- (5) If the Minister approves the application, the number of councillors of the council is reduced to the number specified in the application with effect on and from the day appointed for the next ordinary election of councillors after the application is approved.
- (6) Section 16 does not apply to a resolution of a council to make an application to the Minister under this section.
- (7) An application may be made under this section only within the period of 12 months from the commencement of this section.
- (8) Nothing in this section prevents a council from making more than one application under this section or from taking action under section 224 to change the number of its councillors.
- (9) A council for an area that is divided into wards may not make an application under this section for a decrease in the number of councillors that would result in the number of councillors for each ward being fewer than 3.

- (3) Despite subsections (1) and (2), a council need not give public notice of a proposed amendment to its policy for the payment of expenses or provision of facilities if the council is of the opinion that the proposed amendment is not substantial.
- (4) Within 28 days after adopting a policy or making an amendment to a policy for which public notice is required to be given under this section, a council is to forward to the Director-General:
 - (a) a copy of the policy or amendment together with details of all submissions received in accordance with subsection (1), and

- (6) A council is not to employ a person to a position to which one or more standard forms of contract approved for the time being under this section applies or apply except under such a standard form of contract.
- (7) The council may include in an employment contract for the general manager or another member of the senior staff additional provisions to those contained in the standard form of contract but only if those provisions relate to any of the following:
 - (a) the level of remuneration or salary (including employment benefits) of the person employed under the contract,
 - (b) subject to subsections (1) and (2), performance-based requirements or the duration of the contract.
- (8) Despite subsection (6), the approval, amendment or substitution of a standard form of contract under this section does not affect any employment contract between a council and the general manager of the council or another member of the senior staff of the council if the employment contract was entered into before the approval, amendment or substitution of the standard form of contract.
