2 Certificates in connection with adjustment of certain capital debts to the Treasurer for water supply and sewerage

- (1) Where a capital debt to the Colonial Treasurer of a council of a municipality or shire, in respect of works of water supply or sewerage, has been notified by the Governor, or is deemed to have been notified by the Governor, under the Local Government Act, the Minister for Public Works may with the concurrence of the Colonial Treasurer certify to the Governor the amount which, in his opinion, may be accepted in full settlement of the unpaid portion of such capital debt, or where more than one such capital debt of a particular council has been so notified or deemed to have been notified, the amount which, in his opinion, may be accepted in full settlement of the total of the unpaid portions of any two or more of such capital debts.

(b) certify to the Governor that, in his opinion, no liability to the Colonial Treasurer should then or thereafter attach to the council in respect of the said works or any part thereof.

(3)

(a) Upon the approval of the Governor of a certificate given under subsection one of this section or under paragraph (a) of subsection two of this section the council concerned may, at any time within the period specified in the certificate, pay to the Colonial Treasurer the amount stated in the certificate; and upon payment, by the council to the Colonial Treasurer, of such amount, the liability in respect of which the certificate was given shall be deemed to be extinguished.

(b) Upon the approval of the Governor of a certificate given under paragraph (b) of subsection two of this section, the liability in respect of which the certificate was given shall be deemed to be extinguished.

(4) A certificate shall not be given under this section after the thirtieth day of June, one thousand nine hundred and forty.
