4 Definitions

In this Part:

amending Act means the *Pipelines Amendment Act 2006*.

EP&A Act means the *Environmental Planning and Assessment Act 1979*.

EP&A Act approval means development consent or an approval under the EP&A Act.

relevant time means immediately before the repeal of Division 2 of Part 2 of this Act by the amending Act.

5 Permits and pending applications for or in respect of permits

Except as provided by the regulations, the provisions of this Act as in force at the relevant time continue to apply to and in respect of:

- (a) a permit that is in force at the relevant time, and
- (b) an application for or in respect of a permit that is pending at the relevant time.

6 Licence application in respect of lands to which permit applies

- (1) Subject to subclause (2) and the regulations, the provisions of this Act as in force at the relevant time continue to apply in respect of an application for or in respect of a licence that is pending at, or made after, the relevant time if the application relates to lands in respect of which a permit under this Act has been granted.
- (2) Any function conferred on the Governor by or under this Act as in force at the relevant time is taken to be conferred instead on the Minister in so far as an application to which subclause (1) applies is concerned.

7 Duration, review and effect of existing licences

- (1) Subject to clause 6 and the regulations, an amendment made by the amending Act applies to and in respect of a licence in force immediately before the commencement of that amendment.
- (2) Section 17 (1A) of this Act applies in respect of a licence that was renewed before the commencement of that subsection as if the date of the last renewal were the date on which the licence was issued.

8 Deemed EP&A Act approvals and assessment

- (1) This clause applies to a development or an activity in respect of a pipeline that on the commencement of a provision of the amending Act (**the commencement**) becomes a development or an activity that requires EP&A Act approval (**the affected activity**).
- (2) If:

- (a) before the commencement, a permit is granted with respect to the affected activity, or
 - (b) at any time (including before the commencement), a licence is granted in respect of the affected activity and the licence relates to land in respect of which a permit has been granted,
- any EP&A Act approval required in respect of the affected activity is taken to have been granted, and all associated assessment is taken to have been carried out, in accordance with the EP&A Act.

- (3) The EP&A Act approval is taken to be subject to the same conditions as the licence or permit, as the case may be.
- (4) The provisions of the EP&A Act apply, as appropriate, in respect of EP&A Act approvals that are taken, by subclause (2), to have been granted.
- (5) This clause applies subject to the regulations.

9 Approved forms

A reference in a provision of this Act as amended by the amending Act to a form approved by the Minister is taken to be a reference to a form prescribed for the purposes of that provision immediately before the commencement of that amendment until a form is approved by the Minister for the purposes of that provision.
