means any of the following—

- (a) a police officer,
- (b) an officer of Fire and Rescue NSW of or above the position of station commander,
- (c) an officer of the State Emergency Service of or above the position of unit commander,
- (d) a member of a rural fire brigade of or above the position of deputy captain,
- (e) a Regional Emergency Management Officer,
- (f) a member of the Ambulance Service of NSW of or above the rank of station officer.

premises includes land, place, building, vehicle, vessel or aircraft, or any part of premises.

33 Declaration of state of emergency

- (1) If the Premier is satisfied that an emergency constitutes a significant and widespread danger to life or property in New South Wales, the Premier may, by order in writing, declare that a state of emergency exists in the whole, or in any specified part or parts, of New South Wales in relation to that emergency.
- (2) The Premier may, by order in writing, revoke a declaration of a state of emergency at any time.

34 Publication of declaration

- (1) As soon as practicable after making or revoking a declaration of a state of emergency, the Premier must—
 - (a) cause notice of the declaration or revocation to be broadcast by a television or radio station in the State, and
 - (b) cause a copy of the relevant order to be published in the Gazette or on the NSW legislation website.
- (2) The Premier may cause a copy of the relevant order to be published on the internet or any other electronic communications service.

35 Duration of state of emergency

- (1) An order declaring a state of emergency has effect immediately on its being made.
- (2) Unless it is sooner revoked, the declaration of a state of emergency remains in force for such period (not exceeding 30 days) as is specified in the declaration.
- (3) The declaration of a state of emergency does not prevent the declaration of further states of emergencies in relation to the same or a different emergency.

36 Power to direct government agencies etc during state of emergency

- (1) In a state of emergency, the Minister is responsible for controlling and co-ordinating the activities of such government agencies, and the allocation of such available resources of the Government, as the Minister considers necessary or desirable for responding to the emergency.
- (2) For that purpose, the Minister may direct any government agency to do or refrain from doing any act, or to exercise or refrain from exercising any function.
- (3) If a direction is given to a government agency under this section—
 - (a) the government agency must comply with the direction, and
 - (b) the direction prevails over anything to the contrary in any Act or law, except the *Essential Services Act 1988*.

37 Power to evacuate or to take other steps concerning persons

- (1) The Minister may, if satisfied that it is necessary or convenient to do so for the purpose of responding to an emergency, direct, or authorise an emergency services officer to direct, a person to do any or all of the following—
 - (a) to leave any particular premises and to move out of an emergency area or any part of an emergency area,
 - (b) to take any children or adults present in any particular premises who are in the person's care and to move them outside the emergency area or any part of the emergency area,
 - (c) not to enter the emergency area or any part of the emergency area.
- (2) If the person does not comply with the direction, an emergency services officer may do all such things as are reasonably necessary to ensure compliance with it, using such force as is reasonably necessary in the circumstances.
- (3) The regulations may limit the circumstances, and regulate the manner, in which the powers conferred by this section may be exercised.

(4) (Repealed)

37A Powers to take other safety measures

- (1) The Minister may, if satisfied that there are reasonable grounds for so doing for the purpose of protecting persons or animals from injury or death or protecting property in a state of emergency, direct, or authorise an emergency services officer to direct, the doing of any one or more of the following—
 - (a) the closure to traffic of any street, road, lane, thoroughfare or footpath or place open to or used by the public, in an emergency area or any part of an emergency area,
 - (b) the closure of any other public or private place in an emergency area or any part of an emergency area,
 - (c) the pulling down, destruction or shoring up of any wall or premises that have been damaged or rendered insecure in an emergency area or any part of an emergency area,
 - (d) the shutting off or disconnecting of the supply of any water, gas, liquid, solid, grain, powder or other substance in or from any main, pipeline, container or storage facility in an emergency area or any part of an emergency area,
 - (e) the shutting off or disconnecting of the supply of gas or electricity to any premises in an emergency area or any part of an emergency area,
 - (f) the taking possession of, and removal or destruction of any material or thing in an emergency area or any part of an emergency area that may be dangerous to life or property or that may interfere with the response of emergency services to the emergency.
- (2) The cost of taking action under subsection (1) (c) is to be borne by the owner of the wall or premises and is to be paid to, and may be recovered in a court of competent jurisdiction by, the Minister for reimbursement of the costs of the emergency services organisation of pulling down, destroying or shoring up the wall or premises concerned.
- (3) For the purposes of the exercise of a function under subsection (1) (d), the Minister or an emergency services officer may require the person who controls or supplies the substance concerned to immediately send some competent person to the scene for the purpose of shutting it off or disconnecting it in accordance with the reasonable directions of the Minister or emergency services officer.
- (4) A person must comply with a requirement, or directions, under subsection (3).
Maximum penalty—50 penalty units.
- (5) A person who supplies a substance referred to in subsection (1) (d) or (e) is not liable

