Native Title (New South Wales) Act 1994 No 45

New South Wales

An Act about native title in relation to land or waters; and for other purposes.

WHEREAS—

- (1) The High Court of Australia, in *Mabo and ors v. The State of Queensland (No. 2)* (1992) 175 CLR 1, rejected the doctrine that Australia was *terra nullius* (land belonging to no-one) at the time of European settlement and held that the common law of Australia recognises the native title rights of the indigenous inhabitants of Australia—
- (2) The Commonwealth Government has enacted the [Native Title Act 1993](#) of the Commonwealth which provides a national scheme for the recognition and protection of native title, the regulation of future dealings with, and claims to, native title and the validation of past State acts invalidated because of the existence of native title—
- (3) It is the intention of Parliament that New South Wales should participate in the national scheme established by the Commonwealth Government and that the State should validate past State acts invalidated because of the existence of native title.

The Legislature of New South Wales enacts:

- (b) to validate, in accordance with section 22F of the Commonwealth Native Title Act, intermediate period acts attributable to the State, and
- (c) to provide for the effects of any such validation.

Note—

An **act** is defined in sec 226 NTA.

A **past act** is defined in sec 228 NTA.

An **intermediate period act** is defined in sec 232A NTA (being certain acts that took place between 1 January 1994 and 23 December 1996).

An act **attributable** to the State is defined in sec 239 NTA.

8 Validation of past acts attributable to the State (NTA, sec 19)

Every past act attributable to the State is valid, and is taken always to have been valid.

8A Validation of intermediate period acts attributable to the State (NTA, sec 22F)

Every intermediate period act attributable to the State is valid, and is taken always to have been valid.

9 Application of remaining provisions of this Part

(1) The remaining provisions of this Part apply—

- (a) to a past act attributable to the State that is validated by section 8, and
- (b) to an intermediate period act attributable to the State that is validated by section 8A.

(2), (3) (Repealed)

Division 2 Effect of validation of past acts on native title

9A Application of this Division

This Division applies to a past act attributable to the State that is validated by section 8.

10 Category A past acts that are not public works (NTA, secs 19 and 15 (1) (a))

(1) This section applies if the past act is a category A past act other than a category A past act to which section 229 (4) (which deals with public works) of the Commonwealth Native Title Act applies.

(2) The past act extinguishes native title.

Note—

Category A past act is defined in sec 229 NTA. This category covers freehold grants, some leasehold grants (commercial, agricultural, pastoral and residential leases and those parts of certain mining leases (such as lands on which there are city, town or private residences) that are taken to be “dissected” in accordance with sec 245 NTA) and public works. **Lease, permit** and various types of leases are defined in secs 242 to 249 NTA. **Public work** is defined in sec 253 NTA.

11 Category A past acts that are public works (NTA, secs 19 and 15 (1) (b))

(1) This section applies if the past act is a category A past act to which section 229 (4) of the Commonwealth Native Title Act applies.

(2) The past act extinguishes native title in relation to the land or waters on which the public work concerned (on completion of its construction or establishment) was or is situated.

(3) If section 229 (4) (a) (which deals with public works completed after 1 January 1994) of the Commonwealth Native Title Act applies to the past act, the extinguishment is taken to have happened on 1 January 1994.

12 Inconsistent category B past acts (NTA, secs 19 and 15 (1) (c))

(1) This section applies if the past act is a category B past act that is wholly or partly inconsistent with the continued existence, enjoyment or exercise of the native title rights and interests concerned.

Note—

Category B past act is defined in sec 230 NTA. This category covers leasehold grants (other than leases that are category A past acts and mining leases).

13 Category C and D past acts (NTA, secs 19 and 15 (1) (d))

(1) This section applies if the past act is a category C past act or a category D past act.

(2) The non-extinguishment principle applies to the past act.

Note—

Category C past act is defined in sec 231 NTA. This category deals with the grant of mining leases. **Mining lease** is defined in sec 245 NTA and **mine** in sec 253 NTA.

Category D past act is defined in sec 232 NTA. It is the residual category of past acts.

The effect of the non-extinguishment principle is set out in sec 238 NTA.

