 - (a) are written-off heavy vehicles of a kind that the statutory rules provide are excluded from being registered regardless of whether they can be repaired (**statutory written-off heavy vehicles**), or
 - (b) are written-off heavy vehicles of a kind that the statutory rules provide can be registered if they are repaired in the circumstances prescribed by the statutory rules (**repairable written-off heavy vehicles**), or
 - (c) were previously written-off heavy vehicles but which have since been repaired and then registered (**former written-off heavy vehicles**).
- (2) The register is to contain such information as the Authority thinks appropriate.
- (3) In this section **written-off heavy vehicle** includes any heavy vehicle:

- (2) If the Authority cancels the registration of a heavy vehicle under this section, the Authority must immediately notify the registered operator of the vehicle of the cancellation.
- (3) Despite section 2.8 of the *Motor Accident Injuries Act 2017* and section 14 (3) of the *Motor Accidents Compensation Act 1999*, a third-party policy (within the meaning of those Acts) is not cancelled immediately upon cancellation of registration of a heavy vehicle under this section and continues to have effect until the day on which the registered operator of the vehicle is given notice of the cancellation of registration.
- (4) In this section:

interstate written-off heavy vehicle means a heavy vehicle recorded on a register of written-off vehicles (however described) of another jurisdiction as:
