Penrith Local Environmental Plan 1991 (Environmental Heritage Conservation) (1991 EPI 674)

New South Wales

Part 1 Preliminary

1 Name of plan

This plan may be cited as *Penrith Local Environmental Plan 1991 (Environmental Heritage Conservation)*.

2 Heritage aims and objectives

- (1) The general aim of this plan is to assist in the conservation and enhancement of the heritage items and heritage conservation areas of the City of Penrith.
- (2) The particular objectives of this plan are—
 - (a) to identify heritage items and heritage conservation areas,
 - (b) to integrate heritage conservation into the planning and development control processes,
 - (c) to provide for public involvement in the matters relating to the conservation of the area's environmental heritage,
 - (d) to control the demolition of heritage items and other buildings and works within heritage conservation areas,
 - (e) to identify those matters requiring consideration by developers and by the Council during processing of development applications,
 - (f) to ensure that new development is undertaken in a manner that is sympathetic to, and does not detract from, the heritage significance of the items and their settings, as well as streetscapes and landscapes and the distinctive character that they impart to the land to which this plan applies,
 - (g) to provide incentives to owners of heritage items, and

- (h) to protect and promote the use and development of land for arts and cultural activity, including music and other performance arts.

3 Land to which plan applies

- (1) This plan applies to all land within the City of Penrith.
- (2) This plan does not apply to the heritage items specified in Part 3 (Deferred heritage items) of Schedule 2.

4 Relationship to other environmental planning instruments

- (1) In the event of an inconsistency between this plan and any other local environmental plan or deemed environmental planning instrument, this plan shall prevail to the extent of the inconsistency.
- (2) In the event of an inconsistency between this plan and *State Environmental Planning Policy (Precincts—Western Parkland City) 2021*, Chapter 5, the State environmental planning policy shall prevail to the extent of the inconsistency.
- (3) Clauses 6, 9 and 10 of *State Environmental Planning Policy No 4—Development Without Consent* do not apply to a heritage conservation area within the meaning of this plan.

5 Amendment of certain other environmental planning instruments

- (1) Each interim development order specified in Column 1 of Part 1 of Schedule 1 is amended by inserting after the clause specified in Column 2 of that Schedule opposite that order the following clause, numbered as shown in Column 3 of that Schedule opposite that order—

Relationship to Penrith Local Environmental Plan 1991 (Environmental Heritage Conservation)

In the event of an inconsistency between this Order and *Penrith Local Environmental Plan 1991 (Environmental Heritage Conservation)*, that plan shall prevail to the extent of the inconsistency.

- (2) Each local environmental plan specified in Column 1 of Part 2 of Schedule 2 is amended by inserting after the clause specified in Column 2 of that Schedule opposite that plan the following clause, numbered as shown in Column 3 of that Schedule opposite that plan—

Relationship to Penrith Local Environmental Plan 1991 (Environmental

Heritage Conservation)

In the event of an inconsistency between this plan and *Penrith Local Environmental Plan 1991 (Environmental Heritage Conservation)*, that plan shall prevail to the extent of the inconsistency.

- (3) *Penrith Planning Scheme Ordinance* is amended by inserting after clause 1 the following clause—

1A Relationship to Penrith Local Environmental Plan 1991 (Environmental Heritage Conservation)

In the event of an inconsistency between this Ordinance and *Penrith Local Environmental Plan 1991 (Environmental Heritage Conservation)*, that plan shall prevail to the extent of the inconsistency.

- (4) *Penrith Local Environmental Plan No 43* is further amended by omitting clause 12 (b).

- (5) *Penrith Local Environmental Plan No 179* is further amended—

(a) by omitting from clause 5 (1) the definitions of **demolition**, **item of environmental heritage**, **relic** and **renovation**,

(b) by omitting clauses 13, 14, 15 and 16.

6 Definitions

In this plan—

alter, in relation to a heritage item or to a building or work within a heritage conservation area, means—

- (a) make structural changes to the outside of the heritage item, building or work, or
- (b) make non-structural changes to the detail, fabric, finish or appearance of the outside of the heritage item, building or work, other than changes that maintain existing detail, fabric, finish or appearance of the outside of the heritage item, building or work.

appointed day means the day upon which this plan takes effect.

Council means the Council of the City of Penrith.

demolition, in relation to a heritage item or to a building, work, relic or place within a heritage conservation area, means the damaging, defacing, destruction, pulling down or removal of the heritage item, building, work, relic or place in whole or in part.

heritage conservation area means the land—

- (a) shown edged heavy black, stippled and marked “Heritage Conservation Area” on the map, and
- (b) described in Part 2 of Schedule 2.

heritage item means a building, work, relic, tree or place of heritage significance—

- (a) situated on land shown edged heavy black on the map, and
- (b) described in Part 1 of Schedule 2.

heritage significance means historic, scientific, cultural, social, archaeological, architectural, natural or aesthetic significance.

maintenance means the continuous protective care of the fabric of a heritage item and its setting.

relic means any deposit, object or material evidence (terrestrial or underwater) relating to the use or settlement of the land to which this plan applies which is 50 or more years old.

the Act means the [Environmental Planning and Assessment Act 1979](#).

the map means the map marked “Penrith Local Environmental Plan 1991 (Environmental Heritage Conservation)” and deposited in the office of the Council.

