the board may reprimand or caution such person or may remove his or her name from the register or suspend his or her registration for such period as the board shall think fit.

(2) Without limiting the meaning of the expression “misconduct in any professional respect” in this section, a registered optometrist shall be deemed guilty of such misconduct who:

- (4) In the case of a conviction as aforesaid, no person shall have his or her name removed from the register or have his or her registration suspended on account thereof if such offence does not, either from its trivial nature or from the circumstances under which it was committed, render such person unfit in the public interest to practise optometry.
- (5) In making any such inquiry, the board shall sit as in open court, and the person charged shall be afforded an opportunity of defence either in person or by counsel.
- (6) Whenever the registration of an optometrist is suspended under the provisions of this section, the registrar shall enter in the register a memorandum of that fact and of the date and cause thereof.

(c) give the reasons for the decision.

(6) Despite any other provision of this section, the board is not required to include confidential information in any such statement, and if a statement would be false or misleading if it did not include the confidential information, the board is not required to provide the statement.

(a) the confidential information is not included, or

(b) the statement will not be provided,

as appropriate, and giving the reasons why the confidential information is not included or the statement will not be provided.

(a) has not previously been published or made available to the public when a written statement of a decision to which it is or may be relevant is being prepared,

(b) relates to the personal or business affairs of a person, other than a person to whom the board is required (or would, but for subsection (6), be required) to provide a written statement of a decision, and

(ii) the publication of which would reveal a trade secret,

(1) The board must notify the Health Care Complaints Commission of any complaint made to it concerning the practice of optometry by a registered optometrist. The complaint

is to be notified as soon as practicable after the complaint is made.

- (2) The board may, instead of making inquiry under section 15, refer the matter that would otherwise be the subject of inquiry for investigation by the Health Care Complaints Commission under the [Health Care Complaints Act 1993](#).
- (3) Such an investigation by the Health Care Complaints Commission is taken, for the purposes of this Act, to be an inquiry made by the board but does not prevent the board from making any further or additional inquiry.

16 Registration of name removed

- (1) Where the board directs the removal from the register of the name of any person, the name of that person shall not be again entered in the register except by direction of the board or by order of a district court.
