- (3) The insurer must provide both the employer and the injured worker with information with respect to the injury management plan.

statement to the effect that the worker may have no entitlement to weekly payments of compensation if the worker fails unreasonably to comply with the requirements of this Chapter after being requested to do so by the insurer.

- (5) The insurer must keep the employer of a worker who has received a significant injury informed of significant steps taken or proposed to be taken under the injury management plan for the worker. This subsection does not apply when the insurer is a self-insurer.
- (6) An insurer must as far as possible ensure that vocational retraining provided or arranged for an injured worker under an injury management plan is such as may reasonably be thought likely to lead to a real prospect of employment or an appropriate increase in earnings for the injured worker.
- (7) An insurer must give effect to an injury management plan established for an injured worker and for that purpose must comply with the obligations imposed on the insurer by or under the plan.

- (5) A person approved as an injury management consultant under this section is, in any legal proceedings, competent but not compellable to give evidence or produce documents in respect of any matter in which he or she was involved in the course of the exercise of his or her functions as an approved injury management consultant.
- (6) An injury management consultant who is aggrieved by a decision of the Authority to revoke the consultant's approval may apply to the Civil and Administrative Tribunal for an administrative review under the [Administrative Decisions Review Act 1997](#) of the decision.

(3) The worker must, when requested to do so by the insurer, nominate as the worker's treating doctor for the purposes of an injury management plan for the worker a medical practitioner who is prepared to participate in the development of, and in the arrangements under, the plan.

(4) A medical practice can be nominated as treating doctor for the purposes of subsection (3). Such a nomination operates as a nomination of the members of the practice who treat the worker from time to time and a reference in this Chapter to the nominated treating doctor is a reference to those members of the practice.

(5) The worker must authorise the worker's nominated treating doctor to provide relevant information to the insurer or the employer for the purposes of an injury management plan for the worker.

(6) An injury management plan must provide for the procedure for changing the worker's nominated treating doctor.

48 Return to work obligations of worker

(1) A worker who has current work capacity must, in co-operation with the employer or insurer, make reasonable efforts to return to work in suitable employment or pre-injury employment at the worker's place of employment or at another place of employment.

(2) For the purposes of this section, a worker is to be treated as making a reasonable effort to return to work in suitable employment or pre-injury employment during any reasonable period in which—

(a) the worker is waiting for the commencement of a workplace rehabilitation service that is required to be provided under an injury management plan for the worker, or

(b) the worker is waiting for a response to a request for suitable employment or pre-injury employment made by the worker and received by the employer, or

(c) if the employer's response is that suitable employment or pre-injury employment will be provided at some time, the worker is waiting for suitable employment or

pre-injury employment to commence.

48A Failure to comply with return to work obligations of worker

- (1) If a worker does not comply with an obligation of the worker imposed under section 48, the insurer may in accordance with this section—
 - (a) suspend the payment of compensation in the form of weekly payments to the worker, or
 - (b) terminate the payment of compensation in the form of weekly payments to the worker, or
 - (c) cease and determine the entitlement of the worker to compensation in the form of weekly payments in respect of the injury under this Act.
- (2) If the insurer seeks to suspend payments of compensation under subsection (1) (a), the insurer must give written notice to the worker stating—
 - (a) the reason for the giving of the notice, and
 - (b) that unless the worker complies with the obligation under section 48 specified in the notice, weekly payments to the worker will be suspended from the date specified in the notice which must be a date at least 14 days after notice is given but no more than 60 days after notice is given, and
 - (c) the consequences of failing to comply as specified in the notice.
- (3) If the worker fails to comply with a written notice under subsection (2), the insurer may suspend the payment of weekly payments to the worker for a period of 28 days after the date specified in the notice referred to in subsection (2) (b).
- (4) If the worker complies with the obligation specified in the notice under subsection (2) during the period that weekly payments are suspended under subsection (3), the insurer must, subject to and in accordance with this Act, resume the payment of weekly payments with effect from the date on which the worker complied with the obligation.
- (5) If subsection (4) applies, the worker forfeits any compensation in the form of weekly payments that would otherwise have been made during the period of suspension until the worker complied with the obligation and that period is included in determining the first or second entitlement period under Division 2 of Part 3 of the 1987 Act.
- (6) If the worker does not comply with the obligation specified in the notice under subsection (2) for the entire period that weekly payments are suspended under subsection (3), the insurer may terminate the payment of compensation in the form of weekly payments to the worker in respect of the injury by written notice stating the reasons for giving the notice.

(7) If the worker—

- (a) does not comply with the obligation specified in the notice under subsection (2) for the entire period that weekly payments are suspended under subsection (3), and
- (b) has within the last 12 months prior to the giving of the notice referred to in paragraph (a)—
 - (i) been issued 2 notices under subsection (2) without a subsequent suspension of weekly payments, or
 - (ii) had compensation in the form of weekly payments suspended once under subsection (3),

the insurer may cease and determine the entitlement to compensation in the form of weekly payments in respect of the injury to the worker under this Act by written notice stating the reasons for giving the notice.

49 Employer must provide suitable work

(1) If a worker who has been totally or partially incapacitated for work as a result of an injury is able to return to work (whether on a full-time or part-time basis and whether or not to his or her previous employment), the employer liable to pay compensation to the worker under this Act in respect of the injury must at the request of the worker provide suitable employment for the worker.

Maximum penalty—50 penalty units.

(2) The employment that the employer must provide is employment that is both suitable employment (as defined in section 32A of the 1987 Act) and (subject to that qualification) so far as reasonably practicable the same as, or equivalent to, the employment in which the worker was at the time of the injury.

(3) This section does not apply if—

- (a) it is not reasonably practicable to provide employment in accordance with this section, or
- (b) the worker voluntarily left the employment of that employer after the injury happened (whether before or after the commencement of the incapacity for work), or
- (c) the employer terminated the worker's employment after the injury happened, other than for the reason that the worker was not fit for employment as a result of the injury.

Note—

See also Part 7 Chapter 2 of the *Industrial Relations Act 1996* for provisions for protection of employment of injured workers.

50 Payment of cost of treatment of injured worker

- (1) An injury management plan may provide for the insurer to pay the following costs—
 - (a) the cost of any treatment for the workplace injury provided to the worker by the nominated treating doctor if the nominated treating doctor is prepared to participate in the arrangements under the plan,
 - (b) the cost of other specified treatment provided to the worker for the workplace injury (specified by reference to such factors as the kind of treatment, the identity of the health care professional who provides the treatment, and the circumstances in which the treatment is provided).
- (2) For the purposes of any such payment, it does not matter that the worker has not made a claim for compensation, the insurer has not accepted liability in respect of the injury or the insurer disputes liability in respect of the injury.
- (3) If the insurer pays any such costs and another insurer or another employer accepts liability to pay compensation to the worker in respect of the injury concerned, the insurer is entitled to recover those costs (to the extent that compensation is payable under this Act in respect of those costs) as a debt from that other insurer or other employer. Any amount so recoverable is taken to be payable by the other insurer or other employer as compensation to the injured worker.

51 (Repealed)

52 Workplace rehabilitation (cf 1987 s 152)

- (1) An employer must establish a return-to-work program with respect to policies and procedures for the rehabilitation (and, if necessary, vocational re-education) of any injured workers of the employer. An employer's return-to-work program must not be inconsistent with the injury management program of the employer's insurer and is of no effect to the extent of any such inconsistency.
- (2) A return-to-work program is to be established in accordance with the regulations and must, subject to the regulations—
 - (a) comply with any guidelines determined by the Authority, and
 - (b) be developed by the employer in consultation with the workers concerned and any industrial union of employees representing those workers, and
 - (c) be in writing, and
 - (d) be displayed at places of work, or notified to workers by publishing it on a website or by any other method authorised by the regulations.

- (3) The Authority may, in determining guidelines for the purposes of this section, consult with such persons and bodies as the Authority considers to be appropriate.
- (4) The regulations—

 - (b) may exempt specified classes of employers from this section, and
 - (c) may provide for the approval of providers of rehabilitation services for the purposes of return-to-work programs and may require employers to use the services of approved providers in connection with the program, and
 - (d) may create offences with respect to any failure to comply with this section or with a return-to-work program, and
 - (e) may make other provisions that are necessary or convenient for the purposes of giving effect to this section.
- (5) A group of 2 or more employers may establish a single return-to-work program under this section for each member of the group if the employers are authorised to do so by the regulations.

53 Vocational re-education etc provided by Authority (cf 1987 s 153)

- (1) The Authority may institute, administer or co-ordinate vocational re-education and rehabilitation schemes for injured workers.
- (2) The Authority may draw from the Workers Compensation Operational Fund such amounts as may be necessary or desirable for the purposes of the vocational re-education and rehabilitation of injured workers.
- (3) Without limiting the generality of subsection (2), the Authority may draw from the Workers Compensation Operational Fund such amounts as the Authority considers appropriate—
 - (a) to provide financial incentives to employers who offer employment to injured workers unable to find suitable employment and who provide (or assist in the provision of) vocational re-education and rehabilitation for those workers, or
 - (b) to provide financial incentives to employers who retain or re-employ their injured workers and who provide (or assist in the provision of) vocational re-education and rehabilitation for those workers, or
 - (c) to provide financial assistance to employers or others who offer injured workers work-trial experience or other voluntary work as part of the workers' rehabilitation training (being assistance in connection with the cost of any necessary insurance

arrangements relating to the workers or for other incidental expenses).

- (4) The Authority may establish within the Workers Compensation Operational Fund an account, to be known as the Vocational Re-education and Rehabilitation Account, for the purpose of keeping a separate record of the money in that Fund set aside by the Authority for the purposes of this section and the money paid from that Fund under this section.

54 Second-injury scheme (cf 1987 s 153A)

- (1) The Authority is to institute and administer under section 53 a scheme (to be called **the second-injury scheme**) to encourage the employment of injured workers by providing financial incentives to their employers in connection with insurance liabilities arising from further injuries to the workers.
- (2) The second-injury scheme applies to such injured workers as are approved by the Authority as being suitable for inclusion in the scheme.
- (3) Any such approval—
 - (a) applies to such employment of the injured worker as is specified in the approval (including employment that is limited to, or excludes, employment with particular employers), and
 - (b) applies for a period of 6 months of any such employment or such other period as is specified in the approval, and
 - (c) applies to all injuries or only to particular injuries, or injuries of a class, specified in the approval, and
 - (d) is subject to any other conditions imposed by the Authority.
- (4) If the second-injury scheme applies to an injured worker—
 - (a) the employer of the worker is not required under section 160 (Recovery of excess from employer) of the 1987 Act to repay the relevant part of any weekly compensation claim paid under a policy of insurance for compensation for an injury to the worker to which the scheme applies, and
 - (b) any such claim (or any liability of the employer independently of this Act for that injury) is to be excluded from the claims experience of the employer for the purposes of calculating the premium payable by the employer for a policy of insurance.
- (5) Subsection (4) is subject to—
 - (a) the regulations, and
 - (b) the terms and conditions of the Authority's approval for the inclusion of the

injured worker in the second-injury scheme, and

(c) any other limitation imposed by the Authority when giving that approval.

(6) The regulations may make provision for or with respect to the operation of the second-injury scheme.

55 Compliance by insurers

(1) It is a condition of an insurer's licence that the insurer must comply with the requirements of this Chapter.

(3) Before the Authority takes action under this section, the Authority must give the insurer concerned an opportunity to make submissions to the Authority regarding the proposed action. The Authority is to consider any submissions so made.

(4) If the Authority then decides to take the proposed action or other action authorised by this section, the Authority is to give the insurer written notice of the action. Any action taken by the Authority under this section takes effect when notice of it is given to the insurer or on such later date as the notice may provide.

(5) The Authority may, at any time, terminate or reduce a period of suspension of an insurer's licence.

(6) A pecuniary penalty imposed on an insurer under this section may be recovered by the Authority in a court of competent jurisdiction as a debt due to the Crown.

- (2) The regulations may make provision for or with respect to the payment by an employer who fails to comply with a requirement of this Chapter of an amount by way of a premium surcharge.
- (3) The amount of any such premium surcharge payable under the regulations need not be referable to any increase in costs attributable to or associated with the employer's failure to comply.
- (4) The amount of a premium surcharge payable under the regulations is to be added to, and becomes payable as part of, the premium payable by the employer for the issue or renewal of a policy of insurance as provided by the regulations.
- (5) It is a condition of any policy of insurance issued under the 1987 Act that the employer must comply with the requirements of this Chapter, but only if the insurer has taken appropriate steps to ensure that the employer is made aware of those obligations.

(ii) that the injury has been reported by or on behalf of the employer to an inspector of mines or factories, shops and industries, or

(iii) that the injury has been treated in a first aid room at the mine, quarry, factory, workshop, office or shop, or

(e) that the injury has been reported by the employer to the Nominal Insurer in accordance with this Act.

62 Provisions relating to giving of notice of injury (cf former s 89)

(1) A notice of injury must state—

(a) the name and address of the person injured, and

(b) the cause of the injury (in ordinary language), and

(c) the date on which the injury happened.

(2) A notice of injury may be given orally or in writing.

(3) If there is more than one employer, a notice of injury may be given to any one of those employers.

(4) A notice of injury is taken to have been given to an employer—

(a) if it is given to any person designated for the purpose by the employer, or

(b) if it is given to any person under whose supervision the worker is employed.

(5) A written notice of injury may be served by delivering it, or by sending it by post to, the residence or any place of business of the person on whom it is to be served.

(6) If the regulations so require (and notwithstanding anything to the contrary in this section), a notice of injury must be given in the manner, and contain the particulars, prescribed by the regulations.

