Canterbury Local Environmental Plan No 148—Campsie Precinct (1997 EPI 132)

New South Wales

General provisions

1 Name of plan

This plan is called *Canterbury Local Environmental Plan No 148—Campsie Precinct*.

2 Where the plan applies

The plan applies to all land shown within the heavy blue line on the map which is referred to in this plan as the Campsie Precinct. The map is held in the office of the Council of the City of Canterbury.

3 Aims of the plan

The plan aims to achieve:

- (a) a variety of dwelling types throughout the Council area to cater for various life styles and population growth without having adverse effects on the amenity of the area,
- (b) commercial and business centres which maintain the established hierarchy of centres and allow for a variety of retail, office and business uses,
- (c) light industrial development which caters for traditional and modern forms of development without adversely affecting the amenity, health or safety of employees and surrounding residents,
- (d) community facilities and utilities located throughout the Council area,
- (e) recreational opportunities and facilities located throughout the Council area,
- (f) the creation of employment opportunities,
- (g) development which promotes the economic and efficient provision of public services and amenities,
- (h) protection of the environmental heritage of the area,

- (i) public involvement and participation in environmental planning and assessment.

4 Effects of the plan on other instruments etc

- (1) This plan repeals the following environmental planning instruments:

- (a) *Canterbury Planning Scheme Ordinance* as it applies to land which this applies,
- (b) Interim Development Orders Nos 30, 31, 48, 50 and 51—City of Canterbury,
- (c) all other local environmental plans that applied to the land to which this plan applies and that were in force immediately before the appointed day, but only to the extent that they applied to that land.

- (2) If any agreement, covenant or similar instrument restricts development allowed by this plan, then the agreement, covenant or instrument shall not apply to that development (to the extent necessary to allow that development).

- (3) Before making this plan, the Governor approved of subclause (2) pursuant to section 28 of the Act.

5 Terms used in the plan

Terms used in the plan are defined as follows:

advertisement means the display of symbols, messages or other devices for promotional purposes or for conveying information, instructions, directions or the like, whether or not the display includes the erection of a structure or the carrying out of a work.

advertising structure means a structure used or to be used for the display of an advertisement.

alter, in relation to a heritage item means:

- (a) make structural changes to the outside of the heritage item, or
- (b) make non-structural changes to the detail, fabric, finish or appearance of the outside of the heritage item, not including changes that maintain the existing detail, fabric, finish or appearance of the outside of the heritage item.

amusement centre means premises at which more than 2 amusement machines may be used (whether or not in conjunction with another use).

amusement machine means a machine, appliance or game table (whether coin operated or not) mechanically or electronically powered that releases or makes available balls, discs or other items for projection in or on the machine by the use of springs, flippers, paddles or cues, or electronic appliances which are controlled or partly controlled by a computer associated with an electronic screen operated by one or more players for

amusement or recreation.

appointed day means the day on which this plan took effect.

- (a) where accommodation, meals and laundry facilities are provided to residents of the building or place, and
- (b) which is not licensed to sell liquor within the meaning of the [Liquor Act 1982](#).

bulky goods sale means the sale of goods, excluding food and clothing items, which are, in the opinion of the Council, of such a size and shape as to require:

- (a) a large area for handling, storage and display, and
- (b) easy and direct vehicular access to enable the goods to be collected by customers after sale.

child care centre means a building or place used for the supervision and care of children that:

- (a) provides long day care, pre-school care, occasional child care or out-of-school-hours care, and
- (b) does not provide overnight accommodation for children other than those related to the owner or operator of the centre,

but does not include:

- (c) a building or place used for home-based child care, or
- (d) an out-of-home care service provided by an agency or organisation accredited by the NSW Office of the Children's Guardian, or