for any damages because of any interruption of that supply under this section if the supply is shut off or disconnected in accordance with the directions of the Minister or emergency services officer.

- (6) The regulations may limit the circumstances, and regulate the manner, in which the powers conferred by this section may be exercised.

37B Power to enter premises

A person may enter any premises for the purposes of complying with a direction under section 37A (1).

37C Notice of entry

- (1) A person authorised to enter premises may enter the premises without giving notice—
- (a) if entry to the premises is made with the consent of the owner or occupier, or
 - (b) if the entry is made to a part of the premises that is open to the public, or
 - (c) if entry is required urgently and the case is one in which the Minister or the emergency services officer giving the direction has authorised in writing (either generally or in a particular case) entry without notice.
- (2) In any other case, the person must give the owner or occupier of the premises reasonable written notice of the intention to enter the premises.

37D Care to be taken

In the exercise of a function under section 37A, a person authorised to enter premises must do as little damage as possible.

37E Use of force

- (1) Reasonable force may be used for the purpose of gaining entry to premises to comply with a direction under section 37A but only if the Minister—
- (a) has authorised in writing the use of force in the particular case, or
 - (b) has specified in writing the circumstances that are required to exist before force may be used and the particular case falls within those circumstances.
- (2) If a person authorised to enter premises uses force to do so, the person must, as soon as practicable, inform the person who directed him or her to exercise the function under section 37A.
- (3) The person so informed of the use of force must give notice of the use of force to such persons or authorities as appear to the person to be appropriate in the circumstances.
- (4) If a person's property is damaged by the exercise of a right of entry, the person is to

receive such compensation as may be determined by the Minister or, if the damage arose as the result of the exercise of a right of entry by a police officer, the Minister for Police, but is not entitled to receive compensation.

- (5) A person may apply to the Premier for a review of a determination as to compensation made by the Minister or the Minister for Police under this section.

37F Authority to enter premises

- (1) A power conferred to enter premises, or to take action on premises, may not be exercised unless the person proposing to exercise the power is in possession of an authority and produces the authority if required to do so by the owner or occupier of the premises.
- (2) The authority must be a written authority that—
- (a) states that it is issued under this Act, and
 - (b) gives the name of the person to whom it is issued, and
 - (c) describes the nature of the powers conferred and the source of the powers, and
 - (d) states the date (if any) on which it expires, and
 - (e) describes the kind of premises to which the power extends, and
 - (f) bears the signature of the Minister or the emergency services officer who issued the direction under section 37A.
- (3) However, a police officer exercising a power to enter premises, or to take action on premises, must produce his or her warrant card if required to do so by the owner or occupier of the premises in lieu of an authority (unless the police officer is in uniform).

38 Power to take possession of property

- (1) In a state of emergency, the Minister may, for the purposes of responding to the emergency, take possession and make use of any person's property.
- (2) If the property of a person is taken or used under this section that person is to receive such compensation as may be determined by the Minister, but is not entitled to receive compensation.
- (3) Any such person may apply to the Premier for a review of any determination as to compensation made by the Minister under this section.

