- (1) The Minister may make a determination for the purpose of requiring a new council, in levying rates for land, to maintain the rate path last applied for the land by the relevant former council.
- (2) A determination applies to the levying of rates by the new council for the 3 rating years immediately following the rating year for which the relevant proclamation makes provision for the levying of rates (the **relevant period**).
- (3) Without limiting the content of a determination, a determination is to set out the methodology that the new council is to apply when setting rates for land for the relevant period, including in relation to the following:
 - (a) the structure of rates,
 - (b) the categorisation or subcategorisation of land for rating purposes,

- (c) the calculation of the new council's notional general income for rating purposes,
 - (d) the treatment of any variation of a former council's notional general income under Part 2 of Chapter 15 that would have been applicable, had the amalgamation effected by the relevant proclamation not occurred, to the determination of rates and charges for land within the new area.
- (4) A determination must be published in the Gazette and may be revoked or varied only by a further determination of the Minister published in the Gazette.
 - (5) While a determination is in force, the provisions of this Act that apply in relation to rates are modified to the extent necessary to give effect to the determination.
 - (6) This section does not apply to a new council constituted before 12 May 2016.
 - (7) This section does not affect any power to make a proclamation under this Part relating to rates.
 - (8) Nothing in this section prevents Mid-Coast Council from making an application under section 508A during the relevant period.

 - (11) Any prohibition that expressly prevents any new council from making an application under section 508A that is contained in the guidelines made under that section does not apply to Mid-Coast Council.
