*Penrith Local Environmental Plan No 255—Exempt and Complying Development
(Amendment No 1)*

7 What is exempt and complying development?

- (1) Development of minimal environmental impact listed as exempt development in Part 5 (Exempt and Complying Development) of *Penrith Development Control Plan 2006*, as adopted by the Council on 21 August 2006, is **exempt development**, despite the provisions of any other environmental planning instrument applying to the land to which this plan applies.
- (2) Development listed as complying development in Part 5 (Exempt and Complying Development) of *Penrith Development Control Plan 2006*, as adopted by the Council on 21 August 2006, is **complying development** if—
 - (a) it is local development of a kind that can be carried out with consent on the land on which it is proposed, and
 - (b) it is not an existing use, as defined in section 106 of the Act.

- (3) Development is exempt or complying development only if it complies with the development standards and other requirements applied to the development by Part 5 (Exempt and Complying Development) of *Penrith Development Control Plan 2006*, as adopted by the Council on 21 August 2006.
- (4) A complying development certificate issued for any complying development is to be subject to the conditions for the development specified in Part 5 (Exempt and Complying Development) of *Penrith Development Control Plan 2006* adopted by the Council, as in force when the certificate is issued.