39 Limitation on operation of this Division

The functions of the Minister under this Division are only exercisable in relation to—

- (a) a part of the State in which a state of emergency exists, and

(b) an emergency in respect of which a state of emergency exists.

40 Offence to obstruct Minister or emergency personnel

A person must not obstruct or hinder the Minister, or any other person acting with the authority of the Minister, in the exercise of a function under this Division.

Maximum penalty—50 penalty units or imprisonment for 2 years, or both.

41 Exculpation from liability during state of emergency

A person may not bring proceedings against the Crown, a Minister or any body or person acting in the execution of this Division for any damage, loss, death or injury sustained because of anything done or omitted to be done in good faith under this Division during a state of emergency.

Part 3 State rescue management

Division 1 State Rescue Board

42 State Rescue Board

- (1) There is established by this Act a State Rescue Board of New South Wales.
- (2) The Board has the functions conferred or imposed on it by or under this or any other Act.

43 Composition of Board

- (1) The State Rescue Board is to consist of not less than 8 members, being—
 - (a) the State Emergency Operations Controller,
 - (b) the Commissioner of the State Emergency Service,
 - (c) a member of the NSW Police Force Senior Executive Service nominated by the Commissioner of Police,
 - (d) the Commissioner of Fire and Rescue NSW,
 - (e) the Commissioner of the NSW Rural Fire Service,
 - (f) the chief executive of the Ambulance Service of NSW,
 - (g) the Commissioner of the New South Wales Volunteer Rescue Association Inc,
 - (g1) the Commissioner of Volunteer Marine Rescue NSW,
 - (h) the heads of any other volunteer rescue agencies approved for the time being by the Minister.

- (2) One of the members of the Board is to be appointed as the Chairperson of the Board by the Minister.

44 Provisions relating to members and procedure of Board

Schedule 3 has effect.

45 Board subject to Ministerial control

The State Rescue Board is, in the exercise of its functions, subject to the control and direction of the Minister.

46 (Repealed)

Division 2 Functions of State Rescue Board

47 Principal function of Board

The principal function of the State Rescue Board is to ensure the maintenance of efficient and effective rescue services throughout the State.

48 Particular duties of Board

- (1) The State Rescue Board is required to—
- (a) develop policies to promote the provision of comprehensive, balanced and co-ordinated rescue services throughout the State, and
 - (b) make recommendations to the Minister on policy matters relating to the provision of rescue services within the State, and
 - (c) review planning for single incident rescues within the State, and
 - (d) (Repealed)
 - (e) review and disseminate to relevant agencies technical information relating to rescue operations, and
 - (f) ensure proper liaison and co-ordination with Federal and other State organisations in connection with rescue services, and
 - (g) provide advice and recommendations on the compatibility of rescue equipment, including communications equipment, and
 - (h) make recommendations to the Minister about the accreditation of rescue units for participation in rescue operations, regardless of whether the rescue units are permanent, volunteer or a combination of permanent and volunteer, and
 - (i) make recommendations to the Minister on levels of Government support (including financial assistance under section 60) to volunteer organisations providing rescue

services, and

- (j) assist in the conduct of training exercises in rescue operations involving the various agencies concerned, and
- (k) (Repealed)
- (l) monitor the training standards of the permanent and volunteer services in rescue, and
- (m) review proposals for amendment of legislation relating to rescue and make recommendations to the Minister, and
- (n) make reports or recommendations to the Minister on any matter referred to the Board by the Minister.