14 Extinguishment does not confer right to eject or remove Aboriginal peoples (NTA, secs 15 (2) and 19)

An extinguishment of native title effected by this Part does not by itself confer a right to eject or remove any Aboriginal peoples who reside on or who exercise access over land or waters covered by a pastoral lease the grant, re-grant or extension of which is validated by section 8 (Validation of past acts attributable to the State).

Note—

Section 20 NTA provides native title holders with an entitlement to compensation from the State in respect of past acts attributable to the State.

- (2) The intermediate period act extinguishes all native title in relation to the land or waters concerned.

14C Category A intermediate period acts that are public works (NTA, secs 22F and 22B (b))

- (1) This section applies to a category A intermediate period act to which section 232B (7) (which deals with public works) of the Commonwealth Native Title Act applies.
- (2) The intermediate period act extinguishes the native title in relation to the land or waters on which the public work concerned (on completion of its construction or establishment) was or is situated.
- (3) The extinguishment is taken to have happened when the construction or

establishment began.

14D Category B intermediate period acts

- (1) This section applies to a category B intermediate period act that is wholly or partly inconsistent with the continued existence, enjoyment or exercise of the native title rights and interests concerned.
- (2) The intermediate period act extinguishes the native title to the extent of the inconsistency.

Note—

14E Category C and D intermediate period acts

- (1) This section applies to a category C intermediate period act or a category D intermediate period act.

14F This Division is subject to registered indigenous land use agreements

Sections 14B–14E apply subject to section 31.

Note—

Division 3 Other effects of validation

15 Preservation of beneficial reservations and conditions—past acts (NTA, secs 19 and 16)

- (1) This section applies if—
 - (a) the past act contains a reservation or condition for the benefit of Aboriginal peoples, or
 - (b) the doing of the past act would affect rights or interests (other than native title rights and interests) of Aboriginal peoples (whether arising under legislation, at common law or in equity and whether or not rights of usage).
- (2) Division 2 (Effect of validation of past acts on native title) does not affect a reservation or condition or rights or interests mentioned in this section.

15A Preservation of beneficial reservations and conditions—intermediate period acts (NTA,

secs 22F and 22C)

(1) This section applies if—

- (a) an intermediate period act attributable to the State contains a reservation or condition for the benefit of Aboriginal peoples, or
- (b) the doing of an intermediate period act attributable to the State would affect rights or interests (other than native title rights and interests) of Aboriginal peoples (whether arising under legislation, at common law or in equity and whether or not rights of usage).

(2) Division 2A (Effect of validation of intermediate period acts on native title) does not affect a reservation or condition or rights or interests mentioned in this section.

Part 3 Confirmation of certain rights

16 Object of this Part

The object of this Part is to confirm, in accordance with section 212 (Confirmation of ownership of natural resources, access to beaches etc) of the Commonwealth Native Title Act—

- (a) any existing ownership of natural resources and certain water and fishing access rights, and
- (b) public access to and enjoyment of beaches and certain other places.

- (1) The existing ownership of all natural resources owned by the State is confirmed.
- (2) All existing rights of the State to use, control and regulate the flow of water are confirmed.
- (3) All existing fishing access rights under State law are confirmed to prevail over any other public or private fishing rights.

18 Confirmation of access to certain areas (NTA, sec 212 (2) and (3))

Existing public access to and enjoyment of the following areas is confirmed—

- (a) waterways,
- (b) beds and banks or foreshores of waterways,
- (c) coastal waters,
- (d) beaches,

(da) stock-routes,

(e) areas that were public places at the end of 31 December 1993.

Note—

Under section 212 (3) (which deals with the effect of confirmation of ownership of natural resources, the right to flow of water and fishing access rights and with confirmation of access to certain areas) of the Commonwealth Native Title Act, the confirmation made by sections 17 and 18 does not extinguish native title rights and interests and does not affect a conferral of land or waters, or an interest in land or waters, under a law that confers benefits only on Aboriginal peoples.

Part 4 Confirmation of past extinguishment of native title

Division 1 Objects of this Part

19 Objects of this Part

(1) The objects of this Part are—

- (a) to confirm the complete extinguishment of native title by previous exclusive possession acts attributable to the State, and
- (b) to confirm the partial extinguishment of native title by previous non-exclusive possession acts attributable to the State.

