Rural Fires Regulation 2002

New South Wales

Part 1 Preliminary

1 Name of Regulation

This Regulation is the *Rural Fires Regulation 2002*.

2 Commencement

This Regulation commences on 1 September 2002.

Note—

This Regulation replaces the *Rural Fires Regulation 1997* which is repealed on 1 September 2002 under section 10 (2) of the *Subordinate Legislation Act 1989*.

3 Definitions

(1) In this Regulation:

appropriate appeal authority means:

- (a) if the responsible authority concerned is a local authority—the Commissioner, or
- (b) if the responsible authority concerned is the Commissioner—the Minister.

appropriate authority—see section 85 of the Act.

appropriate disciplinary authority means:

- (a) in the case of a disciplinary action against an officer of a rural fire brigade or group of rural fire brigades for a rural fire district—the fire control officer for the district, or
- (b) in the case of a disciplinary action against a member (other than an officer) of a rural fire brigade or group of rural fire brigades—the officer in charge of the rural fire brigade or group of rural fire brigades, or
- (c) if the constitution of a rural fire brigade provides for disciplinary action to be taken against an officer or member by a panel of persons constituted in accordance with the constitution—a panel so constituted.

brigade register means the register for a rural fire brigade required to be kept under section 20 of the Act.

combustible matter—see the Dictionary at the end of the Act.

forestry land means land dedicated or reserved, or acquired for the purpose of dedication or reservation, under the *Forestry Act 1916*, or in respect of which the Forestry Commission has obtained the benefit of a forestry right as referred to in section 11 (1) (m) (iia) of that Act.

light a fire—see section 85 of the Act.

motorised machine includes any vehicle or machine (including a steam-powered machine) that is operated by means of an internal combustion engine or other fuel burning engine.

NPWS land means land dedicated or reserved, or acquired for the purpose of dedication or reservation, under the *National Parks and Wildlife Act 1974*.

responsible authority, in relation to a rural fire brigade for a rural fire district, means:

- (a) if the brigade is formed by a local authority under section 15 (1) of the Act—the local authority, or
- (b) if the brigade is jointly formed by two or more local authorities under section 15 (2) of the Act—the local authority nominated by an agreement in writing by the local authorities forming the brigade as the responsible authority, or
- (c) if the brigade is formed by the Commissioner—the Commissioner.

Service Standards—see the Dictionary at the end of the Act.

steam-powered machine means any machine that is operated by means of an engine that burns wood, coal or coke.

the Act means the *Rural Fires Act 1997*.

- (2) In this Regulation, a reference to *Planning for Bush Fire Protection* is a reference to the document so entitled, ISBN 0 9751033 2 6, prepared by the NSW Rural Fire Service in co-operation with the Department of Planning, dated December 2006.

4 Notes

Notes included in this Regulation do not form part of this Regulation.

Part 2 Rural fire brigades and groups of rural fire brigades

5 Constitution for rural fire brigade

- (1) The constitution for a rural fire brigade is to be in a form approved by the responsible authority and is to make provision for the following matters:
 - (a) the council or other governing body (however described) of the brigade and its office bearers,
 - (b) the name of the brigade,
 - (c) the classification of members of the brigade other than officers,
 - (d) arrangements for meetings of the brigade,
 - (e) the voting rights of members of the brigade,
 - (f) the conduct of fundraising appeals by the brigade and the application of any money or benefit received in the course of such an appeal.
- (2) The members of a rural fire brigade are to review the constitution for the brigade annually to determine whether it should be amended. In determining whether the constitution should be amended, the members are to take into consideration any relevant Service Standards.

6 Membership of rural fire brigades

A person is eligible to be listed on the brigade register if the person:

- (a) complies with the procedures (if any) for attaining membership set out in the constitution for the rural fire brigade, and
- (b) satisfies the requirements (if any) for attaining membership of a rural fire brigade determined by the responsible authority.

Note—

Under section 20 of the Act, the persons listed on the register for a rural fire brigade required to be kept under that section are the members of the brigade.

7 Probationary membership

- (1) Unless the responsible authority otherwise determines, membership of a rural fire brigade is initially to be for a probationary period of 6 months.
- (2) The responsible authority may remove a person's name from the brigade register if, at the end of the period, the person:
 - (a) has not achieved a satisfactory level of competency required by the Service Standards, or

- (b) does not satisfy any requirements for the confirmation of membership set out in the constitution of the brigade.