(2) (Repealed)

48A Regional and local rescue committees

- (1) Rescue committees are to be established for each region and for each local government area.
- (2) The rescue committee for a region is to be chaired by the Regional Emergency Operations Controller for the region and is to comprise senior representatives of emergency services organisations operating in the region nominated by those organisations.
- (3) The rescue committee for a local government area is to be chaired by the Local Emergency Operations Controller for the area and is to comprise senior representatives of emergency services organisations operating in the area nominated by those organisations.
- (4) Rescue committees are to assist the State Rescue Board in the exercise of its functions within the region or local government area concerned. In particular, a rescue committee is to assist the State Rescue Board in determining whether the accreditation of a rescue unit to operate in the region or area should be recommended to the Minister.
- (5) Rescue committees are subject to the control and direction of the State Rescue Board.
- (6) The State Rescue Board may approve of a single rescue committee for 2 or more local government areas. In that case, a reference in this section—
 - (a) to a local government area is a reference to the combined local government areas concerned, and
 - (b) to the Local Emergency Operations Controller for the area is a reference to the

principal Controller designated in the approval.

49 Board's decisions to be implemented by rescue agencies

- (1) The agency which manages or controls any accredited rescue unit is required to implement (in accordance with law) the decisions of the State Rescue Board under this Part in connection with rescue operations carried out by that rescue unit.
- (1A) For subsection (1), if the accredited rescue unit is comprised of persons from one or more emergency services organisations or other agencies, each of the agencies is required to implement, in accordance with law, the decisions of the State Rescue Board under this Part in connection with rescue operations carried out by the rescue unit.
- (2) Except as provided by subsection (1), nothing in this Part affects the exercise by such an agency of its functions or the exercise of the management functions of the chief executive of the agency.

49A Annual report by Board

- (1) As soon as practicable after 30 June, but on or before 31 December, in each year, the State Rescue Board is to prepare and forward to the Minister a report on its work and activities for the 12 months ending on 30 June in that year.
- (2) The Minister is to lay any such report or cause it to be laid before both Houses of Parliament as soon as practicable after receiving the report.

Division 3 Co-ordination of rescue operations etc

50 Police to co-ordinate rescue operation

- (1) The NSW Police Force is responsible for co-ordinating rescue operations and for determining the priorities of action to be taken in rescue operations.
- (2) (Repealed)
- (3) This section does not apply to a rescue operation if the control of the rescue operation is vested by law in another agency, such as—
 - (a) a rescue operation in which the person or property is endangered by fire and at which a member of a Fire Brigade is in charge, or
 - (b) a rescue operation which results from an emergency and which is subject to the control of another agency in accordance with Part 2.
- (4) This section applies despite anything to the contrary in any other Act.

51 Emergency services organisations to notify police of rescue incidents

- (1) An emergency services organisation other than the NSW Police Force must, immediately after the organisation becomes aware of an incident that requires or is likely to require the rescue of any person, notify a member of the NSW Police Force of all relevant information concerning the incident.
- (2) This section does not apply—
 - (a) if the organisation is aware that the incident has already been notified to a member of the NSW Police Force, or
 - (b) to Surf Life Saving New South Wales in relation to an incident that only requires, or is likely to only require, surf life-saving.

Division 4 Accreditation of rescue units

52 Definitions

- (1) In this Division—

rescue unit means a unit (comprising a group of persons) which carries out rescue operations for the protection of the public or a section of the public.

rescue vehicle means a vehicle that is designed, adapted or equipped for use in rescue work and—

- (a) is clearly marked with the word “Rescue”, or
 - (b) is fitted with warning devices, such as flashing lights or a siren,
or both.
- (2) An organisation, such as the Royal Society for the Prevention of Cruelty to Animals, New South Wales or the Wildlife Information and Rescue Service, that specialises in animal welfare or animal rescue operations or both does not constitute a rescue unit for the purposes of this Division.

53 Offence to operate rescue unit or rescue vehicle without accreditation

- (1) A person who establishes, manages or controls a rescue unit which is not accredited under this Division is guilty of an offence.

Maximum penalty—50 penalty units.

- (1A) It is an offence for a person who is not a member of a rescue unit accredited under this Division to display, drive or operate a rescue vehicle.

Maximum penalty—50 penalty units.

