35 Validation

- (1) Anything done or purporting to have been done by the Commission before 15 April 2015 that would have been validly done if corrupt conduct for the purposes of this Act included relevant conduct is taken to have been, and always to have been, validly done.
- (2) The validation under subclause (1) extends to the validation of:
 - (a) things done or purporting to have been done by any person or body, and
 - (b) legal proceedings and matters arising in or as a result of those proceedings, if their validity relies on the validity of a thing done or purporting to have been done by the Commission.
- (3) The validation under subclause (1) extends to the validation of things on and from the date they were done or purported to have been done.
- (4) The Commission is authorised (and is taken always to have been authorised) to exercise functions under this Act on or after 15 April 2015 to refer matters for

investigation or other action to other persons or bodies, or to communicate or provide evidence given to the Commission to other persons or bodies, even if the matter arose or the evidence was given to the Commission before 15 April 2015 and its validity relies on the validation under subclause (1).

- (5) Subclause (4) applies even if any finding of corrupt conduct that relates to the matter or evidence is declared a nullity or otherwise set aside by a court.
- (6) However, a person is not (and was not) required to comply, on and after 15 April 2015, with any order, direction, summons, notice or other requirement made or issued by the Commission or an officer of the Commission before 15 April 2015 if the validity of the order, direction, summons, notice or other requirement relies on the validation under subclause (1).