8 Removal from membership

- (1) The responsible authority must remove the name of a person from the brigade register if the person:
 - (a) has died, or
 - (b) applies in writing to have his or her name removed from the brigade register.
- (2) The responsible authority may remove the name of a person from the brigade register if the person:
 - (a) is found guilty of a breach of discipline under clause 10, or
 - (b) becomes a mentally incapacitated person, or
 - (c) is convicted in New South Wales of an offence that is punishable by imprisonment for 12 months or more or is convicted elsewhere than in New South Wales of an offence that, if committed in New South Wales, would be an offence so punishable, or
 - (d) in the opinion of the responsible authority, is no longer a fit and proper person to be a member of the rural fire brigade.
- (3) Without limiting the generality of subclause (2) (d), the responsible authority may form an opinion that a person is no longer a fit and proper person to be a member of the rural fire brigade if:
 - (a) the person is listed on the brigade register but has ceased to be an active member for a period of 12 months or more, or
 - (b) the person has not paid his or her annual subscription in accordance with the brigade's constitution.
- (4) The responsible authority is to give notice to a person before removing the person's name from the brigade register under subclause (2) (b), (c) or (d).
- (5) The removal takes effect, subject to clause 9 (3), 21 days after the notice is given.

9 Appeals relating to membership

- (1) If the responsible authority refuses to list a person's name on the brigade register or decides to remove the person's name from the register under clause 8 (2) (b), (c) or (d) the person may, within 21 days of being notified of the decision, appeal in writing to the appropriate appeal authority.

- (2) After hearing the appeal, the appropriate appeal authority may:
 - (a) confirm the decision to refuse to list the person's name on the brigade register or remove it from the register, or
 - (b) order the responsible authority to list the person's name on the brigade register.
- (3) The removal of a person's name that is the subject of an appeal does not take effect until the appeal is either withdrawn or finally determined by the appropriate appeal authority.

10 Disciplinary action

- (1) An officer or member of a rural fire brigade or group of rural fire brigades is guilty of a breach of discipline if the officer or member:
 - (a) contravenes the Act or a provision of this Regulation, or
 - (b) is negligent, careless, inefficient or incompetent in the discharge of his or her duties, or
 - (c) fails to follow Service Standards.
- (2) An appropriate disciplinary authority may take disciplinary action against an officer or member of a rural fire brigade or group of rural fire brigades if:
 - (a) an alleged breach of discipline is dealt with in accordance with the procedure set out in the Service Standards and notice has been given in accordance with clause 11 (1), and
 - (b) the officer or member concerned is found to have committed the breach.
- (3) The appropriate disciplinary authority may take the following disciplinary action:
 - (a) reprimand the officer or member,
 - (b) suspend the officer or member from service with the rural fire brigade or group of rural fire brigades for a specified period,
 - (c) recommend to the responsible authority that the responsible authority:
 - (i) demote the officer or member, or
 - (ii) disqualify the officer or member from holding rank in the brigade or group, or
 - (iii) remove the officer's or member's name from the brigade register.

11 Appeals concerning disciplinary action

- (1) Before taking disciplinary action under clause 10, the appropriate disciplinary authority must investigate the alleged breach of discipline and give the officer or

member at least 14 days notice in writing of the findings of the investigation and of the disciplinary action that the appropriate disciplinary authority proposes to take in respect of the officer or member.

- (2) The officer or member may, within 14 days of receiving the notice, appeal to the responsible authority against the findings of the appropriate disciplinary authority, or against any disciplinary action that the appropriate disciplinary authority proposes to take.
- (3) On an appeal, the responsible authority:
 - (a) may confirm the decision of the appropriate disciplinary authority, or
 - (b) may recommend that no action, or that other disciplinary action, be taken against the officer or member.

12 Incident reports

- (1) When a rural fire brigade attends a fire or other incident or emergency, the officer in charge of that brigade must ensure that the fire control officer is furnished with a report on the incident.
- (2) A report must:
 - (a) be furnished to the fire control officer within the time required by the Service Standards, and
 - (b) include any matters required to be covered in such a report by the Service Standards.

