Part 3 Trustee for STC schemes (STC)

Introductory note—

This Part continues in existence the State Authorities Superannuation Board, renames it the SAS Trustee Corporation and gives it the functions of the trustee for the STC schemes. These schemes are primarily defined benefit schemes established under Acts and are closed to new members. Generally, the trustee will have functions (which include powers, authorities and duties) that are consistent with the requirements of the [Superannuation Industry \(Supervision\) Act 1993](#) of the Commonwealth. That Act

regulates the functions of trustees of superannuation funds and the administration of superannuation schemes but does not apply directly to the STC schemes. The trustee will also be subject to provisions of the [Trustee Act 1925](#). The trustee will have (among other functions) the function of administering the schemes and investing and managing the superannuation funds concerned. However, it will be required to arrange for these services to be provided by service providers in accordance with this Act. This will not detract from the primary responsibility and power of the trustee in these matters.

Division 1 Establishment and principal functions of STC

48 Continuation of STC (formerly the State Authorities Superannuation Board)

- (1) The corporation constituted by the [Superannuation Administration Act 1987](#) with the corporate name of State Authorities Superannuation Board and continued by the [Superannuation Administration Act 1991](#) is continued by this Act.
- (2) The continued corporation is to have the corporate name SAS Trustee Corporation. The body may also be called STC, and the use of that name has the same effect for all purposes as the use of its corporate name.
- (3) STC is, for the purposes of any Act, a statutory body representing the Crown.

49 STC to be trustee for STC schemes

- (1) STC is the trustee for the STC schemes and is to hold in trust for the persons who are or will be entitled to benefits under the STC schemes all assets held by, and all contributions and other money paid or payable to, STC under this Act and any Act under which an STC scheme is constituted or established.
- (2) STC is a trustee for the purposes of the [Trustee Act 1925](#). Accordingly, subject to this Act, and unless this Act, the [Trustee Act 1925](#) or any other Act otherwise provides, STC has the obligations, rights and duties of a trustee under Division 2 of Part 2 of the [Trustee Act 1925](#).

Note—

The effect of this is that STC is subject to both the common law obligations, duties and rights of trustees and the obligations, duties and rights of trustees under the [Trustee Act 1925](#). These are in addition to its obligations, duties and rights under this Act, unless the [Trustee Act 1925](#) or this Act otherwise provides.

50 Principal functions of STC

- (1) The principal functions of STC are—
 - (a) to administer the STC schemes, and
 - (b) to invest and manage the STC funds, and
 - (c) to provide for the custody of the assets and securities of the STC schemes, and
 - (d) to ensure that benefits payable to the persons entitled to receive benefits under the STC schemes are paid in accordance with the Acts under which the schemes are established or constituted, and

(e) to determine disputes under those Acts, and

(f) to exercise such other functions with respect to the STC schemes and STC funds as the Minister may from time to time approve by order in writing.

(1A) The Minister may in an order for the purposes of subsection (1) (f), direct that a function specified in the approval may be exercised by STC directly or only by entering into a contract or arrangement under section 53 with SAC or (if the direction so provides) with a person of STC's choosing, under which SAC or that person undertakes to carry out the function on behalf of STC.

(2) STC has such other functions as may be conferred or imposed on it by or under this or any other Act.

(3) (Repealed)

Note—

The STC schemes include the State Authorities Superannuation Scheme, the Police Superannuation Scheme, the State Superannuation Scheme, the State Authorities Non-contributory Superannuation Scheme and other public sector schemes. None of these schemes are currently open to new members, though public sector employees still contribute to some of them.

Other particular functions and obligations of STC are contained in the legislation establishing the STC schemes, including the [Police Regulation \(Superannuation\) Act 1906](#), the [Local Government and Other Authorities \(Superannuation\) Act 1927](#), the [Superannuation Act 1916](#), the [State Authorities Superannuation Act 1987](#) and the [State Authorities Non-contributory Superannuation Act 1987](#).

51 Duties relating to functions

(1) STC must—

(a) act honestly in all matters relating to its functions relating to the STC schemes, and

(b) exercise, in relation to all matters affecting the STC schemes, the same degree of care, skill and diligence as an ordinary prudent person would exercise in dealing with property of another for whom the person felt morally bound to provide, and

(c) ensure that its functions relating to the STC schemes are exercised in the best interests of persons entitled to receive benefits under the STC schemes, and

(d) not enter into any contract or arrangement, or do anything else, that would prevent STC from, or hinder STC in, properly exercising STC's functions as a trustee.

Note—

The duties contained in subsection (1) reflect the covenants required of superannuation scheme trustees under the [Superannuation Industry \(Supervision\) Act 1993](#) of the Commonwealth.

