(2) Notes included in this Regulation do not form part of this Regulation.

Part 2 Appointments

4 Pre-placement health assessments

- (1) A person may not be appointed to an officer's position before the person's fitness to carry out the duties of the position has been confirmed by a health assessment.
- (2) Fitness to carry out duties includes the ability to carry out those duties without endangering the health and safety of the public, of other persons employed in the Department and of the person concerned.
- (3) The health assessment is to be in the form considered necessary by the appropriate Department Head.
- (4) The form of the health assessment may include (but is not limited to) any one or more of the following:
 - (a) a declaration (which may be a statutory declaration if required) provided by the person concerning any illness, disability or condition of which the person is aware that might make the person unfit to carry out the duties of the position,
 - (b) a medical examination by a medical practitioner approved by the appropriate Department Head,
 - (c) an examination by a medical practitioner, an optometrist or other appropriately qualified health care professional, approved by the appropriate Department Head, of a particular aspect of the person's health likely to detrimentally affect the person's capacity to carry out the duties of the position.
- (5) The appropriate Department Head is to give the health care professional providing a health assessment referred to in subclause (4) (c) any requested information about the duties of the position concerned that is reasonably required for the purpose of providing the assessment.
- (6) This clause does not limit any requirements made by the appropriate Department Head with respect to health assessments of persons employed as temporary employees.

5 Selection procedures for officers

- (1) Unless the appropriate Department Head otherwise determines, a selection

committee is to be established to assess the merit of applicants for appointment to a vacant officer's position.

- (2) A selection committee should, as far as practicable:
 - (a) consist of at least 2 persons, and
 - (b) include at least one person who does not hold a position in the branch of the Department in which the vacant position exists, and
 - (c) be constituted so as to ensure the fairest consideration of all applicants.
- (3) A selection committee must, as far as practicable, deal with each applicant in a similar fashion, but the committee is not required to grant an interview to all applicants.
- (4) A selection committee may use a range of processes as the basis of determining the merit of the applicants, including interviews and objective work-related tests. The committee is not obliged to use any particular process.
- (5) Nothing in this clause requires a Department Head to adopt any recommendation made by a selection committee in relation to the filling of a vacancy.

6 Selection in special cases

- (1) A person (whether or not an officer) may be appointed to an officer's position (other than a senior executive position) in accordance with the special procedures prescribed by this clause.
- (2) The appropriate Department Head may, with the approval of the Public Service Commissioner, recommend the appointment of a person belonging to a disadvantaged group of persons to a position in the Department that the Department Head considers suitable for the person.
- (3) A **disadvantaged group** of persons is a group of persons in the community that the Public Service Commissioner has designated as a disadvantaged group for the purposes of this clause. The Public Service Commissioner may so designate any group of persons who suffer a disadvantage in employment, including but not limited to:
 - (a) Aboriginals or Torres Strait Islanders, or
 - (b) persons who have a disability within the meaning of the [Anti-Discrimination Act 1977](#).
- (4) A person may be recommended for appointment under this clause only if the person belongs to a relevant disadvantaged group and, in the opinion of the appropriate Department Head, has the greatest merit of the eligible persons seeking appointment in accordance with this clause.

- (5) The Public Service Commissioner is to determine the general or selective advertising or search procedures to be used for the purposes of seeking eligible persons for appointment under this clause and the selection procedures to be used for selecting a person from among the eligible persons seeking appointment.

7 Exception—appointment of chief executive officers

This Part does not apply to or in respect of appointments to chief executive positions.

Part 3 Conditions of service

8 Application of Part

The provisions of this Part:

- (a) are subject to any State industrial instrument, and
- (b) unless the contrary intention appears, apply to all members of staff, and
- (c) in the case of executive officers—are subject to the contract of employment under Part 3.1 of the Act between the executive officer and the executive officer's employer.

9 Hours of attendance on duty

- (1) The hours of attendance on duty of members of staff and the manner of recording their attendance are to be as determined from time to time by the appropriate Department Head. Any such determination is to be made in accordance with any direction of the Public Service Commissioner.
- (2) The appropriate Department Head or a person authorised by the appropriate Department Head may require a member of staff to perform duty beyond the hours determined under subclause (1), but only if it is not unreasonable for the member of staff to be required to do so.

- (1) In this clause:

local holiday means a public holiday that is not a public holiday throughout the State.