13 Period for compliance with notice to form rural fire brigades

For the purposes of section 15 (4) of the Act, the prescribed period is 3 months after the request to form a rural fire brigade is made.

Part 3 Bush Fire Management Committees

14 Constitution of Bush Fire Management Committees

A Bush Fire Management Committee is not to be incorporated and is not to become a committee of a council under the [Local Government Act 1993](#).

15 Eligibility for membership of Bush Fire Management Committees

Unless the Bush Fire Co-ordinating Committee determines otherwise, the following persons are to be invited to become members of a Bush Fire Management Committee:

- (a) a person nominated by each local authority whose area comprises land in the Bush Fire Management Committee's area, being (in the case of a local authority that is a

council) the Mayor or a councillor of the council,

- (b) a person nominated by each of the following organisations as being in charge of its affairs in the Bush Fire Management Committee's area:
 - (i) the Roads and Traffic Authority,
 - (ii) the Department of Land and Water Conservation,
 - (iii) the New South Wales Fire Brigades,
 - (iv) the NSW Police Force,
 - (v) each distribution network service provider listed in Schedule 3 to the *Electricity Supply Act 1995* having a distribution district comprising land in the Bush Fire Management Committee's area,
 - (vi) each rural lands protection board established for any rural lands protection district comprising land in the Bush Fire Management Committee's area,
 - (vii) the State Rail Authority,
 - (viii) Rail Access Corporation,
- (c) a person or persons nominated by the National Parks and Wildlife Service as being in charge of its affairs in the Bush Fire Management Committee's area,
- (d) a person or persons nominated by the Forestry Commission of New South Wales as being in charge of its affairs in the Bush Fire Management Committee's area,
- (e) a person nominated by each local authority for the Bush Fire Management Committee's area as having responsibilities for the performance of the local authority's functions respecting the environment,
- (f) a person nominated by the Nature Conservation Council of New South Wales,
- (g) not more than 2 persons chosen by rural fire brigades operating in the area,
- (h) a rural land holder nominated by the NSW Farmers Association or, if the Association does not nominate a rural land holder, by the local authority for the area,
- (i) a person nominated by each Local Aboriginal Land Council for any Local Aboriginal Land Council area comprising land located in the Bush Fire Management Committee's area,
- (j) any other person or persons approved by the Bush Fire Co-ordinating Committee.

16 Functions of Bush Fire Management Committees

- (1) A Bush Fire Management Committee must, at the request of the Bush Fire Co-

ordinating Committee:

- (a) assist the Bush Fire Co-ordinating Committee in the performance of its functions under section 48 of the Act, and
- (b) assist the Bush Fire Co-ordinating Committee in the performance of its functions under sections 60 (2) and 63 (4) of the Act.

(2) A Bush Fire Management Committee may draw to the attention of:

- (a) the Bush Fire Co-ordinating Committee, or
- (b) the Commissioner, or
- (c) a public authority exercising its functions in the Bush Fire Management Committee's area,

any matter it considers relevant to the protection of land, life, property or the environment in that area from the impact of bush fires.

(3) A Bush Fire Management Committee has no power to conduct or take part in fire fighting or fire prevention operations authorised by the Act, this Regulation or any other Act or statutory instrument.

17 Procedure for meetings of Bush Fire Management Committees

- (1) A Bush Fire Management Committee is to meet in such manner and at such times as the Bush Fire Co-ordinating Committee may determine.
- (2) The procedure for the calling of the meetings and the conduct of business of a Bush Fire Management Committee is, subject to any rules made by the Bush Fire Co-ordinating Committee, to be as determined by the Bush Fire Management Committee.

18 Chairperson

- (1) At its first meeting, a Bush Fire Management Committee is to elect one of its members (not being its Executive Officer and not being a member referred to in clause 15 (b), (c), (d) or (e)) to be Chairperson of the Committee.
- (2) The Chairperson (or in the absence of the Chairperson, another member elected to chair the meeting by the members present) is to preside at a meeting of the Bush Fire Management Committee.
- (3) On the expiration of the term of office of the Chairperson or if the Chairperson ceases to be a member of the Bush Fire Management Committee or resigns office as Chairperson, the Bush Fire Management Committee is to elect one of its other members (not being its Executive Officer and not being a member referred to in clause 15 (b), (c), (d) or (e)) to be Chairperson of the Committee.