63 Register of injuries (cf former s 90)

(1) There is to be kept at every mine, quarry, factory, workshop, office or shop in some readily accessible place a register of injuries.

(2) A worker employed at any such mine, quarry, factory, workshop, office or shop, or any person acting on the worker's behalf, may enter in the register of injuries particulars of any injury received by the worker.

(3) The regulations may prescribe the form of a register of injuries and the particulars to

be entered in the register.

- (4) If particulars of an injury are duly entered in a register of injuries as soon as possible after an injury happened, the entry is sufficient notice of the injury for the purposes of this Act.
- (5) If subsection (1) is contravened, the manager of the mine or quarry, or the occupier of the factory, workshop, office or shop, is guilty of an offence and liable to a penalty not exceeding 50 penalty units.

64 Notice of incapacity, medical etc treatment and damage to property (cf former s 91)

- (1) Sections 61–63 apply with respect to—
 - (a) the giving of notice of incapacity resulting from injury that happens after the worker leaves the employment in which the worker was at the time of the injury, and
 - (b) the giving of notice of any medical or related treatment, hospital treatment, workplace rehabilitation service or ambulance service to which Division 3 of Part 3 of the 1987 Act applies, and
 - (c) the giving of notice of any damage to property to which Division 5 of Part 3 of the 1987 Act applies,in the same way as those sections apply to notice of injury.
- (2) The particulars required to be given in any such notice are (subject to the regulations) reasonable particulars of the incapacity, of the treatment or service or of the damage to property.

65 Making a claim for compensation (cf former s 92)

- (1) A claim for compensation must be—
 - (a) in writing, and
 - (b) in such form or contain such information as may be prescribed by the regulations or approved by the Authority, and
 - (c) in the case of a claim for weekly payments of compensation—accompanied by a medical certificate that is in or to the effect of the approved form, or that is in any other form and contains information that is reasonably sufficient in the circumstances to assist in the determination of the claim, and
 - (d) accompanied by such additional medical certificates or other documents as may be prescribed by the regulations, and
 - (e) made in the manner prescribed by section 66.

- (2) A claim for compensation need not be accompanied by a medical certificate or other document under this section if the medical certificate or document relates to information that is substantially available to the person on whom the claim is made from other appropriate documentation given or served by or on behalf of the claimant.
- (3) To the extent that information has been furnished or material provided in the course of the making of a claim for compensation, it is not necessary to furnish that information or provide that material when making any further claim for compensation in respect of the same injury.
- (4) The medical certificate required to accompany a claim for weekly payments of compensation must (unless the claim is a claim under section 10, 11 or 12 of the 1987 Act) include a statement of the medical practitioner's opinion (however expressed) concerning the likelihood of the worker's employment being a substantial contributing factor to the injury or whether the worker's condition is consistent with his or her employment being such a factor.
- (5) If a claim is deficient because subsection (4) has not been complied with and the insurer or self-insurer concerned notifies the worker in writing of the deficiency (including details of what is required to comply with that subsection) as soon as possible after receiving the deficient claim then (unless the insurer or self-insurer waives that requirement)—
 - (a) the claim is not considered to have been duly made for the purposes of section 93 until subsection (4) is complied with, and
 - (b) court proceedings cannot be commenced in respect of the claim until subsection (4) is complied with.
- (6) All claims for compensation under sections 66 and 67 of the 1987 Act in respect of an injury must, as far as practicable, be made at the same time. A legal practitioner or agent who acts for a worker when such a claim is made is not entitled to recover any costs from the worker or the employer in relation to any such claim made later (including such a claim made by later amendment of court proceedings) unless there is a good reason for the claim being made later.
- (7) Compensation may not be recovered under this Act unless a claim for the compensation has been made within 6 months after the injury or accident happened or, in the case of death, within 6 months of the date of death.
- (8) If a claim for compensation was made by an injured worker within the period required by subsection (7), that subsection does not apply to a claim for compensation in respect of the death of the worker resulting from the injury to which the worker's claim related.
- (9) For the purposes of subsection (7), a person is considered to have made a claim for

compensation when the person makes any claim for compensation under this Act in respect of the injury or death concerned, even if the person's claim did not relate to the particular compensation in question.

- (10) If there is no entitlement to compensation under section 66 of the 1987 Act for a loss of hearing because of section 69A of the 1987 Act (No compensation for less than 6% hearing loss) notice of injury given in accordance with section 62 suffices (for the purposes of this section) as a claim for the compensation concerned.
- (11) If a claim for compensation and any medical certificate or other document required to accompany the claim are not given or served at the same time, the claim for compensation is taken not to have been made until the day on which the last of those documents is given or served. In that case, all of those documents are taken to have accompanied the claim.
- (12) The failure to make a claim in accordance with subsection (1) is not a bar to the recovery of compensation if it is found that the failure was occasioned by ignorance, mistake or other reasonable cause.
- (13) The failure to make a claim within the period required by subsection (7) is not a bar to the recovery of compensation if it is found that the failure was occasioned by ignorance, mistake, absence from the State or other reasonable cause, and either—
 - (a) the claim is made within 3 years after the injury or accident happened or, in the case of death, within 3 years after the date of death, or
 - (b) the claim is not made within that 3 years but the claim is in respect of an injury resulting in the death or serious and permanent disablement of a worker.
- (14) The failure to make a claim within the period required by subsection (7) is not a bar to the recovery of compensation if the insurer or self-insurer concerned determines to accept the claim outside that period. An insurer or self-insurer cannot determine to accept a claim made more than 3 years after the injury or accident happened or after the date of death (as appropriate) except with the approval of the Authority.
- (15) If an injured worker first becomes aware that he or she has received an injury after the injury was received, the injury is for the purposes of subsections (7) and (13) taken to have been received when the worker first became so aware. If death results from an injury and a person who is entitled to claim compensation under this Act in respect of the death first becomes aware after the death that the death resulted or is likely to have resulted from the injury, the date of death is, for the purposes of the application of subsections (7) and (13) to a claim by that person, taken to be the date that the person became so aware.
- (16) In a case where 2 or more persons are liable or partly liable in respect of compensation (whether or not that liability arises from the same or from different

injuries) a claim for the compensation is for the purposes of this section taken to have been made when a claim is made on any one of those persons.

- (17) When particulars of any injury received by a worker are entered in a register of injuries kept by the employer under this Act, the making of that entry suffices for the purposes of subsections (7) and (13) as the making of a claim for compensation in respect of the injury.
- (18) In this section, **approved form**, in relation to a medical certificate, means a form in or to the effect of—
- (a) a form approved by the Authority for the purposes of this section or any form previously approved by the Authority for the purposes of this section, or
 - (b) any form previously prescribed by the regulations for the purposes of this section.
- (19) The regulations may provide that, despite subsection (18), the approved form of a medical certificate must be in or to the effect of a particular form only in the case of any specified class of claims for compensation.
- (20) The claim form prescribed by the regulations or approved by the Authority for the purposes of this section can include a form of authority to be signed by the claimant and authorising a provider of medical or related treatment, hospital treatment or workplace rehabilitation service to the claimant in connection with the injury to which the claim relates to give the insurer or self-insurer concerned or a conciliator information regarding the treatment or service provided or the worker's medical condition or treatment relevant to the claim.

66 Manner of making claim for compensation (cf former 92A)

- (1) The manner of making a claim for compensation is by serving the claim on the employer from whom the compensation is claimed.
- (2) A claim for compensation may be made by serving the claim on an insurer who has indemnified the employer in respect of the claim if—
- (a) the person making the claim has reason to believe that the employer may not forward the claim to the insurer in accordance with section 69 (1) (a), or
 - (b) the employer has refused to receive the claim, or
 - (c) the person making the claim cannot identify or find the employer, or
 - (d) the employer (being a natural person) is dead, or
 - (e) the employer (being a corporation) has been wound up.
- (2A) Once a claim for compensation (the **initial claim**) in respect of injury or death has been duly made by a person in accordance with subsection (1) or (2), any further

claim by the person for compensation in respect of the injury or death may be made by serving it on either the employer from whom compensation is claimed or the insurer who has indemnified the employer.

(2B) In subsection (2A), **further claim** includes—

- (a) any claim by the person for compensation of a different kind from that claimed in respect of the injury or death by the initial claim, or
- (b) any claim that is supplementary to or associated with the initial claim.

(2C) An insurer must notify the employer concerned when a further claim is made by serving it on the insurer if the claim—

- (a) is for compensation under Division 4 (Compensation for non-economic loss) of Part 3 of the 1987 Act, or
- (b) is a claim of a kind that is prescribed by the regulations for the purposes of this section.

(2D) The regulations may provide that in a specified class or classes of case a further claim must, despite subsection (2A), be served on the employer from whom the compensation is claimed.

(3) For the purposes of this section, a claim for compensation is served on a person if—

- (a) it is given personally to the person, or
- (b) it is delivered or sent by post to the residence or any place of business of the person, or
- (c) it is served in any other manner authorised by sections 109X and 601CX of the [Corporations Act 2001](#) of the Commonwealth.

67, 68 (Repealed)

- (b) who receives a request from that insurer for further specified information in respect of the claim or documentation—must, within 7 days after receipt of the request, furnish that insurer with such of the specified information as is in the employer's possession or reasonably obtainable by the employer, or

- (c) who has received compensation money under this Act from an insurer—must, as soon as practicable, pay the money to the person entitled to the compensation.

Maximum penalty—50 penalty units.

- (2) A person is not guilty of an offence for a failure to comply with any provision of subsection (1) if there was a reasonable excuse for that failure.

notice of discontinuation or reduction means a notice required by this Division of an insurer's decision to discontinue payment to a worker of weekly payments of compensation, or to reduce the amount of the compensation.

original decision means a work capacity decision that is the subject of an internal review or of a dispute referred for determination by the Commission.

review decision means—

- (a) in relation to an original decision that is the subject of an internal review—a work capacity decision made by an insurer as a result of the review, or
- (b) in relation to an original decision that is the subject of a dispute referred for determination by the Commission—a decision of the Commission determining the dispute.

77 Requirement for refund of weekly payments not affected

This Division does not affect the operation of section 58 (Refund of weekly payments paid after return to work etc) of the 1987 Act.

Subdivision 2 General notice requirements

78 Insurer to give notice of decisions

- (1) An insurer must give notice in accordance with this Division of any decision of the insurer—
 - (a) to dispute liability in respect of a claim or any aspect of a claim, or
 - (b) to discontinue payment to a worker of weekly payments of compensation, or reduce the amount of the compensation.
- (2) Notice of a decision of an insurer involving both a liability dispute and a discontinuation or reduction of weekly compensation may be combined into a single notice (subject to any provision of the Workers Compensation Guidelines requiring separate notices to be given).
- (3) The requirement to give notice of a decision to discontinue payment to a worker of weekly payments of compensation does not affect any limitation on weekly payments of compensation under Division 2 of Part 3 of the 1987 Act.

79 How notice of decision is given

- (1) A notice required by this Division must be given—
 - (a) to the claimant or worker concerned, and
 - (b) in the case of a notice of a decision to dispute liability—to the worker's employer, if required by the regulations.
- (2) The notice must contain a concise and readily understandable statement of the reason for the insurer's decision and of the issues relevant to the decision.
- (3) In addition, notice of a decision to dispute liability for a claim for compensation must identify any provision of the workers compensation legislation on which the insurer relies to dispute liability.
- (4) The regulations may make provision for—
 - (a) the manner in which a notice under this Division is to be given, and
 - (b) the form of and other information to be included in or to accompany the notice.

Subdivision 3 Notice period for discontinuation and reduction of

weekly compensation

80 Required period of notice

- (1) An insurer must not discontinue payment to a worker of weekly payments of compensation, or reduce the amount of the compensation, unless the required period of notice (commencing when the notice of discontinuation or reduction is given in accordance with this Division) has expired.
- (2) This section applies to a worker only if the worker has received weekly payments for a continuous period of at least 12 weeks.
- (3) The **required period of notice** for a decision made on the basis of any reassessment by the insurer of the entitlement to weekly payments of compensation resulting from a work capacity decision of the insurer is 3 months.

Note—

See sections 81–83 for the effect of an internal review or determination of a dispute by the Commission on the required period of notice.

- (4) In any other case, the **required period of notice** is—
 - (a) for a worker who has been receiving weekly payments of compensation for a continuous period of less than 1 year—2 weeks, or
 - (b) for a worker who has been receiving weekly payments of compensation for a continuous period of 1 year or more—6 weeks.
- (5) The required period of notice of the discontinuation or reduction is required to be given in accordance with this Subdivision whether or not the notice also includes notice of a liability dispute.
- (6) Subsection (1) does not apply to a decision of an insurer to discontinue or reduce the amount of weekly payments of compensation as a result only of the application of different rates of compensation after the expiration of earlier periods of incapacity for which higher rates were payable. However, notice of the decision must be given before the expiration of the period of incapacity that results in the discontinuation or reduction.

81 Effect of stay of decision on notice period

A stay of a decision to discontinue, or reduce an amount of, compensation that is the subject of a dispute referred to the Commission for determination does not operate to extend the required period of notice with respect to the discontinuation or reduction.

82 Effect of review decision on notice period

- (1) In the application of this Subdivision to a discontinuation, or reduction of the amount, of payments of compensation as a result of a review decision (whether or not the

review decision is less favourable to the worker than the original decision)—

- (a) no regard is to be had to any period of notice given to the worker in respect of any discontinuation or reduction before the date on which the worker is notified of the review decision, and
- (b) the required period of notice starts on that date.

- (2) This section does not apply to a discontinuation or reduction as a result of a review decision that affirms an original decision with respect to the discontinuation or reduction.

