The Minister is not to transfer under this section any such excised land, or an interest in any such excised land, for the purposes of upgrading the Pacific Highway unless the Minister first enters into an agreement with the Minister for Roads for the transfer of other land into the national park estate as compensation for the excision of that land (being other land that the first mentioned Minister is satisfied is of equal or greater conservation value in terms of natural and cultural heritage).
- (6) This subsection applies to any excised land that is part of Barren Grounds Nature Reserve. The Minister is not to transfer under this section any such excised land, or an interest in any such excised land, to or for the benefit of an owner of adjoining land unless the Minister first enters into an agreement with that owner for the transfer of other land into the national park estate as compensation for the excision of that land (being other land the Minister is satisfied is of equal or greater conservation value in terms of natural and cultural heritage).

6 Saving of native title rights and interests

- (1) This section applies to land vested in the Minister by operation of section 5.
- (2) This Act does not operate to extinguish any native title rights and interests existing in relation to the land immediately before its vesting by section 5.