- (e) a baby-sitting, playgroup or child-minding service that is organised informally by the parents of the children concerned, or
- (f) a service provided for fewer than 5 children (disregarding any children who are related to the person providing the service) at the premises at which at least one of the children resides, being a service that is not advertised, or
- (g) a regular child-minding service that is provided in connection with a recreational or commercial facility (such as a gymnasium), by or on behalf of the person conducting the facility, to care for children while the children's parents are using the facility, or
- (h) a service that is concerned primarily with the provision of:
 - (i) lessons or coaching in, or providing for participation in, a cultural, recreational, religious or sporting activity, or
 - (ii) private tutoring, or
- (i) a school, or
- (j) a service provided at exempt premises (within the meaning of section 200 of the *Children and Young Persons (Care and Protection) Act 1998*), such as hospitals, but only if the service is established, registered or licensed as part of the institution operating on those premises.

community facility means a building or place owned or controlled by a public authority which is used to provide for the physical, social, cultural or intellectual development or welfare of the local community, but does not include a building or place elsewhere defined in this clause.

conservation plan means a document establishing the significance of a heritage item and identifying the policies that are appropriate to enable that significance to be retained in its future use and development.

Council means the Council of the City of Canterbury.

demolition, in relation to a heritage item, means the damaging, defacing, destruction, pulling down or removal of the heritage item, in whole or in part.

dwelling means a room or number of rooms occupied or used, or so constructed or adapted as to be capable of being occupied or used, as a separate household.

dwelling-house means a dwelling which is the only dwelling erected on an allotment of land.

education establishment means a building or place used for education (including

teaching) and includes:

- (a) a school, and
- (b) a tertiary institution, being a university, TAFE establishment, teachers' college or other tertiary college providing formal education which is constituted by or under an Act, and
- (c) an art gallery or museum not used to sell the items displayed in it,

whether or not accommodation for staff and students is provided and whether or not used for the purpose of gain.

entertainment facility means a building or place used for the purpose of entertainment, exhibitions or displays, and includes a public hall, a theatre, cinema, music hall, concert hall, open air theatre, drive-in theatre, function room, night club, reception lounge, or the like.

exhibition home means a dwelling constructed for display purposes to demonstrate aspects of housing form, design, construction, materials and the like and which may or may not be used for an ancillary purpose, such as a site office used for purposes related to house sales.

health care professional means a person who provides professional health services to members of the public, and includes:

- (a) a podiatrist registered under the *Podiatrists Act 1989*, and
- (b) a chiropractor or an osteopath, or a chiropractor and an osteopath, registered under the *Chiropractors and Osteopaths Act 1991*, and
- (c) a physiotherapist registered under the *Physiotherapists Registration Act 1945*, and
- (d) an optometrist registered under the *Optometrists Act 1930*.

health consulting rooms means a medical centre that comprises one or more rooms within (or within the curtilage of) a dwelling house used by not more than 3 health care professionals who practise in partnership (if there is more than one such professional) who provide professional health care services to members of the public.

heritage item means a building, work, relic, tree or place identified in Schedule 1 as a heritage item.

heritage significance means historic, scientific, cultural, social, archaeological, architectural, natural or aesthetic significance.

home business means a business, profession or light industry carried on in a dwelling or another building on the same allotment as a dwelling-house or a dual occupancy by 1 or

more permanent residents of the dwelling concerned, in circumstances where the carrying on of the business, profession or light industry does not involve:

- (a) use of a floor area exceeding 30 square metres, or
- (b) interference with the amenity of neighbouring residential premises, or the locality as a whole, or
- (c) the display of goods, or
- (d) the display of a sign, other than a non-illuminated sign not exceeding 50 centimetres in width or 25 centimetres in height, indicating the name and occupation of the residents, or
- (e) any increase in the capacity of utility service mains in the locality.

home occupation means an occupation carried on in a dwelling-house or in a dwelling in a multiple dwelling building by the permanent residents of the dwelling-house or dwelling which does not involve:

- (a) the registration of the building under the *Factories, Shops and Industries Act 1962*, or
- (b) the employment of persons other than those residents, or
- (c) interference with the amenity of the neighbourhood by reason of the emission of noise, vibration, smell, fumes, smoke, vapour, steam, soot, ash, dust, waste water, waste products, grit or oil or otherwise, or
- (d) the display of goods, whether in a window or otherwise, or
- (e) the display of a sign, other than a non-illuminated sign not exceeding 50 centimetres in width or 25 centimetres in height, indicating the name and occupation of the residents.