- (2) In exercising its functions, STC must have regard to—
- (a) the interests of persons entitled to receive benefits under the STC schemes, and

 - (c) the future liabilities of the STC funds, and
 - (d) any statement in writing of the policy of the Government on any matter that is relevant to the functions of STC given by the Minister to STC, and
 - (e) the role of employers under STC schemes in funding benefits under those schemes.
- (3) Subsection (1) (d) does not prevent STC from entering into a contract or an arrangement under section 53.

Note—

Members of the STC Board have a duty to ensure that STC carries out its duties (see section 73).

52 Government policy statements to be laid before Parliament

- (1) The Minister is required to lay before each House of Parliament, within 14 sitting days after giving a statement under section 51 (2) (d), a copy of the statement.
- (2) If a House of Parliament is not sitting when the Minister seeks to comply with this section, the Minister is required to present a copy of the relevant statement to the Clerk of the House.
- (3) A copy of a statement presented to the Clerk of a House of Parliament under this section—

- (b) under which the person undertakes to carry out the function of providing superannuation scheme administration services to the STC schemes on behalf of STC, or
- (c) (Repealed)
- (d) under which the person undertakes to carry out any other functions on behalf of STC under this or any other Act, or
- (e) for the performance of any other services.

- (1A) An investment manager who enters into a contract or arrangement with STC to provide superannuation investment management services may (subject to the terms of that contract or arrangement) engage another investment manager to provide any such service. In that case, a reference in this section to the person who enters into or makes the contract or arrangement with STC includes a reference to any such other investment manager engaged to provide the service.
- (2) The power of STC to enter into a contract or an arrangement does not extend to conferring on any other person the power of STC to appoint an actuary or actuaries to conduct an investigation into the state or sufficiency of an STC fund.
- (3) A person who enters into a contract or an arrangement with STC under this section has, while acting in accordance with the terms of the contract or arrangement, those functions of STC specified in the contract or arrangement.
- (4) STC may enter into a contract or an arrangement under this section only if STC is satisfied that the contract or arrangement is in the interests of the persons entitled to receive benefits under the STC schemes.
- (5) Any such contract or arrangement may deem the person with whom STC makes the contract or arrangement to be an agent of STC.
- (6) A contract or an arrangement entered into by STC under this section does not confer on the other party any of the principal functions and responsibilities of STC as trustee.

54 Minister's consent required

- (1) STC may not enter into a contract or an arrangement under section 53 (1) (a) or (b) with a person other than a mandated investment manager except with the Minister's consent.
- (2) The Minister may, by notice in writing given to STC, waive the requirement for consent generally or in such circumstances as may be specified by the Minister.

55 STC to be subject to Minister's directions in certain circumstances

- (1) The Minister may give a direction to STC relating to the exercise by STC of any one or more of its functions if the Minister is of the opinion that an act or omission, or conduct, by STC has had or could reasonably be expected to have a significant adverse effect on the Consolidated Fund or the financial management of the State. A direction must not be inconsistent with this or any other Act.
- (2) STC must comply with any such direction.
- (3) In giving a direction the Minister must have regard to—
 - (a) the interests of persons entitled to receive benefits under the STC schemes, and
 - (b) the duties and obligations of STC and the members of the STC Board.
- (4) Nothing in this section constitutes the Minister as a trustee of the STC schemes.
- (5) STC is not liable for anything done or omitted for the purpose only of complying with a direction of the Minister under this section.

56 Direction to be laid before Parliament

- (1) The Minister is required to lay before each House of Parliament, within 14 sitting days after giving a direction under section 55, a copy of the direction.
- (2) If a House of Parliament is not sitting when the Minister seeks to comply with this section, the Minister is required to present a copy of the relevant statement to the Clerk of the House.
- (3) A copy of a statement presented to the Clerk of a House of Parliament under this section—
 - (a) is, on presentation and for all purposes, taken to have been laid before the House, and
 - (b) is required to be printed by authority of that Clerk, and
 - (c) if printed by the authority of that Clerk, is, for all purposes, taken to be a document published by order or under the authority of that House, and
 - (d) is to be recorded in the Minutes, or Votes and Proceedings, of that House on the first sitting day of that House after receipt of the copy by that Clerk.

57 Powers of STC

Without limiting any other function conferred or imposed on it, STC may do all things that are necessary or convenient to be done for, or in connection with, the exercise of STC's functions.