Note—

See section 83 for the effect of the affirmation of an original decision on the required period of notice.

83 Effect of affirmation of work capacity decision or withdrawal, discontinuance or dismissal of dispute proceedings

The required period of notice with respect to a discontinuation or reduction of compensation is not affected by—

- (a) a review decision made by an insurer or by the Commission that affirms the original decision of the insurer with respect to the discontinuation or reduction, or
- (b) the withdrawal of a request for internal review of the original decision with respect to the discontinuation or reduction, or
- (c) the withdrawal of the referral to the Commission for determination of a dispute about a work capacity decision, or the discontinuance or dismissal of proceedings before the Commission in relation to the dispute.

84 Recovery of weekly payments by worker where notice not given by insurer

- (1) If an insurer discontinues payment to a worker of weekly payments of compensation, or reduces the amount of the compensation, in contravention of this Subdivision, the worker may recover from the insurer an amount of compensation in accordance with this section.
- (2) This section applies whether or not the insurer has been prosecuted for an offence under this Division involving the contravention.
- (3) The amount of compensation that may be recovered as a result of a failure to give the required period of notice is—
 - (a) if no period of notice has been given—an amount that is equal to the amount of compensation, or additional compensation, that would have been payable during the required period of notice if payment of the compensation had not been discontinued or if the amount of compensation had not been reduced, or

- (b) if less than the required period of notice has been given—an amount that is equal to the amount of compensation that would have been payable during the balance of the required period of notice if payment of the compensation had not been discontinued or if the amount of the compensation had not been reduced.

Subdivision 4 Offences

85 Failure to comply with notice requirement

An insurer who fails to comply with a requirement of this Division is guilty of an offence.

Maximum penalty—50 penalty units.

Division 4 Special provisions with respect to weekly payments of compensation

91A Division applies only to existing claims

This Division applies only in respect of existing claims.

Note—

Chapter 7 (New claims procedures) provides for weekly payments in the case of new claims.

92 Definitions (cf former s 101)

- (1) In this Division—

weekly payment, in relation to compensation, includes a payment of compensation under section 25 (1) (b) of the 1987 Act with respect to a dependent child of a deceased worker.

- (2) In this Division, a reference to a person on whom a claim for a weekly payment of compensation is made includes a reference to an insurer on whom the claim has been served under section 66 (3) or to whom the claim has been forwarded under section 69.

- (3) In this Division, a reference to a dispute as to liability to make or continue to make weekly payments includes a reference to a dispute as to whether a worker is or should be treated as totally incapacitated for work or as to any other matter which affects the amount of the weekly payments.

93 Claims for weekly compensation—commencement of payments (cf former s 102A)

- (1) Weekly payments of compensation are to commence as soon as practicable (but not later than 21 days) after the claim for compensation is duly made.
- (2) If the person on whom a claim is made disputes liability to make the weekly payments within 21 days after the claim for compensation is duly made, the obligation under this section to commence the weekly payments (or the balance of the weekly

payments in dispute) does not apply.

Note—

If liability is disputed the worker can refer the dispute to conciliation. See section 101.

- (3) If a person has a reasonable excuse for failing to commence weekly payments of compensation (or the balance of weekly payments in dispute) within 21 days after the claim for compensation is duly made, subsections (1) and (2) apply to the weekly payments as if a reference in those subsections to 21 days were a reference to the period that ends—
 - (a) 42 days after the claim for compensation is duly made, or
 - (b) when the person ceases to have that reasonable excuse,whichever is earlier.
- (4) An employer has such a reasonable excuse if—
 - (a) the employer has duly forwarded the claim for compensation to an insurer who the employer believes is liable to indemnify the employer in respect of the claim, and
 - (b) the employer has complied with all reasonable requests of the insurer with respect to the claim.
- (5) A person who has or anticipates having such a reasonable excuse must notify the claimant in writing as soon as practicable.
- (6) This section ceases to apply if the claim for compensation is withdrawn.

94 Offences—commencement of weekly payments (cf former s 103)

- (1) A person on whom a claim for weekly payments of compensation is made is guilty of an offence if the person fails to commence those payments within the time required by section 93.
- (2) A person on whom a claim for weekly payments of compensation is made is guilty of an offence if the person refers a matter which the person knows is not a genuine dispute for the purpose of delaying, without good cause, the commencement of weekly payments of compensation.

Maximum penalty—50 penalty units.

95 Direction by conciliator—commencement or continuation of weekly payments (cf former s 104)

- (1) This section applies if a dispute relating to—
 - (a) a claim for weekly payments of compensation, or

(b) the continuation of weekly payments of compensation,

has been referred for conciliation under Division 3, but a conciliator is unable to bring the parties to agreement by conciliation.

(2) If the conciliator is satisfied that there is no genuine dispute with respect to the liability to make or continue to make weekly payments, the conciliator may direct—

(a) the person on whom the claim for weekly payments was made, or

(b) the person who was making the weekly payments,

to pay or continue to pay compensation in accordance with the direction.

(3) There is considered to be no genuine dispute with respect to a liability if there is no sufficient basis or no reasonable basis for dispute (but this does not limit the circumstances in which there can be considered to be no genuine dispute).

(4) If the conciliator is satisfied that there is a genuine dispute with respect to the liability to make or continue to make weekly payments, the conciliator must notify the person who made the claim for weekly payments, or who was receiving weekly payments, of that fact and that an application may be made to the Compensation Court to determine the matter.

(5) A direction of the conciliator may be given subject to such conditions as are specified in the direction.

96 Maximum period of weekly payments of compensation under direction of conciliator (cf former s 105)

(1) A direction (or further direction) of a conciliator under this Division may require a person to pay or continue to pay weekly payments for such period (not exceeding 12 weeks) as is specified in the direction.

(2) Nothing in this section prevents a conciliator from giving a further direction (or further directions) for payment of compensation after the expiry of an earlier direction (except where the earlier direction is revoked by the Compensation Court).

(3) A conciliator may direct payment of weekly payments during a period that is before the direction is given, but that period must not exceed 10 weeks.

97 Revocation of directions of conciliator (cf former s 106)

(1) A direction given by a conciliator under this Division may be revoked by the conciliator or by any other conciliator.

(2) The Compensation Court may, on the application of a person who is liable to make weekly payments in accordance with a direction of a conciliator under this Division, revoke the direction.

- (3) The applicant must serve a copy of the application on the Principal Conciliator within 7 days (or such other period as the rules of the Compensation Court may specify) after the application is made. The Compensation Court must not hear or determine the application until a copy of the application has been served on the Principal Conciliator.
- (4) If a direction is revoked, the obligation to make weekly payments under the direction ceases.
- (5) If the Compensation Court subsequently determines that a person is not liable under this Act to make the weekly payments of compensation that have been paid in accordance with a direction of a conciliator, the following provisions apply—
 - (a) the worker or other person who received those payments is not required to refund those payments unless the Court otherwise orders under paragraph (b),
 - (b) if the Court is satisfied that the claim for compensation was wholly or partly fraudulent or made without proper justification, it may order the worker or other person concerned to refund the whole or a specified part of those payments,
 - (c) the Court may order that the Insurance Fund bear the liability for the refund of the whole or a specified part of those payments (unless it makes an order under paragraph (b) for a refund),
 - (d) the Court may (instead of making an order for a refund) order any other person whom it determines was liable for the whole or any part of those payments to reimburse the person who made those payments,
 - (e) those payments are to be excluded from any determination of the claims experience of the employer for the purposes of calculating the premium payable by the employer for a policy of insurance.
- (6) This section does not affect the recovery of weekly payments under section 58 of the 1987 Act.

98 Offence—failure to comply with directions (cf former s 106A)

A person who fails to comply with a direction of a conciliator under this Division is guilty of an offence.

Maximum penalty—50 penalty units.

99 Payment under direction etc not admission of liability (cf former s 106B)

- (1) The fact that a person—
 - (a) pays or continues to pay compensation in accordance with a direction of a conciliator under this Division, or
 - (b) does not apply for a revocation of any such direction,

is not an admission of liability by the person.

- (2) The grant or refusal by the Compensation Court of an application for revocation of a direction is not a finding as to liability in respect of the matter in dispute.

100 Direction under section 95 not to be challenged on technicality (cf former s 106C)

- (1) An agent is not entitled to recover from a person any fees, costs or other charges that would otherwise be payable by the person in connection with services made use of by the person if the services were made use of as a result of prohibited conduct engaged in by the agent, regardless of whether the agent has been proceeded against or convicted for an offence in respect of that prohibited conduct.
- (2) If prohibited conduct engaged in by an agent involved encouraging a person to make use of services and the person makes use of those services after the conduct is engaged in, it is to be presumed for the purposes of this section that the services were made use of as a result of that prohibited conduct, unless the agent concerned establishes otherwise.
- (3) If the services of an agent were made use of as a result of prohibited conduct engaged in by the agent in connection with a hearing loss claim, it is to be presumed for the purposes of this section that any services of the agent made use of in connection with a subsequent hearing loss claim in respect of further loss of hearing made by the same worker (whether or not made against the same employer) were made use of as a result of prohibited conduct engaged in by the agent, unless the agent concerned establishes otherwise.

- (3) If prohibited conduct engaged in by an agent involved encouraging a person to make a claim and the person makes a claim after the conduct is engaged in, it is to be presumed for the purposes of subsection (2) that the claim was made as a result of that prohibited conduct unless the lawyer establishes otherwise.
- (4) If a hearing loss claim was made as a result of prohibited conduct engaged in by an agent, it is to be presumed for the purposes of subsection (2) that any subsequent hearing loss claim in respect of further loss of hearing made by the same worker (whether or not made against the same employer) in connection with which that agent performed any service was made as a result of prohibited conduct engaged in by that agent, unless the lawyer concerned establishes otherwise.
- (5) A person who has paid any amount in respect of disbursements to a lawyer that the lawyer would not have been entitled to recover because of subsection (2) is entitled to recover the amount from the lawyer as a debt in a court of competent jurisdiction.

is payable for the period from when the certificate is requested until it is provided (despite any order or award of a court or Commission for the payment of that interest).

- (4) A lawyer or agent can provide an employer or insurer with a certificate under this section even if the employer or insurer has not requested it.
- (5) A lawyer or agent who gives a certificate under this section about a claim made by a person is guilty of an offence if the lawyer or agent knew or had reasonable cause to suspect that an agent had engaged in prohibited conduct that involved encouraging the person to make the claim.

Maximum penalty—50 penalty units.

Chapter 7 New claims procedures

Part 1 Preliminary

250 Interpretation

(1) In this Chapter—

damages has the same meaning as in Part 5 (Common law remedies) of the 1987 Act.

existing claim means a claim for compensation that is made before the commencement of this section or a related claim that is made or entitled to be made (whether before or after the commencement of this section).

Note—

Part 18C of Schedule 6 to the 1987 Act provides for the transfer of existing claims, so that the claims transferred will be treated as new claims.

existing claim matter means any matter arising under the Workers Compensation Acts in respect of an existing claim.

insurer means a licensed insurer, specialised insurer or self-insurer, or a former licensed insurer.

new claim means any claim (made or entitled to be made) that is not an existing claim.

new claim matter means any matter arising under the Workers Compensation Acts in respect of a new claim.

related claims are claims or further claims for compensation in respect of the same injury, whether or not the claims are in respect of the same kind of compensation.

work injury damages means damages recoverable from a worker's employer in respect of—

- (a) an injury to the worker caused by the negligence or other tort of the employer, or
- (b) the death of the worker resulting from or caused by an injury caused by the negligence or other tort of the employer,

whether the damages are recoverable in an action for tort or breach of contract or in any other action, but does not include motor accident damages.

Note—

However, **work injury damages** generally extends to damages recoverable from a worker's employer in the case of an injury to a coal miner where the injury is caused by an off-road motor accident and there is no motor accident insurer on risk (see section 3D of the [Motor Accidents Act 1988](#), section 3B of the [Motor Accidents Compensation Act 1999](#) and section 1.10 of the [Motor Accident Injuries Act 2017](#)).

(2) In the definition of **work injury damages** in subsection (1), a reference to a worker's employer includes a reference to—

- (a) a person who is vicariously liable for the acts of the employer, and
 - (b) a person for whose acts the employer is vicariously liable.
- (3) A claim served on an insurer in accordance with the Workers Compensation Guidelines or forwarded to an insurer by the employer is taken to have been made on the insurer (and to have been so made when it was made on the employer).

251 Application of Chapter

Except as otherwise specifically provided in this Chapter, this Chapter applies to and in respect of new claim matters only.

Note—

Part 18C of Schedule 6 to the 1987 Act provides for the transfer of existing claims, so that the claims transferred will be treated as new claims.

Part 2 Giving notice of injury and making a claim

Division 1 Notice of injury

252 Application of Division

This Division applies only in respect of injuries received after the commencement of this section.

253 Interpretation

Words and expressions used in this Part have the same meaning as in Part 5 (Common law remedies) of the 1987 Act.

