- (d) a proclamation under the *Hunter District Water Sewerage and Drainage Act 1938* published in Gazette No 91 of 25 August 1961 at page 2559,

being the land shown by hatched edging on the map in Schedule 4.

**Williams River Catchment Area** means the land described in the proclamation referred to in paragraph (b) of the definition of **Grahamstown Catchment Area**, being the land shown by hatched edging on the map in Schedule 5.

**the Act** means the *Hunter Water Act 1991*.

#### 4 Application of Regulation

This Regulation applies to the North Stockton Catchment Area and the following catchment areas, each of which is taken to be a special area by virtue of section 53 (3) of the Act:

- (a) Chichester Catchment Area,
- (b) Grahamstown Catchment Area (including the Williams River Catchment Area),
- (c) Nelson's Bay Catchment Area,
- (d) Tomago Sandbeds Catchment Area.

#### 5 Notes

The explanatory note and table of contents do not form part of this Regulation.

## Part 2 Special areas generally

### 6 Application of Part

This Part applies to the Chichester, Grahamstown, Nelson's Bay, North Stockton and Tomago Sandbeds Catchment Areas, but does not apply to the Williams River Catchment Area.

### 7 Agriculture

- (1) A person must not erect, maintain or use any building or structure in connection with the keeping of livestock or poultry on land within 30 metres of any lake, river, stream or watercourse in a special area.

Maximum penalty: 100 penalty units (in the case of a corporation) and 70 penalty units (in any other case).

- (2) A person must not engage in any intensive agricultural pursuit in a special area.

Maximum penalty: 100 penalty units (in the case of a corporation) and 70 penalty units (in any other case).

- (3) This clause does not apply to anything that is done in accordance with:

- (a) an approval given by the Director-General, or
- (b) a development consent in force under the *Environmental Planning and Assessment Act 1979*, or
- (c) a licence or pollution control approval in force under the *Pollution Control Act 1970*.

- (4) In this clause:

**intensive agricultural pursuit** means the use of land for agricultural purposes which include market gardening, mushroom growing, fruit growing, flower growing, viticulture, milking in a shed designed for that purpose, aquaculture or intensive animal husbandry, but does not include the use of an animal boarding or training establishment or any cultivation or husbandry carried out mainly for the personal enjoyment or consumption of its produce by the owner or occupier of the land.

**intensive animal husbandry** means a building or place used for the commercial breeding, boarding or nurturing, by a feeding method other than natural grazing, of livestock or poultry, and includes:

- (a) feed lots containing more than 5 cattle, and
- (b) piggeries containing more than 5 pigs, and
- (c) poultry farming establishments containing more than 20 birds.

## **8 Sewage disposal**

- (1) A person must not install, maintain or use any sewage collection, treatment or disposal system in a special area.

Maximum penalty: 100 penalty units (in the case of a corporation) and 70 penalty units (in any other case).

- (2) This clause does not apply to anything that is done in accordance with:

- (a) such standards as may from time to time be determined by the Director-General, or
- (b) a licence or pollution control approval in force under the *Pollution Control Act 1970*.

## **Part 3 Chichester and Grahamstown Catchment Areas**

### **9 Application of Part**

This Part applies to the Chichester and Grahamstown Catchment Areas, but does not apply to the Williams River Catchment Area.

### **10 Water activities in the Chichester and Grahamstown Storage Reservoirs**

A person must not:

- (a) enter, bathe, swim, fish or use a boat or any other water craft in the Chichester or Grahamstown Storage Reservoirs, or
- (b) allow any other person, or any animal in the person's control, to enter, bathe or swim in either of those reservoirs, or
- (c) allow any other person to fish or use a boat or any other water craft in either of those reservoirs,

otherwise than in accordance with an approval given by the Director-General.

Maximum penalty: 200 penalty units (in the case of a corporation) and 100 penalty units (in any other case).

### **11 Waste products and pollutants**

- (1) A person must not bring into the Grahamstown Catchment Area, or leave in that Area, any waste or other substance which, if placed on or in any waters, would pollute the waters.

Maximum penalty: 200 penalty units (in the case of a corporation) and 100 penalty units (in any other case).

(2) This clause does not apply to land within the township of Medowie or to land that is used solely for residential purposes.

(3) In this clause:

**pollute**, in relation to any waters, has the same meaning as it has in the *Clean Waters Act 1970*.

**waste** has the same meaning as it has in the *Waste Minimisation and Management Act 1995*.

## **Part 4 Nelson's Bay, North Stockton and Tomago Sandbeds Catchment Areas**

### **12 Application of Part**

This Part applies to the Nelson's Bay, North Stockton and Tomago Sandbeds Catchment Areas.

### **13 Extractive industries**

(1) A person must not engage in any extractive industry in the Nelson's Bay, North Stockton or Tomago Sandbeds Catchment Area otherwise than in accordance with an approval given by the Director-General.

Maximum penalty: 200 penalty units (in the case of a corporation) and 100 penalty units (in any other case).

(2) An approval under this clause may be given subject to conditions with respect to charges or payments for the abstraction of water under the approval.

(3) A permit that was in force under Part 4 of the *Hunter Water Board (Special Areas) Regulation 1989* immediately before the commencement of this clause is taken to be an approval under this clause, and may be amended or revoked accordingly.

(4) In this clause, **extractive industry** includes mining and the abstraction of water from an underground source.

## **Part 5 Williams River Catchment Area**

### **14 Application of Part**

This Part applies to the Williams River Catchment Area.