- (1B) It is a defence to any proceeding under subsection (1A) if the person who contravened the subsection had a reasonable excuse or lawful authority for displaying, driving or operating the rescue vehicle.
- (2) A rescue unit is required to be accredited even though—
- (a) it is a unit of the NSW Police Force, Fire and Rescue NSW, the Ambulance Service of NSW, the State Emergency Service, the NSW Rural Fire Service or any other government agency, or
 - (b) it is a unit of a volunteer agency, or
 - (b1) it is a unit comprised of persons from one or more emergency services organisations or other agencies, or
 - (c) it carries out, in addition to operations for the rescue of persons, other operations such as the rescue of animals or the recovery of property.
- (3) A rescue unit is not required to be accredited—
- (a) if it is a unit only engaged in surf life-saving, or
 - (b) (Repealed)
 - (c) if it is a unit (including a unit of the New South Wales Mines Rescue Brigade) which only carries out rescues at mines under the *Coal Industry Act 2001*, or
 - (d) in any other circumstances prescribed by the regulations.

54 Accreditation of rescue units by Minister

- (1) Application may be made to the Minister for the accreditation of a rescue unit.
- (2) An application for accreditation is required to be lodged with the State Rescue Board.
- (3) The State Rescue Board is to report to the Minister on the need for the rescue unit concerned, the standard of equipment and training and the effect of accreditation of the unit on the control and co-ordination of rescue services.
- (4) The Minister may accept or refuse an application for accreditation.
- (5) The Minister is to have regard to any recommendation made by the State Rescue Board on an application for accreditation, but is not bound by the recommendation.

55 Limitation on accreditation

- (1) The accreditation of a rescue unit may be limited by the Minister to the carrying out of rescue operations in a particular area or of a particular kind, or otherwise.
- (2) An accredited rescue unit which carries out rescue operations in contravention of any

such limitation is to be taken to be not accredited for the purposes of this Division.

56 Duration of accreditation

- (1) The Minister may accredit a rescue unit for a specified period or indefinitely.
- (2) The Minister may at any time cancel the accreditation of a rescue unit.

57 Register of personnel of rescue units

- (1) The agency which manages or controls an accredited rescue unit is required to maintain a register of the personnel who comprise the unit.
- (2) That agency is to provide a copy of the register to the State Rescue Board as soon as practicable after the accreditation of the rescue unit and then every 6 months or, if the State Rescue Board specifies different periods, at the periods specified.
- (3) To avoid doubt, if the accredited rescue unit is comprised of persons from one or more emergency services organisations or other agencies, the agency that manages or controls the unit must include the personnel from other agencies in the register under subsection (1).

Division 5 General provisions

58 Arrangements for inter-State co-operation in rescue

- (1) The State Rescue Board may make arrangements with any agency which manages or controls inter-State rescue units—
 - (a) for those rescue units to carry out rescue operations in New South Wales, or
 - (b) for accredited rescue units under this Division to carry out rescue operations outside New South Wales.
- (2) An inter-State rescue unit which carries out a rescue operation in New South Wales in accordance with any such arrangement is not required to be accredited under Division 4, but is to be regarded as an accredited rescue unit for the purposes of this Division.
- (3) In this section—

inter-State rescue unit means a rescue unit established and operating in another State or in a Territory of the Commonwealth.

59 Liability for actions of members of rescue units and volunteers

- (1) Anything done or omitted to be done by an accredited rescue unit or by a person as a member of an accredited rescue unit or authorised volunteer does not, if done or omitted in good faith in connection with a rescue operation or otherwise in response to an emergency, subject the accredited rescue unit, the person or any other person

to any action, liability, claim or demand.

(2) Anything done or omitted to be done by a casual volunteer does not, if done or omitted in good faith in connection with a rescue operation or otherwise in response to an emergency, subject the volunteer personally to any action, liability, claim or demand.