254 Notice of injury must be given to employer

- (1) Neither compensation nor work injury damages are recoverable by an injured worker unless notice of the injury is given to the employer as soon as possible after the injury happened and before the worker has voluntarily left the employment in which the worker was at the time of the injury.
- (2) The failure to give notice of injury as required by this section (or any defect or inaccuracy in a notice of injury) is not a bar to the recovery of compensation or work injury damages if in proceedings to recover the compensation or damages it is found that there are special circumstances as provided by this section.
- (3) Each of the following constitutes special circumstances—
 - (a) the person against whom the proceedings are taken has not been prejudiced in respect of the proceedings by the failure to give notice of injury or by the defect or inaccuracy in the notice,
 - (b) the failure to give notice of injury, or the defect or inaccuracy in the notice, was

occasioned by ignorance, mistake, absence from the State or other reasonable cause,

- (c) the person against whom the proceedings are taken had knowledge of the injury from any source at or about the time when the injury happened,
 - (d) the injury has been reported by the employer to the Nominal Insurer in accordance with this Act,
 - (e) the employer has contravened section 231,
 - (f) the injury has been treated in a first aid room at the place of work,
 - (g) if the employer is the owner of a mine—the injury has been reported by or on behalf of the employer to an inspector of mines or an inspector under the *Work Health and Safety Act 2011*.
- (4) In addition, if the employer is the owner of a mine or quarry, or the occupier of a factory, workshop, office or shop, each of the following constitutes special circumstances—
- (a) the summary referred to in section 231 has not been posted up in accordance with that section or the employer has otherwise contravened that section,
 - (b) the injury has been reported by or on behalf of the employer to an inspector of mines or an inspector under the *Work Health and Safety Act 2011*,
 - (c) the injury has been treated in a first aid room at the mine, quarry, factory, workshop, office or shop.

255 How notice of injury is given

- (1) A notice of injury must state—
 - (a) the name and address of the person injured, and
 - (b) the cause of the injury (in ordinary language), and
 - (c) the date on which the injury happened.
- (2) A notice of injury may be given orally or in writing.
- (3) If there is more than one employer, a notice of injury may be given to any one of those employers.
- (4) A notice of injury is taken to have been given to an employer—
 - (a) if it is given to any person designated for the purpose by the employer, or
 - (b) if it is given to any person under whose supervision the worker is employed.

- (5) A written notice of injury may be served by delivering it to, or by sending it by post to, the residence or any place of business of the person on whom it is to be served.
- (6) If the regulations so require (and despite anything to the contrary in this section), a notice of injury must be given in the manner, and contain the particulars, prescribed by the regulations.

256 Register of injuries

- (1) A register of injuries must be kept in some readily accessible place at every mine, quarry, construction site, factory, workshop, office or shop.
- (2) A worker employed at any such mine, quarry, construction site, factory, workshop, office or shop, or any person acting on the worker's behalf, may enter in the register of injuries particulars of any injury received by the worker.
- (3) The regulations may prescribe the form of a register of injuries and the particulars to be entered in the register.
- (4) If particulars of an injury are duly entered in a register of injuries as soon as possible after an injury happened, the entry is sufficient notice of the injury for the purposes of this Act.
- (5) If subsection (1) is contravened, the manager of the mine or quarry, or the occupier of the construction site, factory, workshop, office or shop, is guilty of an offence.

Maximum penalty—50 penalty units.

257 Notice of incapacity, medical etc treatment and damage to property

- (1) The provisions of this Part apply with respect to—
 - (a) the giving of notice of incapacity resulting from injury that happens after the worker leaves the employment in which the worker was at the time of the injury, and
 - (b) the giving of notice of any medical or related treatment, hospital treatment, workplace rehabilitation service or ambulance service to which Division 3 of Part 3 of the 1987 Act applies, and
 - (c) the giving of notice of any damage to property to which Division 5 of Part 3 of the 1987 Act applies,in the same way as those provisions apply to notice of injury.
- (2) The particulars required to be given in any such notice are (subject to the regulations) reasonable particulars of the incapacity, of the treatment or service or of the damage to property.

258 Offence

A person must not make a statement in a notice given by the person under this Division knowing that the statement is false or misleading in a material particular.

Maximum penalty—100 penalty units or imprisonment for 2 years, or both.

Division 2 Making a claim for compensation or damages

259 Application of Division

- (1) This Division applies to the making of a claim after the commencement of this section (even if the injury concerned was received before the commencement of this section).
- (2) However, this Division does not apply to the making of a claim for work injury damages if court proceedings to recover the work injury damages concerned were commenced before the commencement of this section.

260 How a claim is made

- (1) A claim must be made in accordance with the applicable requirements of the Workers Compensation Guidelines.
- (2) The Workers Compensation Guidelines may make provision for or with respect to the following matters in connection with the making of a claim—
 - (a) the form in which a claim is to be made,
 - (b) the manner in which a claim is to be made,
 - (c) the means by which a claim may be made,
 - (d) the information that a claim is to contain,
 - (e) requiring specified documents and other material to accompany or form part of a claim,
 - (f) such other matters as may be prescribed by the regulations.
- (3) Without limiting this section, the Workers Compensation Guidelines can require that a claim be accompanied by a form of authority signed by the claimant and authorising a provider of medical or related treatment, hospital treatment or workplace rehabilitation services to the claimant in connection with the injury to which the claim relates to give the insurer concerned information regarding the treatment or service provided or the worker's medical condition or treatment relevant to the claim.
- (4) The Workers Compensation Guidelines can also provide for any of the following matters in connection with the making of a claim—
 - (a) waiving the requirement for the making of a claim in specified cases (such as

cases in which notice of injury has been given or provisional weekly payments of compensation have commenced),

- (b) providing for the time at which a claim is taken to have been made in any case in which the requirement for the making of a claim has been waived,
- (c) providing for the time when a claim is taken to have been made in a case in which requirements of the Guidelines with respect to the making of the claim have been complied with at different times.

- (5) The failure to make a claim as required by this section is not a bar to the recovery of compensation or work injury damages if it is found that the failure was occasioned by ignorance, mistake or other reasonable cause or because of a minor defect in form or style.
- (6) Except to the extent that the Workers Compensation Guidelines otherwise provide, an insurer can waive a requirement of those Guidelines with respect to the making of a claim on the insurer.
- (7) The Workers Compensation Guidelines can require an insurer to notify a worker of any failure by the worker to comply with a requirement of those Guidelines with respect to the making of a claim, and can provide for the waiver of any such failure by the worker if the insurer fails to give the required notification.

261 Time within which claim for compensation must be made

- (1) Compensation cannot be recovered unless a claim for the compensation has been made within 6 months after the injury or accident happened or, in the case of death, within 6 months after the date of death.
- (2) If a claim for compensation was made by an injured worker within the period required by this section, this section does not apply to a claim for compensation in respect of the death of the worker resulting from the injury to which the worker's claim related.
- (3) For the purposes of this section, a person is considered to have made a claim for compensation when the person makes any claim for compensation in respect of the injury or death concerned, even if the person's claim did not relate to the particular compensation in question.
- (4) The failure to make a claim within the period required by this section is not a bar to the recovery of compensation if it is found that the failure was occasioned by ignorance, mistake, absence from the State or other reasonable cause, and either—
 - (a) the claim is made within 3 years after the injury or accident happened or, in the case of death, within 3 years after the date of death, or
 - (b) the claim is not made within that 3 years but the claim is in respect of an injury

resulting in the death or serious and permanent disablement of a worker.

- (5) The failure to make a claim within the period required by this section is not a bar to the recovery of compensation if the insurer concerned determines to accept the claim outside that period. An insurer cannot determine to accept a claim made more than 3 years after the injury or accident happened or after the date of death (as appropriate) except with the approval of the Authority.
- (6) If an injured worker first becomes aware that he or she has received an injury after the injury was received, the injury is for the purposes of this section taken to have been received when the worker first became so aware.
- (7) If death results from an injury and a person who is entitled to claim compensation in respect of the death first becomes aware after the death that the death resulted or is likely to have resulted from the injury, the date of death is, for the purposes of the application of this section to a claim by that person, taken to be the date that the person became so aware.
- (8) In a case where 2 or more persons are liable or partly liable in respect of compensation (whether or not that liability arises from the same or from different injuries), a claim is for the purposes of this section taken to have been made when a claim is made on any one of those persons.
- (9) When particulars of any injury received by a worker are entered in a register of injuries kept by the employer under this Act, the making of that entry suffices for the purposes of this section as the making of a claim for compensation in respect of the injury.

262 Time within which claim for work injury damages must be made

Court proceedings for the recovery of work injury damages cannot be commenced until a claim for the damages has been made.

263 Lump sum compensation claims to be made at same time

- (1) All claims for permanent impairment compensation in respect of an injury must, as far as practicable, be made at the same time.
- (2) A legal practitioner or agent who acts for a worker when such a claim is made is not entitled to recover any costs from the worker or the employer in relation to any such claim made later (including such a claim made by later amendment of proceedings) unless there is a good reason for the claim being made later.

264 Action by employer in respect of claims, injuries and compensation

- (1) An employer (not being a self-insurer) who receives a claim or any other documentation in respect of a claim must, within 7 days after receiving the claim or

documentation, forward it to the employer's insurer.

Maximum penalty—50 penalty units.

- (2) An employer who receives a request from the employer's insurer for specified information in respect of a claim or notified injury, or documentation in respect of a claim or notified injury, must, within 7 days after receipt of the request, furnish the insurer with such of the specified information or documentation as is in the employer's possession or reasonably obtainable by the employer.

Maximum penalty—50 penalty units.

- (3) An employer who has received compensation money under this Act from an insurer must, as soon as practicable, pay the money to the person entitled to the compensation.

Maximum penalty—50 penalty units.

- (4) A person is not guilty of an offence for a failure to comply with a provision of this section if there was a reasonable excuse for that failure.

- (5) In this section—

employer's insurer means the insurer who the employer believes is liable to indemnify the employer in respect of the claim or injury concerned.

notified injury means an injury to a worker notified to an insurer.

Part 3 Dealing with claims

Division 1 Special provisions for commencement of weekly payments after initial notification of injury

265 Application of Division

This Division applies in respect of the initial notification of an injury after the commencement of this section (even if the injury concerned was received before the commencement of this section).

266 Meaning of initial notification of injury

In this Part, **initial notification** to an insurer of an injury to a worker means the first notification of the injury that is given to the insurer, in the manner and form required by the Workers Compensation Guidelines, by the worker or the employer or by some other person (for example, a medical practitioner) acting for or on behalf of the worker or the employer.

267 Duty to commence weekly payments following initial notification of injury

- (1) Provisional weekly payments of compensation by an insurer are to commence within 7 days after initial notification to the insurer of an injury to a worker, unless the insurer has a reasonable excuse for not commencing those weekly payments.
- (2) A person does not have a reasonable excuse for not commencing those weekly payments unless the person has an excuse that the Workers Compensation Guidelines provide is a reasonable excuse.
- (3) The payment of provisional weekly payments of compensation under this section is on the basis of the provisional acceptance of liability by the insurer for a period of up to 12 weeks determined by the insurer having regard to the nature of the injury and the period of incapacity.
- (4) The acceptance of liability on a provisional basis does not constitute an admission of liability by the employer or insurer under this Act or independently of this Act.
- (5) An insurer who fails to commence weekly payments of compensation as required by this section is guilty of an offence.

Maximum penalty—50 penalty units.

268 Insurer must notify worker of reasonable excuse for not commencing weekly payments

If an insurer does not commence weekly payments of compensation because the insurer has a reasonable excuse for not doing so, the insurer must within 7 days after receiving the initial notification of injury give the worker notice in writing that the insurer has a reasonable excuse for not commencing weekly payments of compensation and include in that notice—

- (a) details of that reasonable excuse, and
- (b) a statement that the worker is entitled to make a claim for compensation and that the claim will be determined within 21 days, and
- (c) details of how that claim can be made.

Maximum penalty—50 penalty units.

269 Notice to be given of commencement of weekly payments

As soon as practicable after an insurer commences weekly payments of compensation under this Division, the insurer must give the worker a notice in writing notifying the worker that—

- (a) weekly payments of compensation to the worker have commenced on the basis of provisional acceptance of liability by the insurer, and

- (b) the payment of weekly payments of compensation to the worker will continue for a period (up to a maximum of 12 weeks) determined by the insurer having regard to the nature of the injury and the period of incapacity, and
- (c) the insurer will develop an injury management plan for the worker (if required to do so by Chapter 3), and
- (d) the worker is entitled to make a claim for compensation (and include details of how that claim can be made).

270 Obligations of worker to provide authorisations and medical evidence

- (1) An insurer who commences weekly payments of compensation under this Division may require the worker to provide the insurer with—
 - (a) a medical certificate certifying as to the worker's incapacity for work, and
 - (b) a form of authority signed by the worker authorising a provider of medical or related treatment, hospital treatment or workplace rehabilitation services to the worker in connection with the injury to give the insurer information regarding the treatment or service provided or the worker's medical condition or treatment relevant to the injury.
- (2) The insurer may discontinue weekly payments of compensation under this Division if the worker fails to comply with a requirement under this section within 7 days after it is communicated to the worker by the insurer.

Note—

This section does not limit the obligations of a worker under section 44B (Evidence as to work capacity) of the 1987 Act.

271 Liability to make weekly payments not affected by making of claim

- (1) An obligation of an insurer to make weekly payments of compensation pursuant to the provisional acceptance of liability under this Division ceases if the insurer disputes liability to make those payments.

Note—

Section 78 requires notice of a dispute to be given.

- (2) Otherwise, a liability to make weekly payments of compensation pursuant to the acceptance of liability on a provisional basis under this Division is not affected by the making of a claim for compensation.

272 Recovery by insurer

- (1) If an insurer pays any compensation under this Division and another insurer or another employer accepts liability to pay compensation to the worker in respect of the

injury concerned, the insurer is entitled to recover the compensation so paid as a debt from that other insurer or other employer.

- (2) Any amount so recoverable is taken to have been payable by the other insurer or other employer as compensation to the injured worker.

273 Provision for recovery of excess for provisional payments

Section 160 (Recovery of excess from employer) of the 1987 Act applies to and in respect of the payment of provisional weekly payments of compensation under this Division as if the payment were payable under a weekly compensation claim as referred to in that section.

