- (g) an offence of attempting, or of conspiracy or incitement, to commit an offence referred to in the preceding paragraphs.

An offence that was a child sexual offence at the time of its commission is not a child sexual offence for the purposes of that Division if the conduct constituting the offence has ceased to be an offence in New South Wales.

An offence involving sexual activity or an act of indecency is not a child sexual offence for the purposes of that Division if the conduct constituting the offence:

- (a) occurred in a public place, and
- (b) would not have constituted an offence in New South Wales if the place were not a public place.

For the purposes of that Division, section 579 of the *Crimes Act 1900* (which relates to older convictions dealt with by way of recognizance) does not apply to or in respect of a child sexual offence.
