Statements of Heritage Impact).

- (b) the conservation of the building depends on the granting of the consent.

18 Notice of certain heritage development applications

Sections 84, 85, 86, 87 (1) and 90 of the Act (which provide for the giving of notice, and for the making and consideration of submissions, about proposed development) apply to the demolishing, defacing or damaging of a heritage item (and to the use of a building or land referred to in clause 17 for a purpose which, but for that clause, would be prohibited by this plan) in the same way as those provisions apply to designated development.