(2) The confirmation is as contemplated by sections 23E and 23I of the Commonwealth Native Title Act.

Division 2 Confirmation of extinguishment of native title by previous exclusive possession acts

20 Confirmation of extinguishment of native title by previous exclusive possession acts of the State (NTA, secs 23E and 23C)

(1) **Acts other than public works** If an act is a previous exclusive possession act under section 23B (2) (including because of section 23B (3)) of the Commonwealth Native Title Act and is attributable to the State—

- (a) the act extinguishes any native title in relation to the land or waters covered by the freehold estate, Scheduled interest or lease concerned, and
- (b) the extinguishment is taken to have happened when the act was done.

(2) **Public works** If an act is a previous exclusive possession act under section 23B (7) (which deals with public works) of the Commonwealth Native Title Act and is attributable to the State—

- (a) the act extinguishes native title in relation to the land or waters on which the public work concerned (on completion of its construction or establishment) was or

is situated, and

(b) the extinguishment is taken to have happened when the construction or establishment of the public work began.

(3) **Other extinguishment provisions do not apply** If this section applies to the act, Divisions 2 and 2A of Part 2 do not apply to the act.

21 Preservation of beneficial reservations and conditions (NTA, secs 23E and 23D)

If—

(a) a previous exclusive possession act attributable to the State contains a reservation or condition for the benefit of Aboriginal peoples, or

(b) the doing of a previous exclusive possession act attributable to the State would affect rights or interests (other than native title rights and interests) of Aboriginal peoples (whether arising under legislation, at common law or in equity and whether or not rights of usage),

nothing in section 20 affects that reservation or condition or those rights or interests.

22 Confirmation of validity of use of certain land held by Crown etc (NTA, secs 23E and 23DA)

To avoid doubt, if the act is a previous exclusive possession act because of section 23B (9C) (b) (which deals with grants to the Crown etc) of the Commonwealth Native Title Act, the use of the land or waters concerned as mentioned in that paragraph is valid.

Division 3 Confirmation of partial extinguishment of native title by previous non-exclusive possession acts

23 Confirmation of partial extinguishment of native title by previous non-exclusive possession acts of the State (NTA, secs 23I and 23G)

(1) Subject to subsection (2), if a previous non-exclusive possession act is attributable to the State—

(a) to the extent that the act involves the grant of rights and interests that are not inconsistent with native title rights and interests in relation to the land or waters covered by the lease concerned, the rights and interests granted, and the doing of any activity in giving effect to them, prevail over the native title rights and interests but do not extinguish them, and

(b) to the extent that the act involves the grant of rights and interests that are inconsistent with native title rights and interests in relation to the land or waters covered by the lease concerned—

(i) if, apart from this Act, the act extinguishes the native title rights and

interests—the native title rights and interests are extinguished, and

(ii) in any other case—the native title rights and interests are suspended while the lease concerned, or the lease as renewed, re-made, re-granted or extended, is in force, and

(c) any extinguishment under this subsection is taken to have happened when the act was done.

(2) If the act is the grant of a pastoral lease or an agricultural lease to which section 10 applies, this section does not apply to the act.

(3) If this section applies to an act, Divisions 2 and 2A of Part 2 do not apply to the act.

24 Preservation of beneficial reservations and conditions (NTA, secs 23I and 23H)

If—

(a) a previous non-exclusive possession act attributable to the State contains a reservation or condition for the benefit of Aboriginal peoples, or

(b) the doing of a previous non-exclusive possession act attributable to the State would affect rights or interests (other than native title rights and interests) of Aboriginal peoples (whether arising under legislation, at common law or in equity and whether or not rights of usage),

nothing in section 23 affects that reservation or condition or those rights or interests.

25 Notification (NTA, secs 23I and 23HA)

In the case of a previous non-exclusive possession act to which section 23F (3) (c) (ii) of the Commonwealth Native Title Act applies—

(a) notice must be given, in the way determined in writing by the Commonwealth Minister, to any representative Aboriginal/Torres Strait Islander bodies, registered native title bodies corporate and registered native title claimants in relation to the land or waters that will be affected by the act about the doing or proposed doing of the act, or acts of that class, in relation to the land or waters concerned, and

(b) they must be given an opportunity to comment on the act or class of acts.