Division 2 Investment of STC funds

58 Investment strategy

- (1) STC must, subject to this Part and section 129A, determine and give effect to an investment strategy for the STC funds (the **investment strategy**) and a strategy for the prudential management of any reserves of the funds (the **reserves strategy**).
- (2) The investment strategy must have regard to the circumstances of the STC schemes, including but not limited to the following—
 - (a) the risk involved in making, holding and realising, and the likely return from, the investments having regard to the schemes' objectives and their cash flow requirements,
 - (b) the composition of the investments as a whole, including the extent to which the investments are diverse or involve exposure to risks from inadequate diversification,
 - (c) the liquidity of the investments having regard to the schemes' cash flow requirements,
 - (d) the ability to discharge the existing and prospective liabilities under the STC schemes,
 - (e) any other matter which a trustee is required to consider in determining an investment strategy under the *Superannuation Industry (Supervision) Act 1993* of the Commonwealth.
- (3) The reserves strategy must be consistent with the investment strategy and the ability to discharge the existing and prospective liabilities under the STC schemes (whether actual or contingent) as and when they fall due.
- (4) In determining the reserves strategy, STC must have regard to any other matter which a trustee is required to consider in determining a reserves strategy under the *Superannuation Industry (Supervision) Act 1993* of the Commonwealth.
- (5) STC may not contract out its functions under this section.

59 Investment manager to be appointed

- (1) In exercising its function of investing and managing an STC fund, or part of a fund, STC must enter into a contract or an arrangement under section 53 with an investment manager or managers who undertake to provide superannuation investment management services for a superannuation fund or part of a fund under the STC scheme concerned, on behalf of STC. STC may not itself provide such services.
- (2) STC must ensure that any such investment manager (and others the investment

manager engages to provide the relevant services) operates within the investment powers of STC and complies with the investment strategy determined by STC and notified to the investment manager.

- (3) STC may enter into contracts or arrangements for the provision of superannuation investment management services with more than one provider of services.
- (3A) A contract or arrangement under which an investment manager undertakes to provide all superannuation investment management services for a superannuation fund or part of a fund is to make provision for the engagement of a separate person to provide services in relation to the custody of assets and securities.
- (4), (5) (Repealed)

Note—

The Minister's consent is required to any such contract or arrangement that is entered into with a person other than a mandated investment manager unless that requirement is waived (see section 54).

- (3) The Treasurer must consult with STC and the proposed mandated investment manager before giving an order under this section.
- (4) A mandated investment manager (or an investment manager engaged by a mandated investment manager to provide relevant services)—

- (5) STC is taken to have discharged the obligations and duties imposed on it under this and any other law (written or unwritten) in relation to the investment and management of the whole or part of the STC funds, if a mandated investment manager (or an investment manager engaged by a mandated investment manager) provides superannuation investment management services in respect of the STC funds or part of the STC funds on behalf of STC in accordance with subsection (4).

Note—

Under section 69 (6) any act, matter or thing done in the name of, or on behalf of, STC by the STC Board is taken to have been done by STC. Section 80 protects persons such as the chief executive officer (who is subject to the control and direction of the Board) from personal and other liability.

- (3) To the extent that an amount payable by STC following a compromise or settlement is not a benefit under the relevant STC scheme, the amount is payable from whichever fund or funds that STC considers appropriate.
- (4) STC may make such inquiries and investigations with respect to a claim made against it as it thinks fit.

7 Lodgment of notice under section 5H of Corporations Act

- (c) the Minister has consented in writing to the lodgment of the notice.

Note—

Certain consents and agreements will be required to be obtained before the notice referred to in section 5H (2) of the Corporations Act is lodged. That provision requires the notice to contain the names and addresses of persons who consent to be members and the number and class of shares the member agrees in writing to take up. On registration, the shares specified in the notice are, under the Corporations Act, taken to be issued to the members specified in the notice.

Part 4 Provisions consequent on corporate conversion of FTC

8 Registered FTC is continuation of FTC

- (1) Registered FTC is taken for all purposes (including the rules of private international law) to be a continuation of, and the same legal entity, as FTC.
- (2) Without limiting subclause (1), the registration of FTC as a proprietary company limited by shares under the Corporations Act does not—
 - (a) create a new legal entity, or
 - (b) affect FTC's existing assets, rights or liabilities (except as against the members of FTC in their capacity as members), or
 - (c) render defective any legal proceedings by or against FTC or its members, or
 - (d) affect the employment, or entitlements as an employee, of a person who was a member of staff of FTC immediately before the registration day.
- (3) Subclauses (1) and (2) are declared to be Corporations legislation displacement provisions for the purposes of section 5G of the Corporations Act in relation to the provisions of the Corporations legislation generally.

Note—

Section 5G (11) of the Corporations Act provides that if a State law declares a provision of a State law to be a Corporations legislation displacement provision, any provision of the Corporations legislation with which the State provision would otherwise be inconsistent does not apply to the extent necessary to avoid the inconsistency.