- (4) Nothing in this clause affects the taking of any action under Part 2.7 of the Act in relation to a member of staff who is absent from duty without authorised leave.

12 Increments

- (1) This clause does not apply to executive officers.
- (2) The payment to any member of staff of an increment in accordance with any State industrial instrument or public service determination is, unless otherwise provided by the instrument or determination, to be made only with the prior approval of the appropriate Department Head.
- (3) The payment of an increment to a member of staff is subject to the satisfactory conduct of, and the satisfactory performance of duties by, the member of staff as determined by the appropriate Department Head.
- (4) A member of staff must be promptly notified in writing by the appropriate Department Head of any decision to defer payment of an increment.
- (5) The payment of an increment may be deferred from time to time, but may not be deferred for more than 12 months at any one time.

13 Health and safety

- (1) For the purposes of this clause, a member of staff is not fit for work if the health of the member of staff:
 - (a) may render the member of staff a danger to other members of staff or to the public, or
 - (b) is likely to be seriously affected by the staff member remaining on duty or, if the member of staff is absent from duty, by the staff member resuming duty.
- (2) If the appropriate Department Head has reason to believe that a member of staff is not fit for work, he or she may direct the member of staff to submit to such medical examination or other health assessment as the Department Head may, on the advice of a nominated medical assessor, consider necessary.
- (3) If the appropriate Department Head has issued a direction under subclause (2) to a member of staff, the member of staff:
 - (a) must, if on duty, cease duty immediately, and
 - (b) must not resume duty until the completion of the medical examination or other health assessment concerned unless the concurrence of a nominated medical assessor is first obtained or a certificate is furnished by a medical practitioner that the member of staff is fit for work.
- (4) If the appropriate Department Head receives a health assessment from a nominated medical assessor that a member of staff:
 - (a) is fit for work, the Department Head is to direct in writing that the member of staff, if absent from duty, must resume duty, or

- (5) If a direction has been given to a member of staff under subclause (4), the nature of the leave, if any, to be granted to the member of staff during the absence from duty is to be determined by the appropriate Department Head after consideration of any relevant advice of the nominated medical assessor.
- (6) A member of staff to whom a direction has been given under subclause (4) (b) must not resume duty unless the appropriate Department Head, on the advice of a nominated medical assessor, approves in writing.
- (7) The appropriate Department Head is to give the health care professional providing a health assessment of a member of staff under this clause any requested information about the duties of the staff member's position that is reasonably required for the purpose of providing the assessment.

(8) In this clause:

Part 4 Allowances

Division 1 Preliminary

14 Application of Part

The provisions of this Part are subject to any State industrial instrument.

Note—

Other allowances are set out in the *Crown Employees (Public Service Conditions of Employment) Award 2009*.

15 Rates and conditions of payment of allowances

- (1) The rates and conditions of payment of allowances under this Part are, subject to this Part, to be as determined by the Director-General of the Department of Premier and Cabinet from time to time.
- (2) If an allowance under this Part is payable at a daily rate, the amount to be paid for a portion of a day is to be the appropriate proportion of the daily rate and, for the purpose of calculating that amount, any fraction of an hour is to be corrected to the nearest half-hour.

16 Payment where allowance not adequate or available

- (1) If the appropriate Department Head is satisfied that, but for this clause, the actual expenses properly and reasonably incurred by a member of staff in the performance of official duties:
 - (a) are not adequately covered by an allowance to which the member of staff is entitled under this Part, or
 - (b) are not covered by any allowance payable under this Part or under any State industrial instrument,the member of staff is to be paid an allowance equivalent to the amount of those additional expenses or the amount of those expenses, as the case may be.
- (2) An allowance is not payable under this clause unless the member of staff produces official receipts for the expenses incurred by the member of staff.
- (3) An allowance under this clause may be reduced if it exceeds without good cause any limit approved in advance by the appropriate Department Head for the expenses concerned.