(3) In this section—

accredited rescue unit includes—

- (a) a rescue unit (within the meaning of Division 4) engaged in surf life-saving, and
- (b) any organisation or agency (other than a government agency) that manages or controls an accredited rescue unit, whether on its own or jointly with another organisation or agency.

authorised volunteer means a person who assists an accredited rescue unit in carrying out a rescue operation with the consent of the person in charge of the rescue operation.

casual volunteer means a person who assists, on his or her own initiative, in a rescue operation or otherwise in response to an emergency in circumstances in which the assistance was reasonably given.

60 (Repealed)

Part 3A Employment protection for volunteer emergency workers

60A Interpretation

(1) In this Part—

emergency operations are operations carried out by an emergency services organisation in response to an emergency.

(2) The circumstances in which a person is considered to be the **employer** of another person (and that other person is considered to be the **employee**) for the purposes of this Part include the following—

(a) the person is the employer of the other person for the purposes of the *Industrial Relations Act 1996*, including by reason of Schedule 1 (Persons deemed to be employees) to that Act,

(a1) the person engages the other person to carry out regular work under one or more contracts for services and the value of that work represents a substantial proportion of the regular work carried out by the other person,

(b) the person is the bailor under a contract of bailment within the meaning of

Chapter 6 of the *Industrial Relations Act 1996* and the other person is the bailee engaged under that contract,

- (c) the person is the holder of a licence under the *Passenger Transport Act 1990* and the other person (being engaged in transporting passengers in a private hire vehicle pursuant to that licence) is a person to whom Chapter 6 of the *Industrial Relations Act 1996* applies,
- (d) the person is a principal contractor under a contract of carriage within the meaning of Chapter 6 of the *Industrial Relations Act 1996* and the other person is a contract carrier engaged under that contract.

60AA Emergency operations to which this Part applies

This Part applies to the following emergency operations—

- (a) emergency operations carried out in a part of the State in which a state of emergency exists until—
 - (i) the end of that state of emergency, or
 - (ii) the Premier, by order published in the Gazette or on the NSW legislation website, declares that this Part no longer applies,
- (b) emergency operations to which this Part applies because of an order in force under section 60D.

60B Employees taking part in emergency operations protected from victimisation

An employer must not victimise an employee of the employer for being absent if the absence was due to the employee taking part, as a member of an emergency services organisation, in emergency operations to which this Part applies.

Maximum penalty—30 penalty units.

60C What constitutes victimisation of employees

An employer victimises an employee if the employer—

- (a) dismisses the employee from employment with the employer or terminates the engagement of the employee by the employer, or
- (b) alters the employee's position in his or her employment with the employer, or alters the circumstances of the employee's engagement by the employer, to the employee's prejudice, or
- (c) otherwise injures the employee in his or her employment with, or engagement by, the employer.

60D Order of Premier, Minister or authorised officer applying Part to emergency

operations

- (1) The Premier, Minister or an authorised officer may, by order published in the Gazette or on the NSW legislation website, direct that emergency operations carried out in connection with an emergency specified in the order are operations to which this Part applies.
- (2) In determining whether an order under this section is needed, the Premier, Minister or authorised officer is to have regard to the possible duration of the emergency.
- (3) An order may apply to all emergency operations carried out in connection with the emergency or may be limited in its operation by reference to any one or more of the following—
 - (a) particular operations or a class of operations,
 - (b) a particular emergency services organisation or organisations taking part in those operations,
 - (c) a particular area in which those operations are being carried out.
- (4) An order made by the Premier remains in force for the period specified in the order unless revoked earlier. If no period is specified, the order remains in force until revoked. Revocation is to be by a further order of the Premier published in the Gazette or on the NSW legislation website.
- (4AA) An order made by the Minister remains in force for the period, not more than 14 days, specified in the order unless revoked earlier.
- (4AB) Revocation of an order made by the Minister is by either of the following published in the Gazette or on the NSW legislation website—
 - (a) a further order of the Minister under this section,
 - (b) an order of the Premier under this section.
- (4A) An order made by an authorised officer remains in force for the period, not exceeding 48 hours, specified in the order (unless revoked earlier). Revocation is to be by a further order of the authorised officer or the Premier published in the Gazette or on the NSW legislation website.
- (5) An order may be made under this section whether or not a state of emergency has been declared under section 33.
- (6) In this section—

authorised officer means any of the following—

 - (a) the Commissioner or a Deputy Commissioner of the NSW Rural Fire Service or the

State Emergency Service,

- (b) the State Emergency Operations Controller or Deputy State Emergency Operations Controller referred to in section 18.