### **15 Water activities near the Seaham Weir in the Williams River**

A person must not:

(a) use a boat or any other water craft in the Williams River, or

(b) allow any other person to use a boat or any other water craft in the Williams River, within 2.5 kilometres upstream, or 0.5 kilometres downstream, of the Seaham Weir, otherwise than in accordance with an approval given by the Director-General.

Maximum penalty: 200 penalty units (in the case of a corporation) and 100 penalty units (in any other case).

## **Part 6 Miscellaneous**

### **16 Approvals given by Director-General**

- (1) An approval given by the Director-General for the purposes of this Regulation is to be in writing, may be given unconditionally or subject to conditions and may be varied or revoked by the Director-General (by written notice served on the holder of the approval) at any time and for any reason.
- (2) In exercising any function with respect to the giving, variation or revocation of an approval in connection with any special area, the Director-General must have primary regard to the need to prevent water in the special area from becoming polluted or contaminated.

### **17 Notices by public agencies: section 55**

For the purposes of section 55 (1) of the Act, the notice to be given to the Director-General:

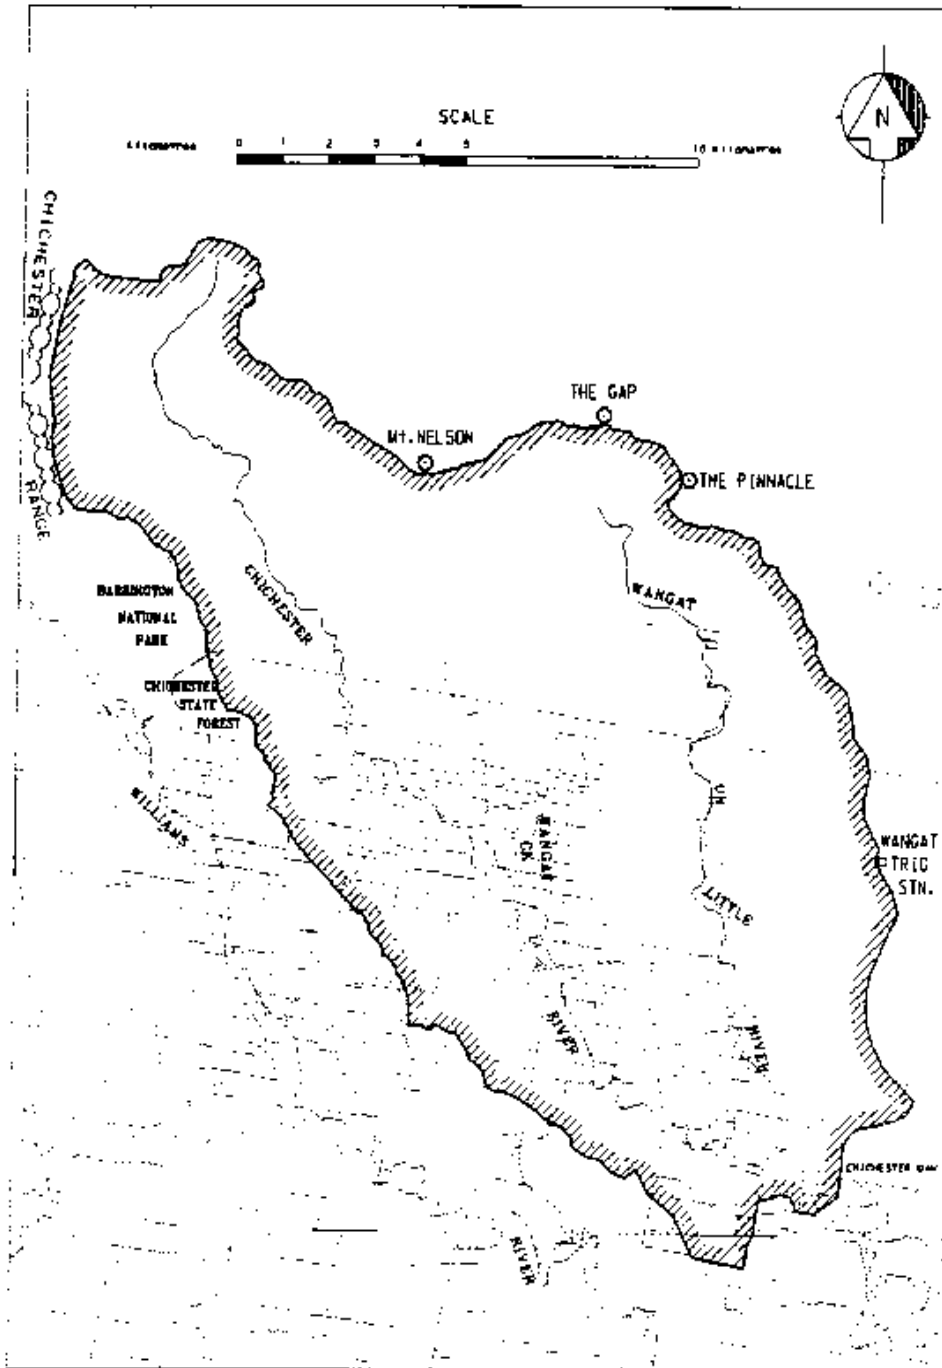

- (a) must be in writing, and
- (b) must be served on the Director-General, either by post or by lodging it at an office of the Department of Land and Water Conservation, and
- (c) must contain a full description of the proposed activity and a statement of the objectives of the proposed activity.

### **18 Repeal**

- (1) The *Hunter Water Board (Special Areas) Regulation 1989* is repealed.
- (2) Any act, matter or thing that, immediately before the repeal of the *Hunter Water Board (Special Areas) Regulation 1989*, had effect under that Regulation continues to have effect under this Regulation.