7 Consent authority

- (1) The Council shall be the consent authority for the purposes of this plan.
- (2) Despite subclause (1), the Minister shall be the consent authority for the purposes of this plan in respect of land to which [State Environmental Planning Policy \(Precincts—Western Parkland City\) 2021](#), Chapter 5 applies.

Part 2 Special provisions

8 Heritage items

- (1) A person must not, in respect of a building, work, tree, relic or place that is a heritage item—
 - (a) demolish or alter the building or work,
 - (b) damage or move the relic,
 - (c) excavate for the purpose of exposing the relic,
 - (d) damage or despoil the place or tree,
 - (e) erect a building on, or subdivide, land on which the building, work or relic is

situated or that comprises the place, or

(f) damage any tree on land on which the building, work or relic is situated or on the land which comprises the place,

except with the consent of the Council.

(2) An applicant for consent required by this clause must lodge with the Council a statement which includes reference to the following matters—

- (a) the significance of the item as a heritage item,
- (b) the extent to which the proposal would affect the heritage significance of the item and its site,
- (c) whether any stylistic, horticultural or archaeological features of the item or its site should be retained,
- (d) whether the item constitutes a danger to the users or occupiers of that item or to the public,
- (e) whether the permanent conservation of the building or work is considered necessary,
- (f) the probability of the building or work being incapable of reasonable or economic use.

(3) The Council must, in determining an application required by this clause, take into consideration the matters listed in subclause (2).

Note—

The website of the Heritage Branch of the Department of Planning has publications that provide guidance on assessing the impact of proposed development on the heritage significance of items (for example, *Statements of Heritage Impact*).

9 Development in the vicinity of heritage items

The Council must not grant consent to an application to carry out development on land in the vicinity of a heritage item unless it has made an assessment of the effect the carrying out of that development will have on the heritage significance of the item and its setting.

10 Heritage conservation areas

(1) A person must not, in respect of a heritage conservation area—

- (a) demolish or alter a building or work within the area,
- (b) damage or move a relic within the area,
- (c) excavate for the purpose of exposing a relic within the area,

- (d) damage or despoil a place or tree within the area, or
 - (e) erect a building on, or subdivide, land within the area,
except with the consent of the Council.
- (2) An applicant for consent to erect a building required by this clause must lodge with the Council a statement which includes reference to the following matters—
- (a) the pitch and form of the roof,
 - (b) the style, size, proportion and position of the openings for windows and doors,
 - (c) whether the colour, texture, style, size and type of finish of the materials to be used on the exterior of the building are compatible with the materials used in the existing buildings in the heritage conservation area.
- (3) The Council must, in determining an application required by this clause, take into consideration—
- (a) the matters listed in subclause (2), and
 - (b) the extent to which the carrying out of the proposed development would affect the heritage significance of the heritage conservation area.

11 (Repealed)

12 Conservation incentives relating to heritage items

- (1) Nothing in this plan prevents the Council from granting consent to an application—
- (a) to use, for any purpose, a building that is a heritage item or the land on which the building is erected, or
 - (b) to use, for any purpose, a building within a heritage conservation area or the land on which that building is erected,
- if it is satisfied that—
- (c) the proposed use would have little or no adverse effect on the amenity of the area, and
 - (d) the conservation of the building is unlikely unless the Council grants consent as referred to in this clause.
- (2) When considering an application to carry out development on land upon which there is situated a heritage item, the Council may vary the provisions of any applicable codes, policies and development control plans of the Council if the Council is satisfied that the conservation of the heritage item depends upon the Council granting consent to the application.

13 Standards that cannot be used to refuse consent—playing and performing music

- (1) The consent authority must not refuse consent to development in relation to licensed premises on the following grounds—
 - (a) the playing or performance of music, including the following—
 - (i) the genre of music played or performed, or
 - (ii) whether the music played or performed is live or amplified, or
 - (iii) whether the music played or performed is original music, or
 - (iv) the number of musicians or live entertainment acts playing or performing, or
 - (v) the type of instruments played,
 - (b) whether dancing occurs,
 - (c) the presence or use of a dance floor or another area ordinarily used for dancing,
 - (d) the direction in which a stage for players or performers faces,
 - (e) the decoration to be used, including, for example, mirror balls, or lighting used by players or performers.
- (2) The consent authority must not refuse consent to development in relation to licensed premises on the grounds of noise caused by the playing or performance of music, if the consent authority is satisfied the noise may be managed and minimised to an acceptable level.
- (3) In this clause—

licensed premises has the same meaning as in the [Liquor Act 2007](#).