60E Onus of proof on employer in certain circumstances

In proceedings for an offence under this Part, if all the facts necessary to prove the offence (other than the reason for the defendant's action) are proved, the defendant has the onus of proving that the defendant was not motivated by the reason alleged.

60F Orders ancillary to conviction

- (1) A court that convicts an employer of an offence under this Part may (with the concurrence of the victimised person concerned) make an order in terms of any one or more of the following—
- (a) directing the employer to pay the victimised person a specified sum by way of reimbursement for any salary, wages or other remuneration lost by the person because of the victimisation,
 - (b) directing the employer to reinstate the victimised person to the employment of the employer in the position the person held immediately before any dismissal or any alteration to his or her employment or in a similar position,
 - (c) declaring void, in whole or in part, a contract pursuant to which the victimised person is engaged by the employer,
 - (d) varying, in whole or in part, any provision of a contract pursuant to which the victimised person is engaged by the employer,
 - (e) directing payment to the victimised person, within a specified time, by the employer, of an amount that does not exceed the amount that the person would otherwise have received under the contract pursuant to which the victimised person was engaged by the employer,
 - (f) directing payment to the victimised person, within a specified time, by the employer, of other damages in such sum as appears to the court appropriate to compensate the victimised person for other loss suffered by the person,
 - (g) directing the employer to take such other measures as the court considers necessary in order to place the victimised person in the position in which the person would have been but for the victimisation.
- (2) An order in the terms of subsection (1) (a), (e) or (f) operates as an order against the employer for the payment of money under the [Civil Procedure Act 2005](#) and is enforceable as such an order under that Act.

- (3) An employer must give effect to an order in terms of subsection (1) (b) or (g).

Maximum penalty—30 penalty units.

- (4) The amount of salary, wages or other remuneration that would have been payable to a person in respect of any period during which his or her employer fails to give effect to an order in terms of subsection (1) (b) is recoverable, as a debt due to the person by the employer, in any court of competent jurisdiction.

60G What constitutes “taking part in” emergency operations

- (1) A person is considered to be taking part in emergency operations only when the person is effectively devoting his or her time to those operations by making himself or herself available for those operations (even if not actively engaged in those operations at the time) in accordance with arrangements made with an emergency services organisation.
- (2) For example, travel to or from the place where emergency operations are being carried out, being on standby at or near that place and rest during those operations (in accordance with arrangements made with an emergency services organisation) constitute taking part in those operations.

60H Certificate evidence that employee took part in emergency operations

- (1) The chief executive officer of an emergency services organisation may issue a certificate to the effect that a particular person was a member of the organisation during a particular emergency and took part in particular emergency operations carried out by the organisation in respect of that emergency in accordance with arrangements made with that organisation.
- (2) Such a certificate is in any proceedings evidence of the matters certified.
- (3) The chief executive officer of an emergency services organisation may delegate his or her functions under this section (except this power of delegation) to any officer of the organisation.

60I Part does not affect other remedies available to employee

This Part does not affect any right or remedy that an employee or former employee may have under any other Act.

60J No contracting out

This Part applies regardless of the terms of any agreement whether entered into before or after the commencement of this Part.

60K Industrial dispute does not prevent operation of Part

Section 7 (Limitation on operation of Act—industrial disputes and civil disturbances) does

not limit or otherwise affect the operation of this Part merely because the victimisation of an employee involves or gives rise to an industrial dispute.

