Part 2 Adjustment of fees and contributions for inflation

1 Definitions

In this Part—

CPI number means the Consumer Price Index (All Groups Index) for Sydney published by the Australian Bureau of Statistics in the latest published series of that index.

financial year means a period of 12 months commencing on 1 July.

2 Calculation of fee unit for purposes of Regulation

(1) For the purposes of this Regulation, a **fee unit** is—

- (a) in the financial year 2022-23—\$107.47, and
- (b) in each subsequent financial year—the amount calculated as follows—

$$\$100 \times \frac{A}{B}$$

where—

A is the CPI number for the March quarter in the financial year immediately preceding the financial year for which the amount is calculated.

B is the CPI number for the March quarter of 2019.

- (2) The amount of a fee unit is to be rounded to the nearest cent and an amount of 0.5 cent is to be rounded down.
- (3) However, if the amount of a fee unit calculated for a financial year is less than the amount that applied for the previous financial year, then the amount for the previous financial year applies instead.

Editorial note.

Fee unit amount calculated under this section—

Financial year	Fee unit amount
2023-24	\$115.29
2024-25	\$119.64

3 Rounding of fee amounts and contributions

- (1) The amount of a fee or contribution calculated by reference to a fee unit, including the amount of a component of a fee, is to be rounded to the nearest dollar.
- (2) An amount of 50 cents is to be rounded down.

4 Notice of indexed fees and contributions

- (1) As soon as practicable after the CPI number for the March quarter is first published by the Australian Statistician, the Secretary is required to—
 - (a) notify the Parliamentary Counsel of the amount of the fee unit for the next financial year so notice of the amount can be published on the NSW legislation website, and
 - (b) give public notice on an appropriate government website of the actual amounts of the fees and contributions applying in each financial year resulting from the application of the amount of a fee unit calculated under this Part.
- (2) This Part operates to change an amount of a fee or contribution that is calculated by reference to a fee unit and that change is not dependent on the notification or other notice required by this section.