- (4) A Chairperson elected under this clause holds office as Chairperson, subject to any rules made by the Bush Fire Co-ordinating Committee, for a period of 12 months but is eligible (if otherwise qualified) for re-election.

19 Executive Officer

- (1) Each Bush Fire Management Committee is to have an Executive Officer.
- (2) The Executive Officer of a Bush Fire Management Committee is a member of the Committee.
- (3) The Executive Officer of a Bush Fire Management Committee constituted under section 50 (1) of the Act is to be the fire control officer for the Bush Fire Management Committee's area.
- (4) The Executive Officer of a Bush Fire Management Committee constituted under section 50 (1A) of the Act is to be a member of NSW Fire Brigades nominated as Executive Officer by the Commissioner of NSW Fire Brigades.
- (5) The Executive Officer of a Bush Fire Management Committee constituted under section 50 (2) of the Act is to be a member of the Service nominated as Executive Officer by the Commissioner.
- (6) The Executive Officer of a Bush Fire Management Committee constituted under section 50 (3) of the Act:
- (a) for groups of rural fire districts, is to be a fire control officer nominated as Executive Officer by the Commissioner, and
 - (b) for groups of fire districts, is to be a member of NSW Fire Brigades nominated as Executive Officer by the Commissioner of NSW Fire Brigades.
- (7) The Commissioner may revoke a nomination made for the purposes of subclause (5) or (6).

Part 4 Fire prevention

Division 1 General

20 Burning to demolish buildings

A person must not light a fire on land for or in connection with:

- (a) the demolition of a building, or
- (b) the destruction of old building materials, or
- (c) any like purpose,

except in accordance with the conditions set out in a permit obtained from the appropriate authority for the area.

Maximum penalty: 20 penalty units.

21 Burning to destroy sawmill waste material

- (1) A person must not light a fire to destroy sawmill waste material unless the fire is lit:
- (a) in an incinerator designed to prevent the escape of sparks and burning material, or
 - (b) on ground enclosed by a fence of galvanised iron or other fire resistant material not less than 1.8 metres high so that the top of the waste to be burned is not less than 600 millimetres below the level of the top of the fence, or
 - (c) in a pit dug for the purpose so that the top of the waste to be burned is not less than 600 millimetres below the top of the edge of the pit, or
 - (d) in accordance with the conditions set out in a permit issued by the appropriate authority.

Maximum penalty: 20 penalty units.

- (2) A person who lights a fire in accordance with the conditions set out in subclause (1) (b) or (c) must ensure that the ground within 9 metres of any part of the fence or edge of the pit is cleared of combustible matter and that at least 2 knapsack spray pumps each of 16 litre minimum capacity and a supply of not less than 450 litres of water are readily available for use on the fire.

Maximum penalty: 20 penalty units.

22 Use of spark arresters

- (1) A person must not (in connection with any agricultural, pastoral, railway or other land use) drive or use any steam-powered machine unless:
- (a) the smoke box is fitted with a spark arrester constructed of a mesh not exceeding 3.2 millimetres, and
 - (b) the fire box is fitted with a tray constructed in such a manner as to prevent the escape from the fire box of any sparks or burning material, and
 - (c) the spark arrester and tray are maintained in a good and serviceable condition and comply with AS 1019—2000.

Maximum penalty: 20 penalty units.

- (2) In this clause:

AS 1019—2000 means the Australian Standard entitled AS 1019—2000, *Internal combustion engines—Spark emission control devices*, published by Standards Australia on 1 August 2000.

23 Other safety requirements

- (1) A person must not (in connection with any agricultural, pastoral or other land use) drive or use in any grass, crop or stubble land any motorised machine unless:
 - (a) the machine is constructed so that any heated areas will not come into contact with combustible matter, and
 - (b) the machine is maintained in a good and serviceable condition so as to prevent the outbreak of fire.

Maximum penalty: 20 penalty units.

