**ICV equipment** means in-car video equipment, being equipment installed in a vehicle and capable of recording visual images and sound outside the vehicle (including by means of a microphone that is separate from the equipment and vehicle).

**police activities** means activities engaged in by a police officer while exercising any functions of a police officer.

**police vehicle** means a vehicle used or operated for the purposes of police activities.

**vehicle** includes a motorcycle or other cycle, and **driver** includes the rider of a motorcycle or other cycle.

- (2) A reference in this Part to the **driver** of a police vehicle includes, in the case of a police vehicle that is not being driven, a reference to the police officer responsible for the use and operation of the vehicle as driver.

#### **108B Police activities requiring use of ICV equipment**

For the purposes of this Part, the following police activities are **police activities that require the use of ICV equipment**:

- (a) pursuing or otherwise following a vehicle with the intention of stopping or detaining the vehicle,
- (b) activities in relation to a vehicle that has been stopped or detained, or in relation to the driver or any occupant of the vehicle while in or about the vehicle (whether or not the vehicle was stopped or detained after being pursued or otherwise followed under paragraph (a)).

#### **108C Mandatory use of ICV equipment**

- (1) If a police vehicle is equipped with ICV equipment, the driver of the vehicle must ensure that while the vehicle is being used in the course of police activities that require the use of ICV equipment:
- (a) the ICV equipment is operated for the purpose of recording a view from the police vehicle of those activities, and
  - (b) a conversation between the police officer and the driver or any occupant of a vehicle stopped or detained in the course of those activities is recorded by means of the ICV equipment.
- (2) The authority conferred by this section to record a conversation (the **primary conversation**) extends to authorise the recording of another conversation the recording of which is incidental to the recording of the primary conversation or that is inadvertently or unexpectedly recorded in the course of recording the

primary conversation.

- (3) Any failure to operate ICV equipment or to record a conversation as required by this section:
  - (a) does not of itself limit or otherwise affect the admissibility of evidence of any matter concerning the police activities to which the failure related, and
  - (b) does not of itself result in any such evidence being evidence improperly or unlawfully obtained,

but this subsection does not otherwise affect the operation of any rules as to admissibility of evidence.

#### **108D Person to be informed that conversation will be recorded**

- (1) A police officer who records a conversation between the police officer and another person under this Part must inform the person (either immediately before recording of the conversation commences or as soon as practicable after recording has commenced) that the conversation will be recorded using police in-car video equipment.
- (2) This section does not apply to the recording of a conversation inadvertently or unexpectedly or incidentally to the recording of another conversation.
- (3) Recording of a conversation does not require the consent of the person and the authority conferred by this Part is not affected by any objection or refusal to consent by the person to the recording.

#### **108E Recording not authorised after arrest**

- (1) A conversation between a police officer and a person must not be recorded under this Part after the person has been arrested.
- (2) This section does not apply to the recording of a conversation inadvertently or unexpectedly or during the period between the person's arrest and the first reasonably practicable opportunity to discontinue recording of the conversation.

#### **108F Operation of [Listening Devices Act 1984](#)**

The recording of a conversation as authorised or required by this Part by means of ICV equipment does not constitute the use of a listening device for the purposes of the [Listening Devices Act 1984](#).

### **108G ICV recordings to be kept for 2 years**

The Commissioner of Police must ensure that recordings made under this Part are kept for at least 2 years after they are made.
