Part 4 Polls of banana growers

12 List of banana growers

(2) If, after application made in accordance with the regulations for the purpose, a person is not satisfied with the result of the application, that person may apply as prescribed to the Local Court for an order that the name of the person or a particular voting entitlement for the person be included in the list.

(3) The Local Court has the jurisdiction to hear and determine the matter of the application and may:

(a) order that the name of the applicant be included in the list or that a particular voting entitlement for the person be included in the list, or

(b) dismiss the application.

(4) If an order is made under subsection (3) (a), the list is to be changed in the manner necessary to give effect to the order.

(5) If the name of a person appears on the list for a poll and the person fails to vote at the poll, the person is liable to a penalty not exceeding 0.1 penalty unit.

(6) If the name of a person does not appear on the list compiled under this section for a poll and the person votes at the poll, the person is guilty of an offence against this Act.

Maximum penalty: 20 penalty units.

12A Voting entitlements of banana growers in poll

- (1) A banana grower who is entitled to vote in a poll is entitled to cast a vote or votes at a poll according to the area of the plantation on which bananas are grown by or on behalf of the banana grower, as follows:
 - (a) if the area of the plantation exceeds the minimum area but does not exceed 4 hectares—1 vote,
 - (b) if the area of the plantation exceeds 4 hectares but does not exceed 8 hectares—2 votes,
 - (c) if the area of the plantation exceeds 8 hectares—3 votes.
- (2) If bananas are grown by or on behalf of a banana grower on more than one plantation (whether or not in the same region), the number of votes the banana grower may cast is to be determined by reference to the total area of all plantations on which bananas are grown by or on behalf of the banana grower.
- (3) However, if there is more than one banana grower in relation to a plantation, the regulations may provide for the entitlement of those banana growers to vote and the number of votes (if any) that may be cast by each banana grower. A banana grower's entitlement to vote and the determination of the number of votes that the banana grower may cast in a poll is subject to any such regulations.
- (4) The maximum number of votes that may be cast by a banana grower in a poll (whether or not bananas are grown by or on behalf of the banana grower on more than one plantation) is 3 votes.
- (5) In this section:

minimum area, in relation to a plantation, means the minimum area prescribed for the purposes of paragraph (b) of the definition of **plantation** in section 2 (1) or, if no minimum area is prescribed, 0.5 hectares.

13 Poll for purposes of sec 7 or 9

A poll for the purposes of section 7 or 9:

- (a) shall be taken by the Committee on a day notified by the Committee by advertisement for the purpose or, if the Committee by a subsequent advertisement notifies a later day for the purpose, on that later day, and
- (b) shall not be in favour of the question to be decided at the poll unless a majority of votes at the poll is in favour of the question.

14 Poll for dissolution of Committee

A poll at which the question to be decided is whether the Committee should be dissolved:

- (a) shall be taken only at the request, by petition to the Governor, of not less than 100 persons whose names are, or who are entitled to have their names, included in a list compiled under section 12,
- (b) shall, where so requested, be taken on a day notified by the Governor for the purpose by proclamation, being a day not earlier than 30 days after publication of the proclamation or, if the Governor by a subsequent proclamation notifies a later day for the purpose, on that later day,
- (c) shall not be in favour of the question to be decided at the poll unless:
 - (i) not less than three-fifths of the persons required to vote at the poll have so voted, and
 - (ii) a majority of the votes at the poll is in favour of the question, and
- (d) is not to be taken unless the Committee has first made provision, in accordance with the regulations, for the costs and expenses of the poll.

15 One banana grower to vote per plantation

- (1) For the purposes of a poll, if 2 or more persons are banana growers in relation to one plantation:
 - (a) only one of them is entitled to vote in respect of that plantation in the poll, and
 - (b) both or all of them may, by agreement, nominate in writing addressed to the Chairperson which of them is entitled to vote, and
 - (c) if a nomination is not made under paragraph (b), the Chairperson is to determine the person who is entitled to vote.
- (2) If a person is a banana grower in relation to more than one plantation, this section is subject to any regulations under section 12A. For example, the regulations may provide that if 2 or more persons are banana growers in relation to more than one plantation, only one of them is entitled to vote in the poll in respect of all or any of those plantations.

15A Banana grower must be fully paid up to be entitled to vote in poll

A person is not entitled to vote in a poll if the person has not paid all charges, fees and other amounts due and payable to the Committee under this Act in respect of the financial year last preceding the poll by the close of enrolments for the poll under the regulations.

16 (Repealed)

Part 4A Election of regional members of Committee

16A Regional members to be elected

- (1) A regional member is to be elected, in accordance with the regulations, by banana growers who are entitled to vote in the election for the region concerned.
- (2) One regional member is to represent each region.
- (3) The regulations may make provision for or with respect to the persons who are entitled to be nominated as candidates for election as regional members. A person's nomination is invalid if the person is not entitled to be so nominated.

16B Banana growers who are entitled to vote in election

- (1) Subject to this Part, a banana grower is entitled to vote in the election of a regional member if bananas are grown by or on behalf of the banana grower on a plantation that is situated within the region concerned.
- (2) If bananas are grown by or on behalf of a banana grower on plantations that are situated in different regions or on a plantation that is situated partly in one region and partly in another region, the banana grower is entitled to vote in an election in respect of one region only. That region is to be the region duly nominated by the banana grower or determined by the Chairperson under section 16C.

16C Nomination of region

- (1) A banana grower who is otherwise entitled to vote in an election may at any time, by notice in writing given to the Chairperson, nominate the region in respect of which he or she intends to vote. The nomination is not valid unless the banana grower is a banana grower in relation to a plantation that is wholly or partly situated in that region.
- (2) The Chairperson may at any time, by notice in writing to a banana grower, require the banana grower to make such a nomination within the time specified in the notice.
- (3) If a nomination is not duly made within that time, the Chairperson is to determine the region in respect of which the banana grower is to vote (being a region in which a plantation is wholly or partly situated on which bananas are grown by or behalf of the banana grower). The Chairperson is to give notice of that determination to the banana grower as soon as practicable after it is made.
- (4) Once a nomination by, or determination with respect to, a banana grower is made under this section, it cannot be changed by further nomination or determination except in special circumstances approved by the Chairperson. For example, the Chairperson may approve a banana grower changing the region in which he or she is entitled to vote because the banana grower is no longer a banana grower in relation to a plantation situated in the region previously nominated.

16D Voting entitlements of regional banana growers in election

- (1) A banana grower who is entitled to vote in an election is entitled to cast a vote or votes in the election according to the area of the plantation on which bananas are grown by or on behalf of the banana grower, as follows:
 - (a) if the area of the plantation exceeds the minimum area but does not exceed 4 hectares—1 vote,
 - (b) if the area of the plantation exceeds 4 hectares but does not exceed 8 hectares—2 votes,
 - (c) if the area of the plantation exceeds 8 hectares—3 votes.
- (2) If bananas are grown by or on behalf of a banana grower on more than one plantation (whether or not in the same region), the number of votes the banana grower may cast is to be determined by reference to the total area of all plantations on which bananas are grown by or on behalf of the banana grower.
- (3) (Repealed)
- (4) The maximum number of votes that may be cast by a banana grower in an election (whether or not bananas are grown by or on behalf of the banana grower on more than one plantation) is 3 votes.
- (5) In this section:

minimum area has the same meaning as in section 12A.