- (2) A person must not (in connection with any agricultural, pastoral or other land use):
 - (a) drive or use in any grass, crop or stubble land a motorised machine on which it is practicable to carry prescribed fire safety equipment, or
 - (b) carry out welding operations or use explosives or an angle grinder or any other implement that is likely to generate sparks,

unless the person carries on the machine, or has in the vicinity, prescribed fire safety equipment and that equipment is maintained in a serviceable condition.

Maximum penalty: 20 penalty units.

- (3) In this clause:

prescribed fire safety equipment means:

- (a) a knapsack spray pump of 16 litre minimum capacity filled with water, or
- (b) a fire extinguisher (liquid type) of 9 litre minimum capacity, or
- (c) a dry powder type extinguisher of 0.9 kg minimum capacity.

24 Roadside fire protection

- (1) A prescribed authority may, for the purposes of bush fire hazard reduction work:
 - (a) light a fire on a road, or on the verge of a road, and
 - (b) while the fire is burning, prohibit, direct or regulate the movement of persons, vehicles or animals along a road.
- (2) Subclause (1) authorises a prescribed authority to light a fire on land comprising a road or the verge of a road only if to do so is consistent with any bush fire

management plan applying to the land.

(3) In this clause:

prescribed authority means a public authority that has the care, control or management of a road, or of roadside vegetation.

Division 2 Bush fire danger periods

25 Application of Division

This Division applies during bush fire danger periods.

26 Lighting fires for cooking etc

A person must not light a fire in the open to cook, heat or prepare meals or to boil water or for any like purpose unless the fire is lit at a site surrounded by ground that is clear of all combustible matter for a distance of at least 2 metres.

Maximum penalty: 20 penalty units.

27 Burning garbage and refuse

(1) A person must not light a fire to destroy garbage or refuse at a garbage depot unless the site of the fire is surrounded by ground that is clear of all combustible matter for a distance of at least 30 metres.

Maximum penalty: 20 penalty units.

(2) A person must not light a fire to destroy household garbage or refuse otherwise than at a garbage depot unless the fire is lit:

(a) in an incinerator designed to prevent the escape of sparks and burning material,
or

(b) in accordance with the conditions set out in a permit issued by the appropriate authority,

and, in any case, unless the site of the fire is surrounded by ground that is clear of all combustible matter for a distance of at least 5 metres.

Maximum penalty: 20 penalty units.

(3) Nothing in subclause (1) or (2) affects the operation of any law that prohibits or regulates the lighting of fires.

28 Lighting fires to produce charcoal etc

(1) A person must not light a fire for or in connection with:

(a) charcoal production, or

(b) the distillation of eucalyptus or other oils,

except at a site that is surrounded by ground that is clear of all combustible matter for a distance of at least 30 metres.

Maximum penalty: 20 penalty units.

(2) A person must not light a fire to burn waste products resulting from the activities referred to in subclause (1) unless:

(a) all conditions set out in a permit obtained from the appropriate authority for the area are complied with, and

(b) the fire is lit at least 30 metres from the site of any other fire lit in connection with the distillation of eucalyptus or other oils.

Maximum penalty: 20 penalty units.

(3) In this clause, a reference to **combustible matter** does not include a reference to any timber to be reduced to charcoal, any charcoal so produced, any material used for the distillation of eucalyptus or other oils or any building or fence.

29 Offence to light, use or carry tobacco product

(1) A person must not, without lawful authority:

(a) light any tobacco product, match or other material, or

(b) use or carry any lighted tobacco product, match or other material,

within 15 metres of any stack of grain, hay, corn or straw or any standing crop, dry grass or stubble field.

Maximum penalty: 50 penalty units.

(2) A person must not, without lawful authority, leave or deposit a lighted tobacco product, match or any incandescent material on any land, or on any bridge, wharf, pontoon or similar structure.

Maximum penalty: 50 penalty units.

Part 5 Notices

30 Public notice of draft bush fire risk management plans

(1) The period of public exhibition of a draft bush fire risk management plan must not be less than 42 days, during which submissions may be made to the Bush Fire Management Committee or Commissioner, as the case requires.

(2) The Bush Fire Management Committee or Commissioner must, in accordance with the

public notice of a draft bush fire risk management plan, exhibit the draft plan together with any other matter that the Committee or Commissioner considers appropriate or necessary to better enable the draft plan and its implications to be understood.