hospital means a building or place used for the purpose of providing professional health services (including preventative care, diagnosis, medical or surgical treatment or counselling) to people admitted as in-patients, whether or not out-patients are also cared for or treated.

hotel means premises specified or proposed to be specified in a hotelier's licence granted under the *Liquor Act 1982*.

identified development means development that is not specified as being allowed in a zone in the Table in clause 10 but which is consistent with the objectives of the particular zone and any relevant State Environmental Planning Policy and regional environmental plan and which, in the opinion of the Council, is suitable due to the circumstances of the site and is identified in a development control plan.

light industry means the manufacturing, assembling, altering, repairing, renovation, ornamenting, finishing, cleaning, washing, dismantling, processing or adapting of any goods or articles for commercial purposes, in which the processes carried on, or the transportation involved or the machinery or materials used, do not interfere unreasonably with the amenity of the neighbourhood, but does not include development elsewhere defined in this clause.

local shop means a building on land zones for residential purposes which was constructed for a shop use and which is not suitable on physical or economic grounds for conversion to, or replacement by, a residential use.

10A What is exempt and complying development?

- (1) Development of minimal environmental impact listed in Schedule 1 to *Development Control Plan No 31—Exempt and Complying Development Code* as adopted by the Council on 10 May 2001 is **exempt development**, despite any other provision of this plan.
- (2) Development listed in Schedule 2 to *Development Control Plan No 31—Exempt and Complying Development Code* as adopted by the Council on 10 May 2001 is **complying development** if:
 - (a) it is local development of a kind that can be carried out with consent on the land on which it is proposed, and
 - (b) it is not an existing use, as defined in section 106 of the Act.
- (3) Development is exempt or complying development only if it complies with the development standards and other requirements applied to the development by *Development Control Plan No 31—Exempt and Complying Development Code* as adopted by the Council on 10 May 2001.
- (4) A complying development certificate issued for any complying development is to be subject to the conditions for the development specified in Schedule 3 to *Development Control Plan No 31—Exempt and Complying Development Code* adopted by the Council, as in force when the certificate is issued.

11 Zone objectives

Before granting consent to development within a zone, the Council must take into consideration the zone objective. The development objectives of zones are as follows:

(1) Zone No 2 (a) (Residential “A” Zone)

The objective of this zone is to achieve:

- (a) Residential development comprising single dwellings, dual occupancies, town houses and villa homes, and
- (b) Development which will not detrimentally affect the residential character or amenity of the area.

(2) Zone No 2 (c) (Residential “C” Zone)

The objective of this zone is to achieve:

- (a) Residential development allowed in the Residential “A” zone and multiple unit housing, and
- (b) Development which will not detrimentally affect the residential character or

amenity of the area.

(3) Zone No 3 (a) (General Business Zone)

The objective of this zone is to achieve a hierarchy of shopping centres containing a range of retail, office and related uses, which contribute to employment and economic growth of the area.

(4) Zone No 3 (e) (Business Office Zone)

The objective of this zone is to achieve:

- (a) office development which provides for employment and economic growth of the area, and
- (b) suitable associated uses which support office development.

(5) Zone No 3 (f) (Specialised Business Zone)

The objective of this zone is to achieve:

- (a) comprehensive development for a variety of retail, display, business and office uses which serve a regional or specialised demand and do not detrimentally affect the amenity of residential areas, and
- (b) development that does not significantly compete with, or detract from, existing retail centres in the area.

(6) Zone No 4 (a) (Light Industrial Zone)

The objective of this zone is to achieve:

- (a) a range of light industries which expand the local employment base and do not detrimentally affect the amenity of residential areas, and
- (b) suitable uses which support industrial development.

(7) Zone No 4 (d) (Industrial Business Zone)

The objective of this zone is to achieve a variety of business, office and compatible light industrial development and other suitable uses which contribute to employment and economic growth of the area.

