Electricity Supply Amendment Act 1999 No 35

New South Wales

An Act to amend the *Electricity Supply Act 1995* with respect to the determination of the price for the provision of electricity network services by a transmission operator.

1 Name of Act

This Act is the *Electricity Supply Amendment Act 1999*.

2 Commencement

This Act commences or is taken to have commenced on 1 July 1999.

3 Amendment of *Electricity Supply Act 1995 No 94*

The *Electricity Supply Act 1995* is amended as set out in Schedule 1.

Schedule 1 Amendments

(Section 3)

[1] Section 43M

Omit the section. Insert instead:

43M Definitions

In this Division:

Code means the *National Electricity Code*, as in force from time to time, referred to in the *National Electricity (NSW) Law*.

direct customer of a transmission operator has the same meaning as in Division 1.

electricity network pricing determination means a determination of the transmission network service pricing in accordance with the Code for the provision of electricity transmission network services by a transmission operator.

electricity transmission network services means transmission network services regulated under Chapters 6 and 9 of the Code.

[2] Section 43N Pricing of electricity for direct customers

Omit “maximum price for electricity network services” from section 43N (1).

Insert instead “price for electricity transmission network services”.

[3] Section 43N (1)

Omit “IPART”.

[4] Section 43N (2) and (3)

Omit section 43N (2). Insert instead:

- (2) An electricity network pricing determination increased in accordance with this section has effect under the Code as if the determination included the increase.
- (3) An electricity network pricing determination that includes an amount determined by an order made as referred to in subsection (1) is not to be further increased in accordance with this section.

[5] Dictionary

Omit “transmission and” from the definition of ***electricity network services***.