31 Destruction of notices

A person who, without lawful authority, destroys, defaces or removes any notice displayed under the Act or this Regulation or under the authority of the Minister, the Commissioner, the Bush Fire Co-ordinating Committee or any public authority in pursuance of the Act is guilty of an offence.

Maximum penalty: 5 penalty units.

32 Bush fire hazard reduction work required by local authorities

For the purposes of section 69 (2) of the Act, a local authority that by a bush fire hazard reduction notice requires the occupier or owner of any land to burn fire breaks or combustible matter or other material on land that is within 8 kilometres (or such other distance as may be specified in a bush fire management plan applying to the land) of NPWS land or forestry land, must, within 24 hours after the notice has been given, send a copy of the bush fire hazard reduction notice to an officer of the National Parks and Wildlife Service or Forestry Commission responsible for the NPWS land or forestry land.

33 Bush fire hazard reduction work in default of compliance with notice

If any employees or agents of a local authority or any officers or members of a fire brigade or rural fire brigade are authorised under section 70 of the Act to enter any land and light any fire on land that is within 8 kilometres (or such other distance as may be specified in a bush fire management plan applying to the land) of NPWS land or forestry land, a notification in writing stating the time at which or the period within which such fire is to be lit must, at least 24 hours before the land is to be entered, be sent by the local authority, officer or member to an officer of the National Parks and Wildlife Service or Forestry Commission responsible for the NPWS land or forestry land.

34 Notice of intention to burn off or burn firebreak

- (1) For the purposes of section 86 of the Act, the prescribed notice is a written or oral notice that includes particulars of the location, purpose, period and time of the fire proposed to be lit.
- (2) The notice must be given to each of the persons referred to in subclause (3) at least 24 hours before the fire is lit.
- (3) For the purposes of section 86 of the Act, the prescribed persons are:
 - (a) the occupiers (or, if there are no occupiers, the owners) of all land contiguous to, or that is separated merely by a lane, road or waterway (whether fenced or unfenced) from, the land on which the fire is to be lit, and

(b) if the land on which the fire is to be lit is in a rural fire district, the fire control officer for the district, and

(c) if the land on which the fire is to be lit is in a fire district, the officer in charge of the fire station that is nearest to the land.

35 Notice of issue of fire permit

For the purposes of section 94 of the Act, an appropriate authority who issues a fire permit to light a fire on land within 8 kilometres (or such other distance as may be specified in a bush fire management plan applying to the land) of NPWS land or forestry land must, within 24 hours of issuing the fire permit, give notice to an officer of the National Parks and Wildlife Service or Forestry Commission responsible for the NPWS land or forestry land.

36 Notice to public authority not to light fires during a bush fire danger period

(1) For the purposes of section 95 (2) (a) of the Act, a notice in writing to a public authority that contains or has attached to it a copy of the relevant determination must be given at least 24 hours before the period specified in the notice begins.

(2) The notice is to be given:

(a) by serving a copy of the notice on an officer or employee of the public authority whom the public authority has notified to the local authority as being authorised to receive the notice, or

(b) by sending a copy of the notice to the head office of the public authority by post, lettergram, telex, email, facsimile transmission or document exchange facility.

37 Notices of fire prohibition in specified zones

(1) Each weather forecast district referred to in Schedule 1 (comprising the administrative areas and divisions listed in relation to each such district) is a zone for the purposes of any notification or direction under section 99 of the Act.

(2) For the purposes of any such notification or direction, the boundaries of any such area or division are those current when the notification is published or the direction is given.

38 Persons to whom notice of bush fire hazard reduction work must be given

(1) For the purposes of section 100F (6) (c) of the Act, the following are prescribed persons to whom notice of bush fire hazard reduction work must be given:

If the bush fire hazard reduction work is to be carried out on land in a fire district, the officer in charge of the fire station that is nearest to the land on which the work is to be carried out.

- (2) For the purposes of section 100G (1) (c) of the Act, the following are prescribed persons to whom notice of bush fire hazard reduction work must be given:

If the bush fire hazard reduction work is to be carried out on land in a fire district, the officer in charge of the fire station that is nearest to the land on which the work is to be carried out.

