3 Definitions

(1) In this Regulation:

land includes an estate or interest in land.

Trust means the Upper Parramatta River Catchment Trust.

(2) The explanatory note, table of contents and notes in the text of this Regulation do not form part of this Regulation.

4 Area of operations of Trust

For the purposes of section 289 (1) of the Act, the area of operations of the Trust is the area shown bounded by a red line on the map numbered 45/1203 deposited in the office of the Department of Land and Water Conservation at Parramatta, not including the area shown bounded by a red line on the map marked “Upper Parramatta River Catchment Trust—Excluded Area” deposited in that office.

5 Functions of Trust

For the purposes of section 289 (2) (b) of the Act, the Trust has, and may exercise, in its area all the functions of an Authority under the Act other than functions relating to the supply of water, the provision of sewerage services and the disposal of trade waste and waste water.

Part 2 Service charges and other charges

6 Classification of land

For the purposes of section 313 (Classification of lands) of the Act, the Trust may classify land for the purpose of levying service charges according to either or both of the following factors:

- (a) the purpose for which the land is actually being used,
- (b) the intensity with which the land is being used for that purpose.

7 Basis of levying service charges

For the purposes of section 314 (Basis of levying service charges) of the Act, the Trust may levy service charges according to either or both of the following bases:

- (a) a flat rate for all land of a particular classification,
- (b) the area of the land on which the service charge is being levied.

8 Determinations by Trust

A determination referred to in section 315 (1) of the Act is to be made by resolution of the Board of the Trust.

9 Payment to Trust

Payment to the Trust of a service charge:

- (a) is due within the time, and
- (b) may be made in any manner,

notified by the Trust when giving notice of the service charge.

10 Payment by instalments

- (1) The Trust may notify a person liable to pay service charges levied, or other charges imposed, that payment of the service charges or other charges may be made to the Trust by a stated number of instalments of specified amounts.
- (2) If there is a failure to make a payment in accordance with the notification, the total unpaid balance may be treated by the Trust as an overdue amount of service charges

or other charges even if payment by instalments had commenced.

11 (Repealed)

12 Adjustment of service charge

- (1) If a service charge has been levied on land on the basis of a classification made by the Trust under clause 6 and the Trust later decides that the classification was incorrect, the Trust is to adjust the service charge according to the correct classification.
- (2) If the Trust does not adjust the service charge and an application for it to do so is made to the Trust in writing stating the grounds of the application, the Trust:
 - (a) may adjust the service charge or may refuse to do so, and
 - (b) must give the applicant written notice of its decision.
- (3) If a service charge is adjusted under this clause, the Trust:
 - (a) must give written notice of the adjustment to the person liable to pay the service charge, and
 - (b) may recover any increase as if it were part of the service charge even if an objection or appeal has been lodged but not determined, and
 - (c) must refund any amount by which a service charge already paid has been decreased or credit the amount towards payment of any amount then payable by the person liable to pay the service charge to the Trust.

13 Objection to certain service charges

- (1) If a service charge is levied on land on the basis of a classification made by the Trust under clause 6, the person liable to pay the service charge may, within one month after being served with notice of the levying of the service charge, object to the service charge.
- (2) If an adjustment made under clause 12 results in a service charge being increased, the person liable to pay the amount of the increase may, within one month after being given notice of the increase, object to the adjustment.
- (3) If application is made to the Trust under clause 12 to adjust a service charge and the Trust:
 - (a) refuses to adjust the service charge, or
 - (b) refuses to adjust the service charge in the manner sought in the application, the applicant may, within one month after being notified of the refusal, object to the refusal.

- (4) An objection:
 - (a) under subclause (1) may be made only on the ground that the classification of the land according to which the service charge was levied was incorrect, and
 - (b) under subclause (2) may be made only on the ground that the classification of the land according to which the service charge was adjusted was incorrect, and
 - (c) under subclause (3) may be made only on the ground that the refusal by the Trust was incorrect.
- (5) An objection is to be made by lodging with the Trust, or by serving on the Trust by post, a written statement of the ground for the objection and the reasons why the objector believes the ground exists.
- (6) The Trust:
 - (a) may allow, or disallow, an objection, and
 - (b) must give the objector written notice of its decision on the objection.

14 Appeal relating to objection to service charge

- (1) An objector under clause 13 who is dissatisfied with the decision of the Trust on the objection may appeal to the Land and Environment Court against the decision not later than one month after being notified of the decision.
- (2) The only ground for an appeal against a decision on an objection is the ground on which the objection was made.
- (3) The Land and Environment Court may allow or dismiss an appeal in whole or in part.

15 General power to defer or waive payment

- (1) The Trust may, if it is of the opinion that reasonable cause has been shown:
 - (a) defer payment of a service charge, or any other charge or fee, on such conditions as it thinks fit, or
 - (b) waive such a payment or any part of it.
- (2) The Trust may establish an account from which to fund the deferral or waiver of payments.