(8) Zone No 5 (Special Uses Zone)

The objective of this zone is to indicate land which is currently used or is intended to be used in the future for community services and utility undertakings.

(9) Zone No 6 (a) (Public Open Space Zone)

The objective of this zone is to indicate:

- (a) land which is currently used or is intended to be used in the future for private recreation and community purposes, and
- (b) suitable associated activities which support the recreational and community use of the land.

(10) Zone No 6 (b) (Private Open Space Zone)

The objective of this zone is to indicate:

- (a) land which is currently used or is intended to be used in the future for private recreational purposes, and
- (b) suitable associated activities which support the recreational use of the land.

(11) Zone No 6 (c) (Regional Open Space Zone)

The objective of this zone is to indicate:

- (a) land which is currently used or is intended to be used in the future for regional open space purposes, and
- (b) suitable associated activities which support the recreational use of the land.

(12) Zone No 9 (Arterial Road Reservation and Arterial Road Widening Zone)

The objective of this zone is to indicate land required for new arterial roads or the widening of existing arterial roads within the City of Canterbury.

Special provisions

12 Advertising

- (1) The Council will advertise applications for consent to development (except designated development) involving the following in a local newspaper for a minimum period of 21 days and will advise occupiers of surrounding properties by letter of the proposal:
 - amusement centres, child care centres, community facilities, entertainment facilities, hotels, identified development, places of worship, recreation areas, recreation facilities, registered clubs, roads or telecommunications facilities.
- (2) The Council need not advertise a development application (not being an application relating to designated development) listed in subclause (1) if (in the opinion of the Council) it involves only minor alterations or additions to existing development and the scale, size or degree of the existing development is not being significantly changed.

13 Preservation of trees

- (1) Council may make a tree preservation order.
- (2) A tree preservation order may relate to any tree or trees or to any specified, class, type or description of trees on land described particularly or generally by reference to the City of Canterbury or any divisions of the area.
- (3) If a tree preservation order is in force in relation to any land, a person must not, except with the consent of the Council, ringbark, cut down, top, lop, remove, injure or destroy a tree on that land, other than where it can be demonstrated to the satisfaction of Council that the tree is dying, dead or has become dangerous.
- (4) The Council may not grant consent for any action referred to in subclause (3) unless it has made an assessment of the importance of the tree or trees in relation to:
 - (a) soil stability and prevention of land degradation, and
 - (b) scenic or environmental amenity, and
 - (c) vegetation systems and natural wildlife habitats.
- (5) This clause does not apply to trees in a State Forest or on other Crown timber land within the meaning of the *Forestry Act 1916*, or to trees required to be trimmed in accordance with clause 23 of the *Electricity (Overhead Line Safety) Regulation 1991*.

14 Floor space ratios for non-residential development in a residential zone

- (1) The maximum floor space ratio for non-residential development in a residential zone is 0.5:1.0 in the Residential “A” zone and 0.75:1.0 in the Residential “C” zone.
- (2) In this clause, **floor space ratio**, in relation to a building, means the ratio of the gross floor area of the building to the area of the site on which the building is, or is proposed to be, erected.

15 Community uses of schools

The Council may consent to the community use of the facilities and sites of schools, colleges and other educational establishments and to the commercial operation of those facilities and sites.

The Council may also consent to community uses on land used for the purposes of schools, colleges or other educational establishments.

16 Recreation areas

The Council must not consent to the carrying out of development on land owned by the Council within Zone No 6 (a), unless consideration has been given to:

- (a) the need for the proposed development of the land,

- (b) whether the impact of the proposed development will be detrimental to the existing or likely future use of the land,
- (c) whether any proposed building will be secondary and complementary to the existing use of the land as public open space,
- (d) whether the proposal will diminish public use of and access to open space to an unacceptable degree,
- (e) whether the proposal is compatible with adjacent uses in relation to its height, bulk, noise generation, traffic generation and any other aspects that might conflict with surrounding uses, and
- (f) whether the proposal is consistent with any Plan of Management adopted by Council.