39 Giving of notices

- (1) For the purposes of section 130 of the Act, a notice or direction required by or under the Act to be served on a person may be served as follows (except as otherwise expressly provided by the Act or this Regulation):
- (a) by delivering the notice to the person personally,
 - (b) by delivering the notice at or on the premises at which the person to be served lives or carries on business, and leaving it with any person apparently above the age of 14 years resident or employed at the premises,
 - (c) by posting the notice by prepaid letter addressed to the last known place of residence or business or post office box of the person to be served,
 - (d) by facsimile transmission to a number specified by the person (on correspondence or otherwise) as a number to which facsimile transmissions to that person may be sent,
 - (e) by email to an email address specified by the person (on correspondence or otherwise) as an address to which emails to that person may be sent,
 - (f) by fixing the notice on any conspicuous part of the land, building or premises owned or occupied by the person,
 - (g) in the case of an offence involving a vehicle, by attaching the notice to the vehicle,
 - (h) if the person to be served maintains a box at a document exchange established in New South Wales, by depositing the notice in that box or leaving it at another such exchange for transmission to the first mentioned exchange for deposit in that box.
- (2) If a notice is deposited in a box, or left at a document exchange, service of the notice is, until the contrary is proved, taken to be effected 2 days after the day on which the notice is so deposited or left.
- (3) In addition to the means of service prescribed by subclause (1):
- (a) in any case where the person to be served is, or after inquiry appears to be, absent from New South Wales, the service may be on the agent of the person by any of the means prescribed by subclause (1) (a), (b), (d) or (e), and

- (b) in any case where the land, building or premises are unoccupied and the owner or the owner's address or place of residence is not known to the person seeking to serve the notice, the service may be by advertisement in the approved form published in a newspaper circulating in the district in which the land, building or premises are situated.
- (4) The notice may be addressed by the description of "occupier" or "owner" of the land, building or premises (naming or otherwise sufficiently indicating the same) in respect of which the notice is served, and without further name or description.
- (5) The notice may be wholly printed, wholly written or partly printed and partly written.
- (6) If a notice has been served by any of the means prescribed by this clause, all inquiries required under this clause are taken to have been made, and the service is conclusive evidence of them.
- (7) For the purposes of this clause, a justice of the peace is authorised to take and receive an affidavit, whether any matter to which the affidavit relates is or is not pending in any court.

Part 6 Miscellaneous

40 (Repealed)

41 Bravery and other awards

The Commissioner is to keep a register of the names of each member of the Service who is given a commendation or award for long service, bravery or other forms of meritorious service and details of the commendation or award.

42 Voluntary work by rural fire brigades

- (1) For the purposes of section 33 of the Act, a function of a public authority is a prescribed function if:
 - (a) it is a function described in subclause (2), and
 - (b) in the case of a function described in subclause (2) (c)—it is exercised in accordance with an agreement between the fire control officer for the rural fire district in which the rural fire brigade concerned operates and the Commissioner of NSW Fire Brigades or between the Commissioner of the NSW Rural Fire Service and the Commissioner of NSW Fire Brigades.
- (2) The functions referred to in subclause (1) (a) are:
 - (a) in the case of any public authority—a function that may be exercised by the public authority under the *State Emergency and Rescue Management Act 1989*, and
 - (b) in the case of a public authority—a function that may be exercised by the public

authority in relation to the prevention and suppression of bush fires and other fires, and

- (c) in the case of the Commissioner of NSW Fire Brigades—a function of the Commissioner in relation to hazardous materials and like matters, and
- (d) in the case of the NSW Police Force—traffic control by a police officer.

43 Reduction of fire hazards on managed land

The following is prescribed as managed land for the purposes of paragraph (e) of the definition of **managed land** in the Dictionary at the end of the Act in the application of the definition to section 65 of the Act:

- (a) land dedicated for a public purpose and owned by a local authority or vested in, or under the control of, a local authority as trustee,
- (b) community land under the [Local Government Act 1993](#),
- (c) a road vested in a local authority,
- (d) a freeway or motorway.

44 Conditions of fire permit

For the purposes of section 92 of the Act, the following conditions are prescribed as conditions of a fire permit:

- (a) unless the fire permit provides otherwise—at least one person must be present at the site of the fire from the time it is lit until such time as it is extinguished,
- (b) a fire may be lit on land only if to do so is consistent with any bush fire risk management plan applying to the land,
- (c) a fire may be lit on land only in accordance with any direction given to the holder of the permit by the appropriate authority.

