17AB Club amalgamations

- (1) 2 or more registered clubs may amalgamate in accordance with this Division.
- (2) An amalgamation of 2 or more registered clubs:
 - (a) is effected by:
 - (i) the dissolution of each of those clubs and the formation of a new club that owns or occupies the same premises (or part of the same premises) of at least one of the dissolved clubs, and
 - (ii) the transfer, under section 60 of the *Liquor Act 2007*, to the new club of the club licence or licences held by the dissolved club or clubs in respect of those premises, or
 - (b) is effected by:
 - (i) the continuation of one of those clubs and the dissolution of the other club or clubs, and
 - (ii) the transfer, under section 60 of the *Liquor Act 2007*, of the club licence held by each of those dissolved clubs to the continuing club.

Note—

Under section 60 (6) of the *Liquor Act 2007* the club licence held by a dissolved club may be transferred to the parent (or amalgamated) club only if the Authority is satisfied that the requirements of this Division have been complied with.

- (3) This Division (including any regulations made in relation to club amalgamations) extends, with such modifications as are necessary, to a proposed amalgamation in which one of the parties involved comprises those members of an amalgamated club who represent the interests of a proposed de-amalgamated club (being a club that is to result from a de-amalgamation under Division 1B). Accordingly, a reference in this Division (and in any such regulation) to a registered club includes a reference to a proposed de-amalgamated club and the members of that proposed de-amalgamated club are taken to be the members of the amalgamated club before the de-amalgamation.

[15] Section 17AC Definitions

Division 1B Provisions relating to club de-amalgamations

17AJ Club de-amalgamations

- (1) An amalgamated club may de-amalgamate in accordance with this Division.
- (2) The de-amalgamation of an amalgamated club is effected by:
 - (a) the formation of a new registered club (referred to in this Division as the **de-amalgamated club**), and
 - (b) the transfer to the de-amalgamated club of the title to (or of the right to occupy) the premises (or any part of the premises) that were, immediately before the amalgamation with the parent club, owned or occupied by the dissolved club (referred to in this Division as the **relevant premises**), and
 - (c) the transfer to the de-amalgamated club, under section 60 of the *Liquor Act 2007*, of the club licence held by the amalgamated club in respect of the relevant premises.

Note—

Under section 60 (6) of the *Liquor Act 2007* the club licence held by the amalgamated club for the relevant premises may be transferred to the de-amalgamated club only if the Authority is satisfied that the requirements of this Division have been complied with.

- (3) In this Division:

dissolved club and **parent club** have the same meanings as in Division 1A.
- (4) For the purposes of this Division, **the members of the dissolved club** include any person who, following the amalgamation, has become a member of the amalgamated club but only in relation to the relevant premises.

17AK Notification of proposed de-amalgamation and making of submissions

- (1) If an amalgamated club is proposing to de-amalgamate, the club must, in accordance with the regulations, notify its members of the proposed de-amalgamation.
- (2) Any person may, subject to and in accordance with the regulations, make a written submission to the Authority in relation to a proposed de-amalgamation under this Division.
- (3) If any such submission is made to the Authority, the Authority is to take the

submission into consideration before deciding whether or not to approve the transfer under section 60 of the *Liquor Act 2007* to the de-amalgamated club of the licence held by the parent club in respect of the relevant premises.

17AL Statement relating to proposed de-amalgamation

- (2) Any such statement must be made available in the manner required by the regulations.

17AM Other matters to be considered in relation to club de-amalgamations

Without limiting section 60 of the *Liquor Act 2007*, the Authority may not approve the transfer to the de-amalgamated club of the licence held by the parent club in respect of the relevant premises unless the Authority is satisfied that:

- (a) the de-amalgamated club will meet the requirements set out in section 10 (1), and
- (b) the de-amalgamated club will be financially viable, and
- (c) the proposed de-amalgamation is in the interests of the members of the parent club and the dissolved club, and
- (d) the proposed de-amalgamation has been approved in principle at separate extraordinary general meetings of the ordinary members of the parent club and the members of the dissolved club.

17AN Membership of de-amalgamated club

- (1) Without limiting any other provision of this Act relating to the membership of registered clubs, the membership of a de-amalgamated club is, subject to the regulations, taken to include the members of the dissolved club who have continued to be members of the parent club up until the time the de-amalgamation takes effect.
- (2) Any such members of the dissolved club are, on becoming members of the de-amalgamated club, entitled to continue as members of the parent club.

17AO Transfer of relevant premises to de-amalgamated club