- (4) A reference in any instrument to FTC is to be read on and after the registration day as including a reference to registered FTC.

9 Registered FTC is authorised to use existing name

- (1) Registered FTC is authorised to use the name "FSS Trustee Corporation" as its corporate name without the words "Pty Limited" being included in that name.

- (2) Nothing in subclause (1) prevents registered FTC from changing its name in accordance with the provisions of the Corporations Act to include the words “Pty Limited” in its name.
- (3) Subclause (1) has effect only for so long as registered FTC retains the name “FSS Trustee Corporation”.
- (4) Subclause (1) is declared to be a Corporations legislation displacement provision for the purposes of section 5G of the Corporations Act in relation to the provisions of Part 2B.6 of that Act.

Note—

Section 5G (6) of the Corporations Act provides that the provisions of Part 2B.6 and Part 5B.3 of that Act (which relate to the use of names) do not—

- (a) prohibit a company or other body from using a name if the use of the name is expressly provided for, or authorised by, a provision of a law of a State or Territory, or
- (b) require a company or other body to use a word as part of its name if the company or body is expressly authorised not to use that word by a provision of a law of a State or Territory.

However, section 5G (3) of that Act provides that section 5G will only apply to a provision of a law of a State or Territory enacted after the commencement of that Act if a law of the State or Territory declares the provision to be a Corporations legislation displacement provision for the purposes of that section.

10 Alterations to constitution of registered FTC concerning directors

- (2) The Minister—
 - (a) must consent to any alteration to the constitution required for compliance with the [Superannuation Industry \(Supervision\) Act 1993](#) of the Commonwealth or any regulations or other instruments made under that Act, and
 - (b) may not consent to any alteration that would be inconsistent with that Act, those regulations or any such instrument.
- (3) Subclause (1) is declared to be a Corporations legislation displacement provision for the purposes of section 5G of the Corporations Act in relation to the provisions of the Corporations legislation generally.

Note—

Section 5G (10) of the Corporations Act provides that if a provision of a law of a State or Territory provides that additional requirements must be met for an alteration of a company’s constitution to take effect, the alteration does not take effect unless those requirements are met.

11 Role of Auditor-General during transition period

- (1) The provisions of the *Public Finance and Audit Act 1983* (the **Audit Act**) cease to apply in relation to registered FTC on the registration day, except as provided by this clause.

 - (a) Division 2A (Performance audits of activities) applies as if—
 - (i) a reference in that Division to an authority included a reference to registered FTC, and
 - (ii) a reference in that Division to the responsible Minister in relation to registered FTC was a reference to the Minister administering this clause,
 - (b) Division 4 (Particular audit of statutory bodies, funds and accounts) applies as if—
 - (i) a reference in that Division to a statutory body included a reference to registered FTC, and
 - (ii) a reference in that Division to the responsible Minister in relation to registered FTC was a reference to the Minister administering this clause, and
 - (iii) the Minister administering this clause had requested that the Auditor-General carry out functions under that Division in respect of the First State Superannuation Fund for each of those financial years,
 - (c) Division 2 (Audit—generally) applies to an inspection or audit conducted under a provision of the Audit Act applied by paragraph (a) or (b) in the same way as it applies to any other inspection or audit to which that Division applies under that Act.
- (3) To avoid doubt, section 43A of the Audit Act does not apply in respect of the removal of registered FTC from the application of the Audit Act as a consequence of the operation of any provision of the *First State Superannuation Legislation Amendment (Conversion) Act 2005*.
- (4) The Auditor-General may, if engaged to do so by registered FTC, carry out auditing functions for FTC (including in respect of the First State Superannuation Fund) at any time during or after the financial years in which the transition period occurs.
- (5) Subclauses (1) and (2) are declared to be Corporations legislation displacement provisions for the purposes of section 5G of the Corporations Act in relation to the provisions of the Corporations legislation generally.

Note—

Section 5G (11) of the Corporations Act provides that if a State law declares a provision of a State law to be a Corporations legislation displacement provision, any provision of the Corporations legislation with which the State provision would otherwise be inconsistent does not apply to the extent necessary to avoid the inconsistency.

(6) In this clause—

 - (iv) Schedule 1, and
- (b) section 7 (1), as in force immediately before the registration day, is taken to continue to apply to registered FTC even if it is repealed, but only to the extent necessary to support the continued operation of clause 3.

(3) Any person who ceases to hold an office by reason of the operation of subclause (1) is not entitled to any compensation for the loss of that office.

(4) However, nothing in subclause (1) prevents any person from becoming an officer of registered FTC on and from the registration day in accordance with the provisions of its constitution.

(5) Nothing in this clause operates to limit the generality of the provisions of clause 8.
