Part 3 Functions of Office

12 Co-ordination and implementation of management strategies

- (1) The Office is to co-ordinate and assist with the implementation of management strategies in relation to the health of the Hawkesbury-Nepean river system.
- (2) In particular, the Office may liaise with public authorities, and establish arrangements or procedures, for the purposes of:
 - (a) co-ordinating works and other activities to manage aquatic weeds in the Hawkesbury-Nepean river system, and
 - (b) managing the implementation of any agreed arrangements between the State and the Commonwealth or local councils for the recovery of the Hawkesbury-Nepean river system.

13 Provision of information about management strategies

- (1) The Office is to act as a single point of public access to information and advice about management strategies in relation to the health of the Hawkesbury-Nepean river system.
- (2) For that purpose, the Office may:
 - (a) respond to, and provide advice or other assistance in connection with, inquiries by members of the public about management strategies in relation to the health of the Hawkesbury-Nepean river system, and
 - (b) compile information about management strategies in relation to the health of the Hawkesbury-Nepean river system and provide that information to the public.

14 Public involvement in development of management strategies

- (1) The Office is to provide opportunities to the public to be involved in the development of management strategies in relation to the health of the Hawkesbury-Nepean river system.
- (2) For that purpose, the Office may:
 - (a) engage in public consultation activities for the purpose of ascertaining the views of the public or particular stakeholders about management strategies in relation to the health of the Hawkesbury-Nepean river system, and
 - (b) report or provide advice to the Minister or to any public authority about the results of any of its public consultation.

15 Assistance with in-stream development

- (1) The Office is to promote the effective management of in-stream development.
- (2) For that purpose, the Office may:
 - (a) liaise with planning authorities for the purposes of ensuring that they exercise their functions with respect to in-stream development in an integrated and efficient manner, and
 - (b) provide information and assistance to members of the public in connection with in-stream development, including by facilitating the progress of any development application relating to development in the Hawkesbury-Nepean waters.
- (3) Without limiting the above, the Office may accept from any person, and forward to the relevant consent authority:
 - (a) a development application made by the person which relates to development in the Hawkesbury-Nepean waters, and
 - (b) any fee or other documentation accompanying the development application that is provided by the person for the purposes of compliance with the requirements of the *Environmental Planning and Assessment Act 1979*, or the regulations under that Act, with respect to the making of development applications.
- (4) In this section:

consent authority has the same meaning as it has in the *Environmental Planning and Assessment Act 1979*.

Part 4 Interaction with other public authorities

17 Co-operation by public authorities

- (1) A public authority is required to co-operate with the Office in the exercise of the Office's functions, including by complying with any reasonable request for information or assistance that the Office requires to exercise its functions under this Act.
- (2) This section does not authorise or require a public authority to do anything that is inconsistent with the proper exercise of its functions under any other law.

18 Agreements with public authorities

- (1) The Office may enter into agreements and other arrangements with public authorities for the purpose of achieving the objects of this Act.
- (2) Without limiting subsection (1), any such agreement or arrangement may include provision for:
 - (a) the procedures to be implemented by the public authority to assist in achieving the objects of this Act, and
 - (b) information sharing between the Office and the public authority on matters relating to the health of the Hawkesbury-Nepean river system or in-stream development.
- (3) A public authority may, under such an agreement or arrangement, authorise the Office, as delegate of the public authority, to exercise or assist in exercising any of its functions in relation to the health of the Hawkesbury-Nepean river system or in-stream development (despite the provisions of any other Act).

Part 5 Miscellaneous

19 Personal liability

A matter or thing done or omitted to be done by the Office, the Director, the Advisory Board or a member of the Advisory Board, or a person acting under the direction of the Office, the Director or the Advisory Board does not, if the matter or thing was done or omitted in good faith for the purpose of executing this or any other Act, subject the Director, the member of the Advisory Board or the person so acting personally to any action, liability, claim or demand.

20 Annual report

The annual report of the Office is to be included in the annual report to Parliament of the Department of Water and Energy.

21 Special reports

The Office may, at any time, make a special report to the Minister for presentation to Parliament on any matter arising in connection with the exercise of its functions.

22 Seal of Office

The seal of the Office is to be kept by the Director, or by a member of the staff of the Office authorised in that behalf by the Director, and may be affixed to a document only:

- (a) in the presence of the Director or that member of the staff, and
- (b) with an attestation by the signature of the Director or that member of staff of the fact of the affixing of the seal.

23 Regulations

The Governor may make regulations, not inconsistent with this Act, for or with respect to any matter that by this Act is required or permitted to be prescribed or that is necessary or convenient to be prescribed for carrying out or giving effect to this Act.

24 Review of Act

- (1) The Minister is to review this Act to determine whether the policy objectives of the Act remain valid and whether the terms of the Act remain appropriate for securing those objectives.
- (2) The review is to be undertaken as soon as possible after the period of 5 years from the date of assent to this Act.
- (3) A report on the outcome of the review is to be tabled in each House of Parliament within 12 months after the end of the period of 5 years.
