# Motor Accidents Compensation Regulation (No 2) 1999

New South Wales

## Part 1 Preliminary

### 1 Name of Regulation

This Regulation is the *Motor Accidents Compensation Regulation (No 2) 1999*.

### 2 Commencement

This Regulation commences on 17 December 1999.

### 3 Definition

In this Regulation:

**the Act** means the *Motor Accidents Compensation Act 1999*.

### 4 Notes

The explanatory note, table of contents and notes in the text of this Regulation do not form part of this Regulation.

## Part 2 Fees payable by insurers for certain treatment

### 5 Definition of “AMA List”

(1) In this Part:

**AMA List** means the document called *List of Medical Services & Fees* published by the Australian Medical Association and dated 1 November 1999 as amended or replaced, from time to time, by a document recognised by the Authority in accordance with subclause (2).

(2) The Authority may, by notice published in the Gazette, recognise a document, that has been published by the Australian Medical Association, as an amendment to, or replacement of, the AMA List.

## **6 Application of Part**

- (1) This Part applies in relation to treatment to which section 56 of the Act applies, being treatment:
  - (a) that is provided to an injured person by a health care professional, and
  - (b) in respect of which a fee is specified in the AMA List.
- (2) However, this Part does not apply in relation to treatment received by an injured person before the commencement of this Regulation.

## **7 Maximum amounts payable by insurer for certain treatment**

The maximum amount for which an insurer is liable in respect of any claim for fees payable for treatment to which this Part applies is the amount listed, in respect of the treatment concerned, in the AMA List.

### **Note—**

Section 56 does not apply to treatment that is provided at a hospital (whether to an in-patient or an out-patient) and for which any payment is required to be made to the hospital and not to the provider of the treatment. The section also applies to the fee payable to a private hospital for any treatment at the hospital.

## **Part 3 Costs**

### **Division 1A Unregulated costs**

#### **7A Costs not regulated by this Part**

Costs referred to in this Part (clause 15 excepted) do not include any of the following:

- (a) fees for accident investigators' reports or accident reconstruction reports,
- (b) fees for accountants' reports,
- (c) fees for reports from health professionals,
- (d) fees for other professional reports relating to treatment or rehabilitation (for example, architects' reports concerning house modifications),
- (e) fees for interpreter or translation services,
- (f) court fees,
- (g) travel costs and expenses of the claimant in the matter for attendance at medical examinations, the Claims Assessment and Resolution Service or a court,
- (h) witness expenses at the Claims Assessment and Resolution Service or a court.

## **Division 1 Maximum costs recoverable by legal practitioners**

### **8 Application of Division**

- (1) This Division is made under section 149 of the Act and applies to the following costs payable on a party and party basis, on a solicitor and client basis or on any other basis:
  - (a) legal costs, and
  - (b) costs for matters that are not legal services but are related to proceedings in a motor accidents matter.

**Note—**

Section 149 (2) of the *Motor Accidents Compensation Act 1999* provides that a legal practitioner is not entitled to be paid or recover for a legal service or other matter an amount that exceeds any maximum costs fixed for the service or matter by regulations under section 149.

- (2) This Division does not affect costs recovered before the commencement of this Regulation or for which a bill of costs was issued before that commencement.
- (3) The amendments made to this Division by the *Motor Accidents Compensation Amendment (Costs) Regulation 2001* do not affect costs recovered before the commencement of that Regulation or for which a bill of costs was issued before that commencement.

**Note—**

Section 147 (2) of the *Motor Accidents Compensation Act 1999* provides that expressions in Chapter 6 (Costs) of that Act (and consequently expressions used in this Part) have the same meaning as in Part 11 (Legal fees and other costs) of the *Legal Profession Act 1987*, except where otherwise provided. Under the *Legal Profession Act 1987*, “costs” includes barristers’ and solicitors’ fees as well as other items that may be charged by barristers and solicitors (such as expenses and disbursements).

### **9 Fixing of maximum costs recoverable by legal practitioners**

- (2) The maximum costs for:
  - (a) legal services provided by a legal practitioner to a claimant or to an insurer in any motor accidents matter, and
  - (b) matters that are not legal services but are related to proceedings in a motor accidents matter,

are the costs set out in Schedule 1, except as otherwise provided by this Part.

**Note—**

Division 2 of Part 11 of the *Legal Profession Act 1987* requires barristers and solicitors, before providing any legal services to a client, to provide the client with a written disclosure of the basis of the costs (or an estimate of the likely costs) of legal services concerned.

- (2) If there is a change in the legal practitioner retained by a claimant or insurer in a motor accidents matter, the relevant costs are to be apportioned between the legal practitioners concerned.
- (3) If there is a dispute as to such an apportionment, either legal practitioner concerned (or the client claimant or insurer concerned) may refer the dispute to a claims assessor for determination (unless the dispute arose in a matter in which, under section 92 of the Act, the claim is exempt from assessment).
- (4) A legal practitioner has the same right of appeal against a determination made under subclause (3) as the practitioner would have under section 208L or 208M of the *Legal Profession Act 1987* if the determination were a determination made by a costs assessor under Part 11 of that Act in relation to a bill of costs.

#### **10 Excluded matters**

- (1) The maximum costs set out in Schedule 1 do not apply in respect of a matter in which, under section 92 of the Act, the claim is exempt from assessment.
- (2) An exclusion under this clause in respect of a matter involving a claim referred to in section 92 (1) (b) of the Act extends to any costs incurred before the matter became exempt.