Division 2 Claims for weekly payments

274 Liability to be accepted and weekly payments commenced within 21 days

- (1) Within 21 days after a claim for weekly payments is made the person on whom the claim is made must determine the claim by—
 - (a) accepting liability and commencing weekly payments, or
 - (b) disputing liability.

Note—

Section 283 makes failure to comply with this section an offence. Section 78 requires notice of a dispute to be given.

- (2) An insurer can accept liability for weekly payments on a provisional basis for a period of up to 12 weeks determined by the insurer having regard to the nature of the injury and the period of incapacity.
- (3) The acceptance of liability on a provisional basis operates to extend the period within which the claim must be determined until the end of the period for which liability has been accepted on a provisional basis.

Note—

This allows the insurer more time to determine liability while providing for the commencement of weekly payments on the basis of the provisional acceptance of liability.

- (4) Liability cannot be accepted on a provisional basis under this section if the insurer is already making weekly payments on the basis of the provisional acceptance of liability under Division 1 when the claim for weekly payments is made.
- (5) The acceptance of liability on a provisional basis does not constitute an admission of liability by the employer or insurer under this Act or independently of this Act.
- (6) An employer is not required to determine a claim as provided by this section if—

- (a) the employer has duly forwarded the claim to an insurer who the employer believes is liable to indemnify the employer in respect of the claim, and
- (b) the employer has complied with all reasonable requests of the insurer with respect to the claim.

Note—

A claim forwarded to the insurer is taken to have been made on the insurer.

275 Duty to commence provisional weekly payments if claim is first notification of injury

- (1) If the claim for weekly payments is the first notification that an insurer has received of the injury to the worker, section 267 (Duty to commence weekly payments following initial notification of injury) applies to require the commencement of provisional weekly payments of compensation within 7 days after the claim is made.
- (2) The provisional acceptance of liability pursuant to the commencement of provisional weekly payments of compensation under that section operates to extend the period within which the claim must be determined for the purposes of this Division until the end of the period for which liability has been provisionally accepted.

Note—

This allows the insurer more time to determine liability while providing for the commencement of weekly payments on the basis of the provisional acceptance of liability.

276 Continuation of provisional payments started before claim made

- (1) If an insurer is already making provisional weekly payments when the claim for weekly payments is made (on the basis of the provisional acceptance of liability before the claim was made), the period within which liability for weekly payments must be determined is extended to the end of the period for which liability has been provisionally accepted.
- (2) If the period for which liability has been provisionally accepted ends before the end of the period within which liability for weekly payments must be determined, the insurer may continue to make weekly payments on the basis of the provisional acceptance of liability until the end of that period.

277 Provision for recovery of excess for provisional payments

Section 160 (Recovery of excess from employer) of the 1987 Act applies to and in respect of the payment of provisional weekly payments of compensation under this Division as if the payment were payable under a weekly compensation claim as referred to in that section.

278 Early acceptance of liability not prevented

This Division does not prevent the acceptance of liability and the commencement of weekly payments before the end of the provisional liability period.

Division 3 Claims for medical expenses

279 Liability to be accepted within 21 days

- (1) Within 21 days after a claim for medical expenses compensation is made the person on whom the claim is made must determine the claim by accepting or disputing liability.

Note—

Section 283 makes failure to comply with this section an offence. Section 78 requires notice of a dispute to be given.

- (2) An employer is not required to determine a claim as provided by this section if—
 - (a) the employer has duly forwarded the claim to an insurer who the employer believes is liable to indemnify the employer in respect of the claim, and
 - (b) the employer has complied with all reasonable requests of the insurer with respect to the claim.

Note—

A claim forwarded to the insurer is taken to have been made on the insurer.

280 Provisional acceptance of liability

- (1) An insurer can accept liability for medical expenses compensation on the basis of the provisional acceptance of liability for an amount of up to \$5,000 or such other amount as may be specified by the Workers Compensation Guidelines.
- (2) The acceptance of liability on a provisional basis does not constitute an admission of liability by the employer or insurer under this Act or independently of this Act.

Division 4 Claims for lump sum compensation and work injury damages

280A Claim for lump sum compensation a pre-condition to damages claim

A claim for work injury damages in respect of an injury cannot be made unless a claim for lump sum compensation in respect of the injury is made before or at the same time as the claim for work injury damages.

280B Lump sum compensation to be paid before damages recovered

- (1) An injured worker cannot recover damages in respect of an injury from the employer

liable to pay compensation under this Act in respect of the injury unless and until any permanent impairment compensation to which the worker is entitled in respect of the injury has been paid.

- (2) This section does not prevent a claim for damages from being made before any permanent impairment compensation to which the worker is entitled in respect of the injury has been paid.

Note—

This section ensures that an injured worker receives the compensation to which the worker is entitled before damages are recovered (because section 151A of the 1987 Act would prevent the payment of compensation after damages are recovered).

281 Liability to be accepted and settlement offer made

- (1) The person on whom a claim for lump sum compensation or work injury damages is made must, within the time required by this section, determine the claim by—
- (a) accepting liability and making a reasonable offer of settlement to the claimant, or
 - (b) disputing liability under Division 3 of Part 2 of Chapter 4.
- (2) A claim must be so determined—
- (a) within 1 month after the degree of permanent impairment first becomes fully ascertainable, as agreed by the parties or as determined by a medical assessor, or
 - (b) within 2 months after the claimant has provided to the insurer all relevant particulars about the claim,
- whichever is the later.

Note—

Section 283 makes failure to comply with this section an offence. Section 78 requires notice of a dispute to be given. If an offer of settlement is not made as required by this section, the claim can be referred for assessment as soon as the time for making the offer has expired.

- (2A) The determination of a claim cannot be delayed beyond 2 months after the claimant has provided to the insurer all relevant particulars about the claim (that delay being on the basis that the degree of permanent impairment of the injured worker resulting from the injury is not fully ascertainable), unless the insurer has within that 2-month period notified the claimant that the degree of permanent impairment of the injured worker resulting from the injury is not fully ascertainable.
- (2B) When the person on whom a claim is made accepts or disputes liability, the person must notify the claimant as to whether or not the person accepts that the degree of permanent impairment of the injured worker resulting from the injury is sufficient for an award of damages.

- (3) An offer of settlement is to specify an amount of compensation or damages or a manner of determining an amount of compensation or damages.
- (4) If an offer of settlement is made on the basis that the insurer accepts only partial liability for the claim, the offer is to include details sufficient to ascertain the extent to which liability is accepted.
- (5) An employer is not required to determine a claim as provided by this section if—
 - (a) the employer has duly forwarded the claim to an insurer who the employer believes is liable to indemnify the employer in respect of the claim, and
 - (b) the employer has complied with all reasonable requests of the insurer with respect to the claim.

Note—

A claim forwarded to the insurer is taken to have been made on the insurer.

- (6) This section does not apply to a claim for work injury damages in respect of the death of a person, except as the Workers Compensation Guidelines may otherwise provide.

282 Relevant particulars about a claim

- (1) The **relevant particulars about a claim** are full details of the following, sufficient to enable the insurer, as far as practicable, to make a proper assessment of the claimant's full entitlement on the claim—
 - (a) the injury received by the claimant,
 - (b) all impairments arising from the injury,
 - (c) any previous injury, or any pre-existing condition or abnormality, to which any proportion of an impairment is or may be due (whether or not it is an injury for which compensation has been paid or is payable under Division 4 of Part 3 of the 1987 Act),
 - (d) in the case of a claim for work injury damages, details of the economic losses that are being claimed as damages and details of the alleged negligence or other tort of the employer,
 - (e) information relevant to a determination as to whether or not the degree of permanent impairment resulting from the injury will change,
 - (f) in addition, in the case of a claim for lump sum compensation, details of all previous employment to the nature of which the injury is or may be due,
 - (g) such other matters as the Workers Compensation Guidelines may require.
- (2) If the employer requires the claimant to submit himself or herself for examination by a

medical practitioner provided and paid for by the employer, the claimant is not considered to have provided all relevant particulars about the claim until the worker has complied with that requirement.

- (3) The insurer is not entitled to delay the determination of a claim under this Division on the ground that any particulars about the claim are insufficient unless the insurer requested further relevant particulars within 2 weeks after the claimant provided particulars.
- (4) In this section, ***injury*** is not limited by the meaning given by section 4.

Division 5 Enforcement of claims obligations

283 Offence of failing to determine a claim for compensation

- (1) A person who fails to determine a claim as and when required by this Part is guilty of an offence unless the person has a reasonable excuse for the failure.

Maximum penalty—50 penalty units.

- (2) A person does not have a reasonable excuse for a failure for the purposes of this section unless the person has an excuse that the Workers Compensation Guidelines provide is a reasonable excuse.
- (3) A person who has or anticipates having a reasonable excuse for the purposes of this section must notify the claimant in writing as soon as practicable.

284 Insurer liable to pay fee if claim goes to assessment

- (1) If it appears to the President that an insurer has—
 - (a) failed without reasonable excuse to determine a claim as and when required by this Part, or
 - (b) referred a matter that the insurer knows is not a genuine dispute for the purpose of delaying, without good cause, the determination of a claim,and the claim concerned is referred to the Commission for determination of a dispute or for assessment, the President is to direct the insurer to pay the administration fee provided for by this section.
- (2) The administration fee is a fee of \$250 or such other amount as may be prescribed by the regulations and is payable to the Authority for payment into the Workers Compensation Operational Fund.
- (3) (Repealed)
- (4) An administration fee payable under this section is recoverable as a debt due to the Authority.

(5) A person does not have a reasonable excuse for a failure to determine a claim as and when required by this Part unless the person has an excuse that the Workers Compensation Guidelines provide is a reasonable excuse.

(6) The President is to notify the Authority of a direction under this section.

285 Offence of referring non-genuine disputes

A person on whom a claim is made must not refer a matter that the person knows is not a genuine dispute for the purpose of delaying, without good cause, the determination of the claim.

Maximum penalty—50 penalty units.

286 Partial acceptance of liability

(1) Liability for compensation can be partially accepted and partially disputed and references in this Part to accepting liability and disputing liability are to be interpreted accordingly.

(2) A person who accepts liability for compensation on the basis of the partial acceptance of liability (including acceptance on a provisional basis) must, when notifying the claimant of the partial acceptance of liability, include details sufficient to ascertain the extent to which liability is accepted.

Part 4 Compensation dispute determination

Division 1 Preliminary

287 Disputes to which Part applies

(1) This Part applies to a dispute in connection with a claim for compensation between—

(a) the person who makes the claim and a person on whom the claim is made, or

(b) the employer on whom the claim is made and the insurer on whom the claim is made.

(2) This Part extends to a dispute that concerns failure to commence provisional weekly payments of compensation as required by Division 1 of Part 3 (even though no claim has been made for that compensation) and so extends as if—

(a) a reference in this Part to weekly payments included a reference to provisional weekly payments, and

(b) initial notification of injury (as defined in Part 3) constituted a claim for the compensation.

Division 2 Reviews by insurer

287A Request for review

- (1) A worker may request an insurer to review—
 - (a) a work capacity decision of the insurer that is disputed by the worker, or
 - (b) a claim, or any aspect of a claim, that is disputed by the insurer.
- (2) A request may be made at any time before the dispute is referred for determination by the Commission.
- (3) The insurer must conduct the review, and notify the worker of the decision on the review, within 14 days after the request is made.

Maximum penalty—50 penalty units.

287B Regulations relating to decisions and reviews by insurers

The regulations may make provision for or with respect to—

- (a) the notification of decisions of insurers, and
- (b) the procedure for conducting internal reviews, and
- (c) requiring insurers to conduct reviews of decisions in respect of which disputes are referred for determination by the Commission under this Part.

Note—

See section 78 for further requirements relating to the giving of notice of disputes.

Division 3 Determination of disputes by Commission

288 Referral of disputes to Commission

- (1) Any party to a dispute about a claim may refer the dispute to the President for determination by the Commission. However, if the dispute is about lump sum compensation, only the claimant can refer the dispute.

Note—

A medical dispute concerning the claim can also be referred for assessment under Part 7 (Medical assessment).

- (2) The President may not accept a dispute for referral for determination to the Commission if the dispute is a dispute that, under this Part, cannot be referred for determination by the Commission.

289 Restrictions as to when dispute can be referred to Commission

- (1) A dispute about a claim for weekly payments (other than a dispute based on a work capacity decision) cannot be referred for determination by the Commission unless the

person on whom the claim is made—

- (a) disputes liability for the claim (wholly or in part), or
- (b) fails to determine the claim as and when required by this Act.

Note—

The determination of a claim requires the commencement of weekly payments of compensation. The failure to commence weekly payments pursuant to a work capacity decision (without having disputed liability) constitutes a failure to determine the claim.

(2) A dispute about a claim for medical expenses compensation cannot be referred for determination by the Commission unless the person on whom the claim is made—

- (a) disputes liability for the claim (wholly or in part), or
- (b) fails to determine the claim as and when required by this Act.

(2A) Subsection (2) does not prevent the referral to the Commission of a dispute about whether any proposed treatment or service is reasonably necessary as a result of an injury.

Note—

Section 60 of the 1987 Act provides for such a dispute to be referred to the Commission.

(3) A dispute about a claim for lump sum compensation cannot be referred for determination by the Commission unless the person on whom the claim is made—

- (a) wholly disputes liability for the claim, or
- (b) made an offer of settlement to the claimant pursuant to the determination of the claim as and when required by this Act and 1 month has elapsed since the offer was made, or
- (c) fails to determine the claim as and when required by this Act.