17 Development below high water mark

- (1) The consent of the Council is required for any development on land:
 - (a) below high water mark, or
 - (b) forming part of the bed of a river, creek or other natural water course, or
 - (c) which has been reclaimed.
- (2) The Council must not consent to any development on land referred to in subclause (1) unless it has made an assessment of the effect of carrying out of development will have on the existing aquatic environment and the potential use of the river, creek or watercourse for recreational purposes.

18 Temporary use of land

Nothing in this plan prevents the Council from granting consent to the use of land for any purpose (not being designated development) for a maximum period of 28 days, whether consecutive or non consecutive, in any one year.

18A Telecommunications facility on unzoned land

The consent of the Council is required for all development for the purpose of telecommunications facilities on unzoned land.

19-21 (Repealed)

22 Acquisition and development of land reserved for roads

Note—

Nothing in this clause is to be construed as requiring a public authority to acquire land—see section 27 (3) of the Act.

- (1) In this clause:

the RTA means the Roads and Traffic Authority constituted under the *Transport Administration Act 1988*.

vacant land means land on which, immediately before the day on which a notice under subclause (2) is given, there were no buildings other than fences, greenhouses, conservatories, garages, summerhouses, private boathouses, fuel sheds, tool sheds, cycle sheds, aviaries, milking bails, haysheds, stables, fowlhouses, pigsties, barns, or the like.

- (2) The owner of any vacant land within Zone No 9 may, by notice in writing, require:
 - (a) the RTA—in the case of land that is included in the 5 year Works Program of the RTA current at the time of receipt of the notice, or
 - (b) the Corporation—in any other case,to acquire the land.
- (3) The owner of any land within Zone No 9 that is not vacant may, by notice in writing, require the RTA to acquire the land if:
 - (a) the land is included in the 5 year Works Program of the RTA current at the time of the receipt of the notice, or
 - (b) the RTA has decided not to give concurrence to an application for consent to the carrying out of development on the land, or
 - (c) the RTA is of the opinion that the owner of the land will suffer hardship if the land is not acquired within a reasonable time.
- (4) On receipt of a notice under this clause, the RTA or the Corporation, as the case may be, must acquire the land unless the land might reasonably be required to be dedicated for public roads.
- (5) A person may, with the consent of the Council, carry out development on land within Zone No 9:
 - (a) for a purpose for which development may be carried out on land in an adjoining zone, or
 - (b) for any purpose that is compatible with development that may be carried out on land in an adjoining zone.
- (6) (Repealed)
- (7) Land acquired under this clause may be developed, with the consent of the Council, for any purpose, until such time as it is required for the purpose for which it was reserved.

23 Acquisition of privately owned land zoned 6 (a) (Public Open Space) or zoned 6 (c) (Regional Open Space)

- (1) Land zoned 6 (a) (Public Open Space) must be acquired by the Council upon request by the owner. The request must be made in writing.
- (2) Before acquisition, any development may be carried out on such land, but only with the consent of Council.
- (3) Land zoned 6 (c) (Regional Open Space) must be acquired by the Corporation upon request by the owner. The request must be made in writing.

24 Heritage items

- (1) A person must not, in respect of a building, work, relic, tree or place that is a heritage item:
 - (a) demolish or alter the building or work, or
 - (b) damage or move the relic, or
 - (c) excavate for the purpose of exposing the relic, or
 - (d) damage or despoil the place or tree, or
 - (e) erect a building on, or subdivide, land on which the building, work or relic is situated or that comprises the place, or
 - (f) damage any tree on land on which the building, work or relic is situated or on the land which comprises the place,except with the consent of the Council.
- (2) The Council must not grant consent to a development application required by this clause unless it has taken into consideration the extent to which the carrying out of the proposed development would affect the heritage significance of the item and any stylistic or horticultural features of its setting.
- (3) The Council may decline to grant consent to a development application required by this clause until it has considered a conservation plan so as to enable the Council to fully consider the heritage significance of the item and the impact of the proposed development on the significance of the item and its setting.

