 - (b) for money received or recovered after the commencement of the Act, section 4.7—on the day the money was received or recovered, and
 - (c) otherwise—on the day which the Act, section 4.7 commenced.
- (6) (Repealed)

(7) In this clause—

minor asset means an asset with an acquisition cost of less than \$200,000, but does not include—

- (a) a customer good, or
- (b) a building (or an interest in land or a building).

14 Working accounts: section 4.17 of Act

(1) For the purposes of section 4.17 of the Act, a GSF agency may establish and operate a working account only if—

- (a) the accountable authority for the agency applies to the Treasurer in a form approved by the Treasurer for authorisation to establish and operate the account, and
- (b) the Treasurer gives written authorisation for the account to be established and operated.

(2) Without limiting subclause (1) (b), the written authorisation may specify—

- (a) the kinds of working account money that may be paid into the working account, and
- (b) the purposes for which money may be paid out of the working account, and
- (c) the use of investment returns on the money in the working account, and
- (d) any other terms or conditions relating to the establishment or operation of the working account.

(3) The Treasurer may, by written order given to the accountable authority for a GSF agency, direct that—

- (a) the working account specified in the order is to be dissolved, and
- (b) money in the account is to be paid into the Consolidated Fund or into another specified working account of a GSF agency.

(4) Each of the following sources of money received by a GSF agency is prescribed for the purposes of the definition of **working account money** in section 4.17 (2) of the Act (regardless of whether or not it is also deemed appropriation money for the purposes of section 4.7 of the Act)—

- (a) money from a fee, rent or charge for a service or customer good provided by the GSF agency to a customer, including—
 - (i) money from a surcharge charged for the use of a credit card to pay for a

supplied service or good, and

- (ii) money from interest or a charge paid for any overdue fee, rent or charge for a supplied service or good,
- (b) money from rent for land or a building paid to the GSF agency by another entity for a lease the other entity has over the land or building,
- (c) money from a bequest, donation, sponsorship or gift made to the GSF agency by another entity, including money allocated to the GSF agency under clause 63 of the [Legal Profession Uniform Law Application Regulation 2015](#),
- (d) money from the proceeds of a sale or other disposal by the GSF agency of an asset unless legislation (other than the Act or the [Constitution Act 1902](#)) specifically requires the money to be paid into the Consolidated Fund,
- (e) money paid to the GSF agency from the Treasury Managed Fund or by an insurer, including—
 - (i) any repayment to the agency of some or all of a contribution or premium paid to the Fund or an insurer, and
 - (ii) any payments made by MetLife Insurance Limited in full or partial settlement of any entitlement of a police officer in respect of injuries or other loss sustained by the officer,
- (f) money paid to the GSF agency as compensation under a judgment of a court or tribunal or in a settlement of proceedings for compensation, including any interest payable on the amount of compensation,
- (g) money from a Commonwealth grant or other payment (except a general purpose Commonwealth grant) paid to the GSF agency for its benefit,
- (h) money from returns on investments and derivative arrangements made by or on behalf of the GSF agency, including—
 - (i) interest received by the agency from a banking account of the agency, and
 - (ii) interest payments made to the agency by the Treasury instead of interest received by the agency from a banking account of the agency as a result of the operation of banking account structuring under a State financial service agreement, and
 - (iii) interest from a loan made by or on behalf of the agency,
- (i) money from a grant, contribution or subsidy provided to the GSF agency to cover some or all of the cost of a service or good the agency is responsible for providing,

- (j) money from a refund or rebate received or recovered by the GSF agency in respect of a purchase made by the agency,
- (k) money from a loan provided to the GSF agency under a financial arrangement that is authorised for the purposes of section 6.22 of the Act,
- (l) money directed to be paid into the working account concerned in an order made by the Treasurer under subclause (3).

Note—

The fact that money is prescribed to be working account money does not mean that it must be paid into a working account. Section 4.17 (1) of the Act provides that a GSF agency may establish and operate a working account in the circumstances permitted by the regulations.

- (5) Subclause (4) (b), (e), (f), (g) and (i) apply regardless of whether the money concerned was paid to the GSF agency for its own benefit or for the benefit of another entity.
- (6) To avoid doubt, subclause (4) covers money that is received from any other entity (including another GSF agency).