#### **11 Contracting out—solicitor/client costs**

- (1) This clause applies in respect of costs in a motor accidents matter if a legal practitioner:
  - (a) makes a disclosure under Division 2 of Part 11 of the *Legal Profession Act 1987* (sections 180 and 181 excepted) to a party to the matter with respect to the costs, and
  - (b) enters into a costs agreement (other than a conditional costs agreement, within the meaning of that Part, that provides for the payment of a premium on the successful outcome of the matter concerned) with that party as to those costs in accordance with Division 3 of that Part, and
  - (c) before entering into the costs agreement, advises the party (in a separate written document) that, even if costs are awarded in favour of the party, the party will be liable to pay such amount of the costs provided for in the costs agreement as exceeds the amount that would be payable under the Act in the absence of a costs agreement.
- (2) Schedule 1 does not apply to the costs concerned to the extent that they are payable on a solicitor and client basis.

### **Division 2 Maximum fees recoverable by medical practitioners for**

## **medico-legal services**

### **12 Application of Division**

- (1) This Division is made under section 150 of the Act and applies in respect of fees for the provision of medical reports, and appearances as witnesses, by medical practitioners.

**Note—**

Section 150 (2) of the *Motor Accidents Compensation Act 1999* provides that a medical practitioner is not entitled to be paid or recover any fee for providing a service that exceeds any maximum fee fixed under section 150 for the provision of the service.

- (2) This Division does not affect fees recovered before the commencement of this Regulation or for which a bill was issued before that commencement.

### **13 Fixing of maximum fees recoverable by medical practitioners for medico-legal services**

The maximum fees for providing a service specified in Schedule 2 in relation to any motor accident are the fees set out in that Schedule for that service, except as otherwise provided by this Part.

## **Division 3 Costs in relation to expert witnesses**

### **14 Limit on costs for expert witnesses**

- (1) Costs are not to be included in an assessment or award of damages in respect of any expert witness giving evidence, or providing a report, on behalf of the claimant in relation to a claims assessment or in court proceedings under the Act, except for costs in respect of:
  - (a) one medical expert in any speciality (unless there is a substantial issue as to a matter referred to in section 58 (1) (c) or (d) of the Act—in which case costs are payable in respect of 2 medical experts in any speciality relevant to the injury concerned), and
  - (b) 2 experts of any other kind.
- (2) Subclause (1) does not apply if the claims assessor or court concerned agrees that costs are payable in respect of a greater number of expert witnesses in the matter.
- (3) This clause extends to costs incurred in connection with medical assessments.

## **Division 4 Assessment of costs by claims assessor**

### **15 Claims assessor may assess costs**

- (1) In making an assessment and specifying damages under section 94 of the Act in respect of a claim, a claims assessor may include in the assessment an assessment of

the claimant's costs (including costs for legal services referred to in Schedule 1 and fees for medico-legal services referred to in Schedule 2) in the matter.

- (2) An assessment of those costs may also be made (whether or not an assessment has been made under subclause (1)) if a court does not determine a matter after the issue of a certificate under section 94 but remits the matter to the Motor Accidents Claims Assessment and Resolution Service for further assessment.
- (3) In making an assessment under this clause, a claims assessor:
  - (a) may have regard to the amount of any written offer of settlement made by either party to the matter, and
  - (b) must give effect to:
    - (i) any requirement of a court under section 151 (3) of the Act, and
    - (ii) Division 3 of this Part, and
  - (c) must have regard to the matters set out in sections 208A (1) and 208B of the *Legal Profession Act 1987*.
- (4) The amount of any assessment under this clause must not exceed the relevant amounts set out in Schedules 1 and 2.
- (5) A claimant or an insurer (or a legal practitioner retained by a claimant or an insurer in respect of the relevant claim) has the same right of appeal against an assessment made under this clause as the claimant, insurer or legal practitioner would have under section 208L or 208M of the *Legal Profession Act 1987* if the assessment were a determination made by a costs assessor under Part 11 of that Act in respect of a bill of costs.

## **Division 5 Goods and services tax**

### **15A GST may be added to costs**

- (1) Despite the other provisions of this Part, a cost fixed by this Part may be increased by the amount of any GST payable in respect of the service to which the cost relates, and the cost as so increased is taken to be the cost fixed by this Part.
- (2) This clause does not permit a legal practitioner or medical practitioner to charge or recover, in respect of GST payable in respect of a service, an amount that is greater than:
  - (a) 10% of the maximum amount payable under this Part to the legal practitioner or medical practitioner in respect of the legal or other service apart from this clause, or
  - (b) the amount permitted under the New Tax System Price Exploitation law,

whichever is the lesser.

(3) In this clause:

**GST** has the same meaning as in the *A New Tax System (Goods and Services Tax) Act 1999* of the Commonwealth.

**New Tax System Price Exploitation law** means:

- (a) the New Tax System Price Exploitation Code, as applied as a law of New South Wales by the *Price Exploitation Code (New South Wales) Act 1999*, or
- (b) Part VB of the *Trade Practices Act 1974* of the Commonwealth.

## Part 4 Miscellaneous

- (1) A third-party policy of insurance issued under the *Motor Accidents Act 1988* that has effect for any period on or after the commencement of this Regulation is taken, in respect of any motor accident occurring on or after that commencement, to be a third-party policy of insurance issued under the *Motor Accidents Compensation Act 1999*.
