- (b) having the function of advising the public health organisation in relation to the appointment of persons as visiting practitioners to the public health organisation and the clinical privileges that should be granted to those persons.

5 Advertising of available appointments as visiting practitioners

- (1) A public health organisation that decides to make available an appointment as a visiting practitioner must advertise the availability of the appointment in at least one newspaper circulating generally in New South Wales. The public health organisation may, in addition, advertise the availability in other ways.
- (2) An application for appointment as a visiting practitioner is to be made in writing to the public health organisation concerned and is to include:
 - (a) a statement setting out, in a manner that satisfies the public health organisation, the clinical privileges sought by the applicant, and
 - (b) an authority for the medical and dental appointments advisory committee of the public health organisation to obtain information as to the applicant's past performance as a medical practitioner or dentist, as the case may be.
- (3) On receipt of the application, the public health organisation is to refer the application to the advisory committee for advice.
- (4) Subclauses (1)–(3) do not apply:
 - (a) to an appointment as a visiting practitioner that is to be held as part of the duties of a person who is to be or has been appointed to a teaching position at a tertiary institution, or
 - (b) to an appointment as a visiting practitioner that is to be held by a person for a period of not more than 6 months, or

- (2) A person is, if otherwise qualified, eligible for re-appointment from time to time.
- (3) Despite subclause (1), a person may be appointed as a visiting practitioner for the duration of the person's appointment to a teaching position at a tertiary institution (or for such lesser period as the public health organisation may determine) if the public health organisation has first obtained the advice of the medical and dental appointments advisory committee about the length of the appointment.
- (4) Despite subclause (1), a person may be appointed as a visiting practitioner for a period exceeding 5 years, but not exceeding 10 years, if the Director-General, in the particular circumstances of the case, approves the additional period of appointment.

8 Resignation

- (1) A person may resign an appointment as a visiting practitioner by giving 3 months' written notice of resignation to the public health organisation concerned.