Note—

The website of the Heritage Branch of the Department of Planning has publications that provide guidance on assessing the impact of proposed development on the heritage significance of items (for example, *Statements of Heritage Impact*).

25 Development in the vicinity of heritage items

The Council must not grant consent to an application for consent to carry out development on land in the vicinity of a heritage item unless it has made an assessment of the effect the carrying out of that development will have on the heritage significance of the item and its setting.

26 Heritage advertisements

- (1) Except as provided by this clause, sections 84, 85, 86, 87 (1) and 90 of the Act apply to and in respect of the demolition of a heritage item in the same way as those provisions apply to and in respect of designated development.
- (2), (3) (Repealed)
- (4) This clause does not apply to the partial demolition of a heritage item if, in the opinion of the Council, the partial demolition will be of a minor nature and will not adversely affect the heritage significance of the heritage item in relation to the land to which this plan applies.

27 Conservation incentives

Nothing in this plan prevents the Council from granting consent to the use, for any purpose, of part or all of any building that is a heritage item, or the land on which the building is erected, if it is satisfied that the proposed use would have little or no adverse effect on the amenity of the area and the conservation of the building depends on the Council granting that consent.

28 Development of land for certain additional purposes

Notwithstanding the provisions of this plan, a person may, with the consent of the Council, carry out development on land referred to in Column 1 of Schedule 2 for a purpose specified in Column 2 of that Schedule, subject to conditions, if any, imposed by the Council under the Act.

29 Savings

Nothing in this plan prohibits or restricts:

- (a) the use of existing buildings of the Crown by the Crown, or
- (b) the carrying out by persons carrying on railway undertakings on land comprised in their undertakings of:
 - (i) any development required in connection with the movement of traffic by rail, including the construction, reconstruction, alteration, maintenance and repair of ways, works and plant, or
 - (ii) the erection within the limits of a railway station or buildings for any purpose,

but excluding:

- (iii) the construction of new railways, railway stations and bridges over roads, and
 - (iv) the erection, reconstruction and alteration of buildings for purposes other than railway undertaking purposes outside the limits of a railway station, and the reconstruction or alteration, so as materially to affect their design, of railway stations or bridges, and
 - (v) the formation or alteration of any means of access to a road, and
 - (vi) the erection, reconstruction and alteration of buildings for purposes other than railway undertaking purposes where such buildings have direct access to a public place, or
- (c) the carrying out by persons carrying on public utility undertakings, being water, sewerage, drainage, electricity or gas undertakings, of any of the following development, being development required for the purpose of their undertakings:
- (i) development of any description at or below the surface of the ground,
 - (ii) the installation of any plant inside a building, or the installation or erection within the premises of a generating station or substation established before the appointed day of any plant or other structures or erections required in connection with the station or substation,
 - (iii) the installation or erection of any plant or other structures or erections by way of addition to or replacement or extension of plant or structures or erections already installed or erected, including the installation in an electrical transmission line of substations, feeder-pillars or transformer housing, but not including the erection of overhead lines for the supply of electricity or pipes above the surface of the ground for the supply of water, or the installation of substations, feeder-pillars or transformer housing of stone, concrete or brickworks,
 - (iv) the provision of overhead service lines in pursuance of any statutory power to provide a supply of electricity,
 - (v) the erection of service reservoirs, but only on land acquired or in process of being acquired for that purpose before the appointed day, provided reasonable notice of the proposed erection is given to the Council,
 - (vi) any other development, except:
 - (A) the erection of buildings, the installation or erection of plant or other structures or erections and the reconstruction or alteration, so as materially to affect their design or external appearance, of buildings, or
 - (B) the formation or alteration of any means of access to a road, or

- (d) the carrying out by persons carrying on public utility undertakings, being water transport undertakings, or land comprised in their undertakings, of any development required in connection with the movement of traffic by water, including the construction, reconstruction, alteration, maintenance and repair of ways, buildings, wharves, works and plant required for the purpose, except:
 - (i) the erection of buildings and the reconstruction or alteration of buildings so as materially to affect their design or external appearance, or
 - (ii) the formation or alteration of any means of access to a road, or
- (e) the carrying out by persons carrying on public utility undertakings, being wharf or river undertakings, on land comprised in their undertakings, of any development required for the purposes of shipping or in connection with the embarking, loading, discharging or transport of passengers, livestock or goods at a wharf, or the movement of traffic by a railway forming part of the undertaking, including the construction, reconstruction, alteration, maintenance and repair of ways, buildings, works and plant for those purposes, except:
 - (i) the construction of bridges, the erection of any other buildings, and the reconstruction or alteration of bridges or of buildings so as materially to affect their design or external appearance, or
 - (ii) the formation or alteration of any means of access to a road, or
- (f) the carrying out by persons carrying on public utility undertakings, being road transport undertakings, on land comprised in their undertakings, of any development required in connection with the movement of traffic by road, including the construction, reconstruction, alteration, maintenance and repair of buildings, works and plant required for that purpose, except:
 - (i) the erection of buildings and the reconstruction or alteration of buildings so as materially to affect their design or external appearance, or
 - (ii) the formation or alteration of any means of access to a road, or
- (g) the carrying out of any development required in connection with the construction, reconstruction, improvement, maintenance or repair of any road, except the widening, realignment or relocation of such road, or
- (h) the carrying out or causing to be carried out by the Council, when engaged in flood mitigation works, or by the Water Administration Ministerial Corporation of any work for the purposes of soil conservation irrigation, afforestation, reforestation, flood mitigation, water conservation or river improvement in pursuance of the provision of the [Water Act 1912](#), the [Irrigation Act 1912](#), the [Farm Water Supplies Act 1946](#) or the [Rivers and Foreshores Improvement Act 1948](#), except:

- (i) the erection of buildings, the installation or erection of plant or other structures or erections and the reconstruction or alteration of buildings so as materially to affect their design or external appearance, or
 - (ii) the formation or alteration of any means of access to a road, or
- (i) land zoned Special Uses from being developed, with the consent of the Council, for the purpose denoted in black on the land on the map.

30 Subdivision of dual occupancies

The Council must not consent to the subdivision of land on which a dual occupancy is situated where it results in the street frontage of either allotment on which a dwelling is situated being less than 7.5 metres.

31 Classification and reclassification of public land as operational

- (1) The public land described in Schedule 3 is classified, or reclassified, as operational land for the purposes of the *Local Government Act 1993*, subject to this clause.
- (2) Land described in Part 1 of Schedule 3:
 - (a) to the extent (if any) that the land is a public reserve, does not cease to be a public reserve, and
 - (b) continues to be affected by any trusts, estates, interests, dedications, conditions, restrictions or covenants by which it was affected before its classification, or reclassification, as operational land.
- (3) Land described in Columns 1 and 2 of Part 2 of Schedule 3, to the extent (if any) that it is a public reserve, ceases to be a public reserve on the commencement of the relevant amending plan and, by the operation of that plan, is discharged from all trusts, estates, interests, dedications, conditions, restrictions and covenants affecting the land or any part of the land except those (if any) specified opposite the land in Column 3 of Part 2 of Schedule 3.
- (4) In this clause, ***the relevant amending plan***, in relation to land described in Part 2 of Schedule 3, means the local environmental plan that inserted the description of land into that Part.
- (5) Before the relevant amending plan inserted the description of land into Part 2 of Schedule 3, the Governor approved of subclause (3) applying to the land.

32 Development of land and vehicular access—225-249 Canterbury Road, Canterbury

- (1) This clause applies to land known as Nos 225-249 Canterbury Road, Canterbury, as shown coloured light scarlet with red edging or coloured dark green on the map marked "*Canterbury Local Environmental Plan No 148—Campsie Precinct*"

(Amendment No 10)” deposited in the office of the Council.

- (2) If the land to which this clause applies is used for residential or public open space purposes (or both), all vehicular access to the land must be via Clunes Lane, Canterbury.