Note—

Section 23J NTA provides native title holders with an entitlement to compensation from the State in respect of certain acts attributable to the State that extinguish native title under this Part.

Part 5 Validation of transfers under land rights legislation

26 Object of this Part

- (1) The object of this Part is to validate certain transfers under the *Aboriginal Land Rights Act 1983*.
- (2) The validation is as contemplated by sections 22I–22L of the Commonwealth Native Title Act.

27 Validation of transfers (NTA, sec 22J)

If—

- (a) future acts consist of the transfer of lands under section 36 of the *Aboriginal Land Rights Act 1983*, and
- (b) the claims for the lands were made before 28 November 1994, and
- (c) the acts took place before or take place after the commencement of section 22J of the Commonwealth Native Title Act, and
- (d) the acts are not intermediate period acts, and
- (e) the acts are invalid to any extent because of Division 3 of Part 2 of the Commonwealth Native Title Act or for any other reason, but would be valid to that extent if native title did not exist in relation to the lands,

the acts are valid, and are taken always to have been valid.

28 Effect of validation on native title (NTA, sec 22K)

The non-extinguishment principle applies to the acts.

Note—

Section 22L NTA provides native title holders with an entitlement to compensation from the State in respect of acts attributable to the State that are validated under this Part.

Part 6 Validation of acts covered by indigenous land use agreements

29 Objects of this Part

- (1) The objects of this Part are—
 - (a) to validate certain future acts that are covered by indigenous land use agreements, and

- (2) The validation or change is as contemplated by section 24EBA of the Commonwealth Native Title Act.

30 Validation of future acts covered by indigenous land use agreements (NTA, sec 24EBA (1)–(5))

- (1) **Coverage of section** The consequences set out in this section apply if—
- (a) details are on the Register of Indigenous Land Use Agreements of an agreement that includes a statement to the effect that the parties agree to—
 - (i) the validating of a particular future act (other than an intermediate period act), or future acts (other than intermediate period acts) included in classes, that have already been done invalidly, or
 - (ii) the validating, subject to conditions, of a particular future act (other than an intermediate period act), or future acts (other than intermediate period acts) included in classes, that have already been done invalidly, and
 - (b) the act or class of acts is attributable to the State, and the State is a party to the agreement, and
 - (c) where, whether under the agreement or otherwise, a person other than the Crown in right of the Commonwealth, a State or a Territory is or may become liable to pay compensation in relation to the act or class of acts—that person is a party to the agreement.
- (2) **State future acts are valid** If this section applies, the future act or class of future acts is valid, and is taken always to have been valid.
- (3) **Non-extinguishment principle applies to future acts** If this section applies, the non-extinguishment principle applies to the act or class of acts unless—
- (a) the act or class of acts is the surrender of native title, and

- (4) **Compensation consequences of future acts** If this section applies, the consequences set out in section 24EB (4), (5) or (6) of the Commonwealth Native Title Act, and the consequences set out in section 24EB (7) of that Act, apply to the act or to each of the acts in the class.

31 Change of effects of validation of intermediate period acts covered by indigenous land use agreements (NTA, sec 24EBA (1) and (6))

- (1) **Coverage of section** The consequences set out in this section apply if—
- (a) details are on the Register of Indigenous Land Use Agreements of an agreement that includes a statement to the effect that the parties agree to changing the effects, that are provided for by Division 2A of Part 2, of an intermediate period act or of intermediate period acts included in classes, and

- (b) the act or class of acts is attributable to the State, and the State is a party to the agreement, and
- (c) where, whether under the agreement or otherwise, a person other than the Crown in right of the Commonwealth, a State or a Territory is or may become liable to pay compensation in relation to the act or class of acts—that person is a party to the agreement.

- (2) **Changing the effects of validated intermediate period acts** If this section applies, the effects mentioned in subsection (1) (a) are changed in accordance with the agreement.

Part 7 Independent adjudication of certain native title objections under Commonwealth Act

32 Object of this Part