45 Section 100A definition of “excluded land”

The following is prescribed as excluded land for the purposes of paragraph (c) of the definition of **excluded land** in section 100A (1) of the Act:

Land declared by the Minister for the Environment under section 47 of the [Threatened Species Conservation Act 1995](#) to be the critical habitat of an endangered species, population or ecological community.

Land within Lord Howe Island.

46 Application for bush fire safety authority

- (1) For the purposes of section 100B (4) of the Act, an application for a bush fire safety authority must be in writing and include the following:
 - (a) a description (including the address) of the property on which the development the subject of the application is to be carried out,
 - (b) a classification of the vegetation on and surrounding the property (out to a distance of 140 metres from the boundaries of the property) in accordance with the system for classification of vegetation contained in *Planning for Bush Fire Protection*,
 - (c) an assessment of the slope of the land on and surrounding the property (out to a distance of 100 metres from the boundaries of the property),
 - (d) identification of any significant environmental features on the property,
 - (e) the details of any threatened species, population or ecological community identified under the *Threatened Species Conservation Act 1995* that is known to the applicant to exist on the property,
 - (f) the details and location of any Aboriginal relic (being a relic within the meaning of the *National Parks and Wildlife Act 1974*) or Aboriginal place (within the meaning of that Act) that is known to the applicant to be situated on the property,
 - (g) a bush fire assessment for the proposed development (including the methodology used in the assessment) that addresses the following matters:
 - (i) the extent to which the development is to provide for setbacks, including asset protection zones,
 - (ii) the siting and adequacy of water supplies for fire fighting,
 - (iii) the capacity of public roads in the vicinity to handle increased volumes of traffic in the event of a bush fire emergency,
 - (iv) whether or not public roads in the vicinity that link with the fire trail network have two-way access,
 - (v) the adequacy of arrangements for access to and egress from the development site for the purposes of an emergency response,
 - (vi) the adequacy of bush fire maintenance plans and fire emergency procedures for the development site,
 - (vii) the construction standards to be used for building elements in the development,

(viii) the adequacy of sprinkler systems and other fire protection measures to be incorporated into the development,

(h) an assessment of the extent to which the proposed development conforms with or deviates from the standards, specific objectives and performance criteria set out in Chapter 4 (Performance Based Controls) of *Planning for Bush Fire Protection*.

(2) (Repealed)

46A Development excluded from requirements for bush fire safety authority

(1) For the purposes of section 100B (5) (a1) of the Act, the following development is excluded from the operation of that section:

- (a) development for the purposes of licensed premises that do not provide overnight accommodation (other than for the owner or manager of the premises),
- (b) strata subdivision of a building, but only if development consent for the erection of the building was granted in accordance with section 79BA of the *Environmental Planning and Assessment Act 1979*,
- (c) strata subdivision of a class 2 building erected before 1 August 2002, but only if the building complies with the requirements of Level 1 construction under AS 3959—1999, *Construction of buildings in bushfire-prone areas*,
- (d) subdivision of land for the purposes of converting an existing dwelling to a dual occupancy, but only if development consent for the dwelling was granted in accordance with section 79BA of the *Environmental Planning and Assessment Act 1979*,
- (e) subdivision of land (including any boundary adjustments) that is leased under the *Western Lands Act 1901*,
- (f) subdivision for the purposes of consolidations of lots or boundary adjustments on land where the number of lots is reduced, but only if any existing dwelling on the land complies with the requirements of Appendix 3 (Site Bush Fire Attack Assessment) of *Planning for Bush Fire Protection*,
- (g) development for the purposes of bed and breakfast accommodation using an existing building, but only if the building is more than 30 metres from native vegetation,
- (h) subdivision of land used or proposed to be used for industrial purposes on which the erection of a dwelling related to the industrial use of the land (such as a manager's residence) is permitted,
- (i) subdivision of land for a rural residential purpose in a Western New South Wales district, but only if:

- (i) no lot created by the subdivision is greater than 10 hectares, and
- (ii) the bush fire prone land in any lot is less than 10 per cent of the lot, and