Division 2 Higher duties and acting allowances

17 Entitlement to allowance when relieving in other positions

- (1) This clause applies when the appropriate Department Head directs that the duties of a position which is vacant, or the holder of which is suspended, sick or absent, are to be performed by one or more other members of staff.
- (2) A member of staff who, during a period of relief in another position, satisfactorily performs, in the opinion of the appropriate Department Head, the whole of the duties and assumes the whole of the responsibilities of that position is to be paid by allowance any difference between the staff member's present salary or wage and the salary or wage to which the member of staff would have been entitled if appointed to that position.
- (3) A member of staff who, during a period of relief in another position, does not perform the whole of the duties or assume the whole of the responsibilities of that position is to be paid that proportion of the allowance referred to in subclause (2) that the duties satisfactorily performed and responsibilities assumed bear to the whole of the duties and responsibilities of that position. The amount of the allowance so paid is to be as determined by the appropriate Department Head.
- (4) In this clause, a reference to the duties and responsibilities of a position is a reference to those duties and responsibilities that, during the period of relief, the member of staff appointed to the position would ordinarily have performed or assumed.
- (5) Except where the Director-General of the Department of Premier and Cabinet otherwise determines, an allowance is not to be paid under this clause in respect of a single period of relief in another position of less than 5 ordinary working days.
- (6) An allowance is not to be paid under this clause in respect of any unbroken period of leave, exceeding 5 ordinary working days, taken by the member of staff during any period of relief in another position.
- (7) Despite subclause (6), if a member of staff affords part-time relief in a position on a continuing basis, an allowance is to be paid under this clause calculated as though the member of staff were relieving on a full-time basis but the amount of the allowance is to be calculated in the same proportion as the ordinary weekly hours actually worked bear to the weekly hours required to be worked by a full-time member of staff appointed to the position.
- (8) A member of staff appointed to a position the principal purpose of which is to provide relief in certain other positions is not, unless otherwise determined by the appropriate Department Head, to be paid an allowance under this clause except in respect of so much of a single period of relief in the same position as exceeds 13 weeks.

18 Allowance for acting or temporary appointments

- (1) This clause applies when an officer is appointed to act in another position, or is temporarily appointed to another position, which is vacant or the holder of which is suspended, sick or absent.
- (2) Any such officer is to be paid by allowance any difference between the officer's present salary or wage and the salary or wage to which the officer would have been entitled if appointed to that position (other than on an acting or temporary basis).

19 Member of staff not to suffer reduction in remuneration

A member of staff relieving, acting in, or temporarily appointed to another position is not, as a result, to suffer any reduction in salary or wage.

20 Provisions relating to executive positions

- (1) For the purposes of this Division, the salary or wage of an executive officer is, subject to this clause, the amount of the remuneration package for the executive position concerned.
- (2) If the remuneration package for an executive position consists of a range of amounts, the salary or wage is the amount within that range to which the officer is entitled (in the case of the officer's present salary or wage) or the amount within that range determined by the officer's employer (in the case of the salary or wage to which the officer would have been entitled if appointed to the executive position concerned).
- (3) If an officer who is not an executive officer relieves or acts in an executive position, the salary or wage to which the officer would have been entitled if appointed to the executive position is to be reduced by the superannuation guarantee amount payable in respect of the officer.
- (4) In this clause, **executive position** and **remuneration package** have the same meanings they have in Part 3.1 of the Act.

Division 3 Relocation expenses

21 Relocation expenses—senior executive officers

- (1) A senior executive officer is, in connection with any relocation during the term of the officer's employment, entitled to any relocation expenses payable under the applicable State industrial instrument to an officer who is not a senior executive officer.

- (3) The Minister for Disability Services may, by order, approve a person or body as a disability employment organisation if satisfied that the person or body conducts a business a principal purpose of which is to provide employment to persons with a disability.
- (4) An approval may apply to a specified person or body or to all members of a specified class of persons or bodies.
- (5) An approval may apply to a branch or unit within a larger body. For that purpose, a reference in this clause to a body includes a reference to a branch or unit within a larger body.
- (6) An approval may be limited to specified goods and services supplied by a person or body. In that case, the person or body is approved as a disability employment organisation only in relation to those specified goods and services.

- (8) The register is to be kept by a person or body appointed for the time being by the Minister for Disability Services to maintain the register.
- (9) Information contained on the register is to be made available to the public in such manner as the Minister for Disability Services directs.
- (10) In this clause, **disability**, in relation to a person, has the same meaning as it has in the *Disability Discrimination Act 1992* of the Commonwealth.

21C Procurement arrangements for other public bodies

- (1) The Board may enter into agreements with public bodies that are not government agencies relating to the procurement of goods and services by and for those bodies.