Note—

The determination of a claim requires the making of a reasonable offer of settlement (if liability is wholly or partly accepted). Failure to make a reasonable offer of settlement constitutes a failure to determine the claim.

(4) A dispute about a claim for compensation under Division 5 (Compensation for property damage) of Part 3 of the 1987 Act cannot be referred for determination by the Commission until—

- (a) 28 days after the claim for compensation is made, or
- (b) the person on whom the claim is made disputes liability for the claim (wholly or in part),

whichever happens first.

- (5) The Commission may not hear or otherwise deal with any dispute if this section provides that the dispute cannot be referred for determination by the Commission.

289A Further restrictions as to when a dispute can be referred to Commission

- (1) A dispute cannot be referred for determination by the Commission unless it concerns only matters previously notified as disputed.
- (2) A matter is taken to have been previously notified as disputed if—
 - (a) it was notified in a notice of dispute under this Act or the 1987 Act after a claim was made or a claim was reviewed, or
 - (b) it concerns matters, raised in writing between the parties before the dispute is referred to the President for determination by the Commission, concerning an offer of settlement of a claim for lump sum compensation.
- (3) The Commission may not hear or otherwise deal with any dispute if this section provides that the dispute cannot be referred for determination by the Commission. However, the Commission may hear or otherwise deal with a matter subsequently arising out of such a dispute.
- (4) Despite subsection (3), a dispute relating to previously unnotified matters may be heard or otherwise dealt with by the Commission if the Commission is of the opinion that it is in the interests of justice to do so.

289B Stay of disputed work capacity decision

- (1) The referral of a dispute for determination by the Commission in relation to a work capacity decision to discontinue, or reduce the amount of, weekly payments of compensation operates to stay the decision and prevents the taking of action by an insurer based on the decision while the decision is stayed.
- (2) However, the decision is stayed only if the dispute is referred for determination by the Commission before the expiry of the required period of notice under section 80.
- (3) A stay operates from the time the President accepts the dispute for referral until the proceedings are determined, dismissed or discontinued.
- (4) The Commission may, if it considers that a party to the dispute is unreasonably delaying the proceedings on the dispute, order that the stay ceases to have effect.

290 Information exchange between parties

- (1) When a dispute is referred for determination by the Commission, each party to the dispute must provide to the other party and to the President, as and when required to do so by the Commission rules, such information and documents as the Commission

rules require.

- (2) A party to a dispute who fails without reasonable excuse to comply with a requirement of this section is guilty of an offence.

Maximum penalty—50 penalty units.

- (3) Any document or information that a party to a dispute has failed to provide in contravention of this section cannot be admitted on behalf of the party in proceedings on the dispute before the Commission.
- (4) Subsections (2) and (3) do not apply if the party is a worker unless it is established that the worker was represented by a legal practitioner or agent (as defined in section 131) at the relevant time.
- (5) The Commission rules may provide for exceptions to subsection (3). In particular, the Commission rules may authorise the Commission to permit the admission in proceedings before the Commission in specified circumstances of a document or information that would otherwise be not admissible under that subsection.
- (6) If the President is satisfied that an applicant has failed without reasonable excuse to comply with a requirement of this section, the President may do any one or more of the following—
- (a) refer the matter to the Authority,
 - (b) note the matter in a certificate issued by the President in respect of the dispute (together with details of the documents or information to which the failure relates),
 - (c) order that a specified amount or proportion of the costs that would otherwise be recoverable by the party in connection with the referral of the matter to the Commission are not recoverable.

291 (Repealed)

292 Expedited assessment

When a dispute is referred for determination by the Commission, the President may deal with the dispute under Part 5 (Expedited assessment) if the dispute is one to which that Part applies, and may defer determination of a dispute by the Commission while the dispute is being dealt with under Division 2 or 3 of that Part.

293 Medical assessment

- (1) When a dispute referred for determination by the Commission concerns a medical dispute within the meaning of Part 7, the President may (subject to the regulations under section 321A (Referral of medical dispute concerning permanent impairment))

refer the medical dispute for medical assessment under Part 7, and defer determination of the dispute by the Commission pending the outcome of that medical assessment.

(2) (Repealed)

(3) The President may not refer for assessment—

(a) (Repealed)

(b) a medical dispute other than a dispute concerning permanent impairment (including hearing loss) of an injured worker, except when dealing with the dispute under Part 5 (Expedited assessment).

294 Certificate of Commission's determination

(1) If a dispute is determined by the Commission, the Commission must as soon as practicable after the determination of the dispute issue the parties to the dispute with a certificate as to the determination.

(2) A brief statement is to be attached to the certificate setting out the Commission's reasons for the determination.

(3) (Repealed)

294A Commission rules and regulations concerning medical evidence

(1) The Commission rules and the regulations may make provision for or with respect to—

(a) the disclosure, by the furnishing of copies of reports or otherwise, of the nature of the expert medical evidence to be given in evidence before the Commission (including the exclusion of any such evidence for non-compliance with any requirement for the disclosure of the nature of the evidence), and

(b) the disclosure of medical reports (including X-rays and the results of other tests) to medical assessors (including the exclusion of any such medical report for non-compliance with any requirement for the disclosure of the medical report), and

(c) limiting the number of medical reports in connection with a claim or any aspect of a claim and, in particular, limiting the number of medical reports that may be admitted in evidence in proceedings before the Commission, and

(d) limiting the number of expert witnesses that may be called by any party and otherwise restricting the calling of expert witnesses by a party.

(2) This section only authorises Commission rules in connection with proceedings before the Commission.

Part 5 Expedited assessment

Division 1 Preliminary

295 Disputes to which Part applies

- (1) This Part applies to a dispute referred to the Commission that concerns—
 - (a) weekly payments of compensation or medical expenses compensation, or
 - (b) failure by an insurer, employer or worker to comply with a requirement imposed by or under Chapter 3 (Workplace injury management).
- (2) This Part extends to a dispute that concerns failure to commence provisional weekly payments of compensation as required by Division 1 of Part 3 (even though no claim has been made for that compensation) and so extends as if—
 - (a) a reference in this Part to weekly payments included a reference to provisional weekly payments, and
 - (b) initial notification of injury (as defined in Part 3) constituted a claim for the compensation.

296 Exercise of functions of President

- (1) The President may exercise functions under this Part with respect to a dispute on the basis of the documents and information provided to the President when the dispute was referred for determination by the Commission.
- (2) Except as provided by this Part, the exercise of any function of the President under Division 2 or 3 of this Part is not subject to appeal or review.

Division 2 Disputes concerning weekly payments or medical expenses

297 Directions for interim payment of weekly payments or medical expenses compensation

- (1) When a dispute to which this Part applies concerns weekly payments of compensation or medical expenses compensation, the President can direct the person on whom the claim is made to pay the compensation concerned. Such a direction is referred to in this Part as an ***interim payment direction***.
- (1A) Section 298 does not apply to a dispute concerning a decision by the insurer to discontinue or reduce weekly payments of compensation on the basis of a work capacity decision under Division 2 of Part 3 of the 1987 Act.
- (2) An interim payment direction for payment of medical expenses compensation cannot be for an amount of more than \$7,500 or such other amount as may be prescribed by the regulations.

Note—

The amount of \$7,500 is subject to adjustment under Division 6 of Part 3 of the 1987 Act.

- (3) The President is to presume that an interim payment direction for weekly payments of compensation is warranted unless it appears to the President that—
 - (a) the claim concerned has minimal prospects of success, or
 - (b) the worker has returned to work, or
 - (c) the injury was not reported by the worker as required by section 44 (Early notification of workplace injury), or
 - (d) insufficient medical evidence is available concerning the period of incapacity of the worker, or
 - (e) circumstances exist that are prescribed by the regulations as circumstances in which it is not to be presumed that such a direction is warranted.
- (4) If an injury management plan for the worker is in place or the insurer has accepted that the worker has received an injury (as defined in this Act), the President is to presume that an interim payment direction for medical expenses compensation is warranted if satisfied that the treatment or service to which the compensation relates is reasonably necessary—
 - (a) to prevent deterioration of the worker's condition, or
 - (b) to promote an early return to work, or
 - (c) to relieve significant pain or discomfort, or
 - (d) for such other reason as may be prescribed by the regulations.
- (5) Subsections (3) and (4) do not limit the circumstances in which an interim payment direction can be given.
- (6) An interim payment direction can be given subject to conditions.
- (7) A further interim payment direction or directions can be given after the expiry of any earlier direction.

298 Period for which interim payment of weekly payments can be directed

- (1) An interim payment direction (or further interim payment direction) can direct the person on whom the claim is made to pay weekly payments of compensation for a period that does not exceed 12 weeks.

Note—

The 12-week limit applies to each direction or further direction.

- (2) An interim payment direction can direct payment of weekly payments during a period that is before the direction is given, but that period must not exceed 10 weeks.

299 Revocation of interim payment direction

- (1) The President can revoke an interim payment direction at any time.
- (2) When an interim payment direction is revoked, the obligation to make payments under the direction ceases.
- (3) The revocation of an interim payment direction does not affect the requirement to make payments before the revocation.

300 Offence of failure to comply with interim payment direction

A person who fails to comply with an interim payment direction is guilty of an offence.

Maximum penalty—50 penalty units.

301 Effect of payment under interim payment direction

- (1) The payment of compensation in accordance with an interim payment direction is not an admission of liability by the insurer or employer.
- (2) An insurer can continue to pay compensation on the basis of the provisional acceptance of liability after the period for which payment is required by an interim payment order. The acceptance of liability on a provisional basis is not an admission of liability.

302 Commission rules relating to interim payment directions

The giving of interim payment directions by the President is subject to relevant provisions of the Commission rules relating to those directions.

303 Commission can give interim payment direction

The Commission has and may exercise any function of the President under this Division, in connection with a dispute referred to the Commission for determination.

304 Recovery of payments

If the Commission subsequently determines that a person is not liable to make the weekly payments of compensation that have been paid in accordance with an interim payment direction, the following provisions apply—

- (a) the worker or other person who received those payments is not required to refund those payments unless the Commission otherwise orders under paragraph (b),
- (b) if the Commission is satisfied that the claim for compensation was wholly or partly fraudulent or made without proper justification, the Commission may order the worker

or other person concerned to refund the whole or a specified part of those payments,

- (c) the Commission may (instead of making an order for a refund) order any other person whom it determines was liable for the whole or any part of those payments to reimburse the person who made those payments,
- (d) those payments are to be excluded from any determination of the claims experience of the employer for the purposes of calculating the premium payable by the employer for a policy of insurance.

Division 2A Disputes concerning past weekly payments

304A Disputes to which Division applies

- (1) This Division applies in respect of a dispute that concerns weekly payments of compensation if the payments are for a period (not exceeding 12 weeks) before the dispute is referred to the Commission, being a period in respect of which an interim payment direction under this Part may not be made.
- (2) A dispute that also relates to medical expenses may be dealt with partly under this Division (in relation to weekly payments) and partly under Division 2 (in relation to medical expenses).

304B President may deal with dispute

- (1) The President may determine the dispute instead of the Commission.
- (2) For the purposes of determining the dispute, the President has all the functions of the Commission under the Workers Compensation Acts and any determination of the President is taken to be the determination of the Commission.

Note—

The President has power under section 18 of the [Personal Injury Commission Act 2020](#) to delegate the President's function under this Act to certain members and registrars of the Commission.

- (3) This Division does not affect any jurisdiction of the Commission to determine a dispute involving weekly payments of compensation.

Division 3 Disputes about non-compliance with Chapter 3

305 Disputes to which Division applies

This Division applies in respect of a dispute that concerns a failure by a party to the dispute to comply with an obligation imposed by or under Chapter 3.

306 Ways in which dispute can be dealt with

The President may deal with the dispute—

- (a) by conciliating in connection with the dispute (to bring the parties to agreement

having proper regard to relevant entitlements and obligations under the Workers Compensation Acts), or

- (b) by directing that an injury management consultant or other suitably qualified person (paid for by the employer) conduct a workplace assessment in connection with the dispute, or
- (c) by referring the dispute to the Authority, or
- (d) by making a recommendation as provided for by this Division.

Note—

The President can refer the dispute to the Commission for determination if action under this Division is not successful.

307 President can recommend certain action

- (1) The President can deal with the dispute by recommending that a party to the dispute take specified action, being action that the President considers necessary or desirable to remedy the failure with which the dispute is concerned.
- (2) If the dispute concerns failure to comply with an obligation imposed by an injury management plan, the President can recommend compliance with the injury management plan subject to such modifications as the President considers appropriate.
- (3) If the dispute concerns the provision of suitable employment for the worker, the President is to have regard to the requirements of section 49 in making a recommendation with respect to the provision of suitable employment.

308 Compliance with recommendations of President

- (1) A party to the dispute to whom a recommendation is made by the President must, within 14 days (or such longer period as the President may allow in a particular case)—
 - (a) comply with the recommendation, or
 - (b) request the President to refer the dispute to the Commission for determination.

Maximum penalty—50 penalty units.

- (2) If a worker's failure to comply with the President's recommendation constitutes a failure to comply with this section, the worker has no entitlement to weekly payments of compensation during any period that the failure to comply with the recommendation continues.
- (3) If an employer's failure to comply with the President's recommendation constitutes a

failure to comply with this section, the employer's insurer is entitled to recover from the employer (despite the terms of the relevant policy of insurance) the amount of weekly payments of compensation paid by the insurer in respect of any period that failure to comply with the recommendation continues.

