12. CLAUSE 66

Omit clause 66. Insert instead:

66. “Apportionment of costs

(1)

The Ministerial Council, after considering any recommendation of the Commission, must determine:

- (a) what contribution, if any, is to be made by any State or Territory becoming a party pursuant to clause 134; and
- (b) whether some or all of that contribution is to be made as a lump sum or in a comparable manner to a manner provided for in sub-clause 66(3), (4) or 67(2).

(2)

Subject to sub-clause 66(1), the Ministerial Council:

- (a) may, on the recommendation of the Commission, from time to time determine which proportion of the services provided by the Commission's water business is attributable to each State Contracting Government; and
- (b) must, at intervals not exceeding five years, reconsider the proportions determined under paragraph 66(2)(a); and
- (c) may, on the recommendation of the Commission, alter the proportions determined under paragraph 66(2)(a).

(3)

Unless the Ministerial Council decides otherwise and subject to any decision of the Ministerial Council under sub-clause 66(1), a State Contracting Government must contribute to operation and maintenance costs in the relevant proportion determined under sub-clause 66(2).

(4)

Unless the Ministerial Council decides otherwise and subject to any decision by the Ministerial Council under sub-clause 66(1) and the provisions of clause 67:

- (a) the Commonwealth Government must contribute one-quarter of all investigations, construction and administration costs after first deducting any contribution to those costs made by any State or Territory:
 - (i) becoming a party pursuant to clause 134; or
 - (ii) pursuant to any understanding reached between that State or Territory and the Contracting Governments; and
- (b) the State Contracting Governments must together contribute three-quarters of all investigations, construction and administration costs:
 - (i) relating to the Commission's water business, in the relevant proportions determined under sub-clause 66(2); and
 - (ii) relating to measures implemented under this Agreement, in equal shares.

(5)

The Ministerial Council, after considering any recommendation by the Commission, must determine whether the costs of any special action taken under sub-clause 48(5) are investigations, construction and administration costs or operation and maintenance costs.”.

13. CLAUSE 67

Omit clause 67. Insert instead:

67. “Borrowings and Annuity Contributions

(1)

The Commission may, with the prior approval of the Ministerial Council, obtain financial accommodation with respect to any:

- (a) investigations, construction and administration costs; and
- (b) major or cyclic maintenance costs,

incurred, or which the Commission proposes to incur, for the purposes of the Commission’s water business.

(2)

The Ministerial Council, on the recommendation of the Commission, may from time to time determine that a Contracting Government must make an annual annuity contribution in respect of either or both of:

- (a) investigations, construction and administration costs; and
- (b) major or cyclic maintenance costs,

which the Contracting Government might otherwise be required to contribute under sub-clause 66(1), (3), paragraph 66(4)(a) or sub-paragraph 66(4)(b)(i), in any future year.

(3)

In fixing any annuity contribution under sub-clause 67(2), the Ministerial Council must have regard to the Commission’s estimate of costs which will be incurred during the next ensuing 30 years (or such other period as the Commission determines) in relation to either or both of:

- (a) the construction or renewal; and
- (b) major or cyclic maintenance,

of works constructed, operated, maintained or renewed for the purposes of the Commission’s water business (as the case requires) including any interest or other sums receivable or payable in respect of any income received, or any financial

accommodation obtained, by the Commission from time to time in relation to those works.

(4)

For the purposes of this Part, the Commission must establish guidelines for determining what is, and what is not, major or cyclical maintenance.”.

14. CLAUSE 68

Omit clause 68. Insert instead:

68. “Annual and forward estimates

(1)

The Commission must prepare:

- (a) detailed annual estimates of its known and anticipated expenditure for the next financial year; and
- (b) forward estimates of its known and anticipated expenditure for the two successive financial years following the next financial year.

(2)

Annual and forward estimates must:

- (a) be in such form as may from time to time be agreed between the Commission and the Ministerial Council; and
- (b) show the estimated amount to be contributed by each Contracting Government; and
- (c) be sent to each Contracting Government before the end of March in each year; and
- (d) be approved by the Ministerial Council,

and may be revised from time to time with the approval of the Ministerial Council.”.