Part 4 Miscellaneous

60KA Definitions

In this Part—

- (e) the shutting off or disconnecting of the supply of gas or electricity to any premises in the danger area or any part of the danger area,

- (f) the taking possession of, and removal or destruction of any material or thing in the danger area or any part of the danger area that may be dangerous to life or property or that may interfere with the response of emergency services to the emergency,
 - (g) the protection or isolation of any material or thing in the danger area by preventing a person from removing or otherwise interfering with the material or thing.
- (2) The cost of taking action under subsection (1) (c) is to be borne by the owner of the wall or premises and is to be paid to, and may be recovered in a court of competent jurisdiction by, the Commissioner of Police.
- (3) For the purposes of the exercise of a function under subsection (1) (d), the directing officer or a police officer may require the person who controls or supplies the substance concerned to immediately send some competent person to the scene for the purpose of shutting it off or disconnecting it in accordance with the reasonable directions of the officer.
- (4) A person must comply with a requirement, or directions, under subsection (3).
Maximum penalty—50 penalty units.
- (5) A person who supplies a substance referred to in subsection (1) (d) or (e) is not liable for any damages because of any interruption of that supply under this section if the supply is shut off or disconnected in accordance with the directions of the directing officer or police officer.
- (6) The regulations may limit the circumstances, and regulate the manner, in which the powers conferred by this section may be exercised.

61A Power to enter premises

A person may enter any premises for the purposes of complying with a direction under section 61 (1).

61AA Use of assistants

A police officer exercising a function under section 61 may do so with the aid of, and be accompanied by, such assistants as the police officer considers necessary.

61B Notice of entry

- (1) A person authorised to enter premises may enter the premises without giving notice—
- (a) if entry to the premises is made with the consent of the owner or occupier, or
 - (b) if the entry is made to a part of the premises that is open to the public, or

(c) if entry is required urgently and the case is one in which the directing officer giving the direction has authorised in writing (either generally or in a particular case) entry without notice.

(2) In any other case, the person must give the owner or occupier of the premises reasonable written notice of the intention to enter the premises.

61C Care to be taken

In the exercise of a function under section 61, a person authorised to enter premises must do as little damage as possible.

61D Use of force by police officers

- (1) Reasonable force may be used by a police officer for the purpose of gaining entry to premises to comply with a direction under section 61 but only if the directing officer—
 - (a) has authorised in writing the use of force in the particular case, or
 - (b) has specified in writing the circumstances that are required to exist before force may be used and the particular case falls within those circumstances.
- (2) If a police officer authorised to enter premises uses force to do so, the police officer must, as soon as practicable, inform the directing officer who directed him or her to exercise the function under section 61.
- (3) The directing officer so informed must give notice of the use of force to the Commissioner of Police.
- (4) If a person's property is damaged by the exercise of a right of entry the person is to receive such compensation as may be determined by the Minister for Police, but is not entitled to receive compensation.
- (5) A person may apply to the Premier for a review of a determination as to compensation made by the Minister for Police under this section.

61E Authority to enter premises

- (1) A power conferred to enter premises, or to take action on premises, may not be exercised unless the person proposing to exercise the power is in possession of an authority and produces the authority if required to do so by the owner or occupier of the premises.
- (2) The authority must be a written authority that—
 - (a) states that it is issued under this Act, and
 - (b) gives the name of the person to whom it is issued, and

- (c) describes the nature of the powers conferred and the source of the powers, and
- (d) states the date (if any) on which it expires, and
- (e) describes the kind of premises to which the power extends, and
- (f) bears the signature of the directing officer or the police officer who issued the direction under section 61.

(3) However, a police officer exercising a power to enter premises, or to take action on premises, must produce his or her warrant card if required to do so by the owner or occupier of the premises in lieu of an authority (unless the police officer is in uniform).

62 Personal liability

(1) A matter or thing done by—

- (a) an emergency or rescue management organisation, or
- (b) a member of any such organisation or of the staff of any such organisation (in the person's capacity as such a member), or