309 Employers—representation and admissions

- (1) At any conference or hearing before the President for the purposes of this Division—
 - (a) an employer is entitled to separate representation if the employer requests separate representation, and
 - (b) an employer is not prevented by the terms of any relevant policy of insurance from making any admission of liability in respect of the injury or claim concerned.
- (2) Evidence of an admission made by the employer at any conference or hearing before the President for the purposes of this Division is not admissible in other proceedings before the Commission.

310 Referral of dispute to Commission

If the dispute is referred to the Commission for determination, the Commission may make orders with respect to any matter that can be the subject of a recommendation by the President under this Division.

Part 6 Court proceedings for work injury damages

Division 1 Preliminary

311 Interpretation

In this Part—

claimant means a claimant for work injury damages.

defendant means the person against whom proceedings for the recovery of work injury damages are commenced or are to be commenced.

312 Forum for court proceedings

Proceedings in respect of a claim for work injury damages may be taken in any court of competent jurisdiction, subject to this Part.

Division 2 Threshold for award of damages

313 Threshold dispute prevents service of pre-filing statement and commencement of court proceedings

If there is a dispute as to whether the degree of permanent impairment of the injured

worker resulting from an injury is sufficient for an award of damages, the claimant cannot commence court proceedings for the recovery of work injury damages and cannot serve a pre-filing statement under Division 3 unless the degree of permanent impairment has been assessed by a medical assessor under Part 7.

314 What constitutes threshold dispute

- (1) For the purposes of this Part, there is considered to be a dispute as to whether the degree of permanent impairment of the injured worker resulting from an injury is sufficient for an award of damages if—
 - (a) the person on whom the claim is made has not accepted that the degree of permanent impairment of the injured worker resulting from the injury is at least 15%, or
 - (b) there is a dispute as to whether the degree of permanent impairment resulting from the injury is fully ascertainable.

Note—

Under section 322 (4), a medical assessor may decline to make an assessment of the degree of permanent impairment of an injured worker until satisfied that the degree of permanent impairment is fully ascertainable.

- (2) There is considered to be no dispute as to whether the degree of permanent impairment of the injured worker resulting from an injury is sufficient for an award of damages if—
 - (a) the person on whom the claim is made has accepted that the degree of permanent impairment of the injured worker is at least 15%, or
 - (b) a medical assessor has given a medical assessment certificate certifying that the degree of permanent impairment of the injured worker is at least 15%.
- (3) For the purposes of this Part, acceptance by the person on whom a claim for work injury damages is made of the degree of permanent impairment of the injured worker for the purposes of a claim against the person by the injured worker for permanent impairment compensation also constitutes acceptance of the degree of permanent impairment for the purposes of the claim for work injury damages.

Division 3 Pre-filing statements

315 Requirement for pre-filing statement before commencing court proceedings

- (1) Before a claimant can commence court proceedings for the recovery of work injury damages, the claimant must serve on the defendant a **pre-filing statement** setting out such particulars of the claim and the evidence that the claimant will rely on to establish or in support of the claim as the Commission rules may require.

Note—

Section 314 prevents a pre-filing statement being served if there is a dispute as to whether the degree of permanent impairment is sufficient for an award of damages.

- (2) The pre-filing statement cannot be served unless—
- (a) the person on whom the claim is made wholly disputes liability for the claim, or
 - (b) the person on whom the claim is made has made an offer of settlement to the claimant pursuant to the determination of the claim as and when required by section 281 and 1 month has elapsed since the offer was made, or
 - (c) the person on whom the claim is made has failed to determine the claim as and when required by section 281.

Note—

The determination of a claim in accordance with section 281 requires the making of a reasonable offer of settlement (if liability is wholly or partly accepted). Failure to make a reasonable offer of settlement constitutes a failure to determine the claim. Section 78 requires notice of a dispute as to liability to be given.

316 Defendant must respond to pre-filing statement

- (1) The defendant must, within 28 days after the pre-filing statement has been served on the defendant, respond to the pre-filing statement by—
- (a) accepting or denying liability (wholly or in part), and
 - (b) (to the extent, if any, that the defendant does not accept liability) serving on the claimant a defence to the claim setting out such particulars of the defence and evidence that the defendant will rely on to defend the claim as the Commission rules may require.

Note—

A defence can be filed after 28 days but after 28 days the claimant can refer the claim to mediation under Division 4.

- (2) If the defendant fails to respond to the pre-filing statement as required by this section within 42 days after it is served on the defendant, the claimant can commence court proceedings for the recovery of work injury damages.

Note—

If the defendant fails to respond within 42 days, the defendant is prevented from filing a defence (see section 318) and the claimant can proceed to obtain summary judgment on the question of liability. If the defendant responds to the pre-filing statement within 42 days, the matter is required to proceed to mediation under Division 4 before court proceedings can be commenced.

317 Defective pre-filing statement

- (1) The defendant is not entitled to assert that a pre-filing statement served by the claimant is defective (by reason of incompleteness or otherwise) unless the defendant

has notified the claimant, giving details of any alleged defects, within 7 days after the pre-filing statement is served by the claimant.

- (2) A dispute as to whether a pre-filing statement served by the claimant is defective may be referred to the President for determination.
- (3) The President may give a direction to the claimant as to the action necessary to cure any defect in the pre-filing statement served by the claimant. If the claimant fails to comply with the President's direction within the time allowed for compliance, the pre-filing statement served by the claimant is taken not to have been served.

Note—

The effect of such a failure is that the claimant must serve the pre-filing statement again.

- (4) If the documents and information that comprise the pre-filing statement are furnished to the defendant at different times, the pre-filing statement is not considered to have been served on the defendant until the last of the required documents and information is served.

318 Parties limited to pre-filing statement and defence

- (1) For the purposes of court proceedings on a claim for work injury damages—
 - (a) the claimant is not entitled to file a statement of claim that is materially different from the proposed statement of claim that formed part of the pre-filing statement served by the claimant, except with leave of the court, and
 - (b) the defendant is not entitled to file a defence that is materially different from any defence served on the claimant in response to the claimant's pre-filing statement within 42 days after service of the pre-filing statement, except with leave of the court, and
 - (c) the defendant is not entitled to file a defence that wholly or partly disputes liability for the claim if the defendant has failed to serve on the claimant a defence to the claim as required by this Division within 42 days after the claimant served the pre-filing statement on the defendant, and
 - (d) a party to the proceedings is not entitled to have any report or other evidence admitted in the proceedings on the party's behalf if the report or other evidence was not disclosed by the party in a pre-filing statement or defence served under this Division, except with leave of the court.
- (2) The court is not to grant leave under this section unless satisfied that—
 - (a) the material concerned was not reasonably available to the party when the pre-filing statement or defence was served, and
 - (b) the failure to grant leave would substantially prejudice the party's case.

- (3) The regulations may provide for exceptions to this section.

Division 4 Mediation

318A Mediation of claim before commencement of court proceedings

- (1) A claimant must refer a claim for work injury damages for mediation under this Division before the claimant can commence court proceedings for recovery of those work injury damages. The claim cannot be referred for mediation until at least 28 days after the pre-filing statement has been served on the defendant under Division 3.
- (2) The claimant need not refer a claim for work injury damages for mediation if the defendant has failed to respond to the claimant's pre-filing statement as required under Division 3 within 42 days after it is served on the defendant.

Note—

A defence can still be filed in the 28–42 day period. A defence can be filed after 42 days but such a defence cannot dispute liability. A defence filed after 42 days can deal with such matters as quantum of damages or contributory negligence.

- (3) The defendant may decline to participate in mediation of the claim if the defendant wholly disputes liability in respect of the claim, but in any other case the defendant cannot decline to participate in mediation.
- (4) Court proceedings for recovery of work injury damages cannot be commenced while the claim is the subject of mediation in the Commission.
- (5) A claim is referred for mediation by being referred to the President for mediation by a mediator. The President is to give directions as to which mediator is to mediate on a particular claim referred for mediation.
- (6) The Commission rules may make provision for or with respect to mediation under this Division.

318B Mediator to bring parties to agreement

- (1) The mediator must use the mediator's best endeavours to bring the parties to agreement on the claim.
- (2) Failing agreement, the mediator is to issue a certificate certifying as to the final offers of settlement made by the parties in the mediation.

318C Legal and other assistance at mediation

At the mediation of a claim, an injured worker is entitled to be accompanied by a person (whether or not a legal adviser or agent) to act as the injured worker's advocate and assist him or her to present his or her case to the mediator.

318D Powers of mediators

- (1) For the purposes of and in connection with the mediation of a claim, a mediator has all the functions of the Commission under sections 49–51 of the *Personal Injury Commission Act 2020* and those sections apply in respect of the mediation of a claim in the same way as they apply in respect of proceedings on a dispute before the Commission.
- (2) A mediator may award costs in connection with the mediation of a claim.

318E Offers made at mediation not to be disclosed to court

The amount of any offer of settlement made by a party in the course of mediation of a claim is not to be specified in any pleading, affidavit or other document filed in or in connection with court proceedings on the claim, and is not to be disclosed to or taken into account by the court, before the court's determination of the amount of damages in the proceedings.

- (3) Fees payable under the regulations under this section are payable into the Workers Compensation Operational Fund.

Division 5 General

318I Orders for access to information and premises

 - (a) a direction directing the defendant to produce to the claimant within a specified period specified reports and other documents in the defendant's possession,
 - (b) a direction directing the defendant to provide or allow the claimant access to specified premises within a specified period for a purpose relevant to the claimant's claim.

Part 7 Medical assessment

319 Definitions

In this Act—

medical dispute means a dispute between a claimant and the person on whom a claim is made about any of the following matters or a question about any of the following matters in connection with a claim—

- (a) the worker's condition (including the worker's prognosis, the aetiology of the condition, and the treatment proposed or provided),
- (b) the worker's fitness for employment,
- (c) the degree of permanent impairment of the worker as a result of an injury,
- (d) whether any proportion of permanent impairment is due to any previous injury or pre-existing condition or abnormality, and the extent of that proportion,
- (e) the nature and extent of loss of hearing suffered by a worker,
- (f) whether impairment is permanent,
- (g) whether the degree of permanent impairment of the injured worker is fully ascertainable.

320 (Repealed)

321 Referral of medical dispute for assessment

- (1) A medical dispute (other than a dispute concerning permanent impairment of an injured worker) may be referred for assessment under this Part by a court, the Commission or the President, either of their own motion or at the request of a party to the dispute. The President is to give the parties notice of the referral.
- (2) The parties to the dispute may agree on the medical assessor who is to assess the dispute but if the parties have not agreed within 7 days after the dispute is referred, the President is to choose the medical assessor who is to assess the dispute.
- (3) The President may arrange for a medical assessor to assess the dispute outside the State—
 - (a) if requested by a party to the dispute, or

(b) with the consent of the parties to the dispute.

(4) In deciding whether to make an arrangement under subsection (3), the President must consider the following—

(a) the interests and wishes of the parties to the dispute,

(b) the nature and complexity of the dispute,

(c) if the arrangement is necessary for the timely and cost effective assessment of the dispute,

(d) other matters the President considers relevant.

321A Referral of medical dispute concerning permanent impairment

(1) The regulations may make provision for or with respect to—

(a) the circumstances in which a medical dispute concerning permanent impairment of an injured worker is authorised, required or not permitted to be referred for assessment under this Part, and

(b) the giving of notice of a referral to the parties to the dispute.

(2) Without limiting subsection (1), the regulations may provide that a medical dispute may not be referred for assessment under this Part if the dispute concerns permanent impairment of an injured worker where liability is in issue and has not been determined by the Commission.

(3) A medical dispute concerning permanent impairment of an injured worker that is authorised or required by the regulations to be referred for assessment under this Part may be referred by a court, the Commission or the President, either of their own motion or at the request of a party to the dispute.

322 Assessment of impairment

(1) The assessment of the degree of permanent impairment of an injured worker for the purposes of the Workers Compensation Acts is to be made in accordance with Workers Compensation Guidelines (as in force at the time the assessment is made) issued for that purpose.

(2) Impairments that result from the same injury are to be assessed together to assess the degree of permanent impairment of the injured worker.

(3) Impairments that result from more than one injury arising out of the same incident are to be assessed together to assess the degree of permanent impairment of the injured worker.

Note—

Section 65A of the 1987 Act provides for impairment arising from psychological/psychiatric injuries to be assessed separately from impairment arising from physical injury.

- (4) A medical assessor may decline to make an assessment of the degree of permanent impairment of an injured worker until the medical assessor is satisfied that the impairment is permanent and that the degree of permanent impairment is fully ascertainable. Proceedings before a court or the Commission may be adjourned until the assessment is made.

322A One assessment only of degree of permanent impairment

- (1) Only one assessment may be made of the degree of permanent impairment of an injured worker.
 - (1A) A reference in subsection (1) to an assessment includes an assessment of the degree of permanent impairment made by the Commission in the course of the determination of a dispute about the degree of the impairment that is not the subject of a referral under this Part.
- (2) The medical assessment certificate that is given in connection with that assessment is the only medical assessment certificate that can be used in connection with any further or subsequent medical dispute about the degree of permanent impairment of the worker as a result of the injury concerned (whether the subsequent or further dispute is in connection with a claim for permanent impairment compensation, the commutation of a liability for compensation or a claim for work injury damages).
- (3) Accordingly, a medical dispute about the degree of permanent impairment of a worker as a result of an injury cannot be referred for, or be the subject of, assessment if a medical dispute about that matter has already been the subject of—
 - (a) assessment and a medical assessment certificate under this Part, or
 - (b) a determination by the Commission under Part 4.
- (4) This section does not affect the operation of section 327 (Appeal against medical assessment) or 352 (Appeal against decision of Commission constituted by non-presidential member).

323 Deduction for previous injury or pre-existing condition or abnormality

- (1) In assessing the degree of permanent impairment resulting from an injury, there is to be a deduction for any proportion of the impairment that is due to any previous injury (whether or not it is an injury for which compensation has been paid or is payable under Division 4 of Part 3 of the 1987 Act) or that is due to any pre-existing condition or abnormality.
- (2) If the extent of a deduction under this section (or a part of it) will be difficult or costly to determine (because, for example, of the absence of medical evidence), it is to be

assumed (for the purpose of avoiding disputation) that the deduction (or the relevant part of it) is 10% of the impairment, unless this assumption is at odds with the available evidence.

Note—

So if the degree of permanent impairment is assessed as 30% and subsection (2) operates to require a 10% reduction in that impairment to be assumed, the degree of permanent impairment is reduced from 30% to 27% (a reduction of 10%).

- (3) The reference in subsection (2) to medical evidence is a reference to medical evidence accepted or preferred by the medical assessor in connection with the medical assessment of the matter.
- (4) The Workers Compensation Guidelines may make provision for or with respect to the determination of the deduction required by this section.
- (5) (Repealed)

Note—

Section 68B of the 1987 Act makes provision for how this section applies for the purpose of calculating workers compensation lump sum benefits for permanent impairment and associated pain and suffering in cases to which section 15, 16, 17 or 22 of the 1987 Act applies.

324 Powers of medical assessor on assessment

- (1) The medical assessor assessing a medical dispute may—
 - (a) consult with any medical practitioner or other health care professional who is treating or has treated the worker, and
 - (b) call for the production of such medical records (including X-rays and the results of other tests) and other information as the medical assessor considers necessary or desirable for the purposes of assessing a medical dispute referred to him or her, and
 - (c) require the worker to submit himself or herself for examination by the medical assessor.
- (2) If a worker refuses to submit himself or herself for examination by the medical assessor if required to do so, or in any way obstructs the examination—
 - (a) the worker's right to recover compensation with respect to the injury, or
 - (b) the worker's right to weekly payments,is suspended until the examination has taken place.
- (3) This section extends to the assessment of a medical dispute in the course of an appeal or further assessment under this Part.

- (4) A medical assessor hearing the appeal or who is assessing the matter by way of further assessment has all the powers of a medical assessor under this section on an assessment of a medical dispute.

325 Medical assessment certificate

- (1) The medical assessor to whom a medical dispute is referred is to give a certificate (a **medical assessment certificate**) as to the matters referred for assessment.
- (2) A medical assessment certificate is to be in a form approved by the President and is to—
 - (a) set out details of the matters referred for assessment, and
 - (b) certify as to the medical assessor's assessment with respect to those matters, and
 - (c) set out the medical assessor's reasons for that assessment, and
 - (d) set out the facts on which that assessment is based.
- (3) If the President is satisfied that a medical assessment certificate contains an obvious error, the President may issue, or approve of the medical assessor issuing, a replacement medical assessment certificate to correct the error.
- (4) A medical assessor is competent to give evidence as to matters in a certificate given by the assessor under this section, but may not be compelled to give evidence.

326 Status of medical assessments

- (1) An assessment certified in a medical assessment certificate pursuant to a medical assessment under this Part is conclusively presumed to be correct as to the following matters in any proceedings before a court or the Commission with which the certificate is concerned—
 - (a) the degree of permanent impairment of the worker as a result of an injury,
 - (b) whether any proportion of permanent impairment is due to any previous injury or pre-existing condition or abnormality,
 - (c) the nature and extent of loss of hearing suffered by a worker,
 - (d) whether impairment is permanent,
 - (e) whether the degree of permanent impairment is fully ascertainable.
- (2) As to any other matter, the assessment certified is evidence (but not conclusive evidence) in any such proceedings.

327 Appeal against medical assessment

- (1) A party to a medical dispute may appeal against a medical assessment under this Part, but only in respect of a matter that is appealable under this section and only on the grounds for appeal under this section.
- (2) A matter is appealable under this section if it is a matter as to which the assessment of a medical assessor certified in a medical assessment certificate under this Part is conclusively presumed to be correct in proceedings before a court or the Commission.
- (3) The grounds for appeal under this section are any of the following grounds—
 - (a) deterioration of the worker's condition that results in an increase in the degree of permanent impairment,
 - (b) availability of additional relevant information (but only if the additional information was not available to, and could not reasonably have been obtained by, the appellant before the medical assessment appealed against),
 - (c) the assessment was made on the basis of incorrect criteria,
 - (d) the medical assessment certificate contains a demonstrable error.
- (4) An appeal is to be made by application to the President. The appeal is not to proceed unless the President is satisfied that, on the face of the application and any submissions made to the President, at least one of the grounds for appeal specified in subsection (3) has been made out.
- (5) If the appeal is on a ground referred to in subsection (3) (c) or (d), the appeal must be made within 28 days after the medical assessment appealed against, unless the President is satisfied that special circumstances justify an increase in the period for an appeal.
- (6) The President may refer a medical assessment for further assessment under section 329 as an alternative to an appeal against the assessment (but only if the matter could otherwise have proceeded on appeal under this section).

Note—

Section 329 also allows the President to refer a medical assessment back to the medical assessor for reconsideration (whether or not the medical assessment could be appealed under this section).

- (7) There is to be no appeal against a medical assessment once the dispute concerned has been the subject of determination by a court or the Commission or agreement registered under section 66A of the 1987 Act.
- (8) Clause 2 of Schedule 2 to the [Legal Profession Uniform Law Application Act 2014](#) applies to and in respect of the provision of legal services in connection with an appeal under this section in the same way as it applies to and in respect of the

provision of legal services in connection with a claim or defence of a claim for damages referred to in that clause.

Note—

Clause 2 of Schedule 2 to the [Legal Profession Uniform Law Application Act 2014](#) prohibits a law practice from providing legal services in connection with a claim or defence unless a legal practitioner associate responsible for the provision of those services believes, on the basis of provable facts and a reasonably arguable view of the law, that the claim or defence has reasonable prospects of success.

328 Procedure on appeal

- (1) An appeal against a medical assessment is to be heard by an Appeal Panel constituted by 3 persons chosen by the President as follows—
 - (a) 2 medical assessors,
 - (b) 1 member of the Commission who is a member assigned to the Workers Compensation Division of the Commission.
- (2) The appeal is to be by way of review of the original medical assessment but the review is limited to the grounds of appeal on which the appeal is made.
- (2A) To avoid doubt, any medical re-examination of the worker for the purposes of the review need not be conducted by all of the members of the Appeal Panel if the members agree for it to be conducted by only some of the members.
- (3) Evidence that is fresh evidence or evidence in addition to or in substitution for the evidence received in relation to the medical assessment appealed against may not be given on an appeal by a party to the appeal unless the evidence was not available to the party before that medical assessment and could not reasonably have been obtained by the party before that medical assessment.
- (4) When attending an Appeal Panel for the purposes of an assessment, an injured worker is entitled to be accompanied by a person (whether or not a legal adviser or agent) to act as the injured worker's advocate and assist him or her to present his or her case to the Appeal Panel.
- (5) The Appeal Panel may confirm the certificate of assessment given in connection with the medical assessment appealed against, or may revoke that certificate and issue a new certificate as to the matters concerned. Section 326 applies to any such new certificate.
- (6) The decision of a majority of the members of an Appeal Panel is the decision of the Appeal Panel.

329 Referral of matter for further medical assessment or reconsideration

- (1) A matter referred for assessment under this Part may be referred again on one or more further occasions for assessment in accordance with this Part, but only by—

(a) the President as an alternative to an appeal against the assessment as provided by section 327, or

(b) a court or the Commission.

(1A) A matter referred for assessment under this Part may be referred again on one or more further occasions by the President to the medical assessor for reconsideration.

(2) A certificate as to a matter referred again for further assessment or reconsideration prevails over any previous certificate as to the matter to the extent of any inconsistency.

330 Costs of medical assessment

(1) The costs of medical assessments under this Part (including the remuneration of medical assessors) are payable by the employer or insurer, except as otherwise provided by the regulations. The Authority may, for the purposes of meeting those costs, impose fees for the carrying out of medical assessments or make other arrangements for meeting those costs.

(2) If a worker is required to submit himself or herself for examination pursuant to this Part, the worker is entitled to recover from the worker's employer, in addition to any compensation otherwise provided—

(a) the amount of any wages lost by the worker by reason of so submitting himself or herself for examination, and

(b) the cost to the worker of any fares, travelling expenses and maintenance necessarily and reasonably incurred in so submitting himself or herself.

(3) If it is necessary for a worker to travel in order to submit himself or herself for examination but the worker is not reasonably able to travel unescorted, the fares, travelling expenses and maintenance referred to in this section include fares, travelling expenses and maintenance necessarily and reasonably incurred by an escort for the worker provided to enable the worker to submit himself or herself for examination.

(4) If the cost of fares, travelling expenses and maintenance referred to in this section includes the cost of travel by private motor vehicle, that cost is to be calculated at such rate as is fixed for the purposes of section 64 of the 1987 Act.

(5) A reference in this section to a medical assessment includes a reference to a further medical assessment and an appeal against a medical assessment.

331 Commission rules

Medical assessments, appeals and further assessments under this Part are subject to relevant provisions of the Commission rules relating to the procedures for the referral of

matters for assessment or appeal, the procedure on appeals and the procedure for assessments.

Part 9 References and appeals

349, 350 (Repealed)

351 Reference of question of law on compensation claim to Commission constituted by presidential member

- (1) A question of law arising in proceedings under the Workers Compensation Acts before the Commission constituted by a non-presidential member may, with the leave of the President, be referred by the member for the opinion of the Commission constituted by the President.
- (2) The reference of a question under this section may be made on the application of a party to the proceedings or of the non-presidential member's own motion.
- (3) The President is not to grant leave for the referral of a question of law under this section unless satisfied that the question involves a novel or complex question of law.
- (4) If the President refuses to grant leave for the referral of a question of law under this section, the President must state his or her reasons in writing to the parties for the refusal.
- (5) Despite the reference of a question under this section, the Commission constituted by a non-presidential member may make an award in the matter in which the question arose unless the question is the question of whether the Commission may exercise functions under this Act in relation to a matter.
- (6) On the determination of a question referred to the Commission under this section—
 - (a) if an award has not been made in the matter in which the question arose, an award may be made that is not inconsistent with the opinion of the Commission on the question, or
 - (b) if an award has been made in the matter in which the question arose, the award must be varied in such a way as will make it consistent with the opinion of the Commission on the question.

- (7) The reference of a question of law under this section may be by stating a case on a question of law.
- (8) The President may delegate to a Deputy President any function of the President under this section (except this power of delegation), but only if the President is satisfied that the delegation is necessary to avoid a conflict of interest or the appearance of bias.

352 Appeal against decision of Commission constituted by non-presidential member

- (1) A party to a dispute in connection with a claim for compensation may appeal to the Commission constituted by a presidential member against a decision in respect of the dispute by the Commission constituted by a non-presidential member.
- (2) An appeal is to be made by application to the President.
- (2A) The appeal is not to proceed unless the President is satisfied that the procedural requirements of this section and any applicable Commission rules and regulations as to the making of an appeal have been complied with.
- (2B) The President is not required to be satisfied as to the substance of the appeal.
- (3) There is no appeal under this section unless the amount of compensation at issue on the appeal is both—
 - (a) at least \$5,000 (or such other amount as may be prescribed by the regulations), and
 - (b) at least 20% of the amount awarded in the decision appealed against.
- (3A) There is no appeal under this section against an interlocutory decision except with the leave of the Commission. The Commission is not to grant leave unless of the opinion that determining the appeal is necessary or desirable for the proper and effective determination of the dispute.
- (4) The appeal must be made within—
 - (a) 28 days after the decision appealed against is made, or
 - (b) a longer period determined or allowed, whether generally or for the kind of proceedings, in accordance with the Commission rules.
- (5) An appeal under this section is limited to a determination of whether the decision appealed against was or was not affected by any error of fact, law or discretion, and to the correction of any such error. The appeal is not a review or new hearing.
- (5A) An appeal under this section stays the operation of the decision appealed against pending the determination of the appeal. However, an appeal does not stay or otherwise affect the operation of a decision as to weekly payments of compensation and weekly payments of compensation remain payable despite any appeal.

- (6) Evidence that is fresh evidence or evidence in addition to or in substitution for the evidence received in relation to the decision appealed against may not be given on an appeal to the Commission except with the leave of the Commission. The Commission is not to grant leave unless satisfied that the evidence concerned was not available to the party, and could not reasonably have been obtained by the party, before the proceedings concerned or that failure to grant leave would cause substantial injustice in the case.
- (6A) On appeal, the decision may be confirmed or may be revoked and a new decision made in its place.
- (7) Alternatively, the matter may be remitted back to the non-presidential member concerned, or to another non-presidential member, for determination in accordance with any decision or directions of the Commission (including, in the case of a decision about the degree of permanent impairment resulting from an injury, a direction to refer the matter for assessment by a medical assessor under Part 7).
- (7A) Clause 2 of Schedule 2 to the [Legal Profession Uniform Law Application Act 2014](#) applies to and in respect of the provision of legal services in connection with an appeal to the Commission under this section in the same way as it applies to and in respect of the provision of legal services in connection with a claim or defence of a claim for damages referred to in that clause.

Note—

Clause 2 of Schedule 2 to the [Legal Profession Uniform Law Application Act 2014](#) prohibits a law practice from providing legal services in connection with a claim or defence unless a legal practitioner associate responsible for the provision of those services believes, on the basis of provable facts and a reasonably arguable view of the law, that the claim or defence has reasonable prospects of success.
